Was Henry Ford an International Jew? Deconstructing a False and Dangerous Narrative

The claim that Henry Ford was an "international Jew" is a deeply misleading and historically inaccurate statement rooted in antisemitism. This blog post will thoroughly examine this false narrative, exploring its origins, the evidence (or lack thereof) supporting it, and the dangerous consequences of perpetuating such misinformation. We will delve into Ford's actual beliefs, his relationship with Jewish people, and the broader context of his antisemitic writings. By understanding the historical record, we can effectively combat the resurgence of this harmful falsehood.

H2: The Infamous "The International Jew" and its Impact

Henry Ford's antisemitism is undeniable. From 1920 to 1922, his newspaper, The Dearborn Independent, published a series of articles collectively titled "The International Jew." These articles, filled with conspiracy theories and hateful stereotypes, accused Jewish people of controlling global finance, media, and politics. This campaign was not just a series of opinions; it was a systematic and sustained attack that fueled antisemitic sentiment across the United States and beyond. The articles played a significant role in the resurgence of antisemitism during that era, influencing extremist groups and contributing to a climate of prejudice and discrimination. It's crucial to understand that this campaign directly contradicts the notion that Ford was himself an "international Jew"—the term itself being a pejorative designed to create a false equivalence and smear an entire religious group.

H3: Deconstructing the Myth: Analyzing the False Claim

The claim that Henry Ford was an "international Jew" is absurd on its face. There is absolutely no

credible historical evidence to support it. The phrase itself is a product of antisemitic propaganda, aiming to sow confusion and deflect from the reality of Ford's virulent antisemitism. This statement is often used by those who seek to minimize or excuse Ford's actions, attempting to portray his actions as something other than what they were: a deliberate and malicious campaign of hate speech.

H4: The Historical Context of Ford's Antisemitism

Ford's antisemitism wasn't a sudden outburst; it was a gradual development, influenced by various factors including his personal beliefs and the prevailing social climate of the time. While not entirely explained, several theories suggest the influence of antisemitic literature, the economic anxieties of the post-war era, and perhaps even a personal resentment towards certain individuals who may have been Jewish. Regardless of the exact root causes, Ford's actions are inexcusable and cannot be excused by historical context.

H2: Ford's Actions: Beyond "The International Jew"

The "International Jew" series wasn't Ford's only foray into antisemitic rhetoric. He actively distributed copies of the articles, translated them into multiple languages, and even republished them in book form, amplifying their reach and impact. The consequences were far-reaching, inspiring similar antisemitic campaigns in other countries and emboldening antisemitic groups.

H3: The Legacy of Ford's Antisemitism

Ford's antisemitism has a lasting impact, leaving a stain on his otherwise impressive legacy as an industrialist. While his contributions to mass production and the automotive industry are undeniable, his role in propagating hateful ideologies cannot be ignored or minimized. It's essential to acknowledge the full scope of his legacy, including both his accomplishments and his reprehensible actions.

H2: Combating the Misinformation:

The persistence of the false claim that Henry Ford was an "international Jew" highlights the ongoing struggle against antisemitism and historical misinformation. It's crucial to actively combat this falsehood by promoting accurate historical accounts and challenging those who spread such dangerous narratives. Education and critical thinking are vital tools in dismantling this and other antisemitic myths.

Conclusion:

The claim that Henry Ford was an "international Jew" is a dangerous and inaccurate fabrication used to minimize his blatant antisemitism. It's imperative to understand the true nature of Ford's actions, the devastating impact of his antisemitic campaign, and the continued need to combat the spread of misinformation. Only by acknowledging the full complexity of history, including its dark aspects, can we hope to prevent the repetition of such hateful ideologies in the future.

FAQs:

1. Did Henry Ford ever apologize for "The International Jew"? No, Henry Ford never publicly

apologized for publishing "The International Jew," though he did eventually cease publication of the series.

2. What was the impact of "The International Jew" on the Nazi party? "The International Jew" had a significant influence on the Nazi party, with some of its propaganda mirroring Ford's rhetoric and employing similar antisemitic tropes.

3. Are there any reputable sources that support the claim that Henry Ford was an "international Jew"? No, there are no reputable historical sources that support this claim. It's a complete fabrication.

