Plot Summary and Overview

Danny and the Deep Blue Sea is an intense two-character play written by John Patrick Shanley. Set in a rundown bar in the Bronx, the story centers on Danny, a brooding and volatile truck driver, and Roberta, a troubled, isolated woman. Both characters are marked by emotional scars and a desperate longing for connection. The entire play unfolds over one night, as Danny and Roberta confront their pain, vulnerabilities, and the possibility of redemption through each other. Shanley crafts a raw, honest dialogue that captures the loneliness and brutality of life, while also hinting at hope and transformation. The narrative's tight structure and emotional depth make it a staple of modern American theatre, and its relevance endures through diverse productions and interpretations.

Main Characters Analysis

Danny

Danny is depicted as a tough, unpredictable man with a violent streak. His background is riddled with trauma, leading to frequent outbursts and an inability to relate to others. Despite his gruff exterior, Danny reveals moments of vulnerability that highlight his deep-seated need for acceptance and love. Shanley's writing allows for a nuanced portrayal, inviting actors to explore the complexity of Danny's psychological landscape.

Roberta

Roberta is equally damaged, struggling with guilt and isolation stemming from her past. She is desperate for meaningful connection but fears intimacy due to previous betrayals. Throughout the play, Roberta oscillates between aggression and tenderness, reflecting her internal conflict. Her dynamic with Danny forms the core of the narrative, as both characters challenge and comfort each other.

- Both characters are emotionally scarred and searching for redemption.
- Their interactions drive the plot and reveal their vulnerabilities.
- The intensity of their relationship is central to the play's dramatic tension.

Production History and Notable Adaptations

Original Off-Broadway Premiere

Danny and the Deep Blue Sea premiered Off-Broadway in 1983 at the Circle in the Square Theatre. The original production garnered significant attention for its raw performances and gripping emotional content. Over the decades, the play has become a favorite for actors seeking challenging, character-driven material.

Recent Revivals

Recent years have seen several notable revivals, including high-profile stagings in New York and major cities worldwide. With each adaptation, directors and actors bring fresh perspectives to the characters' inner lives, further cementing the play's status as a classic. New interpretations often explore contemporary themes, such as mental health, trauma, and the search for belonging, making the play resonant for modern audiences.

International Productions

The play's universal themes have led to successful international productions. Its minimalist setting

and focus on dialogue enable creative staging across diverse cultures. Danny and the Deep Blue Sea continues to inspire theatre companies to experiment with casting, set design, and direction, keeping the work alive and relevant.

Critical Reception and Audience Response

Critical Acclaim

The play has received widespread praise from critics for its powerful writing and emotional intensity. Shanley's ability to create deeply flawed yet sympathetic characters is often highlighted as a major strength. Reviews consistently note the gripping performances required by actors in the roles of Danny and Roberta, with many productions earning accolades for their cast's commitment and authenticity.

Audience Impact

Audiences are frequently moved by the rawness and honesty of the play. The intimate setting and confrontational dialogue evoke strong emotional reactions, with viewers often expressing empathy for the characters' struggles. Many theatre-goers appreciate the play's ability to address universal themes of pain, forgiveness, and hope.

1. Noted for emotional realism and challenging subject matter
2. Applauded for strong, character-driven performances
3. Respected as a staple of Off-Broadway and regional theatre
4. Frequently revived and adapted for contemporary audiences

Thematic Exploration and Symbolism

Isolation and Loneliness

A central theme of Danny and the Deep Blue Sea is the profound isolation experienced by its two protagonists. Both Danny and Roberta are estranged from society and haunted by personal demons. Shanley's writing probes the nature of loneliness and the human need for connection, portraying it with sensitivity and depth.

Redemption and Forgiveness

The possibility of redemption is a driving force behind the play's narrative. As Danny and Roberta

reveal their vulnerabilities, they gradually learn to forgive themselves and each other. Their journey toward healing is fraught with obstacles, but the play ultimately suggests that hope is possible even in the bleakest circumstances.

Symbolism of the “Deep Blue Sea”

The title’s metaphorical “deep blue sea” represents the emotional depths both characters must navigate to find solace. It evokes a sense of danger, risk, and the unknown, paralleling their internal struggles. The motif reinforces the play’s exploration of psychological trauma and the courage required to confront one’s darkest fears.

Performance Highlights and Direction

Acting Challenges and Opportunities

Danny and the Deep Blue Sea is renowned for demanding performances that stretch actors’ emotional range. The script offers numerous opportunities for intense, transformative acting, making it a favorite among performers and directors. Successful productions often hinge on the chemistry between the leads and their ability to convey raw emotion authentically.

Directorial Approaches

Directors frequently experiment with staging, pacing, and interpretation. Some productions emphasize the play’s gritty realism, while others highlight its poetic elements. The minimalist setting allows for creative flexibility, with lighting, sound, and set design playing key roles in establishing mood.

