Ed and Lorraine Warren: The Pioneers of Paranormal Investigation

Ed and Lorraine Warren are widely regarded as trailblazers in the field of paranormal research. Ed, a self-taught demonologist, and Lorraine, a gifted clairvoyant and trance medium, started working together in the 1950s. Their partnership led them to investigate over 10,000 cases involving hauntings, possessions, and unexplained phenomena. The core of their mission was to help families experiencing supernatural disturbances while documenting evidence of the paranormal. Their expertise made them go-to consultants for priests, law enforcement, and individuals seeking answers to mysterious events. The Warrens also founded the New England Society for Psychic Research, the oldest ghost-hunting group in New England, and curated the famous Warren Occult Museum, which houses many artifacts from their investigations.

Most Notorious Ed and Lorraine Cases

Over their prolific careers, the Warrens handled many cases that gained international attention due to their eerie details and lasting impact. The most famous ed and lorraine cases not only shaped their reputation but also laid the groundwork for countless books, documentaries, and film adaptations.

The Amityville Horror

The Amityville Horror is perhaps the most infamous of all ed and lorraine cases. In 1976, the Warrens investigated the Lutz family's claims of terrifying paranormal activity after moving into a house in Amityville, New York, where a mass murder had occurred. The Warrens reported sensing a powerful demonic presence and captured chilling photographic evidence. Their involvement contributed to the case's legendary status, inspiring books and a major Hollywood franchise.

Annabelle the Doll

Annabelle is another prominent case that involved a seemingly innocent Raggedy Ann doll believed to be possessed by a malevolent spirit. The Warrens were called to help after the doll exhibited violent behavior. Recognizing the danger, they secured Annabelle in a locked glass case in their Occult Museum, warning that it should never be touched. The story of Annabelle has become central to modern horror lore, especially after being dramatized in The Conjuring Universe films.

The Enfield Poltergeist

In the late 1970s, the Warrens traveled to Enfield, England, to investigate claims of poltergeist activity in the Hodgson family home. Witnesses reported furniture moving, knocking sounds, and levitating children. While skeptics questioned the authenticity, the Warrens maintained that supernatural forces were at play. This case influenced "The Conjuring 2" and remains one of the most debated ed and lorraine cases.

The Perron Family Haunting

The Perron family haunting occurred in Harrisville, Rhode Island, during the early 1970s. The Warrens were brought in to help a family tormented by apparitions and violent supernatural occurrences. Their experiences at the Perron farmhouse were later adapted into the first Conjuring film, cementing this case as a cornerstone in the ed and lorraine cases legacy.

Other Notable Cases

- The Smurl Haunting – A family in Pennsylvania plagued by demonic activity.
- The Snedeker House – The inspiration for "The Haunting in Connecticut," involving alleged necromancy and possession.
- The Southend Werewolf – An investigation in England concerning a man believed to be possessed by a demonic wolf spirit.

Investigative Methods and Tools Used by the Warrens

One of the distinguishing aspects of Ed and Lorraine Warren's cases was the Warrens' approach to investigating supernatural phenomena. Their methods combined traditional spiritual practices with modern technology to gather evidence and perform rituals to rid places of malevolent entities.

Spiritual and Religious Techniques

Lorraine Warren used her clairvoyant abilities to sense spiritual presences, often entering a trance to communicate with entities. Ed Warren, as a demonologist, relied on his understanding of Catholic traditions, using holy water, prayers, and the assistance of clergy to perform exorcisms and blessings. Their faith was central to their work, and they often collaborated with priests for cases involving demonic possession.

Scientific Tools and Evidence Collection

- Audio Recorders: Used to capture unexplained voices (EVPs).
- Photography: Cameras and infrared film were employed to capture apparitions and anomalies.
- Temperature Gauges: To detect cold spots believed to indicate supernatural presence.
- Video Cameras: For documenting moving objects or unexplained phenomena.
- Spirit Boards and Medium Sessions: Used for direct communication with spirits.

The Warrens' combination of spiritual intuition and technology set a precedent for future paranormal investigators, influencing ghost hunting practices worldwide.

Controversies and Criticisms Surrounding Their Cases

Despite their fame, many Ed and Lorraine Warren cases have been met with skepticism and controversy. Critics have questioned the validity of their evidence, suggesting that some cases may have been exaggerated or fabricated. Skeptics argue that psychological factors, environmental influences, or outright hoaxes could explain many of the phenomena reported.

Skepticism from the Scientific Community

Members of the scientific and skeptical communities have often dismissed the Warrens' findings due to a lack of verifiable evidence. Many paranormal claims investigated by the Warrens could not be reproduced or independently confirmed. As a result, while some regard the Warrens as pioneers, others view them as sensationalists or opportunists.

Legal and Ethical Concerns

Certain ed and lorraine cases led to legal disputes, especially when books, movies, and media adaptations were created. Families involved in these cases have sometimes accused the Warrens of exploiting their stories for profit or misrepresenting events. These controversies have added complexity to their legacy, raising questions about the ethics of paranormal investigation.

The Cultural Impact of Ed and Lorraine's Work

Whether celebrated or criticized, the ed and lorraine cases have left an indelible mark on popular culture. Their investigations have inspired a wave of supernatural literature, documentaries, and blockbuster movies, including the highly successful Conjuring Universe. The Warrens' personal collection of haunted objects, especially the Annabelle doll, has become iconic in supernatural folklore. Their influence extends to the practices of modern ghost hunters, who often cite the Warrens as inspirations for their own work.

Legacy in Cinema and Literature

The stories of Ed and Lorraine Warren serve as the foundation for numerous horror films, including "The Conjuring," "Annabelle," and "The Nun." These films have introduced new generations to the Warrens' work and have kept their most famous cases alive in the public imagination. Additionally, their books and lectures continue to be studied by those interested in the paranormal and supernatural research.

