i ready cupcake game: **Like Carrot Juice on a Cupcake** Julie Sternberg, 2014-03-18 I did a mean thing. A very mean thing. I HATE that I did it. But I did. This is worse than carrot juice on a cupcake or a wasp on my pillow or a dress that's too tight at the neck. In the third installment from the team who created Like Pickle Juice on a Cookie and Like Bug Juice on a Burger, Eleanor's

relationship with her best friend, Pearl, experiences its first growing pains. When a glamorous new student transfers to school, at first Eleanor's excited about the possibility of a new friend. But when Pearl is assigned to be the new girl's buddy, Eleanor fears she can't compete. To make matters worse, Eleanor's been chosen for the lead role in the springtime musical, which means she has to sing a solo in front of the entire school! From overcoming stage fright to having a secret crush, young readers will relate to Eleanor as she navigates the bittersweet waters of growing up. Praise for *Like Carrot Juice on a Cupcake* STARRED REVIEW Sternberg again displays her talent at putting Eleanor on the horns of a common youthful dilemma in accessible prose. --Bulletin of the Center for Children's Books, starred review This is another very true-to-life story about the challenges of growing up. Julie Sternberg captures young emotions so perfectly! --School Library Monthly The measures Eleanor takes to right her wrongs and rise to challenges are beautifully revealed in Sternberg's spare text, which leaves plenty of room for the reader to empathize. Like Eleanor, this series continues to grow and blossom. --Booklist The pen and ink drawings capture facial expressions and emotions quite well. A good addition for most early-chapter-book collections. --School Library Journal

But while Racket retains the functional goodness of Lisp, it was designed with beginning programmers in mind. Realm of Racket is your introduction to the Racket language. In Realm of Racket, you'll learn to program by creating increasingly complex games. Your journey begins with the Guess My Number game and coverage of some basic Racket etiquette. Next you'll dig into syntax and semantics, lists, structures, and conditionals, and learn to work with recursion and the GUI as you build the Robot Snake game. As you progress through the games, chapter checkpoints and challenges help reinforce what you've learned. Offbeat comics keep things fun along the way. As you travel through the Racket realm, you'll: -Master the quirks of Racket's syntax and semantics -Learn to write concise and elegant functional programs -Create a graphical user interface using the 2htdp/image library -Create a server to handle true multiplayer games Realm of Racket is a lighthearted guide to some serious programming. i ready cupcake game: Soul to Steal M.A. Guglielmo, 2020-05-21 She's stolen souls, she's stolen cars, but is Zahara foolish enough to lose her heart to her former enemy? Zahara, a jinn who'd rather go shopping than haunting, is back in the human world enjoying cool fashion, hot cars, and hotter men—anything to avoid obsessing over Harut, the fallen angel who saved her life and stole her heart in Morocco. Besides, her usually disapproving mother has given her an important quest: find and protect a half-human cousin who's gained strange new magical powers. Jo Bianchi adores fixing cars, country music, and her Iranian-American girlfriend, Parisa. Even after Harut saves her life when she's attacked by a magical bird from Persian legend, and Zahara pops in to talk her into an out-of-this-world family reunion, Jo doesn't want to believe she's been marked for death because of a cursed gift, or that she and her girlfriend's supernatural relatives are bitter enemies. As battle lines are drawn between magical tribes, Zahara's forced to choose between her family and her feelings for Harut, while Jo is stunned to discover she and Parisa are on opposite sides. And while the fighting rages, a far greater threat to them all is waiting to be unleashed...

i ready cupcake game: Rookie's Regret Gina Azzi, 2022-09-08 Lioness. That's the first word that comes to mind when I see the brilliant redhead selling cupcakes at the hockey arena. With the soul of an artist and the spirit of a nomad, Bea Turner is gorgeous, quirky, and refreshing. She's also my teammate's little sister. As the Tennessee Thunderbolts' Rookie, I should steer clear. I'm here to play hockey and provide much-needed financial security for my family. To do that, I need to avoid distractions. Bea doesn't just distract me; she flips my world upside down. One bad joke has me pursuing her. One date and I crave more. Calling her mine? Well, now I'm dreaming of a future. The life of a hockey player — trades, travel, uncertainty — isn't for the heart of a creative. Bea desires adventure and possibility, not early morning skates and strict exercise regimens. When I'm thrust into a situation at odds with Bea's dream career, I know I can't hold her back. If we're meant to be, we'll make it work. But what if we're not? What if my greatest regret is letting my lioness go?
