- Overview of "Nefarious"
- Age Appropriateness and Rating Details
- Key Themes and Messages
- Content Breakdown: Violence, Language, and Mature Elements
- Parental Guidance and Discussion Tips
- Viewing Recommendations for Families
- Frequently Asked Questions

Overview of "Nefarious"

"Nefarious" is a psychological thriller that delves into dark and complex subjects, making it a film that requires careful consideration before family viewing. The movie centers on a condemned inmate who claims to be possessed by a demon, engaging in intense psychological battles with a psychiatrist tasked with evaluating his sanity. The narrative is gripping, layered with suspense, and challenges viewers to contemplate themes of morality, evil, and redemption.

This nefarious parents guide aims to provide a clear understanding of the movie's core premise, visual style, and emotional impact. By examining the storyline and cinematic choices, parents can better anticipate how the film might affect younger viewers and prepare for any necessary conversations.

Age Appropriateness and Rating Details

Official Ratings and Their Implications

"Nefarious" is rated R by the Motion Picture Association, indicating restricted content not suitable for viewers under 17 without parental guidance. The rating is primarily due to disturbing thematic elements, scenes of violence, and intense psychological tension. Parents should be aware that the film's subject matter may be overwhelming for sensitive or younger audiences.

Recommended Viewing Ages

Based on the film's content and tone, "Nefarious" is best suited for mature teens and adults. Pre-teens and younger adolescents may find the psychological intensity and dark thematic elements unsettling. This nefarious parents guide advises parents to carefully consider their child's emotional maturity and sensitivity before allowing them to watch the film.

- Young children (under 13): Strongly discouraged due to mature themes.
- Teens (13–17): Parental discretion advised, especially for sensitive viewers.
- Adults: Suitable for mature audiences prepared for intense subject matter.

Key Themes and Messages

Exploration of Good Versus Evil

The central conflict in "Nefarious" revolves around the battle between good and evil, as explored through the protagonist's psychological struggles. The film raises philosophical questions about morality, redemption, and the nature of evil, providing ample material for discussion among older viewers. It challenges audiences to consider the consequences of choices and the possibility of transformation amidst darkness.

Mental Health and Psychological Manipulation

Mental health is a recurring theme, with the psychiatrist character navigating the complexities of sanity, delusion, and manipulation. The film portrays psychological battles that may prompt viewers to reflect on the importance of mental health awareness, empathy, and seeking help when needed. Parents can use these themes to initiate meaningful conversations about emotional wellbeing and support systems.

Spiritual and Existential Questions

"Nefarious" incorporates spiritual undertones, touching on questions of faith, demonic influence, and the existence of evil. These elements can stimulate deep discussions about belief systems, personal values, and the role of spirituality in confronting moral dilemmas. The nefarious parents guide recommends approaching these topics with sensitivity, especially if viewers have diverse religious backgrounds.

Content Breakdown: Violence, Language, and Mature Elements

Violence and Disturbing Imagery

The film contains several scenes of psychological and physical violence, including threats, intimidation, and unsettling imagery. While not excessively graphic, the intensity of these moments can be disturbing, especially for impressionable viewers. Parents should be prepared for sudden scenes of aggression, emotional distress, and the portrayal of harm.

Strong Language and Dialogue

"Nefarious" features occasional strong language and harsh dialogue, reflecting the gritty realism of the prison setting and the psychological tension between characters. While not pervasive, the use of profanity and confrontational exchanges contributes to the film's mature tone. This nefarious parents guide advises parents to be aware of language that may be inappropriate for younger viewers.

Mature and Sensitive Topics

Mature topics such as death, morality, and spiritual warfare are central to the film's narrative. The story includes references to trauma, criminal acts, and existential despair, which may require parental guidance for context and emotional support. Sensitive viewers may be affected by the film's portrayal of suffering and ethical ambiguity.

- Scenes depicting psychological manipulation
- References to violence and criminal acts
- Discussions of faith and spirituality
- Moments of emotional distress and trauma

Parental Guidance and Discussion Tips

Preparing for Sensitive Conversations

Given the film's challenging content, parents are encouraged to preview "Nefarious" themselves before watching with children. This nefarious parents guide suggests discussing potential triggers and themes in advance, ensuring a safe environment for dialogue. Encourage open communication, allowing children to ask questions and express their feelings about the movie's events.

