Early Life and Education of Judge Jeanine Pirro

Family Background and Upbringing

Judge Jeanine Pirro was born on June 2, 1951, in Elmira, New York. Raised in a working-class family of Lebanese descent, her parents instilled values of ambition and perseverance. Her father worked as a mobile-home salesman and her mother was a department store model. This multicultural background contributed to her distinctive perspective and drive for success.

Academic Excellence

Pirro demonstrated exceptional academic talent from an early age. She attended Notre Dame High School in Elmira, where she excelled in her studies and participated in debate. Her commitment to education led her to pursue higher learning at the State University of New York at Buffalo, earning a Bachelor of Arts degree. Driven by a passion for justice, she continued her academic journey at Albany Law School, obtaining her Juris Doctor in 1975.

During her time in law school, Pirro interned at the local district attorney's office, setting the stage for her future career.

Legal Career and Breakthroughs

Early Roles in Law

After graduating from law school, Jeanine Pirro joined the Westchester County District Attorney's Office as an Assistant District Attorney. In this role, she quickly earned a reputation for her skill in prosecuting cases involving violent crimes, domestic abuse, and child protection. Pirro's dedication to victims and her assertive courtroom demeanor distinguished her among her peers.

Breaking Barriers for Women in Law

Judge Jeanine Pirro's history is notable for her role as a trailblazer for women in the legal profession. She became the first female judge elected in Westchester County, New York, in 1990. Her ascent to this position represented a significant breakthrough, inspiring other women to pursue careers in law and public service.

- First female Assistant District Attorney in Westchester County
- Pioneered specialized domestic violence units
- Advocated for child protection and victims' rights
- Championed legal reforms in family law

Service as District Attorney and Judge

Tenure as Westchester County District Attorney

Pirro was elected as Westchester County District Attorney in 1993, becoming the first woman to hold this office. Her tenure was characterized by aggressive prosecution of high-profile cases, a commitment to combating domestic violence, and modernizing the DA's office. She established innovative programs to support victims and implemented technology upgrades to enhance case management.

Judicial Service and Leadership

Before her time as District Attorney, Pirro served as a judge on the Westchester County Court. Her judicial decisions reflected a tough-on-crime philosophy and a deep commitment to justice. Pirro's leadership on the bench earned her respect within the legal community and solidified her reputation as a formidable legal mind.

High-Profile Cases and Achievements

Notable Legal Cases

Judge Jeanine Pirro's history includes several high-profile legal cases that attracted national attention. She led the prosecution in cases involving organized crime, public corruption, and violent felonies. Her handling of the infamous Kieran O'Connor murder case and investigations into child abuse rings demonstrated her determination and expertise.

Awards and Honors

Pirro's accomplishments were recognized with numerous awards throughout her career. She received the "Outstanding Prosecutor of the Year" award and was frequently honored by victims' rights organizations for her advocacy. Her innovative approaches to domestic violence and child abuse prosecution became models for other jurisdictions.

1. Outstanding Prosecutor of the Year
2. Victims' Rights Advocate Awards
3. Community Leadership Citations
4. Recognition from legal associations

Transition to Television and Media

Becoming a National Media Personality

Judge Jeanine Pirro's history took a new direction in the mid-2000s when she transitioned from the courtroom to the national media spotlight. She became a frequent commentator on legal and political issues, appearing on major news networks and talk shows. Her expertise and bold opinions made her a sought-after guest on programs addressing crime, justice, and current events.

Hosting “Justice with Judge Jeanine”

In 2011, Pirro launched her own television program, “Justice with Judge Jeanine,” which quickly gained popularity for its direct style and in-depth analysis of legal issues. The show became a platform for her to discuss high-profile cases, current events, and legal controversies, further cementing her status as a media influencer.

Authorship and Public Speaking

Beyond television, Pirro has authored several books on law, politics, and her personal experiences. Her books have provided insight into her views on justice and the American legal system. She is also a frequent keynote speaker at conferences, legal conventions, and public events, sharing her expertise and insights into the judicial process.

Controversies and Public Perception

Legal and Political Controversies

Judge Jeanine Pirro’s history has not been without controversy. Her outspoken political views and involvement in high-profile debates have attracted both support and criticism. Pirro’s bid for political office, including a run for New York Attorney General and U.S. Senate, raised questions about the intersection of law and politics.

Media Criticism and Support

As a media personality, Pirro has faced scrutiny for her commentary on sensitive issues. Critics have challenged her positions, while supporters appreciate her candor and assertiveness. These controversies have contributed to her complex public image and ongoing relevance in American discourse.

- Political campaign controversies
- Media criticism for outspoken views
- Support from conservative audiences
- Debates over judicial impartiality

Legacy and Influence

Impact on Law and Media

Judge Jeanine Pirro's history includes lasting contributions to both law and media. Her pioneering work as a female prosecutor and judge opened doors for women in the legal profession. Her media presence has influenced public understanding of legal issues and brought courtroom discussions to mainstream television audiences.

Enduring Recognition

Pirro's career is recognized as a model of determination and achievement. She remains an influential figure in legal circles and continues to shape public conversations about justice, crime, and politics. Her legacy is defined by her commitment to victims, legal innovation, and her ability to adapt to changing roles in society.

- Role model for aspiring female lawyers and judges
- Influential legal commentator and author
- Advocate for crime victims and legal reform
- Ongoing presence in national media

Judge Jeanine Pirro History: A Career Marked by Controversy and Conviction

Judge Jeanine Pirro. The name alone evokes strong reactions. For decades, she's been a prominent figure in American media, known for her outspoken views and controversial statements. But beyond the headlines and heated debates, lies a fascinating and complex history. This in-depth exploration delves into the life and career of Judge Jeanine Pirro, examining her legal career, her rise to television stardom, and the controversies that have defined her public image. We'll navigate the key events that shaped her trajectory, providing a comprehensive overview of her journey from district attorney to influential television personality.

From Prosecutor to Political Figure: The Early Years

Born in 1951, Jeanine Pirro's early life laid the groundwork for her future career. Her education, culminating in a law degree from Fordham University School of Law, provided the bedrock of her legal expertise. This strong academic foundation was complemented by her ambition and drive. Pirro quickly established herself as a formidable prosecutor in Westchester County, New York. Her career as a District Attorney was marked by high-profile cases and a reputation for pursuing justice aggressively. This period cemented her image as a tough, uncompromising figure, a persona that would later serve her well in the media spotlight. Her climb through the ranks showcased her unwavering commitment and demonstrated her ability to navigate the complex world of criminal justice.

The Rise to Television Fame and Fox News

After her career as District Attorney, Pirro transitioned to television, a move that would catapult her into national prominence. Her appearances on various news programs highlighted her strong opinions and her ability to articulate them persuasively. This led to her securing a coveted spot on Fox News, where she became a regular contributor and eventually host of her own show, "Justice with Judge Jeanine." This marked a significant shift in her career, from a figure within the legal system to a prominent voice shaping public opinion. The platform afforded her the opportunity to share her perspectives on a wide range of legal and political issues, often provoking significant

debate and discussion.