Influence on Paranormal Research

The methods and protocols established by the Warrens have influenced countless paranormal investigators. Their integration of spiritual beliefs with scientific tools remains a model for many ghost-hunting teams today. The enduring popularity of ed and lorraine cases demonstrates the public's ongoing fascination with the unknown and the possibility that the supernatural may exist just beyond our understanding.

Frequently Asked Questions about Ed and Lorraine Cases

The following questions address common inquiries about Ed and Lorraine Warren's cases, methods, and legacy.

Q: What are the most famous ed and lorraine cases?

A: The most famous cases include the Amityville Horror, Annabelle the Doll, the Enfield Poltergeist, the Perron Family Haunting, and the Smurl Haunting.

Q: Did the Warrens ever work with law enforcement?

A: Yes, Ed and Lorraine Warren often collaborated with local police and clergy, especially in cases involving violent phenomena or suspected demonic activity.

Q: Are the stories in The Conjuring movies based on real ed and lorraine cases?

A: Many events depicted in "The Conjuring" films are based on the Warrens' actual investigations, though some details have been dramatized for cinematic effect.

Q: What methods did the Warrens use to investigate hauntings?

A: They combined spiritual practices such as blessings and exorcisms with scientific tools like audio recorders, cameras, and temperature gauges.

Q: Is the Annabelle doll real and where is it now?

A: Yes, Annabelle is a real doll that was investigated by the Warrens. It is currently housed in the Warren Occult Museum in Connecticut.

Q: Have the Warrens' cases been scientifically proven?

A: There is no scientific proof of the supernatural claims made in the Warrens' cases, and many have been met with skepticism by experts.

Q: What is the New England Society for Psychic Research?

A: Founded by Ed and Lorraine Warren in 1952, it is the oldest paranormal research group in New England and was established to investigate and document supernatural phenomena.

Q: Are there any books written by or about the Warrens?

A: Yes, the Warrens have authored several books detailing their experiences, and many books have been written about their most famous cases.

Q: What is the Warren Occult Museum?

A: The Warren Occult Museum is a private collection curated by the Warrens, featuring haunted and cursed objects from their investigations.

Q: Why are ed and lorraine cases still popular today?

A: The enduring popularity is due to the mix of real-life mystery, media adaptations, and ongoing public interest in the paranormal and unexplained phenomena.

Ed and Lorraine Warren Cases: Exploring the Paranormal Investigations of a Famous Couple

Are you fascinated by the world of paranormal investigations? Have you ever wondered about the truth behind the chilling stories depicted in movies like *The Conjuring*? Then you've come to the right place. This comprehensive guide delves into the captivating world of Ed and Lorraine Warren, exploring their most famous cases and separating fact from fiction surrounding their decades-long careers in paranormal research. We'll analyze some of their most well-known investigations, examining the evidence presented and the lasting impact these cases have had on popular culture and the paranormal field itself.

H2: The Beginnings: How Ed and Lorraine Warren Became Paranormal Investigators

Ed and Lorraine Warren's journey into the paranormal began separately, but their shared passion for the unseen world led them to collaborate on countless investigations. Ed, a self-taught demonologist, brought a methodical, investigative approach, while Lorraine, a clairvoyant and trance medium, provided a more intuitive, spiritual perspective. Their complementary skills formed the basis of their renowned partnership, which spanned several decades and involved a vast array of cases. This unique dynamic set the stage for their later investigations, attracting both fervent believers and skeptical detractors alike.

H2: Notable Ed and Lorraine Warren Cases: A Closer Look

While the Warrens investigated hundreds of alleged paranormal events, some cases stand out due to

their notoriety and lasting impact on their reputation, and the public's perception of the paranormal. Let's examine some of their most famous investigations:

H3: The Amityville Horror (1975-1977)

Arguably their most famous case, the Amityville Horror involved the Lutz family who claimed to experience terrifying paranormal activity in their Long Island home. The Warrens investigated, concluding that the house was indeed haunted, attributing the disturbances to a malevolent presence. The story's widespread publicity—and subsequent skepticism surrounding its authenticity—continues to generate debate. The book and film adaptations further cemented this case in popular culture, illustrating both the public's fascination and the controversy surrounding the Warrens' work.

H3: The Perron Family Case (1971-1980)

The Perron family's experiences in their Rhode Island farmhouse served as the inspiration for The Conjuring movie. The Warrens documented years of alleged haunting, including poltergeist activity, demonic manifestations, and unsettling occurrences. This case highlights the Warrens' claimed ability to discern different types of paranormal entities and their approach to cleansing a haunted location. While details of the case are debated, the emotional accounts of the Perron family are compelling.

H3: Enfield Poltergeist (1977-1979)

This high-profile case involved alleged poltergeist activity in Enfield, England. The Warrens collaborated with Maurice Grosse and Guy Lyon Playfair on the investigation, further solidifying the international attention surrounding their work. This case is controversial due to the lack of conclusive physical evidence and lingering questions surrounding the validity of the events. It highlights the ongoing debate within the paranormal field and the challenges of scientifically proving supernatural occurrences.

H2: Analyzing the Evidence: Separating Fact from Fiction

Critically evaluating the Warrens' cases requires a balanced approach. Many accounts lack empirical scientific evidence, leading to skepticism. However, it's crucial to acknowledge the emotional testimonies of those involved and the meticulous documentation the Warrens attempted to maintain. The compelling narratives, regardless of their factual basis, have undoubtedly captivated audiences for decades and contributed significantly to the ongoing discussion surrounding the paranormal. The line between carefully crafted narratives and verifiable truths remains a crucial point of contention for those studying the Warrens' work.

