Infamous 2 Trophy Guide: Conquer Empire City and Claim Your Platinum

Are you ready to unleash your inner superhero (or supervillain)? Infamous 2, with its electrifying powers and compelling story, offers a rewarding experience, especially for trophy hunters. This comprehensive Infamous 2 trophy guide will walk you through every trophy, offering tips, tricks, and strategies to help you unlock that coveted Platinum trophy. Forget frustrating guesswork; this guide provides the clear, concise path to completing your Infamous 2 collection.

Understanding Infamous 2 Trophy Types

Before we dive into the specifics, let's break down the different trophy types in Infamous 2:

Bronze: These are the easiest trophies to earn, often awarded for completing simple tasks or objectives.

Silver: Slightly more challenging than Bronze, these trophies usually require a bit more dedication or specific actions.

Gold: These are the most challenging trophies, often requiring significant playtime and strategic planning.

Platinum: The ultimate achievement! This is awarded only after obtaining all other trophies in the

game.

Navigating the Story: Essential Trophies

Many trophies are earned naturally through progressing the main storyline. However, understanding which actions unlock trophies will save you time and frustration.

Storyline Trophies:

"Main Storyline Trophies": These are awarded for completing specific missions and chapters in the main storyline. Focus on completing the main story naturally, and these will fall into place.

"Faction Missions": Completing key missions for both the Dust Men and the Beta are vital for several trophies. Don't neglect either faction – they contribute significantly to your overall trophy count.

Missed Opportunities?

It's crucial to note that Infamous 2's choices impact your trophy progression. Certain trophies are tied to specific karma paths (Hero or Villain). Playing through the game once focusing on a single karma path, then replaying for the other path is the most efficient approach.

Power and Upgrades: Mastering Your Abilities

Infamous 2's power system is key to many trophy achievements. Focusing on diverse power upgrades and experimentation is essential.

Power-Based Trophies:

"Blast Mastery": This involves mastering specific powers and reaching certain upgrade levels.

"Amplifying Abilities": Experiment with different power combinations and upgrade paths to unlock these trophies.

Strategic Upgrades:

Don't just focus on offensive powers; defensive and utility powers are equally important, especially for later, more challenging sections of the game.

Exploration and Side Activities: Unearthing Hidden Trophies

The world of Empire City is brimming with secrets. Exploring and completing side activities is crucial for unlocking several trophies.

Hidden Trophies and Challenges:

"Collectible Trophies": Infamous 2 features hidden collectibles scattered throughout Empire City. A map or online guide will prove invaluable.

"Side Mission Mastery": Completing side missions adds to your overall experience and unlocks relevant trophies.

Efficient Exploration:

Using fast travel effectively will save you considerable time when hunting down collectibles or completing side missions. Prioritize exploration as you progress through the main story.

The Infamous 2 Karma System: Hero or Villain?

The core of Infamous 2's gameplay revolves around your karma: Hero or Villain. Certain trophies are exclusively linked to specific karma paths.

Karma-Specific Trophies:

"Heroic Deeds": These are earned by consistently making heroic choices.

"Villainous Victories": Conversely, these are earned by making villainous choices.

Strategic Karma Management:

To efficiently obtain all karma-related trophies, you will likely need to play through the game twice, focusing on a single karma path for each playthrough.

Conclusion

Unlocking the Platinum trophy in Infamous 2 is a challenging but incredibly rewarding experience. By following this comprehensive guide, meticulously planning your upgrades and choices, and dedicating time to exploration, you'll be well on your way to conquering Empire City and claiming your well-deserved Platinum trophy. Remember, patience, strategy, and a good guide are your greatest allies.

FAQs

1. Can I get all trophies in a single playthrough? No, some trophies require you to play through the game twice, once for each karma path (Hero and Villain).