Controversies and Criticisms: Navigating Public Opinion

Pirro's outspokenness and often controversial statements have been a defining characteristic of her television career. Her strong conservative views, frequently expressed on her show, have sparked numerous controversies and attracted substantial criticism. These criticisms range from accusations of bias to claims of promoting divisive rhetoric. While some praise her forthrightness and willingness to express unpopular opinions, others condemn her commentary as inflammatory and harmful. Analyzing these controversies provides crucial insight into the complexities of her public image and the ongoing debate surrounding her role in the media landscape. Understanding the context of these controversies requires a nuanced look at both her arguments and the reactions they elicit.

Analyzing Judge Pirro's Impact: A Lasting Legacy?

Judge Jeanine Pirro's career has been undeniably impactful, shaping not only her own professional trajectory but also influencing public discourse on important legal and political matters. Her time as a District Attorney left a mark on the legal landscape, while her television career significantly impacted public opinion. The enduring legacy of Judge Jeanine Pirro, however, remains a subject of ongoing debate. Her supporters highlight her dedication to justice and her fearless expression of her beliefs. Critics, on the other hand, point to her controversial statements and their potential contribution to polarization. Ultimately, evaluating her legacy requires considering both the positive and negative aspects of her long and influential career.

Beyond the Headlines: A Deeper Look at the Person

Beyond the public persona, understanding Judge Jeanine Pirro requires considering the complexities of her personal life and the various factors that have shaped her worldview. Exploring her family life and personal experiences provides context to her public image, allowing for a more complete and nuanced understanding of the woman behind the headlines.

Conclusion

Judge Jeanine Pirro's history is a compelling narrative of ambition, success, and controversy. Her journey from a dedicated prosecutor to a highly visible television personality reflects a multifaceted career shaped by her strong convictions and unwavering determination. While her impact remains a subject of ongoing debate, understanding her history offers valuable insight into the dynamics of the legal profession, the media landscape, and the complexities of public discourse in modern America.

FAQs

1. What is Judge Jeanine Pirro's educational background? She holds a law degree from Fordham University School of Law.

3. When did Judge Jeanine Pirro start her career at Fox News? The exact date isn't readily available in a single, easily verifiable source, but it was several years after her time as District Attorney.
4. What are some of the most prominent controversies surrounding Judge Jeanine Pirro? Her outspoken views on various political and social issues, particularly those expressed on her Fox News show, have frequently generated controversy and criticism.
5. What is Judge Jeanine Pirro's current role? While her future projects are subject to change, she remains a significant figure in conservative media circles.

judge jeanine pirro history: He Killed Them All Jeanine Pirro, 2015-11-03 Former prosecutor Jeanine Pirro—the “true hero” (New York Post) of the hit HBO documentary series *The Jinx*—offers the transfixing true story of her tireless fifteen-year investigation into accused murderer Robert Durst for the disappearance of his wife Kathleen Durst. Former district attorney Jeanine Pirro was cast as the bad guy fifteen years ago when she reopened the cold case of Kathleen Durst, a young and beautiful fourth-year medical student who disappeared without a trace in 1982, never to be seen again. Kathie Durst’s husband was millionaire real estate heir Robert Durst, son of one of the wealthiest families in New York City—but though her friends and family suspected him of the worst, he escaped police investigation. Pirro, now the host of *Justice with Judge Jeanine* on Fox News, always believed in Durst’s guilt, and in this shocking book, she makes her case beyond a shadow of a doubt, revealing stunning, previously unknown secrets about the crimes he is accused of committing. For years, Pirro has crusaded for justice for the victims, and her impassioned perspective in the captivating HBO documentary series *The Jinx* made her one of its breakout stars. Featuring Pirro’s unique insider’s perspective on the crimes, as well as her exclusive interviews with many of the major players featured in *The Jinx*, this comprehensive book is the definitive story of Robert Durst and his gruesome crimes—the one you didn’t see on television.

judge jeanine pirro history: *To Punish and Protect* Jeanine Pirro, Catherine Whitney, 2015-06-16 Former prosecutor Jeanine Pirro's *To Punish and Protect* challenges us to have the will and the courage to wage war on the predators roaming our streets, and to avenge their victims. The office of the district attorney is a battleground, where the fight between good and evil unfolds each day. We see the ugliest side of life, the pain that people go through for no reason. They didn't do anything. They didn't ask for it. Yet here they are, living their personal nightmares. We cannot take away their pain, or turn back time to undo the damage, but we can be the avengers. We can seek justice on their behalf. So begins this riveting account by the former Westchester County District Attorney, Jeanine Pirro, as she takes us inside the violent world of modern crime fighting. Before Pirro was elected DA in 1993, the job was always considered a man's domain, demanding a macho toughness. Pirro can be as tough as any man, and yet she adds an important new dimension to the role. She believes that being tough on crime means much more than just filling the jails. She goes beyond her role to punish criminals, to be a passionate advocate for the victims of crime. In *To*

Punish and Protect, Pirro brings readers face to face with the gruesome realities of her daily battles, and tells the true, heartbreaking stories of the victims - the slaughter of a young woman and her two children by a jealous, enraged boyfriend; a teenage girl forced to assume wifely duties after her father murdered her stepmother; a nine-year-old boy chained to a radiator in a dark room and nearly starved to death, as the rest of the family went about its business; a gentle, hardworking man shot fatally in a dispute over a parking place, because he was black; an eighty-year-old woman, savagely beaten by her son and left for two days on the cold floor of her apartment; a beautiful woman whose wealth and privilege could not prevent her murder at the hands of a violent husband; and a group of young girls lured into a sexual nightmare by a cunning predator posing as a trustworthy youth counselor. Pirro presents hard truths about the ways in which parents, communities, and the justice system share complicity in fostering an environment of danger to our children. She describes the dark world of Internet pedophiles and hate mongers, who are allowed to hide behind First Amendment protections to gain access to kids in their own bedrooms. She offers a harsh judgment on parents who fail to address the deadly consequences of teen drinking, and even host keg parties in their homes, while alcohol continues to take young lives and destroy families. Pirro delivers a bold indictment of the criminal justice system, and asks whether we as a nation are truly committed to justice. Increasingly, she warns, our laws, attitudes, and behaviors seem to be veering away from what we say is our moral core as a nation. We say that we exalt good and punish evil, yet we do the opposite. We turn criminals into celebrities, and view victims with suspicion. If we're going to make our communities safer and our society less violent, we need to do more than just pay lip service to our ideals.

judge jeanine pirro history: Don't Lie to Me Jeanine Pirro, 2020-09-22 Judge Jeanine Pirro, author of two New York Times bestsellers, exposes the lies and distortions of the president's enemies. It's been nearly four years since President Trump took office, and Judge Jeanine Pirro has had enough of the left's countless lies and false accusations. She is now forced to ask: How could anyone vote against President Trump this November? What more could you possibly want? In *Don't Lie to Me*, Judge Jeanine brings her signature writing style and acute legal mind to topics such as the impeachment inquiry, the military, and the road to the 2020 presidential election. She will highlight President Trump's triumphs and his strength during the coronavirus crisis.