H2: The Legacy of Ed and Lorraine Warren: Impact on Popular

Culture

The Warrens' influence extends far beyond their actual investigations. Their stories have inspired countless books, films, television shows, and documentaries, shaping the public's perception of paranormal investigations. Their legacy lies in the popularization of demonology and the ongoing fascination with the supernatural, even amidst ongoing controversy about the veracity of their findings.

Conclusion

Ed and Lorraine Warren's impact on the paranormal investigation field is undeniable. While their cases continue to be debated, their influence on popular culture and the sustained interest in their work demonstrate the power of compelling narratives and the enduring human fascination with the unknown. Whether you believe in their findings or remain skeptical, exploring their stories offers a glimpse into a world where the boundary between reality and the supernatural remains blurry.

FAQs:

1. Did Ed and Lorraine Warren ever use deception in their investigations? This question remains a point of contention, with some claiming staged events or embellished accounts. However, others maintain their integrity and dedication to uncovering the truth.
2. What is the most scientifically-examined Ed and Lorraine Warren case? There isn't a single case that has undergone rigorous scientific examination to definitively prove or disprove paranormal activity. Many critics argue that lack of empirical evidence is a major flaw in their methodology.
3. How did Ed and Lorraine Warren's approach differ from other paranormal investigators? Their combination of demonology, spiritualism, and a methodical approach to investigation distinguished them from many others in the field.
4. What artifacts did Ed and Lorraine Warren collect from their investigations? They accumulated a large collection of purportedly haunted objects, displayed at their Occult Museum. The museum's authenticity and the artifacts' origins have also faced scrutiny.
5. Where can I find more information about Ed and Lorraine Warren's cases? Various books, documentaries, and websites detail their investigations. However, it's crucial to approach these sources critically and consider multiple perspectives before forming conclusions.

ed and lorraine cases: The Demonologist: The Extraordinary Career of Ed and Lorraine Warren Gerald Brittle, 2013-07-18 If you think ghosts are only responsible for hauntings, think

again. The Demonologist reveals the grave religious process behind supernatural events and how it can happen to you. Used as a text in seminaries and classrooms, this is one book you can't put down. For over five decades Ed and Lorraine Warren have been considered America's foremost experts on demonology and exorcism. With over 3,000 investigations to their credit, they reveal what actually breaks the peace in haunted houses. Expertly written by Gerald Daniel Brittle, a nonfiction writer with advanced degrees in literature and psychology specializing in mystical theology. Don't miss the Warrens in the new movie *The Conjuring*.

ed and lorraine cases: Ghost Tracks Wicks A. Cheryl, Lorraine Warren, Ed Warren, 2016-12-28

ed and lorraine cases: *In a Dark Place* Ed Warren, Lorraine Warren, Ray Garton, Carmen Reed, Al Snedeker, 2014-10-04 The story of the most terrifying case of demonic possession in the United States. It became the basis for the hit film "The Haunting in Connecticut" starring Virginia Madsen. Shortly after moving into their new home, the Snedeker family is assaulted by a sinister presence that preys one-by-one on their family. Exhausting all other resources, they call up the world-renowned demonologists Ed and Lorraine Warren—who have never encountered a case as frightening as this... No one had warned the Snedekers their new house used to be an old funeral home. Their battle with an inexplicable and savage phenomena had only just begun. What started as a simple "poltergeist" escalated into a full-scale war, an average American family battling the deepest, darkest forces of evil—a war this family could not afford to lose.

ed and lorraine cases: *The Amityville Horror* Jay Anson, 2019-12-03 "A fascinating and frightening book" (Los Angeles Times)—the bestselling true story about a house possessed by evil spirits, haunted by psychic phenomena almost too terrible to describe. In December 1975, the Lutz family moved into their new home on suburban Long Island. George and Kathleen Lutz knew that, one year earlier, Ronald DeFeo had murdered his parents, brothers, and sisters in the house, but the property—complete with boathouse and swimming pool—and the price had been too good to pass up. Twenty-eight days later, the entire Lutz family fled in terror. This is the spellbinding, shocking true story that gripped the nation about an American dream that turned into a nightmare beyond imagining—"this book will scare the hell out of you" (Kansas City Star).

ed and lorraine cases: Ghost Hunters Ed Warren, Lorraine Warren, Robert David Chase, 2014-10-04 "Ghosts are always hungry," someone once said—and no one knows how ravenous they really are more than Ed & Lorraine Warren, the world's most renowned paranormal investigators. For decades, Ed and Lorraine Warren hunted down the truth behind the most terrifying supernatural occurrences across the nation... and brought back astonishing evidence of their encounters with the unquiet dead. From the notorious house immortalized in *The Amityville Horror* to the bone-chilling events that inspired the hit film *The Conjuring*, the Warrens fearlessly probed the darkness of the world beyond our own, and documented the all-too-real experiences of the haunted and the possessed, the lingering deceased and the vengeful damned. *Graveyard* chronicles a host of their most harrowing, fact-based cases of ghostly visitations, demonic stalking, heart-wrenching otherworldly encounters, and horrifying comeuppance from the spirit world. If you don't believe, you will. And whether you read it alone in the dead of night or in the middle of a sunny day, you'll be forever haunted by its gallery of specters eager to feed on your darkest dread. Don't miss the Warrens' latest film "Annabelle" in theaters now.

ed and lorraine cases: *Werewolf: A True Story of Demonic Possession* Ed Warren, Lorraine Warren, Robert David Chase, William Ramsey, 2014-10-04 The legend of the werewolf is as old as man himself. From Ed and Lorraine Warren, the world's most famous demonologists, comes perhaps their most incredible and horrifying case: the true story of William Ramsey, whose bizarre seizures terrified the English town of Southend-on-Sea. Believing Ramsey to be a victim of demonic possession, the Warrens arranged for the rite of exorcism to be performed. Not since the exorcist shocked the nation has there been such a such a horrifying account of a supernatural battle between good and evil within the soul of one human. Don't miss the Warrens' blockbuster films *The Conjuring* and *Annabelle* (in theaters October, 2014.)

