Origins and Background of “88 Lines About 44 Women”

“88 lines about 44 women” is an iconic song released by the alternative rock band The Nails in 1984. The track first appeared on their album “Mood Swing” and quickly gained popularity for its unconventional style and memorable lyrics. The Nails, founded in New York City, were known for their distinctive blend of new wave and post-punk influences, which set them apart during the vibrant music scene of the early 1980s. The song’s unique title—88 lines about 44 women—refers to the lyrical structure: each of the 44 women is described in two lines, resulting in 88 lines in total. This innovative approach to songwriting captured the imaginations of listeners and established the track as a cult classic.

The Nails’ quirky and poetic storytelling, combined with driving rhythms and catchy melodies, made “88 lines about 44 women” stand out at the time of its release. The song’s success led to significant airplay on college radio stations and even mainstream channels, cementing its status as a defining anthem of the era. The composition showcases the band's creative prowess and reflects the experimental spirit of 1980s alternative music.

Analysis of the Song’s Lyrics and Structure

Distinctive Narrative Style

The lyrics of “88 lines about 44 women” are constructed with striking brevity and wit. Each woman is introduced and characterized in exactly two lines, resulting in a rapid-fire sequence of vivid, memorable descriptions. The song’s structure is linear yet fragmented, as it moves from one woman to the next without traditional narrative transitions. This format gives the listener snapshots of personalities, quirks, and relationships, all delivered with a sharp observational tone.

Common Themes in the Song

Throughout the 88 lines, listeners encounter a variety of themes, including love, obsession, heartbreak, humor, and eccentricity. The song captures the complexity of human relationships through concise storytelling, highlighting both the uniqueness and universality of the experiences described. The lyrics also use clever wordplay, metaphors, and cultural references, contributing to the song's enduring appeal.

- Romantic encounters and fleeting relationships
- Personal quirks and memorable traits
- Humorous anecdotes and ironic twists
- References to pop culture and societal trends

Musical Arrangement

Musically, “88 lines about 44 women” features a pulsing bassline, energetic percussion, and minimalist guitar work that complement the storytelling. The repetitive yet dynamic arrangement mirrors the song's lyrical structure, keeping the listener engaged from start to finish. The Nails' performance is both energetic and restrained, allowing the lyrics to remain the focal point throughout.

Pieced Together: The 44 Women Referenced

Who Are the 44 Women?

One of the most intriguing aspects of “88 lines about 44 women” is the mystery surrounding the women described in the song. While some lines appear to reference real individuals from the band’s personal lives, others seem to be fictional or composite characters. The diversity of personalities and situations portrayed reflects a wide range of experiences and perspectives.

Character Archetypes

The song’s women are depicted as unique individuals, each with distinct characteristics, habits, and stories. This variety illustrates the songwriter’s ability to capture the essence of people in just two lines. Some are portrayed with humor, others with empathy, and a few with biting irony.

- The hopeful romantic
- The eccentric artist
- The rebellious outsider
- The misunderstood intellectual
- The mysterious stranger

Interpretation and Speculation

Fans and music critics have long speculated about the identities of the women mentioned. Some suggest that the descriptions are amalgamations of people the songwriter encountered, while others

believe they are purely imaginative creations. The ambiguity adds to the song's allure, inviting listeners to interpret the lines in their own way and perhaps see themselves or someone they know in the lyrics.

Cultural Impact and Legacy

Reception and Influence

Upon its release, "88 lines about 44 women" quickly became a favorite among college radio DJs and alternative music fans. Its unconventional format and sharp lyricism set it apart from mainstream pop songs of the era. The track helped The Nails gain national recognition and remains one of their best-known works.

Enduring Appeal

Decades after its debut, "88 lines about 44 women" continues to be celebrated for its originality and storytelling prowess. It is frequently featured in retrospectives on 1980s music and is often cited as an example of innovative songwriting. The song's legacy endures in cover versions, references in media, and continued airplay on classic alternative stations.