judge jeanine pirro history: Sly Fox Judge Jeanine Pirro, 2012-07-17 Westchester, New York, 1976 -- Cocaine abuse is rampant, the county courthouse is a boys' club, and men are still legally permitted to beat their wives. Enter Dani Fox, the feisty, ambitious twenty-five-year-old assistant district attorney tired of feeling like an outsider and hungry to bring abusers to justice. Dani confronts emotionally challenging crime scenes and uncooperative colleagues, facing threats to her safety--and even the safety of her pet pig, Wilbur--in order to protect society's silent victims. Spearheading the country's first domestic violence unit in a shifting legal landscape, Dani must find allies where she can, especially when she discovers a seemingly simple case has some shocking twists. But who can she trust, and which of her colleagues will she end up battling both in and out of the courtroom? Drawing from her own past as a dynamic, hard-charging former district attorney, Emmy-winning Judge Jeanine Pirro's debut page-turner is ripped from the headlines, full of gripping details, authentic thrills, and suspenseful realism that can only come from a courtroom litigator who's been in the trenches.

judge jeanine pirro history: Liars, Leakers, and Liberals Jeanine Pirro, 2018-07-17 Get the story the Fake News media doesn't want you to hear in the #1 New York Times bestseller: a withering indictment of the Deep State plot against Trump and a firsthand account of the real presidency, based on interviews with the Trump family and top administration officials. At this point in American history, we are the victims of a liberal sabotage of the presidency unlike anything we've ever witnessed. Nevertheless President Trump continues to fight every day to keep his promise to Make America Great Again. Today that bold idea has already led to a conservative judge on the Supreme Court, tax reform, and deregulation that has unleashed an economy stronger than anyone could have imagined. But there are dark forces that seek to obstruct and undermine the president

and reverse the results of the 2016 presidential election. They are part of a wide-ranging conspiracy that would seem incredible if it weren't being perpetrated openly. Driven by ambition, blinded by greed, and bound by a common goal -- to unseat the 45th President of the United States -- this cabal is determined to maintain its wrongful hold on national political power. Fox News host Jeanine Pirro uncovers the elements of this conspiracy, including: Fake news propaganda, Law enforcement corruption at the highest levels, National security leaks by the intelligence community, Bureaucratic resistance to lawful and constitutional executive orders issued by the duly elected president, Crooked deals with foreign governments by U.S. officials sworn to defend our Constitution. It's about time the American public knows the truth about the plot to bring down the Trump presidency. By the time you've finished this book, you'll agree with Judge Pirro that the only way to stop these hoodlums is to Take Them Out in Cuffs!

judge jeanine pirro history: Radicals, Resistance, and Revenge Judge Jeanine Pirro, 2019-08-27 Picking up where her #1 New York Times bestseller, *Liars, Leakers, and Liberals* left off, Judge Jeanine Pirro exposes the latest chapter in the unfolding liberal attack on our most basic values. Donald Trump's presidency has been under siege by the Left and their Deep State fellow travelers who concocted an outrageous case of conspiracy with Russia to keep him from doing what he was elected to do: secure America's borders, revive its economy, drain the Washington DC swamp, and restore our constitutional republic. Overturning presidential elections, nationalizing private industries like healthcare and education, destroying America's borders, erasing its national identity, and effectively silencing conservative voices in the cybersphere and public square are a few examples of the lengths to which the far-left progressives and socialists will go to destroy the America we love. *Radicals, Resistance, and Revenge* features Judge Jeanine's keen analysis of explosive information about the anti-Trump conspirators, their corrupt methods and possible crimes, and the Left's subversive plot against the foundation of American liberty. Judge Jeanine is sounding the alarm and calling out those who despise our most cherished ideals and institutions to warn patriotic Americans before it's too late.

judge jeanine pirro history: The Education of Brett Kavanaugh Robin Pogrebin, Kate Kelly, 2019-09-17 A remarkable work of slowed-down journalism...They are doing their jobs as journalists and writing the first draft of history. —Jill Filipovic, *The Washington Post* ...Generous but also damning. —Hanna Rosin, *The New York Times* From two New York Times reporters, a deeper look at the formative years of Supreme Court Justice Brett Kavanaugh and his confirmation. In September 2018, the F.B.I. was given only a week to investigate allegations of sexual misconduct against Brett Kavanaugh, President Trump's Supreme Court nominee. But even as Kavanaugh was sworn in to his lifetime position, many questions remained unanswered, leaving millions of Americans unsettled. During the Senate confirmation hearings that preceded the bureau's brief probe, New York Times reporters Robin Pogrebin and Kate Kelly broke critical stories about Kavanaugh's past, including the Renate Alumni yearbook story. They were inundated with tips from former classmates, friends, and associates that couldn't be fully investigated before the confirmation process closed. Now, their book fills in the blanks and explores the essential question: Who is Brett Kavanaugh? *The Education of Brett Kavanaugh* paints a picture of the prep-school and Ivy-League worlds that formed our newest Supreme Court Justice. By offering commentary from key players from his confirmation process who haven't yet spoken publicly and pursuing lines of inquiry that were left hanging, it will be essential reading for anyone who wants to understand our political system and Kavanaugh's unexpectedly emblematic role in it.

judge jeanine pirro history: Ladies Who Punch Ramin Setoodeh, 2019-04-02 THE INSTANT NEW YORK TIMES AND WALL STREET JOURNAL BESTSELLER Like *Fire & Fury*, the gossipy real-life soap opera behind a serious show. When Barbara Walters launched *The View*, network executives told her that hosting it would tarnish her reputation. Instead, within ten years, she'd revolutionized morning TV and made household names of her co-hosts: Joy Behar, Star Jones, Meredith Vieira and Elisabeth Hasselbeck. But the daily chatfest didn't just comment on the news. It became the news. And the headlines barely scratched the surface. Based on unprecedented access,

including stunning interviews with nearly every host, award-winning journalist Ramin Setoodeh takes you backstage where the stars really spoke their minds. Here's the full story of how Star, then Rosie, then Whoopi tried to take over the show, while Barbara struggled to maintain control of it all, a modern-day Lear with her media-savvy daughters. You'll read about how so many co-hosts had a tough time fitting in, suffered humiliations at the table, then pushed themselves away, feeling betrayed—one nearly quitting during a commercial. Meanwhile, the director was being driven insane, especially by Rosie. Setoodeh uncovers the truth about Star's weight loss and wedding madness. Rosie's feud with Trump. Whoopi's toxic relationship with Rosie. Barbara's difficulty stepping away. Plus, all the unseen hugs, snubs, tears—and one dead rodent. Ladies Who Punch shows why The View can be mimicked and mocked, but it can never be matched.