ed and lorraine cases: Deliver Us From Evil: From the Case Files of Ed & Lorraine Warren J. F. Sawyer, 2014-10-04 Deliver Us From Evil is a diary of Ed and Lorraine Warren's most startling investigations. First published in 1973 it is one of the earliest books about Ed and Lorraine Warren, who went on to become the world's most famous demonologists and paranormal investigators. Almost everyone has experienced one form of supernatural activity or another, some have been driven to destruction by it. This book deals with the investigations and reports of supernatural activities such as the case of the demons that drove an 18-year old girl to practice human vampirism. Every story in this book is true, only the names of people or places have been changed to protect the living and the dead. Don't miss the Warrens' blockbuster films "The Conjuring" and "Annabelle" (in theaters October, 2014.)

ed and lorraine cases: Graveyard Ed Warren, Lorraine Warren, Robert David Chase, 2014-10-04 "Ghosts are always hungry," someone once said—and no one knows how ravenous they really are more than Ed & Lorraine Warren, the world's most renowned paranormal investigators. For decades, Ed and Lorraine Warren hunted down the truth behind the most terrifying supernatural occurrences across the nation... and brought back astonishing evidence of their encounters with the unquiet dead. From the notorious house immortalized in The Amityville Horror to the bone-chilling events that inspired the hit film The Conjuring, the Warrens fearlessly probed the darkness of the world beyond our own, and documented the all-too-real experiences of the haunted and the possessed, the lingering deceased and the vengeful damned. Graveyard chronicles a host of their most harrowing, fact-based cases of ghostly visitations, demonic stalking, heart-wrenching otherworldly encounters, and horrifying comeuppance from the spirit world. If you don't believe, you will. And whether you read it alone in the dead of night or in the middle of a sunny day, you'll be forever haunted by its gallery of specters eager to feed on your darkest dread. Don't miss the Warrens' latest film "Annabelle" in theaters now.

ed and lorraine cases: Satan's Harvest Ed Warren, Lorraine Warren, Michael Lasalandra, Mark Merenda, Maurice Theriault, 2014-10-04 The shocking true case of demonic possession from the reporters who first covered it in the Boston Herald. The case was discussed and you can watch the real exorcism footage in the blockbuster horror film The Conjuring. When terrifying, bizarre things kept happening to a hard-working Massachusetts farmer, he did what anyone would do. First he went to the local police chief. Then he went to his priest. And then he went to Ed and Lorraine Warren, the world's most famous demonologists who investigated the "The Amityville Horror" and other terrifying cases of demonic possession. It was the Warrens who called in one of America's most renowned exorcists, Bishop Robert McKenna. What they all experienced is described in this extraordinary book. Absolutely terrifying. Absolutely true. Don't miss the Warrens' new film Annabelle (October, 2014).

ed and lorraine cases: Ed and Lorraine Warren Deliver Us from Evil J. F. Sawyer, Ed Warren, Lorraine Warren, 1973-06 Deliver Us From Evil, by J. F. Sawyer, is the first book to introduce Ed and Lorraine Warren and their unique occupation to the world. All cases in this book are prior to 1973. Since the first publication of this book, the Warrens have gone on to become known as the original ghost hunters. Together they've been involved in ghost hunting for over fifty-five years throughout the United States, Canada, Mexico, Scotland, Great Britain and Europe to name only a few places. They became known worldwide with investigations of the WestPoint Military Academy, Amityville Horror, The Haunting in Connecticut, Brookfield Demon Murder Case and Jack and Janet Smurl case to name a few. The Warrens have been featured around the world on thousands of radio and TV shows, local news, and documentaries. They have been on Sally Jessy Raphael, Sightings, History's Mysteries, In Search of... , American Ghost Hunter, MTV's Road Rules, A Haunting, Current Affair, Unexplained Mysteries, Paranormal State (Lorraine Warren) and Scariest Places on Earth, to name a few. The cases in this book are the first published cases taken from the files of Ed Warren, a demonologist, now deceased, and his wife, Lorraine Warren, an active medium. The cases are filled with tragic possessions, ghostly infestations and demonic obsessions. Deliver Us From Evil does not ignore the potential potency of curses, spells, Voodoo dolls, ceremonies, especially for those who

have opened themselves up to supernatural infestation. Despite the fact that the Warren's are Catholic by belief and practice, Ed says, I believe that any religion which teaches the love of our fellow man and the love of God is based on a sound foundation. Because I was brought up as a Catholic, I tend to use Catholic methods in my work. If I were in one of the deepest jungles of the world where so-called primitive witch doctors of a good nature were present, I would not hesitate for a moment to ask for their help in exorcism rites. The case studies chronicled in this book are a kind of universality of evil spirits, how they operate and what they do. In various stories the Warren's point out how spirits move from infestation, the first stage and the mildest state, to the more dangerous obsession and finally the last and worse stage, possession. The only difference between obsession and the last stage, possession, is one of degree. *Deliver Us From Evil* describes these experiences in an entirely no-holds-barred way. If you study these stories and these phenomena carefully, you find that one opens the door to infestation, obsession and possession by careless fixation on the occult, playing with the Ouija board, toying with Satanism or black magic. One archetypal connection is the Ouija Board. According to Ed Warren, This object, often regarded as a harmless toy, is the way that ordinary people are often lured into making a dangerous connection to the other world. In fact, of the fourteen cases discussed in this, five of them are initiated by contact with an Ouija Board. The Warrens have tenaciously pursued this phenomena for so many years and witnessed people that have been tragically affected by apparitions, ghost whisperings, brutal and unexplained explosions, strange footsteps in the night, uninvited incursions into the privacy of their bedrooms, including various physical attacks on their person, one can only say Ed and Lorraine Warren must be very brave people indeed. This book is not entirely about exorcism and many of these stories do not conclude with happy endings. It is more a book about the existence of these forces and how these supernatural events follow a certain pattern. To sum up the point of *Deliver Us From Evil*, it would probably be to teach you of the reality of paranormal or supernatural forces rather than to cite an easy route to deliverance. The title of this book is a phrase taken from the Lord's Prayer - Lead us not unto temptation, but Deliver Us From Evil.

