imdb love hard: *The Sailor Who Fell from Grace with the Sea* Yukio Mishima, 2024-10-28 It was the sea that made me begin thinking secretly about love more than anything else; you know, a love worth dying for, or a love that consumes you. To a man locked up in a steel ship all the time, the sea is too much like a woman... Things like her lulls and storms, or her caprice... are all obvious. *The Sailor Who Fell from Grace with the Sea* tells the tale of a band of savage thirteen-year-old boys who reject the adult world as illusory, hypocritical and sentimental, and train themselves in a brutal callousness they call objectivity. When the mother of one of them begins an affair with a ship's officer, he and his friends idealize the man at first; but it is not long before they conclude that he is in fact soft and romantic. They regard their disappointment in him as an act of betrayal on his part, and react violently.

imdb love hard: The Silver Linings Playbook Matthew Quick, 2010-04-27 A New York Times bestseller, *The Silver Linings Playbook* was adapted into the Oscar-winning movie starring Bradley Cooper and Jennifer Lawrence. It tells the riotous and poignant story of how one man regains his memory and comes to terms with the magnitude of his wife's betrayal. During the years he spends in a neural health facility, Pat Peoples formulates a theory about silver linings: he believes his life is a movie produced by God, his mission is to become physically fit and emotionally supportive, and his happy ending will be the return of his estranged wife, Nikki. When Pat goes to live with his parents, everything seems changed: no one will talk to him about Nikki; his old friends are saddled with families; the Philadelphia Eagles keep losing, making his father moody; and his new therapist seems to be recommending adultery as a form of therapy. When Pat meets the tragically widowed and clinically depressed Tiffany, she offers to act as a liaison between him and his wife, if only he will give up watching football, agree to perform in this year's Dance Away Depression competition, and promise not to tell anyone about their contract. All the while, Pat keeps searching for his silver lining. In this brilliantly written debut novel, Matthew Quick takes us inside Pat's mind, deftly showing us the world from his distorted yet endearing perspective. The result is a touching and funny story that helps us look at both depression and love in a wonderfully refreshing way.

imdb love hard: The Zone of Interest Martin Amis, 2014-09-30 NOW A MAJOR MOTION PICTURE • AN NPR BEST BOOK OF THE YEAR • From one of the most virtuosic authors in the English language: a powerful novel, written with urgency and moral force, that explores life—and love—among the Nazi bureaucrats of Auschwitz. A masterpiece.... Profound, powerful and morally urgent.... A benchmark for what serious literature can achieve. —San Francisco Chronicle Martin Amis first tackled the Holocaust in 1991 with his bestselling novel *Time's Arrow*. He returns again to the Shoah with this astonishing portrayal of life in the zone of interest, or *kat zet*—the Nazis' euphemism for Auschwitz. The narrative rotates among three main characters: Paul Doll, the crass, drunken camp commandant; Thomsen, nephew of Hitler's private secretary, in love with Doll's wife; and Szmul, one of the Jewish prisoners charged with disposing of the bodies. Through these three narrative threads, Amis summons a searing, profound, darkly funny portrait of the most infamous place in history. An epilogue by the author elucidates Amis's reasons and method for undertaking this extraordinary project.

imdb love hard: No Country for Old Men Cormac McCarthy, 2007-11-29 From the bestselling author of The Passenger and the Pulitzer Prize-winning novel The Road comes a profoundly

disturbing and gorgeously rendered novel (The Washington Post) that returns to the Texas-Mexico border, setting of the famed Border Trilogy. The time is our own, when rustlers have given way to drug-runners and small towns have become free-fire zones. One day, a good old boy named Llewellyn Moss finds a pickup truck surrounded by a bodyguard of dead men. A load of heroin and two million dollars in cash are still in the back. When Moss takes the money, he sets off a chain reaction of catastrophic violence that not even the law—in the person of aging, disillusioned Sheriff Bell—can contain. As Moss tries to evade his pursuers—in particular a mysterious mastermind who flips coins for human lives—McCarthy simultaneously strips down the American crime novel and broadens its concerns to encompass themes as ancient as the Bible and as bloodily contemporary as this morning's headlines.
