

major league parents guide

major league parents guide is the essential resource for families considering whether Major League Baseball (MLB) content is appropriate for their children. This comprehensive article covers everything parents need to know: an overview of the film and its themes, age-appropriateness, language and humor concerns, violence and mature content, educational value, and positive messages. Parents will also find practical guidance on discussing the film's content with kids and tips for making informed viewing decisions. Whether you're a sports fan or simply want to ensure a safe and enjoyable family movie night, this guide provides clear, factual, and detailed information to help you navigate Major League's suitability for your household.

- Overview of Major League
- Age Appropriateness and Ratings
- Language and Humor Content
- Violence and Mature Themes
- Educational Value and Positive Messages
- Family Viewing Tips and Discussion Points
- Summary and Parental Recommendations

Overview of Major League

Major League is a classic sports comedy film that has captured the attention of baseball fans and movie enthusiasts alike. Released in 1989, it follows the underdog Cleveland Indians baseball team as they navigate a tumultuous season, aiming for a miraculous turnaround. The film is known for its blend of slapstick humor, memorable characters, and behind-the-scenes look at professional baseball. Major League remains popular for its comedic take on teamwork, resilience, and sportsmanship, making it a frequent choice for family movie nights. Understanding the film's plot, style, and humor is crucial for parents considering its suitability for children.

Age Appropriateness and Ratings

Determining if Major League is age-appropriate for your child is an important part of any parents guide. The film is rated R by the Motion Picture Association due to its language, sexual content, and some mature situations. Parents should carefully review these aspects

before deciding to share the movie with younger viewers. While baseball fans of all ages may be drawn to the film, its content may not be suitable for children under 17 without parental guidance.

Factors Influencing Appropriateness

- Strong language and profanity
- Sexual references and suggestive humor
- Depictions of alcohol and tobacco use
- Comedic violence and slapstick moments

Parents should weigh these elements against their family's values and their children's maturity levels before viewing.

Language and Humor Content

A major concern for many parents is the use of language and the style of humor in Major League. The film contains frequent strong profanity, some of which is used for comedic effect. In addition, there are several jokes and references of a sexual nature that may be inappropriate for younger children or sensitive viewers.

Examples of Language and Humor

- Frequent use of strong language, including the F-word
- Adult jokes and innuendo
- Occasional crude humor related to sports and locker room banter

While these elements are intended to add realism and comedy, they are not suitable for all audiences. Parents should be prepared to address any questions children may have about the language or jokes used in the film.

Violence and Mature Themes

Major League contains comedic violence typically associated with sports comedies. Physical confrontations, slapstick incidents, and exaggerated reactions are common, but they are not depicted in a graphic or disturbing manner. However, the film also touches on

mature themes such as cheating, manipulation, and adult relationships.

Types of Violence and Mature Content

- Comic physical altercations (e.g., arguments, minor fights)
- References to infidelity and romantic entanglements
- Scenes involving alcohol consumption and gambling

Parents should consider how their children may react to these themes and be ready to provide context or guidance as needed.

Educational Value and Positive Messages

Despite its mature content, Major League offers several valuable lessons and positive messages for viewers. The film highlights the importance of teamwork, perseverance, and believing in oneself. Characters overcome adversity, set aside differences, and work together to achieve a common goal. These themes can be inspiring for children and teenagers, especially those interested in sports or facing challenges in their own lives.

Key Positive Takeaways

- The power of working together to overcome obstacles
- Learning from mistakes and personal growth
- Resilience in the face of adversity
- The value of sportsmanship and fair play

Parents can use these themes as a starting point for meaningful conversations about character and decision-making.

Family Viewing Tips and Discussion Points

For parents who decide to watch Major League with their children, preparation and open communication are key. Setting expectations ahead of time, addressing sensitive topics, and discussing the film's messages can enhance the viewing experience and help children process what they see.

Guidelines for Family Movie Nights

- Preview the film or read detailed reviews before viewing
- Pause to discuss any confusing or mature scenes
- Encourage questions and provide age-appropriate explanations
- Highlight the positive messages and lessons in the story
- Establish clear family guidelines for media consumption

By following these tips, families can enjoy Major League in a way that aligns with their values and comfort levels.

Summary and Parental Recommendations

Major League remains a beloved sports comedy, but its strong language, sexual references, and mature themes make it best suited for older teens and adults. Parents should carefully consider the film's rating and content before sharing it with younger viewers. By understanding the key elements highlighted in this major league parents guide, families can make informed decisions and use the film as an opportunity to discuss important values and life lessons. Thoughtful preparation and open dialogue can turn a simple movie night into a meaningful, memorable experience.

