Ronnie's Character Overview in Menace II Society

Introduction to Ronnie's Background

Ronnie is introduced in "Menace II Society" as a nurturing, intelligent, and resilient woman who stands out in the film's gritty environment. She is the girlfriend of Caine's close friend, Pernell, and later develops a significant relationship with Caine himself. Unlike many female characters in urban dramas, Ronnie is depicted as a multidimensional figure, balancing her responsibilities as a mother with her efforts to provide stability and guidance for those around her. Her background, marked by hardship and perseverance, adds authenticity to her character and makes her a relatable figure for viewers.

Ronnie's Personality Traits

- Compassionate and caring
- Protective of her son and loved ones
- Strong-willed and determined
- Empathetic toward Caine's struggles
- Resourceful and practical

Ronnie's personality is a blend of warmth and strength, setting her apart from stereotypical portrayals of women in similar films. Her compassion and resilience make her a stabilizing force in the chaotic lives of the main characters.

Ronnie's Role and Relationships in the Film

Motherhood and Responsibility

One of Ronnie's most defining aspects in "Menace II Society" is her role as a mother to her young son, Anthony. Her devotion to Anthony is consistently highlighted, demonstrating her commitment to providing a better future for him despite the challenges of living in a crime-ridden neighborhood. Ronnie's maternal instincts extend beyond her biological child, as she often serves as a caring figure to Caine, encouraging him to escape the cycle of violence that surrounds him.

Relationship with Pernell and Caine

Initially, Ronnie is connected to Pernell, who is incarcerated, leaving her to raise Anthony alone. Pernell's absence creates a void, and Ronnie's relationship with Caine grows deeper as the narrative progresses. She becomes Caine's confidant and emotional anchor, offering him support, guidance, and the possibility of a better life. Their bond evolves from friendship to romantic involvement, with Ronnie always pushing Caine toward positive change.

Ronnie and Caine: Emotional Impact and

Development

Ronnie's Influence on Caine's Decisions

Throughout "Menace II Society," Ronnie plays a crucial role in shaping Caine's choices and outlook. She encourages him to leave the dangerous environment and provides an alternative path away from crime. Ronnie's unwavering belief in Caine's potential serves as a catalyst for his desire to escape the cycle of violence and seek a new beginning for himself and Anthony.

Key Scenes Featuring Ronnie and Caine

- Ronnie urging Caine to move with her and Anthony for a fresh start
- Emotional conversations about life, hope, and responsibility
- Ronnie comforting Caine during moments of vulnerability
- The final scenes highlighting Ronnie's protective instincts

These scenes illustrate Ronnie's emotional depth and her impact on Caine's development. Her presence brings out his softer side, showcasing the possibility of redemption and change even amidst adversity.

Ronnie's Cultural Significance and Legacy

Representation of Women in Urban Drama

Ronnie's character is significant for her authentic portrayal of a strong, independent woman in an environment often characterized by hardship. She challenges stereotypes of women in urban films by embodying both vulnerability and strength, providing a much-needed counterbalance to the film's intense male energy. Ronnie's story adds layers to the film's narrative, highlighting the experiences of women living in inner-city communities.

Impact on Audience Perception

Audiences have responded positively to Ronnie's character, recognizing her as a symbol of hope and resilience. Her ability to navigate difficult circumstances while maintaining

dignity and compassion has made her an enduring figure in urban cinema. She inspires viewers to consider the importance of strong female influences in the lives of young men faced with adversity.

Portrayal by Jada Pinkett: Performance and Reception

Jada Pinkett's Approach to Ronnie

Jada Pinkett's portrayal of Ronnie is widely praised for its authenticity and emotional depth. Pinkett brings nuance to the role, capturing Ronnie's struggles and aspirations with subtlety and realism. Her performance is a standout in "Menace II Society," contributing significantly to the film's emotional resonance and critical acclaim.

Critical and Audience Reception

- Critics lauded Pinkett's performance for its sincerity and complexity
- Audiences connected with Ronnie's relatable struggles
- Ronnie is frequently cited as one of the most memorable characters in the film

Jada Pinkett's work in "Menace II Society" has established her as a talented actress capable of portraying multifaceted roles, and Ronnie remains a highlight of her career.