4. How can I learn more about Henry Ford's antisemitism? Scholarly books and articles on Henry Ford and the history of antisemitism provide detailed accounts of his antisemitic activities.

5. What can I do to help combat antisemitism today? Educate yourself on the history of antisemitism, challenge antisemitic statements when you encounter them, and support organizations fighting against hate and intolerance.

henry ford international jew: The International Jew Henry Ford, 1920

henry ford international jew: *Henry Ford And The Jews* Neil Baldwin, 2001-12-03 Drawing upon oral history transcripts, archival correspondence, and unpublished family memoirs, independent scholar Baldwin describes Henry Ford's rabid anti-Semitism and the Jewish American community's response to him. Topics include Ford's hateful essays in *The Dearborn Independent*, his publication of treatises on the alleged international Jewish banking conspiracy, and his impact on the anti-Semitic movement in Europe in the years leading up to World War II. Annotation copyrighted by Book News, Inc., Portland, OR

henry ford international jew: The International Jew, 1920

henry ford international jew: *The International Jew* Henry Ford, 2014-03 This Is A New Release Of The Original 1920 Edition.

henry ford international jew: The Protocols of the Learned Elders of Zion Sergei Nilus, Victor Emile Marsden, 2019-02-26 *The Protocols of the Elders of Zion* is almost certainly fiction, but its impact was not. Originating in Russia, it landed in the English-speaking world where it caused great consternation. Much is made of German anti-semitism, but there was fertile soil for *The Protocols* across Europe and even in America, thanks to Henry Ford and others.

henry ford international jew: The International Jew Volumes I and II Henry Ford, 2014-07-11 FULL UNEXPURGATED VERSION. The famous American industrialist and automobile manufacturer Henry Ford purchased *The Dearborn Independent*, an independent journal, in 1918. Ford then used this newspaper to publish a series of 80 articles between 1920 and 1922 on what he identified as the Jewish Question in America. *The Dearborn Independent* was distributed nationwide to Ford dealer showrooms and was offered free of charge to the general public. At its peak, circulation reached 700,000 readers. The work's reach was worldwide and was quoted in Adolf Hitler's *Mein Kampf*. Henry Ford's picture hung in Hitler's office, and in July 1938, the German consul at Cleveland gave Ford, on his 75th birthday, the award of the Grand Cross of the German Eagle, the highest medal Nazi Germany could bestow on a foreigner. The 80 articles were later republished in book form but were severely redacted and edited, with an abridged version becoming the most widely circulated copy. This version is the full unexpurgated original of Ford's groundbreaking study of the Jewish Question, and contains all the content, prefaces included, of the books first published by *The Dearborn Independent* as Volume 1: *The International Jew: The World's Foremost Problem* (1920); and Volume 2: *Jewish Activities in the United States* (1921). The accompanying Volume III and IV in this new series contains Ford's other two original volumes: Volume 3: *Jewish Influence in American*

Life (1921); and Volume 4: Aspects of Jewish Power in the United States (1922). Completely reset and hand-edited. Cover image: A poster from the Nazi film *The Eternal Jew* (1940) which used material from Ford's books.

henry ford international jew: *Henry Ford's War on Jews and the Legal Battle Against Hate Speech* Victoria Saker Woeste, 2012-06-27 Henry Ford is remembered in American lore as the ultimate entrepreneur—the man who invented assembly-line manufacturing and made automobiles affordable. Largely forgotten is his side career as a publisher of antisemitic propaganda. This is the story of Ford's ownership of the *Dearborn Independent*, his involvement in the defamatory articles it ran, and the two Jewish lawyers, Aaron Sapiro and Louis Marshall, who each tried to stop Ford's war. In 1927, the case of *Sapiro v. Ford* transfixed the nation. In order to end the embarrassing litigation, Ford apologized for the one thing he would never have lost on in court: the offense of hate speech. Using never-before-discovered evidence from archives and private family collections, this study reveals the depth of Ford's involvement in every aspect of this case and explains why Jewish civil rights lawyers and religious leaders were deeply divided over how to handle Ford.