Q: What is the age rating for Major League, and why?

A: Major League is rated R due to strong language, sexual content, and some mature themes. The rating indicates that it is not suitable for children under 17 without parental guidance.

Q: Does Major League contain a lot of profanity?

A: Yes, the film contains frequent strong language, including multiple uses of the F-word and other profanities, which is an important consideration for parents.

Q: Are there any positive messages in Major League for kids and teens?

A: Yes, the film offers positive messages about teamwork, perseverance, learning from mistakes, and overcoming adversity, making it a potential conversation starter about character and sportsmanship.

Q: Is there any sexual content or suggestive humor in Major League?

A: The movie includes sexual references, suggestive humor, and discussions of adult relationships, which may not be appropriate for younger viewers.

Q: How much violence is depicted in Major League?

A: Violence in Major League is mostly comedic and non-graphic, involving slapstick incidents and minor sports-related altercations.

Q: What should parents discuss with their children after watching Major League?

A: Parents can discuss the film's language, mature themes, and positive messages about teamwork and resilience, using these as opportunities for teaching and guidance.

Q: Is Major League educational for children interested in baseball?

A: While primarily a comedy, Major League offers insights into team dynamics and the challenges of professional baseball, which may interest young sports fans.

Q: Are there any substances depicted in the film that parents should be aware of?

A: Yes, the movie shows characters consuming alcohol and tobacco, as well as references to gambling, which may warrant discussion with children.

Q: Is Major League suitable for a family movie night?

A: Major League is best suited for older teens and adults due to its mature content. Families with younger children may want to consider alternative baseball-themed films.

Q: Can parents use Major League to start conversations about real-life values?

A: Absolutely. The film's themes of perseverance, teamwork, and growth present excellent opportunities for parents to talk about values and decision-making in sports and life.

Major League Parents Guide: Navigating the Wild World of Youth Sports

Are you ready for the wild ride that is youth sports? The cheers, the triumphs, the tears... and the occasional questionable referee call. Navigating the world of youth sports, particularly at a "major league" level of commitment (travel teams, intense competition, etc.), can be overwhelming for parents. This comprehensive guide offers practical advice and insights to help you support your child's athletic journey while maintaining your sanity. We'll cover everything from fostering a positive attitude to managing expectations, dealing with coaches, and prioritizing your child's well-being. Let's get started!

Understanding Your Child's Motivation: More Than Just the Game

Before diving into the logistics of practices, games, and tournaments, it's crucial to understand why your child is involved in sports. Is it their passion, a desire to socialize, or perhaps pressure from peers or family? Understanding their motivation will help you support them effectively.

Identifying Intrinsic Motivation: Does your child genuinely enjoy the sport, or are they driven by external rewards like trophies or praise? Fostering intrinsic motivation – the joy of playing itself – is key to long-term success and enjoyment.

Open Communication is Key: Regularly talk to your child about their experiences. Ask about what they like and dislike, what challenges they face, and how they're feeling. This open dialogue prevents resentment and fosters a healthy parent-child relationship.

The Coach-Parent Dynamic: Building a Productive Relationship

The relationship between parents and coaches can be a significant factor in a child's positive experience. While it's important to support the coach's authority, remember you also play a crucial

role in your child's development.

Respectful Communication: Approach the coach with questions and concerns in a calm and respectful manner. Avoid public criticism or confrontations. Schedule a meeting to discuss concerns privately.

Collaboration, Not Control: Support the coach's decisions and strategies, even if you disagree. Remember, they have the expertise to manage the team. Your role is to support your child and the team's success, not to control the coaching decisions.

Know Your Limits: Understand the coach's role and avoid micromanaging your child's training or game play. Trust the coach's judgment and allow your child to learn from their experiences.

Balancing Academics and Athletics: Prioritizing Well-being

Youth sports should complement, not dominate, a child's life. Maintaining a healthy balance between academics, extracurricular activities, and personal time is crucial for their overall well-being.

Time Management Skills: Teach your child the importance of time management and organization. Help them create a schedule that balances sports, homework, and other commitments.

Setting Realistic Expectations: Avoid over-scheduling your child. Burnout is a real risk, and prioritizing rest and recovery is essential.

Academic Support: Be actively involved in your child's academic progress. Monitor their grades, offer assistance with homework, and communicate with their teachers if necessary.

Handling Competition and Setbacks: Fostering Resilience

Youth sports are filled with ups and downs. Learning how to handle competition and setbacks is a crucial life skill.

Focusing on Effort and Improvement: Encourage your child to focus on their own performance and improvement, rather than solely on winning or losing. Celebrate effort and progress, not just results.