Ronnie's Influence on Urban Cinema

Legacy in Film and Pop Culture

Ronnie's character has left a lasting imprint on urban cinema. Her portrayal has paved the way for more complex female characters in films dealing with inner-city life. Ronnie's blend of vulnerability and strength set a precedent for future storytelling, encouraging filmmakers to explore the nuanced realities faced by women in challenging environments.

Inspiration for Future Characters

Subsequent films and television shows have drawn inspiration from Ronnie's character, emphasizing the importance of women's roles in shaping the narratives of urban drama. Her legacy is reflected in the emergence of similarly dynamic female leads who challenge the status quo and demand greater representation.

Frequently Asked Questions About Ronnie in Menace II Society

Menace II Society: Ronnie - A Deeper Dive into the Character and His Impact

The chilling portrayal of Ronnie in the 1993 film Menace II Society remains one of the most unforgettable and unsettling character studies in cinematic history. This isn't just another gangster

film; it's a stark, unflinching look at the cycle of violence and the societal factors that contribute to it, and Ronnie, played with haunting intensity by Larenz Tate, is at its brutal heart. This post delves deep into the character of Ronnie, exploring his motivations, his relationship with Caine, and his lasting impact on viewers and cinematic portrayals of inner-city life. We'll analyze his role in the narrative, his complexities, and the questions he raises about fate, choice, and the consequences of unchecked rage.

Ronnie's Trajectory: From Boy to Killer

Ronnie isn't born a killer; he's molded by his environment. The film masterfully depicts the harsh realities of his upbringing, highlighting the pervasive poverty, gang violence, and lack of opportunity that shape his worldview. We see him struggling with the weight of his circumstances, caught between a desire for something better and the relentless pull of the streets. This isn't a simple good-versus-evil narrative; it's a nuanced exploration of how a young man, confronted with seemingly insurmountable challenges, can make devastating choices. The film doesn't shy away from showing the violence Ronnie witnesses, the fear he experiences, and the desperation that ultimately fuels his actions.

The Weight of Responsibility and the Absence of Hope

Unlike Caine, who embodies a more rebellious and defiant attitude, Ronnie carries a burden of responsibility, often acting as a mediator or peacemaker among his friends. This seemingly positive trait, however, is intertwined with his own internalized trauma and a deep sense of hopelessness. He tries to maintain a sense of order and control in a chaotic world, a futile attempt to escape the predetermined path he feels trapped on. The film subtly suggests that this burdened sense of responsibility, this constant pressure to mediate conflict, only contributes to the volatile tension that ultimately explodes in violence.

Ronnie and Caine: A Complex Brotherhood

The relationship between Ronnie and Caine forms the emotional core of *Menace II Society*. Their brotherhood, built on shared experiences and a common understanding of their environment, is tested repeatedly throughout the film. While Caine's actions are often impulsive and driven by anger, Ronnie displays a more calculated, almost resigned acceptance of violence. Their dynamic is not simply one of friendship; it's a reflection of the interwoven fates of young men caught in a system that has seemingly abandoned them. Ronnie's role is less about driving the plot forward through overt acts of violence and more about amplifying the devastating consequences of the choices Caine makes.

The Mirror Reflecting Societal Failures

The contrasting paths of Ronnie and Caine aren't simply individual choices; they're a reflection of the systemic failures that plague their community. The lack of opportunities, the pervasive presence of drugs and gangs, and the absence of positive role models all contribute to their destructive trajectory. Ronnie's quiet acceptance of violence, his almost weary resignation to his fate, becomes a powerful indictment of a society that has failed its most vulnerable citizens. The film doesn't offer easy answers, but it forces the audience to confront uncomfortable truths about poverty, inequality, and the devastating cycle of violence.

The Lasting Impact of Ronnie's Portrayal

The character of Ronnie continues to resonate with audiences decades after the film's release. His portrayal transcends the stereotypical depictions of gang members often seen in Hollywood. He's a complex character, a product of his environment, who evokes empathy even as he commits terrible acts. His story serves as a cautionary tale, but also as a poignant reminder of the human cost of social injustice and the urgent need for systemic change.

