Understanding the “Disregard the Law” Crossword Clue

The phrase “disregard the law crossword” is a frequent clue that appears in various puzzle publications, including major newspapers and online platforms. The clue generally points to answers that mean to break, ignore, or violate established legal rules. Understanding this clue involves recognizing the language used in crossword puzzles and the common themes related to law-breaking or defiance. Crossword clues about disregarding the law typically rely on synonyms, idioms, or contemporary references that reflect legal non-compliance. Solvers benefit from being familiar with the range of words and expressions that signify ignoring or contravening the law.

Such clues may vary in length and specificity, sometimes referencing famous legal cases or using wordplay to hint at the answer. Whether the clue appears as “disregard the law,”

“break the law,” or “ignore the law,” the underlying concept remains consistent: a search for words that connote unlawful behavior or defiance of authority. This section will help readers understand the nuances and logic behind law-related clues in crosswords.

Common Answers and Variations

Crossword constructors frequently use a selection of words as answers for the “disregard the law crossword” clue. While the specific answer depends on the puzzle’s difficulty and grid requirements, certain solutions appear more often than others. Recognizing these common answers improves solving speed and accuracy, especially for enthusiasts familiar with law-breaking terminology.

Popular Solutions for “Disregard the Law”

- DEFY
- BREAK
- IGNORE
- VIOLATE
- FLOUT
- TRANSGRESS
- OVERRIDE
- BREACH

Each answer carries a slightly different nuance, but all relate to the act of not adhering to legal or authoritative norms. For instance, “DEFY” implies open resistance, while “FLOUT” suggests a brazen disregard. “VIOLATE” and “TRANSGRESS” are more formal terms often found in legal texts and crossword clues alike.

Variants and Synonyms

Crossword clues may also use indirect language or phrases, requiring solvers to think laterally. Variations include clues like “act unlawfully,” “break regulations,” or “ignore statutes.” Synonyms for law-breaking are common, so understanding their usage in puzzle contexts is essential. Occasionally, constructors use creative or playful wording to disguise the answer, making familiarity with synonyms and idiomatic expressions vital for solving success.

Strategies for Solving Law-Themed Crossword Clues

Solving the “disregard the law crossword” and similar clues requires a blend of vocabulary knowledge, contextual reasoning, and strategic thinking. Law-related clues often hinge on synonyms or wordplay, so solvers must be adept at recognizing alternative meanings and associations.

Key Solving Techniques

1. Identify the Clue’s Context: Determine if the clue is direct or involves wordplay.
2. Check Letter Count: Use the number of spaces in the grid to narrow down possible answers.
3. Use Crossword Patterns: Familiarize yourself with recurring answer patterns and common law-related terms.
4. Cross-Reference: Utilize intersecting clues to confirm or eliminate potential answers.
5. Think in Synonyms: Consider words that mean “disregard,” “break,” “ignore,” or “violate.”

Applying these strategies consistently can significantly improve your ability to solve law-themed crossword clues. Practice and exposure to legal vocabulary will also enhance your problem-solving skills over time.

Legal Terminology in Crossword Puzzles

Law-related clues in crosswords often incorporate formal legal language or terms derived from statutes, regulations, and judicial processes. Crossword constructors may select words that are commonly used in legal discourse, making it helpful for solvers to be familiar with such terminology.

Terms like “breach,” “violate,” and “transgress” are prevalent, as are words associated with legal consequences or judicial actions. Occasionally, clues may reference specific crimes, legal doctrines, or famous cases, requiring solvers to draw upon broader legal knowledge. Understanding the semantic range of law-related vocabulary enhances solving efficiency and accuracy.

How Crossword Constructors Create Law-Related Clues

Crossword constructors use a combination of creativity, linguistic knowledge, and thematic consistency when designing law-related clues. They may choose to frame the clue directly, such as “disregard the law,” or use more subtle references like “snub a statute” or “contravene regulations.” The construction process involves balancing grid constraints, answer length, and thematic relevance.

Constructors also employ puns, double meanings, and idiomatic language to make clues more challenging and engaging. The goal is to craft clues that test solvers’ vocabulary and reasoning skills while remaining fair and solvable. Law-themed clues often appear in themed puzzles related to justice, crime, or authority, adding an extra layer of complexity and interest.

Frequently Used Law-Breaking Synonyms in Crosswords

A wide range of synonyms for “disregard the law” appear in crossword puzzles. Solvers who recognize these words can quickly identify solutions and improve their overall solving speed. These synonyms are drawn from both everyday language and formal legal terminology.

