Keanu Reeves' Linguistic Background

Keanu Reeves is a Canadian actor with a unique multicultural heritage that spans continents. Born in Beirut, Lebanon, to an English mother and an American father of Hawaiian, Chinese, and Irish descent, Reeves grew up exposed to various cultures and languages. His early years were spent in Australia and New York before settling in Toronto, Canada. This diverse upbringing contributed to his open-mindedness and adaptability, traits often reflected in his career and public persona.

Though Keanu Reeves is best known for his work in Hollywood, his formative years introduced him to different linguistic environments. Understanding his background provides essential context for answering how many languages Keanu Reeves speaks, and whether his multicultural roots influenced his linguistic abilities.

Languages Spoken by Keanu Reeves

English: Keanu Reeves' Primary Language

Keanu Reeves' primary language is English. Raised mainly in Toronto, Canada, Reeves attended English-speaking schools and began his acting career in North America. English is the language he uses most fluently in interviews, films, and public appearances. His command of English is native-level, which has served as the cornerstone of his international success.

French: Functional Ability

During his time in Canada, Reeves was exposed to French, which is one of the country's official languages. Some reports suggest that he possesses basic conversational skills in French, though he does not claim fluency. His exposure to French is mainly due to Canadian culture and occasional media interviews, but it is not a language he uses professionally or in film roles.

Other Languages: Limited Proficiency

Despite his multicultural background, Keanu Reeves does not speak Hawaiian, Chinese, or any other languages associated with his heritage. He has expressed interest in world cultures and has learned select words and phrases for film roles, such as Japanese for "47 Ronin." However, these instances are limited to professional requirements and do not indicate conversational fluency.

- English (native fluency)
- French (basic conversational ability)
- Japanese (limited phrases for film roles)

Multicultural Heritage and Its Influence

Family Roots and Cultural Exposure

Keanu Reeves' heritage is a blend of English, American, Hawaiian, Chinese, and Irish ancestry. Although he does not speak the languages of all his ancestors, his multicultural family has shaped his worldview and openness to different cultures. Reeves has often discussed the importance of his roots in interviews, crediting them for his adaptability and empathy.

Impact on Language Skills

While Reeves' family background provided exposure to various cultural traditions, it did not translate directly into multilingualism. His linguistic abilities remain centered on English, with minimal proficiency in other languages. Nonetheless, his heritage has contributed to his understanding of diversity, which is evident in his choice of international film projects and

collaborations.

Keanu Reeves' Language Use in Career and Films

International Film Roles

Keanu Reeves' career spans over three decades, with roles in American, Canadian, and international films. Occasionally, his characters require him to use foreign languages. For instance, in "47 Ronin," Reeves learned Japanese phrases to deliver authentic dialogue. While he does not claim fluency in Japanese, his willingness to learn for the role showcases his respect for linguistic authenticity in film.

Interviews and Public Appearances

Reeves primarily conducts interviews in English. In Canadian media, he has occasionally responded to French questions with simple answers, reflecting his basic understanding of the language. However, there is no evidence of Reeves participating in extended interviews or public engagements in any language other than English.

Language Learning in Hollywood: Celebrity Examples

Multilingual Actors in the Industry

Hollywood is home to many actors who speak multiple languages fluently. Compared to other celebrities, Keanu Reeves is not considered multilingual. Some actors, such as Natalie Portman, Bradley Cooper, and Mila Kunis, are known for their language skills and ability to perform in different tongues. Reeves' linguistic profile is more typical of North American actors, with emphasis on English and limited exposure to other languages.

1. Natalie Portman - Hebrew, French, Japanese, German, Spanish
2. Bradley Cooper - English, French
3. Mila Kunis - English, Russian
4. Keanu Reeves - English, basic French, limited Japanese phrases

Common Myths About Keanu Reeves and Languages

Rumors and Misconceptions

Several online sources have speculated that Keanu Reeves speaks multiple languages due to his multicultural heritage. Some fans mistakenly believe he is fluent in Hawaiian or Chinese. However, these claims are not supported by factual evidence. Reeves himself has clarified in interviews that his language skills are predominantly in English, with only minor proficiency in other languages.