Guided Reflection and Engagement

After viewing, initiate thoughtful discussions about the film's messages and moral dilemmas. Use guided reflection to explore character motivations, ethical choices, and the consequences of actions. Parents can foster critical thinking and empathy by encouraging children to consider different perspectives and express their own interpretations.

Supporting Emotional Wellbeing

If the movie provokes emotional distress or anxiety, offer reassurance and support. Address any fears or confusion that arise, and remind children that fiction can be intense but is separate from real-life experiences. The nefarious parents guide recommends seeking professional help if the film's content triggers significant emotional responses.

Viewing Recommendations for Families

Best Practices for Safe Viewing

To ensure a positive and constructive viewing experience, follow these best practices:

1. Preview the film in advance to assess appropriateness.
2. Watch together in a comfortable, supportive setting.
3. Pause the movie as needed for discussion or emotional breaks.
4. Encourage questions and honest conversations about themes.
5. Respect each family member's limits and sensitivities.

Alternative Movie Choices

If "Nefarious" is deemed too intense, consider alternative psychological thrillers or dramas with milder content. Seek films that explore similar themes in a less graphic manner, promoting meaningful discussion without distress. The nefarious parents guide emphasizes the importance of age-appropriate entertainment and emotional safety.

Frequently Asked Questions

Q: What is the main storyline of "Nefarious"?

A: "Nefarious" centers on a condemned inmate who claims to be possessed by a demon, leading to a tense psychological evaluation by a psychiatrist tasked with determining his sanity.

Q: What age group is "Nefarious" suitable for?

A: The film is best suited for mature teens (16+) and adults due to its intense themes, violence, and psychological content.

Q: Are there any graphic scenes in "Nefarious"?

A: While "Nefarious" contains disturbing imagery and psychological violence, it is not excessively graphic compared to other R-rated thrillers.

Q: Does "Nefarious" include strong language?

A: Yes, the film features occasional strong language and harsh dialogue, contributing to its mature tone.

Q: What themes should parents be aware of?

A: Parents should be aware of themes including good versus evil, mental health, psychological manipulation, and spirituality.

Q: How can parents prepare children for viewing "Nefarious"?

A: Preview the film first, discuss potential triggers, and create a safe space for questions and emotional

support.

Q: Can "Nefarious" be distressing for sensitive viewers?

A: Yes, due to its intense psychological and moral themes, sensitive viewers may find the film distressing.

Q: Is there a positive message in "Nefarious"?

A: The film explores the possibility of redemption and transformation but does so through challenging and dark circumstances.

Q: Are there alternative movies with similar themes?

A: Yes, parents can choose milder psychological thrillers or dramas that address similar topics without intense content.

Q: What should parents do if their child is upset by "Nefarious"?

A: Offer reassurance, discuss their feelings, and seek professional help if needed for emotional wellbeing.

The Nefarious Parents' Guide: A Hilariously Dark Look at Parenting's Absurdities

Are you ready to embrace the chaotic, wonderfully weird, and occasionally terrifying world of parenthood? Forget the saccharine portrayals; this isn't your grandma's parenting guide. This is the Nefarious Parents' Guide, a brutally honest (and hilariously dark) look at the realities of raising kids - the triumphs, the tantrums, and the moments you question all your life choices. We'll delve into the strategies (some questionable, some downright nefarious), the survival techniques, and the coping mechanisms that only the truly seasoned parent understands. Prepare for a journey filled with

laughter, relatable struggles, and maybe a few moments of existential dread.

H2: Mastering the Art of the Strategic Distraction (aka "The Shiny Object Technique")

Let's face it: sometimes, you just need a few precious minutes of peace. Enter the strategic distraction. This isn't about bribery (although that's a perfectly valid tactic in its own right). It's about mastering the art of redirecting that toddler tornado before they unleash their inner demon on unsuspecting victims (or, you know, your prized porcelain collection). A sudden, unexpected appearance of a particularly captivating ladybug? A dramatically whispered secret about a mythical creature residing in the garden shed? The possibilities are endless. The key is to make the distraction sufficiently compelling to shift their focus, leaving you with a momentary reprieve to savor your lukewarm coffee.