Developing Resilience: Help your child develop strategies for coping with losses and disappointments. Teach them to learn from their mistakes and bounce back from setbacks.

Promoting Sportsmanship: Emphasize the importance of good sportsmanship, both on and off the field. Teach your child to respect their opponents, teammates, coaches, and referees.

The Emotional Rollercoaster: Supporting Your Child's Mental Health

Youth sports can be emotionally demanding for both children and parents. Prioritizing your child's mental well-being is paramount.

Recognizing Signs of Stress: Be vigilant for signs of stress, anxiety, or burnout. These may include changes in behavior, sleep disturbances, or loss of interest in the sport.

Seeking Professional Help: Don't hesitate to seek professional help if you're concerned about your child's mental health. A therapist or counselor can provide valuable support and guidance.

Prioritizing Fun: Remember that youth sports should be enjoyable. If the experience becomes overwhelmingly stressful, it might be time to reassess participation.

Conclusion

Navigating the world of youth sports requires a balanced approach that prioritizes your child's well-being, fosters their love for the game, and cultivates positive relationships with coaches and teammates. By focusing on communication, support, and realistic expectations, you can help your child thrive both on and off the field. Remember, it's a journey, not a race. Enjoy the ride!

FAQs

1. My child wants to quit. What should I do? Listen to their concerns empathetically. Explore the reasons behind their desire to quit. If it's due to burnout or negative experiences, consider a break or a different sport.
2. How do I handle overly competitive parents? Maintain your own composure and focus on your child's experience. Limit your interactions with overly competitive parents and prioritize a positive environment for your child.
3. What if my child isn't the most talented player? Focus on effort, improvement, and sportsmanship. Talent is only one factor in success; dedication and perseverance are equally important.
4. How much should I spend on equipment and travel? Set a realistic budget and communicate it clearly. Explore cost-effective options and prioritize your child's overall well-being over excessive spending.
5. How can I ensure my child's safety during practices and games? Communicate with the coach about safety protocols. Ensure your child has appropriate safety gear and understands the

importance of following rules and guidelines.

major league parents guide: A Parents' Guide for Children's Questions Benito Casados, 2010-07-16 Children by nature are curious about the world and people around them. As they grow older their level of awareness increases and questions begin to pour from their inquiring minds. Their questions maybe motivated by what they hear and see in their surroundings, what they see on television or what they are trying to learn in school. In most cases the burden of answering these questions falls on the parents. Parents are busy people. Children want the answers right now. This guide will provide answers for many questions traditionally asked by children between the ages of eight and sixteen. This guide is published in E-Book format only and is intended to reside in your e-book reader so the information is easily accessed whether at home or on the road.

major league parents guide: Proud Parents' Guide to Raising Athletic, Balanced, and Coordinated Kids Karen Ronney, 2008-09-09 Winner of 34 different publishing awards, this 10-minutes-per-day comprehensive program helps children ages 0 to 6 develop coordination. Tennis pro and master coach Karen Ronney offers a step-by-step handbook with over 200 games for parents who want to jump-start their child's fundamental skills, self-confidence, and sports potential while creating a lifestyle of family fitness. She offers an in-depth explanation of a child's development, their learning styles, with physical and brain anatomy and growth facts, and how simple, fun activities can be the key to unlock their abilities in every area of life. Includes recent scientific and academic research, progress charts, how to incorporate purposeful play, and even helps for families with special-needs kids. Part One: How Your Child Develops Learning Styles Building Better Brains Sensory Integration Fine Motor Development Right- or Left-Handed Gross Motor Development Coordination and Sidedness Rules of Play and Praise Part Two: Games Warm-up and Stretch Crib Capers Athletic Activities One, Two and You Building Blocks for Three Year Olds The Golden Years: Four-to-Six Year Olds

major league parents guide: The Baffled Parent's Guide to Coaching Tee Ball H. W. "Bing" Broido, 2003-01-28 Each spring, Tee-ball introduces millions of boys and girls to America's pastime --and introduces their parents to the joys (and nightmares) of coaching first-time players. Filled with expert advice and tips on creating order from chaos, Coaching Tee-Ball is the solution to every baffled parent's predicament, offering the new coach a total approach to keeping kids involved, motivated, and having fun.

major league parents guide: Strong Choices, Strong Families: A Parent's Guide to Prevent Childhood Obesity Babs Hogan, M.Ed., 2012-07-15 Wellness coach Babs Hogan highlights practical ways to prevent children from becoming overweight while improving the health of the whole family. -- Cover.