Pop Culture References

The impact of "88 lines about 44 women" extends beyond the music industry. The phrase is occasionally used in literature, film, and online discussions to denote a list or collection of diverse experiences. Its distinctive structure and memorable title have inspired parodies, tributes, and reinterpretations by other artists.

Trivia and Notable Facts

Behind-the-Scenes Insights

The creation of “88 lines about 44 women” involved a collaborative effort by The Nails, with lead singer Marc Campbell playing a central role in writing the lyrics. The song’s concept reportedly emerged from Campbell’s fascination with the idea of summarizing relationships and personalities in just a few words. The process of writing and recording the track was experimental, with the band seeking to capture spontaneity and authenticity.

Legacy of The Nails

While The Nails never achieved widespread commercial success, their influence on the alternative rock genre is significant. “88 lines about 44 women” remains their signature song and is considered a cult classic among music enthusiasts. The band’s willingness to push creative boundaries inspired other artists to experiment with lyrical and structural innovation.

- Released in 1984 on the album “Mood Swing”
- Known for its rapid-fire lyrical delivery
- Continues to be covered and referenced decades later
- Became a staple of college radio playlists

Influence on Music and Pop Culture

Innovative Songwriting

“88 lines about 44 women” is often credited with influencing a wave of experimental songwriting in the alternative music scene. Its use of minimalistic character sketches and unconventional narrative structure encouraged other musicians to explore new lyrical formats. The song demonstrated that creativity and brevity could coexist, paving the way for future artists seeking to break traditional molds.

Impact on List-Based Storytelling

The song’s structure, consisting of concise vignettes, has been emulated in various artistic mediums. List-based storytelling, whether in music, literature, or visual art, often draws inspiration from works like “88 lines about 44 women.” The approach invites audiences to engage with a multitude of perspectives in a short span, making each line or entry memorable.

Contemporary Relevance

Even in today’s digital era, “88 lines about 44 women” retains its relevance. The song’s themes of individuality, diversity, and fleeting relationships resonate with modern listeners navigating complex social landscapes. Its format can be seen as a precursor to contemporary forms of micro-storytelling found on social media and digital platforms.

The song’s enduring popularity demonstrates the timeless appeal of inventive storytelling and relatable human experiences, securing its place in the annals of music history.

Q: What is the meaning behind “88 lines about 44 women”?

A: The song “88 lines about 44 women” describes 44 different women, each portrayed in two concise lines. The lyrics highlight individual experiences and personalities, offering a snapshot of diverse relationships and encounters.

Q: Who wrote and performed “88 lines about 44 women”?

A: The song was written and performed by The Nails, a New York-based alternative rock band. Marc Campbell, the band’s lead singer, played a key role in writing the lyrics.

Q: When was “88 lines about 44 women” released?

A: “88 lines about 44 women” was released in 1984 as part of The Nails’ album “Mood Swing.”

Q: Why is “88 lines about 44 women” considered a cult classic?

A: The song’s innovative structure, witty lyrics, and memorable storytelling have made it a favorite among alternative music fans and critics, earning it cult classic status.

Q: Are the women described in the song real people?

A: Some lines may reference real individuals from the songwriter’s life, while others appear to be fictional or composite characters, adding to the intrigue and appeal of the song.

Q: What makes the song’s structure unique?

A: Each of the 44 women is described in exactly two lines, creating a rapid-fire sequence of character sketches that distinguishes the song from traditional narrative formats.

Q: How did the song influence other artists?

A: “88 lines about 44 women” inspired other musicians and writers to experiment with list-based and vignette-style storytelling, encouraging creative approaches in lyrics and literature.

Q: Is “88 lines about 44 women” still popular today?

A: Yes, the song continues to receive airplay, is covered by other artists, and is frequently referenced in pop culture discussions and retrospectives on 1980s music.

Q: Which album features “88 lines about 44 women”?

A: The song appears on The Nails’ album “Mood Swing,” released in 1984.

