Understanding the 2023 AP Euro DBQ

The 2023 AP Euro DBQ is a central component of the AP European History exam, challenging students to analyze historical documents and construct a well-supported argument. This section requires critical thinking, synthesis of multiple sources, and the application of historical knowledge to a specific topic. The Document-Based Question is designed to test analytical skills, familiarity with European history, and the ability to write a coherent essay under timed conditions. In 2023, the AP Euro DBQ continued the tradition of focusing on significant historical themes, encouraging students to demonstrate mastery of both content and skills.

Historical Context and Thematic Focus

Overview of Historical Periods Covered

The 2023 AP Euro DBQ typically centers on a key era in European history, such as the Renaissance, the Enlightenment, the Age of Revolution, or the twentieth century. The question often relates to political, social, or economic transformations that shaped Europe and its global influence. Students must be prepared to engage with primary sources from diverse perspectives, including letters, government documents, speeches, and visual materials.

Common Themes in AP Euro DBQs

- Social change and reform movements
- Political revolutions and ideological shifts
- Economic developments and industrialization
- Nationalism and state-building
- Conflict, diplomacy, and war
- Culture and intellectual trends

Familiarity with these themes helps students contextualize documents and formulate sophisticated arguments, essential for a high score on the 2023 AP Euro DBQ.

DBQ Structure and Requirements

Format of the Question

The DBQ section presents a prompt accompanied by 5–7 primary source documents. Students are tasked with developing a thesis-driven essay that addresses the prompt, utilizes evidence from the documents, and incorporates relevant historical context. The essay should be well-organized, with clear topic sentences, analysis of sources, and connections to broader historical developments.

Required Skills for Success

- Thesis development and argumentation
- Document analysis and evidence integration
- Contextualization and synthesis
- Understanding of historical causation and continuity
- Effective writing and organization

Mastery of these skills ensures a strong performance on the 2023 AP Euro DBQ, showcasing both historical knowledge and analytical ability.

Effective Strategies for Answering the DBQ

Prewriting and Planning

Successful DBQ essays begin with careful planning. Students should spend the first 15 minutes reading the prompt, analyzing documents, and outlining their thesis and supporting points. Annotating documents and grouping them by theme helps organize evidence effectively.

Crafting a Strong Thesis Statement

A precise thesis is the backbone of any DBQ essay. It should directly address the prompt, make a defensible claim, and set up the structure for the argument. Referencing both the documents and the historical context helps frame the thesis and guide the essay.

Integrating Documents and Outside Knowledge

The highest-scoring DBQ responses weave together evidence from the documents with relevant outside information. Students should explain how each document supports their thesis, consider point of view and reliability, and connect the sources to broader historical trends.

Scoring Rubric and Key Criteria

Overview of the AP Euro DBQ Rubric

The AP Euro DBQ is graded according to a standardized rubric, with points awarded for thesis/claim, contextualization, evidence, analysis, and synthesis. Understanding the rubric is essential for maximizing scores and avoiding common pitfalls.

Breakdown of Scoring Categories

1. **Thesis/Claim:** Clear, historically defensible thesis addressing all parts of the prompt.
2. **Contextualization:** Connecting the topic to broader historical developments.
3. **Evidence:** Using documents and outside information to support the argument.
4. **Analysis:** Explaining significance, considering point of view, and evaluating reliability.
5. **Synthesis:** Extending the argument to other historical periods, events, or processes.

Each category is worth a specific number of points, and comprehensive preparation is crucial for earning a top score on the 2023 AP Euro DBQ.

Common Mistakes and How to Avoid Them

Typical Pitfalls in DBQ Essays

Many students lose points by summarizing documents without analysis, failing to address all parts of the prompt, or neglecting historical context. Incomplete thesis statements and poor organization can also undermine the essay.

Strategies for Improvement

- Always analyze, not just summarize, each document.
- Address every aspect of the prompt in your thesis and body paragraphs.
- Incorporate outside information to strengthen your argument.
- Stay focused and organized, with clear transitions between paragraphs.
- Proofread for clarity and grammatical accuracy.

By understanding these common mistakes, students can refine their writing and improve their performance on the 2023 AP Euro DBQ.