major league parents guide: Parent's Guide to Los Angeles, 1996 Karin Mani, 1995-09

major league parents guide: The Parents' Guide to L.A., 1995 Karin Mani, 1994-10

major league parents guide: The Baffled Parent's Guide to Coaching Youth Soccer Bobby Clark, 1999-08-09 Written by soccer great and championship Stanford coach Bobby Clark, COACHING YOUTH SOCCER: THE BAFFLED PARENT'S GUIDE tells you how, starting at point zero, an uninitiated coach can meld kids into a team and help them enjoy one of the most rewarding experiences of their youth. (In the end, you may be the one who reaps the biggest reward, as you watch kids learn and grow in an experience they'll treasure for a lifetime.)

major league parents guide: The Baffled Parent's Guide to Coaching Youth Baseball Bill Thurston, 2000-04-19 The ultimate guide for the uninformed, Coaching Youth Baseball shows novice coaches everything they need to know to manage, motivate, and encourage a ball team for kids. 55 illustrations.

major league parents guide: Fast Pitch Nic Stone, 2021-08-31 From #1 New York Times bestselling author Nic Stone comes a challenging and heartwarming coming-of-age story about a softball player looking to prove herself on and off the field. Shenice Lockwood, captain of the Fulton Firebirds, is hyper-focused when she steps up to the plate. Nothing can stop her from leading her team to the U12 fast-pitch softball regional championship. But life has thrown some curveballs her way. Strike one: As the sole team of all-brown faces, Shenice and the Firebirds have to work twice as hard to prove that Black girls belong at bat. Strike two: Shenice's focus gets shaken when her great-uncle Jack reveals that a career-ending—and family-name-ruining—crime may have been a setup. Strike three: Broken focus means mistakes on the field. And Shenice's teammates are beginning to wonder if she's captain-qualified. It's up to Shenice to discover the truth about her family's past—and fast—before secrets take the Firebirds out of the game forever.

major league parents guide: The Neurotic Parent's Guide to College Admissions J.D. Rothman, 2012-04-01 Admissions rates of 6 percent? Kids applying to thirty-two colleges? Sixteen-year-olds with more impressive resumes than Fortune 500 CEOs? Has the nation lost its mind? Why yes, it has! J.D. Rothman, the Neurotic Parent of blog fame, takes readers on a hilarious satiric journey through today's insane college admissions process. The vividly illustrated book takes you from the Itsy-Bitsy Fiske Guide and Junior Kumon Tips for Preschoolers through Rejection Letters from the Heart and Bed Bath & Bye-Bye.

major league parents guide: A Parent's Guide to Teen Addiction Westreich, Laurence M., 2017-10-17 From Berkeley to the Bronx, teenage addiction has reached epidemic levels. Parents may suspect their teen's substance use, but often don't know if their teen is addicted or what to do about it. Dr. Laurence Westreich, an addiction expert and the father of two teenagers, helps parents navigate the fraught addiction landscape in *A Parent's Guide to Teen Addiction*. Divided into three sections, this book—based on the author's decades of experience evaluating and treating teenagers who use substances—guides parents from the moment they suspect their teen has a substance abuse problem to the steps families must take after intensive treatment. Dr. Westreich: • Lays out the facts of teen addiction and explains how to recognize a problem with a teen • Details what parents need to know about the substances that teenagers commonly use • Provides information on what to do about the substance abuse, including how to find good one-on-one addiction therapy, how to encourage a teen to enter an outpatient program or inpatient facility, and how to line up aftercare treatment Best of all, he includes "tough talk" dialogues that parents can tailor to their specific situation with their teen. This practical, hopeful, and reassuring book helps parents put their teen on the healthy and life-affirming road to recovery.

major league parents guide: How to Make Pro Baseball Scouts Notice You Al Goldis, John Wolff, 2009-01-01 Al Goldis has spent more than forty years as a major league scout, having worked in the front offices of the Cincinnati Reds, Baltimore Orioles, Anaheim Angels, Chicago White Sox, Chicago Cubs, and New York Mets. In those forty years he has seen and signed some of the game's greatest talents. As the Scouting Director of the Chicago White Sox in the late 1980s, Goldis spearheaded the amateur drafts that brought future All-Stars Frank Thomas, Robin Ventura, and Jack McDowell into the Sox organization. After so many years scouting young players, Goldis has a pretty good idea what to look for in a player beyond the commonly accepted standard of the five tools (hitting for average, hitting for power, a strong throwing arm, excellent defensive skills, and speed on the basepaths). And in *How to Make Pro Scouts Notice You*, he and former pro ballplayer John Wolff have set out to create a blueprint for young ballplayers with big league aspirations to follow. The purpose of the book is twofold: one, to give young ballplayers an inside look at what scouts are really looking for in their search for professional-caliber ballplayers; and two, to help them market and sell themselves so that those scouts will know they exist and see them put their best skills on display. *How to Make Pro Scouts Notice You* is written with the intent of helping young ballplayers keep their dreams of playing pro ball alive and flourishing.