judge jeanine pirro history: The War for America's Soul Sebastian Gorka, 2019-10-08 "Take it from someone who has been on the inside, who understands the fight we are currently in, and who knows what must be done to save our country. Dr. Sebastian Gorka's latest book, *The War for America's Soul*, leverages the former White House strategist's expertise, driven by his determination to preserve what made America great in the first place." — MARK LEVIN Our country is at war with itself. On one side are American patriots, dedicated to freedom under the Constitution; on the other side are leftists campaigning not just to win elections, but to radically transform the nation. In this political war for the soul of our country, America's patriots need a strategist with a blueprint for victory. Luckily, we have such a man in Dr. Sebastian Gorka—a former strategist for President Trump and now a nationally syndicated radio host and a fearless culture warrior. In his essential new book, *The War for America's Soul*, Dr. Gorka shows how America's elite—in both parties—betrayed our heartland, sabotaged the American dream, and accepted national decline as inevitable. It took a candidate with remarkable vision, dauntless courage, and unbreakable determination to change the narrative. That man was Donald Trump. A candidate who owed no favors to special interests, Trump articulated a new American nationalism that has been an extraordinary force for economic and political renewal.

judge jeanine pirro history: Don't Lie to Me Jeanine Pirro, 2020-09-22 Judge Jeanine Pirro, author of two New York Times bestsellers, puts the Trump-hating left on trial and exposes the lies and distortions of the president's enemies. It's been nearly four years since President Trump took office, and Judge Jeanine Pirro has had enough of the left's countless lies and false accusations. She is now forced to ask: How could anyone vote against President Trump this November? What more could you possibly want? In *Keep Right!*, Judge Jeanine brings her signature lively writing style and acute legal mind to topics such as the impeachment inquiry, the military, and the road to the 2020 presidential election. She will highlight President Trump's triumphs and his strength during the coronavirus crisis.

judge jeanine pirro history: The Cost Maria Bartiromo, James Freeman, 2020-10-27 The world needs a strong America, and America needs an economic revival after the Coronavirus season of shutdowns. Can the playbook that resulted in the greatest job market in history put Americans back to work? From the first moments of his presidency, Donald J. Trump put US economic revival at the top of his agenda. Cutting red tape and slashing business tax rates made companies eager to locate in America again. A surge in corporate investment led to record numbers of US job openings. But there was also another force at work at the start of the Trump era, and it's impossible to provide a fair accounting of Trump's governance without noting the unique obstacles he's faced. The President's critics styled themselves "The Resistance," as if they were confronting a tyrant at the head of an invading army rather than their duly elected President. Much of the media establishment regularly—and wrongly—accused him of betraying the country. Most disturbing was the resistance movement inside government, formed even before the 2016 election, which unleashed unprecedented surveillance against Donald Trump. The political and media warfare has never ended. Just as an impeachment case collapsed in the Senate earlier this year, the world was beginning to realize how large a threat the Chinese communist government had become—and what it had been hiding in Wuhan. The destruction caused by the coronavirus is the latest and greatest

test for the Trump prosperity agenda. Once again the health and wealth of the world depend on US leadership for economic revival. This is the story of the man US voters chose to lead in 2016 and will soon consider to lead again.

judge jeanine pirro history: Rise Brigitte Gabriel, 2018-09-11 YOU NEVER REALLY OWN FREEDOM, YOU ONLY PRESERVE IT FOR THE NEXT GENERATION. From New York Times best-selling author Brigitte Gabriel This book is critical to your family and your personal freedom. Will you sit back and watch the greatest country our world has ever known slowly fade away? Or will you rise?

judge jeanine pirro history: Fox Populism Reece Peck, 2019-01-03 Fox Populism offers fresh insights into why the Fox News Channel has been both commercially successful and politically effective. Where existing explanations of Fox's appeal have stressed the network's conservative editorial slant, Reece Peck sheds light on the importance of style as a generative mode of ideology. The book traces the historical development of Fox's counter-elite news brand and reveals how its iconoclastic news style was crafted by fusing two class-based traditions of American public culture: one native to the politics in populism and one native to the news field in tabloid journalism. Using the network's coverage of the late-2000s economic crisis as the book's principal case study, Peck then shows how style is deployed as a political tool to frame news events. A close analysis of top-rated programs reveals how Fox hails its audience as 'the real Americans' and successfully represents narrow, conservative political demands as popular and universal.

judge jeanine pirro history: Indianapolis Lynn Vincent, Sara Vladic, 2019-05-21 NEW YORK TIMES BESTSELLER * "GRIPPING...THIS YARN HAS IT ALL." —USA TODAY * "A WONDERFUL BOOK." —The Christian Science Monitor * "ENTHRALLING." —Kirkus Reviews (starred review) * "A MUST-READ." —Booklist (starred review) A human drama unlike any other—the riveting and definitive full story of the worst sea disaster in United States naval history. Just after midnight on July 30, 1945, the USS Indianapolis is sailing alone in the Philippine Sea when she is sunk by two Japanese torpedoes. For the next five nights and four days, almost three hundred miles from the nearest land, nearly nine hundred men battle injuries, sharks, dehydration, insanity, and eventually each other. Only 316 will survive. For the first time Lynn Vincent and Sara Vladic tell the complete story of the ship, her crew, and their final mission to save one of their own in "a wonderful book...that features grievous mistakes, extraordinary courage, unimaginable horror, and a cover-up...as complete an account of this tragic tale as we are likely to have" (The Christian Science Monitor). It begins in 1932, when Indianapolis is christened and continues through World War II, when the ship embarks on her final world-changing mission: delivering the core of the atomic bomb to the Pacific for the strike on Hiroshima. "Simply outstanding...Indianapolis is a must-read...a tour de force of true human drama" (Booklist, starred review) that goes beyond the men's rescue to chronicle the survivors' fifty-year fight for justice on behalf of their skipper, Captain Charles McVay III, who is wrongly court-martialed for the sinking. "Enthralling...A gripping study of the greatest sea disaster in the history of the US Navy and its aftermath" (Kirkus Reviews, starred review), Indianapolis stands as both groundbreaking naval history and spellbinding narrative—and brings the ship and her heroic crew back to full, vivid, unforgettable life. "Vincent and Vladic have delivered an account that stands out through its crisp writing and superb research...Indianapolis is sure to hold its own for a long time" (USA TODAY).

judge jeanine pirro history: Sean of the South Sean Dietrich, 2015-11-30 The first volume of a collection of short stories by Sean Dietrich, a writer, humorist, and novelist, known for his commentary on life in the American South. His humor and short fiction appear in various publications throughout the Southeast.

judge jeanine pirro history: The Multifront War Kenneth Abramowitz, 2020-10-08 America is fighting a major international war, says the author. Yet, the country does not really know it. Moreover, the war is being waged on a multitude of distinct fronts—both internal and external. The United States is wholly unprepared to fight a unified battle. Threat analyst Kenneth Abramowitz carefully takes us through the first step—recognition. He then ushers readers into the bold realm of

mounting a multifaceted defense that will save America as a Democracy with the capacity to continually improve and thrive. Third edition.

