Understanding the Cholo Character in "Training Day"

The term "cholo" refers to a specific urban subculture, often associated with Mexican-American street gangs in Southern California. In "Training Day," the cholo characters are portrayed as gritty, authentic, and crucial to the film's atmospheric realism. The cholo from "Training Day" is instantly recognizable for his distinct style—baggy clothes, tattoos, and a tough demeanor. These attributes reinforce the film's themes of crime, loyalty, and survival in the streets of Los Angeles. By incorporating cholo characters, "Training Day" offers a cinematic window into the city's complex gang culture, making the narrative more believable and immersive for viewers.

Key Characteristics of the Cholo Persona

- Distinctive fashion: Bandanas, flannel shirts, and oversized pants
- Specific slang and accent unique to Southern California
- Affiliation with neighborhood gangs or crews
- Visible tattoos representing gang membership and personal stories
- Strong sense of loyalty and code of honor

These characteristics are not just visual cues—they deepen the audience's understanding of the cholo's background and motivations. The cholo from "Training Day" embodies these traits, adding realism and tension to the film's most pivotal scenes.

Portrayal of Cholos in Hollywood Films

Hollywood has a long history of depicting cholo characters, often using them as symbols of urban danger or cultural identity. In "Training Day," the representation of the cholo is nuanced, balancing the stereotypical toughness with moments of vulnerability and complexity. Cholo characters are typically shown as enforcers, loyal gang members, or streetwise survivors. This portrayal reflects both the realities of Los Angeles neighborhoods and the cinematic need for dramatic conflict.

Stereotypes vs. Authentic Representation

While early Hollywood films leaned heavily into cholo stereotypes, recent movies like "Training Day" strive for more authenticity. The cholo from "Training Day" is not just a background figure; his actions and dialogue contribute meaningfully to the plot. By casting actors familiar with cholo culture and focusing on accurate details, filmmakers have improved the representation of these characters on screen.

Cholo Characters in Other Iconic Films

- "Blood In Blood Out" (1993) – Explores the lives of Mexican-American gang members in LA
- "American Me" (1992) – Depicts the generational impact of gang culture
- "End of Watch" (2012) – Focuses on police encounters with gang members

- "Harsh Times" (2005) – Features cholo characters amid urban crime

These films, alongside "Training Day," have shaped the public's perception of cholo culture, often oscillating between stereotype and reality. The cholo from "Training Day" stands out as a memorable and impactful example in this cinematic lineage.

Actor Behind the Cholo from "Training Day"

The cholo character from "Training Day" is portrayed by Noel Gugliemi, an actor renowned for his authentic depiction of Latino gang members in numerous films and television series. Gugliemi's personal background and experience with street culture lend credibility to his performance, making the cholo character both believable and compelling.

Noel Gugliemi's Influence on Cholo Roles

Gugliemi is widely recognized for his dedication to portraying cholo characters with depth and respect. Beyond "Training Day," he has appeared in films such as "Fast & Furious," "The Purge: Anarchy," and "Bruce Almighty," often cast as a gang member or tough guy. His commitment to authenticity helps combat negative stereotypes and brings nuance to the roles he inhabits.

Memorable Scenes Featuring the Cholo from "Training Day"

- Confrontation in the Cypress Hill neighborhood
- Intense exchanges with Ethan Hawke's character
- Key moments of tension that drive the plot forward

These scenes showcase the cholo's significance within the film's storyline and highlight Gugliemi's acting prowess.

Impact of the Cholo Character on the Film's Narrative

In "Training Day," the cholo character serves as more than just a background figure; he acts as a pivotal force in the film's exploration of corruption, morality, and urban survival. The

cholo's interactions with the main characters—Detective Alonzo Harris (Denzel Washington) and Jake Hoyt (Ethan Hawke)—intensify the plot and add layers of danger and unpredictability.

Role in Key Plot Developments

1. Introduces Jake Hoyt to the harsh realities of gang territory
2. Provides authentic context for Alonzo's controversial methods
3. Creates moments of suspense and fear that heighten viewer engagement
4. Illustrates the blurred lines between law enforcement and street life

By incorporating the cholo character, "Training Day" delivers a more grounded and compelling narrative, emphasizing the complexities of policing in gang-dominated neighborhoods.