The lasting impact of Ronnie's portrayal lies in his ability to humanize a character who could easily be relegated to a villainous archetype. The film forces us to confront the difficult questions of culpability, responsibility, and the ripple effects of societal neglect.

Conclusion

Ronnie in *Menace II Society* isn't just a character; he's a symbol. He represents the devastating consequences of systemic failures and the complex interplay of individual choice and societal pressures. His story is a chilling testament to the enduring power of environment to shape destiny, and a stark reminder of the urgent need to address the root causes of violence and inequality. The film's enduring power lies not only in its visceral portrayal of violence but also in its nuanced exploration of the human cost of a broken system.

FAQs:

1. Is Ronnie the main character of *Menace II Society*? No, Caine is the main protagonist, but Ronnie plays a crucial supporting role, significantly influencing the narrative and Caine's trajectory.
2. What is the significance of Ronnie's final scene? His quiet acceptance of his fate underscores the film's bleak outlook and the seemingly inescapable cycle of violence.
3. How does Ronnie's character differ from other gangster film portrayals? Ronnie is presented with a level of complexity and empathy rarely seen in stereotypical gangster characters. The film explores his motivations and internal struggles.

4. What is the role of fate versus free will in Ronnie's story? The film subtly explores this tension, suggesting that while Ronnie has agency, his choices are heavily influenced by his environment and circumstances.

5. Does Menace II Society offer solutions to the issues it raises? The film doesn't offer easy answers, but it aims to provoke discussion and raise awareness about the systemic issues contributing to violence and inequality.

menace ii society ronnie: The Eloquent Screen Gilberto Perez, 2019-07-23 A lifetime of cinematic writing culminates in this breathtaking statement on film's unique ability to move us. Cinema is commonly hailed as "the universal language," but how does it communicate so effortlessly across cultural and linguistic borders? In The Eloquent Screen, influential film critic Gilberto Perez makes a capstone statement on the powerful ways in which film acts on our minds and senses. Drawing on a lifetime's worth of viewing and re-viewing, Perez invokes a dizzying array of masters past and present—including Chaplin, Ford, Kiarostami, Eisenstein, Malick, Mizoguchi, Haneke, Hitchcock, and Godard—to explore the transaction between filmmaker and audience. He begins by explaining how film fits into the rhetorical tradition of persuasion and argumentation. Next, Perez explores how film embodies the central tropes of rhetoric—metaphor, metonymy, allegory, and synecdoche—and concludes with a thrilling account of cinema's spectacular capacity to create relationships of identification with its audiences. Although there have been several attempts to develop a poetics of film, there has been no sustained attempt to set forth a rhetoric of film—one that bridges aesthetics and audience. Grasping that challenge, The Eloquent Screen shows how cinema, as the consummate contemporary art form, establishes a thoroughly modern rhetoric in which different points of view are brought into clear focus.

menace ii society ronnie: New York Magazine, 1993-05-31 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

menace ii society ronnie: Under a Bad Sign Jonathan Munby, 2011-06-15 What accounts for the persistence of the figure of the black criminal in popular culture created by African Americans? Unearthing the overlooked history of art that has often seemed at odds with the politics of civil rights and racial advancement, Under a Bad Sign explores the rationale behind this tradition of criminal self-representation from the Harlem Renaissance to contemporary gangsta culture. In this lively exploration, Jonathan Munby takes a uniquely broad view, laying bare the way the criminal appears within and moves among literary, musical, and visual arts. Munby traces the legacy of badness in Rudolph Fisher and Chester Himes's detective fiction and in Claude McKay, Julian Mayfield, and Donald Goines's urban experience writing. Ranging from Peetie Wheatstraw's gangster blues to gangsta rap, he also examines criminals in popular songs. Turning to the screen, the underworld films of Oscar Micheaux and Ralph Cooper, the 1970s blaxploitation cycle, and the 1990s hood movie come under his microscope as well. Ultimately, Munby concludes that this tradition has been a misunderstood aspect of African American civic life and that, rather than undermining black culture, it forms a rich and enduring response to being outcast in America.

