Understanding Free i Ready Games

Free i ready games are digital learning activities designed to reinforce academic concepts for students from elementary to middle school. These games cover core subjects such as math, reading, and language arts, offering engaging, interactive experiences. Unlike paid versions, free i ready games are accessible without subscription fees, making them an excellent resource for families and educators seeking cost-effective educational solutions. By blending fun gameplay with curriculum-aligned content, these games help students master foundational skills while enjoying the process.

The growing demand for free i ready games stems from their ability to personalize learning and provide instant feedback. Adaptive technology ensures that each game is tailored to the student's skill level, promoting growth and confidence. As more schools adopt digital platforms, free i ready games are becoming a staple for both classroom and at-home learning.

Types of Free i Ready Games Available

Math Games

Math-focused i ready games help students practice arithmetic, geometry, fractions, and problem-solving. These games use interactive puzzles, challenges, and story-driven activities to make math enjoyable and less intimidating. Key features include adaptive difficulty, visual aids, and real-time scoring.

- Addition and subtraction challenges
- Multiplication and division puzzles
- Geometry and spatial reasoning activities
- Fraction and decimal games

Reading and Literacy Games

Reading games in the i ready platform focus on comprehension, vocabulary development, fluency, and critical thinking. These games encourage students to engage with stories, answer questions, and learn new words in context. Many reading games incorporate audio support and interactive elements to aid diverse learners.

- Comprehension quizzes
- Vocabulary matching
- Story analysis activities
- Phonics and word-building games

Language Arts Games

Language arts i ready games strengthen grammar, sentence structure, and writing skills. Students can participate in activities such as sentence building, punctuation practice, and creative writing prompts. These games often include instant feedback and progress tracking to guide improvement.

- Grammar and punctuation games
- Sentence formation challenges

- Writing and editing exercises

Educational Benefits of Free i Ready Games

Improved Engagement and Motivation

Free i ready games increase student engagement by transforming learning into a playful, interactive experience. The gamified environment motivates students to participate, complete challenges, and strive for higher scores, leading to improved academic performance.

Personalized Learning Experience

Adaptive features in i ready games ensure that each student receives content suited to their skill level. This personalization helps address individual learning gaps, accelerates skill development, and builds confidence through achievable goals.

Instant Feedback and Progress Tracking

One of the major advantages of free i ready games is the provision of immediate feedback. Students can see their results, identify mistakes, and learn correct solutions in real-time. Teachers and parents also benefit from built-in progress tracking, making it easier to monitor growth and adjust strategies.

Reinforcement of Core Academic Skills

By aligning with curriculum standards, free i ready games reinforce essential concepts in math, reading, and language arts. Regular practice through games helps solidify knowledge, improve retention, and prepare students for assessments.

How to Access Free i Ready Games

School-Provided Access

Many schools offer access to i ready games as part of their digital learning platforms. Students receive unique login credentials and can use school devices or personal computers to play games during and after school hours.

Direct Online Platforms

Free i ready games are available on various educational websites and platforms that offer demo versions or sample activities. Some sites provide limited free access to a selection of games, allowing users to try before committing to a paid subscription.

Mobile and Tablet Apps

Certain i ready games are optimized for tablets and smartphones, offering flexibility for on-the-go learning. These apps often feature intuitive interfaces, touch controls, and offline play options, making them accessible for families without constant internet access.

Tips for Maximizing Learning with Free i Ready Games

Set Clear Learning Goals

Define specific objectives before using free i ready games. Focus on improving particular skills, such as multiplication or reading comprehension, to guide game selection and measure progress effectively.

Balance Game Time and Traditional Study

While free i ready games are valuable, they should complement—not replace—traditional study methods. Establish a balanced routine that incorporates both digital and offline activities to promote well-rounded learning.

Encourage Collaborative Play

Invite peers or family members to participate in multiplayer or group games. Collaborative play fosters teamwork, communication skills, and healthy competition, enhancing the overall learning experience.

Monitor Progress Regularly

Use built-in tracking features to review student achievements and identify areas for improvement. Adjust the choice of games or difficulty levels based on performance data to ensure continuous growth.