judge jeanine pirro history: Obama Exposed Philip Berg, 2017-11-22 5 years in the making, this book represents the hard work and dedication that world renown political advocate, lawyer and activist has put into proving that Barack Obama was not qualified to be the President, and has and continues to commit acts of treason against America, even now that he is out of office. This is a true eye opener, with Phil's first person accounting of events. If you only read one such book on this topic, this should be the one! Obama Exposed details Obama's birth; his parents' divorce; his mother's remarriage; his adoption in Indonesia, where his name became Barry Soetoro; his illegal terms as U.S. Senator and President; all of Obama's scandals; and why he must be brought to justice! Berg, a life-long Democrat and a Life Member of the NAACP, has pursued his efforts to expose Obama because of Obama's blatant disregard of the U.S. Constitution and Obama's ongoing efforts to change the United States to the detriment of its citizens. Obama Exposed discusses: Eric Holder and his conflict-of-interest; Benghazi cover-up; Obama not enforcing his red line in Syria and the repercussions; Obamacare - repeal or major changes; sealing the southern border; change 2008 immigration law; Obama bowing down to Foreign Leaders; Obama not saluting the American Flag and not wearing an American flag pin; the scandals and major issues including: IRS - abolish; Fast & Furious; ISSI/ISSL - Radical Islams; VA; Illegal Immigration; Israel/Hamas conflict; Bergdahl prisoner exchange; Obama taking away our 1st and 2nd Amendments, Freedom of Speech and Right to Bear Arms; AP; Marine Sgt. Andrew Tahmoore; Malaysia MH17 - Obama could have avoided the destruction; illegal aliens, Cuba; Community College; Keystone Pipeline; Bill Clinton's comments; Rush Limbaugh; Donald Trump; Judge Jeanine Pirro; Oprah Winfrey; and Jane Fonda. Berg also includes chapters on Obama's lies and treason.

judge jeanine pirro history: *Trump's America* Newt Gingrich, 2018-06-05 From the #1 New York Times bestselling author of *Understanding Trump*, this essential book reveals the truth about the Trump presidency and explains his groundbreaking plans for our nation and world (Rush Limbaugh). No one understands the Make America Great Again effort with more insight and experience than former Speaker of the House Newt Gingrich. From his enthusiastic support of the Reagan administration to the 1994 Republican Revolution, he has spearheaded many successful initiatives to fight the Washington swamp, challenge the establishment, and restore conservative influence for his entire career. With his political expertise, Gingrich -- who has been called the President's chief explainer -- presents a clear picture of this historic presidency and its tremendous positive impact on our nation and the world. From the fight over the Southern Border Wall to the unending efforts to undermine and oppose the President, he unmasks all branches of the anti-Trump coalition, reveals the flaws in their ideological assaults, and offers a battle plan for those in Trump's America to help the President defeat these attacks. Throughout *Trump's America*, Gingrich distills decades of experience fighting Washington elites with a lifetime of studying history to help us understand how we can all keep working to make America great.

judge jeanine pirro history: *Women Who Work* Ivanka Trump, 2017-05-02 NEW YORK TIMES BESTSELLER! Ivanka is donating the unpaid portion of her advance and all future royalties received from *Women Who Work* to the Ivanka M. Trump Charitable Fund, a donor advised fund that will make grants to organizations that empower and educate women and girls.* This is a chatty step-by-step guide to living a happy life and getting ahead in a career. —USA Today The advice is spot-on for everyone, not just women. —Tony Hsieh, CEO of Zappos.com and author of *Delivering Happiness* I believe that when it comes to women and work, there isn't one right answer. The only person who can create a life you'll love is you. Our grandmothers fought for the right to work. Our mothers fought for the choice to be in an office or to stay at home. Our generation is the first to fully embrace and celebrate the fact that our lives are multidimensional. Thanks to the women who came before us and paved the way, we can create the lives we want to lead—which look different for each of us. I've been fortunate to be able to build my career around my passions, from real estate to fashion. But my professional titles only begin to describe who I am and what I value. I have been an

executive and an entrepreneur, but also—and just as importantly—a wife, mother, daughter, and friend. To me, “work” encompasses my efforts to succeed in all of these areas. After appearing on *The Apprentice* years ago and receiving a flood of letters from young women asking for guidance, I realized the need for more female leaders to speak out publicly in order to change the way society thinks and talks about “women who work.” So I created a forum to do just that. This book evolves the conversation that started on IvankaTrump.com, where so many incredible women (and men!) have shared their experiences, advice, ambitions, and passions. Women who work lead meetings and train for marathons. We learn how to cook and how to code. We inspire our employees and our children. We innovate at our current jobs and start new businesses. *Women Who Work* will equip you with the best skills I’ve learned from some of the amazing people I’ve met, on subjects such as identifying opportunities, shifting careers smoothly, negotiating, leading teams, starting companies, managing work and family, and helping change the system to make it better for women—now and in the future. I hope it will inspire you to redefine success and architect a life that honors your individual passions and priorities, in a way only you can. * The Ivanka M. Trump Charitable Fund (the “Fund”) is a donor advised fund that supports the economic empowerment of women and girls. Ivanka Trump is the grant advisor to the Fund and sole member of IT WWW Pub, LLC (the “LLC”), which receives royalties from the publication of *Women Who Work*. The LLC will contribute a minimum \$425,000 to the Fund, which is the unpaid portion of the advance, net of expenses. In addition, the LLC will contribute all future royalties it receives that are in excess of the advance to the Fund during the period from May 1, 2017 to May 1, 2022.

judge jeanine pirro history: *Opportunity Knocks* Senator Tim Scott, 2020-04-14 In this memoir about overcoming adversity in America, the U. S. Senator responsible for creating opportunity zones explains how hard work and community growth can drive businesses and end poverty. Senator Tim Scott knows adversity. As the son of a single mother from North Charleston, South Carolina, he struggled to get through school and had his dreams of a college football career shattered by a car wreck. But thanks to his mother and a few mentors along the way, he learned that failure isn't failure unless you quit. He also learned that it's hard work and perseverance, not a government handout, that will get you ahead in life. Today, Senator Scott is the only black Republican in the Senate, and he believes that investment and commerce are the best ways to rebuild our most impoverished communities. This is the idea behind his signature piece of legislation, the opportunity zones program, which President Trump has strongly endorsed. The program provides tax incentives for businesses that invest in low-income urban areas, seeking to replace things like welfare and government assistance. In *Opportunity Knocks*, Senator Scott will tell his life story with a focus on adversity and opportunity. He will teach readers about the principles of hard work and hope while addressing the dangers of veering too far toward socialist policies. The book will also not shy away from discussions of racism and racial inequality in the United States and will recount some of Senator Scott's own brushes with racism as well as the many discussions he's had with people who want to help, including President Trump.