2. Are there any missable trophies? Yes, a few trophies are missable if you don't complete certain actions or side missions before progressing too far in the main story.
3. What is the best way to find collectibles? Utilizing an online map or guide is highly recommended to track down all collectibles efficiently.
4. How long does it take to get the Platinum trophy? Expect a significant time investment, potentially 30-50 hours depending on your experience and play style.
5. Are there any glitches or exploits that can help with trophy hunting? While some exploits may exist, relying on legitimate gameplay is recommended to prevent potential issues with your save file.

infamous 2 trophy guide: *The Rough Guide to China* David Leffman, Martin Zatko, 2011-06-01 The Rough Guide to China covers all of mainland China including Tibet, along with the special administrative regions of Hong Kong and Macau. Clear, detailed maps show all listed arrival points, accommodation, restaurants and sights, while boxes provide bilingual keys. Use it to explore the sophisticated nightlife emerging in Beijing and Shanghai, to chill out in the mellow travellers' havens of Dali and Yangshuo, or roam the streets of characterful antique towns such as Lijiang. Up to date descriptions give the low-down on famous sights such as Beijing's Forbidden City, the Terracotta Army outside Xi'an, limestone peaks around Guilin and the cruise through the mighty Three Gorges along the Yangzi. There's also full practical information for less-known attractions: hiking holy mountains such as Shandong's Tai Shan; where to experience the culture of China's many ethnic groups, including Tibetans, Miao, Dai and Mongolians; how to explore remoter rural areas; and where to experience local food, from streetside snack stalls to plush Beijing Duck restaurants.

infamous 2 trophy guide: *The 4-Hour Body* Timothy Ferriss, 2010-12-14 #1 NEW YORK TIMES BESTSELLER • The game-changing author of *The 4-Hour Workweek* teaches you how to reach your peak physical potential with minimum effort. "A practical crash course in how to reinvent yourself."—Kevin Kelly, *Wired* Is it possible to reach your genetic potential in 6 months? Sleep 2 hours per day and perform better than on 8 hours? Lose more fat than a marathoner by bingeing? Indeed, and much more. *The 4-Hour Body* is the result of an obsessive quest, spanning more than a decade, to hack the human body using data science. It contains the collective wisdom of hundreds of elite athletes, dozens of MDs, and thousands of hours of jaw-dropping personal experimentation. From Olympic training centers to black-market laboratories, from Silicon Valley to South Africa, Tim

Ferriss fixated on one life-changing question: For all things physical, what are the tiniest changes that produce the biggest results? Thousands of tests later, this book contains the answers for both men and women. It's the wisdom Tim used to gain 34 pounds of muscle in 28 days, without steroids, and in four hours of total gym time. From the gym to the bedroom, it's all here, and it all works. You will learn (in less than 30 minutes each): • How to lose those last 5-10 pounds (or 100+ pounds) with odd combinations of food and safe chemical cocktails • How to prevent fat gain while bingeing over the weekend or the holidays • How to sleep 2 hours per day and feel fully rested • How to produce 15-minute female orgasms • How to triple testosterone and double sperm count • How to go from running 5 kilometers to 50 kilometers in 12 weeks • How to reverse "permanent" injuries • How to pay for a beach vacation with one hospital visit And that's just the tip of the iceberg. There are more than 50 topics covered, all with real-world experiments, many including more than 200 test subjects. You don't need better genetics or more exercise. You need immediate results that compel you to continue. That's exactly what The 4-Hour Body delivers.

infamous 2 trophy guide: Flyfisher's Guide to Oregon Gary Weber, 2019-02-25 From kyped brown trout, lake-dwelling rainbow and brook trout and crazy numbers of smallmouth bass and native sea-run and inland cutthroat to spawning-bound salmon and the hallowed wild and native steelhead, Oregon is the place for great flyfishing. Gary Weber's all-new Flyfisher's Guide to Oregon details these outstanding fishing opportunities like no other guidebook on the market. Weber covers the hot spots and lesser known fisheries with personal experiences, history, effective techniques for both trout and anadromous species, appropriate gear and flies, access points, nearby fly shops, and much more. His stunning visuals paint the full picture of the fishing in this gorgeous state. From mainstays like the Owyhee, Deschutes, North Umpqua and Sandy rivers to lesser known jewels like the Malheur and John Day rivers, Weber has put in the river-time so that you can get down to business. Many more tributaries, lakes and reservoirs are covered. Weber is a veteran Oregon writer who has covered the state's flyfishing opportunities for years. This book comes standard with Wilderness Adventures Press' precise and detailed full-color maps, with GPS coordinates for all access points, boat ramps, and parking areas, along with access roads, public land and more. As Lefty once said: If someone can't find locations from these maps - they need to stay home. Whether you're an Oregon lifer or new to the state, get an edge with this all-new guidebook.