ed and lorraine cases: The Devil in Connecticut Gerald Brittle, Ed Warren, Lorraine Warren, 2021-06-22 The true story that is the basis for *The Conjuring 3: The Devil Made Me Do It* opening in theaters June 4, 2021. It began with the lust of demons and the corruption of a young boy named David Glatzel. It ended with a murder trial that made headlines across the country--the trial of Arne Cheyenne Johnson, accused of brutally knifing a friend to death. Johnson's defense startled the nation: not guilty, by reason of demonic possession. Here is the horrifying true story of what happened on terrible summer in the sleepy town of Brookfield, Connecticut. How the Glatzels, an average suburban family, came under a terrifying demonic attack that changed their lives. How their eleven-year-old son, David, suffered monstrous visitations by an entity he could only identify as the Beast. How a close friend, Arne Cheyenne Johnson, became the tragic victim of forces beyond anyone's control...and how the Glatzels' ordeal has still not ended.

ed and lorraine cases: The Devil in Connecticut Gerald Brittle, 2021-06-02 From the terrifying case file that inspired the film *The Conjuring: The Devil Made Me Do It*. From this New York Times bestselling author comes a shocking case of demonic possession, exorcism, and murder starring the legendary demonologists Ed and Lorraine Warren, who battled the Amityville Horror and whose real-life case files inspired *The Conjuring Universe*, which includes *The Conjuring*, *Annabelle*, and *The Nun* films. It was one of the most sensational murder trials of the 1980s. When Arne Cheyenne Johnson stabbed an acquaintance to death with a five-inch folding knife, Johnson presented one of the most shocking legal defenses in history: not guilty by virtue of demonic possession. As the press put it, "the Devil made me do it." Johnson's shocking story began months earlier, when his girlfriend's eleven-year-old brother, David, encountered a spectral figure looming at the foot of the bed and then started showing telltale signs of demonic possession. David suddenly spoke in Latin, levitated, and suffered beatings at the hands of an invisible demon. After a team of Catholic priests failed to drive the demon out, the case was taken up by Ed and Lorraine Warren. The Warrens had fought demons across the globe, but the Connecticut Devil would be one of their greatest

challenges, and perhaps their most deadly. Now includes an 8-page photo insert documenting the possession with images from the Glatzel family and the Ed and Lorraine Warren collection.

ed and lorraine cases: House of Darkness House of Light Andrea Perron, 2014-08-11 Roger and Carolyn Perron purchased the home of their dreams and eventual nightmares in December of 1970. The Arnold Estate, located just beyond the village of Harrisville, Rhode Island seemed the idyllic setting in which to raise a family. The couple unwittingly moved their five young daughters into the ancient and mysterious farmhouse. Secrets were kept and then revealed within a space shared by mortal and immortal alike. Time suddenly became irrelevant; fractured by spirits making their presence known then dispersing into the ether. The house is a portal to the past and a passage to the future. This is a sacred story of spiritual enlightenment, told some thirty years hence. The family is now somewhat less reticent to divulge a closely-guarded experience. Their odyssey is chronicled by the eldest sibling and is an unabridged account of a supernatural excursion. Ed and Lorraine Warren investigated this haunting in a futile attempt to intervene on their behalf. They consider the Perron family saga to be one of the most compelling and significant of a famously ghost-storied career as paranormal researchers. During a seance gone horribly wrong, they unleashed an unholy hostess; the spirit called Bathsheba; a God-forsaken soul. Perceiving herself to be the mistress of the house, she did not appreciate the competition. Carolyn had long been under siege; overt threats issued in the form of fire a mother's greatest fear. It transformed the woman in unimaginable ways. After nearly a decade the family left a once beloved home behind though it will never leave them, as each remains haunted by a memory. This tale is an inspiring testament to the resilience of the human spirit on a pathway of discovery: an eternal journey for the living and the dead.

ed and lorraine cases: The Haunted Ed Warren, Robert Curran, Lorraine Warren, Jack Smurl, Janet Smurl, 2014-12-02 For over five decades Ed and Lorraine Warren have been known as the world's most renowned paranormal investigators. Lorraine is a gifted clairvoyant, while Ed is the only non-ordained demonologist recognized by the Catholic Church. Together they have investigated thousands of hauntings in their career.

ed and lorraine cases: The Amityville Horror Conspiracy Stephen Kaplan, Roxanne Salch Kaplan, 1995 Was it horror or was it hoax? For years, the question went unanswered while everyone who ever glanced at the tabloids in a supermarket knew about the Amityville Horror -- a house haunted by the remembered evil of mass murder. For 20 years, parapsychologist Stephen Kaplan and his wife Roxanne investigated the phenomenon, keeping a detailed diary of everything that happened. This book is the result of that diary.