judge jeanine pirro history: *Everything Trump Touches Dies* Rick Wilson, 2018-08-07 From Rick Wilson—longtime Republican strategist, political commentator, *Daily Beast* contributor—the #1 New York Times bestseller about the disease that is destroying the conservative movement and burning down the GOP: *Trumpism*. Includes an all-new chapter analyzing Trump's impact on the 2018 elections. In the #1 New York Times bestselling *Everything Trump Touches Dies*, political campaign strategist and commentator Rick Wilson delivers “a searingly honest, biting funny, comprehensive answer to the question we find ourselves asking most mornings: ‘What the hell is going on?’” (*Chicago Tribune*). The *Guardian* hails *Everything Trump Touches Dies*, saying it gives, “more unvarnished truths about Donald Trump than anyone else in the American political establishment has offered. Wilson never holds back.” Rick mercilessly exposes the damage Trump has done to the country, to the Republican Party, and to the conservative movement that has abandoned its principles for the worst President in American history. Wilson unblinkingly dismantles Trump's deceptions and the illusions to which his supporters cling, shedding light on the guilty

parties who empower and enable Trump in Washington and in the media. He calls out the race-war dead-enders who hitched a ride with Trump, the alt-right basement dwellers who worship him, and the social conservatives who looked the other way. Publishers Weekly calls it, "a scathing, profane, unflinching, and laugh-out-loud funny rebuke of Donald Trump and his presidency." No left-winger, Wilson is a lifelong conservative who delivers his withering critique of Trump from the right. A leader of the Never Trump movement, he warned from the start that Trump would destroy the lives and reputations of everyone in his orbit, and *Everything Trump Touches Dies* is a deft chronicle the tragicomic political story of our time. From the early campaign days through the shock of election night, to the inconceivable train-wreck of Trump's first year. Rick Wilson provides not only an insightful analysis of the Trump administration, but also an optimistic path forward for the GOP, the conservative movement, and the country. "Hilarious, smartly written, and usually spot-on" (Kirkus Reviews), *Everything Trump Touches Dies* is perfect for those on either side of the aisle who need a dose of unvarnished reality, a good laugh, a strong cocktail, and a return to sanity in American politics.

judge jeanine pirro history: Aristotle on the Nature of Community Adriel M. Trott, 2014
Adriel M. Trott reads Aristotle's *Politics* through the internal cause definition of nature to develop an active and inclusive account of politics.

judge jeanine pirro history: China's Vision of Victory Jonathan D T Ward, 2019-03-31
Someday we may say that we never saw it coming. After seventy-five years of peace in the Pacific, a new challenger to American power has emerged, on a scale not seen in generations. Working from a deep sense of national destiny, the Chinese Communist Party is guiding a country of 1.4 billion people towards what it calls the great rejuvenation of the Chinese nation, and, with it, the end of an American-led world. Will this generation witness the final act for America as a superpower? Can American ingenuity, confidence, and will power outcompete the long-term strategic thinking and planning of China's Communist Party? These are the challenges that will shape the next decade and more. *China's Vision of Victory* brings the reader to a new understanding of China's planning, strategy, and ambitions. From seabed to space, from Africa to the Arctic, from subsurface warfare to the rise of China's global corporations, this book will illuminate for the reader the new great game of our lifetimes, and how our adversary sees it all.

judge jeanine pirro history: 1620 Peter W. Wood, 2020-11-10 Was America founded on the auction block in Jamestown in 1619 or aboard the Mayflower in 1620? The controversy erupted in August 2019 when the New York Times announced its 1619 Project. The Times set to transform history by asserting that all the laws, material gains, and cultural achievements of Americans are rooted in the exploitation of African-Americans. Historians have pushed back, saying that the 1619 Project conjures a false narrative out of racial grievance. This book sums up what the critics have said and argues that the traditional starting point for the American story--the signing of the Mayflower Compact aboard ship before the Pilgrims set foot in the Massachusetts wilderness--is right. A nation as complex as ours, of course, has many starting points, including the Declaration of Independence in 1776. But if we want to understand where the quintessential ideas of self-government and ordered liberty came from, the deliberate actions of the Mayflower immigrants in 1620 count much more than the near accidental arrival in Virginia fifteen months earlier of a Portuguese slave ship commandeered by English pirates. Schools across the country have already adopted The Times' radical revision of history as part of their curricula. The stakes are high. Should children be taught that our nation is, to its bone, a 400-year-old system of racist oppression? Or should we teach children that what has always made America exceptional is its pursuit of liberty and justice for all?

judge jeanine pirro history: The Power of Respect Deborah Norville,

judge jeanine pirro history: A Republic, If You Can Keep It Neil Gorsuch, 2019-09-10 NEW YORK TIMES BESTSELLER • Justice Neil Gorsuch reflects on his journey to the Supreme Court, the role of the judge under our Constitution, and the vital responsibility of each American to keep our republic strong. As Benjamin Franklin left the Constitutional Convention, he was reportedly asked

what kind of government the founders would propose. He replied, "A republic, if you can keep it." In this book, Justice Neil Gorsuch shares personal reflections, speeches, and essays that focus on the remarkable gift the framers left us in the Constitution. Justice Gorsuch draws on his thirty-year career as a lawyer, teacher, judge, and justice to explore essential aspects of our Constitution, its separation of powers, and the liberties it is designed to protect. He discusses the role of the judge in our constitutional order, and why he believes that originalism and textualism are the surest guides to interpreting our nation's founding documents and protecting our freedoms. He explains, too, the importance of affordable access to the courts in realizing the promise of equal justice under law—while highlighting some of the challenges we face on this front today. Along the way, Justice Gorsuch reveals some of the events that have shaped his life and outlook, from his upbringing in Colorado to his Supreme Court confirmation process. And he emphasizes the pivotal roles of civic education, civil discourse, and mutual respect in maintaining a healthy republic. *A Republic, If You Can Keep It* offers compelling insights into Justice Gorsuch's faith in America and its founding documents, his thoughts on our Constitution's design and the judge's place within it, and his beliefs about the responsibility each of us shares to sustain our distinctive republic of, by, and for "We the People."

judge jeanine pirro history: Preventable Andy Slavitt, 2021-06-15 * NATIONAL BESTSELLER
* "Painfully good. The book could have been called, 'Outrageous.' The story Andy Slavitt tells is not just about Trump's monumental failures but also about the deeper ones that started long before, with our health system, our politics, and more." --Atul Gawande, author of *Being Mortal*
The definitive, behind-the-scenes look at the U.S. Coronavirus crisis from one of the most recognizable and influential voices in healthcare From former Biden Senior Advisor Andy Slavitt, *Preventable* is the definitive inside account of the United States' failed response to the Coronavirus pandemic. Slavitt chronicles what he saw and how much could have been prevented -- an unflinching investigation of the cultural, political, and economic drivers that led to unnecessary loss of life. With unparalleled access to the key players throughout the government on both sides of the aisle, the principal public figures, as well as the people working on the frontline involved in fighting the virus, Slavitt brings you into the room as fateful decisions are made and focuses on the people at the center of the political system, health care system, patients, and caregivers. The story that emerges is one of a country in which -- despite the heroics of many -- bad leadership, political and cultural fractures, and an unwillingness to sustain sacrifice light a fuse that is difficult to extinguish. Written in the tradition of *The Big Short*, *Preventable* continues Andy Slavitt's important work of addressing the uncomfortable realities that brought America to this place. And, he puts forth the solutions that will prevent us from being here again, ensuring a better, stronger country for everyone.