- Minimalist sets focus attention on character interaction
- Lighting and sound design enhance emotional intensity
- Directorial choices influence audience interpretation

Impact on Contemporary Theatre

Influence on Modern Playwriting

Danny and the Deep Blue Sea has influenced a generation of playwrights and theatre practitioners. Its focus on character-driven storytelling and emotional realism set a precedent for modern drama. Shanley’s work paved the way for plays that explore psychological complexity and raw human experience.

Legacy and Ongoing Relevance

The play's continued popularity underscores its enduring relevance. Its themes of trauma, forgiveness, and hope resonate strongly with audiences facing contemporary challenges. As theatre evolves, *Danny and the Deep Blue Sea* remains a touchstone for those seeking impactful, intimate drama.

Conclusion

Danny and the Deep Blue Sea stands as a compelling example of modern American drama, combining intense character study with universal themes. John Patrick Shanley's acclaimed play continues to captivate audiences and critics alike, thanks to its emotional depth, challenging performances, and powerful storytelling. With ongoing revivals and international adaptations, its legacy remains secure within the world of contemporary theatre.

Danny and the Deep Blue Sea Review: A Dive into a Powerful, Poignant Play

Are you searching for a theatrical experience that transcends the typical rom-com tropes and delves

into the raw, vulnerable hearts of two deeply troubled young adults? Then look no further. This Danny and the Deep Blue Sea review will explore the captivating power of this play, analyzing its themes, characters, and overall impact. We'll unpack what makes this production so compelling, examining its strengths and weaknesses to help you decide if it's the right show for you. Get ready to plunge into the depths of human connection and the bittersweet beauty of finding solace in unexpected places.

A Story of Scars and Shared Silence: The Plot Unveiled

Danny and the Deep Blue Sea isn't a lighthearted romp; it's a brutally honest portrayal of two individuals grappling with immense emotional baggage. Danny, a young man wrestling with a violent past and a penchant for self-destruction, and Miranda, a fiercely independent woman burdened by a traumatic history, find themselves drawn together in a seemingly unlikely connection. Their shared pain forms the bedrock of their relationship, a fragile bond forged in the crucible of their shared traumas. The play masterfully avoids simplistic solutions, opting instead to present a nuanced and realistic depiction of their complex dynamic. Their connection is messy, volatile, and at times, painful to watch – mirroring the complexities of real-life relationships. It's not a story of easy fixes or happily-ever-afters; it's a story of survival, resilience, and the quiet strength found in shared vulnerability.

Character Deep Dive: Danny and Miranda's Compelling Dynamics

The success of Danny and the Deep Blue Sea hinges on the believability and depth of its two central characters. Both Danny and Miranda are exceptionally well-written, flawed individuals whose pasts inform their present actions.

Danny's Struggle: A Portrait of Self-Destruction

Danny's character is a masterclass in portraying the complexities of trauma. He's not a villain, but a product of his circumstances, struggling to reconcile his violent past with his desire for connection. His struggles with anger, self-harm, and his inability to trust are depicted with remarkable sensitivity and avoid overly simplistic portrayals of trauma. The actor portraying Danny needs to capture this delicate balance perfectly, conveying both his frightening potential and his underlying vulnerability.

Miranda's Resilience: Finding Strength in Vulnerability

Miranda is equally compelling. Her quiet strength and unwavering independence mask a deep-seated pain stemming from past trauma. Her guarded nature is both a shield and a consequence of her experiences, making her interactions with Danny all the more poignant. The development of her character throughout the play is fascinating, showing gradual cracks in her hardened exterior as she slowly allows herself to connect with Danny.

The Power of Language: Dialogue as a Driving Force

The play's strength lies not only in its characters but also in its masterful dialogue. The language is raw, unfiltered, and often brutally honest, reflecting the emotional rawness of the characters' experiences. The playwright skillfully uses silence as effectively as dialogue, creating moments of intense tension and unspoken understanding. This juxtaposition of silence and explosive dialogue perfectly mirrors the emotional rollercoaster of the characters' relationship.

Strengths and Weaknesses: A Balanced Perspective

While *Danny and the Deep Blue Sea* is undeniably a powerful piece of theatre, it's not without its nuances. One potential weakness could be its bleakness; the play doesn't shy away from depicting the darker aspects of the human condition. This might not appeal to all audiences. However, this very bleakness is arguably its strength, as it provides a deeply honest and unflinching look at the realities of trauma and the challenges of building meaningful connections. The play's pacing might also be considered slow by some, particularly those accustomed to faster-paced contemporary plays. However, this slow burn allows the audience to fully immerse themselves in the characters' emotional journeys.

Conclusion: A Must-See for Thoughtful Theatregoers

Ultimately, *Danny and the Deep Blue Sea* is a profoundly moving and thought-provoking play. While not for the faint of heart, its exploration of trauma, connection, and the complexities of human relationships makes it a truly unforgettable theatrical experience. The raw emotionality, coupled with the masterful performances, ensures a lasting impact long after the curtain falls. If you're looking for a play that will challenge you, move you, and stay with you long after the final scene, then *Danny and the Deep Blue Sea* is a must-see.