major league parents guide: A Parent's Guide to Coaching Baseball John P. McCarthy, 1989

major league parents guide: The Mental Road to the Major Leagues Kelly J. Pfaff, Peder N. Piering, 2014-01-10 Integrating sport psychology with the personal testimonies of baseball players, this helpful guide offers a step-by-step overview of what it takes for a boy playing little league baseball to work his way to college ball, the minor leagues, and beyond. Throughout, emphasis remains on the mental challenges players face and ways players can prepare for these challenges, both on and off the field. From college scholarships to meager minor league salaries, from getting traded to getting injured, this handbook will help athletes and parents navigate choices while illuminating the mental aspects that give the game its unpredictability and vitality.

major league parents guide: Adult Catalog: Subjects Los Angeles County Public Library, 1970

major league parents guide: Sports Culture Ellis Cashmore, 2003-10-04 Sports Culture examines individual issues people, artefacts, events and organizations in their historical, social and cultural contexts. Coverage is wide-ranging with more than 170 entries.

major league parents guide: Adventures in Gentle Discipline Hilary Flower, 2005 In Hilary Flowers second book, ADVENTURES IN GENTLE DISCIPLINE, she allows the reader to explore goals of gentle discipline, rewards for both child and parent, and what it looks like in action. Hilary debunks myths about the effectiveness of gentle discipline methods while empowering parents to find ways to make gentle discipline work for both themselves and their children. With creativity, courage, and commitment, each parent and child can develop their own unique way of engaging in gentle discipline. Gentle discipline is not a far off standard for us to meet but an imperfect, lively and richly meaningful way of communicating with our children. Although experts can offer theories, this book proves that parents themselves have a great deal to offer other parents in regard to this incredibly worthwhile and revolutionary! way of guiding young children. Line drawings capture small scenes from the journey of parenting and personal stories from a variety of mothers show creative adaptations of gentle discipline methods in different families.

major league parents guide: Every Parent's Battle Dan S. Spencer III, 2017-03-21 Ever struggled to find the right words to talk about the threat of pornography with your kids? Too many of us avoid the subject, depending on simple technology filters to protect them. Yet children at very early ages are under attack and at risk to fall prey to pornography addiction. As parents, we must be prepared to deal with the issue head-on. Every Parent's Battle: A Family Guide to Resisting Pornography not only exposes the frightening prevalence of pornography in our sex-obsessed culture, it equips parents with concrete and tested strategies to educate their kids about intimacy, human dignity, and sexuality as God intended it to be. "Dan Spencer's new book ... provides Catholic and other parents with tools and strategies that are aimed at prevention, rather than recovery, in the spiritual battle for the virtue of chastity.... I heartily recommend this book for your family's happiness and the joyful embracing of life and dignity offered to us by Jesus Christ." — ARCHBISHOP JOSEPH F. NAUMANN, ARCHDIOCESE OF KANSAS CITY, KANSAS "The Roman Empire was a pornographic society - with all the misery that implies - but our own society is far worse. History shows that this problem can be overcome in only one way: the way of the Christian family. Dan Spencer shows us, in practical terms, what that means for us as parents. Reading this book is not just a good idea. It's a duty." — MIKE AQUILINA, EWTN HOST AND AUTHOR OF SEVEN REVOLUTIONS: HOW CHRISTIANITY CHANGED THE WORLD AND CAN CHANGE IT AGAIN

major league parents guide: Boys' Life , 1995-02 Boys' Life is the official youth magazine for the Boy Scouts of America. Published since 1911, it contains a proven mix of news, nature, sports, history, fiction, science, comics, and Scouting.

major league parents guide: Little League to the Major Leagues Rod Humphries, 2013-05-10 There is no question that the physical and mental demands of the sport of baseball are rigorous. Not only is it difficult to successfully hit a ninety-mile-per-hour fastball in front of a crowd of passionate spectators, but it is also challenging to navigate an often confusing system that leads players through youth leagues, high school, college, and for a lucky few, the Minor and Major Leagues. Rod

Humphries, sports journalist, television writer, and former administrator of a worldwide professional tennis tour, shares his personal experiences and advice from experts in this complete insiders guide designed to help players, their parents, and baseball fans understand how Major Leaguers pay their dues. Humphries, who closely studied the entire baseball assembly line when his son was drafted out of high school by the Houston Astros, offers valuable information on: The professional baseball structure Little League vs. select/travel ball Player analysis and recruitment Scholarships and coaching camps Draft day decisions, salaries, and career chances Little League to the Major Leagues provides proven tips and time-tested advice for any family or player who dares to dream of journeying beyond youth baseball to high school, college, and the professional game.