Cultural Significance of Cholo Representation

The cholo from "Training Day" is emblematic of a larger cultural phenomenon. Cholo culture, with its roots in Mexican-American communities, represents resilience, identity, and resistance within urban environments. Hollywood's portrayal of cholos has evolved over the years, moving from caricature to more genuine storytelling.

Positive and Negative Impacts

- Positive: Increased visibility and understanding of Latino subcultures
- Negative: Risk of perpetuating stereotypes about crime and violence
- Positive: Opportunities for Latino actors to showcase their talent
- Negative: Challenges in balancing authenticity with respectful representation

The cholo from "Training Day" exemplifies the delicate balance filmmakers must strike when depicting marginalized groups. Accurate representation can foster empathy and awareness, while stereotypes can distort public perception.

Legacy of "Training Day" and Its Cholo Characters

"Training Day" remains a benchmark for crime dramas, partly due to its nuanced depiction of gang culture and street life. The cholo character has become a pop culture icon, referenced in music, television, and social media. Fans continue to quote lines and recreate scenes, cementing the cholo's place in cinematic history.

Influence on Future Films and Media

The success of "Training Day" inspired filmmakers to pursue greater authenticity in their portrayal of urban subcultures. The cholo character's legacy extends beyond the screen, influencing fashion, language, and even community outreach programs aimed at reducing gang violence. Noel Gugliemi, in particular, uses his platform to advocate for positive change in Latino communities, often speaking about the importance of overcoming adversity and breaking the cycle of gang involvement.

Why the Cholo from "Training Day" Matters

- Highlights complexities within urban communities
- Raises awareness about the realities of gang life
- Encourages filmmakers to seek authentic voices and stories
- Serves as a reference point in Latino representation in Hollywood

The cholo from "Training Day" will continue to be discussed and analyzed for years to come, not only as a character but as a symbol of cultural identity and cinematic excellence.

Frequently Asked Questions

Q: Who plays the cholo character in "Training Day"?

A: The cholo character in "Training Day" is played by Noel Gugliemi, a well-known actor who often portrays gang members in film and television.

Q: What is the significance of the cholo from "Training

Day"?

A: The cholo from "Training Day" adds authenticity to the film's depiction of Los Angeles gang culture and serves as a key figure in several tense, plot-driving scenes.

Q: How does "Training Day" portray cholo culture?

A: "Training Day" portrays cholo culture with attention to detail, highlighting fashion, language, and social dynamics while balancing stereotype and authenticity.

Q: What are some defining traits of the cholo character in the film?

A: The cholo character is defined by his distinctive clothing, tattoos, tough demeanor, and loyalty to his crew, which reflects real-life cholo culture.

Q: Why is Noel Gugliemi often cast as a cholo in Hollywood movies?

A: Noel Gugliemi's personal experience and familiarity with street culture allow him to bring authenticity to his roles, making him a preferred choice for cholo characters.

Q: Are cholo characters always portrayed negatively in movies?

A: While early films often depicted cholo characters negatively, more recent movies strive for a balanced and authentic representation, showing both strengths and struggles.

Q: How did the cholo from "Training Day" impact the film's plot?

A: The cholo character creates moments of tension and danger, introduces the protagonist to gang territory, and adds realism to the narrative.

Q: What is the cultural impact of the cholo from "Training Day"?

A: The character has influenced Hollywood's portrayal of Latino subcultures, inspired fashion trends, and sparked conversations about representation and authenticity.

Q: What other movies feature cholo characters similar to "Training Day"?

A: Films such as "Blood In Blood Out," "American Me," and "End of Watch" also feature cholo characters and explore similar themes of gang life and urban survival.

Q: Has Noel Gugliemi used his platform to advocate for change?

A: Yes, Noel Gugliemi actively speaks about overcoming gang involvement and promotes positive change in Latino communities, using his experiences to inspire others.