Expert Tips for Success

Practice Strategies

Consistent practice with past DBQ prompts is the most effective way to improve. Timed essay writing helps simulate test conditions and build confidence. Reviewing high-scoring sample essays and analyzing scoring commentary can provide valuable insights into effective techniques.

Time Management on Test Day

Allocating time wisely is crucial. Spend the initial minutes planning, then focus on writing and revising your essay. Prioritize clear argumentation, evidence integration, and analysis within the allotted time.

Utilizing Feedback

Seek feedback from teachers, peers, or tutors to identify strengths and areas for growth. Revising essays based on constructive criticism leads to stronger performance and a deeper understanding of historical analysis.

Frequently Asked Questions

Q: What is the 2023 AP Euro DBQ and why is it important?

A: The 2023 AP Euro DBQ is the Document-Based Question section of the AP European History exam. It tests students' ability to analyze historical sources, develop a thesis, and write a coherent essay. It is crucial because it assesses both content knowledge and critical thinking skills.

Q: How should I prepare for the 2023 AP Euro DBQ?

A: Preparation involves reviewing key historical themes, practicing with sample DBQ prompts, analyzing primary sources, and mastering the scoring rubric. Regular timed practice and feedback are highly recommended.

Q: What topics might appear in the 2023 AP Euro DBQ?

A: Common topics include political revolutions, social reforms, economic changes, nationalism, war, and intellectual movements within European history from 1450 to the present.

Q: How is the DBQ essay scored?

A: The DBQ essay is scored on a rubric that awards points for thesis, contextualization, evidence, analysis, and synthesis. Each category has specific criteria, and essays are evaluated holistically.

Q: What are common mistakes to avoid in the DBQ?

A: Avoid summarizing documents without analysis, neglecting historical context, providing incomplete thesis statements, and poor organization. Always address the prompt fully and integrate outside knowledge.

Q: How much time should I spend on the DBQ during the exam?

A: Students should spend about 15 minutes planning and 45 minutes writing the essay. Time management is key to ensuring a well-organized and thorough response.

Q: Can I use outside information in my DBQ essay?

A: Yes, incorporating relevant outside historical knowledge strengthens your argument and demonstrates mastery of the topic.

Q: What are effective strategies for analyzing documents?

A: Consider the author's perspective, purpose, and historical context. Group documents by theme and explain how each supports your thesis.

Q: Where can I find sample DBQ prompts for practice?

A: Sample DBQ prompts are available in AP Euro review books, released College Board exams, and many online educational resources.

Q: What should a strong thesis statement include for the DBQ?

A: A strong thesis should address all parts of the prompt, present a clear argument, and guide the structure of your essay with references to both documents and historical context.

2023 AP Euro DBQ: A Comprehensive Guide to Success

Conquering the AP European History DBQ (Document-Based Question) can feel like scaling a formidable mountain. But with the right strategies and preparation, you can not only summit this challenge but also achieve a high score. This comprehensive guide will dissect the 2023 AP Euro DBQ, providing you with the tools and techniques you need to excel. We'll explore effective approaches to analyzing documents, crafting compelling arguments, and maximizing your score. Let's get started!

Understanding the 2023 AP Euro DBQ Structure

The AP European History DBQ requires a deep understanding of historical context and the ability to

synthesize information from multiple sources. The exam typically presents you with 7-10 historical documents (primary sources like letters, maps, images, etc.) related to a specific historical theme or event within the European context. Your task is to analyze these documents, form a thesis statement based on the provided prompt, and craft a well-supported essay.

Essential Steps to Mastering the 2023 AP Euro DBQ

1. Deconstructing the Prompt: The Foundation of Success

Before even glancing at the documents, carefully read and dissect the prompt. Identify the specific historical context, the task (e.g., analyze, compare, evaluate), and the key concepts or themes. Understanding the prompt is the cornerstone of a strong essay. Underline keywords, and paraphrase the prompt in your own words to ensure complete comprehension.

2. Analyzing the Documents: Beyond Surface Level

This is where the real work begins. Don't just read the documents passively; actively engage with them. For each document:

Identify the source: Who created it? When? What is their perspective or bias?

Summarize the main idea: What is the document arguing or showing?

Analyze the evidence: What specific details support the main idea?