Fact-Checking Keanu Reeves' Language Abilities

It is important to rely on verified information when discussing celebrity skills. While Keanu Reeves has demonstrated an interest in languages and international projects, he is not multilingual by professional standards. His linguistic abilities are limited to English, basic French, and select phrases learned for acting roles.

Summary of Keanu Reeves' Language Skills

In summary, Keanu Reeves speaks English fluently and has a basic grasp of French, with limited knowledge of Japanese phrases for specific film roles. His multicultural heritage has influenced his worldview but not his language proficiency. Despite common myths, Reeves is not fluent in multiple languages. His linguistic profile is typical of most North American actors, with a strong emphasis on English and openness to learning phrases for professional purposes.

Keanu Reeves continues to inspire fans globally through his work and multicultural background, even if his spoken language skills remain primarily English. His adaptability, respect for other cultures, and willingness to embrace new experiences remain defining aspects of his public persona.

How Many Languages Does Keanu Reeves Speak?

Unveiling the Linguistic Abilities of a Hollywood Icon

Keanu Reeves. The name alone conjures images of iconic roles, stoic demeanor, and a surprising level of down-to-earth charm. But beyond his captivating screen presence, many fans wonder about the multifaceted man behind the legend. One frequently asked question revolves around his linguistic abilities: how many languages does Keanu Reeves actually speak? This in-depth post will delve into this very question, exploring his confirmed language skills, examining potential multilingualism based on his background, and dispelling common myths surrounding his fluency. Prepare to uncover the fascinating truth behind Keanu Reeves's linguistic repertoire.

Keanu Reeves's Confirmed Languages: English Fluency and Beyond

While definitive proof of multilingualism is scarce, Keanu Reeves's native language is undoubtedly English. Born in Beirut, Lebanon, to an English-speaking father and a British-English mother, he spent his formative years in various parts of North America, solidifying his English fluency. This forms the bedrock of his communication skills, evident in his effortless delivery of lines in countless films.

However, the question of whether he speaks any other languages with fluency becomes more nuanced. There's no public confirmation from Reeves himself, nor any concrete evidence from verifiable sources supporting proficiency beyond English. Many claims circulating online lack credible sources and should be treated with caution.

Dissecting the Rumors: Analyzing Claims of Multilingualism

The internet is rife with speculation regarding Keanu Reeves's language capabilities. Claims ranging from French and German to Mandarin and even Japanese frequently appear. However, these assertions often lack substantial evidence. While Reeves has worked in international productions and interacted with actors and crews from diverse linguistic backgrounds, that alone does not equate to fluency.

It's crucial to distinguish between passive exposure to a language (understanding some words or phrases) and active fluency (reading, writing, speaking, and understanding with ease). The absence of documented instances of Keanu Reeves speaking other languages publicly strongly suggests that his linguistic repertoire is primarily confined to English.

Understanding the Challenges of Verifying Celebrity Language Skills

Verifying the language proficiency of public figures is surprisingly challenging. Unlike academic qualifications, language skills aren't typically publicized or officially documented. Moreover,

celebrities often have limited control over the information disseminated about them online, leading to the spread of unverified claims and speculation.

The Impact of His Multicultural Background

Keanu Reeves's upbringing involved exposure to diverse cultures, including time spent in Toronto, New York, and Sydney. This exposure undoubtedly shaped his worldview and might have provided opportunities to learn basic phrases or greetings in other languages. However, it's essential to remember that mere exposure to a language does not necessarily translate to fluency.

Many assume that growing up in multicultural environments automatically leads to multilingualism. While it certainly enhances opportunities for language acquisition, consistent study and practice are necessary to achieve fluency, and there's no evidence to suggest Reeves pursued this level of dedicated language learning beyond English.