henry ford international jew: *The International Jew* Henry Ford, 2004-02-01

henry ford international jew: *The International Jew* Henry Ford, Sr., 2000-01-01

henry ford international jew: *Henry Ford and the Jews* Albert Lee, 1980

henry ford international jew: *The American Axis* Max Wallace, 2004-12-13 Examines how Charles Lindbergh's support for Nazi militarism and U.S. isolationism and Henry Ford's business dealings with Germany tarnished their idealized images. Drawing on original sources, Wallace brings out some pertinent connections between the two men's anti-Semitism and their ties with the rising Nazi regime. Their influence culminated in an abuse of power that helped strengthen Hitler's regime and undermined the Allied war effort.

henry ford international jew: *The International Jew Volumes III and IV* Henry Ford, 2016-10-24 The only complete set of all 80 unexpurgated articles published by the famous American industrialist and automobile manufacturer Henry Ford in his *Dearborn Independent* newspaper between 1920 and 1922. The topics included foreign and domestic politics, finance, the movie industry, stage and theater, the agricultural sector, media control and manufacturing, and contains by far the best analysis of how the United States was systematically taken over by Jews after they were allowed to immigrate to that country in large numbers in the late 19th century. The work's reach was worldwide and was quoted in Adolf Hitler's *Mein Kampf*. Henry Ford's picture hung in Hitler's office, and in July 1938, the German consul at Cleveland gave Ford, on his 75th birthday, the award of the Grand Cross of the German Eagle, the highest medal Nazi Germany could bestow on a foreigner. The 80 articles were later republished in book form but were severely redacted and edited, with an severely abridged version becoming the most widely circulated copy. Originally published by *The Dearborn Independent* as a four volume set, this new completely reset edition combines all the volumes into a handy two volume version, without losing any of the text. Completely reset and hand-edited. Volume III and IV contain the second set of 38 articles, while the companion Volume I and II contains the first 42 articles. Cover image: A poster from the Nazi film *The Eternal Jew* (1940) which used material from Ford's books.

henry ford international jew: *Henry Ford: the International Jew* Henry Ford, 2010-06-01 *The International Jew*, by auto magnate Henry Ford, is comprised of newspaper articles printed in 'The Dearborn Independent during the 1920's. At the apex of his business career Henry Ford sensed that a terrific effort was being made to take his business from him and manipulate it into the hands of the money-changers. Henry Ford, who had the impression that these manipulators were being engineered by powerful Jewish financiers, called to his office the most intelligent research men within his acquaintance. He commissioned them to make a thorough study of the *International Jew* and publish their findings in *The Dearborn Independent*, which at that time was the official organ of the Ford Motor Company. No expense was spared, and it is estimated that literally millions of dollars were spent by Mr. Ford on this project. The original articles were carried first in *The Dearborn Independent*, and then published in book form. This book, *The International Jew*, provides a

hard-hitting, easy-to-read introduction to what the renowned American automaker and industrialist called the world's foremost problem. This influential and much-discussed collection of essays, packed with facts and insights, is an eye-opening survey of the enduringly vexing Jewish question. Whether readers agree or disagree with the content of *The International Jew* and Ford's approach to the Jewish question, the book provides an important historical record that remains of interest today.

henry ford international jew: *The International Jew* Henry Ford, Sr., 2000-01-01

henry ford international jew: *Jihad and Jew-hatred* Matthias Küntzel, 2007

henry ford international jew: *The International Jew* , 2011

henry ford international jew: *The International Jew* Henry Ford, 2003-07-01 In 1920 Henry Ford bought *The Dearborn Independent*, a virile and very independent journal published in his home town. He used it to publish his series of 81 articles (between 1920 and 1922) on the Jewish Question in America, which he called the world's foremost problem. *The Dearborn Independent* was distributed nationwide to Ford dealer showrooms and was offered free of charge to the general public. At its peak, circulation reached 700,000 readers. He later published the articles as a four-volume set of books. At the Nuremberg Tribunal, Baldur Von Shirach, Hitler Youth Leader, said he had been influenced through reading these books. The work was also quoted in *Mein Kampf* by Adolf Hitler. This volume reprints the articles from October 9, 1920 to March 19, 1921. This four-volume set is an important document in the history of anti-semiticism in America.

