What is a 360 Training Certificate?

A 360 training certificate is an official document awarded to individuals who successfully complete a professional course through the 360training online platform. Recognized for its comprehensive curriculum and regulatory compliance, 360training offers certificates in various fields including workplace safety, food and beverage, real estate, environmental health, and more. These certificates are designed to validate your expertise, demonstrate compliance with industry standards, and enhance your marketability in competitive job markets. Employers and regulatory bodies often require such credentials, making them an essential component for career advancement and maintaining professional standards.

Types of 360 Training Certificates

360training provides a wide array of certificate programs tailored to diverse industries. Each certificate is designed to address specific skills and regulatory needs, ensuring relevance and value for both employees and employers. Below are some of the most popular types of 360 training

certificates:

Food and Beverage Safety Certificates

These certificates cater to professionals in the hospitality industry, including food handlers, managers, and servers. Common courses include food handler certification, food manager certification, and alcohol seller-server training.

OSHA Safety Training Certificates

Occupational Safety and Health Administration (OSHA) training is essential for workers in construction, general industry, and manufacturing. The 360 training certificate for OSHA includes OSHA 10-Hour and OSHA 30-Hour courses, which are widely accepted across the United States.

Real Estate and Property Management Certificates

Real estate professionals can earn pre-licensing, post-licensing, and continuing education certificates through 360training. These certificates help agents, brokers, and property managers maintain their licenses and stay current with industry regulations.

Environmental Health and Safety Certificates

Courses in this category address topics such as hazardous waste management, emergency response, and environmental compliance. Earning a 360 training certificate in environmental health and safety demonstrates a commitment to regulatory compliance and workplace safety.

Human Resources and Compliance Certificates

HR professionals benefit from certificates focused on anti-harassment, diversity, and workplace ethics. These courses help organizations create safer, more inclusive, and legally compliant workplaces.

- Food Handler Certification
- OSHA 10-Hour and 30-Hour Training
- Real Estate Pre-Licensing and Continuing Education
- Environmental Compliance Training

- Human Resources and Compliance Training

Benefits of Earning a 360 Training Certificate

Obtaining a 360 training certificate offers numerous advantages for professionals seeking career growth, regulatory compliance, and personal development. The benefits extend to both individuals and organizations, enhancing workplace standards and increasing productivity.

Career Advancement

A 360 training certificate can significantly boost your resume, making you a more competitive candidate in the job market. Many employers prefer or require certified professionals, especially in regulated industries such as construction, hospitality, and real estate.

Regulatory Compliance

Certain jobs mandate compliance with federal, state, or industry-specific regulations. 360training certificates ensure that you meet these requirements, reducing the risk of legal penalties and workplace incidents.

Flexible Learning

360training's online platform allows learners to study at their own pace and on their own schedule. This flexibility makes it easier for busy professionals to gain new skills without disrupting their work or personal life.

Immediate Certificate Access

Upon successful completion of a course, learners can instantly download and print their 360 training certificate. This immediate access is particularly beneficial for those who need proof of certification for job applications or compliance audits.

Cost-Effectiveness

Compared to traditional in-person training, 360training offers affordable courses that eliminate the need for travel or expensive materials. Discounts are often available for group enrollments, making it a practical choice for businesses.

How to Obtain a 360 Training Certificate

Earning a 360 training certificate is a straightforward process, designed to be accessible to learners of all backgrounds. The steps below outline the typical journey from course selection to certificate acquisition:

1. Register on the 360training platform by creating an account.
2. Browse the course catalog to find the certification program that matches your career goals or regulatory requirements.
3. Enroll in your chosen course and pay the applicable fee.
4. Complete the online coursework, including reading materials, videos, and interactive modules.
5. Pass the required assessments or exams to demonstrate your understanding of the material.
6. Download and print your 360 training certificate upon successful completion of the course.

Many courses offer support resources, such as study guides and customer service, to help you succeed. Some certifications may require periodic renewal or continuing education, which can also be managed through the 360training platform.