Cholo from Training Day: A Deep Dive into the Character and His Impact

Training Day, the gritty crime thriller starring Denzel Washington and Ethan Hawke, remains a cinematic landmark. While the film's central conflict revolves around the morally ambiguous Detective Alonzo Harris (Washington), another character leaves a lasting impression: Smiley, often referred to as "Cholo" by Alonzo. This post delves deep into the character of Smiley, exploring his portrayal, his significance to the narrative, and his lasting impact on the film's overall message. We'll dissect his motivations, his relationship with Alonzo, and his ultimate fate, analyzing how this seemingly minor character contributes to the film's complex tapestry of corruption and survival.

Smiley's Role: Beyond the Stereotype

Smiley, played by Dr. Dre, isn't just a background character; he's a crucial element in highlighting the systemic corruption at the heart of Training Day. While initially presented as a stereotypical gang member – the "cholo" label itself carries heavy stereotypical weight – the film subtly subverts this expectation. Smiley's actions are driven by self-preservation and a desperate need for survival within a brutally unforgiving system. He's not simply a pawn; he's a participant navigating the complex web of power dynamics.

The Power Dynamic: Alonzo and Smiley

The relationship between Alonzo and Smiley is far more nuanced than a simple boss-underling dynamic. It's a transactional relationship built on fear and mutual self-interest. Alonzo uses Smiley's knowledge of the streets and his willingness to commit violent acts, while Smiley relies on Alonzo's protection and perceived power. This power imbalance, however, is fragile and constantly tested. Smiley's hesitant actions and unspoken defiance reveal a complex character struggling for agency within a system designed to oppress him.

The Subversion of Expectations

The film cleverly uses the "cholo" label to initially establish Smiley within a certain framework. However, his actions, though sometimes violent, are often driven by a desire for self-preservation. He's a product of his environment, forced to make difficult choices to stay alive. This presents a more complex and ultimately more sympathetic portrayal than the stereotypical "gang banger" often seen in Hollywood.

Smiley's Fate: A Reflection of the System

Smiley's ultimate fate - his death - serves as a brutal commentary on the system he's trapped within. His betrayal by Alonzo, who ultimately sacrifices him to protect himself, underscores the ruthlessness and disposability of those on the margins. Smiley's death is not just a plot point; it's a symbolic representation of the systemic violence and disregard for human life inherent in the corrupt system Alonzo embodies.

The Impact on the Narrative

Smiley's character, though not central, acts as a powerful counterpoint to Alonzo's actions. His presence humanizes the consequences of corruption, illustrating its impact on individuals struggling to survive within the system. By showing the devastating effects of Alonzo's actions on a seemingly disposable character like Smiley, the film amplifies the moral weight of Alonzo's crimes and the pervasive nature of the corruption he represents.

Beyond the Stereotype: A Deeper Look at Representation

The portrayal of Smiley challenges the conventional depiction of Latino gang members in Hollywood. While the "cholo" label is used, the film doesn't rely on tired stereotypes. Instead, it presents a character wrestling with survival, caught in a brutal cycle of violence, with limited agency. This more nuanced portrayal offers a more complex and, arguably, more realistic depiction of the realities faced by marginalized communities.

Conclusion

Smiley, the "Cholo" from Training Day, might be a relatively minor character, but his significance is undeniable. He serves as a critical piece in the film's complex puzzle, revealing the systemic corruption and its devastating human cost. His portrayal subverts expectations and offers a more nuanced understanding of characters often relegated to stereotypical roles. His death, a tragic consequence of the system, resonates long after the credits roll, leaving a lasting impact on the viewer. He is a testament to the film's power to provoke thought and engage with complex social issues.