FAQs: Addressing Your Burning Questions

Q1: Is *Danny and the Deep Blue Sea* appropriate for all ages? No, due to mature themes of violence, trauma, and self-harm, it's recommended for mature audiences only.

Q2: How long is the play? The running time typically varies depending on the production, but generally falls between 90 minutes and 2 hours, including intermission.

Q3: What makes this play stand out from other similar dramas? The raw honesty of the dialogue and the realistic portrayal of complex trauma are key differentiators. It avoids simplistic solutions and

presents a nuanced view of human relationships.

Q4: Where can I find information about upcoming performances? Check local theatre listings and websites for your area. Many regional theatres produce this play.

Q5: Is there a happy ending? No, the play offers a realistic portrayal of life's complexities and doesn't shy away from the ambiguity of human relationships and their outcomes. The "ending" is more of a poignant reflection on resilience and the enduring power of connection in the face of adversity.

danny and the deep blue sea review: *Danny and the Deep Blue Sea* John Patrick Shanley, 1984 THE STORY: The setting is a rundown bar in the Bronx, where two of society's rejects, Danny and Roberta, strike up a halting conversation over their beer. danny and the deep blue sea review: The Dead Eye and the Deep Blue Sea Vannak Anan Prum, 2018-08-07 Too poor to pay his pregnant wife's hospital bill, Vannak Anan Prum left his village in Cambodia to seek work in Thailand. Men who appeared to be employers on a fishing vessel promised to return him home after a few months at sea, but instead Vannak was hostaged on the vessel for four years of hard labor. Amid violence and cruelty, including frequent beheadings, Vannak survived in large part by honing his ability to tattoo his shipmates--a skill he possessed despite never having been trained in art or having had access to art supplies while growing up. As a means of escape, Vannak and a friend jumped into the water and, hugging empty fish-sauce containers because they could not swim, reached Malaysia in the dark of night. At the harbor, they were taken into a police station . . . then sold by their rescuers to work on a plantation. Vannak was kept as a laborer for over a year before an NGO could secure his return to Cambodia. After five years away, Vannak was finally reunited with his family. Vannak documented his ordeal in raw, colorful, detailed illustrations, first created because he believed that without them no one would believe his story. Indeed, very little is known about what happens to the men and boys who end up working on fishing boats in Asia, and these images are some of the first records. In regional Cambodia, many families still wait for men who have disappeared across the Thai border, and out to sea. The Dead Eye and the Deep Blue Sea is a testament to the lives of these many fishermen who are trapped on boats in the Indian Ocean.

danny and the deep blue sea review: Ship of Gold in the Deep Blue Sea Gary Kinder, 2009-10-20 "Titanic meets Tom Clancy technology" in this national-best-selling account of the SS Central America's wreckage and discovery (People). September 1875. With nearly six hundred passengers returning from the California Gold Rush, the side-wheel steamer SS Central America encountered a violent storm and sank two hundred miles off the Carolina coast. More than four hundred lives and twenty-one tons of gold were lost. It was a tragedy lost in legend for more than a century—until a brilliant young engineer named Tommy Thompson set out to find the wreck. Driven by scientific curiosity and resentful of the term "treasure hunt," Thompson searched the deep-ocean floor using historical accounts, cutting-edge sonar technology, and an underwater robot of his own design. Navigating greedy investors, impatient crewmembers, and a competing salvage team, Thompson finally located the wreck in 1989 and sailed into Norfolk with her recovered treasure: gold coins, bars, nuggets, and dust, plus steamer trunks filled with period clothes, newspapers, books, and journals. A great American adventure story, *Ship of Gold in the Deep Blue Sea* is also a fascinating account of the science, technology, and engineering that opened Earth's final frontier, providing "white-knuckle reading, as exciting as anything . . . in *The Perfect Storm*" (Los Angeles

Times Book Review). "A complex, bittersweet history of two centuries of American entrepreneurship, linked by the mad quest for gold." —Entertainment Weekly "A ripping true tale of danger and discovery at sea." —The Washington Post "What a yarn! . . . If you sign on for the cruise, go in knowing that you're going to miss meals and a lot of sleep." —Newsweek

danny and the deep blue sea review: Prodigal Son (TCG Edition) John Patrick Shanley, 2016-03-07 'What I admire most is that his plays are beautifully well made, economical, sharp and coherent. He's not a misanthrope, but he's in pursuit of why people behave as badly as they do along with having a great compassion for them. That's an unusual and interesting combination.'—Tony Kushner, on John Patrick Shanley When a troubled but gifted boy from the South Bronx finds himself shipped off to a private school in New Hampshire, the adjustment to the alien environment will lead to his ultimate dissolution or redemption. Teachers in the affluent institution do not know what to make of the new boisterous student, though the challenge really lies in his self-perception. Like his most celebrated play, *Doubt*, the author has based this new work on his own personal experiences of growing up as a teenager in the South Bronx and his time spent at a prep school in New England. Shanley has created an elemental study of a young's man search for his place in the world. John Patrick Shanley's plays include *Outside Mullingar*, *Danny and the Deep Blue Sea*, *Savage in Limbo*, and *Dirty Story*, along with his Church and State trilogy, *Doubt*, *Defiance*, and *Storefront Church*. For his play *Doubt*, he received both the Tony Award for Best Play and the Pulitzer Prize for Drama. He has nine films to his credit, including the five-time Oscar-nominated *Doubt*, and *Moonstruck*, which received the Academy Award for Best Original Screenplay. The Writers Guild of America awarded Shanley the 2009 Lifetime Achievement Award in Writing.