1. Review progress charts weekly
2. Discuss achievements and challenges
3. Change game settings as needed
4. Celebrate milestones

Safety and Responsible Use of Free i Ready Games

Protecting Student Privacy

When accessing free i ready games, prioritize platforms that safeguard student data and comply with educational privacy standards. Avoid sharing personal information on sites that lack secure protocols.

Managing Screen Time

Limit daily gameplay to recommended durations to prevent fatigue and maintain focus. Encourage regular breaks and integrate physical activities to support overall well-being.

Evaluating Game Content

Choose games aligned with age-appropriate content and learning objectives. Review new games before allowing access to ensure they meet educational standards and are free from distracting elements.

Ensuring Device Security

Install reputable security software on devices used for free i ready games. Regularly update apps and operating systems to minimize risks associated with malware or unauthorized access.

Frequently Asked Questions about Free i Ready Games

Q: What subjects do free i ready games cover?

A: Free i ready games typically focus on math, reading, and language arts. Some platforms may offer additional subjects depending on grade level and curriculum alignment.

Q: Are free i ready games suitable for all grade levels?

A: Most free i ready games are designed for elementary and middle school students, with activities tailored to various age groups and skill levels.

Q: How can I access free i ready games?

A: You can access free i ready games through school-provided platforms, educational websites offering demo versions, and select mobile apps available for tablets and smartphones.

Q: Do free i ready games require an internet connection?

A: While many free i ready games require internet access, some mobile apps offer offline capabilities for flexible learning.

Q: How do free i ready games support personalized learning?

A: Adaptive technology in i ready games customizes activities based on individual performance, ensuring each student receives targeted practice and feedback.

Q: Can teachers track student progress in free i ready games?

A: Yes, many free i ready games include progress tracking features that allow teachers and parents to monitor achievements and identify areas needing improvement.

Q: Are free i ready games safe for children?

A: When accessed through reputable platforms, free i ready games follow strict privacy guidelines and are safe for children. Always review game content and supervise usage.

Q: How much time should students spend on free i ready games?

A: Experts recommend limiting gameplay to 20-30 minutes per session, with regular breaks to prevent screen fatigue and maintain concentration.

Q: Do free i ready games help with standardized test preparation?

A: Free i ready games reinforce core concepts and skills, providing valuable practice that can support standardized test readiness.

Q: What devices are compatible with free i ready games?

A: Most free i ready games are accessible on computers, tablets, and smartphones. Check individual game requirements for compatibility details.

Free i-Ready Games: Unlock Your Child's Learning Potential Through Play

Are you looking for engaging ways to supplement your child's learning outside the classroom? Tired of the endless struggle to get them to practice essential skills? Then you're in the right place! This comprehensive guide dives deep into the world of free i-Ready games, exploring accessible resources, effective learning strategies, and tips to maximize your child's learning journey. We'll uncover the best ways to leverage these games to boost their academic performance and foster a love for learning.

Understanding the Power of i-Ready Games

i-Ready is a comprehensive assessment and learning platform used in many schools. While the full program often requires a school subscription, a surprising number of supplementary resources and engaging activities can be accessed for free. These free i-Ready games are designed to reinforce crucial skills in reading and math, catering to different grade levels and learning styles. By incorporating play, these games make learning more enjoyable and effective, turning tedious practice into an exciting adventure.

Finding Free i-Ready Game Resources:

Locating truly free i-Ready games requires a bit of digging, as many resources are integrated into the paid platform. However, several avenues can yield excellent results:

1. i-Ready's Official Website:

While the core program is subscription-based, the official i-Ready website often features free sample lessons and activities. Look for sections labeled "free resources," "sample activities," or "demo versions." These can offer a valuable glimpse into the platform's capabilities and provide a taste of the engaging content.

2. Third-Party Educational Websites:

Many reputable educational websites offer free online games that align with i-Ready's curriculum goals. Search for sites specializing in reading and math games for your child's grade level. Look for games focusing on skills like phonics, vocabulary, addition, subtraction, multiplication, and division. Pay attention to reviews to ensure quality and alignment with educational standards.

3. YouTube Educational Channels:

Several educational YouTube channels create videos and interactive content that complement i-Ready's learning objectives. Search for channels focusing on specific skills your child needs to improve. However, always supervise your child's YouTube usage to ensure they are only accessing age-appropriate and educational content.