Consider the context: How does the document fit within the broader historical context provided in the prompt?

Identify the point of view: What is the author's perspective, and how might that influence their interpretation of events?

Use the provided historical context and your own prior knowledge to add depth to your analysis. Note how different documents relate to and contradict each other.

3. Crafting a Strong Thesis Statement: Your Essay's Compass

Your thesis statement should directly address the prompt and present a clear, arguable claim about the historical theme. It should incorporate the main points you plan to discuss in your essay, essentially mapping out your argument. Avoid vague or general statements; instead, make a specific and focused claim supported by the documents.

4. Structuring Your Essay: A Clear and Logical Flow

A well-structured essay is crucial for a high score. A typical structure includes:

Introduction: Briefly introduce the historical context and state your thesis statement.

Body Paragraphs: Each body paragraph should focus on a specific aspect of your argument, using evidence from multiple documents to support your points. Always explicitly link the documents to your thesis statement.

Conclusion: Restate your thesis in a new way, summarize your main points, and offer a brief concluding thought.

5. Utilizing Outside Information: Expanding Your Analysis

While the DBQ primarily focuses on the provided documents, incorporating outside knowledge demonstrates a broader understanding of the historical context. This is where your prior knowledge of AP European History comes into play. Use this knowledge judiciously to strengthen your analysis and provide context. Don't let outside knowledge overshadow the documents, however; they should remain the primary focus.

Common Mistakes to Avoid

Ignoring the prompt: Always reread the prompt multiple times to ensure you're directly addressing the question.

Summarizing documents instead of analyzing them: Focus on analyzing the documents' significance and how they relate to your argument.

Ignoring the point of view: Consider the author's perspective and potential bias when interpreting the documents.

Lack of historical context: Use both the documents and your own knowledge to provide a well-rounded understanding of the historical context.

Poor essay structure: Structure your essay logically with a clear introduction, body paragraphs, and conclusion.

Conclusion

Mastering the AP Euro DBQ requires careful planning, strategic analysis, and effective writing. By following these steps, actively engaging with the documents, and employing strong essay-writing techniques, you can significantly improve your chances of success. Remember, practice makes perfect – the more DBQs you complete, the more confident and skilled you'll become. Good luck!

FAQs

1. Can I use outside information beyond what's in the documents? Yes, but only to support your analysis of the documents, not replace them. Your main evidence must come from the provided sources.

2. How many documents should I use in my essay? Aim to use as many documents as possible,

incorporating at least the majority. Don't simply list them; analyze them.

3. What if I disagree with a document's interpretation? Clearly state your disagreement and explain your reasoning based on other documents or your historical knowledge.

4. What is the best way to structure my body paragraphs? Each paragraph should focus on one main point supporting your thesis. Start with a topic sentence, then provide evidence from multiple documents, and conclude with a sentence that links back to your thesis.

5. How important is the thesis statement? The thesis is crucial. It sets the stage for your entire essay and guides your analysis. A strong thesis demonstrates understanding and focus.

Eder, 2014-02-01 In-depth preparation for the AP European History exam features: Two full-length model AP exams with all questions answered and explained A 15-chapter summary of European history for review, starting with Europe during the Italian Renaissance and progressing to Europe in the twenty-first century Essay questions and multiple-choice questions with answers following each chapter Extensive charts that summarize Europe's history The manual can be purchased alone or with an optional CD-ROM that presents two additional full-length practice tests with automatic scoring and fully explained answers. BONUS! An exclusive online exam included with the purchase of the book or the book with CD-ROM.

2023 ap euro dbq: Understanding by Design Grant P. Wiggins, Jay McTighe, 2005 What is understanding and how does it differ from knowledge? How can we determine the big ideas worth understanding? Why is understanding an important teaching goal, and how do we know when students have attained it? How can we create a rigorous and engaging curriculum that focuses on understanding and leads to improved student performance in today's high-stakes, standards-based environment? Authors Grant Wiggins and Jay McTighe answer these and many other questions in this second edition of *Understanding by Design*. Drawing on feedback from thousands of educators around the world who have used the UbD framework since its introduction in 1998, the authors have greatly revised and expanded their original work to guide educators across the K-16 spectrum in the design of curriculum, assessment, and instruction. With an improved UbD Template at its core, the book explains the rationale of backward design and explores in greater depth the meaning of such