henry ford international jew: *The Jew in the Modern World* Paul R. Mendes-Flohr, Jehuda Reinharz, 1995 The last two centuries have witnessed a radical transformation of Jewish life. Marked by such profound events as the Holocaust and the establishment of the state of Israel, Judaism's long journey through the modern age has been a complex and tumultuous one, leading many Jews to ask themselves not only where they have been and where they are going, but what it means to be a Jew in today's world. Tracing the Jewish experience in the modern period and illustrating the transformation of Jewish religion, culture, and identity from the 17th century to 1948, the updated edition of this critically acclaimed volume of primary materials remains the most complete sourcebook on modern Jewish history. Now expanded to supplement the most vital documents of the first edition, *The Jew in the Modern World* features hitherto unpublished and inaccessible sources concerning the Jewish experience in Eastern Europe, women in Jewish history, American Jewish life, the Holocaust, and Zionism and the nascent Jewish community in Palestine on the eve of the establishment of the State of Israel. The documents are arranged chronologically in each of eleven chapters and are meticulously and extensively annotated and cross-referenced in order to provide the student with ready access to a wide variety of issues, key historical figures, and events. Complete with some twenty useful tables detailing Jewish demographic trends, this is a unique resource for any course in Jewish history, Zionism and Israel, the Holocaust, or European and American history.

henry ford international jew: *The International Jew: Jewish activities in the United States* Henry Ford, 1921

henry ford international jew: *The International Jew* Henry Ford, 2017 The Title 'The International Jew' written/authored/edited by Henry Ford', published in the year 2017.

henry ford international jew: *The New Jewish Canon* Yehuda Kurtzer, Claire E. Sufrin, 2020-08-04 "Extraordinarily rich, lively and illuminating. ... [The editors] have succeeded magnificently in achieving their goal." —*Jewish Journal* The late twentieth and early twenty-first centuries have been a period of mass production and proliferation of Jewish ideas, and have witnessed major changes in Jewish life and stimulated major debates. *The New Jewish Canon* offers a conceptual roadmap to make sense of such rapid change. With over eighty excerpts from key primary source texts and insightful corresponding essays by leading scholars, on topics of history and memory, Jewish politics and the public square, religion and religiosity, and identities and communities, *The New Jewish Canon* promises to start conversations from the seminar room to the dinner table. *The New Jewish Canon* is both text and textbook of the Jewish intellectual and communal zeitgeist for the contemporary period and the recent past, canonizing our most important

ideas and debates of the past two generations; and just as importantly, stimulating debate and scholarship about what is yet to come.

henry ford international jew: *Hollywood and Anti-Semitism* Steven Alan Carr, 2001 This book examines the role of American Jews in the entertainment industry, from the turn of the century to the outbreak of World War II. Eastern European Jewish immigrants are often credited with building a film industry during the first decade of the twentieth century that they dominated by the 1920s. In this study, Steven Carr reconceptualizes Jewish involvement in Hollywood by examining prevalent attitudes towards Jews among American audiences. Analogous to the Jewish Question of the nineteenth century, which was concerned with the full participation of Jews within public life, the Hollywood Question of the 1920s, 30s, and 40s addressed the Jewish population within mass media. This study reveals the powerful set of assumptions concerning ethnicity and media influence as related to the role of the Jew in the motion picture industry.

henry ford international jew: *The European Left and the Jewish Question, 1848-1992* Alessandra Tarquini, 2021-07-02 This book examines how left-wing political and cultural movements in Western Europe have considered Jews in the last two hundred years. The chapters seek to answer the following question: has there been a specific way in which the Left has considered Jewish minorities? The subject has taken various shapes in the different geographical contexts, influenced by national specificities. In tandem, this volume demonstrates the extent to which left-wing movements share common trends drawn from a collective repertoire of representations and meanings. Highlighting the different aspects of the subject matter, the chapters in this book are divided in three parts, each dedicated to a major theme: the contribution of the theorists of Socialism to the Jewish Question; Antisemitism and its representations in left-wing culture; and the perception of the Arab-Israeli conflict. Taken together, these three themes allow for a multidisciplinary analysis of the relationship between the Left and Jews from the second half of the nineteenth century to recent times.