88 Lines About 44 Women: Exploring Narrative Structure and Female Representation

Are you intrigued by the intriguing premise of "88 lines about 44 women"? This seemingly simple phrase hints at a complex narrative structure ripe for exploration. This post delves into the potential

interpretations and creative possibilities inherent in this concept, examining how such a constraint can foster powerful storytelling and nuanced character development. We'll explore the challenges and rewards of crafting such a concise yet impactful portrayal of diverse female experiences, analyzing the potential impact on themes, character arc, and overall narrative effectiveness. Prepare to dive into the fascinating world of limited narration and its implications for representing the complexities of womanhood.

H2: The Allure of Constraint: Why 88 Lines, 44 Women?

The inherent constraint of only 88 lines to represent 44 women immediately sparks curiosity. This limitation forces a writer to prioritize, to choose their words meticulously. Every line must carry weight, every sentence contribute to a richer understanding of the characters. It's a challenge that pushes creative boundaries and encourages innovative approaches to storytelling. The compactness demands a sharp, focused narrative, eliminating unnecessary details and streamlining the essence of each character's story.

H3: Finding Narrative Focus: Themes and Structure

With such limited space, the writer must strategically choose a dominant theme or a unifying narrative thread. This could be anything from exploring a shared experience (like motherhood, loss, or ambition) to focusing on a specific period or location. Possible structural approaches could include:

Parallel narratives: Brief snapshots of each woman's life, allowing for comparison and contrast.

Interwoven narratives: Lines subtly connecting the lives of the women, revealing subtle relationships or shared fates.

Chronological narrative: Following a specific event or time period that affects all 44 women.

The choice of structure will profoundly impact the overall narrative's impact and its ability to resonate with the reader.

H3: Character Development Under Pressure: Showing, Not Telling

The challenge of crafting believable characters within 88 lines demands a masterful use of "showing" rather than "telling." Instead of lengthy descriptions, the writer must rely on evocative language, impactful dialogue, or significant actions to reveal character traits. This constraint fosters a more immersive reading experience, where the reader actively participates in constructing the characters' personalities and backstories.

H2: Exploring Diverse Female Experiences: Breaking Stereotypes

One of the most compelling aspects of this concept is its potential to showcase the incredible diversity of female experiences. 88 lines allow for a multiplicity of voices and perspectives, defying stereotypical representations of women. Each woman could represent a unique social, economic, or cultural background, creating a rich tapestry of human experience. This diversity is crucial for challenging pre-conceived notions and promoting a more nuanced understanding of womanhood.

H3: The Power of Implication: Leaving Space for the Reader

The beauty of limited narration lies in its ability to leave space for the reader's imagination. The writer doesn't need to explicitly spell everything out; subtle hints and suggestive language can leave lasting impressions. This encourages active participation, inviting readers to fill in the gaps and connect with the characters on a deeper level. The implied narrative can be just as powerful, if not more so, than a fully detailed one.

H2: The Challenges of Concision: Balancing Depth and Brevity

Crafting 88 lines about 44 women is undeniably challenging. The writer must master the art of concise storytelling, sacrificing extraneous details to maintain focus and impact. Maintaining narrative clarity while providing enough information to understand each character's essence is a delicate balancing act. The risk lies in sacrificing depth for brevity, resulting in shallow or underdeveloped characters.

H2: The Artistic Potential: A Unique Literary Experiment

"88 lines about 44 women" offers a unique artistic challenge. It pushes the boundaries of traditional storytelling, demanding innovation and experimentation. The resulting work could be a powerful, poignant piece of literature, a testament to the artistry of concise and impactful writing. It offers the chance to explore narrative structure in a fresh, unconventional way, offering a new lens through which to examine female experiences.

Conclusion

The concept of "88 lines about 44 women" presents a significant creative challenge with immense potential. The constraint forces a deep engagement with narrative structure, character development, and thematic focus. The success of such a project hinges on the writer's ability to master concision, leverage implication, and create a diverse and compelling portrayal of female lives. While demanding, the potential rewards – a potent and memorable piece of literature – make it a worthwhile endeavor.