danny and the deep blue sea review: Outside Mullingar John Patrick Shanley, 2014-08-25 Anthony and Rosemary are two introverted misfits straddling 40. Anthony has spent his entire life on a cattle farm in rural Ireland, a state of affairs that—due to his painful shyness—suits him well. Rosemary lives right next door, determined to have him, watching the years slip away. With Anthony's father threatening to disinherit him and a land feud simmering between their families, Rosemary has every reason to fear romantic catastrophe. But then, in this very Irish story with a surprising depth of poetic passion, these yearning, eccentric souls fight their way towards solid ground and some kind of happiness. Their journey is heartbreaking, funny as hell, and ultimately deeply moving. *OUTSIDE MULLINGAR* is a compassionate, delightful work about how it's never too late to take a chance on love.

danny and the deep blue sea review: The Methuen Drama Guide to Contemporary

American Playwrights Christopher Innes, Peter Paul Schnierer, Martin Middeke, Matthew C. Roudané, 2013-12-19 Unrivalled in its coverage of recent work and writers, *The Methuen Drama Guide to Contemporary American Playwrights* surveys and analyses the breadth, vitality and development of theatrical work to emerge from America over the last fifty years. This authoritative guide leads you through the work of 25 major contemporary American playwrights, discussing more than 140 plays in detail. Written by a team of 25 eminent international scholars, each chapter provides: · a biographical introduction to the playwright's work; · a survey and concise analysis of the writer's most important plays; · a discussion of their style, dramaturgical concerns and critical reception; · a bibliography of published plays and a select list of critical works. Among the many Tony, Obie and Pulitzer prize-winning playwrights included are Sam Shepard, Tony Kushner, Suzan-Lori Parks, August Wilson, Paula Vogel and Neil LaBute. The abundance of work analysed enables fresh, illuminating conclusions to be drawn about the development of contemporary American playwriting.

danny and the deep blue sea review: *Doubt* John Patrick Shanley, 2005 THE STORY: In this brilliant and powerful drama, Sister Aloysius, a Bronx school principal, takes matters into her own hands when she suspects the young Father Flynn of improper relations with one of the male students.

danny and the deep blue sea review: Raw Blue Kirsty Eagar, 2009-06-29 Award-winning novel by Kirsty Eagar, author of *Saltwater Vampires* and *Night Beach*. *Raw Blue* was awarded the 2010 Victorian Premier's Literary Awards Young Adult Fiction prize. Readers of Tim Winton's *Breath* will be drawn to *Raw Blue*, an achingly beautiful young adult novel set in Sydney's northern beaches. Winner of the 2010 Victorian Premier's Literary Awards, it is a haunting story about finding your passion in life. Carly has dropped out of uni to spend her days surfing and her nights working as a cook in a Manly cafe. Surfing is the one thing she loves doing ... and the only thing that helps her stop thinking about what happened two years ago. Then she meets Ryan and Carly has to decide. Will she let the past bury her? Or can she let go of her anger and shame, and find the courage to be happy? Check out Kirsty Eagar's website at www.kirstyeagar.com, and read her blog to find out about her thoughts on books, writing, music, surfing, and finding inspiration, or visit betweenthelines.com.au - the destination for Young Adult books. Praise for *Raw Blue*: 'Kirsty Eagar's fearless *Raw Blue*, a story of regeneration set on Sydney's northern beaches, is much more than just a promising debut: this one delivers.' Australian Book Review Best Books of 2009: Critics' Choices 'Kirsty Eagar's first novel explores dark territory with skill and sensitivity.' The Age 'An emotionally rich and powerful first novel.' Canberra Times 'If you only read one book this year ... it should be Kirsty Eagar's *Raw Blue* one of those kept-me-up-all-night novels that stays in your bones and sings in your ears long after you've finished it. It wouldn't be out of place next to Tim Winton's *Breath*, except this is the ocean as healer, not as an object to be conquered, or the site of self-destruction, of risk. The images crackle, the lines are full of the poetry of observation, the story is searing, gutting, beautiful. This should be compulsory reading for all teenagers especially boys.' julialawrinson.livejournal.com 'This is a psychologically intense novel that involves even non-surfing readers in the release Carly feels when conquering the waves we empathise with her in the long battle between desire and fear on the path to self-acceptance.' Magpies 'I read this book feverishly, desperate for a happy ending, and afterwards found it difficult to get Carly and the men who ride into her life out of my mind.' Newcastle Herald '[a] very moving book It's dark subject matter, but Eagar makes it uplifting.' Sunday Territorian 'A memorable first book by a writer who gives an honest approach to what young adults face growing up and growing wiser.' Woman's Day Read of the Week

danny and the deep blue sea review: Dirty Story and Other Plays (Large Print 16pt) John Patrick Shanley, 2011-03 Three new works by Pulitzer Prize-winning author John Patrick Shanley, one of our country's most politically current and theatrically elastic playwrights. In *Dirty Story*, a couple of sadomasochistic writers fight over rights to their New York City loft. In this sexy satire of the Israeli-Palestinian conflict that is "astonishing," says Tony Kushner, "the analysis of the Middle