judge jeanine pirro history: The Gutfeld Monologues Greg Gutfeld, 2019-07-02 The New York Times bestselling collection from FOX News star Greg Gutfeld features his best and pithiest monologues on the current state of the world, covering everything from pop culture to politics, annotated for the modern day with all new content. "Wherever I go, I am hit repeatedly by the same question: where can I read your monologues? It should be easy to find these little nuggets of knowledge." Well, now it is. In the past few years, Fox News host Greg Gutfeld has covered everything from crazed academics, to unhinged celebrities, to the wildest election in recent history on his shows *The Five* and *The Greg Gutfeld Show*. In *The Gutfeld Monologues*, he brings together his best and favorite monologues in this funny, unconventional collection for new and longtime fans alike. Scored through with marginal edits, scratch-outs, 20/20 hindsight, and up-to-the-minute commentary on what he got wrong, this book isn't your typical anthology collection. With his signature humor, wit, and insight, Greg explains it all in this memorable collection about some of our country's most crucial—and not so crucial—modern moments.

judge jeanine pirro history: Taken for Granted Gianno Caldwell, 2019-11-12 A Fox News political analyst tackles some of our communities' toughest challenges with timely insight from his own life: the story of how conservative values helped a kid from the South Side of Chicago find a life of opportunity. "A must-read."—Brian Kilmeade, bestselling author of *Sam Houston* and *the Alamo*

Avengers Born to a mother consumed by drugs and raised by his grandmother in poverty on the South Side of Chicago, Gianni Caldwell saw firsthand how lawmakers from both parties have failed African American voters on issues like poverty, welfare, and education. But as someone who beat the odds growing up under a fear-based mentality that limits what people can achieve, Caldwell believes there's another way. In this groundbreaking book, the Fox News analyst describes his personal journey while detailing a hopeful vision for a nation no longer beholden to identity politics and self-limitations. Trapped within the expectations and traditions of our communities, families, political parties, faith, race, and gender, we fail to challenge our politicians and ourselves to create real change. Now more than ever, we need to confront preconceived notions about the Democrats and Republicans, public policy, and American history. Looking at the obstacles facing urban communities, such as crime, education, and social mobility, Caldwell digs beneath the statistics. By spotlighting the moments that enabled his rise to success, he proffers steps that can help more people overcome the odds—whether through policy reform or the heroic efforts of men and women who are already working to make a difference in their own communities.

judge jeanine pirro history: Better Than Ever April Osteen Simons, 2021-09-14 What will you do today? Sometimes we get stuck in life, doing the same thing day in and day out. We can become unmotivated and unfulfilled, longing for a change. But every day presents the chance to begin anew, to see circumstances and situations differently, and to choose the path that leads to a life that's better than ever. With personal stories and her signature humor, April Osteen Simons reminds us that we have a choice every day to embrace the positive and turn away from the negative. By appreciating what we have, focusing on where we want to be, and remembering that God is with us and wants the best for us, we can take the necessary steps to live a happier, healthier, more hopeful life. This is a celebration of all that life has to offer. You're invited to remember that God wants you to enjoy every day, finding your place of purpose, fulfillment, and happiness. Soon, you'll see that you are living a life that is better than ever.

judge jeanine pirro history: Witch Hunt Gregg Jarrett, 2019-10-08 The author of the #1 New York Times bestseller *The Russia Hoax* picks up where that book ended with this hard-hitting, well-reasoned examination of the latest findings about "collusion" between the Trump Administration and the Russians, offering further proof that Special Counsel Robert Mueller's investigation is nothing more than a politically motivated witch hunt. How did a small group of powerful intelligence officials convince tens of millions of Americans that the president is a traitor, without a shred of evidence? Now that every detail and argument set forth in *The Russia Hoax* has been borne out by the Mueller report, Jarrett returns with *Witch Hunt*, providing a hard-hitting, well-reasoned evisceration of what may be the dirtiest trick in political history. No marks have ever been as gullible as distraught Democrats in 2016. Washington insiders broke rule after rule investigating the president, chasing a conspiracy that turned out not to exist. Somehow this was spun into Donald Trump having something to hide. People associated with the president were pushed into plea deals that had nothing to do with Russian "collusion" or discouraged from serving by the threat of huge legal bills. Somehow this was spun into Trump's lawyers being bullies. The president complained that the investigation was a waste of time, but he allowed it to continue unimpeded to the end. Somehow this was spun into obstruction of justice. In *Witch Hunt*, Gregg Jarrett uncovers the bureaucratic malfeasance and malicious politicization of our country's justice system. The law was weaponized for partisan purposes. Even though it was Hillary Clinton's campaign that collected and disseminated a trove of lies about Trump from a former British spy and Russian operatives, Democrats and the media spun this into a claim that Trump was working for the Russians. Senior officials at the FBI, blinded by their political bias and hatred of Trump, went after the wrong person. At the DOJ, the deputy attorney general discussed secretly recording the president and recruiting members of the cabinet to depose Trump. Those behind the Witch Hunt have either been fired or resigned. Many of them are now under investigation for abuse of power. But what about the pundits who concocted wild narratives in real time on television, or the newspapers which covered the fact that rumors were being investigated without investigating the

facts themselves? Factual, highly persuasive, and damning, this must-read expose makes clear that not only was there no “collusion,” but there was not even a basis for Mueller’s investigation of the charge that has attacked Trump and his administration for more than two years. It’s always been a Witch Hunt.

judge jeanine pirro history: *For Such a Time as This* Kayleigh McEnany, 2021-12-07 Kayleigh McEnany describes her path to the White House podium, bringing the reader behind the scenes in the world’s most powerful building and illuminating how faith got her through. If you would have told me that in the year 2020 I would stand at the White House podium and communicate with the American people as COVID-19 ravaged the globe and violent protests beset the nation, I would have told you that you were crazy. But Jesus Christ had this very plan for my life. From White House intern to White House press secretary, from production assistant to national television host, from Catholic all-girls high school to Harvard Law School, God has guided my path through uncharted territory. In *For Such a Time as This*, I will chronicle my journey to the White House and offer never-before-told anecdotes about what really happened within the Trump administration. You will experience some of the most high stakes moments in the West Wing right alongside me as I reveal how faith got me through.

judge jeanine pirro history: *How I Saved the World* Jesse Watters, 2021-07-06 The conservative political commentator shares his story—and his outlook on America’s future—in this #1 New York Times bestseller. In *How I Saved the World*, Jesse Watters takes readers on a tour of his life from basement-dwelling Fox minion to pampered champion of right-thinking Americans. He has divined great truths about the nature of our country while stumbling across beaches asking oblivious college students basic political questions and while stumbling out of Air Force One with the President. Interspersed are his thoughtful suggestions for overcoming left-wing radicalism, maintaining American democracy, moving beyond aging hippies (like his long-suffering, loving parents), saving the world from social justice warriors and the deep state—all while smirking his way through life in only the nicest way. Watters outlines the stark choice ahead of us between all-American hamburgers and leftist Green New Deal breadlines (okay, maybe that one is a no-brainer) and shows the way for order and fairness to be restored. A manifesto and a call-to-arms from a man for all seasons, *How I Saved the World* is a hilarious, enlightening, entertaining book with a reasonable chance of winning a Nobel Prize in every category, even chemistry.