FAQs

1. Why is Smiley called "Cholo"? The term "cholo" is a derogatory slang term used to refer to Latino gang members. Alonzo uses it to demean and control Smiley, highlighting the power imbalance in their relationship.
2. What is Smiley's primary motivation in the film? Smiley's primary motivation is survival. He's caught in a system where violence and corruption are commonplace, and he does what he needs to stay alive.
3. How does Smiley's death contribute to the film's themes? Smiley's death underscores the brutal reality of the corrupt system and the disposability of individuals caught within it. It highlights the indifference to human life and the consequences of unchecked power.
4. Does Smiley have any agency in the film? While Smiley's agency is limited by the circumstances he's trapped in, he displays moments of defiance and hesitation, hinting at a desire for something more. These brief moments humanize him and prevent him from being purely a victim.
5. How does Smiley's character challenge typical Hollywood portrayals of Latino gang members? Smiley's portrayal moves beyond the stereotypical "gang banger" often depicted in film. He's a complex character driven by survival, reflecting the realities of those living in marginalized communities. The film utilizes, yet simultaneously subverts, the "cholo" label to achieve this more nuanced representation.

cholo from training day: Bring Back the Late 90S and Early 2000S Travis Smith, 2018-06-22
Bring Back the Late 90s and Early 2000s describes a time with the coolest music and movies ever made. The clothing was baggy, the girls were raw, and the boys were hard-core. Brace for impact, these next pages are a wild ride down memory lane, baby.

cholo from training day: *Who Do I Think I Am?* Anjelah Johnson-Reyes, 2022-03-15 This hilarious and thoughtful memoir from comedy legend Anjelah Johnson-Reyes explores questions of identity, belonging, and her two dreams as a kid: to be an actress and to be a chola. You may know Anjelah Johnson-Reyes for her viral sketch Nail Salon (over 100 million views globally) or her beloved MadTV character Bon Qui Qui, but it's her clean humor and hilarious storytelling that make her one of the most successful stand-up comedians and actresses today. With her razor-sharp wit,

Anjelah recounts funny stories from her journey—from growing up caught between two worlds (do chips and salsa go with potato salad?) to unexpectedly embracing faith (“I love Jesus, but I will punch a ‘ho’”) to her many adventures in dating (she may or may not have accepted dates simply for the food). Through it all, Anjelah transforms from a suburban-adjacent kid with Aquanet-drenched hair into a devoted Christian who abstains from drinking and premarital sex, into a mall-famous Oakland Raiders cheerleader, and then an actually famous comedian traveling the world and meeting people from all-walks of life, including Oprah. No biggie. (Huge biggie.) As she travels the world, Anjelah has eye-opening experiences, and she morphs from square, rigid Anjelah into “Funjelah,” and learns that she can still ride with Jesus without squashing the other parts of her personality. Anjelah's stories explore subjects such as navigating your racial identity, finding your place in the world, chasing your crazy dreams, embracing the messiness of an evolving faith, and searching for belonging and meaning. Through her journey, Anjelah gets closer to discovering her true identity and encourages readers to have the audacity to dream big.

cholo from training day: Crossing the Line Kareem Rosser, 2021-02-09 A marvelous addition to the literature of inspirational sports stories. - Booklist (Starred Review) This remarkable and inspiring story shines. - Publishers Weekly (Starred Review) Crossing the Line will not just leave you with hope, but also ideas on how to make that hope transferable” - New York Times bestselling author Wes Moore An inspiring memoir of defying the odds from Kareem Rosser, captain of the first all-black squad to win the National Interscholastic Polo championship. Born and raised in West Philadelphia, Kareem thought he and his siblings would always be stuck in “The Bottom”, a community and neighborhood devastated by poverty and violence. Riding their bicycles through Philly’s Fairmount Park, Kareem’s brothers discover a barn full of horses. Noticing the brothers’ fascination with her misfit animals, Lezlie Hiner, founder of The Work to Ride stables, offers them their escape: an after school job in exchange for riding lessons. What starts as an accidental discovery turns into a love for horseback riding that leads the Rossers to discovering their passion for polo. Pursuing the sport with determination and discipline, Kareem earns his place among the typically exclusive players in college, becoming part of the first all-Black national interscholastic polo championship team—all while struggling to keep his family together. Crossing the Line: A Fearless Team of Brothers and the Sport That Changed Their Lives Forever is the story of bonds of brotherhood, family loyalty, the transformative connection between man and horse, and forging a better future that comes from overcoming impossible odds.