FAQs:

1. What genre would best suit this concept? The concept lends itself well to flash fiction, poetry, or even a dramatic script. The chosen genre will determine the style and tone of the writing.
2. How can I ensure diversity in portraying the 44 women? Thorough research, diverse influences, and avoiding stereotypes are vital. Consider consulting with individuals from different backgrounds to ensure authentic representation.
3. What if I struggle to keep the story concise? Prioritize the most impactful details related to character and theme. Use strong verbs and precise language to maximize impact within each line.
4. How can I ensure the narratives feel connected despite their brevity? Consider using recurring motifs, thematic connections, or even subtle references between the characters' stories to weave a unified whole.
5. What software could help in organizing 88 lines for 44 characters? Spreadsheet software like Excel or Google Sheets could be helpful for tracking and organizing the lines for each character, ensuring a clear and coherent narrative structure.

88 lines about 44 women: 88 Lines About 44 Women Steven Lang, 2009-08-31 Sometimes the bad notes resonate longest. For a while Lawrence Martin had everything. He was the keyboard player in a successful rock band; he had money, his choice of women. It was all a long way from the British boarding school where he met Roly, the charismatic front man who lured him to Australia in the first place, and with whom he shared the song-writing. Only after it all went wrong did Lawrence learn they'd been sharing other things as well. Two decades on, living in the highlands of Scotland, he's again confronted with those turbulent years, and with the accident that changed everything . . . Wry, insightful, intelligent, 88 Lines About 44 Women traces the boundaries of shame and how it obstructs the capacity for love. Are all men emotionally disconnected? Does true intimacy bring redemption, or is it the other way round? 'An excellent novel; a finely calibrated blend of a carefully paced thriller and a literary exploration of masculinity.' Jo Case, Australian Book Review 'Be prepared to be surprised.' Liam Davison, Weekend Australian 'A brilliantly humane novel.' Tim Kennedy Hanna, Australian Literary Review 'This fluently written novel is an elegant expression of how the complex dynamics of male and female versions of friendship, love and sex can be corroded by unresolved guilt.' Ian McFarlane, Canberra Times 'A wry, wise and affecting study of shame,

particularly as it relates to men ... An insightful and authentic tale steeped in matters of the human mind and heart.' Michael Jacobson, Weekend Gold Coast Bulletin 'A thoughtful and well-written tale of a man trying to make sense of his life.' Sun Herald

88 lines about 44 women: *When Cheers Are Not Enough* Slavko Ray, 2024-09-26 Baker, Conrad, Angus, and Masaccio are high school teachers who occasionally meet to jam as a crude alt-rock garage band. They are also diehard hockey fans desperate to see an end to their beloved Toronto Mighty Pines' fifty-seven year Cup drought. But another early playoff exit soon has the foursome resolving to support the team in ways beyond just cheering. Enlisting the vocal talents of a new teacher named Perreault, the weekend rockers restyle themselves as a musical coven and decide to call on supernatural forces for help with their hockey woes. By transforming popular song lyrics into hockey spells, they create a magical playlist of tunes and dip their toes into witchcraft. A bit of help from a seasoned Wiccan and her talented apprentice impacts the five fans' world in subtle ways, tuning them into the love, loss, and mystery saturating their ordinary lives. Will any of it serve to bring the Clarence Cup, hockey's Holy Grail, back to the city of Toronto? That depends, of course, on how the Mighty Pines fare during an erratic and unpredictable 2019-2020 season—a season like few others, and one that will leave more than just the Pines' fortunes in question.

autobiography is much more than a spotlight on any one decade. Instead, he gives you a jaw-dropping, uncensored insider's look into the world of music, movies, and television and its biggest stars, starting in the sixties and continuing through to the new century. Richard takes you on a journey that few have experienced: from his early days as a student at Oxford to the wild, lascivious nights of being a disco DJ touring the clubs of Europe, to coming to America and working with Michael Jackson, Barbra Streisand, and Sarah Jessica Parker and finally breaking through into the L.A. radio scene and becoming the number one morning drive personality in California. From his TV and radio shows to his feature films and live gigs, Richard shares stories that have until now remained secret. His unique perspective will take you on the road with Depeche Mode, to Australia with Spandau Ballet, into the recording studio with Morrissey, and onto the main stage at Live Aid with Duran Duran. He opens up about his friendships with Michael Hutchence and George Michael, as well as his passionate love affair with Terri Nunn of Berlin. This is a no-holds-barred look at life, sex, and death, set to a pulsing backbeat of music. For the first time, Richard Blade shares his extraordinary story, allowing us to see the world through his eyes.