infamous 2 trophy guide: Tailgater's Guide to SEC Football Chris Warner, 2000-08-09 The definitive guide to the nation's toughest football conference; the Bible of SEC Football, the fascinating history of the nation's toughest football conference told by one of the best storytellers in the business, Dr. Chris Warner. Tailgater's Guide to SEC Football Volume V – The definitive guide to the history and traditions of the 14 schools of the Southeastern Conference (2020). Contains profiles of great players and coaches, school histories, recipes, famous alumni, where to shop and golf, etc. The Bible of SEC Football. \$15.95 Paperback, 320 pages. Synopsis: "Dan Jenkins, author and sportswriter, simply summed up the popularity of the game of football in the South with the following statement: "To Southerners, football is as essential as air conditioning." The irreplaceable "Voice of the Volunteers" on radio during the 1950's, George Mooney, once stated, "...No matter where I was broadcasting from, I found the fans in the South to be knowledgeable, fair—and yes, loud and frenzied. They are very proud of their rich football heritage. And they are very proud of their schools, their teams—and the deep pride that goes with being from the South." Late legendary college football commenter Keith Jackson, in describing the SEC Football experience, once aptly stated that" ...there are few instances of alleged entertainment and relaxation that can match a college football game in stirring the deepest flames of partisanship and outright provincialism. And down South you can color that partisanship passionate!" Southeastern Conference Football is the paragon of the college athletic experience. During its storied, 87-year existence, the SEC has evolved into the most impressive league of organized, intercollegiate gridiron competition in the history of the United States. No other Football Bowl Subdivision (FBS) conference can boast of the many accolades and attendance records that the SEC currently holds. Furthermore, the Southeastern Conference has produced more All-American football players than any other conference. This book is dedicated to all the Southern people who live for Saturdays in the fall, for those individuals who plan their business and personal engagements around their favorite team's football schedule; for those who always experience a rise in their body temperature when they enter the stadium; for those who shed a tear during the singing of their alma mater; and especially, for those who know all the words to their school's fight song. It is for the people who wake up early on Sunday morning after a win so they can read each and every one of the sports columns about the game they witnessed the day before. It is for all those who enjoy good company and good food in the parking lot before the game, as much, and if not more, than the food and company at a fancy restaurant. These things that we hold dear – all true SEC fans know and love, and look forward to each autumn. It's that time of year when the heated summer temperatures begin to fade and yield to colder days, when the leaves begin to change color, and when the youthful partisan spirit within us all crackles like the kindling of a well-planned winter fire.

infamous 2 trophy guide: The Night and Its Moon Piper CJ, 2022-09-20 An addictive fantasy romance from TikTok sensation Piper CJ, now newly revised and edited. Two orphans grow into powerful young women as they face countless threats to find their way back to each other. Farleigh is just an orphanage. At least, that's what the church would have the people believe, but beautiful orphans Nox and fae-touched Amaris know better. They are commodities for sale, available for purchase by the highest bidder. So when the madame of a notorious brothel in a far-off city offers a king's ransom to purchase Amaris, Nox ends up taking her place — while Amaris is drawn away to the mountains, home of mysterious assassins. Even as they take up new lives and identities, Nox and Amaris never forget one thing: they will stop at nothing to reunite. But the threat of war looms overhead, and the two are inevitably swept into a conflict between human and fae, magic and mundane. With strange new alliances, untested powers, and a bond that neither time nor distance could possibly break, the fate of the realms lies in the hands of two orphans — and the love they hold

for each other.

infamous 2 trophy guide: Monty Python's Flying Circus Darl Larsen, 2008-06-13 In 1969, the BBC aired the first episode of a new comedy series titled Monty Python's Flying Circus, and the rest, as they say, is history. An instant success, the show ran until 1974, producing a total of 45 episodes. Despite the show's very English humor and allusions to many things British, the series developed a cult following outside the U.K., particularly in the United States. Known for its outrageous humor, occasionally controversial content, and often silly spirit, Monty Python's Flying Circus poked fun at nearly all institutions—domestic or foreign, grand or intimate, sacred or not. Indeed, many of the allusions and references in the program were uniquely British and routinely obscure, and therefore, not always understood or even noticed outside the British Isles. This exhaustive reference identifies and explains the plethora of cultural, historical, and topical allusions of this landmark series. In this resource, virtually every allusion and reference that appeared in an episode—whether stated by a character, depicted in the mise-en-scene, or mentioned in the printed scripts—is identified and explained. Organized chronologically by episode, each entry is listed alphabetically, indicates what sketch it appeared in, and is cross-referenced between episodes. Entries cover literary and metaphoric allusions, symbolisms, names, peoples, and places; as well as the myriad social, cultural, and historical elements (photos, songs, slogans, caricatures) that populate and inform these