cholo from training day: Kids of New York Anthony Colon, 2023-11-21 The author was born in the South Bronx in 1970, a time when chaos and despair wreaked havoc on the community, in a

place where crime ruled the streets, where hope and poverty lived on the same side of the block. A young mother decided to take her baby boy and ran. She packed up and moved to a better place, a town called Springfield. It was a new home, where the butterflies hummed and the hummingbirds chirped to a new melody. The young boy lived his younger years in a state of bliss, that is until the dark clouds rolled in. The family fell on hard times. The author's biggest worries were where was the next meal coming from or how to stay warm in a frigid apartment. Times were tough, but the young boy kept his resolve and was undeterred by all the misery around him. He found a better place, a place inside himself. Even though everything around him was falling apart—including his family life, school, and friendships—he never faltered and kept his chin up. When you hit rock bottom, there is only one way to go: up. Like the saying goes, Seven times down, eight times up. Throughout the years, the author was able to overcome great adversity and make a better life for himself. He has owned and operated several martial arts schools in the New York City area. The author also founded the Kids of New York, an organization which holds free events for city youth including breaking (breakdance) and martial arts. Hope is what gives us direction. Passion is the wings beneath our feet. Anything is possible despite the obstacles we may face. Just keep moving forward, and you will surely reach a better place. Karate, Anthony.

cholo from training day: Screen Saver Noel McKeehan, 2009-11 Some fairly serious shit has happened in the last sixty years. As fate would have it, I was fairly close to the central point of a lot of that shit - albeit in some cases only briefly; shit it seems, has a fairly long half life. As time has passed I have found it increasingly difficult -impossible really - to turn off a continued remembrance of the events and places and people that inhabited the story boards of all of that shit. They just won't leave me alone. So I have written it, and them, all down. One bookend of the story was my involvement in the war effort, as we called the Vietnam debacle. The other was the near demise of IBM. Between those bookends there lurk a wide variety of people, experiences and events that always seemed, as they occurred, to be coherently additive to the total story.

cholo from training day: From the Plate to Gastro-Politics Raúl Matta, 2024-01-10 This book provides an interdisciplinary examination of Peruvian cuisine's shift from a culinary to a political object and the making of Peru as a food nation on the global stage. It focuses on the contexts, processes and protagonists that have endowed the country's cuisine with new meaning, new coherence and prominence, and with the ability to communicate what was important for Peruvians after decades of political violence and economic decline. This work unfolds central processes of the culinary project ranging from the emergence of gastronomy, to the refiguring of indigenous people as producers, to the use of cultural identity as an authenticating force. *From the Plate to Gastro-Politics* offers a critical reading of what has been called a "gastronomic revolution", highlighting the ways in which claims to national unity and social reconciliation smooth over ongoing inequalities. This book will be of interest to scholars and students of food studies, cultural anthropology, heritage studies and Latin American studies.

cholo from training day: Gastropolitics and the Specter of Race María Elena García, 2021-03-15 In recent years, Peru has transformed from a war-torn country to a global high-end culinary destination. Connecting chefs, state agencies, global capital, and Indigenous producers, this "gastronomic revolution" makes powerful claims: food unites Peruvians, dissolves racial antagonisms, and fuels development. *Gastropolitics and the Specter of Race* critically evaluates these claims and tracks the emergence of Peruvian gastropolitics, a biopolitical and aesthetic set of practices that reinscribe dominant racial and gendered orders. Through critical readings of high-end menus and ethnographic analysis of culinary festivals, guinea pig production, and national-branding campaigns, this work explores the intersections of race, species, and capital to reveal links between gastronomy and violence in Peru.

cholo from training day: Politics in the Altiplano Edward Dew, 2014-11-07 The department of Puno in southern Peru is an area oriented to livestock and agricultural production, peopled by an Indian peasant mass and a dominant minority of culturally Westernized mestizos. A small but growing hybrid group, the cholos, bridged the cultural gap and collaborated with dissident merchant