key ideas as essential questions and transfer tasks. Readers will learn why the familiar coverage- and activity-based approaches to curriculum design fall short, and how a focus on the six facets of understanding can enrich student learning. With an expanded array of practical strategies, tools, and examples from all subject areas, the book demonstrates how the research-based principles of Understanding by Design apply to district frameworks as well as to individual units of curriculum. Combining provocative ideas, thoughtful analysis, and tested approaches, this new edition of Understanding by Design offers teacher-designers a clear path to the creation of curriculum that ensures better learning and a more stimulating experience for students and teachers alike.

2023 ap euro dbq: Achiever Christopher Freiler, 2021-03 The most well-respected, teacher-recommended guide to the AP European History exam is back and better than ever! The new Third Edition, now published by Sherpa Learning, has been updated to align to the latest College Board standards for the redesigned course, and expanded to include hundreds of new test items complete with answer explanations and sample responses.

2023 ap euro dbq: New Lefts Terence Renaud, 2021-09-07 A groundbreaking history of Europe's new lefts, from the antifascist 1920s to the anti-establishment 1960s In the 1960s, the radical youth of Western Europe's New Left rebelled against the democratic welfare state and their parents' antiquated politics of reform. It was not the first time an upstart leftist movement was built on the ruins of the old. This book traces the history of neoleftism from its antifascist roots in the first half of the twentieth century, to its postwar reconstruction in the 1950s, to its explosive reinvention by the 1960s counterculture. Terence Renaud demonstrates why the left in Europe underwent a series of internal revolts against the organizational forms of established parties and unions. He describes how small groups of militant youth such as New Beginning in Germany tried to sustain grassroots movements without reproducing the bureaucratic, hierarchical, and supposedly obsolete structures of Social Democracy and Communism. Neoleftist militants experimented with alternative modes of organization such as councils, assemblies, and action committees. However, Renaud reveals that these same militants, decades later, often came to defend the very institutions they had opposed in their youth. Providing vital historical perspective on the challenges confronting leftists today, this book tells the story of generations of antifascists, left socialists, and anti-authoritarians who tried to build radical democratic alternatives to capitalism and kindle hope in reactionary times.

practice questions, test-taking tips, and an analysis of the test's essay question with a sample essay. Enclosed with the manual is a CD-ROM that presents two more practice tests with answers, explanations, and automatic scoring, as well as extensive subject review.

2023 ap euro dbq: Routledge Handbook of EU-Middle East Relations Dimitris Bouris, Daniela Huber, Michelle Pace, 2021-12-30 EU-Middle East relations are multifaceted, varied and complex, shaped by historical, political, economic, migratory, social and cultural dynamics. Covering these relations from a broad perspective that captures continuities, ruptures and entanglements, this handbook provides a clearer understanding of trends, thus contributing to a range of different turns in international relations. The interdisciplinary and diverse assessments through which readers may grasp a more nuanced comprehension of the intricate entanglements in EU-Middle East relations are carefully provided in these pages by leading experts in the various (sub)fields, including academics, think-tankers, as well as policymakers. The volume offers original reflections on historical constructions; theoretical approaches; multilateralism and geopolitical perspectives; contemporary issues; peace, security and conflict; and development, economics, trade and society. This handbook provides an entry point for an informed exploration of the multiple themes, actors, structures, policies and processes that mould EU-Middle East relations. It is designed for policymakers, academics and students of all levels interested in politics, international and global studies, contemporary history, regionalism and area studies.

2023 ap euro dbq: Europe Under Napoleon Michael Broers, 2014-11-18 Napoleon Bonaparte dominated the public life of Europe like no other individual before him. Not surprisingly, the story of the man himself has usually swamped the stories of his subjects. This book looks at the history of the Napoleonic Empire from an entirely new perspective – that of the ruled rather than the ruler. Michael Broers concentrates on the experience of the people of Europe – particularly the vast majority of Napoleon's subjects who were neither French nor willing participants in the great events of the period – during the dynamic but short-lived career of Napoleon, when half of the European continent fell under his rule.