ed and lorraine cases: The Haunted House Diaries William J. Hall, 2015-08-17 A paranormal investigator explores a haunted Connecticut farmhouse—with the diaries of a resident detailing decades of unexplained phenomena. Nestled deep in Litchfield Hills, Connecticut, a 1790 farmhouse overlooks the epicenter of a paranormal crossroads. The family that resides there regularly encounters its own ancestors, as well as strangers - human and nonhuman - who seemingly occupy the same physical space in parallel worlds. When ghost hunters Ed and Lorraine Warren investigated, they dubbed it Ghost Central. When William J. Hall visited the house, family member Donna Fillie showed him her journal of the paranormal activity she's experienced there over the years. Here is Donna's diary spanning five decades of uncanny occurrences, supplemented with background information provided by Hall. It tells of notes from old friends who insist they didn't deliver them; a grandson playing with an invisible - but very real - friend; and Donna awakening to phenomena at precisely 12:42 a.m. - an eerie correspondence to her house number, 1242. This compelling work includes many other kinds of inexplicable incidents that frequently occur in this otherwise normal area of Connecticut, which some believe is also the site of a secret military base.

ed and lorraine cases: Conversations with Ed and Lorraine Warren T. Sealyham, 2012 Demonologists Ed and Lorraine Warren, the original ghost hunters, sit down with fellow demonologist Tony Spera to discuss their most famous cases. Ed Warren began his ghost-hunting career at a young age because he lived in a real haunted house and witnessed paranormal activities

firsthand. Clairvoyant and light medium Lorraine Warren discovered her psychic abilities such as reading aura, hearing spirits, detecting evil presences and/or preternatural entities with more and more exposure to the supernatural world. Lorraine appears on A&E's Paranormal State TV series. The one thing Lorraine has learned, there are no atheists in a true haunted house. The Amityville Horror, a true story, is the Warrens' most famous haunting investigation. The house at 112 Ocean Avenue in Amityville, Long Island, New York, is the subject of international newspaper articles, thousands of websites, over a dozen books and at least ten films. The alleged diabolic possession of Ronald DeFeo, Jr. and the Amityville murders by an evil presence is an ongoing debate. Were there ghosts, spirits and other invading psychic entities in the house? George and Kathy Lutz claimed they fled the house from an invading entity or entities. Was it a hoax? What happened to the Amityville Horror house? The Warrens tell all. Allen and Carmen Snedeker experienced the real horror of living in a possessed house in Southington, Connecticut, when they unknowingly moved into a haunted funeral home infested with paranormal activity. Only an exorcism sanctioned by the Catholic Church brought peace to the house. The Snedekers' story was made into a horror movie titled The Haunting in Connecticut and summoned more media attention the second time around than the first. Ed referred to the Jack and Janet Smurl family as the chosen ones. The chosen is a person or persons God chose to prove to the world he is more powerful than any demon or devil. A book and TV movie titled The Haunted was made about this case. Ed describes methods used to provoke the spirits in the house and how they responded. Lorraine and Ed were in a friend's home when Ed noticed a Werewolf in London movie on television. This werewolf film was featured on the TV show Sightings and real London police officers were talking about being attacked by a real werewolf with real werewolf characteristics including hands, eyes and teeth. The Warrens knew about the werewolf myth, folklore and werewolf syndrome. They knew the many names associated with the werewolf mythology such as lycanthropy, lycanthrope and lycan. Ed explains how Lorraine got him involved in this case, why Bill Ramsey turned into a werewolf and what happened during Bill's exorcism. The Brookfield Demon murder trial is the first known court case in the United States alleging innocence due to demonic possession. The Warrens alleged David Glatzel, a boy at the time, was possessed by many devils. When Arne Cheyenne Johnson challenged the devil to possess him the devil took him up on his offer. Ed Warren shares why he thinks the courts were wrong not to allow the devil in Connecticut made me do it defense. Taking psychic photographs comes naturally to some people but others need a little guidance. Lorraine and Ed discuss the art of psychic photography and how to get psychic images with any camera. Ed shares a story about a psychic photo of a couple whose love survived beyond the grave. The conversations with the Ed and Lorraine are not limited to famous cases. They share stories about the mysterious places they have visited such as Borley Rectory, Cross Keys Hotel and Pub, Stonehenge, Whitby Abbey, the Fairy Glenn, haunted castles, the grave of Merlin the Wizard, Loch Ness, Transylvania and St. Joseph's Oratory. They also share stories of miraculous miracles and discuss human vampires and sorcerers.

ed and lorraine cases: The World's Most Haunted House William J. Hall, 2014 In this unprecedented work, the story of the 1974 Bridgeport, Connecticut poltergeist is at last revealed. A crowd of more than 2,000 onlookers gathered. National media reported jumping furniture, floating refrigerators, and attacking entities. Decades after the publicity quieted, more than 40 hours of never-before-released interviews with police officers, firefighters, and others tell the story as it actually unfolded: Relive the experience, the terror, the rampant emotions, and the unexplainable events that took place in that house as they happened. Have access to revealing excerpts from actual interviews, police reports, and rare documents. Access unreleased audio, poltergeist sounds, and an old radio broadcast. Return to 1974 and feel the Lindley Street experience from the inside. Find out why it is deemed the haunting that should have brought the paranormal into mainstream science.

ed and lorraine cases: Deliver Us from Evil - Paperback J. F. Sawyer, 2009-02 It was some time ago that audiences were first treated to the spectacular claims of Ed and Lorraine Warren. Ed and Lorraine paint a somber, supernatural landscape for the reader who is able to stomach a voyage into a world of supernatural evil. Ed Warren (September 7, 1926 - August 23, 2006) was a noted

demonologist, exorcist, author, lecturer and artist. Lorraine Warren is a clairvoyant medium. Together they are perhaps the earliest of the original ghost hunters, fifty-five years experience. Ed Warren's interest in the ghosts was jump started early. This was not too surprising because Ed was brought up in a haunted house. Lorraine also had her share of supernatural events as a child. Ed and Lorraine used their income as artists to fund their trips to haunted houses. During their visits, they kept careful records and when possible, recording of events and the way they helped those who had been unfortunate to meet up with ghosts, curses, black magic and unpleasant activities.