judge jeanine pirro history: *I Still Believe* Russ Taff , Tori Taff , Mark Smeby, 2019-02-26 *I Still Believe* is a story that spans decades of multiple Grammy winner and Christian music icon Russ Taff’s life, told from the first-hand perspective of Russ and his wife, Tori. You’ve seen the movie; now get the complete, unflinchingly honest details of the journey from childhood abuse to massive success with music, from the searing pain of addiction to his hard-won recovery. Russ opens up in-depth for the first time about the shame and trauma that irrefutably impacted his faith, his family, and his career. But woven throughout *I Still Believe* is a miraculous testament to the power of love—from God, family, and friends, but especially from Tori, who was fierce in her love for her best friend who was slowly disappearing before her eyes. But this relentless love and a lot of hard work helped Russ move out of hiding and into the light of recovery and acceptance. Above all, this is a story about hope. Hope for anyone who feels they have been hurt too badly, fallen too far, or caused too much damage along the way. This memoir stands as a testament that in spite of seemingly insurmountable odds, there is always reason to keep believing. Russ and Tori’s beautifully broken story will encourage any reader that there is no need to be defined or held back by the trauma of the past; instead, life can be rooted in and restored through faith, recovery, love, and the promise that God will never let you go.

judge jeanine pirro history: *9 Rules of Engagement* Harris Faulkner, 2018-06-05 The Emmy award-winning news anchor of *Outnumbered Overtime* with Harris Faulkner and co-host of the talk show *Outnumbered* shares the lessons she learned growing up in a military family paying homage to the military ideals that shaped her and showing how everyone can benefit from bringing the wisdom of military service into their lives. Born into a military family, Harris Faulkner revered her father, a

decorated career officer who served three tours of duty in Vietnam and raised his children with the values and ideals of the U.S. military. Accompanying him from posting to posting, young Harris experienced firsthand how success in life was rooted in the knowledge, integrity, and leadership that came from her military surroundings. Indeed, these formative lessons in leadership and work ethic became the guiding principles for her career as a journalist, lessons she credits with her rise to become one of the top hosts on Fox News. Now, she shares the advice, wisdom, and tools that she absorbed through her military upbringing, examining how these ideals have shaped her professional and personal outlook and how everyone can incorporate them into their own lives. Using her father's career as the backdrop to her experience, she explores the lessons in courage, duty, patriotism, and responsibility that helped her succeed, demonstrating the truth to the axiom that in military families everyone serves—together. Along the way she also interviews current and former military families, generals and other officers, and tells stories from her father's career to illuminate how and why the message and mission of the military is so effective at changing lives both on and off the battlefield. Illustrated with sixteen pages of never-before-seen photos of her early life and career, this instructive book, part memoir, part motivational life guide, reminds us of our most important values—the keys to a successful life.

judge jeanine pirro history: The Mueller Report Department Of Justice, 2019-03-11 The ongoing Special Counsel investigation (also referred to as the Mueller Probe or Mueller Investigation) is a United States law enforcement and counterintelligence investigation of the Russian government's efforts to interfere in the 2016 presidential election. This investigation includes any possible links or coordination between Donald Trump's presidential campaign and the Russian government, and any matters that arose or may arise directly from the investigation. The scope of the investigation reportedly includes potential obstruction of justice by Trump and others. The investigation, since it began on May 17, 2017, has been conducted by the United States Department of Justice Special Counsel's Office, headed by Robert Mueller, a Republican and former Director of the Federal Bureau of Investigation (FBI). This book chronicles the legal actions Mueller has taken against Trump's associates in the 2016 Presidential Elections.

judge jeanine pirro history: Woke, Inc. Vivek Ramaswamy, 2021-08-17 AN INSTANT NEW YORK TIMES BESTSELLER! A young entrepreneur makes the case that politics has no place in business, and sets out a new vision for the future of American capitalism. There's a new invisible force at work in our economic and cultural lives. It affects every advertisement we see and every product we buy, from our morning coffee to a new pair of shoes. "Stakeholder capitalism" makes rosy promises of a better, more diverse, environmentally-friendly world, but in reality this ideology championed by America's business and political leaders robs us of our money, our voice, and our identity. Vivek Ramaswamy is a traitor to his class. He's founded multibillion-dollar enterprises, led a biotech company as CEO, he became a hedge fund partner in his 20s, trained as a scientist at Harvard and a lawyer at Yale, and grew up the child of immigrants in a small town in Ohio. Now he takes us behind the scenes into corporate boardrooms and five-star conferences, into Ivy League classrooms and secretive nonprofits, to reveal the defining scam of our century. The modern woke-industrial complex divides us as a people. By mixing morality with consumerism, America's elites prey on our innermost insecurities about who we really are. They sell us cheap social causes and skin-deep identities to satisfy our hunger for a cause and our search for meaning, at a moment when we as Americans lack both. This book not only rips back the curtain on the new corporatist agenda, it offers a better way forward. America's elites may want to sort us into demographic boxes, but we don't have to stay there. *Woke, Inc.* begins as a critique of stakeholder capitalism and ends with an exploration of what it means to be an American in 2021—a journey that begins with cynicism and ends with hope.

judge jeanine pirro history: Don't Be a Victim Nancy Grace, 2020-09-22 Discover gripping true crime stories and the surprising tools you need to keep you and your family safe -- from iconic legal commentator, TV journalist, and New York Times bestselling author Nancy Grace. judge jeanine pirro history: The Fair Labor Standards Act Ellen C. Kearns, Monica Gallagher, 1999

judge jeanine pirro history: The MAGA Doctrine Charlie Kirk, 2020-03-03 NEW YORK TIMES BESTSELLER. The movement that brought Donald Trump to the White House has better ideas than the old right or the new left. It's time that the rest of America started listening. The Tea Party began as a protest for patriots who feared Big Government. President Trump has become a hero for patriots who are against Big Everything. Fed up with Silicon Valley, the media, liberal higher education, the military-industrial complex, Twitter mobs, swamp monsters, Big Pharma, out-of-control prosecutors, and gun-grabbing fascists, ordinary Americans miss the days when America cared about rule of the people, by the people, and for the people. Remember when you didn't feel bombarded on all sides by coastal billionaires and their government stooges? The MAGA Doctrine urges an overdue restoration of self-rule by a populace long taken for granted by its rulers. Turning Point USA founder and social media superstar Charlie Kirk explains once and for all why a New York real estate magnate found an audience among young conservatives all over the country. Trump and his allies are working to protect all the small things that both parties dismissed: local businesses, families, churches, and the rights of the individual. Kirk explains why it took a reality TV superstar to see past the sclerotic and power-hungry institutions, from the United Nations and Google to Harvard and Viacom, working to crush real America. The Trump Doctrine is all about giving you a say in the future of America and a hand in making it happen. As the mainstream media keep churning out lies about the "real reasons" behind the new conservative agenda, Charlie Kirk's The MAGA Doctrine is a powerful reminder of the true narrative of freedom and greatness that swept Donald Trump to the presidency.