Focus on Acting: Prioritizing Career Skills

Keanu Reeves's primary focus has always been on his acting career. His success speaks volumes about his dedication and talent. It's plausible that he prioritized honing his craft over dedicating significant time to mastering additional languages. Given the demands of his profession, acquiring and maintaining fluency in multiple languages might have been deemed a less efficient use of his time and energy.

Conclusion: English Remains the Confirmed Language

In conclusion, while Keanu Reeves's diverse background and international career have undoubtedly exposed him to numerous languages, the evidence firmly points to English as his sole confirmed fluent language. While speculation regarding his multilingualism persists online, a lack of credible sources necessitates a cautious approach. Let's appreciate Keanu Reeves for his remarkable acting talent and charismatic personality, rather than speculating on language skills lacking concrete proof.

Frequently Asked Questions (FAQs)

Q1: Has Keanu Reeves ever spoken another language in an interview or public appearance? No, there is no verifiable instance of Keanu Reeves speaking another language fluently in public. Any reported instances lack credible sources.

Q2: Could his upbringing in various countries have led to multilingualism? While his upbringing provided exposure to various cultures, it does not automatically translate to fluency in multiple languages. Consistent study and practice are essential for achieving proficiency.

Q3: Are there any confirmed language tutors or teachers associated with Keanu Reeves? No such information is publicly available.

Q4: Why is there so much misinformation online about Keanu Reeves' language skills? Misinformation spreads easily online, particularly regarding celebrities. Lack of verifiable sources and a desire to add to the mystique surrounding his persona contribute to the proliferation of inaccurate claims.

Q5: Does Keanu Reeves's lack of documented multilingualism diminish his achievements? Absolutely not. His extraordinary success as an actor stands independently of his language skills. His talent, dedication, and charm are the cornerstones of his career.

how many languages does keanu reeves speak: *Blockbuster Performances* Daniel Smith-Rowsey, 2018-11-27 This book examines performances in the American film industry's highest-earning and most influential films. Countering decades of discourse and the conventional notion that special effects are the real stars of Hollywood blockbusters, this book finds that the acting performances in these big-budget action movies are actually better, and more genre-appropriate, than reputed. It argues that while blockbusters are often edited for speed, thrills, and simplicity, and performances are sometimes tailored to this style, most major productions feature more scenes of stage-like acting than hyper-kinetic action. Knowing this, producers of the world's highest-budgeted motion pictures usually cast strong or generically appropriate actors. With chapters offering unique readings of some of cinema's biggest hits, such as The Dark Knight, Pirates of the Caribbean, Star Wars, Iron Man and The Hunger Games, this unprecedented study sheds new light on the importance of performance in the Hollywood blockbuster.

how many languages does keanu reeves speak: **Language Hacking French** Benny Lewis, 2017-03-28 It's true that some people spend years studying French before they finally get around to speaking the language. But here's a better idea. Skip the years of study and jump right to the speaking part. Sound crazy? No, it's language hacking. Unlike most traditional language courses that try to teach you the rules of French, #LanguageHacking shows you how to learn and speak French through proven memory techniques, unconventional shortcuts and conversation strategies perfected by one of the world's greatest language learners, Benny Lewis, aka the Irish Polyglot. Using the language hacks -shortcuts that make learning simple - that Benny mastered while learning his 11 languages and his 'speak from the start' method, you will crack the language code and exponentially increase your language abilities so that you can get fluent faster. It's not magic. It's

not a language gene. It's not something only other people can do. It's about being smart with how you learn, learning what's indispensable, skipping what's not, and using what you've learned to have real conversations in French from day one. The Method #LanguageHacking takes a modern approach to language learning, blending the power of online social collaboration with traditional methods. It focuses on the conversations that learners need to master right away, rather than presenting language in order of difficulty like most courses. This means that you can have conversations immediately, not after years of study. Each of the 10 units culminates with a speaking 'mission' that prepares you to use the language you've learned to talk about yourself. Through the language hacker online learner community, you can share your personalized speaking 'missions' with other learners - getting and giving feedback and extending your learning beyond the pages of the book. You don't need to go abroad to learn a language any more.

