Understanding OSRS Hosidius Favor

Hosidius favor is an in-game reputation system tied to the Hosidius House, one of the five districts on the continent of Zeah in Old School RuneScape (OSRS). Players are required to earn favor with Hosidius to access exclusive activities, quests, minigames, and content specific to the house. Building Hosidius favor is especially important for those interested in farming, cooking, and other related skills, as this region offers unique opportunities unavailable elsewhere.

The favor system encourages players to interact with the community by completing tasks and activities that benefit the Hosidius House. As you increase your favor percentage, you unlock new areas, gain access to special minigames, and can participate in house-specific quests. Understanding the mechanics and benefits of Hosidius favor is vital for maximizing your gameplay experience in OSRS.

Requirements for Gaining Hosidius Favor

Before you begin earning Hosidius favor, there are certain requirements and preparations to consider. Fastest Methods for Earning Hosidius Favor

There are several ways to gain Hosidius favor in OSRS, each with its own benefits and requirements. Choosing the fastest method depends on your skill levels and available resources. Efficient favor-gaining strategies can help you reach 100% Hosidius favor quickly, unlocking all the house's exclusive content.

Ploughing Fields

Ploughing the fields north of Hosidius is one of the earliest and most accessible methods for gaining favor. Simply push the plough across the fields to earn favor. This method is effective for beginners but can be slow compared to other options.

Making Fertiliser

Creating sulphurous fertiliser is a fast and popular method for earning Hosidius favor. Players combine compost with saltpetre at the nearby fertiliser pits. This activity is accessible to all levels and provides a fast route to 100% favor with sufficient resources.

1. Collect compost and saltpetre.
2. Mix them together at fertiliser pits.
3. Deposit the fertiliser for favor gains.

Cooking in the Hosidius Kitchen

Once you reach a certain level of favor, you can use the Hosidius kitchen to cook food with reduced burn rates. Cooking food at this location does not directly increase favor, but is a useful perk unlocked as you progress.

Advanced Favor Methods

For higher-level players, participating in activities like farming contracts and special minigames can be an efficient way to maintain or increase favor. Completing quests such as “The Depths of Despair” also provides additional favor and unlocks further content.

Hosidius Favor Rewards and Unlocks

As you progress in gaining Hosidius favor, you unlock a variety of benefits and rewards that enhance

your gameplay. These rewards are exclusive to the Hosidius region and can significantly impact your skilling and questing experience.

Exclusive Farming Plots

Hosidius is known for its extensive farming patches, including herb and allotment plots. Higher favor grants access to more patches, improving your farming efficiency and crop yields.

Cooking Benefits

With sufficient favor, players can use the Hosidius kitchen, which offers the best cooking range in OSRS. The reduced burn rate allows for faster Cooking skill training and higher profits from cooked food.

Quests and Minigames

- Unlock “The Depths of Despair” quest.
- Participate in the Tithe Farm minigame for farming experience.
- Access house-specific achievements and diaries.

These rewards make earning Hosidius favor an essential goal for players focused on skilling, questing, and maximizing their efficiency in Old School RuneScape.

Maintaining and Managing Your Hosidius Favor

Once you reach 100% Hosidius favor, it's important to know how to maintain and manage your standing. Favor can decrease if you switch houses or participate in certain activities, so keeping your favor high ensures continued access to rewards and content.

Locking Your Favor

Players can lock in their favor once it reaches 100% by speaking to specific NPCs. This prevents accidental loss of favor when working on other houses in Zeah. Always lock your favor before switching focus to another house.

Multi-house Favor Strategies

- Earn 100% favor in one house, then lock it in.
- Proceed to another house and repeat the process.
- Unlock and maintain rewards across all five houses for maximum benefit.

Efficient favor management ensures you retain access to all unlocked activities and rewards, making your OSRS experience more streamlined and productive.
