H2: New Beginnings & Fresh Starts:

Scripture Focus: Genesis 1:1-31 (Creation); Isaiah 43:18-19 (God's promise of new things); Philippians 3:13-14 (forgetting the past and pressing forward). This theme encourages reflection on letting go of the past and embracing God's fresh start for your life.

What stands out to you in this passage?

How does this passage relate to your current life circumstances?

What action steps will you take based on what you've learned?

And when he said everything—he meant everything. We can all agree that this is easier said than done. Disappointments and discontent may cause you to slip into dissatisfaction, and grumbling becomes a state of mind—gratitude seems impossible to find. However, what if this is the precise reason you lack the joy of a God-filled life? Instead of a reaction to when things are going well, what if gratitude is actually necessary to knowing the hope of our gracious God? This is exactly what Pastor Dustin Crowe identifies in *The Grumbler's Guide to Giving Thanks*. Dustin examines the biblical foundations of thankfulness and traces how it can reshape every-day Christian living. When we express gratitude in all things, we not only praise our Creator, we also get to know Him better. With *The Grumbler's Guide*, you'll learn how to practice thanksgiving in both simple and extraordinary ways, even when you're tempted to dwell on the negative. You'll find your outlook on life realigned to see the hand of God in everything, strengthening your trust in Him. And in doing so, you'll find greater, more

joy-filled reasons to continue expressing thanks to our good and generous God.

This kind of doctrine, steeped in Scripture, is critical for disciple-making. And it's often overlooked by modern pastors. In Hearers and Doers, Kevin Vanhoozer makes the case that pastors, as pastor-theologians, ought to interpret Scripture theologically to articulate doctrine and help cultivate disciples. scriptural doctrine is vital to the life of the church, and local pastor-theologians should be the ones delivering it to their communities. With arresting prose and striking metaphors, Vanhoozer addresses the most pressing problems in the modern church with one answer: teach sound, scriptural doctrine to make disciples.

january scripture writing plan 2023: *The Biblical Metanarrative* Dr Bill Jackson, 2014-01 The Biblical Metanarrative traces the storyline of the Bible from Genesis to Revelation. It is the triumphant story of God ruling as king over his realm. He does so for his own glory in an all-out war with Satan and his rival kingdom of evil. The key to God's ultimate victory is the incarnation of his Son, his life as the perfect human, his atoning death, and his resurrection, as the first fruits of those who will receive new bodies fit for life in the new Creation. Jesus' followers are currently living out Christ's commission to them to give every ethnic group the opportunity to repent and receive the holy and empowered life of the Spirit of God. This presentation's uniqueness is its selection of the stories that drive the narrative forward and the uncovering of the divine logic that connects those stories to make a sweeping whole, showing One God, One Plan, and One Story.