how many languages does keanu reeves speak: *Insurrecto* Gina Apostol, 2019-08-20 A bravura performance.—The New York Times Histories and personalities collide in this literary tour-de-force about the Philippines' present and America's past by the PEN Open Book Award-winning author of *Gun Dealers' Daughter*. Two women, a Filipino translator and an American filmmaker, go on a road trip in Duterte's Philippines, collaborating and clashing in the writing of a film script about a massacre during the Philippine-American War. Chiara is working on a film about an incident in Balangiga, Samar, in 1901, when Filipino revolutionaries attacked an American garrison, and in retaliation American soldiers created "a howling wilderness" of the surrounding countryside. Magsalin reads Chiara's film script and writes her own version. *Insurrecto* contains within its dramatic action two rival scripts from the filmmaker and the translator—one about a white photographer, the other about a Filipino schoolteacher. Within the spiraling voices and narrative layers of *Insurrecto* are stories of women—artists, lovers, revolutionaries, daughters—finding their way to their own truths and histories. Using interlocking voices and a kaleidoscopic structure, the novel is startlingly innovative, meditative, and playful. *Insurrecto* masterfully questions and twists narrative in the manner of Italo Calvino's *If on a Winter's Night a Traveler*, Julio Cortázar's *Hopscotch*, and Nabokov's *Pale Fire*. Apostol pushes up against the limits of fiction in order to recover the atrocity in Balangiga, and in so doing, she shows us the dark heart of an untold and forgotten war that would shape the next century of Philippine and American history.

In *Babel No More*, Michael Erard, "a monolingual with benefits," sets out on a quest to meet language superlearners and make sense of their mental powers. On the way he uncovers the secrets of historical figures like the nineteenth-century Italian cardinal Joseph Mezzofanti, who was said to speak seventy-two languages, as well as those of living language-superlearners such as Alexander Arguelles, a modern-day polyglot who knows dozens of languages and shows Erard the tricks of the trade to give him a dark glimpse into the life of obsessive language acquisition. With his ambitious examination of what language is, where it lives in the brain, and the cultural implications of polyglots' pursuits, Erard explores the upper limits of our ability to learn and use languages and illuminates the intellectual potential in everyone. How do some people escape the curse of Babel—and what might the gods have demanded of them in return?

how many languages does keanu reeves speak: *How We Are* Vincent Deary, 2014-12-30

The first book in a major new trilogy, *How to Live: How We Are, How We Break, and How We Mend* We live in small worlds. *How We Are* is an astonishing debut and the first part of the monumental *How to Live* trilogy, a profound and ambitious work that gets to the heart of what it means to be human: how we are, how we break, and how we mend. In Book One, *How We Are*, we explore the power of habit and the difficulty of change. As Vincent Deary shows us, we live most of our lives automatically, in small worlds of comfortable routine—what he calls Act One. Conscious change requires deliberate effort, so for the most part we avoid it. But inevitably, from within or without, something comes along to disturb our small worlds—some News from Elsewhere. And with reluctance, we begin the work of adjustment: Act Two. Over decades of psychotherapeutic work, Deary has witnessed the theater of change—how ordinary people get stuck, struggle with new circumstances, and finally transform for the better. He is keenly aware that novelists, poets, philosophers, and theologians have grappled with these experiences for far longer than psychologists. Drawing on his own personal experience and a staggering range of literary, philosophical, and cultural sources, Deary has produced a mesmerizing and universal portrait of the human condition. Part psychologist, part philosopher, part novelist, Deary helps us to see how we can resist being habit machines, and make our acts and our lives more fully our own.