Common Law-Breaking Synonyms

- FLAUNT (sometimes confused with “FLOUT”)
- TRANSGRESS
- OVERRIDE
- DEFY
- BREAK
- VIOLATE
- IGNORE
- BREACH
- FLOUT

Recognizing these synonyms and understanding their subtle differences enhances a solver's ability to tackle law-related crossword clues. For example, "FLOUT" refers to openly disregarding rules, while "BREACH" implies a specific violation of a law or contract.

Tips for Mastering Law-Related Crossword Clues

Improving your ability to solve law-themed clues like "disregard the law crossword" involves regular practice and expanding your vocabulary. Keeping track of commonly used answers and familiarizing yourself with legal terminology will make solving such clues easier and more enjoyable.

Expert Tips for Puzzle Enthusiasts

- Study lists of legal and law-breaking synonyms used in crosswords.
- Practice with themed puzzle sets focusing on crime, justice, or authority.
- Pay attention to clue phrasing and recognize when wordplay is involved.
- Use intersecting answers to confirm tricky entries.
- Review past puzzles to spot recurring answers and clue styles.

By following these tips, crossword enthusiasts can build their confidence and proficiency in solving law-related clues, making each puzzle experience more rewarding.

Q: What are some common answers for "disregard the law" in crosswords?

A: Popular answers include DEFY, BREAK, IGNORE, VIOLATE, FLOUT, TRANSGRESS, BREACH, and OVERRIDE.

Q: How do crossword constructors create clues for law-breaking?

A: Constructors use direct wording, synonyms, idiomatic phrases, or wordplay to craft clues about law-breaking, balancing difficulty and grid constraints.

Q: What's the difference between "flout" and "flaunt"

in crossword contexts?

A: “Flout” means to openly disregard rules or laws, while “flaunt” means to show off. Crosswords typically use “flout” for law-breaking clues.

Q: Why is legal terminology common in crossword puzzles?

A: Legal terms like breach, violate, and transgress are precise, widely understood, and fit well in puzzle grids, making them popular choices for constructors.

Q: Are there any strategies to solve law-themed crossword clues?

A: Key strategies include recognizing synonyms, using letter counts, cross-referencing intersecting answers, and familiarizing yourself with legal vocabulary.

Q: How often do law-related clues appear in major crossword publications?

A: Law-related clues appear regularly, especially in themed puzzles and those published by major newspapers, due to their versatility and universal relevance.

Q: Can law-related clues involve wordplay or puns?

A: Yes, constructors often use wordplay, puns, or double meanings to make law-themed clues more challenging and engaging for solvers.

Q: What are some less common synonyms for “disregard the law” in crosswords?

A: Less common answers might include abrogate, contravene, infringe, or override, depending on grid constraints and clue complexity.

Q: How can I expand my legal vocabulary for crossword puzzles?

A: Reading legal-themed articles, reviewing lists of law-breaking synonyms, and practicing with law-focused puzzle sets can help expand your vocabulary.

Q: What should I do if I'm stuck on a law-related crossword clue?

A: Use intersecting answers for confirmation, consider alternative synonyms, and refer to lists of common law-breaking terms used in crosswords.

Disregard the Law Crossword: Cracking the Code of Legal Defiance

Are you staring at a crossword clue that screams "disregard the law," and your brain feels as blank as a freshly-paved road? Don't worry, you're not alone. This seemingly simple phrase can trigger a surprising number of potential answers, depending on the crossword's difficulty and the specific context. This comprehensive guide dives deep into the various words that can fit the "disregard the law" crossword clue, exploring their nuances and helping you solve those frustrating puzzles once and for all. We'll uncover the most common answers and provide helpful tips and strategies for tackling similar clues in the future. Get ready to become a crossword-solving master!

H2: Common Crossword Answers for "Disregard the Law"

The phrase "disregard the law" can represent a spectrum of actions, from minor infractions to serious crimes. This diversity allows for a range of possible answers in crossword puzzles. Here are some of the most frequent solutions:

H3: BREAK

This is perhaps the most straightforward and common answer. "Break the law" is a widely understood idiom, making "BREAK" a likely candidate for many crossword clues involving legal defiance. Its brevity also suits the constraints of many crossword grids.

H3: DEFY

"Defy the law" is another common phrase, suggesting a more active and deliberate act of

disobedience. "DEFY" is a strong word, often appearing in more challenging crosswords.