menace ii society ronnie: Bitches Brew Ghetto english rock / Attaway, 2011-09-19 Bitches Brew: in the hands of Blackjack Nutmeg. the novel partly inspired by Miles Davis 1970s Jazz album, explores the bend riffs and hard-times many good men experience in turbulent relationships with their significant others (women) in their lives. Bitches Brew exposes and sheds light on many hidden

agenda and wrongs the woman/women play in the role of the deconstruction of humanism along with exposing many of the things women might have always wanted to know in regards of a mans TRUE feelings. And although the project carries the authors of Kenny Attaway & Ghetto English Rock and primarily centers around the lives of Dallas (leading character) and his friends Sal, Aston and Justin, over 200 different men hardships and tribulations have been packed into the novel. Bitches Brew not only explores the troubled relations THE MEN share with their significant others/women in their lives, but the hardships with the other woman in their lives such as their mother (s), daughter (s), sisters and grandmothers. Written and encrusted in/with the life spices of compassionate, honest, wits, understanding and realism--Bitches Brew is one of the best-written, honest and most personal memoirs of our lifetime.

menace ii society ronnie: The Hip-Hop Generation Bakari Kitwana, 2008-08-05 The Hip Hop Generation is an eloquent testament for black youth culture at the turn of the century. The only in-depth study of the first generation to grow up in post-segregation America, it combines culture and politics into a pivotal work in American studies. Bakari Kitwana, one of black America's sharpest young critics, offers a sobering look at this generation's disproportionate social and political troubles, and celebrates the activism and politics that may herald the beginning of a new phase of African-American empowerment.

menace ii society ronnie: Black on Black Celeste A. Fisher, 2006-05-03 Images of violent black masculinity are not new in American culture, but in the late 1980s and early '90s, the social and economic climate in the country contributed to an unprecedented number of films about ghetto life. And while Hollywood reaped financial gains from these depictions, the rest of the country saw an ever widening opportunity gap between marginalized groups and mainstream society, as well as an increase in juvenile violence. These events added to the existing discomfort of the viewing public with representations of young black males living in urban ghettos. Black on Black: Urban Youth Films and the Multicultural Audience tackles the under-examined subject of black, male-focused, coming-of-age films in American society. Of central concern is an analysis of responses made by culturally diverse young adults to selected Hood films of the early 1990s. Grounded in Reader-Response Theory and utilizing qualitative research design and analysis, author Celeste Fisher examines student interpretations of three representative films of the period: Boyz N the Hood, Juice and Menace II Society. This book provides insight into how meaning is made by a multicultural audience in response to a particularly controversial representation of Blackness in American society. Developed to make sense of the violence that accompanied the screenings of some Hood films, this research provides a greater understanding of how such films are interpreted. Black on Black is suitable for scholars and students interested in the subject, as well as for anyone interested in film, race, multiculturalism, and identity politics.

menace ii society ronnie: Power/Knowledge/Pedagogy Dennis Carlson, Michael Apple, 2018-03-05 The essays in this volume explore the educational implications of unsettling shifts in contemporary culture associated with postmodernism. These shifts include the fragmentation of established power blocs, the emergence of a politics of identity, growing inequalities between the haves and the have-nots in a new global economy, and the rise in influence of popular culture in defining who we are. In the academy, postmodernism has been associated with the emergence of new theoretical perspectives that are unsettling the way we think about education. These shifts, the authors suggest, are deeply contradictory and may lead in divergent political directions?some of them quite dangerous. Power/Knowledge/Pedagogy examines these issues with regard to four broad domains of educational inquiry: state educational policy and curriculum reform, student identity formation, the curriculum as a text, and critical pedagogy. The book contributes to the dialogue on the forging of a new commonsense discourse on democratic educational renewal, attuned to the changing times in which we live.

menace ii society ronnie: Black Directors in Hollywood Melvin Donalson, 2010-01-01 Hollywood film directors are some of the world's most powerful storytellers, shaping the fantasies and aspirations of people around the globe. Since the 1960s, African Americans have increasingly joined their ranks, bringing fresh insights to movie characterizations, plots, and themes and depicting areas of African American culture that were previously absent from mainstream films. Today, black directors are making films in all popular genres, while inventing new ones to speak directly from and to the black experience. This book offers a first comprehensive look at the work of black directors in Hollywood, from pioneers such as Gordon Parks, Melvin Van Peebles, and Ossie Davis to current talents including Spike Lee, John Singleton, Kasi Lemmons, and Carl Franklin. Discussing 67 individuals and over 135 films, Melvin Donalson thoroughly explores how black directors' storytelling skills and film techniques have widened both the thematic focus and visual style of American cinema. Assessing the meanings and messages in their films, he convincingly demonstrates that black directors are balancing Hollywood's demand for box office success with artistic achievement and responsibility to ethnic, cultural, and gender issues.