Industries and Careers Recognizing 360 Training Certificates

360 training certificates are widely recognized across multiple industries. Employers value these credentials as evidence of specialized knowledge and a commitment to industry standards. Common sectors that accept or require 360training certificates include:

- **Hospitality and Food Service:** Food handlers, restaurant managers, bartenders, and catering staff.
- **Construction and General Industry:** Laborers, supervisors, safety officers, and project managers.
- **Real Estate:** Agents, brokers, appraisers, and property managers.
- **Environmental Health and Safety:** Compliance officers, environmental consultants, and emergency responders.

- Corporate Compliance and HR: Human resources managers, compliance officers, and business owners.

These industries rely on 360 training certificates to ensure employees are adequately trained, minimize liability, and maintain a safe and efficient workplace. For job seekers, holding a recognized certification can be the deciding factor in securing employment or promotions.

Verification and Renewal of 360 Training Certificates

Verifying the authenticity of a 360 training certificate is essential for employers and regulatory agencies. Each certificate comes with a unique ID number and the learner's details, allowing for easy verification through the 360training platform or by contacting their support team. This transparency helps prevent fraud and ensures that only qualified individuals hold valid certifications.

Many certificates have an expiration date, particularly those related to safety, compliance, or regulatory standards. Renewal processes typically involve completing a refresher course or additional continuing education modules. Staying current with renewals ensures ongoing compliance and keeps your skills up to date.

Maximizing the Value of Your 360 Training Certificate

To fully benefit from your 360 training certificate, it's important to integrate it into your professional profile and ongoing development strategy. Here are several ways to make the most of your certification:

- Include your 360 training certificate on your resume, LinkedIn profile, and job applications.
- Share your achievement with current and potential employers during performance reviews or interviews.
- Stay informed about industry updates and pursue additional certifications as needed to maintain a competitive edge.
- Participate in related professional organizations or forums to network with peers and stay engaged in your field.
- Encourage colleagues or team members to pursue 360training courses to build a more knowledgeable and compliant workforce.

By actively leveraging your certification, you demonstrate a commitment to excellence, continuous learning, and professional growth. This not only benefits your career but also contributes to safer, more compliant, and more efficient workplaces.

Q: What is a 360 training certificate?

A: A 360 training certificate is an official credential issued upon successful completion of an online course through the 360training platform. It verifies your knowledge and compliance in areas such as workplace safety, food handling, real estate, and other regulated industries.

Q: How long does it take to obtain a 360 training certificate?

A: The duration depends on the course. Some courses can be completed in a few hours, while others may take several days or weeks. Most programs are self-paced, allowing learners to progress according to their schedules.

Q: Are 360 training certificates recognized by employers?

A: Yes, 360 training certificates are recognized by employers across various industries, especially those requiring regulatory compliance such as hospitality, construction, and real estate.

Q: Can I access my 360 training certificate immediately after completing the course?

A: Yes, upon passing the required assessments, you can instantly download and print your certificate from the 360training platform.

Q: Do 360 training certificates expire?

A: Some certificates, particularly those related to safety and compliance, have expiration dates and require renewal through refresher courses or continuing education.

Q: How can employers verify a 360 training certificate?

A: Employers can verify certificates using the unique ID number provided on each certificate, either through the 360training platform or by contacting their customer support.

Q: What types of courses are available for 360 training certification?

A: Courses include food safety, OSHA safety training, real estate licensing, environmental health and safety, and human resources compliance, among others.

Q: Is financial assistance available for 360training courses?

A: While 360training offers affordable pricing and group discounts, financial assistance or payment plans may be available for select courses. Check the specific course details for options.

Q: Can I take 360training courses from any location?

A: Yes, as long as you have internet access, you can enroll in and complete 360training courses from anywhere, making them ideal for remote learners.

Q: How do I renew an expired 360 training certificate?

A: To renew, log in to your 360training account, enroll in the required refresher or continuing education course, complete the program, and obtain your updated certificate.

360 Training Certificate: Your Guide to Understanding and Obtaining One

Are you looking to boost your leadership skills and gain a competitive edge in today's dynamic workplace? A 360-degree feedback training certificate might be just what you need. This comprehensive guide delves into the world of 360 training, explaining what it is, its benefits, how to find reputable programs, and how to leverage your certificate for career advancement. We'll cover everything you need to know to confidently pursue and utilize this valuable credential.

What is a 360 Training Certificate?