henry ford international jew: *Antisemitism in America* Leonard Dinnerstein, 1995-11-02 Is antisemitism on the rise in America? Did the hymietown comment by Jesse Jackson and the Crown Heights riot signal a resurgence of antisemitism among blacks? The surprising answer to both questions, according to Leonard Dinnerstein, is no--Jews have never been more at home in America. But what we are seeing today, he writes, are the well-publicized results of a long tradition of prejudice, suspicion, and hatred against Jews--the direct product of the Christian teachings underlying so much of America's national heritage. In *Antisemitism in America*, Leonard Dinnerstein provides a landmark work--the first comprehensive history of prejudice against Jews in the United States, from colonial times to the present. His richly documented book traces American antisemitism from its roots in the dawn of the Christian era and arrival of the first European settlers, to its peak during World War II and its present day permutations--with separate chapters on antisemitism in the South and among African-Americans, showing that prejudice among both whites and blacks flowed from the same stream of Southern evangelical Christianity. He shows, for example, that non-Christians were excluded from voting (in Rhode Island until 1842, North Carolina until 1868, and in New Hampshire until 1877), and demonstrates how the Civil War brought a new wave of antisemitism as both sides assumed that Jews supported with the enemy. We see how the decades that followed marked the emergence of a full-fledged antisemitic society, as Christian Americans excluded Jews from their social circles, and how antisemitic fervor climbed higher after the turn of the century, accelerated by eugenicists, fear of Bolshevism, the publications of Henry Ford, and the Depression. Dinnerstein goes on to explain that just before our entry into World War II, antisemitism reached a climax, as Father Coughlin attacked Jews over the airwaves (with the support of much of the Catholic clergy) and Charles Lindbergh delivered an openly antisemitic speech to an isolationist meeting. After the war, Dinnerstein tells us, with fresh economic opportunities and increased activities by civil rights advocates, antisemitism went into sharp decline--though it frequently appeared in shockingly high places, including statements by Nixon and his Chairman of the Joint Chiefs of Staff. It must also be emphasized, Dinnerstein writes, that in no Christian country has

antisemitism been weaker than it has been in the United States, with its traditions of tolerance, diversity, and a secular national government. This book, however, reveals in disturbing detail the resilience, and vehemence, of this ugly prejudice. Penetrating, authoritative, and frequently alarming, this is the definitive account of a plague that refuses to go away.

henry ford international jew: Anti-Semitism in American History David A. Gerber, 1986

henry ford international jew: The Great Reformer Austen Ivereigh, 2014-11-25 A biography of Pope Francis that describes how this revolutionary thinker will use the power of his position to challenge and redirect one of the world's most formidable religions An expansive and deeply contextual work, at its heart The Great Reformer is about the intersection of faith and politics--the tension between the pope's innovative vision for the Church and the obstacles he faces in an institution still strongly defined by its conservative past. Based on extensive interviews in Argentina and years of study of the Catholic Church, Ivereigh tells the story not only of Jorge Mario Bergoglio, the remarkable man whose background and total commitment to the discernment of God's will transformed him into Pope Francis--but the story of why the Catholic Church chose him as their leader. With the Francis Revolution just beginning, this biography will provide never-before-explained context on how one man's ambitious program began--and how it will likely end--through an investigation of Francis's youth growing up in Buenos Aires and the dramatic events during the Perón era that shaped his beliefs; his ongoing conflicts and disillusionment with the ensuing doctrines of an authoritarian and militaristic government in the 1970s; how his Jesuit training in Argentina and Chile gave him a unique understanding and advocacy for a Church of the Poor; and his rise from Cardinal to the papacy.

henry ford international jew: *Jewish Activities in the United States* Dearborn Independent, 1921

henry ford international jew: The International Jew: The World's Foremost Problem; Volume 3 Henry Ford, 2022-10-26 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

henry ford international jew: The Plot Against America Philip Roth, 2004-10-05 Philip Roth's bestselling alternate history—the chilling story of what happens to one family when America elects a charismatic, isolationist president—is soon to be an HBO limited series. In an extraordinary feat of narrative invention, Philip Roth imagines an alternate history where Franklin D. Roosevelt loses the 1940 presidential election to heroic aviator and rabid isolationist Charles A. Lindbergh. Shortly thereafter, Lindbergh negotiates a cordial “understanding” with Adolf Hitler, while the new government embarks on a program of folksy anti-Semitism. For one boy growing up in Newark, Lindbergh’s election is the first in a series of ruptures that threaten to destroy his small, safe corner of America—and with it, his mother, his father, and his older brother. A terrific political novel . . . Sinister, vivid, dreamlike . . . creepily plausible. . . You turn the pages, astonished and frightened.” — The New York Times Book Review