menace ii society ronnie: Tales from da Hood Nikki Turner, 2008-12-24 These stories are not fables or fairy tales. They are severe chronicles of gangstas, written by men and women who have starved and bled and survived by the code of the streets. Essence magazine's #1 bestselling author Nikki Turner has earned her rep as "the Princess of Hip-Hop" with gritty urban novels like *A Hustler's Wife* and *The Glamorous Life*. Now she lends her considerable street cred to this anthology, the first of its kind—an explosive collection featuring edgy new writers Turner handpicked for their ability to evoke the street, and the people who live by its rules, in hot, hyperrealistic stories. Turner scoured the ghetto, the prisons, and every crack and crevice around the country to bring you these impressive new fresh-from-the-street voices. Never one to disappoint her fans, Turner even throws in a raw gangsta tale of her own. From a buppie who risks her entire well-groomed world when she's suddenly turned on by a thug ("Gotta Have a Ruffneck"), to a lesbian pimp who gets what she deserves from the women she's turning out ("Big Daddy"), these stories will shock, entertain, and make you fly through the pages.

menace ii society ronnie: Reading Race Norman K Denzin, 2002-03-29 In this insightful book, one of America's leading commentators on culture and society turns his gaze upon cinematic race relations, examining the relationship between film, race and culture. Acute, richly illustrated and timely, the book deepens our understanding of the politics of race and the symbolic complexity of segregation and discrimination.

menace ii society ronnie: Heavy Is the Crown De'Wayne Simpson, 2007-02 Reggie Thomas is the son of a middle-class woman and a street-raised father. He's trapped between the expectations of his family and those of the streets. Because of this, Reggie develops a split personality. He

struggles to declare which is the real Reggie. Childhood traumatizes him but also prepares him for the challenges he faces as an adult. Reggie is poetic, quite observant and very analytical, but that may not be enough to save him from himself . or is it?

menace ii society ronnie: *Check It While I Wreck It* Gwendolyn D. Pough, 2015-12-01 Hip-hop culture began in the early 1970s as the creative and activist expressions -- graffiti writing, dee-jaying, break dancing, and rap music -- of black and Latino youth in the depressed South Bronx, and the movement has since grown into a worldwide cultural phenomenon that permeates almost every aspect of society, from speech to dress. But although hip-hop has been assimilated and exploited in the mainstream, young black women who came of age during the hip-hop era are still fighting for equality. In this provocative study, Gwendolyn D. Pough explores the complex relationship between black women, hip-hop, and feminism. Examining a wide range of genres, including rap music, novels, spoken word poetry, hip-hop cinema, and hip-hop soul music, she traces the rhetoric of black women bringing wreck. Pough demonstrates how influential women rappers such as Queen Latifah, Missy Elliot, and Lil' Kim are building on the legacy of earlier generations of women -- from Sojourner Truth to sisters of the black power and civil rights movements -- to disrupt and break into the dominant patriarchal public sphere. She discusses the ways in which today's young black women struggle against the stereotypical language of the past (castrating black mother, mammy, sapphire) and the present (bitch, ho, chickenhead), and shows how rap provides an avenue to tell their own life stories, to construct their identities, and to dismantle historical and contemporary negative representations of black womanhood. Pough also looks at the ongoing public dialogue between male and female rappers about love and relationships, explaining how the denigrating rhetoric used by men has been appropriated by black women rappers as a means to empowerment in their own lyrics. The author concludes with a discussion of the pedagogical implications of rap music as well as of third wave and black feminism. This fresh and thought-provoking perspective on the complexities of hip-hop urges young black women to harness the energy, vitality, and activist roots of hip-hop culture and rap music to claim a public voice for themselves and to bring wreck on sexism and misogyny in mainstream society.