Lose weight, boost your metabolism, and start living a happier life with this transformative 30-day plan for healthy eating from the host of the hit podcast *The Model Health Show*. Food is complicated. It's a key controller of our state of health or disease. It's a social centerpiece for the most important moments of our lives. It's the building block that creates our brain, enabling us to have thought, feeling, and emotion. It's the very stuff that makes up our bodies and what we see looking back at us in the mirror. Food isn't just food. It's the thing that makes us who we are. So why does figuring out what to eat feel so overwhelming? In *Eat Smarter*, nutritionist, bestselling author, and #1-ranked podcast host Shawn Stevenson breaks down the science of food with a 30-day

program to help you lose weight, reboot your metabolism and hormones, and improve your brain function. Most importantly, he explains how changing what you eat can transform your life by affecting your ability to make money, sleep better, maintain relationships, and be happier. Eat Smarter will empower you and make you feel inspired about your food choices, not just because of the impact they have on your weight, but because the right foods can help make you the best version of yourself.

how many languages does keanu reeves speak: *The Routledge Handbook of Audiovisual Translation* Luis Pérez-González, 2018-10-10 The Routledge Handbook of Audiovisual Translation provides an accessible, authoritative and comprehensive overview of the key modalities of audiovisual translation and the main theoretical frameworks, research methods and themes that are driving research in this rapidly developing field. Divided in four parts, this reference work consists of 32 state-of-the-art chapters from leading international scholars. The first part focuses on established and emerging audiovisual translation modalities, explores the changing contexts in which they have been and continue to be used, and examines how cultural and technological changes are directing their future trajectories. The second part delves into the interface between audiovisual translation and a range of theoretical models that have proved particularly productive in steering research in audiovisual translation studies. The third part surveys a selection of methodological approaches supporting traditional and innovative ways of interrogating audiovisual translation data. The final part addresses an array of themes pertaining to the place of audiovisual translation in society. This Handbook gives audiovisual translation studies the platform it needs to raise its profile within the Humanities research landscape and is key reading for all those engaged in the study and research of Audiovisual Translation within Translation studies.

how many languages does keanu reeves speak: *Standing on the Shoulders of Giants* Luke Jeffrey Janssen, 2016-08-12 Church tradition has long held that humanity arose from two people living in a garden of paradise in the Mesopotamian basin roughly six thousand years ago. Scientists now have abundant evidence that the human population never numbered less than ten thousand, originated out of Africa hundreds of thousands of years ago, and descended from ancestors that we share in common with several other species (some now extinct, some still living). Is it possible to make these two starkly different worldviews agree, or do we have to choose one and discard the other? This book will summarize the fossil and genetic discoveries that support the scientific view, and then address the impact that this has upon many Christian theological tenets. In the process, it presents many examples of the church adjusting long-held traditions and teachings in the face of scientific advances, as well as examples of how we often hold two seemingly contradictory ideas together without feeling a need to discard one of them. Many theologians have written on this topic without adequately incorporating the scientific aspects. Many others have addressed the science without exploring the impact on theology. This book accomplishes both.

how many languages does keanu reeves speak: *A Post-Racial Change Is Gonna Come* J. Wharton, 2013-11-12 This work offers a political and historical analysis of Newark's modern politics since 1950, culminating with Mayor Cory Booker's rise to power and prominence both in the city and in American political consciousness. Newark's recent political history offers an interesting case study in mayoral elections, community development, and coalition building politics. While Newark is the quintessential post-industrial city, Booker has received critical attention for his post-racial politics since he frequently bypasses racial and traditional urban politics. At the same time, relations between the mayor, the municipal council, and Newark's diverse communities were often so fractious that sustainable coalition building proved to be an elusive goal to resolve longstanding crime, education, and other social problems. Based on original interviews with Cory Booker, city council members, and other prominent Newark politicians, *A Post Racial Change is Gonna Come* is a powerful history of how Newark became the focal point for transformative politics in urban America.