H3: FLOUT

"Flout the law" implies a contemptuous disregard for legal rules, often done openly and with a sense of arrogance. "FLOUT" is a less common but still viable answer, often appearing in crosswords targeting a more sophisticated audience.

H3: VIOLATE

"Violate the law" is a more formal and serious term, suggesting a significant breach of legal regulations. "VIOLATE" is typically found in harder crosswords or those with a legal or criminal theme.

H2: Less Common but Potentially Correct Answers

While the above are the most frequent solutions, context is king in crossword puzzles. Consider these possibilities:

H3: TRASGRESS

This word carries a heavier connotation than "break" or "violate," implying a transgression of moral or religious laws as well as legal ones. It's a longer word, making it suitable for larger crossword spaces.

H3: INFRINGE

Similar to "violate," but perhaps suggesting a less blatant or more technical infringement of the law.

H2: Understanding Crossword Clue Context

The key to unlocking the correct answer is understanding the surrounding clues and the overall theme of the crossword. Consider these factors:

H3: Word Length: Pay close attention to the number of letters indicated in the clue. This drastically narrows down the possibilities.

H3: Crossword Theme: Does the puzzle have a specific theme (e.g., legal, historical, etc.)? This can provide valuable hints.

H3: Adjacent Clues: Look at the intersecting words. The letters they provide can significantly restrict the potential answers.

H2: Strategies for Solving "Disregard the Law" Clues

Here are some strategic approaches to tackle this type of clue:

H3: Start with the most common answers: Begin with "BREAK," "DEFY," and "VIOLATE." If none fit, move on to less common options.

H3: Use a crossword solver (sparingly): While it's tempting, overuse of solvers hinders your learning. Use them only as a last resort.

H3: Consider synonyms: Think of other words that express disobedience or defiance.

H2: Expanding Your Crossword Vocabulary

To become a more proficient crossword solver, actively expand your vocabulary. Read widely, engage with word games regularly, and consult a thesaurus to uncover synonyms for common words. This will significantly increase your chances of success with challenging clues like "disregard the law."

Conclusion

Solving crossword puzzles is a rewarding mental exercise. While "disregard the law" might seem like a tricky clue, understanding its potential answers and employing the right strategies can dramatically increase your success rate. Remember to pay attention to context, word length, and intersecting clues. By mastering these techniques, you'll not only crack this specific clue but also become a more confident and accomplished crossword solver.

FAQs:

1. What's the best strategy if I'm stuck on a "disregard the law" clue? Start with the most common answers (BREAK, DEFY, VIOLATE) and check for word length compatibility. If these don't fit, consider synonyms and less common options like FLOUT or TRANSGRESS.
2. Are there any clues that might suggest a specific answer to "disregard the law"? Clues referencing a specific type of lawbreaking (e.g., "traffic violation," "tax evasion") would strongly hint towards specific synonyms.

3. Can "ignore" be a valid answer for "disregard the law"? While "ignore" implies disregarding something, it's less directly related to active lawbreaking. It might work in some puzzles, depending on context, but it's less likely than the words discussed above.

4. How can I improve my crossword-solving skills overall? Consistent practice, vocabulary building (use a thesaurus!), and familiarity with common crossword patterns are key to improvement.

5. Where can I find more challenging crossword puzzles to practice with? Many newspapers, magazines, and online platforms offer crossword puzzles of varying difficulty levels. Look for publications known for challenging puzzles to hone your skills.

disregard the law crossword: Takeover Charlie Savage, 2007-09-05 In 1789, the Founding Fathers came up with a system of checks and balances to keep kingly powers out of the hands of American presidents. But in the 1970s and '80s, a faction of Republican loyalists, outraged by the fall of the imperial presidency after Watergate and the Vietnam War, abandoned conservatives' traditional suspicion of concentrated government power. These men hatched a plot that would allow the White House to return to, or even surpass, the virtually unchecked powers that Richard Nixon had briefly tried to wield. Congress would be defanged, and the commander-in-chief would be able to assert a unilateral dominance both at home and abroad. Today, this plot is coming to fruition. As *Takeover* reveals, the Bush-Cheney administration has succeeded in seizing vast powers for the presidency by throwing off many of the restraints placed upon it by Congress, the courts, and the Constitution. This timely book unveils the secret machinations behind the headlines, explaining the links between warrantless wiretapping and the President Bush's Supreme Court nominees, between the torture debate and the secrecy surrounding Vice President Cheney's energy task force, and between the faith-based initiative and the holding of US citizens without trial as enemy combatants. It tells, for the first time, the full story of a hidden agenda three decades in the making, laying out how a group of true believers set out to establish monarchical executive powers that, in the words of one conservative critic, will lie around like a loaded weapon ready to be picked up by any future president. Brilliantly reported and deftly told, *Takeover* is a searing investigation into how the constitutional balance of our democracy is in danger of being permanently altered. For anyone who cares about America's past, present, and future, it is essential reading.