Maximizing the Benefits of Free i-Ready Games:

To truly maximize the impact of free i-Ready games, consider these strategies:

1. Targeted Skill Practice:

Identify your child's specific areas of weakness using their i-Ready diagnostic reports (if available). Then, focus on finding free games that directly address those areas. This targeted approach will yield the most significant improvement.

2. Make it a Routine:

Incorporate these games into your child's weekly routine. Even short, regular sessions are more effective than infrequent, long sessions. Consistency is key to skill development.

3. Positive Reinforcement:

Praise and encourage your child's efforts and progress. Celebrate their successes, no matter how small. Positive reinforcement creates a positive learning environment and motivates them to continue.

4. Monitor Progress:

Track your child's performance in the games. This helps you understand what's working, what needs adjustment, and whether the games are effectively addressing their learning needs. You can even create a simple chart to visually track their progress.

5. Turn it into a Family Affair:

Make learning fun by participating in the games with your child. This creates a bonding experience and models a positive attitude toward learning.

Beyond the Games: Supporting Your Child's Learning Journey

While free i-Ready games are a valuable tool, they are just one piece of the puzzle. Supplement these games with other activities like reading together, engaging in hands-on projects, and providing a supportive learning environment at home. Remember, learning is a holistic process that requires a multi-faceted approach.

Conclusion:

Finding free i-Ready games requires a little effort, but the rewards are immense. By utilizing available online resources and incorporating effective learning strategies, you can significantly enhance your child's educational experience and foster a genuine love for learning. Remember to focus on targeted practice, maintain consistency, and celebrate successes to create a positive and productive learning environment.

FAQs:

1. Are all free online games aligned with i-Ready's curriculum? Not necessarily. Carefully review the content to ensure alignment with your child's grade level and learning objectives.
2. How can I track my child's progress using free i-Ready games? Many games offer built-in tracking features. You can also create a simple chart or spreadsheet to manually track progress.

3. What if my child gets frustrated with the games? Take a break, try a different game, or adjust the difficulty level. The goal is to make learning fun and engaging.
4. Are there free i-Ready apps available? While there's no official free i-Ready app, several third-party educational apps offer similar content.
5. Can I use free i-Ready games to prepare my child for standardized tests? While not a direct substitute for comprehensive test preparation, these games can help build foundational skills crucial for success on standardized tests.

free i ready games: Math 3rd Grade Michele D. Van Leeuwen, R. B. Snow, Rainbow Bridge Publishing Staff, Isabelle McCoy, Leland Graham, 2004-12-17 Promote skills such as place value and numeration; addition, subtraction, multiplication, and division; word problems; life skills; graphing; geometry; exponents; introductory algebra; fractions; decimals; and percents. free i ready games: If You Love This Game ... Andre Dawson, 2012-05 Reflecting on his accomplishments, his colleagues, and the future of baseball, Andre Dawson tells the story of his four-decade career as a player and executive in this intimate memoir. Seriously injured at a young age, Dawson struggled with chronic pain throughout his career and was only seriously scouted by the Montreal Expos during college. Overcoming these odds, he went on to be named the National League Rookie of the Year in 1977, earn eight All-Star appearances, seven Gold Gloves, and a Most Valuable Player Award. This behind-the-scenes look at a dedicated player's journey from a segregated Miami neighborhood to the fabled halls of Cooperstown offers fans a window into the psyche of a fan favorite.

free i ready games: Head Games Nicole Leigh Shepherd, 2011-01-06 Taylor is calm, cool, collected, and ferocious on the basketball court. A total all-star. Not so much in real life. She may be tall, gorgeous, and an incredible catch, but just try telling her that! And lately, Taylor doesn't know which way to turn: The summer showcase game is almost here. Her BFF Hannah roped her into a fashion show (eek!). And she can't decide between Zach—the super-popular, super-tall, super-off-limits basketball dynamo—and Matt—the sweet boy from her math class (who may just be dating her BFF's older sister). It's enough to make any girl's head spin! Can Taylor strike a pose, land the boy of her dreams, and win the game?

free i ready games: The Minds Behind Adventure Games Patrick Hickey, Jr., 2020-01-03 Featuring interviews with the creators of 31 popular video games—including Grand Theft Auto, Strider, Maximum Carnage and Pitfall—this book gives a behind-the-scenes look at the origins of some of the most enjoyable and iconic adventure games of all time. Interviewees recount the endless hours of painstaking development, the challenges of working with mega-publishers, the growth of the adventure genre, and reveal the creative processes that produced some of the industry's biggest hits, cult classics and indie successes.