2023 ap euro dbq: An Historical Geography of Europe Abridged Version Norman J. G. Pounds, 1990-07-27 The central theme of this book is the changing spatial pattern of human activities during the last 2,500 years of Europe's history. Professor Pounds argues that three factors have determined the locations of human activities: the environment, the attitudes and forms of social organization of the many different peoples of Europe and lastly, the levels of technology. Within the broad framework of the interrelationships of environment, society and technology, several important themes pursued from the fifth century BC to the early twentieth century: settlement and agriculture, the growth of cities, the development of manufacturing and the role of trade. Underlying each of these themes are the discussions of political organization and population. Although the book is based in part of Professor Pound's magisterial three volumes *An Historical Geography of Europe* (1977, 1980, 1985), it was written especially for students and readers interested in a general survey of the subject.

2023 ap euro dbq: Spielvogel's Western Civilization Spielvogel, Jackson J. Spielvogel, 2005 Prepared by James T. 2023 ap euro dbq: Letter Of Christopher Columbus To Rafael Sanchez, Written On Board The Caravel While Returning From His First Voyage Christopher Columbus, 2021-03-15 Letter Of Christopher Columbus To Rafael Sanchez, Written On Board The Caravel While Returning From His First Voyage has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published. Hence any marks or annotations seen are left intentionally to preserve its true nature.

2023 ap euro dbq: The Life of Raphael Giorgio Vasari, 2004 Raphael was for centuries considered the greatest artist who ever lived. Much of what we know about him comes from this biography, written by Florentine painter Giorgio Vasari. The Life of Raphael is a key text not only for the appreciation of Raphael's art--whose development Vasari portrays in detail--but also for its unprecedented attention to theoretical issues. This stand-alone edition of The Life of Raphael, published to coincide with a major exhibition of the artist's paintings and drawings at England's National Gallery, illuminates the entire span of Raphael's astonishing art.

2023 ap euro dbq: Mastering the Essay Tony Maccarella, 2018-08-28 On the redesigned AP World History exam, skills matter much more than memorized content. Written responses account for 60% of your final score. A new style of multiple-choice question requires you to quickly and correctly analyze historical documents. Mastering the Essay will equip you with ALL of the tools you need to move confidently through your AP World course, and earn a 5 on the exam in May. Mastering the Essay comes in two parts: an Instructional Handbook and an Exercise Workbook. The Workbook contains practice exercises designed to strengthen the skills introduced in the Instructional Handbook. The Workbook includes: - OVER 80 EXERCISES focused on building essential skills, like thesis development, document analysis, use of supporting evidence,

contextualization, and analytical transitions - 14 full-length DOCUMENT-BASED QUESTIONS - A simple 3-step method for analyzing historical documents and nearly 100 PRIMARY AND SECONDARY SOURCES - COMPLETE ANSWERS AND EXPLANATIONS for each and every exercise - Exercise sets that are ORGANIZED CHRONOLOGICALLY so you can choose exercises that coordinate with the topics and themes covered in class and in your textbook readings

2023 ap euro dbq: Mastering Document Analysis Tony Maccarella, 2018-09 Historical documents are more than just windows into the past; they're also standard fare for pretty much every history course. MDA gives you a simple 3-step approach so you can extract information, develop a contextual understanding, and assess sources as historical evidence. Individual lessons provide guided examples for every type of primary and secondary source, including letters, speeches, memoirs, charts, photographs, poetry, textbooks, fiction, political cartoons, newspapers, and more.

2023 ap euro dbq: *Brunelleschi's Dome* Ross King, 2013-08-13 The New York Times bestselling, award winning story of the construction of the dome of Santa Maria del Fiore in Florence and the Renaissance genius who reinvented architecture to build it. On August 19, 1418, a competition concerning Florence's magnificent new cathedral, Santa Maria del Fiore was announced: Whoever desires to make any model or design for the vaulting of the main Dome....shall do so before the end of the month of September. The proposed dome was regarded far and wide as all but impossible to build: not only would it be enormous, but its original and sacrosanct design shunned the flying buttresses that supported cathedrals all over Europe. The dome would literally need to be erected over thin air. Of the many plans submitted, one stood out--a daring and unorthodox solution to vaulting what is still the largest dome in the world. It was offered not by a master mason or carpenter, but by a goldsmith and clockmaker named Filippo Brunelleschi, then forty-one, who would dedicate the next twenty-eight years to solving the puzzles of the dome's construction. In the process, he reinvented the field of architecture. Brunelleschi's Dome is the story of how a Renaissance genius bent men, materials, and the very forces of nature to build an architectural wonder we continue to marvel at today. Award-winning, bestselling author Ross King weaves this drama amid a background of the plagues, wars, political feuds, and the intellectual ferments of Renaissance Florence to bring the dome's creation to life in a fifteenth-century chronicle with twenty-first-century resonance.