major league parents guide: Major League Baseball Players of the 1970s Bill Ballew, 2023-08-02 In the 1970s, after a decade of stagnant fan interest that seemed to signal the demise of Major League Baseball, the game saw growth and change. In 1972, the players became the first in professional sports to go on strike. Four years later, contractual changes allowed those with six years in the majors to become free agents, leading to an unprecedented increase in salaries. Developments in the play of the game included new ballparks with faster fields and artificial turf, and the introduction of the designated hitter in 1973. Eminent personalities emerged from the dugout, including many African Americans and Latinos. Focusing on the stars who debuted from 1970 through 1979, this book covers the highs and lows of more than 1,300 players who gave fans the most exciting decade baseball has ever seen.

major league parents guide: *When Winning Costs Too Much* John McCloskey, Julian E. Bailes, 2005 In this day and age when the sports pages of the local newspaper read like either a police report or a pharmacology text, it is impossible not to conclude that the mantra of winning has entered very dangerous ground. This book not only details these abuses and the dangers of the drugs themselves, but also addresses the misguided coaches, fabled mentors, and poor role models who have contributed to the decline of the sports-for-sports sake mentality.

major league parents guide: *Boys' Life* , 1989-06 Boys' Life is the official youth magazine for the Boy Scouts of America. Published since 1911, it contains a proven mix of news, nature, sports, history, fiction, science, comics, and Scouting.

major league parents guide: *Overplayed* David King, Margot Starbuck, 2016-03-08 As seen in Focus on the Family magazine. Should I sign up our seven-year-old son for the travel team? What should we do about our daughter's Sunday morning games? Am I the only one longing for a sane balance between children's sports, family time, and church commitments? David King and Margot Starbuck offer good news for Christian parents stressed out by these questions and stretched thin by the demands of competitive youth sports. Join King, athletic director at a Christian university, and Starbuck, an award-winning author and speaker, as they investigate seven myths about what's best for young athletes. Discover with them what it means to not be conformed to the patterns of the youth sports world. Listen in as they talk to other parents, pastors, and coaches about the peril and promise of children's sports. Learn practical ways to set boundaries and help kids gain healthy identities as beloved children of God--both on and off the field, and whether they win or lose. Equips parents with concrete tips such as: Eight questions to discuss on the way home from the game Five ways to ruin your child's sports experience Dinnertime conversation starters about your family's values The one question you can't not ask your child about youth sports Key Features: Challenges seven common myths about youth sports Offers wisdom for families on decisions such as choosing leagues and how many seasons to play Author Q&As address parents' common concerns about youth sports Bonus tips and resources for parents, coaches, and pastors Free downloadable study guide available here.

major league parents guide: *Changing the Game* John O'Sullivan, 2013-08-01 "A powerful guide for both parents and coaches who want kids to have fun, enjoyable, and meaningful youth sporting experiences . . . I highly recommend it!" —John Ballantine, president and co-founder, Kids in the Game The modern-day youth sports environment has taken the enjoyment out of athletics for our children. Currently, 70% of kids drop out of organized sports by the age of thirteen, which has

given rise to a generation of overweight, unhealthy young adults. There is a solution. John O'Sullivan shares the secrets of the coaches and parents who have not only raised elite athletes, but have done so by creating an environment that promotes positive core values and teaches life lessons instead of focusing on wins and losses, scholarships, and professional aspirations. *Changing the Game* gives adults a new paradigm and a game plan for raising happy, high performing children, and provides a national call to action to return youth sports to our kids. "Changing the Game is, well, a game changer. It explores in both depth and breadth the youth sports experience, its blood, sweat, and tears. Any parent who wants their children to gain the physical, psychological, emotional, and social benefits of what sport has to offer (and isn't that every parent!) better read this book. It will make you a better sports parent, and it will ensure that your children get all the good stuff and avoid most of the bad stuff from participating in sports." —James Taylor, Ph.D., author of *Positive Pushing: How to Raise a Successful and Happy Child*