A 360 training certificate signifies successful completion of a course designed to equip individuals with the knowledge and skills to effectively design, implement, and interpret 360-degree feedback assessments. This isn't simply about understanding the process; it's about mastering the nuances of creating impactful feedback loops, handling sensitive information ethically, and coaching individuals to leverage feedback for growth. The curriculum typically covers topics such as:

Designing effective 360-degree feedback instruments: Learning to tailor questionnaires to specific needs and goals.

Understanding different feedback methodologies: Exploring various approaches and their respective strengths and weaknesses.

Analyzing and interpreting 360-degree feedback data: Developing the skills to identify trends and patterns in feedback.

Providing constructive feedback: Mastering techniques for delivering feedback effectively and compassionately.

Coaching individuals through the feedback process: Guiding individuals on how to utilize feedback for self-improvement.

Maintaining confidentiality and ethical considerations: Understanding the importance of privacy and responsible data handling.

Benefits of Obtaining a 360 Training Certificate

The benefits of holding a 360 training certificate extend beyond simply understanding the process. It demonstrates your commitment to professional development and enhances your credibility within your organization and the wider industry. Key benefits include:

Enhanced leadership skills: You'll gain the skills to guide and mentor individuals effectively.

Improved performance management: You'll be better equipped to manage and improve the performance of your team.

Increased self-awareness: The process itself encourages reflection and self-improvement.

Improved communication skills: You'll develop advanced communication skills necessary for delivering and receiving feedback constructively.

Career advancement opportunities: This certificate showcases your dedication to professional growth and can open doors to new opportunities.

Competitive advantage in the job market: In a competitive landscape, this specialized skillset can significantly distinguish you from your peers.

Finding Reputable 360 Training Programs

Choosing the right training program is crucial. Look for programs that offer:

Experienced instructors: Ensure the instructors have practical experience in implementing 360-degree feedback.

Comprehensive curriculum: The curriculum should cover all aspects of the 360-degree feedback process.

Hands-on activities and practical exercises: These help reinforce learning and build confidence.

Accreditation or recognized certifications: Look for programs that are accredited by reputable organizations.

Positive student reviews and testimonials: Check online reviews to gauge the quality of the program and the instructor's effectiveness.

Key Considerations When Choosing a Program:

Cost and time commitment: Balance the program's cost with your budget and time constraints.

Learning style: Consider whether you prefer online, in-person, or blended learning formats.

Program flexibility: Look for programs that offer flexible scheduling options if needed.

Leveraging Your 360 Training Certificate for Career Advancement

Once you have obtained your certificate, actively showcase your newfound skills. This can be done through:

Highlighting it on your resume and LinkedIn profile: Make sure the certificate is prominently displayed.

Seeking opportunities to implement 360-degree feedback in your workplace: Proactively propose using your skills to improve team performance.

Networking with other professionals in the field: Attend conferences and workshops to connect with peers.

Continuing your education: Stay up-to-date on the latest trends and best practices in 360-degree feedback.

Conclusion

A 360 training certificate is a valuable investment in your professional development. By understanding the process, mastering the skills, and strategically leveraging your certification, you can significantly enhance your leadership capabilities and propel your career forward. Take the time to research reputable programs and invest in your future success.

FAQs

1. Is a 360 training certificate required for all leadership positions? No, it's not universally required, but it significantly enhances your skills and makes you a more competitive candidate.
2. How long does it typically take to complete a 360 training program? This varies depending on the program's intensity, but it can range from a few days to several weeks.
3. What kind of jobs benefit most from having a 360 training certificate? Leadership roles, HR professionals, and anyone involved in performance management or team development will greatly benefit.

4. Are there different levels or types of 360 training certificates? Yes, some programs offer specialized certifications, focusing on specific industries or methodologies.

5. Can I use online resources to learn about 360 feedback instead of getting a certificate? While online resources can be helpful, a formal certificate signifies a structured learning experience and demonstrates competency to potential employers.