ed and lorraine cases: Ghost Hunters Ed Warren, Lorraine Warren, Robert David Chase, 1990-01 These true stories are collected from the casebook of demonologists Ed and Lorraine Warren. Lorraine's psychic powers have helped solve tragic murders as well as hauntings and cases of possession.

ed and lorraine cases: Unwelcomed Deborah Moffitt, 2015-09-12 For over six years the Moffitt family was terrorized by a demon from the past. Claiming that Lee Moffitt was promised to him as a sacrifice hundreds of years ago, the entity had come to collect her. There were no safe havens. There was no where to run. The Moffitt family had only one option: survive. With over 100 photographs taking this time, Unwelcomed provides a factual account and pictorial study of the Moffitt family's true paranormal experiences.

ed and lorraine cases: The Catholic Thing Robert Royal, 2013 The Catholic thing - the concrete historical reality of Catholicism as a presence in human history - is the richest cultural tradition in the world. It values both faith and reason, and therefore has a great deal to say about politics and economics, war and peace, manners and morals, children and families, careers and vocations, and many other perennial and contemporary questions. In addition, it has inspired some of the greatest art, music, and architecture, while offering unparalleled human solidarity to tens of millions through hospitals, soup kitchens, schools, universities, and relief services. This volume brings together some of the very best commentary on a wide range of recent events and controversies by some of the very best Catholic writers in the English language: Ralph McInerny, Michael Novak, Fr. James V. Schall, Hadley Arkes, Robert Royal, Anthony Esolen, Brad Miner, George Marlin, David Warren, Austin Ruse, Francis Beckwith, and many others. Their contributions cover large Catholic subjects such as philosophy and theology, liturgy and Church dogma, postmodern culture, the Church and modern politics, literature, and music. But they also look into specific contemporary problems such as religious liberty, the role of Catholic officials in public life, growing moral hazards in bio-medical advances, and such like. The Catholic Thing is a virtual encyclopedia of Catholic thought about modern life.

ed and lorraine cases: True Hauntings Hazel M. Denning, 1996 Do spirits feel & think? Does death automatically promote them to a paradise-or as some believe, a hell?

ed and lorraine cases: The Exorcist William Peter Blatty, 2010-01-26 Father Damien Karras: 'Where is Regan?' Regan MacNeil: 'In here. With us.' The terror begins unobtrusively. Noises in the attic. In the child's room, an odd smell, the displacement of furniture, an icy chill. At first, easy explanations are offered. Then frightening changes begin to appear in eleven-year-old Regan. Medical tests fail to shed any light on her symptoms, but it is as if a different personality has invaded her body. Father Damien Karras, a Jesuit priest, is called in. Is it possible that a demonic presence has possessed the child? Exorcism seems to be the only answer... First published in 1971, The Exorcist became a literary phenomenon and inspired one of the most shocking films ever made. This edition, polished and expanded by the author, includes new dialogue, a new character and a chilling new extended scene, provides an unforgettable reading experience that has lost none of its power to shock and continues to thrill and terrify new readers.

ed and lorraine cases: Dark Siege Jason McLeod, 2012-11-01 You never know what can be lurking in the cemeteries you casually drive by. Such was the case in the Fall of 1993, when Linda McLaughlin and her innocent six-year-old daughter Kelly passed by Easton Connecticut's Union Cemetery. Kelly didn't even know such spirits existed when an apparition materialized and tapped into her consciousness. Nothing could have prepared her for the suffocating terror that she would

soon experience when it followed her home. The merciless spirit didn't stop with Kelly. It targeted each and every family member and their friends when they were alone and when they were most vulnerable. Then it targeted the alpha of the family, the wealthy, Real Estate Broker father, who was a natural skeptic and the last person to believe in ghosts. In this tale of real haunting phenomena, a Connecticut Family is plagued by evil spirits who infest their home. Will they ever get their lives back? Will these evil spirits continue to haunt them or will the family find help in ridding them of this terror from beyond the grave? This book explains in detail the process of investigating a 'haunted house' and what can be done about it. It explains the dangers involved with the negative occult and how dabbling in it can summon darkness and ruin into our lives which could last forever despite our every attempt to stop it.

ed and lorraine cases: *The Shadow Man* Stephen Gresham, 2016-04-06 BEWARE THE SHADOW MAN Joey felt a chill as he stared at the luminous green dots on the screen of his *Computer*Assisted*Playmate. What did CAP know about The Shadow Man? Joey's dad said there was nothing to be scared of because The Shadow Man wasn't real. But CAP, Joey's best friend in the world, would never lie to him. Or let anything bad happen to him. But even CAP can't help Joey when The Shadow Man comes to visit him. The Shadow Man can hide anywhere. Under the bed. In the closet. Behind the mirror. The Shadow Man can even make Joey do things a little boy should never do. Especially when it hides in the sophisticated circuitry of the one thing Joey trusts most ...