free i ready games: These Deadly Games Diana Urban, 2022-02-01 A propulsive mystery with high stakes and devious, masterful twists that will leave you guessing until the very last page. Diana Urban's latest had my jaw on the floor. —Jessica Goodman, bestselling author of *They Wish They Were Us* Let's play a game. You have 24 hours to win. If you break my rules, she dies. If you call the police, she dies. If you tell your parents or anyone else, she dies. Are you ready? When Crystal Donovan gets a message on a mysterious app with a picture of her little sister gagged and bound, she agrees to play the kidnapper's game. At first, they make her complete bizarre tasks: steal a test and stuff it in a locker, bake brownies, make a prank call. But then Crystal realizes that each task is meant to hurt—and kill—her friends, one by one. But if she refuses to play, the kidnapper will kill her sister. Is someone trying to take her team out of the running for a gaming tournament? Or have they uncovered a secret from their past, and wants them to pay for what they did... Author of *All Your Twisted Secrets*, Diana Urban's explosive sophomore novel, *These Deadly Games*, is a must-read, propulsive YA thriller with deadly stakes, stunning twists, and a shocking ending you'll never forget—perfect for fans of *I Know What You Did Last Summer* and *One of Us Is Lying*.

free i ready games: Billboard, 1944-06-17 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing

platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

free i ready games: *Apocalypse the Battlefield* Miranda Martin, 2020-01-24 A bond that ties the strings of fate into a thread stronger than steel... We lost her. We failed. Betrayed by one of our own. The world already ended once, but none of us were prepared for what happened. We have to carry on, somehow, because even though we lost, the fate of the world still hangs in the balance. This is it. The final battle, our last showdown with the Shadow and everything is on the line. Including our lives and the souls of everyone on Earth. Yet in this, our darkest hour, hope exists. Her bond with the Twelve. We go to battle and win or lose, we'll do it together. *Apocalypse: The Battlefield* is a fantasy romance with magic, dragons, demons, angels and one headstrong heroine who has to not only save the world but navigate her way through multiple relationships. In is the conclusion to the Power of Twelve series.

free i ready games: *Reality Is Broken* Jane McGonigal, 2011-01-20 "McGonigal is a clear, methodical writer, and her ideas are well argued. Assertions are backed by countless psychological studies." —The Boston Globe "Powerful and provocative . . . McGonigal makes a persuasive case that games have a lot to teach us about how to make our lives, and the world, better." —San Jose Mercury News "Jane McGonigal's insights have the elegant, compact, deadly simplicity of plutonium, and the same explosive force." —Cory Doctorow, author of *Little Brother* A visionary game designer reveals how we can harness the power of games to boost global happiness. With 174 million gamers in the United States alone, we now live in a world where every generation will be a gamer generation. But why, Jane McGonigal asks, should games be used for escapist entertainment alone? In this groundbreaking book, she shows how we can leverage the power of games to fix what is wrong with the real world—from social problems like depression and obesity to global issues like poverty and climate change—and introduces us to cutting-edge games that are already changing the business, education, and nonprofit worlds. Written for gamers and non-gamers alike, *Reality Is Broken* shows that the future will belong to those who can understand, design, and play games. Jane McGonigal is also the author of *SuperBetter: A Revolutionary Approach to Getting Stronger, Happier, Braver and More Resilient*.

free i ready games: *Billboard* , 1950-06-24 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. free i ready games: *Math Fact Fluency* Jennifer Bay-Williams, Gina Kling, 2019-01-14 This approach to teaching basic math facts, grounded in years of research, will transform students'

learning of basic facts and help them become more confident, adept, and successful at math. Mastering the basic facts for addition, subtraction, multiplication, and division is an essential goal for all students. Most educators also agree that success at higher levels of math hinges on this fundamental skill. But what's the best way to get there? Are flash cards, drills, and timed tests the answer? If so, then why do students go into the upper elementary grades (and beyond) still counting on their fingers or experiencing math anxiety? What does research say about teaching basic math facts so they will stick? In *Math Fact Fluency*, experts Jennifer Bay-Williams and Gina Kling provide the answers to these questions—and so much more. This book offers everything a teacher needs to teach, assess, and communicate with parents about basic math fact instruction, including The five fundamentals of fact fluency, which provide a research-based framework for effective instruction in the basic facts. Strategies students can use to find facts that are not yet committed to memory. More than 40 easy-to-make, easy-to-use games that provide engaging fact practice. More than 20 assessment tools that provide useful data on fact fluency and mastery. Suggestions and strategies for collaborating with families to help their children master the basic math facts. *Math Fact Fluency* is an indispensable guide for any educator who needs to teach basic math facts.