88 lines about 44 women: *The Replacements' Let It Be* Colin Meloy, 2004-08-10 One of the greatest moments of College Rock in the 1980s, *Let It Be* had a huge impact on the fans who fell under its spell. For Colin Meloy, growing up in Montana - a state that's strangely missing from the tour itineraries of almost every band - the album was a lifeline and an inspiration. In this disarming memoir, Meloy lovingly recreates those feverish first years when rock music grips you and never lets go.

88 lines about 44 women: *The Replacements' Let It Be* Colin Meloy, 2004-08-10 The frontman for the band The Decemberists discusses his experience as a young man discovering The Replacements' album *Let it Be* for the first time.

88 lines about 44 women: *American Hardcore (Second Edition)* Steven Blush, George Petros, 2010-10-19 *American Hardcore* sets the record straight about the last great American subculture—Paper magazine Steven Blush's definitive treatment of Hardcore Punk (Los Angeles Times) changed the way we look at Punk Rock. The Sony Picture Classics-distributed documentary *American Hardcore* premiered at the 2006 Sundance Film Festival. This revised and expanded second edition contains hundreds of new bands, thirty new interviews, flyers, a new chapter (Destroy Babylon), and a new art gallery with over 125 rare photos and images.

88 lines about 44 women: *Falling Into Blue* Gene Pare, 2001-10-26 Blue sky, a garden hose, the guy next door—they may never be the same. This eclectic collection of over 100 poems and prose will forever skew your perception of the everyday world. Paré has gathered 25 years of strange imaginings and quiet probings in one disturbed volume. He has the knack for capturing with intense clarity even the most seemingly innocuous moments and distilling them into something volatile. The writing is often so sparse it seems as if it was drawn out with needle-nose pliers. With just a few telling details Paré reveals extraordinary relationships between people and things, and although the subject matter tends to be dark, it's edged with humor and always shivers with life.

88 lines about 44 women: *Inventory* A.V. Club, 2009-10-13 Each week, the writers of The A.V. Club issue a slightly slanted pop-culture list filled with challenging opinions (Is David Bowie's *Young Americans* nearly ruined by saxophone?) and fascinating facts. Exploring twenty-four great films too painful to watch twice, fourteen tragic movie-masturbation scenes, eighteen songs about crappy cities, and much more, *Inventory* combines a massive helping of new lists created especially for the book with a few favorites first seen at AVClub.com and in the pages of The A.V. Club's sister publication, The Onion. But wait! There's more: John Hodgman offers a set of minutely detailed (and probably fictional) character actors. Patton Oswalt waxes ecstatic about the quiet film revolutions that changed cinema in small but exciting ways. Amy Sedaris lists fifty things that make her laugh. Weird Al Yankovic examines the noises of *Mad* magazine's Don Martin. Plus lists from Paul Thomas Anderson, Robert Ben Garant, Tom Lennon, Andrew W.K., Tim and Eric, Daniel Handler, and Zach Galifianakis—and an epic foreword from essayist Chuck Klosterman.

88 lines about 44 women: *Maya* Simon Wolfe, 2015-05-18 An adventure awaits as Milo sits

and watches the world going by, lingering at the appointed place for the shaman-like Tommy as he chews over the twists and turns that have brought him back to where the echoes seem to know him, where it feels like home. Maya is an illusion of the senses that blocks out our truth, and what is revealed as its journey unfolds, accompanied by memories that resonate, music that's dear and the too few good friends, is a jumble of yearnings: to belong, to understand, to achieve true happiness, all in a world of treachery where deep running currents are obscured from the eye; where broken relationships, trip-wire pitfalls and the fight with one's own desires can so often be disastrous. This beautiful tale morphs gently from prosaic history to something less sure, shimmering between what's gone before, what is yet to come and what may never be, yet all the while remaining honest right through to the surreal conclusion where redemption is found. Full of surprises, this is the heartfelt tale of one who knows. It speaks to us all.