elements within the mestizo group to challenge the economic, social, and political order of the altiplano (high plateau) system. Politics in the Altiplano analyzes the sources of conflict and political change in the plural society as it underwent socioeconomic development through a period of recurring natural disasters. In the period under study (1956–1966), a prolonged drought precipitated a series of crises. The mismanagement of American aid, sent to the suffering peasants, became a national cause célèbre. As migration to Peru's coastal cities reached large-scale proportions, several peasant movements were launched in the department. To rechannel local discontent, an autonomous development corporation was created for Puno by the Peruvian Congress. This, plus the institution of local elections in 1963, provided ample opportunity for the coalition of dissident mestizos, cholos, and peasants to pursue their "revolutionary" goals. A rivalry between two major towns, Puno (the department's capital) and Juliaca (the commercial center), furthered the conflict between conservative mestizos and the peasant-cholo movement. Juliaca's attempt to secede from the department in November 1965 set off a series of violent strikes and counterstrikes in both cities. Intervention from the national level by government troops put an end to the crisis for the time being. But the continued need for land reform in the department, combined with institutionalized means for political participation, kept the peasants mobilized and the atmosphere of conflict alive.

cholo from training day: Maradona (Classic Football Heroes - Limited International Edition) Matt & Tom Oldfield, 2018-05-31 Complete your collection with these limited Ultimate Football Heroes International editions – now with a bonus World Cup chapter. Diego Maradona is a true footballing legend, and arguably the greatest player ever. cholo from training day: Syntax and Variation Leonie M.E.A. Cornips, Karen P. Corrigan, 2005-06-22 The papers in this collection share a common interest in the empirical, theoretical and meta-theoretical aspects of the 'internal-external' ('formal-functional') debate in linguistic theory. The primary aim of this volume is to initiate cooperation between internationally renowned generative and variationist linguists with a view to developing an innovative and more cohesive approach to syntactic variation. The present volume contains treatments incorporating the analysis of external factors into accounts focusing on the internal linguistic conditioning of syntactic variation and change cross-linguistically. As such, it offers novel approaches to three key areas of current linguistic debate, viz. (1) Methodological practices, (2) Theoretical applications and (3) Modularity. The volume is, therefore, an important achievement for the progress of linguistic theory more generally and it is an even more crucial milestone in the coming-of-age of 'Socio-Syntax' as a discipline in its own right.

cholo from training day: Hands of Stone Christian Giudice, 2016-04-06 ROBERTO DURAN is a sporting legend. Often called the greatest boxer of all time, he held world titles at four different weights and is the only professional in history to have fought in five different decades. His bouts with fellow greats like Sugar Ray Leonard, Thomas Hearns and Marvin Hagler have gone down in fistic folklore and his pro record of 104 wins, 69 by KO, in 120 fights puts him in an elite group of fighters. They called him Manos de Piedra: "Hands of Stone". American journalist Christian Giudice has written the first - and definitive - story of Duran's extraordinary life both in and out of the ring. He has interviewed the fighter himself, his family and closest friends and scores of his opponents to separate truth from myth and get to the heart of one of the most intriguing sports stars of modern times. Duran was born in utter poverty in the Panama Canal Zone, the illegitimate son of a serving US soldier and a local girl. He grew up in the streets, fighting to survive. His talent with his fists was soon apparent, and on one fabled occasion he even knocked down a horse with a single punch for a bet. He grew into a fighter's fighter, and his willingness to take on anyone, anywhere, anytime and never take a step back made him a huge favorite. From his wild early bouts to his stunning boxing debut in New York, Giudice traces the blazing trail of his career: the controversial title win over Scot Ken Buchanan; his unification of the lightweight crown against great rival Esteban DeJesus; his glorious defeat of Ray Leonard and the subsequent debacle of the No Más encounter; his ferocious comeback and redemption, and the long, eventful twilight of his matchless career. Here also are both the public and private sides of Duran: his volatility, his kindness and reckless generosity, his partying, his links with the notorious regime of General Noriega, and above all his chilling love of battle.