360 training certificate: Stairways and Ladders , 1993

360 training certificate: The 360° Corporation Sarah Kaplan, 2022-08-18 Companies are increasingly facing intense pressures to address stakeholder demands from every direction: consumers want socially responsible products; employees want meaningful work; investors now screen on environmental, social, and governance criteria; clicktivists create social media storms over company missteps. CEOs now realize that their companies must be social as well as commercial actors, but stakeholder pressures often create trade-offs with demands to deliver financial performance to shareholders. How can companies respond while avoiding simple greenwashing or pinkwashing? This book lays out a roadmap for organizational leaders who have hit the limits of the supposed win-win of shared value to explore how companies can cope with real trade-offs, innovating around them or even thriving within them. Suggesting that the shared-value mindset may actually get in the way of progress, bestselling author Sarah Kaplan shows in *The 360° Corporation* how trade-offs, rather than being confusing or problematic, can actually be the source of organizational resilience and transformation.

360 training certificate: The Extraordinary Leader: Turning Good Managers into Great Leaders John H. Zenger, Joseph Folkman, 2009-06-07 People can learn how to lead. This was the position John H. Zenger and Joseph R. Folkman took when they wrote their now-classic leadership book *The Extraordinary Leader*—and it's a fact they reinforce in this new, completely updated edition of their bestseller. When it was first published, *The Extraordinary Leader* immediately attracted a wide audience of aspiring leaders drawn to its unique feature: the extensive use of scientific studies and hard data, which served to demystify the concept of leadership and get readers thinking about the subject in a pragmatic way. Now, Zenger and Folkman revisit the subject to address leaders' most pressing concerns today. The result is an up-to-date, essential leadership guide for the twenty-first century that includes: Late-breaking research on the psychology of leadership New information on leading in a global environment A breakthrough case study on measuring improved leadership behavior Studies revealing the importance of follow-through *The Extraordinary Leader* is a remarkable combination of expert insight and extensive research. The authors analyzed more than 200,000 assessments describing 20,000 managers—by far the most expansive research ever conducted for a leadership book. Zenger and Folkman have created the leadership book of the ages. *The Extraordinary Leader* explains how to build leadership skills that will take you and your organization to unimaginable success.

360 training certificate: Leadership Agility William B. Joiner, Stephen A. Josephs, 2006-10-20 Leadership Agility is the master competency needed for sustained success in today's complex, fast-paced business environment. Richly illustrated with stories based on original research and decades of work with clients, this groundbreaking book identifies five levels that leaders move through in developing their agility. Significantly, only 10% have mastered the level of agility needed for consistent effectiveness in our turbulent era of global competition. Written in an engaging, down-to-earth style, this book not only provides a map that guides readers in identifying their current level of agility. It also provides practical advice and concrete examples that show managers and leadership development professionals how they can bring greater agility to the initiatives they take every day.

360 training certificate: Management 3.0 Jurgen Appelo, 2011 Introduces a realistic approach to leading, managing, and growing your Agile team or organization. Written for current managers

and developers moving into management, Appelo shares insights that are grounded in modern complex systems theory, reflecting the intense complexity of modern software development. Recognizes that today's organizations are living, networked systems; that you can't simply let them run themselves; and that management is primarily about people and relationships. Deepens your understanding of how organizations and Agile teams work, and gives you tools to solve your own problems. Identifies the most valuable elements of Agile management, and helps you improve each of them.

360 training certificate: Emotional Intelligence 2.0 Travis Bradberry, Jean Greaves, 2009 Includes a new & enhanced online edition of the world's most popular emotional intelligence test.

360 training certificate: **Em 385-1-1** Corps of Engineers, 2022 The manual describes safety and health requirements for all Corps of Engineers activities and operations, including Naval Facilities Engineering Command (NAVFAC) construction contracts. Following this manual will help all contractors working on DoD projects to meet all of the necessary safety requirements to ensure success on any current and future Federal projects.

