Mayor Alice, Father Wilmer, Pastor Liz, the Bunsens and Krebsbachs, formerly taciturn elders, burst into political rants, inappropriate confessions, and rhapsodic proclamations, while their teenagers watch in amazement. Meanwhile, a wealthy outsider is buying up farmland for a Keep America Truckin' motorway and amusement park, estimated to draw 2.2 million visitors a year. Clint Bunsen and Elena the hometown epidemiologist to the rescue, with a Fourth of July Living Flag and sweet corn feast for a finale. In his newest Lake Wobegon novel, Garrison Keillor takes us back to the small prairie town where for so long American readers and listeners have found laughter as well as the wry airing of our foibles and most familiar desires and fears—a town where, as we know, all the women are strong, all the men are good-looking, and all the children are above average.

arcade paradise trophy guide: History of the Big Bonanza Mark Twain, One easily gets a surface-knowledge of any remote country, through the writings of travelers. The inner life of such a country is not very often presented to the reader. The outside of a strange house is interesting, but the people, the life, and the furniture inside, are far more so. Nevada is peculiarly a surface-known country, for no one has written of that land who had lived long there and made himself competent to furnish an inside view to the public. I think the present volume supplies this defect in an eminently satisfactory way. The writer of it has spent sixteen years in the heart of the silver-mining region, as one of the editors of the principal daily newspaper of Nevada; he is thoroughly acquainted with his subject, and wields a practiced pen. He is a gentleman of character and reliability.