88 lines about 44 women: Dead Kennedys Alex Ogg, 2014-07-01 Dead Kennedys routinely top both critic and fan polls as the greatest punk band of their generation. Their debut full-length, Fresh Fruit for Rotting Vegetables, in particular, is regularly voted among the top albums in the genre. Fresh Fruit offered a perfect hybrid of humor and polemic strapped to a musical chassis that was as tetchy and inventive as Jello Biafra's withering broadsides. Those lyrics, cruel in their precision, were revelatory. But it wouldn't have worked if the underlying sonics were not such an uproarious

rush, the paraffin to Biafra's naked flame. Dead Kennedys' continuing influence is an extraordinary achievement for a band that had practically zero radio play and only released records on independent labels. They not only existed outside of the mainstream but were, as V. Vale of Search and Destroy noted, the first band of their stature to turn on and attack the music industry itself. The DKs set so much in motion. They were integral to the formulation of an alternative network that allowed bands on the first rung of the ladder to tour outside of their own backyard. They were instrumental in supporting the concept of all-ages shows and spurned the advances of corporate rock promoters and industry lapdogs. They legitimized the notion of an American punk band touring internationally while disseminating the true horror of their native country's foreign policies, effectively serving as anti-ambassadors on their travels. The book uses dozens of first-hand interviews, photos, and original artwork to offer a new perspective on a group who would become mired in controversy almost from the get-go. It applauds the band's key role in transforming punk rhetoric, both polemical and musical, into something genuinely threatening—and enormously funny. The author offers context in terms of both the global and local trajectory of punk and, while not flinching from the wildly differing takes individual band members have on the evolution of the band, attempts to be celebratory—if not uncritical.

88 lines about 44 women: Terminated for Reasons of Taste Chuck Eddy, 2016-08-25 In *Terminated for Reasons of Taste*, veteran rock critic Chuck Eddy writes that rock'n'roll history is written by the winners. Which stinks, because the losers have always played a big role in keeping rock interesting. Rock's losers share top billing with its winners in this new collection of Eddy's writing. In pieces culled from outlets as varied as the Village Voice, Creem magazine, the streaming site Rhapsody, music message boards, and his high school newspaper, Eddy covers everything from the Beastie Boys to 1920s country music, Taylor Swift to German new wave, Bruce Springsteen to occult metal. With an encyclopedic knowledge, unabashed irreverence, and a captivating style, Eddy rips up popular music histories and stitches them back together using his appreciation of the lost, ignored, and maligned. In so doing, he shows how pop music is bigger, and more multidimensional and compelling than most people can imagine.

88 lines about 44 women: Billboard, 1985-03-23 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. 88 lines about 44 women: Billboard, 1985-02-16 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

88 lines about 44 women: Poseur Marc Spitz, 2013-02-12 Marc Spitz assumed that if he lived like his literary and rock 'n' roll heroes, he would become a great artist, too. He conveniently overlooked the fact that many of them died young, broke, and miserable. In his candid, wistful, touching, and hilarious memoir, *Poseur*, the music journalist, playwright, author, and blogger recounts his misspent years as a suburban kid searching for authenticity, dangerous fun, and druggy, downtown glory: first during New York's last era of risk and edge, the pre-gentrification '90s, and finally as a flamboyant and notorious rock writer, partying and posing during the music industry's heady, decadent last gasp. Part profane, confidential tell-all and part sweetly frank coming-of-age tale, this dirty, witty memoir finds Spitz careening through the scene, meeting and sometimes clashing with cultural icons like Courtney Love, Jeff Buckley, Rivers Cuomo of Weezer, Chloë Sevigny, Kim Deal, The Dandy Warhols, Guns N' Roses, Ryan Adams, Paul Rudd, Coldplay, Pavement, Peter Dinklage, Julie Bowen, The Strokes, Trent Reznor, Chuck Klosterman, Interpol, and Franz Ferdinand, as well as meeting heroes like Allen Ginsberg, Shirley Clarke, Joe Strummer, and Morrissey. Along the way he finds literary guru Gordon Lish is a long-lost relative, and erstwhile pal and sensation JT LeRoy is an even bigger poseur. Spitz refuses to give up the romantic ghost until a post-9/11 breakdown and an improbable new love (fellow music writer Lizzy Goodman) finally help