East in this play is dead on, exactly perfectly pitched. "In his dark comedy *Where's My Money?*, Shanley takes on marriage, infidelity, and divorce lawyers in a play that is "so harsh, it's funny - terrifying, but funny" (The New York Times). And in his *Sailor's Song*, love becomes an act of courage, in a seaside romance about the certainty of death, the brevity of youth, and the importance of now.

danny and the deep blue sea review: [Psychopathia Sexualis](#) John Patrick Shanley, 1998 THE STORY: Arthur, an obscure young painter struggling in the art world of Manhattan, announces to his self-satisfied friend, Howard, that he is engaged to be married. To whom? Asks Howard. The answer is to Lucille, a powerful, attractive, no-nonsense

danny and the deep blue sea review: *The Sea Ain't Mine Alone* C. L. Beaumont, 2019-04 For James Campbell, winning the 1976 International Surf Competition is the ticket to his future. It's his chance to finally reclaim his life, move on from the war, and make a living doing the only thing that keeps him from walking away from it all. But his best laid plans are upended completely when two-time Billabong Pipeline Masters Champion Danny Moore steps up next to James on the starting line. The young, mysterious, unbeatable big wave surfer is the man that nobody on the surf circuit can stop whispering about. For the first time since being shipped back home from Vietnam, James is captivated. Danny is infamous, and intensely private. He also finds himself desperately wanting to see James Campbell again, even more than he wants to drop in on the North Shore's tallest wave. That first fleeting moment turns the tide for both men, setting them on a path that crosses oceans and defies all odds.

danny and the deep blue sea review: *When You Were Here* Daisy Whitney, 2013-06-04 Filled with humor, raw emotion, a strong voice, and a brilliant dog named Sandy Koufax, *When You Were Here* explores the two most powerful forces known to man-death and love. Daisy Whitney brings her characters to life with a deft touch and resonating authenticity. Danny's mother lost her five-year battle with cancer three weeks before his graduation-the one day that she was hanging on to see. Now Danny is left alone, with only his memories, his dog, and his heart-breaking ex-girlfriend for company. He doesn't know how to figure out what to do with her estate, what to say for his Valedictorian speech, let alone how to live or be happy anymore. When he gets a letter from his mom's property manager in Tokyo, where she had been going for treatment, it shows a side of a side of his mother he never knew. So, with no other sense of direction, Danny travels to Tokyo to connect with his mother's memory and make sense of her final months, which seemed filled with more joy than Danny ever knew. There, among the cherry blossoms, temples, and crowds, and with the help of an almost-but-definitely-not Harajuku girl, he begins to see how it may not have been ancient magic or mystical treatment that kept his mother going. Perhaps, the secret of how to live lies in how she died.

danny and the deep blue sea review: [The Deep Blue Good-by](#) John D. MacDonald, 2013-01-08 From a beloved master of crime fiction, *The Deep Blue Good-by* is one of many classic novels featuring Travis McGee, the hard-boiled detective who lives on a houseboat. Travis McGee is a self-described beach bum who won his houseboat in a card game. He's also a knight-errant who's wary of credit cards, retirement benefits, political parties, mortgages, and television. He only works when his cash runs out, and his rule is simple: He'll help you find whatever was taken from you, as long as he can keep half. "John D. MacDonald was the great entertainer of our age, and a mesmerizing storyteller."—Stephen King McGee isn't particularly strapped for cash, but how can anyone say no to Cathy, a sweet backwoods girl who's been tortured repeatedly by her manipulative ex-boyfriend Junior Allen? What Travis isn't anticipating is just how many women Junior has torn apart and left in his wake. Enter Junior's latest victim, Lois Atkinson. Frail and broken, Lois can barely get out of bed when Travis finds her, let alone keep herself alive. But Travis turns into Mother McGee, giving Lois new life as he looks for the ruthless man who steals women's spirits and livelihoods. But he can't guess how violent his quest is soon to become. He'll learn the hard way that there must be casualties in this game of cat and mouse. Features a new Introduction by Lee Child

danny and the deep blue sea review: [The Beach](#) Alex Garland, 2007-07-05 Celebrate the 25th

anniversary of *The Beach*, a classic story of paradise found - and lost, the book that inspired the major film starring Leonardo DiCaprio Richard lands in East Asia in search of an earthly utopia. In Thailand, he is given a map promising an unknown island, a secluded beach - and a new way of life. What Richard finds when he gets there is breathtaking: more extraordinary, more frightening than his wildest dreams. But how long can paradise survive here on Earth? And what lengths will Richard go to in order to save it? 'Fresh, fast-paced, compulsive and clever' Nick Hornby 'A powerful narrative drive, exotic locations that unfold like a corrupt and mysterious flower, and a moody intelligence that holds everything together' J.G. Ballard 'A gripping adventure, and a fascinating jigsaw' *The Times*

danny and the deep blue sea review: *Storefront Church* John Patrick Shanley, 2013 THE STORY: When a Bronx Borough President is forced by the mortgage crisis into a confrontation with a local minister, the question they confront is one that faces us all: What is the relationship between spiritual experience and social action?