major league parents guide: Major League Baseball in the 1970s Joseph G. Preston, 2004-01-23 Many of the most powerful trends in baseball today have their roots in the 1970s. Baseball entered that decade seriously behind the times in race relations, attitudes toward conformity versus individuality, and the manager-player relationship. In a sense, much of the wrenching change that American society as a whole experienced in the 1960s was played out in baseball in the following decade. Additionally, the game itself was rapidly evolving, with the inauguration of the designated hitter rule in the American League, the evolution of the closer, the development of the five-man starting rotation, the acceptance of strikeout lions like Dave Kingman and Bobby Bonds and the proliferation of stolen bases. This book opens with a discussion of the challenges that faced baseball's movers and shakers when they gathered in Bal Harbour, Florida, for the annual winter meetings on December 2, 1969. Their worst nightmares would be realized in the coming years. For many and often contradictory reasons the 1970s game evolved into a war of competing ideologies--escalating salaries, an acrimonious strike, Sesame Street-style team mascots, and the breaking of the time-honored tradition that all players, including the pitcher, must play on offense as well as defense--that would ultimately spell doom for the majority of attendees.

major league parents guide: Children at Risk Arthur V. Carrington, 2002 There was a day when society shielded its children from the often cruel world. At least in the so-called developed countries, the exposure of children to the worst perversions society can conjure up, has never been greater. Children have reached the exalted level of being treated, seduced and targeted to as a 'market'. This bibliography brings together the literature providing access by subject groupings as well as author and title indexes.

major league parents guide: Parent's Guide to Raising a Gifted Child James Alvino, 1996-09-29 LEARN TO MEET THE NEEDS OF YOUR GIFTED CHILD Though academic abilities have always been important in determining whether your child is gifted, talent in the visual or performing arts, leadership qualities, and intellectual curiosity are just as vital. But unless we as parents help nurture those talents, our gifted children can become bored, socially aggressive, or, ironically, underachievers in the classroom. Here is a practical, informative, and authoritative primer for raising and educating our gifted children from pre-school to adolescence. Beginning with sensible strategies to determine whether—and in which areas—your child is gifted, this book takes parents through selecting an appropriate day-care center, a school, and a home reference library. It helps us figure out where our role stops and the school's role begins, as well as detailing ways to keep our children's creativity alive and how to cope with sibling rivalry and our own doubts and fears. Also included are a recommended reading list, a special section on the roles of the computer and television in your gifted child's life, and much more.

major league parents guide: Guardians of Purity Julie Hiramane, 2012 This world we live in is reaching into the hearts and minds of our children, shaping and molding them into a replica of its values, trends, and worldviews. *Guardians of Purity* gives you practical advice to help you stand against these destructive cultural influences

major league parents guide: 501 Baseball Books Fans Must Read Before They Die Ron

Kaplan, 2018-08-01 Propounding his small ball theory of sports literature, George Plimpton proposed that the smaller the ball, the more formidable the literature. Of course he had the relatively small baseball in mind, because its literature is formidable--vast and varied, instructive, often wildly entertaining, and occasionally brilliant. From this bewildering array of baseball books, Ron Kaplan has chosen 501 of the best, making it easier for fans to find just the books to suit them (or to know what they're missing). From biography, history, fiction, and instruction to books about ballparks, business, and rules, anyone who loves to read about baseball will find in this book a companionable guide, far more fun than a reference work has any right to be.

major league parents guide: *Sports, Exercise, and Fitness* Mary Beth Allen, 2005-03-30 For reference librarians and researchers seeking information on sports and fitness, this guide is an important first stop. For collection development specialists, it is an invaluable selection guide. Allen describes and evaluates over 1,000 information sources on the complete spectrum of sports: from basketball, football, and hockey to figure skating, table tennis, and weight training. Focusing on English-language works published between 1990 and the present, the guide thoroughly covers traditional reference sources, such as encyclopedias and bibliographies, along with instructional sources in print formats, online databases, and Web sites. To enable users in search of information on specific sports or fitness activities, chapters are organized thematically, according to broad-type aquatic sports, nautical sports, precision and accuracy, racket sports, ice and snow sports, ball sports, cycling, and so on, with subcategories for such individual sports as soccer, golf, and yoga. Within these categories, works are further organized by type: reference, instructional, and Web sites.

major league parents guide: *Boys' Life*, 1984-11 Boys' Life is the official youth magazine for the Boy Scouts of America. Published since 1911, it contains a proven mix of news, nature, sports, history, fiction, science, comics, and Scouting.