him strike the hardest pose of all: his true self. /DIV

88 lines about 44 women: *The Future of Rock and Roll* Robin James, 2023-04-06 In 1983, an Ohio radio station called WOXY launched a sonic disruption to both corporate rock and to its conservative home region, programming an omnivorous range of genres and artists while being staunchly committed to local independent art and media. In the 1990s, as alternative rock went mainstream and radio grew increasingly homogeneous, WOXY gained international renown as one of Rolling Stone's Last Great Independent Radio stations. The station projected a philosophy that prioritized such independence—the idea that truly progressive, transgressive, futuristic disruptions of the status quo were possible only when practiced with and for other people. In *The Future of Rock and Roll*, philosopher Robin James uses WOXY's story to argue against a corporate vision of independence—in which everyone fends for themselves—and in favor of an alternative way of thinking and relating to one another that disrupts norms but is nevertheless supported by communities. Against the standard retelling of the history of modern rock, James looks to the local scenes that made true independence possible by freeing individual artists from the whims of the boardroom. This philosophy of community-rooted independence offers both a counternarrative to the orthodox history of indie rock and an alternative worldview to that of the current corporate mainstream.

Whether covering what's new or what's next, SPIN is your monthly VIP pass to all that rocks.

88 lines about 44 women: *Dead Kennedys: Fresh fruit for rotting vegetables* Alex Ogg, 2018-12-21 A batida tribal, o baixo ameaçador, a guitarra fantasmagórica e finalmente a voz sarcástica que anuncia I am Governor Jerry Brown. Era um verdadeiro chamado para a batalha: um botão de alerta que, quando acionado, invertia os papéis da sociedade. Garotos populares para trás, desajustados para frente! Doce – e barulhenta – vingança dos rejeitados, tímidos, feios, nerds, punks, skatistas, enfim, de todos aqueles considerados diferentes. Esse épico começo de California Über Alles, reconhecível a quilômetros de distância, foi incorporado não apenas ao imaginário daquela geração que cresceu pulando com esse som: como um vírus, penetrou no sangue de todo e qualquer punk que nasceu nos anos seguintes. Corrigindo: décadas seguintes. Lá se vão 34 anos desde o lançamento de *Fresh Fruit for Rotting Vegetables*, o primeiro e clássico álbum do Dead Kennedys. A edição nacional, em vinil branco, saiu pela gravadora Continental com seis anos de atraso e tornou-se um item sagrado para a juventude brasileira. Era tocado em festas, emprestado (com certo temor) para amigos, gravado em fitas K7, disputado a tapa em lojas quando o pôster estava intacto! Três décadas depois e quase nada mudou: as faixas do *Fresh Fruit* ainda animam muitas festas, ninguém gosta muito de emprestar esse disco, ele ainda marca presença em playlists ou mixtapes, e o LP com o pôster continua valendo o dobro do preço nas feirinhas de vinil. A influência do Dead Kennedys é atestada pela longevidade. *Fresh Fruit* permanece atual. Assim, o recorte histórico do escritor Alex Ogg é muito bem-vindo. Com a contextualização dos primeiros anos da banda e o acompanhamento minucioso do processo de composição e gravação do debut, o autor britânico consegue estabelecer um pouco de consenso numa história que é marcada por brigas, disputas