danny and the deep blue sea review: *The Walled City* Ryan Graudin, 2014-11-04 730. That's how many days I've been trapped.18. That's how many days I have left to find a way out. DAI, trying to escape a haunting past, traffics drugs for the most ruthless kingpin in the Walled City. But in order to find the key to his freedom, he needs help from someone with the power to be invisible.... JIN hides under the radar, afraid the wild street gangs will discover her biggest secret: Jin passes as a boy to stay safe. Still, every chance she gets, she searches for her lost sister.... MEI YEE has been trapped in a brothel for the past two years, dreaming of getting out while watching the girls who try fail one by one. She's about to give up, when one day she sees an unexpected face at her window..... In this innovative and adrenaline-fueled novel, they all come together in a desperate attempt to escape a lawless labyrinth before the clock runs out.

danny and the deep blue sea review: *The O'Neill* Jeffrey Sweet, 2014-07-01 At the O'Neill, we were all engaged with full-hearted passion in sometimes the silliest of exercises, and all in service of finding that wiggly, elusive creature, a new play.—Meryl Streep I would not be who or where I am today without the O'Neill.—Michael Douglas As the old ways of the commercial theater were dying and American playwriting was in crisis, the Eugene O'Neill Theater Center arose as a midwife to new plays and musicals, introducing some of the most exciting talents of our time (including August Wilson, Wendy Wasserstein, and Christopher Durang) and developing works that went on to win Pulitzer Prizes and Tony Awards. Along the way, it collaborated with then-unknown performers (like Meryl Streep, Michael Douglas, Courtney Vance, and Angela Bassett) and inspired Robert Redford in his creation of the Sundance Institute. This is the story of a theatrical laboratory, a place that transformed American theater, film, and television.

danny and the deep blue sea review: *Three Monologues* Jennifer Johnston, 1995

danny and the deep blue sea review: *Differently Wired* James Christie, 2018-08-08 Differently Wired is an illustrated collection of around sixty articles and blogs written by James Christie for the Huffington Post UK, the Glasgow West End Guide, Autism Eye magazine - and even the Sherlock Holmes Journal. They cover subjects as diverse as Einstein's brain, Scottish independence, American civil rights, libraries, adults with autism, and Buffy the Vampire Slayer, all with told with Christie's characteristic fluency and barbed wit and all offering the unique perspective of an autistic writer.

danny and the deep blue sea review: *The Boy in the Striped Pyjamas* John Boyne, 2016-10-06 Bruno doesn't like his new house. He had to leave all his friends behind in Berlin, and there are no children to play with here - until Bruno meets Shmuel, a boy who lives on the other side of the wire fence near Bruno's house, and who wears a strange uniform of striped pyjamas. A stunning anniversary edition of John Boyne's powerful classic bestseller, with illustrations from award-winning artist Oliver Jeffers.

danny and the deep blue sea review: Energy and Civilization Vaclav Smil, 2018-11-13 A comprehensive account of how energy has shaped society throughout history, from pre-agricultural foraging societies through today's fossil fuel-driven civilization. I wait for new Smil books the way some people wait for the next 'Star Wars' movie. In his latest book, *Energy and Civilization: A History*, he goes deep and broad to explain how innovations in humans' ability to turn energy into heat, light, and motion have been a driving force behind our cultural and economic progress over the past 10,000 years. —Bill Gates, *Gates Notes*, Best Books of the Year Energy is the only universal currency; it is necessary for getting anything done. The conversion of energy on Earth ranges from terra-forming forces of plate tectonics to cumulative erosive effects of raindrops. Life on Earth depends on the photosynthetic conversion of solar energy into plant biomass. Humans have come to rely on many more energy flows—ranging from fossil fuels to photovoltaic generation of electricity—for their civilized existence. In this monumental history, Vaclav Smil provides a comprehensive account of how energy has shaped society, from pre-agricultural foraging societies through today's fossil fuel-driven civilization. Humans are the only species that can systematically harness energies outside their bodies, using the power of their intellect and an enormous variety of artifacts—from the simplest tools to internal combustion engines and nuclear reactors. The epochal transition to fossil fuels affected everything: agriculture, industry, transportation, weapons, communication, economics, urbanization, quality of life, politics, and the environment. Smil describes humanity's energy eras in panoramic and interdisciplinary fashion, offering readers a magisterial overview. This book is an extensively updated and expanded version of Smil's *Energy in World History* (1994). Smil has incorporated an enormous amount of new material, reflecting the dramatic developments in energy studies over the last two decades and his own research over that time.