menace ii society ronnie: *Women and the Media* Theresa Carilli, Jane Campbell, 2005 This anthology has a cultural focus and addresses issues of race, ethnicity, class, and sexuality.

menace ii society ronnie: *Vibe* , 1994-05

menace ii society ronnie: *Generation Multiplex* Timothy Shary, 2009-01-27 When teenagers began hanging out at the mall in the early 1980s, the movies followed. Multiplex theaters offered teens a wide array of perspectives on the coming-of-age experience, as well as an escape into the alternative worlds of science fiction and horror. Youth films remained a popular and profitable genre through the 1990s, offering teens a place to reflect on their evolving identities from adolescence to adulthood while simultaneously shaping and maintaining those identities. Drawing examples from hundreds of popular and lesser-known youth-themed films, Timothy Shary here offers a comprehensive examination of the representation of teenagers in American cinema in the 1980s and 1990s. He focuses on five subgenres—school, delinquency, horror, science, and romance/sexuality—to explore how they represent teens and their concerns, how these representations change over time, and how youth movies both mirror and shape societal expectations and fears about teen identities and roles. He concludes that while some teen films continue to exploit various notions of youth sexuality and violence, most teen films of the past generation have shown an increasing diversity of adolescent experiences and have been sympathetic to the particular challenges that teens face.

For example–February 21: In 1912, on this day, Teddy Roosevelt coined the political phrase “hat in the ring,” so Ken Jennings fires off a series of “ring” questions. In 1979, who became the first NFL quarterback with four Super Bowl rings? What rings are divided by the Cassini Division? Also on this date, in 1981, the “goth” music scene was born in London, so here’s a quiz on black-clad icons like Darth Vader, Johnny Cash, and Zorro. Do you know the secret identities of Ivanhoe’s Black Knight or Men in Black’s Agent M? In this ultimate book for trivia buffs and other assorted know-it-alls, the 365 entries feature “This Day in History” factoids, trivia quizzes, and questions categorized by Jennings as “Easy,” “Hard,” and “Yeah, Good Luck.” Topics cover every subject under the sun, from paleontology to mixology, sports feats to Bach suites, medieval popes to daytime soaps. This addictive gathering of facts, oddities, devilishly clever quizzes, and other flights of fancy will make each day a fun and intriguing new challenge.

menace ii society ronnie: *How the Streets Were Made* Yelena Bailey, 2020-10-12 In this book, Yelena Bailey examines the creation of the streets not just as a physical, racialized space produced by segregationist policies but also as a sociocultural entity that has influenced our understanding of blackness in America for decades. Drawing from fields such as media studies, literary studies, history, sociology, film studies, and music studies, this book engages in an interdisciplinary analysis of the how the streets have shaped contemporary perceptions of black identity, community, violence, spending habits, and belonging. Where historical and sociological research has examined these realities regarding economic and social disparities, this book analyzes the streets through the lens of marketing campaigns, literature, hip-hop, film, and television in order to better understand the cultural meanings associated with the streets. Because these media represent a terrain of cultural contestation, they illustrate the way the meaning of the streets has been shaped by both the white and black imaginaries as well as how they have served as a site of self-assertion and determination for black communities.

menace ii society ronnie: *That Sinking Feeling* Stefan Wellgraf, 2023-08-11 Emotions, especially those of impoverished migrant families, have long been underrepresented in German social and cultural studies. *That Sinking Feeling* raises the visibility of the emotional dimensions of exclusion processes and locates students in current social transformations. Drawing from a year of ethnographic fieldwork with grade ten students, Stefan Wellgraf’s study on an array of both classic emotions and affectively charged phenomena reveals a culture of devaluation and self-assertion of the youthful, post-migrant urban underclass in neoliberal times.

menace ii society ronnie: The Visual Cultures of Childhood Karen Wells Karen Wells, 2020-03-20 Some of the most iconic images of the twentieth century are of children: Dorothea Lange’s Migrant Mother, depicting farm worker Frances Owens Thompson with three of her children; six-year-old Ruby Bridges, flanked by U.S. marshals, walking down the steps of an all-white elementary school she desegregated; Huỳnh Công Út’s photograph of nine-year-old Phan Thi Kim Phuc fleeing a South Vietnamese napalm bombing. These iconic images with their juxtaposition of the innocent (in the sense of not culpable) figure of the child and the guilty perpetrators of violence (both structural and interpersonal) are ‘arresting’. The power of the image of the child to arrest the spectator, to demand a response from her has given the representation of children a central place in the history of visual culture for social reform. This book analyses a range of forms and genres from social reform documentary through feature films and onto small and mobile media to address two

core questions: What difference does it make to the message who the producer is? and How has the place of children and youth changed in visual public culture?