2023 ap euro dbq: *AP Human Geography Exam* Christian L. Sawyer, 2008-02 REA ... Real review, Real practice, Real results. Get the college credits you deserve. AP HUMAN GEOGRAPHY -- 1st Edition! Written by Christian Sawyer, AP Human Geography teacher named 2006 National Outstanding Social Studies Teacher of the Year Are you prepared to excel on the AP exam? * Set up a study schedule by following our results-driven timeline * Take the first practice test to discover what you know and what you should know * Use REA's advice to ready yourself for proper study and success Practice for real * Create the closest experience to test-day conditions with 2 full-length practice tests that are completely aligned with today's AP exam * Chart your progress with full and detailed explanations of all answers * Boost your confidence with test-taking strategies and experienced advice Sharpen your knowledge and skills * The book's full subject review features coverage of all AP Human Geography topics, including the nature and perspective of Human Geography, reviews of population studies, cultural patterns and processes, the political organization of space, agricultural and rural land use, industrial and economic development, and city and urban land use. * Unique to this new REA book are: An informative review of major geographical regions and maps; comprehensive review models at the end of each unit; data-based Geofactoids" within each chapter; memory-testing quizzes at the end of each review unit * Targeted drills increase comprehension and help organize study Ideal for Classroom, Family, or Solo Test Preparation! REA has provided advanced preparation for generations of advanced students who have excelled on important tests and in life. REA's AP study guides are teacher-recommended and written by experts who have mastered the course and the test.

2023 ap euro dbq: *The European Union* Kristin Archick, 2019-09-15 The European Union (EU) is a political and economic partnership that represents a unique form of cooperation among sovereign countries. The EU is the latest stage in a process of integration begun after World War II, initially by six Western European countries, to foster interdependence and make another war in Europe unthinkable. The EU currently consists of 28 member states, including most of the countries of Central and Eastern Europe, and has helped to promote peace, stability, and economic prosperity throughout the European continent. The EU has been built through a series of binding treaties. Over the years, EU member states have sought to harmonize laws and adopt common policies on an increasing number of economic, social, and political issues. EU member states share a customs union; a single market in which capital, goods, services, and people move freely; a common trade policy; and a common agricultural policy. Nineteen EU member states use a common currency (the euro), and 22 member states participate in the Schengen area of free movement in which internal border controls have been eliminated. In addition, the EU has been developing a Common Foreign and Security Policy (CFSP), which includes a Common Security and Defense Policy (CSDP), and pursuing cooperation in the area of Justice and Home Affairs (JHA) to forge common internal security measures. Member states work together through several EU institutions to set policy and to promote their collective interests. In recent years, however, the EU has faced a number of internal and external crises. Most notably, in a June 2016 public referendum, voters in the United Kingdom (UK) backed leaving the EU. The pending British exit from the EU (dubbed Brexit) comes amid multiple other challenges, including the rise of populist and to some extent anti-EU political parties, concerns about democratic backsliding in some member states (including Poland and Hungary), ongoing pressures related to migration, a heightened terrorism threat, and a resurgent Russia. The United States has supported the European integration project since its inception in the 1950s as a means to prevent another catastrophic conflict on the European continent and foster democratic allies and strong trading partners. Today, the United States and the EU have a dynamic political partnership and share a huge trade and investment relationship. Despite periodic tensions in U.S.-EU relations over the years, U.S. and EU policymakers alike have viewed the partnership as serving both sides' overall strategic and economic interests. EU leaders are anxious about the Trump Administration's commitment to the EU project, the transatlantic partnership, and an open international trading system-especially amid the Administration's imposition of tariffs on EU steel and aluminum products since 2018 and the prospects of future auto tariffs. In July 2018, President Trump reportedly called the EU a foe on trade but the Administration subsequently sought to de-escalate U.S.-EU tensions and signaled its intention to launch new U.S.-EU trade negotiations. Concerns also linger in Brussels about the implications of the Trump Administration's America First foreign policy and its positions on a range of international issues, including Russia, Iran, the Israeli-Palestinian conflict, climate change, and the role of multilateral institutions. This report serves as a primer on the EU. Despite the UK's vote to leave the EU, the UK remains a full member of the bloc until it officially exits the EU (which is scheduled to occur by October 31, 2019, but may be further delayed). As such, this report largely addresses the EU and its institutions as they currently exist. It also briefly describes U.S.-EU political and economic relations that may be of interest.