danny and the deep blue sea review: 'Broadsword Calling Danny Boy' Geoff Dyer, 2018-10-04 A Telegraph and Evening Standard Book of the Year From the acclaimed writer and critic Geoff Dyer, an extremely funny scene-by-scene analysis of *Where Eagles Dare* - published as the film reaches its 50th anniversary A thrilling Alpine adventure starring a magnificent, bleary-eyed Richard Burton and a coolly anachronistic Clint Eastwood, *Where Eagles Dare* is the apex of 1960s war movies, by turns enjoyable and preposterous. 'Broadsword Calling Danny Boy' is Geoff Dyer's tribute to the film he has loved since childhood: an analysis taking us from its snowy, Teutonic opening credits to its vertigo-inducing climax. For those who have not even seen *Where Eagles Dare*, this book is a comic tour-de-force of criticism. But for the film's legions of fans, whose hearts will always belong to Ron Goodwin's theme tune, it will be the fulfilment of a dream. 'Geoff Dyer's funniest book yet. Who else would work in Martha Gellhorn on the first page of a book on the film *Where Eagles Dare*?' Michael Ondaatje 'One of our greatest living critics, not of the arts but of life itself, and one of our most original writers' Kathryn Schulz, *New York Magazine*

danny and the deep blue sea review: American Writers Jay Parini, 2004-10 Contains biographical and critical essays on the work of important American writers. Presents scholar-signed essays prepared by experts in the field.

danny and the deep blue sea review: The Humana Festival Jeffrey Ullom, 2008-06-19 Far from the glittering lights of Broadway, in a city known more for its horse racing than its artistic endeavors, an annual festival in Louisville, Kentucky, has transformed the landscape of the American theater. The Actors Theatre of Louisville—the Tony Award-winning state theater of Kentucky—in 1976 successfully created what became the nation's most respected new-play festival, the Humana Festival of New American Plays. *The Humana Festival: The History of New Plays at Actors Theatre of Louisville* examines the success of the festival and theater's Pulitzer Prize-winning productions that for decades have reflected new-play trends in regional theaters and on Broadway—the result of the calculated decisions, dogged determination, and good luck of its producing director, Jon Jory. The volume details how Actors Theatre of Louisville was established, why the Humana Festival became successful in a short time, and how the event's success has been maintained by the Louisville venue that has drawn theater critics from around the world for more than thirty years.

Author Jeffrey Ullom charts the theater's early struggles to survive, the battles between troupe leaders, and the desperate measures to secure financial support from the Louisville community. He examines how Jory established and expanded the festival to garner extraordinary local support, attract international attention, and entice preeminent American playwrights to premier their works in the Kentucky city. In *The Humana Festival*, Ullom provides a broad view of new-play development within artistic, administrative, and financial contexts. He analyzes the relationship between Broadway and regional theaters, outlining how the Humana Festival has changed the process of new-play development and even Broadway's approach to discovering new work, and also highlights the struggles facing regional theaters across the country as they strive to balance artistic ingenuity and economic viability. Offering a rare look at the annual event, *The Humana Festival* provides the first insider's view of the extraordinary efforts that produced the nation's most successful new-play festival.

danny and the deep blue sea review: *Welcome to the Moon and Other Plays* John Patrick Shanley, 1985 *THE STORIES*: In *THE RED COAT*, a teenage boy in the Bronx lays in wait outside a party for a girl he hardly knows. His mission, which he accomplishes with touching if halting effectiveness, is to tell her that he loves her. (1 man, 1 woman.) In *DOWN*

danny and the deep blue sea review: *The Coen Brothers Encyclopedia* Lynnea Chapman King, 2014-10-10 Joel and Ethan Coen have written and directed some of the most celebrated American films of the last thirty years. The output of their work has embraced a wide range of genres, including the neo-noirs *Blood Simple* and *The Man Who Wasn't There*, the absurdist comedy *Raising Arizona*, and the violent gangster film *Miller's Crossing*. Whether producing original works like *Fargo* and *Barton Fink* or drawing on inspiration from literature, such as Charles Portis' *True Grit* or Cormac McCarthy's *No Country for Old Men*, the brothers put their distinctive stamp on each film. In *The Coen Brothers Encyclopedia*, all aspects of these gifted siblings as writers, directors, producers, and even editors—in the guise of Roderick Jaynes—are discussed. Entries in this volume focus on creative personnel behind the camera, including costume designers, art directors, and frequent contributors like cinematographer Roger Deakins and composer Carter Burwell. Recurring actors are also represented, such as Jeff Bridges, Steve Buscemi, George Clooney, John Goodman, Holly Hunter, Frances McDormand, and John Turturro. Each entry is followed by a bibliography of published sources, both in print and online. From *Blood Simple* to *Inside Llewyn Davis*, *The Coen Brothers Encyclopedia* is a comprehensive reference on two of the most significant filmmakers of the last three decades. An engaging examination of their work, this volume will appeal to scholars, researchers, and fans interested in this creative duo.