cholo from training day: Blood World Chris Mooney, 2020-08-18 Everything changed when scientists discovered the drug. It looked like the cure for aging, but all progress comes with a price tag. Now, eternal youthfulness will be paid for by the blood of the innocent. The blood of "carriers" is the most valuable commodity on earth. When treated with a new wonder drug, it cures disease, increases power, and makes the recipient a virtual superman. It also makes the carriers targets. Young people with the right genes are ripped from their families and stashed in "blood farms." Ellie Batista became an LAPD officer specifically to fight this evil as a member of the Blood Squad, but her ambitions are thwarted—until the day she and her partner are ambushed during a routine stop. The resulting events plunge her into an undercover world more dangerous than she could have ever imagined. Because a madman has found a way to increase the potency of the blood to levels

previously unimagined. As he cuts a bloody swath through the already deadly world of blood cartels, Ellie is the only hope to stop him before the body count explodes.

cholo from training day: Diego Costa - The Beast Chris Davies, 2015-09-03 TAKE A LOOK INTO THE RICH HISTORY OF ENGLISH FOOTBALL AND THE GRAND OLD NAME OF CHELSEA FOOTBALL CLUB WILL INEVITABLY ENJOY MORE THAN A PASSING MENTION. AND AFTER A FRUSTRATING SEASON WHICH SAW THE CLUB FINISH TANTALISINGLY CLOSE TO WINNING THE PREMIER LEAGUE TITLE, THE SUMMER OF 2014 WITNESSED THE ARRIVAL OF A NEW STAR IN WEST LONDON. Fresh from an outstanding season in Spain, where his thirty-six goals had propelled Atlético Madrid to a first La Liga title since 1996 and to within seconds of a maiden Champions League crown, Diego Costa arrived at Stamford Bridge for ?32 million. Brazilian by birth, Costa had caused an enormous wave of controversy in his homeland after opting to take Spanish citizenship and a subsequent place in Spain's squad over the opportunity to represent the Seleç?o in a home World Cup in 2014. An early exit for Spain ensued but, undeterred, Costa arrived in the English capital tasked by manager Jose Mourinho with scoring the goals that had eluded many of his predecessors the previous season. And with a Premier League record of seven goals in his first four starts he took to the physical nature of England's top division with typical aplomb. Costa began his nomadic rise to the top via the lower echelons of Portuguese and Spanish football, before establishing himself as a force under Diego Simeone's rejuvenated Atléti. Affectionately nicknamed 'El Cholo', 'the Beast', his pace, power, aggression and deadly finishing have swiftly seen him become a crowd favourite at 'the Bridge'. Diego Costa: 'The Beast' is an in-depth look into the life of this spectacular footballer and his rise to the very top.

cholo from training day: Delta Wave James A. Grosse, 2019-08-14 John Blackmen is the main character who created the genetic code for the Delta Wave frequency in a person's mind. He built a proto-type device that would influence "control" a person's mind for 24 hours. The U.S. Government planned to obtain the technology; no matter what the cost! John Blackmen and his wife died in a suspicious car wreck? Embree, his daughter inherits the estate. She discovers her father was a genius, extremely wealthy and was under investigation by the U.S. Government. She read his research note: the "Dark Matter Reactor". It is the power source. Similar to, but opposite of Nuclear Power. A black ball of energy was trapped inside a platinum webbed sphere. This was in the center of a Highly Compressed Diamond Prism with reinforced titanium braces. Parallel at the top and bottom axis are high-speed rotary spindle with supports connected to the main Astronomical Gravitational Force Gyroscope. Three stationary magnetic arches were positioned to create 3-phase electric motor. Sensitizers controls the manipulation of the particles of light threw the diamonds of the Dark Matter establish the invisible void of atoms genetically coded into a new elemental lattice structure amplified into 3-dimensional state of reconstruction. She placed the notebook in her pocket. Her eyes drifted to the Delta Wave proto-type sitting on the desk. Her mind began to formulate a plan.

cholo from training day: Encyclopedia of Multicultural Psychology Yo Jackson, 2006-08-18 Key Features Supports the notion that culture, and not race, is the best way to understand differences among individuals; therefore this volume focuses on culture to provide an index to the terms, concepts, and issues in the mainstream for the field. Presents a thorough overview of the

psychology of racial, ethnic, and minority issues and covers all of the major ethnic groups and subgroups in the United States. Includes topics on sociological issues as well as conceptual issues relevant to the field of multicultural psychology.