360 training certificate: Autodesk Fusion 360: A Power Guide for Beginners and Intermediate Users (4th Edition) Sandeep Dogra, 2020-11-22 Autodesk Fusion 360: A Power Guide for Beginners and Intermediate Users (4th Edition) textbook has been designed for instructor-led courses as well as self-paced learning. It is intended to help engineers and designers, interested in learning Fusion 360, to create 3D mechanical designs. This textbook is a great help for new Fusion 360 users and a great teaching aid for classroom training. This textbook consists of 14 chapters, a total of 750 pages covering major workspaces of Fusion 360 such as DESIGN, ANIMATION, and DRAWING. The textbook teaches you to use Fusion 360 mechanical design software for building parametric 3D solid components and assemblies as well as creating animations and 2D drawings. This edition of textbook has been developed using Autodesk Fusion 360 software version: 2.0.9313 (November 2020 Product Update). This textbook not only focuses on the usages of the tools/commands of Fusion 360 but also on the concept of design. Every chapter in this textbook contains tutorials that provide users with step-by-step instructions for creating mechanical designs and drawings with ease. Moreover, every chapter ends with hands-on test drives that allow users to experience for themselves the user friendly and powerful capacities of Fusion 360. Table of Contents: Chapter 1. Introducing Fusion 360 Chapter 2. Drawing Sketches with Autodesk Fusion 360 Chapter 3. Editing and Modifying Sketches Chapter 4. Applying Constraints and Dimensions Chapter 5. Creating Base Feature of Solid Models Chapter 6. Creating Construction Geometries Chapter 7. Advanced Modeling - I Chapter 8. Advanced Modeling - II Chapter 9. Patterning and Mirroring Chapter 10. Editing and Modifying 3D Models Chapter 11. Working with Assemblies - I Chapter 12. Working with Assemblies - II Chapter 13. Creating Animation of a Design Chapter 14. Working with Drawings

360 training certificate: *Resources in Education* , 1998

360 training certificate: **3D Coach** Jeff Duke, Chad Bonham, 2014-06-11 With more than 60 million athletes involved in sports in America, it is estimated that one coach will impact more people in one year than the average person does in a lifetime. Today's coach could be one of the greatest authoritative figures in the life of today's adolescent. So the question isn't whether coaches leave a legacy, but rather, what will that legacy be? Current trending research shows that only 15% of coaches are intentional about coaching beyond the skills and strategies of the game (1st Dimension). A 3-Dimensional Coach understands and harnesses the power of the coaching platform to coach the mind (2nd Dimension) and transform the heart (3rd Dimension). They can be the catalysts for internal transformation that guides both the coach and the athlete on a spiritual journey to finding purpose in our performance-based culture. Now that's a legacy! In 3D Coach, National Coaches Training Director Jeff Duke shares his own journey through the three dimensions of coaching and how it has impacted his life and those around him. He also shares the personal stories of coaches from all levels who have implemented the 3D concept into their own programs and who have pointed to Jesus Christ, the Master Coach, as the ultimate example of how to lead athletes to true significance.

360 training certificate: Inventory of the County Archives of Wisconsin , 1940

360 training certificate: Paper360° , 2007

360 training certificate: Wellness Coaching for Lasting Lifestyle Change Michael Arloski, 2014 Arloski blends the wisdom of the wellness field with the proven processes of the coaching profession to create an easy-to-use training tool. The result is the perfect training tool for wellness professionals of all kinds: disease management professionals, professional coaches, EAP professionals, counselors, and therapists.

360 training certificate: Report Transvaal (South Africa). Education Department, 1924