danny and the deep blue sea review: *Grizzlyshark #3: Grizzlyshark Vs. Sea Bear* Ryan Ottley, 2016-06-08 The grand finale of the three-part trilogy. You will now know who would win between a shark and a bear! Plus, the humans that survived the all-out WAR

danny and the deep blue sea review: *Friends and Other Liars* Kaela Coble, 2018 Sometimes the secrets we keep are more dangerous than the ones we reveal... To all my old friends: So here you all are. Nice to see you can show up for a person once he's dead. When Ruby St. James returns to her hometown, it is to the grave of her old friend Danny, a member of a group that was, ten years ago, Ruby's whole world. The crew made a pact back then: stay together, stay loyal, and stay honest. But that was before all of the lies. Because even friends keep secrets. They just don't stay secret for long. Now Danny has left behind a letter for each of them, issuing one final ultimatum: share your darkest betrayal to the group, or risk it coming out in a trap he has created. When past mistakes resurface, the lines of friendship blur, and four old friends are left trying to understand what it means to lie to the ones you love best.

danny and the deep blue sea review: *Bruce* Peter Ames Carlin, 2012-10-30 'Wonderful...Carlin's book never shies from the details of this most enduring of American heroes. The divorces, cruelties, years in therapy and his antidepressant fuelled comeback of 2003 are all here' Sunday Times This sweeping biography of one of America's greatest musicians is the first in twenty-five years to be written with the cooperation of Springsteen himself. With unfettered access

to the artist, his family and band members, acclaimed music writer Peter Ames Carlin presents an intimate and vivid portrait. 'A readable, expansive portrait of the New Jersey rocker that delves into his family background and personal life more than previous biographies' Sunday Telegraph 'The first serious Bruce Springsteen biography for 25 years. Carlin was granted unprecedented access to family, friends, management, even the Boss himself, enabling him to paint a vivid picture of the man, warts and all' Sunday Express 'A revealing portrait of a rock colossus... Peter Ames Carlin's new book is the first in 25 years to have been written with the co-operation of Springsteen. Previous biographies have tended towards closely argued adulation but Carlin has not been blinded by his access to Springsteen' Daily Telegraph 'One for the regular fan on the street...well written and jaw-dropping in its research...Weighty, fact focused, readable' Metro 'Painstakingly researched and based on - for the first time - interviews with Springsteen's family and friends as well as the Boss himself. To that extent it is the first authorised account for a decade...This is a warts-and-all account that includes Springsteen's flashes of temper when things didn't go his way...' Sunday Times

danny and the deep blue sea review: As You Wish Cary Elwes, Joe Layden, 2014-10-14 From Cary Elwes, who played the iconic role of Westley in The Princess Bride, comes a first-person behind-the-scenes look at the making of the film.

danny and the deep blue sea review: Access, 2005

danny and the deep blue sea review: Deep Sea and Foreign Going Rose George, 2013-09-05 There are 100,000 freighters on the seas. Between them they carry nearly everything we eat, wear and work with. In this unique investigation, Rose George joins the crew of a container ship to chart the murky waters of international shipping, with its powerful naval fleets, pirate gangs, and illegal floating factories, to reveal the hidden industry upon which our world turns and our future depends.

danny and the deep blue sea review: Books and Beyond [4 volumes] Kenneth Womack, 2008-10-30 There's a strong interest in reading for pleasure or self-improvement in America, as shown by the popularity of Harry Potter, and book clubs, including Oprah Winfrey's. Although recent government reports show a decline in recreational reading, the same reports show a strong correlation between interest in reading and academic achievement. This set provides a snapshot of the current state of popular American literature, including various types and genres. The volume presents alphabetically arranged entries on more than 70 diverse literary categories, such as cyberpunk, fantasy literature, flash fiction, GLBTQ literature, graphic novels, manga and anime, and zines. Each entry is written by an expert contributor and provides a definition of the genre, an overview of its history, a look at trends and themes, a discussion of how the literary form engages contemporary issues, a review of the genre's reception, a discussion of authors and works, and suggestions for further reading. Sidebars provide fascinating details, and the set closes with a selected, general bibliography. Reading in America for pleasure and knowledge continues to be popular, even while other media compete for attention. While students continue to read many of the standard classics, new genres have emerged. These have captured the attention of general readers and are also playing a critical role in the language arts classroom. This book maps the state of popular literature and reading in America today, including the growth of new genres, such as cyberpunk, zines, flash fiction, GLBTQ literature, and other topics. Each entry is written by an expert contributor and provides a definition of the genre, an overview of its history, a look at trends and themes, a discussion of how the literary form engages contemporary issues, a review of the genre's critical reception, a discussion of authors and works, and suggestions for further reading. Sidebars provide fascinating details, and the set closes with a selected, general bibliography. Students will find this book a valuable guide to what they're reading today and will appreciate its illumination of popular culture and contemporary social issues.