major league parents guide: *Lacrosse* Noah Fink, Melissa Gaskill, 2006 Lacrosse is becoming a growing team sport. Action-packed and fun, lacrosse is a game anyone can play -- the big and small, boys and girls. Lacrosse offers a positive outlet, a place to fit in at school, motivation to excel, and opportunities for team travel. Lacrosse can even potentially mean money for college, and can influence career choices. Topics covered: How to Get Started In Lacrosse; Game and Rules Made Simple; Find The Right Team for Your Son or Daughter; Motivate Players as They Move Up; Pick the Right Gear and Save; Prepare for Lacrosse College Years; Gain Insight into Lacrosse Organisations and Championships. Whether your child is 8 or 18, experienced or just starting, this book is the complete guide to all that lacrosse has to offer. Empower yourself with practical answers and unique ideas, whether you are new to lacrosse or once were a player. Make lacrosse an exhilarating part of your family life!

major league parents guide: *A Parent's Guide to Letting Go* Betty Fish, Raymond M. Fish, 1988

major league parents guide: *Boys' Life*, 1985-08 Boys' Life is the official youth magazine for the Boy Scouts of America. Published since 1911, it contains a proven mix of news, nature, sports, history, fiction, science, comics, and Scouting.

major league parents guide: *Out of the Ballpark* Alex Rodriguez, 2010-12-07 Before he hit 400 home runs... Before he was named American League MVP... Before he was AROD to millions of fans... He was Alex. Just a kid who wanted to play baseball more than anything else in the world. Baseball superstar Alex Rodriguez has drawn on his own childhood experiences to create this exciting picture book. It's the story of a boy named Alex who knows what it's like to swing at a wild pitch or have a ball bounce right between his legs. Alex is determined not to let his mistakes set him back—even if it means getting up at the crack of dawn to work on his hitting and fielding before school each day! Full of the spirit of determination and joy in the game that put AROD in a league of his own, *Out of the Ballpark* is a gift from a great sports hero to every young player who dreams of becoming a star.

major league parents guide: *Deaf Players in Major League Baseball* R.A.R. Edwards,

2020-08-21 The first deaf baseball player joined the pro ranks in 1883. By 1901, four played in the major leagues, most notably outfielder William Dummy Hoy and pitcher Luther Dummy Taylor. Along the way, deaf players developed a distinctive approach, bringing visual acuity and sign language to the sport. They crossed paths with other pioneers, including Moses Fleetwood Walker and Jackie Robinson. This book recounts their great moments in the game, from the first all-deaf barnstorming team to the only meeting of a deaf batter and a deaf pitcher in a major league game. The true story--often dismissed as legend--of Hoy, together with umpire Silk O'Loughlin, bringing hand signals to baseball is told.

major league parents guide: Driving Institute of America presents The Teen Driver's Bible Manuel "Manny" Moncivais, 2019-10-22 IF YOU DRIVE A VEHICLE, YOU NEED THIS BOOK! Here's the deal. We have a huge problem and it must be corrected immediately! From 2000 to 2018, we have had 768,828 people killed in United States in auto accidents (from National Safety Council's Accident Facts)! The past three years (2016-2018), we have had over 40,000 fatalities each year! These are the most in the past nine years, which tells me our training system is not working! This is UNACCEPTABLE! If you drive a vehicle, you need to go through this training! It will be one of the most important books you will ever read! How many of these people would have said they were good drivers? Yes, almost all of them! Fact: 25 percent of all fatal auto accidents are DUI accidents. The other 75 percent of the fatal accidents I classify as sober-related accidents! A problem this book will address in simple detail. Fact: The only way you would attend a driver safety course is by receiving a citation; you attend the class and say, This was a great refresher. I'm glad I took it. This is not a refresher but a survival course! The solution to preventing these staggering statistics is retraining the 210 million drivers on the road with a fundamental, focus-concept training with accident situations. This training is intended to make you a proactive driver versus a reactive driver! Being reactive, most of the time, is too late! I have done much research and developed simple analogies, concepts, and accident-possibility situations that will change your mindset and driving behavior every time you get behind the wheel. Driving Institute of America (DIA) wants to make you a DIA-Certified Teen Driver versus just a teen driver! There is a huge difference! Your life is worth a whole lot more than the cost of this book! You will understand that every time you get behind the wheel, YOU ARE ENTERING THE MOST DANGEROUS PLACE IN THE WORLD THE PUBLIC HIGHWAYS! Never forget this! 100 PERCENT FOCUS AND SAFE DRIVING! You saved my life three different ways! Dee D., Austin, TX I've been a driver for over thirty years and this training taught me some life-saving skills! Matt T., Leander, TX I definitely think everyone who drives a vehicle absolutely needs this training! Tom J., Cedar Park, TX It definitely made our teen more responsible by completing all the certifications. It was an eye opener! Shorouk N., Austin, TX Thank you, this information has helped me so much and it made me more attentive to my own driving habits. Deni H., Austin, TX Yes, I believe everyone who completes this training will be a much more knowledgeable and safer driver. Karen E., Spokane, WA