disregard the law crossword: A Separation Katie Kitamura, 2017-03-23 'An absolutely mesmerizing work of art' Rachel Kushner 'A novel so seamless, that follows its path with such consequence, that even minor deviations seem loaded with meaning. Wonderful.' Karl Ove Knausgaard A young woman has agreed with her faithless husband: it's time for them to separate. For the moment it's a private matter, a secret between the two of them. As she begins her new life, alone, she gets word that her ex-husband has gone missing in a remote region in the rugged southern Peloponnese. Reluctantly she agrees to go and search for him, still keeping their split to herself. In her heart, she's not even sure if she wants to find him. Adrift in the wild and barren landscape, she traces the failure of their relationship, and finds that she understands less than she thought about the man she used to love. A story of intimacy, infidelity and compassion, *A Separation* is about the gulf that divides us from the lives of others and the narratives we create to mask our true emotions. As the narrator reflects upon her love for a man who may never have been what he appeared, Kitamura propels us into the experience of a woman on the brink of catastrophe. *A Separation* is a riveting masterpiece of absence and presence that will leave the reader astonished, and transfixed.

disregard the law crossword: Anatomy of Terror: From the Death of bin Laden to the Rise of the Islamic State Ali Soufan, 2017-05-02 Anyone who wants to understand the world we live in now should read this book. —Lawrence Wright To eliminate the scourge of terrorism, we must

first know who the enemy actually is, and what his motivations are. In *Anatomy of Terror*, former FBI special agent and New York Times best-selling author Ali Soufan dissects Osama bin Laden's brand of jihadi terrorism and its major offshoots, revealing how these organizations were formed, how they operate, their strengths, and—crucially—their weaknesses. This riveting account examines the new Islamic radicalism through the stories of its flag-bearers, including a U.S. Air Force colonel who once served Saddam Hussein, a provincial bookworm who declared himself caliph of all Muslims, and bin Laden's own beloved son Hamza, a prime candidate to lead the organization his late father founded. *Anatomy of Terror* lays bare the psychology and inner workings of al-Qaeda, the Islamic State, and their spawn, and shows how the spread of terror can be stopped. Winner of the Airey Neave Memorial Book Prize

disregard the law crossword: THE NEW WEBSTER'S CROSSWORD PUPZZLE DICTIONARY
BETTYE F. MELNICOVE, 1963

disregard the law crossword: For Discrimination Randall Kennedy, 2013-09-03 The definitive reckoning with Affirmative Action, one of America's most explosively contentious and divisive issues—from "one of our most important and perceptive writers on race and the law."—The Washington Post "A clear-eyed take on America's battle over affirmative action and diversity.... [Kennedy] goes straight at the issue with fearlessness and a certain cheekiness." —Los Angeles Times "Compelling.... Powerful." —Wall Street Journal What precisely is affirmative action, and why is it fiercely championed by some and just as fiercely denounced by others? Does it signify a boon or a stigma? Or is it simply reverse discrimination? What are its benefits and costs to American society? What are the exact indicia determining who should or should not be accorded affirmative action? When should affirmative action end, if it must? Randall Kennedy gives us a concise and deeply personal overview of the policy, refusing to shy away from the myriad complexities of an issue that continues to bedevil American race relations.

disregard the law crossword: Unsafe at Any Speed Ralph Nader, 1965 Account of how and why cars kill, and why the automobile manufacturers have failed to make cars safe.