menace ii society ronnie: Race in American Film [3 volumes] Daniel Bernardi, Michael Green, 2017-07-07 This expansive three-volume set investigates racial representation in film, providing an authoritative cross-section of the most racially significant films, actors, directors, and movements in American cinematic history. Hollywood has always reflected current American cultural norms and ideas. As such, film provides a window into attitudes about race and ethnicity over the last century. This comprehensive set provides information on hundreds of films chosen based on scholarly consensus of their importance regarding the subject, examining aspects of race and ethnicity in American film through the historical context, themes, and people involved. This three-volume set highlights the most important films and artists of the era, identifying films, actors, or characterizations that were considered racist, were tremendously popular or hugely influential, attempted to be progressive, or some combination thereof. Readers will not only learn basic information about each subject but also be able to contextualize it culturally, historically, and in terms of its reception to understand what average moviegoers thought about the subject at the time of its popularity—and grasp how the subject is perceived now through the lens of history.

menace ii society ronnie: The Commission O'Shun M Jones, 2012-04-10 It's survival of the fittest as the Money Mobb Mafia reigns over the underworld with an iron clad fist. With their notorious leader Barry McCoy and his all American basketball playing brother Donell as the underboss, along with the aid of their cousin Ronnie- they achieve The American Dream by using power and cunning manipulation to take control of everything they set their minds to. But when wars amongst rival crews and undercover Agents leave behind a trail of murders in the process- one up and coming Detective decides to put up his zealous will and street knowledge to go after the brothers in a way where others have failed if not lost their lives in the process. The story unfolds as Barry sustains his empire through out envious and near fatal circumstances while Detective Johnson undergoes deep undercover-when he realizes that he is literally entrapped within a maze of henchmen conspiring to take out the leaders of the Mafia. Once the tables are turned, it's every man for himself as Detective Johnson finds himself trying to bring down Barry's organization, yet stay alive as the brothers and the Money Mobb Mafia members display their differencing intentions having to do with extortion, drugs and arms trafficking. Trying to lose himself of what was once a brotherly empire, Barry not only find himself trying to beat the odds of being murdered as well as being caught by Federal Law enforcement, but make a way out of the criminal web that he and his brothers have tied themselves into.

menace ii society ronnie: The Encyclopedia of Racism in American Films Salvador Jiménez Murguía, 2018-04-12 Winner, RUSA 2019 Outstanding References Source Winner and named a Library Journal Best Reference Book of the Year 2018 From D.W. Griffith's Birth of a Nation in 1915 to the recent Get Out, audiences and critics alike have responded to racism in motion pictures for more than a century. Whether subtle or blatant, racially biased images and narratives erase minorities, perpetuate stereotypes, and keep alive practices of discrimination and marginalization. Even in the 21st century, the American film industry is not "color blind," evidenced by films such as Babel (2006), A Better Life (2011), and 12 Years a Slave (2013). The Encyclopedia of Racism in American Film documents one facet of racism in the film industry, wherein historically underrepresented peoples are misrepresented—through a lack of roles for actors of color, stereotyping, negative associations, and an absence of rich, nuanced characters. Offering insights and analysis from over seventy scholars, critics, and activists, the volume highlights issues such as: Hollywood's diversity crisis White Savior films Magic Negro tropes The disconnect between screen images and lived realities of African Americans, Latinos, Native Americans, and Asians A companion

to the ever-growing field of race studies, this volume opens up a critical dialogue on an always timely issue. The Encyclopedia of Racism in American Film will appeal to scholars of cinema, race and ethnicity studies, and cultural history.

menace ii society ronnie: African American Cinema Through Black Lives Consciousness Mark A. Reid, 2019-01-12 The interdisciplinary quality of the anthology makes it approachable to students and scholars of fields ranging from film to culture to African American studies alike.