ed and lorraine cases: *Dead Blondes and Bad Mothers* Sady Doyle, 2019-08-13 Kirkus Reviews Best Book of the Year This "witty, engaging analysis" of female monsters in pop culture offers "provocative and incisive" commentary on society's fear of female rage and power (Soraya Chemaly, author of *Rage Becomes Her*) Women have always been seen as monsters. Men from Aristotle to Freud have insisted that women are freakish creatures, capable of immense destruction. Maybe they are. And maybe that's a good thing. Sady Doyle, hailed as "smart, funny and fearless" by the Boston Globe, takes readers on a tour of the female dark side, from the biblical Lilith to Dracula's Lucy Westenra, from the T-Rex in Jurassic Park to the teen witches of The Craft. She illuminates the women who have shaped our nightmares: Serial killer Ed Gein's "domineering" mother Augusta; exorcism casualty Anneliese Michel, who starved herself to death to quell her demons; author Mary Shelley, who dreamed her dead child back to life. These monsters embody patriarchal fear of women, and illustrate the violence with which men enforce traditionally feminine roles. They also speak to the primal threat of a woman who takes back her power. In a dark and dangerous world, *Dead Blondes and Bad Mothers* asks women to look to monsters for the ferocity we all need to survive. "Some people take a scalpel to the heart of media culture; Sady Doyle brings a bone saw, a melon baller, and a machete." —Andi Zeisler, author of *We Were Feminists Once*

ed and lorraine cases: *The Encyclopedia of Demons and Demonology* Rosemary Guiley, 2009 Explores this dark aspect of folklore and religion and the role that demons play in the modern world. Includes numerous entries documenting beliefs about demons and demonology from ancient history to the present.

ed and lorraine cases: *Save the Cat!* Blake Snyder, 2005 This ultimate insider's guide reveals the secrets that none dare admit, told by a show biz veteran who's proven that you can sell your

script if you can save the cat!

ed and lorraine cases: Hostage to the Devil Malachi Martin, 2000

ed and lorraine cases: The Pioneer Woman Cooks Ree Drummond, 2010-06-01 Paula Deen meets Erma Bombeck in *The Pioneer Woman Cooks*, Ree Drummond's spirited, homespun cookbook. Drummond colorfully traces her transition from city life to ranch wife through recipes, photos, and pithy commentary based on her popular, award-winning blog, *Confessions of a Pioneer Woman*, and whips up delicious, satisfying meals for cowboys and cowgirls alike made from simple, widely available ingredients. *The Pioneer Woman Cooks*—and with these “Recipes from an Accidental Country Girl,” she pleases the palate and tickles the funny bone at the same time.

ed and lorraine cases: True Ghost Stories Zachery Knowles, 2017-03-18 Looking for a Scare? Then Read These 13 Spine-chilling Stories Within these pages, you will find eyewitness stories unlike anything you've read before. You will experience the terror, the helplessness, the loss of control, and the torment felt by those who have fallen prey to the dark powers in this world—the demon possessed. The symptoms of demonic possessions manifest themselves in many ways—convulsions, bite marks appearing from nothing, and levitation are all common. The victims frequently inherit clairvoyant abilities, too, seeing directly into another person's soul to uncover their deepest, darkest secrets. Perhaps most incredibly of all, though, the possessed may begin speaking in a language they've never previously been exposed to. These are symptoms it's almost impossible to explain or dismiss. This chilling collection of stories date from modern times all the way back to the 1600s, spanning multiple countries including the United States, Great Britain, the Philippines, France, and South Africa. From the poor to the middle-class, the prostitute to the housewife, and the schoolboy to the local butcher, you will learn demons do not discriminate between class, gender, or age—it can happen to anyone. Most of the time, the demon possesses one individual, but not always. In this book, you will find the case of two brothers possessed simultaneously and interacting with each other in the throes of their possession as well as an instance in which an entire school of children seem to suffer at the hands of a demonic entity. Some of these horror stories arose from poor judgment, such as a pact with the devil or seeking the help of an ill-reputed healer. Others succumbed to a curse, while some are unfortunate enough to simply find themselves in the wrong place at the wrong time. Some of the victims of these stories were delivered, but found their lives cut dramatically short, no doubt due to the physical torments their human bodies endured during the possession and exorcism. Others faced prison, or found themselves locked up in asylums because of actions committed while they were under an evil influence. Yet, there are still those whom were unable to be delivered, one in particular even leading to a gruesome, haunting murder. It seems there are no happy endings when demons become involved. So let me ask you: do you believe in demons? *True Demonic Possessions and Exorcisms* is guaranteed to befuddle the skeptics and confirm to believers that demons are not to be messed with. Whichever side of the fence you sit, one thing is for sure: this collection of true stories of demonic possession is guaranteed to be a hair-raising experience. Ready to scare yourself senseless? Scroll to the top of the page and hit buy!

ed and lorraine cases: Murder in Amityville Hans Holzer, 1982-06-01

ed and lorraine cases: Approaches to Teaching Chaucer's Canterbury Tales Peter W. Travis, Frank Grady, 2014-01-01 Chaucer's *Canterbury Tales* was the subject of the first volume in the *Approaches to Teaching* series, published in 1980. But in the past thirty years, Chaucer scholarship has evolved dramatically, teaching styles have changed, and new technologies have created extraordinary opportunities for studying Chaucer. This second edition of *Approaches to Teaching Chaucer's Canterbury Tales* reflects the wide variety of contexts in which students encounter the poem and the diversity of perspectives and methods instructors bring to it. Perennial topics such as class, medieval marriage, genre, and tale order rub shoulders with considerations of violence, postcoloniality, masculinities, race, and food in the tales. The first section, Materials, reviews available editions, scholarship, and audiovisual and electronic resources for studying *The Canterbury Tales*. In the second section, *Approaches*, thirty-six essays discuss strategies for teaching

Chaucer's language, for introducing theory in the classroom, for focusing on individual tales, and for using digital resources in the classroom. The multiplicity of approaches reflects the richness of Chaucer's work and the continuing excitement of each new generation's encounter with it.

ed and lorraine cases: *The Night the DeFeos Died* Ric Osuna, 2002

ed and lorraine cases: Mysterious America Loren Coleman, 2007-04-24 Bestselling author and noted cryptozoologist Loren Coleman set out on the ultimate mission: to uncover the fun and intriguing phenomena that exist right here in the United States.