free i ready games: Billboard , 1942-06-06 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. free i ready games: Learn Like a Pro Barbara Oakley PhD, Olav Schewe, 2021-06-01 A book for learners of all ages containing the best and most updated advice on learning from neuroscience and cognitive psychology. Do you spend too much time learning with disappointing results? Do you find it difficult to remember what you read? Do you put off studying because it's boring and you're easily distracted? This book is for you. Dr. Barbara Oakley and Olav Schewe have both struggled in the past with their learning. But they have found techniques to help them master any material. Building on insights from neuroscience and cognitive psychology, they give you a crash course to improve your ability to learn, no matter what the subject is. Through their decades of writing, teaching, and research on learning, the authors have developed deep connections with experts from a vast array of disciplines. And it's all honed with feedback from thousands of students who have themselves gone through the trenches of learning. Successful learners gradually add tools and techniques to their mental toolbox, and they think critically about their learning to determine when and how to best use their mental tools. That allows these learners to make the best use of their brains, whether those brains seem "naturally" geared toward learning or not. This book will teach you how you can do the same.

free i ready games: Board Game Family Ellie Dix, 2019-07-19 A roadmap to integrating board gaming into family life, filled with inspiring ways to engage even the trickiest of teenagers and manage game nights with flair. In *The Board Game Family: Reclaim your children from the screen*, Ellie Dix offers a roadmap to integrating board gaming into family life and presents inspiring ways to engage even the trickiest of teenagers and manage game nights with flair. Many parents feel as if

they are competing with screens for their children's attention. As their kids get older, they become more distant leading parents to worry about the quality of the already limited time they share. They yearn for tech-free time in which to reconnect, but don't know how to shift the balance. In *The Board Game Family*, teacher and educationalist Ellie Dix aims to help fellow parents by inviting them and their families into the unplugged and irresistible world of board games. The benefits of board gaming are far-reaching: playing games develops interpersonal skills, boosts confidence, improves memory formation and cognitive ability, and refines problem-solving and decision-making skills. With these rewards in mind, Ellie shares a wealth of top tips and stealthy strategies that parents can draw upon to unleash the potential of those dusty game boxes at the back of the cupboard and become teachers of outstanding gamesmanship equipped to navigate the unfolding drama of competition, thwart the common causes of arguments and bind together a happier, more socially cohesive family unit. The book contains useful tips on the practicalities of getting started and offers valuable guidance on how parents can build a consensus with their children around establishing a set of house rules that ensure fair play. Ellie also eloquently explains the 'metagame' and the key elements of gamification (the application of game-playing principles to everyday life), and describes how a healthy culture of competition and good gamesmanship can strengthen relationships. Furthermore, Ellie draws upon her vast knowledge to talk readers through the different types of board games available for example, time-bound or narrative-based games so that they can identify those that they feel would best suit their family's tastes. The book complements these insights with a comprehensive appendix of 100+ game descriptions, where each entry includes a brief overview of the game and provides key information about game length, player count and its mechanics. Ideal for all parents of 8 to 18-year-olds who want to breathe new life into their family time.

free i ready games: *Boys' Life* , 1969-09 Boys' Life is the official youth magazine for the Boy Scouts of America. Published since 1911, it contains a proven mix of news, nature, sports, history, fiction, science, comics, and Scouting.

free i ready games: *The Infinite Game* Simon Sinek, 2019-10-15 The New York Times-bestselling author of *Start With Why*, *Leaders Eat Last*, and *Together Is Better* offers a bold new approach to business strategy by asking one question: are you playing the finite game or the infinite game? In *The Infinite Game*, Sinek applies game theory to explore how great businesses achieve long-lasting success. He finds that building long-term value and healthy, enduring growth - that playing the infinite game - is the only thing that matters to your business.