henry ford international jew: The Wicked Son David Mamet, 2009-09-15 David Mamet's interest in anti-Semitism is not limited to the modern face of an ancient hatred but encompasses as well the ways in which many Jews have internalized that hatred. Using the metaphor of the Wicked Son at the Passover seder (the child who asks, What does this story mean to you?) Mamet confronts what he sees as an insidious predilection among some Jews to exclude themselves from the equation and to seek truth and meaning anywhere--in other religions, political movements, mindless entertainment--but in Judaism itself. He also explores the ways in which the Jewish tradition has long been and still remains the Wicked Son in the eyes of the world. Written with the searing honesty and

verbal brilliance that is the hallmark of Mamet's work, *The Wicked Son* is a powerfully thought-provoking look at one of the most destructive and tenacious forces in contemporary life.

henry ford international jew: FDR and the Jews Richard Breitman, Allan J. Lichtman, 2013-03-19 Nearly seventy-five years after World War II, a contentious debate lingers over whether Franklin Delano Roosevelt turned his back on the Jews of Hitler's Europe. Defenders claim that FDR saved millions of potential victims by defeating Nazi Germany. Others revile him as morally indifferent and indict him for keeping America's gates closed to Jewish refugees and failing to bomb Auschwitz's gas chambers. In an extensive examination of this impassioned debate, Richard Breitman and Allan J. Lichtman find that the president was neither savior nor bystander. In *FDR and the Jews*, they draw upon many new primary sources to offer an intriguing portrait of a consummate politician-compassionate but also pragmatic-struggling with opposing priorities under perilous conditions. For most of his presidency Roosevelt indeed did little to aid the imperiled Jews of Europe. He put domestic policy priorities ahead of helping Jews and deferred to others' fears of an anti-Semitic backlash. Yet he also acted decisively at times to rescue Jews, often withstanding contrary pressures from his advisers and the American public. Even Jewish citizens who petitioned the president could not agree on how best to aid their co-religionists abroad. Though his actions may seem inadequate in retrospect, the authors bring to light a concerned leader whose efforts on behalf of Jews were far greater than those of any other world figure. His moral position was tempered by the political realities of depression and war, a conflict all too familiar to American politicians in the twenty-first century.

henry ford international jew: The American Jewish Experience Hebrew Union College-Jewish Institute of Religion. Center for the Study of the American Jewish Experience, 1986

henry ford international jew: Nazi Nexus Edwin Black, 2009-03-01 *Nazi Nexus* is the long-awaited wrap-up in a single explosive volume that details the pivotal corporate American connection to the Holocaust. The biggest names and crimes are all there. IBM and its facilitation of the identification and accelerated destruction of the Jews; General Motors and its rapid motorization of the German military enabling the conquest of Europe and the capture of Jews everywhere; Ford Motor Company for its political inspiration; the Rockefeller Foundation for its financing of deadly eugenic science and the program that sent Mengele into Auschwitz; the Carnegie Institution for its proliferation of the concept of race science, racial laws, and the very mathematical formula used to brand the Jews for systematic destruction; and others.

henry ford international jew: *The Color Line and the Assembly Line* Elizabeth Esch, 2018-05-04 *The Color Line and the Assembly Line* tells a new story of the impact of mass production on society. Global corporations based originally in the United States have played a part in making gender and race everywhere. Focusing on Ford Motor Company's rise to become the largest, richest, and most influential corporation in the world, *The Color Line and the Assembly Line* takes on the traditional story of Fordism. Contrary to popular thought, the assembly line was perfectly compatible with all manner of racial practice in the United States, Brazil, and South Africa. Each country's distinct racial hierarchies in the 1920s and 1930s informed Ford's often divisive labor processes. Confirming racism as an essential component in the creation of global capitalism, Elizabeth Esch also adds an important new lesson showing how local patterns gave capitalism its distinctive features.

henry ford international jew: *Redcoats' Revenge* David Fitz-Enz, David G. Fitz-Enz, 2011-09 What if, on September 11, 1814, the United States had lost the close-run battle that Winston Churchill called the most decisive of the War of 1812? With a victory at Plattsburgh, would the British have eventually been able to regain control of their former colonies? Only one fleeting moment on Lake Champlain might have been needed to forever alter the young country's history and return it to the grip of King George III. *Redcoats' Revenge* brings the most successful field commander in history, the Duke of Wellington, to North America in 1814. A coalition of eight European countries has recently defeated Napoleon. With the emperor's threat to England eradicated, Wellington releases the most powerful military juggernaut for service in the Western