precious and ever-dwindling life span; it was an education! And *Better Living Through Bad Movies* can show you how to extract the profound, life-affirming lessons from films like *Battlefield Earth*, *Coyote Ugly*, and *Indecent Proposal*. In over 50 hilarious reviews, the authors show how you can use the worst movies ever made to improve your sex life (it involves cardboard cutouts and clog dancing), Apocalypse-proof your home (using the following materials: John Travolta, Kevin Costner, Sylvester Stallone and more Kevin Costner), and win omnipotence and a Happy Meal by solving Satan's Junior Jumble. You will also discover how to forge a love that will last a lifetime (by dating the moribund), use films like *Batman and Robin* and *Star Wars: The Phantom Menace* as grief counseling, and conquer the world using common fruit bats and dry cleaning fluid. And most important of all, you'll learn Hollywood's Ultimate Secret: Why *Beaches* and *Armageddon* are actually the exact same movie.

how many languages does keanu reeves speak: *Why Wellness Sells* Colleen Derkatch, 2022-12-13 The author argues that wellness has become so pervasive in the United States and Canada because it is an ever-moving goal. It embodies an idea of both restoring the body to some natural, and therefore healthy, state and of enhancing the body toward an ideal state of health, one that is better than well. Overall, the book, a rhetorical and cultural study, offers a nuanced account of how language, belief, behavior, experience, and persuasion collide to produce and promote wellness, which is among the most compelling--and possibly harmful--concepts that govern contemporary Western life--

how many languages does keanu reeves speak: *The Book of Elsewhere* Keanu Reeves, China Miéville, 2024-07-23 A mind-blowing epic from Keanu Reeves and China Miéville, unlike anything these two genre-bending pioneers have created before, inspired by the world of the BRZRKR comic books She said, We needed a tool. So I asked the gods. There have always been whispers. Legends. The warrior who cannot be killed. Who's seen a thousand civilizations rise and fall. He has had many names: Unute, Child of Lightning, Death himself. These days, he's known simply as "B." And he wants to be able to die. In the present day, a U.S. black-ops group has promised him they can help with that. And all he needs to do is help them in return. But when an all-too-mortal soldier comes back to life, the impossible event ultimately points toward a force even more mysterious than B himself. One at least as strong. And one with a plan all its own. In a collaboration that combines Miéville's singular style and creativity with Reeves's haunting and soul-stirring narrative, these two inimitable artists have created something utterly unique, sure to delight existing fans and to create scores of new ones.

how many languages does keanu reeves speak: Armageddon, Close Encounters in the Fifth Kind Frederick Guttman, ¿Cómo cambiaría nuestra forma de ver el mundo si nos planteásemos que todos los estamentos de la sociedad serán pronto abolidos? ¿Veríamos la vida de la misma forma si diéramos lugar a la idea de que nuestra historia ha estado ligada a influencias que no son de este mundo? “Armagedón, Encuentros Cercanos en la Quinta Fase” es una obra que no pasará desapercibida, mucho menos delante de los acontecimientos que están ocurriendo, aunque el mundo no esté al tanto de ellos -porque está siendo distraído. Hablamos de un cambio a escala planetaria en la conciencia humana y del sistema de vida que tenemos, el destape de grandes y sumamente relevantes mentiras que han mantenido engañado al hombre del siglo XXI, y así mismo el inicio de una existencia libre, sólo posible tras una guerra sin precedentes. Nuestro mundo está a punto de tener los cambios más significativos de toda la historia humana, desde que se tiene constancia de ella. La vida extraterrestre es una realidad, tal como lo es el hecho de que sabremos toda la verdad sobre la vida fuera de la Tierra y los misterios del universo en esta década. El Nuevo Orden Mundial, del cual pocos han oído hablar -aún a estas alturas y con el terreno ya ganado por esos psicópatas en todos los medios globales- no conseguirá sus fines de eliminación poblacional y control totalitario, aunque conseguirán por un periodo muy breve de tiempo muchas de sus agendas. Toda la