menace ii society ronnie: New York Magazine , 1993-05-31 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

menace ii society ronnie: Black Masculinity in the Obama Era W. Hoston, 2014-08-07 Black Masculinity in the Obama Era provides an in-depth examination of the current state of black males and identifies the impact of living in the Obama era. In the era of the first black president, Barack H. Obama, this book gauges the status of black masculinity and provokes discourse to discover whether his election and presence has had an influential impact on black male achievement. A purposeful sample of black males was asked, what does it mean to be a black male in the 21st century? Throughout the interviews with black males, we learn that the 'Obama Effect' has not had the intended impact on black male achievement and black males continue to be plagued by structural and cultural forces that have historically burdened their plight and level of achievement.

menace ii society ronnie: Encyclopedia of Hip Hop Literature Tarshia L. Stanley, 2008-12-30 Hip Hop literature, also known as urban fiction or street lit, is a type of writing evocative of the harsh realities of life in the inner city. Beginning with seminal works by such writers as Donald Goines and Iceberg Slim and culminating in contemporary fiction, autobiography, and poetry, Hip Hop literature is exerting the same kind of influence as Hip Hop music, fashion, and culture. Through more than 180 alphabetically arranged entries, this encyclopedia surveys the world of Hip Hop literature and places it in its social and cultural contexts. Entries cite works for further reading, and a bibliography concludes the volume. Coverage includes authors, genres, and works, as well as on the musical artists, fashion designers, directors, and other figures who make up the context of Hip Hop literature. Entries cite works for further reading, and the encyclopedia concludes with a selected, general bibliography. Students in literature classes will value this guide to an increasingly popular body of literature, while students in social studies classes will welcome its illumination of American cultural diversity.

menace ii society ronnie: Prophetic Leadership and Visionary Hope Barbara Will, 2023-05-09 Thirty years have passed since Cornel West's book Race Matters rose to the top of the bestseller lists in 1993. Yet his book remains as relevant as ever to American culture--even more so, if one considers its influence on contemporary racial justice movements such as Black Lives Matter, prison justice, and the fight for police reform. Prophetic Leadership and Visionary Hope, an edited volume of essays by leading scholars in Black studies, religious studies, and social justice history, looks back to the original 1993 text and forward into the future of racial understanding and healing in our current century, responding to Dr. West's own repeated insistence that we can only understand our present and future by looking back. By reengaging with West's book at this seminal moment, Prophetic Leadership and Visionary Hope offers new points of entry into the thorny issues that the 1993 text addressed: the challenge of leadership in a culture marked by the legacy of white supremacy; the limited value of liberal affirmative action programs in promoting the affirmation of Black humanity; the dangerous seductions of African American conservatism and the question of Black self-regard (what West called black nihilism); the necessity and difficulty of cross-race solidarity and cross-religious affinity; the need to channel legitimate Black rage over untenable conditions of existence into productive opportunities and viewpoints. All of these issues are even more marked in American society today. The voices collected in this volume are the legitimate

intellectual heirs of the original Race Matters. With essays that span the topics of history, politics, philosophy, religion, cultural studies, music, and aesthetics, *Prophetic Leadership and Visionary Hope* is as wide-ranging as the thinker whose ideas it engages, interrogates, and celebrates. Contributors: Nkosi Du Bois Anderson, Paul A. Bové, Matthew M. Briones, Farah Jasmine Griffin, Susannah Heschel, Lucius T. Outlaw Jr., Andrew Prevot, Brandon M. Terry, Cornel West, Barbara Will.

menace ii society ronnie: Pump 'em Full of Lead Marilyn Yaquinto, 1998 Investigating the screen presence of the gangster since the birth of the cinema, this book begins with the silent masterpieces that shaped the genre, moves through the feisty bootleggers of James Cagney, the noir flatfoots of Humphrey Bogart, and the mobsters of the 50s. The second half of the book examines the gore-fest of gangsters in the modern era: from Bonnie and Clyde to the dapper dons of *The Godfather*, from Martin Scorsese's pithy wiseguys to Brian De Palma's fiery Latinos. It then moves on to Quentin Tarantino's colour-coded hoodlums of *Reservoir Dogs* to his *Pulp Fiction*.