free i ready games: *What Video Games Have to Teach Us About Learning and Literacy. Second Edition* James Paul Gee, 2014-12-02 Cognitive Development in a Digital Age James Paul Gee begins his classic book with I want to talk about video games-yes, even violent video games-and say some positive things about them. With this simple but explosive statement, one of America's most well-respected educators looks seriously at the good that can come from playing video games. This revised edition expands beyond mere gaming, introducing readers to fresh perspectives based on games like *World of Warcraft* and *Half-Life 2*. It delves deeper into cognitive development, discussing how video games can shape our understanding of the world. An undisputed must-read for those interested in the intersection of education, technology, and pop culture, *What Video Games Have to Teach Us About Learning and Literacy* challenges traditional norms, examines the

educational potential of video games, and opens up a discussion on the far-reaching impacts of this ubiquitous aspect of modern life.

free i ready games: The Inner Game of Tennis W Timothy Gallwey, 2014-12-15 The timeless million-copy phenomenon that provides not only the key to peak performance in tennis, but the secrets to success in life itself 'Groundbreaking . . . I still give it to friends today' - Bill Gates Described by Billie Jean King as her 'tennis bible', Timothy Gallwey's international bestseller has been essential reading for players of all abilities since it was first published in 1974. Instead of concentrating on how to improve your technique, Timothy Gallwey starts from the understanding that 'every game is composed of two parts, an outer game and an inner game'. The former is played against opponents on the court, but the latter is a battle within ourselves as we try and overcome self-doubt and anxiety. It is often won or lost before a ball has been hit. In his revolutionary approach, built on a foundation of Zen thinking and humanistic psychology, Gallwey will teach you how to trust the intuitive wisdom of your body and achieve a state of 'relaxed concentration'. With lessons on gamesmanship and breaking bad habits, it is no surprise that Gallwey's method has had a far-reaching impact both on and off the tennis court. Whether you want to win at tennis, write a novel, get ahead at work, or simply unwind after a stressful day, Gallwey shows you how to tap into your utmost potential. No matter your goals, The Inner Game of Tennis gives you the definitive framework for long-term success.

free i ready games: Ready Player One Ernest Cline, 2011-08-18 *THE BOOK BEHIND THE MAJOR MOTION PICTURE DIRECTED BY STEVEN SPIELBERG* 'Wildly original and stuffed with irresistible nostalgia, Ready Player One is a spectacularly genre-busting, ambitious, and charming debut' Independent 'Part intergalactic scavenger hunt, part romance, and all heart' CNN 'Ernest Cline's novel deserves to be a modern classic' SciFiNow 'Gorgeously geeky, superbly entertaining, this really is a spectacularly successful debut' Daily Mail _____ A world at stake. A quest for the ultimate prize. Are you ready? It's the year 2044, and the real world has become an ugly place. We're out of oil. We've wrecked the climate. Famine, poverty, and disease are widespread. Like most of humanity, Wade Watts escapes this depressing reality by spending his waking hours jacked into the OASIS, a sprawling virtual utopia where you can be anything you want to be, where you can live and play and fall in love on any of ten thousand planets. And like most of humanity, Wade is obsessed by the ultimate lottery ticket that lies concealed within this alternate reality: OASIS founder James Halliday, who dies with no heir, has promised that control of the OASIS - and his massive fortune - will go to the person who can solve the riddles he has left scattered throughout his creation. For years, millions have struggled fruitlessly to attain this prize, knowing only that the riddles are based in the culture of the late twentieth century. And then Wade stumbles onto the key to the first puzzle. Suddenly, he finds himself pitted against thousands of competitors in a desperate race to claim the ultimate prize, a chase that soon takes on terrifying real-world dimensions - and that will leave both Wade and his world profoundly changed. _____ Readers can't get enough of Ready Player One . . . ***** 'THAT WAS SO TOTALLY AWESOME, WOW!' ***** 'This is an exciting story, especially for geeks, and the key word is FUN.' ***** 'Ladies and gentlemen, from this

day this book is my life and I will obsess over it constantly.' ***** 'I just kinda wanna cry right now. I'll have a proper review at some point, but I gotta let myself recover.' ***** 'I had the feeling while reading this book that it was written expressly for me. This is my childhood captured.'