360 training certificate: Code of Federal Regulations , 1956

360 training certificate: The Extraordinary Coach: How the Best Leaders Help Others Grow John H. Zenger, Kathleen Stinnett, 2010-06-04 COACH YOUR BUSINESS TO SUCCESS USING THIS "INTERACTIVE" APPROACH FROM TWO OF TODAY'S MOST FORWARD-THINKING LEADERSHIP GURUS "A wonderful and indispensable guide to the practice of coaching. The authors are among the most seasoned practitioners around . . . and it shows! Whether you are coaching subordinates or clients, you will want to keep this book close at hand—full of detailed guidance." —Jay A. Conger, Kravis Professor of Leadership Studies, Claremont McKenna College, and author of Building Leaders and Learning to Lead "Stinnett and Zenger provide a comprehensive look at the value of coaching inside the organization, complete with a process, tools, and supports for getting started. This book is a great resource and contribution to the field!" —Pam McLean, Ph.D., CEO, Hudson Institute of Santa Barbara "Finally, and I do mean finally, a book has emerged that is the very best guide to the philosophy, competencies, and discipline required to be a coach who makes a true difference in lives of others. This is not a book to read. It is a book to study and live by. Why? Because it is all there: the right questions, the right answers, and the right motives of giving your best to others." —Larry Wilson, CEO, The Wilson Collaborative, and author of Play to Win! "The Extraordinary Coach offers a compelling view of what it means to be a truly effective leader—one who empowers and grows capability through coaching. It demystifies coaching into an actionable framework that generates immediate change." —Christy Consler, Vice President, Leadership Development and Sustainability, Safeway, Inc. "Powerful, thought-provoking, and packed with practical tools, concepts, and ideas you can use immediately. It will change the way you think about coaching, and about yourself." —Lou Kaucic, retired Chief People Officer of Applebee's International, founder of Coaches Collective International About the Book: Imagine your workplace filled with curious, creative, committed employees. People who take initiative, who are fearless decisionmakers, who "own" their work. With the right coaching system in place, this dream will soon become reality. With The Extraordinary Coach, leadership guru Jack Zenger and coaching expert Kathleen Stinnett deliver an entire toolbox for coaching your organization to success. While other such books simply tell you how to coach, The Extraordinary Coach uses companion videos (at www.zengerfolkman.com), worksheets, checklists, sample questions, and the latest research findings to provide a full immersion course on becoming the kind of coach who brings dramatic changes to an organization. Applying Zenger and Stinnett's system, you'll see immediate results in your business including: Increased productivity High-energy company culture Dynamic supervisor/employee relationships Creative problem solving Greater risk taking Heightened innovation The authors collected 360-degree feedback assessments from some of the most effective leaders in business today and identified those who were excellent coaches. Then they combined the research with the latest findings from the worlds of psychology, adult development, and systems theory to map out the real science behind effective coaching. The result is a practical, evidence-based coaching system that can be applied in any type of business. When you coach individuals to success, you lead your entire organization to success. This "interactive" package is exactly what you need to master one of today's most critical business leadership skills.

360 training certificate: Bulletin United States. Office of Education, 1914

360 training certificate: Inland Waterway Transport Massimiliano Grimaldi, 2023-02-21 This book analyses the European legal framework on inland water transport in light of the most

recent legislation adopted and how the main Member States of Central Western Europe have implemented it. Specifically, the book provides an innovative tool of analytical and systematic study of the various legislative EU measures that regulate the inland waterways transport sector, as well as for the comparative study and analysis of the relevant measures of implementation adopted by the afore-mentioned Member States. Each EU legislative measure is first explained in general terms and then commented on in detail with a specific analysis of the most significant articles, following a precise logical sequence of the topics; the corresponding national implementing measures are also examined in detail* describing any different ways of transposing the EU regulation, also with regard to any differences in approach by the Member States relative to the possibility of any derogations or exemptions from compliance with some measures, which is often provided for by the EU regulation. This approach is significantly useful for (i) a more systematic and user-friendly understanding of the EU regulatory framework, (ii) an equally better understanding of how EU measures have been transposed into national legislation and (iii) a revision of this European and domestic legislation, where appropriate. Furthermore, the book is very useful for policy-makers of countries that are not members of the European Union (i.e. policy-makers from countries worldwide that have inland waterways), as they will have a reference tool to evaluate the possibility of reviewing their own regulation with a view to making it more similar to the EU one should the latter be better. While preparing the book, analyses of the preparatory work of the legislation played a great role, as they are very useful for better understanding the legislative initiatives and the reasons for the choices made. Analysis of the doctrine and jurisprudence also played a great part. This allows the reader to have a thorough understanding of the subject from a scientific point of view and from the point of view of practical application.

360 training certificate: The School and the Start in Life Bird Thomas Baldwin, Lloyd L. Friend, Meyer Bloomfield, Rufus Whittaker Stimson, 1914

360 training certificate: Federal Register , 1977-12

360 training certificate: Agile Practice Guide , 2017-09-06 Agile Practice Guide – First Edition has been developed as a resource to understand, evaluate, and use agile and hybrid agile approaches. This practice guide provides guidance on when, where, and how to apply agile approaches and provides practical tools for practitioners and organizations wanting to increase agility. This practice guide is aligned with other PMI standards, including A Guide to the Project Management Body of Knowledge (PMBOK® Guide) – Sixth Edition, and was developed as the result of collaboration between the Project Management Institute and the Agile Alliance.