2023 ap euro dbq: Things Fall Apart Chinua Achebe, 1994-09-01 “A true classic of world literature . . . A masterpiece that has inspired generations of writers in Nigeria, across Africa, and around the world.” —Barack Obama “African literature is incomplete and unthinkable without the works of Chinua Achebe.” —Toni Morrison Nominated as one of America’s best-loved novels by PBS’s The Great American Read *Things Fall Apart* is the first of three novels in Chinua Achebe's critically acclaimed African Trilogy. It is a classic narrative about Africa's cataclysmic encounter with Europe as it establishes a colonial presence on the continent. Told through the fictional experiences of Okonkwo, a wealthy and fearless Igbo warrior of Umuofia in the late 1800s, *Things Fall Apart* explores one man's futile resistance to the devaluing of his Igbo traditions by British political and religious forces and his despair as his community capitulates to the powerful new order. With more than 20 million copies sold and translated into fifty-seven languages, *Things Fall Apart* provides one of the most illuminating and permanent monuments to African experience. Achebe does not only capture life in a pre-colonial African village, he conveys the tragedy of the loss of that world while broadening our understanding of our contemporary realities.

2023 ap euro dbq: AP Us Hist 2016 John J. Newman, 2016-01-01 Equip your students to excel on the AP® United States History Exam, as updated for 2016 Features flexibility designed to use in a one-semester or one-year course divided into nine chronological periods mirroring the structure of the new AP® U.S. College Board Curriculum Framework, the text reflects the Board's effort to focus on trends rather than isolated facts each period features a one-page overview summarizing the major developments of the period and lists the three featured Key Concepts from the College Board Curriculum Framework each Think As a Historian feature focuses on one of the nine historical thinking skills that the AP® exam will test each chapter narrative concludes with Historical Perspectives, a feature that addresses the College Board emphasis on how historians have interpreted the events of the chapter in various ways the chapter conclusion features a list of key terms, people, and events organized by theme, reflecting the College Board's focus on asking students to identify themes, not just events chapter assessments include eight multiple-choice items, each tied to a source as on the new AP® exam, as well as four short-answer questions period reviews include both long-essay questions and Document-Based Questions in the format of those on the AP® exam, as updated for 2016

2023 ap euro dbq: Ways of the World with Sources for AP*, Second Edition Robert W. Strayer, 2013-06-10 Comparisons, Connections, & Change-contexts for the particulars *Ways of the World* is the textbook preferred by AP World History teachers and students across North America. Like the AP course it supports, *Ways of the World* focuses on significant historical trends, themes, and developments in world history. Author Robert W. Strayer provides a thoughtful and insightful synthesis that helps students see the big picture. Each chapter then culminates with collections of primary sources (written and visual) organized around a particular theme, issue, or question, thus allowing students to consider the evidence the way historians do. The second edition includes a wealth of supporting resources and supplements for the AP course, including an AP Skills Primer and AP Chapter Wrap-Ups, and rolls out Bedford/St. Martin's new digital history tools, including LearningCurve, an adaptive quizzing engine that garners over a 90% student satisfaction rate, and LaunchPad, the all new interactive e-book and course space that puts high quality easy-to-use

assessment at your fingertips. Featuring video, additional primary sources, a wealth of adaptive and summative quizzing, and more, LaunchPad cements student understanding of the text while helping them make progress toward learning outcomes. It's the best content joined up with the best technology.