episodes. Entries Include: ·Arabella Plunkett ·Group of famous characters from famous paintings ·Hell's Grannies ·HRH The Dummy Princess Margaret ·Kandinsky ·On the Dad's Liver Bachelors at Large ·Raymond Baxter type ·Scun ·Spanish Inquisition ·Third Parachute Brigade Amateur Dramatic Society ·total cashectomy ·Two-Sheds ·Umbonga's hostile opening ·Vicar sitting thin and unhappy in a pot ·What's all this then?

infamous 2 trophy guide: A Guide to Latin Elegy and Lyric Barbara K. Gold, Genevieve Liveley, 2021-07-12 Provides the necessary context to read elegiac and lyric poetry, designed for novice and experienced Classics and Latin students alike A Guide to Latin Elegy and Lyric explores the language of Latin poetry while helping readers understand the socio-cultural context of the remarkable period of Roman literary history in which the poetry was composed. With an innovative approach to this important area of classical scholarship, the authors treat elegy alongside lyric as they cover topics such as the Hellenistic influences on Augustan poetry, the key figures that shaped the elegiac tradition of Rome, the motifs of militia amoris (the warfare of love) and servitium amoris ("the slavery of love") in Latin love elegy, and more. Organized into ten chapters, the book begins with an introduction to the literary, political, and social contexts of the Augustan Age. The next six chapters each focus on an individual lyric and elegiac poet—Catullus, Horace, Tibullus, Propertius, Ovid, and Sulpicia—followed by a survey of several lesser-known poets and post-Augustan elegy and lyric. The text concludes with a discussion of major tropes and themes in Latin elegy and lyric, and an overview and analysis of key critical approaches in current scholarship. This volume: Includes full translations alongside the Latin throughout the text to illustrate discussions Analyzes recurring themes and tropes found in Latin poetry such as sexuality and gender, politics and patronage, myth and religion, wealth and poverty, empire, madness, magic, and witchcraft Reviews modern critical approaches to elegiac and lyric poetry including autobiographical realism, psychoanalysis, narratology, reception, and decolonization Includes helpful introductory sections: How to Read a Latin Elegiac or Lyric Poem and How to Teach a Latin Elegiac and Lyric Poem Provides information about each poet, an in-depth discussion of some of their poetry, and cultural and historical background Features a dedicated chapter on Sulpicia, offering readers an ancient female viewpoint on sex and gender, politics, and patronage Part of the acclaimed Blackwell Guides to Classical Literature series, A Guide to Latin Elegy and Lyric is the perfect text for both introductory and advanced courses in Latin elegy and lyric, accessible for students reading the poetry in translation, as well as for those experienced in Latin with an interest in learning a different approach to the subject.

infamous 2 trophy guide: *Soccer around the World* Charles Parrish, John Nauright, 2014-04-21 Two leading sports authorities explore the culture of soccer around the world, considering the sport as a means to better understand a society's past, present, and future. How popular is soccer worldwide? Here's one indicator: 3.2 billion people—nearly half of the planet's population—tuned in to watch the 2010 World Cup on television. Soccer matches attract a gargantuan number of fans from around the globe due to the popularity of the sport itself but also because of the nationalism it inspires and the entertainment spectacle of the big games. Distinguished authors and sports authorities, Charles Parrish and John Nauright, examine how soccer impacts societies worldwide by shaping national identities, providing common ground for diplomatic issues, and forging economic and social development. This one-volume geographic guide studies the places in which soccer has a major impact, examining each region's teams, major tournaments, key players, and international performance. The authors organize the book geographically by region and country, with entries reviewing the history of the sport and cultural impact on the area. Each profile concludes with fascinating game-based statistics, such as winners of major tournaments and top goal scorers. infamous 2 trophy guide: *Classic Game Covers* Mike Winterbauer, 2014-09-06 This book is a must read for computer gamers and artists who enjoy classic cover art of some of their favorite games. The book is visually beautiful and showcases all the classic covers I painted between 1985 and 1994. It also describes what it was like getting the commissions and painting them. This is a fun read for any one interested in being an artist and wondering what it is like to create classic cover art for games and movies. Told candidly and with a sense of humor you can learn the nostalgic history behind these paintings and many of my other paintings not lost to the digital age.