humanidad está al borde de un cambio de paradigma, no sin antes presenciar la experiencia de la vida extraterrestre inteligente, un mundo dominado por las corporaciones, dueños de la banca y de los oleoductos. Entonces el cambio será radical y no dejará lugar a dudas a más cuestionamientos, suposiciones o teorías sobre el origen del hombre y de la vida fuera de nuestro orbe azul; de igual modo que no habrá más medias tintas sobre el conocimiento y realidad de la existencia de Jesucristo, no como una religión sino como una realidad. Esta será una verdad inamovible que no está sujeta -ni nunca lo ha estado- a religiones, ni a dogmas, ni a espiritualismo, ni a teorías conspiratorias, ni a ciencia ficción, ni a fábulas, ni a cualquier otra creencia abstracta, sino al modernismo de esta centuria y a la revolución mundial que hoy nos atañe. Parece difícil reconciliar la imagen de aquel carpintero que fue clavado en una cruz junto con la ciencia, pero recordemos que los estamentos religiosos que conocemos son relativamente recientes y no fueron impuestos por Jesucristo. Sus enseñanzas aparecieron sobre el 26 y/o el 33 d.C. aprox., en cambio las posteriores fueron ciertamente tardías: Catolicismo (325 d.C.), Islam (600 d.C.), Protestantismo (inicios del siglo XIV) Mormonismo (mediados de 1800 d.C.), Testigos de Jehová (1870), etc. En otras palabras, las enseñanzas de Jesús no estuvieron sujetas a religiones "cristianas", ya que estas se crearon en nombre de él siglos después, mayormente con fines lucrativos o de control de masas. Tengamos presente, antes que nada, que todas las profecías, que han venido de parte de Dios, hasta su momento se han cumplido y nada sugiere que las que aún han de cumplirse dejen de tener lugar; mucho menos cuando estamos viviendo las concisas advertencias que hicieron hombres modelo en tiempos antiguos, y además con lujo de detalles. Así que tenemos que citar a hombres de otrora para ver cómo se han dado los hechos que anunciaron y qué otros acontecimientos han de tener lugar en nuestra década y en los años que precederán nuestra era. Ciertamente cada vez podemos ver más cerca un final de esta edad y el inicio de una nueva historia para la civilización humana. Un cambio que se palpa y comenta en todos los círculos sociales y culturales. Este cambio viene acompañado de mucha incertidumbre, dudas sobre cómo será ese desenlace final y qué ocurrirá después de ello. La historia de nuestra raza se ha visto constantemente salpicada por grandes extinciones, donde nuestros antecesores han sido diezmados, eliminados tácitamente por sucesos catastróficos que han dado origen a nuevos eones. Así se ha visto en lejanas edades desde la prehistoria y así se ve hoy, muy próximos a experimentar eventos nunca antes vistos en ninguna etapa anterior de nuestro devenir como civilización. Como hijos de la Tierra hemos de conocer los hechos que han modelado nuestro presente y que han colocado a nuestra raza en el borde del colapso y de la aparente auto-extinción. Tenemos que ser conscientes de que tal como la arqueología nos sirve para revelar los acontecimientos de antaño, también han existido desde otrora métodos para vaticinar el tiempo por venir, y éstos han marcado hechos memorables en el registro histórico. Nosotros los llamamos "profecías", y si bien, desde tiempos de la Grecia clásica los helenos consultaban el polémico oráculo de Delfos, el que se cree era el más preciso de todos, aunque se especuló que alguna vez se equivocó (más bien diríamos que dijo lo que sus consultores debían saber).

how many languages does keanu reeves speak: Tony Hogan Bought Me an Ice-Cream Float Before He Stole My Ma Kerry Hudson, 2014-01-28 "A witty and lively novel set somewhere between the worlds of Roddy Doyle and Irvine Welsh." —William Dalrymple, The Guardian
Reminiscent of early Roddy Doyle, Tony Hogan Bought Me an Ice-Cream Float Before He Stole My Ma begins with our singular heroine's less than idyllic birth and quickly moves to a spectacular fight that lands Janie and her mother in a local women's shelter. From there it's on to a dodgy council flat and a succession of unsuitable men, including the hard-drinking, drug-dealing, ice-cream-buying Tony Hogan. Kerry Hudson's arrestingly original debut will enthrall readers with Janie's tragicomic and moving story about coming of age in a non-traditional family amid the absurdities of the 1980s and Thatcherite Britain.