disregard the law crossword: The Overton Window Glenn Beck, 2010-06-15 A plan to destroy America, a hundred years in the making, is about to be unleashed . . . can it be stopped? There is a powerful technique called the Overton Window that can shape our lives, our laws, and our future. It works by manipulating public perception so that ideas previously thought of as radical begin to seem acceptable over time. Move the Window and you change the debate. Change the debate and you change the country. For Noah Gardner, a twentysomething public relations executive, it's safe to say that political theory is the furthest thing from his mind. Smart, single, handsome, and insulated from the world's problems by the wealth and power of his father, Noah is far more concerned about the future of his social life than the future of his country. But all of that changes when Noah meets Molly Ross, a woman who is consumed by the knowledge that the America we know is about to be lost forever. She and her group of patriots have vowed to remember the past and fight for the future—but Noah, convinced they're just misguided conspiracy-theorists, isn't interested in lending his considerable skills to their cause. And then the world changes. An unprecedented attack on U.S. soil shakes the country to the core and puts into motion a frightening plan, decades in the making, to transform America and demonize all those who stand in the way. Amidst the chaos, many don't know the difference between conspiracy theory and conspiracy fact—or, more important, which side to fight for. But for Noah, the choice is clear: Exposing the plan, and revealing the conspirators behind it, is the only way to save both the woman he loves and the individual freedoms he once took for granted. After five back-to-back #1 New York Times bestsellers, national radio and Fox News television host Glenn Beck has delivered a ripped-from-the-headlines thriller that seamlessly weaves together American history, frightening facts about our present condition, and a heart-stopping plot. The Overton Window will educate, enlighten, and, most important, entertain—with twists and revelations no one will see coming.

disregard the law crossword: She Used to be My Mother Michael B. Snyder, 2001

disregard the law crossword: The new Webster's CROSSWORD PUZZLE DICTIONARY ,
1963

disregard the law crossword: The Firm Gary Bruce, 2012-07-01 Based on previously classified documents and on interviews with former secret police officers and ordinary citizens, The Firm is the first comprehensive history of East Germany's secret police, the Stasi, at the grassroots level. Focusing on Gransee and Perleberg, two East German districts located north of Berlin, Gary Bruce reveals how the Stasi monitored small-town East Germany. He paints an eminently human portrait of those involved with this repressive arm of the government, featuring interviews with former officers that uncover a wide array of personalities, from devoted ideologues to reluctant opportunists, most of whom talked frankly about East Germany's obsession with surveillance. Their

paths after the collapse of Communism are gripping stories of resurrection and despair, of renewal and demise, of remorse and continued adherence to the movement. The book also sheds much light on the role of the informant, the Stasi's most important tool in these out-of-the-way areas. Providing on-the-ground empirical evidence of how the Stasi operated on a day-to-day basis with ordinary people, this remarkable volume offers an unparalleled picture of life in a totalitarian state.

disregard the law crossword: *The Problems of Genocide* A. Dirk Moses, 2021-02-04 Historically delineates the problems of genocide as a concept in relation to rival categories of mass violence.

disregard the law crossword: *Border Wars* Julie Hirschfeld Davis, Michael D. Shear, 2019-10-08 Two New York Times Washington correspondents provide a detailed, "fact-based account of what precipitated some of this administration's more brazen assaults on immigration" (The Washington Post) filled with never-before-told stories of this key issue of Donald Trump's presidency. No issue matters more to Donald Trump and his administration than restricting immigration. Julie Hirschfeld Davis and Michael D. Shear have covered the Trump administration from its earliest days. In *Border Wars*, they take us inside the White House to document how Stephen Miller and other anti-immigration officials blocked asylum-seekers and refugees, separated families, threatened deportation, and sought to erode the longstanding bipartisan consensus that immigration and immigrants make positive contributions to America. Their revelation of Trump's desire for a border moat filled with alligators made national news. As the authors reveal, Trump has used immigration to stoke fears ("the caravan"), attack Democrats and the courts, and distract from negative news and political difficulties. As he seeks reelection in 2020, Trump has elevated immigration in the imaginations of many Americans into a national crisis. *Border Wars* identifies the players behind Trump's anti-immigration policies, showing how they planned, stumbled and fought their way toward changes that have further polarized the nation. "[Davis and Shear's] exquisitely reported *Border Wars* reveals the shattering horror of the moment, [and] the mercurial unreliability and instability of the president" (The New York Times Book Review).

disregard the law crossword: *Trauma* Elizabeth Jaikaran, 2017-08-01 A collection of true and extraordinary stories that speak of the abuse suffered by Guyanese women, girls, and members of the LGBT community both in their native country and after having emigrated to the United States. Through carefully crafted prose and poetic undertones, the author, Elizabeth Jaikaran, reveals accounts of the horrific violence and trauma through the lens of Guyanese culture and history. Along with these stories are points of fact, gathered from newspapers, agency studies, and governmental records, that illustrate the far-reaching existence and impact of violence and strict cultural norms. Also on display in these stories is the strength and resilience of Guyanese women as they have struggled to survive and flourish. This story of a small and often overlooked culture has needed to be

told, and Jaikaran tells it with amazing courage and grace.
