**february scripture writing plan 2023: Daring to Hope** Katie Davis Majors, 2017-10-03 New York Times bestseller How do you hold on to hope when you don't get the ending you asked for? When Katie Davis Majors moved to Uganda, accidentally founded a booming organization, and later became the mother of thirteen girls through the miracle of adoption, she determined to weave her life together with the people she desired to serve. But joy often gave way to sorrow as she invested her heart fully in walking alongside people in the grip of poverty, addiction, desperation, and disease. After unexpected tragedy shook her family, for the first time Katie began to wonder, Is God really good? Does He really love us? When she turned to Him with her questions, God spoke truth to her heart and drew her even deeper into relationship with Him. Daring to Hope is an invitation to cling to the God of the impossible---the God who whispers His love to us in the quiet, in the mundane, when our prayers are not answered the way we want or the miracle doesn't come. It's about a mother discovering the extraordinary strength it takes to be ordinary. It's about choosing faith no matter the circumstance and about encountering God's goodness in the least expected places. Though your heartaches and dreams may take a different shape, you will find your own questions echoed in these pages. You'll be reminded of the gifts of joy in the midst of sorrow. And you'll hear God's whisper: Hold on to hope. I will meet you here.

**february scripture writing plan 2023:** *God Has a Wonderful Plan for Your Life* Ray Comfort, 2010-05-17 Why do 9 out of 10 children raised in Christian homes leave the Church? Why do many professing Christians show little or no evidence for their faith? Why do 80-90% of those making decisions for Christ fall away from the faith? For decades, the world's most popular gospel message has been drawing the lost by promising God's wonderful plan for their life. But behind the facade of the wonderful plan message is the reality of the trials, temptation, and persecution that Jesus promised. How can we reconcile the two? In this life-changing book, best-selling author Ray Comfort explores whether this common gospel approach aligns with real life--and with Scripture. The vital biblical principles he reveals will force you to reexamine your ideas about the gospel--and will teach you how to reach unbelievers the way God intended. A must-read for all who care about the lost. Over a quarter million copies in print!

**february scripture writing plan 2023:** *If the Tomb Is Empty* Charles Martin, Joby Martin, Tim Tebow, 2023-02-07 A NATIONAL BESTSELLER A beloved pastor and a New York Times bestselling author examine scripture and share inspiring personal stories to help show the important role that Jesus' resurrection plays in our everyday lives. The Son of God was crucified, died and buried, and He lay in the tomb for three days--until He walked out shining like the sun. In a culture

in which history is erased or rewritten at will, the existence of an empty tomb matters. Why? Because if the tomb is empty--then anything is possible. In his first book, Joby Martin, Lead Pastor of The Church of Eleven22, dives deep into scripture and traces the story of salvation by highlighting the seven mountains throughout scripture where God manifests himself. As he describes each encounter with God, Martin shows us how the interaction on each mountain laid the groundwork for the sacrifice of Christ on Calvary, and shows what God revealed about Himself in the process. He illuminates seven familiar passages, unveiling how God's plan for Christ's sacrifice is threaded throughout scripture, and shows why Christ's resurrection--impossible, unbelievable--means that nothing is too hard for our God. Ultimately, he asks readers, Do you live every day of your life as if the tomb is empty--or as though Jesus is still hanging on that cross? Written with New York Times bestselling author Charles Martin, *If the Tomb is Empty* is an insightful and spiritually rich examination of what the miracle of Christ's resurrection means for all of us.

**february scripture writing plan 2023: A Word With You: My Journal Through The Bible** Al Lowry, 2023-12-18 Have you ever wanted to read through the entire Bible? You can! Join Al Lowry as he reads through the Bible in a year using this Daily Bible Reading Guide. Each daily reading is accompanied by a few words from Al to gently nudge you to do what he once thought was impossible—to read through the most important book ever written. FROM THE INTRODUCTION I began writing this journal 9 years ago when a friend told me of a “Guilt-Free” reading plan that went through the entire Bible. He explained that the principle was to just take time to read or listen to that day’s passage— and if you miss a few days, to skip ahead to the current day’s reading. He said people will read through more of the Bible this way than if they stop part way for lack of “keeping up.” Then they can read it again the next year and pick up the passages they missed the first time around. I responded I just might be the poster child for quitting, as I would start well many a January, only to fall hopelessly away when tedious books like Numbers, Leviticus or Deuteronomy would sideline me in the first quarter. Then he challenged me in a very big way. He had one of the first online ministries called, “The Ranch,” at [theranch.org](http://theranch.org). I read about it in USA Today and through a set of rather unusual circumstances, we became connected as good friends. He suggested I invite readers to follow along with me, and that 1st day of the year, I introduced a Facebook page with that very purpose. He gave me an invitation to include my plan in one of his online sermons and put out an open invitation to whoever might be inclined to join me. About 450 people signed up, and that set me on course with a lot of accountability partners with whom I would share a devotional each day. At the end of that year, I could not believe I’d finally accomplished this challenge of reading Genesis through Revelation. So what next—just be done with it? I decided to do it again the next year, and the next, and the next... I believe God has a sense of humor and turned me into the Forrest Gump of Bible reading. (Remember how he kept running back-and-forth across the country?) I mentioned we started with about 450 in our Facebook group the first year and now there are over 1500. This year, I decided to put the devotionals in book form so readers would have the option to join me online or by paperback. Regardless of your own motivation to read the Bible, I sure would be privileged to walk by your side. The goal is still the same as when we started—to grow in our faith by reading through as much of the Bible as we can. Hopefully, my light commentaries can give you that gentle nudge that helps you also do what I felt was impossible—to read the Bible in its entirety.