judiciais e egos inflamados/feridos. É tarefa árdua (quase impossível) lançar algo que agrade todas as partes envolvidas nesse caso. E Alex Ogg conseguiu – com paciência e muito jogo de cintura, mas conseguiu (inclusive ele enumerou no apêndice o número de aspas atribuídas à cada um dos integrantes, para provar que todos tiveram a chance de defender a sua versão). Tretas à parte, a obra vai agradar os fãs, não apenas pelos depoimentos e fatos levantados, mas também pela riqueza gráfica: o livro é todo ilustrado com as artes de Winston Smith, o homem responsável pelo emblemático logo do DK e um dos grandes nomes na técnica da colagem punk, e com as fotografias de Ruby Ray, que estava agachado na beira do palco do Mabuhay Gardens, no fim dos anos 70/começo dos 80, registrando a efervescente cena punk que nascia em San Francisco. Mergulhe nas páginas desse livro e entenda com mais clareza o papel-chave do DK na transformação da retórica punk em algo genuinamente ameaçador – e incrivelmente divertido. Por Marcelo Viegas, editor brasileiro do livro e, orgulhosamente, um dos desajustados que pulava feito doido toda vez que ouvia California Über Alles numa festa nos anos 80.

88 lines about 44 women: *What's Your Idea of a Good Time?* Bill Berkson, Bernadette Mayer, 2006 In or around 1977, Bernadette Mayer and Bill Berkson initiated a correspondence that eventually centered on question-and-answer exchanges usually folded inside accompanying cover letters. The candor and intensity of these epistolary interviews was sustained well into the mid 1980s. Included are intimate musings on everyday life, childhood, marriage, sex, poetry and other arts, cooking, weather, house-and-garden details, fashion, politics, philosophy, time, identity, morality, and much else besides. Although the exchanges have continued intermittently to this day, it is the bulk of that early, high-intensity phase that the present volume represents ... The title *What's Your Idea of a Good Time?* was the question that sparked the original project--P. 7.

88 lines about 44 women: *Camion Blanc* Alex Ogg, 2017-06-26 Dead Kennedys réunissait parfaitement les critiques de la presse et les votes des fans le consacrant plus grand groupe punk de sa génération. Leur premier album, *Fresh Fruit For Rotting Vegetables*, est régulièrement cité parmi les disques essentiels du genre. *Fresh Fruit* proposait un mélange parfait d'humour et de polémiques attachés à un châssis musical aussi irritant et inventif que les diatribes cinglantes de Biafra. Ces paroles, cruelles dans leur précision, étaient une révélation. Mais ça n'aurait pas marché si la sonorité sous-jacente n'avait pas été d'une telle confusion, atténuant la flamme corrosive de Biafra. Leur inaltérable influence représente une réussite extraordinaire pour un groupe qui ne passait pratiquement pas en radio et ne sortit de disques que chez des labels indépendants. Non seulement existèrent-ils en dehors du courant dominant, mais ils furent également le premier groupe de cette ampleur à s'en prendre à l'industrie du disque et à l'attaquer. DKs fut à l'origine de tant de choses. Ils firent partie intégrante du réseau américain alternatif mettant aux groupes le pied à l'étrier, leur

permettant de se produire ailleurs que dans leur petit jardin. Ils jouèrent un rôle en soutenant le concept de concerts intergénérationnels et en rejetant les avances des promoteurs de rock corporatiste et des toutous de l'industrie du disque. Ils légitimèrent la notion de groupe punk américain travaillant avec succès à l'étranger tout en racontant les horreurs de la politique étrangère de leur pays natal - servant de fait, dans leurs tournées, d'anti-ambassadeurs. Cet ouvrage regroupe des dizaines d'interviews à la source, dont certaines avec les cinq membres fondateurs, des photos et des oeuvres originales, proposant un nouveau regard sur une formation au coeur de la controverse dès ses débuts. Le groupe joua un rôle prépondérant dans la rhétorique punk, la transformant, tant sur le plan polémique que musical, en un univers profondément menaçant - et extrêmement drôle. L'auteur se propose de décrire les débuts de Dead Kennedys au sein de la trajectoire locale et globale du punk ; s'appliquant à retranscrire les points de vue différents des membres de DKs sur leur évolution, il se montre un fan passionné - ne rechignant pas à une certaine subjectivité.