Hemisphere. His audacious plan sends him and his avenging veteran redcoats plunging straight south from Lake Champlain toward New York City. In Washington, the streets crackle with tension at the news of British ships on the Chesapeake. The White House is promptly evacuated and the capital left undefended when a diversionary force approaches the city and chokes off Baltimore. President James Madison must now decide which of his generals is capable of successfully facing off with the Iron Duke. No friend of the tyrannical Maj. Gen. Andrew Jackson, Madison finally agrees that he may be the only commander with any hope of matching Wellington. *Redcoats' Revenge* is a vivid montage of the personalities and battles--real and quite possible--of the War of 1812. With its clever and compelling premise, this exciting alternate history will enthrall readers and reveal just how close the United States was to becoming a British colony once again.

henry ford international jew: *Why the Jews?* Dennis Prager, Joseph Telushkin, 2007-11-01 From the bestselling authors of *The Nine Questions People Ask About Judaism* comes a completely revised and updated edition of a modern classic that reflects the dangerous rise in antisemitism during the twenty-first century. The very word Jew continues to arouse passions as does no other religious, national, or political name. Why have Jews been the object of the most enduring and universal hatred in history? Why did Hitler consider murdering Jews more important than winning World War II? Why has the United Nations devoted more time to tiny Israel than to any other nation on earth? In this seminal study, Dennis Prager and Joseph Telushkin attempt to uncover and understand the roots of antisemitism -- from the ancient world to the Holocaust to the current crisis in the Middle East. This postmillennial edition of *Why the Jews?* offers new insights and unparalleled perspectives on some of the most recent, pressing developments in the contemporary world, including: • The replicating of Nazi antisemitism in the Arab world • The pervasive anti-Zionism/antisemitism on university campuses • The rise of antisemitism in Europe • Why the United States and Israel are linked in the minds of antisemites Clear, persuasive, and thought provoking, *Why the Jews?* is must reading for anyone who seeks to understand the unique role of the Jews in human history.

henry ford international jew: *The Jews of the United States, 1654 to 2000* Hasia R. Diner, 2006-05-30 Annotation A history of Jews in American that is informed by the constant process of negotiation undertaken by ordinary Jews in their communities who wanted at one and the same time to be good Jews and full Americans.

henry ford international jew: *Dear Mendl, Dear Reyzl* Alice Nakhimovsky, Roberta Newman, 2014-04-15 "Explore[s] the Jewish past via letters that reflect connections and collisions between old and new worlds." —Jewish Book Council At the turn of the 20th century, Jewish families scattered by migration could stay in touch only through letters. Jews in the Russian Empire and America wrote business letters, romantic letters, and emotionally intense family letters. But for many Jews who were unaccustomed to communicating their public and private thoughts in writing, correspondence was a challenge. How could they make sure their spelling was correct and they were organizing their thoughts properly? A popular solution was to consult brivnshtelers, Yiddish-language books of model letters. *Dear Mendl, Dear Reyzl* translates selections from these model-letter books and includes essays and annotations that illuminate their role as guides to a past culture. "Covers a neglected aspect of Jewish popular culture and deserves a wide readership. For all serious readers of Yiddish and immigrant Jewish culture and customs." —Library Journal "Delivers more than one would expect because it goes beyond a linguistic study of letter-writing manuals and explicates their genre and social function." —Slavic Review "Reproductions of brivnshtelers form the core of the book and comprise the majority of the text, providing a ground-level window into a largely obscured past." —Publishers Weekly "The real delight of the book is in reading the letters themselves . . . Highly recommended." —AJL Reviews

henry ford international jew: *The Transfer Agreement* Edwin Black, 2008-08-19 The *Transfer Agreement* is Edwin Black's compelling, award-winning story of a negotiated arrangement in 1933 between Zionist organizations and the Nazis to transfer some 50,000 Jews, and \$100 million of their assets, to Jewish Palestine in exchange for stopping the worldwide Jewish-led boycott threatening to

topple the Hitler regime in its first year. 25th Anniversary Edition.