360 training certificate: Maritime Law Yvonne Baatz, 2014-10-24 Now in its third edition, this authoritative guide covers all of the core aspects of maritime law in one distinct volume. Maritime Law is written by a team of leading academics and practitioners, each expert in their own field. Together, they provide clear, concise and fully up-to-date coverage of topics ranging from bills of lading to arrest of ships, all written in an accessible and engaging style. As English law is heavily relied on throughout the maritime world, this book is grounded in English law whilst continuing to analyse the key international conventions currently in force. Brand new coverage includes: Regulation (EU) No 1215/2012 of the European Parliament and of the Council of 12 December 2012 on jurisdiction and the recognition and enforcement of judgments in civil and commercial matters (recast) The coming into force of the 2006 Maritime Labour Convention and the Merchant Shipping Regulations 2014 The approval of the 2012 edition of the Norwegian Sale Form Regulation 100/2013 heavily amending Regulation 1406/2002 establishing the European Maritime Safety Agency Greater detail on piracy in the Public International Law chapter and discussion of the M/V Louisa, ARA Libertad and Arctic Sunrise cases in the International Tribunal for the Law of the Sea Expanded sections in the marine insurance chapter Analysis of recent cases including Golden Ocean Group Ltd v Salgaocar Mining Industries PVT Ltd; Starlight Shipping Co v Allianz Marine & Aviation Versicherungs AG and Griffon Shipping Ltd. v Firodi Shipping Ltd. This book is a comprehensive reference source for students, academics, and legal practitioners worldwide, especially those new to maritime law or a particular field therein.

360 training certificate: The International Directory of Computer and Information System Services , 1971

360 training certificate: Biometric-Based Physical and Cybersecurity Systems Mohammad S. Obaidat, Issa Traore, Isaac Woungang, 2018-10-24 This book presents the latest developments in biometrics technologies and reports on new approaches, methods, findings, and technologies developed or being developed by the research community and the industry. The book focuses on introducing fundamental principles and concepts of key enabling technologies for biometric systems applied for both physical and cyber security. The authors disseminate recent research and developing efforts in this area, investigate related trends and challenges, and present case studies and examples such as fingerprint, face, iris, retina, keystroke dynamics, and voice applications . The authors also investigate the advances and future outcomes in research and development in biometric security systems. The book is applicable to students, instructors, researchers, industry practitioners, and related government agencies staff. Each chapter is accompanied by a set of PowerPoint slides for use by instructors.

360 training certificate: *The EQ Edge* Steven J. Stein, Howard E. Book, 2011-04-26 REVISED AND UPDAT ED WITH NEW RESEARCH INTO EQ AND PERSONAL AND CAREER SUCCESS What is the formula for success at your job? As a spouse? A parent? A Little League baseball coach or behind the bench of a minor hockey team? What does it take to get ahead? To separate yourself from the competition? To lead a less stressful and happier existence? To be fulfilled in personal and professional pursuits? What is the most important dynamic of your makeup? Is it your A) intelligence quotient? or B) emotional quotient? If you picked A, you are partly correct. Your intelligence quotient can be a predictor of things such as academic achievement. But your IQ is fixed and unchangeable. The real key to personal and professional growth is your emotional intelligence quotient, which you can nurture and develop by learning more about EQ from the international bestseller *The EQ Edge*. Authors Steven J. Stein and Howard E. Book show you how the dynamic of emotional intelligence works. By understanding EQ, you can build more meaningful relationships, boost your confidence and optimism, and respond to challenges with enthusiasm-all of which are essential ingredients of success. *The EQ Edge* offers fascinating-and sometimes surprising-insights into what it takes to be a top law-enforcement officer, lawyer, school principal, student, doctor, dentist or CEO. You will learn what the top EQ factors are across many different kinds of jobs, from business managers and customer service representatives to HR professionals and public servants. *The EQ Edge* will help you determine which personnel are the right fit for job opportunities and who among your staff are the most promising leaders and drivers of your business. And because all of us have other roles-parent, spouse, caregiver to aging parents, neighbor, friend-*The EQ Edge* also describes how everyone can be more successful in these relationships. Finally, a practical and usable

guide to what emotional intelligence is all about. This book peels the onion on what EQ really is and teaches the reader to assess their own EQ and how to increase it. This is the holy grail for career success.—Michael Feiner, Professor, Columbia Graduate School of Business and author of The Feiner Points of Leadership