H3: Advanced Distraction Tactics:

The "Look! A Squirrel!" Maneuver: Classic, effective, and universally applicable.

The "Emergency Story Time": Whimsical tales of talking animals always buy you time.

The "Unexpected Package": Even an empty box can be a source of momentary wonder.

H2: Negotiating the Labyrinth of Sleep Deprivation

Sleep deprivation is the ultimate parenting rite of passage. It's a test of endurance, a trial by fire, and a constant reminder of your mortality. This section isn't about getting sleep (because let's be honest, that's a mythical creature akin to a unicorn), but rather about surviving the lack thereof.

H3: Survival Strategies for the Sleep-Deprived:

Embrace the Caffeine IV Drip: Your best friend is now a dark, bitter nectar of the gods.

Develop a Sixth Sense for Toddler Wakes: You'll start predicting their nocturnal adventures before they even stir.

Strategic Napping: Even a five-minute power nap can make a world of difference.

H2: The Fine Art of the Parental Lie (for the Greater Good, Obviously)

We've all been there. The moment when you realize a little white lie (or a slightly more pastel-colored fib) is the only way to prevent utter chaos. This isn't about being dishonest; it's about tactical misdirection. It's about using your words to shape reality, however fleetingly, to achieve parental harmony.

H3: Mastering the Art of the Parental Lie:

The "We're Almost There" Lie: A timeless classic, especially effective on long car journeys.

The "The Vegetables Are Actually Candy" Lie (with a slight twist): They might be disguised as candy, but at least they're technically vegetables.

The "The Toys Are Sleeping" Lie: A perfect excuse for preventing a 3 AM toy-induced earthquake.

H2: The Unexpected Joys (and the Occasional Existential Crisis)

Parenthood is a rollercoaster of emotions. One minute you're basking in the pure, unadulterated joy of a child's laughter, the next you're questioning your entire life path while scrubbing unspeakable substances off the wall. It's this beautiful, chaotic paradox that makes it all so uniquely rewarding.

H3: Embracing the Chaos:

Accept the Mess: It's inevitable. Embrace it. Let go.

Find Humor in the Absurd: Laugh at the spilled milk, the rogue crayons, the mystery stains.

Remember the Good Moments: Hold onto those precious memories like they're the most valuable treasures in the world, because they are.

Conclusion

The Nefarious Parents' Guide is not a guide to perfect parenting; perfection is a myth. It's a guide to surviving, thriving, and finding humor in the absolute madness. Embrace the chaos, the laughter, and the occasional existential crisis. You'll emerge stronger, wiser, and possibly slightly more insane—but isn't that part of the charm?

FAQs

1. Is this guide actually nefarious? No, not really. The "nefarious" part is mostly for comedic effect. It's about embracing the humor and the slightly less-than-perfect aspects of parenting.
2. What if my child doesn't respond to strategic distractions? Experiment! Every child is different. Find what works best for them.
3. How much caffeine is too much caffeine? Let's just say, you'll know. Trust your instincts (or lack thereof, at 3 AM).

4. Are parental lies always okay? No, of course not! Use your judgment. It's about small, harmless white lies to navigate the daily chaos.
5. Will this guide actually make me a better parent? It might not make you better, but it will certainly make you more prepared for the ride, with a healthy dose of dark humor to keep you sane along the way.

nefarious parents guide: Parents Guide to the Internet Jay LaBonte, 2006 Every day an unsuspecting child meets a sexual predator in an Internet chat room and what may happen next is every parent's nightmare. With millions of children using the Internet with limited or no adult supervision an unknowingly interacting with sexual predators, it is a very dangerous, and in many cases a deadly combination. Marilyn Mailman Segal, Ph.D., developmental psychologist specializing in early childhood development, and dean emeritus of the Family Center at Nova Southeastern University had this to say: Jay LaBonte has done an outstanding job in writing 'Parents Guide to the Internet' to guide parents to help their child enjoy their computer without being victimized. This book gives parents the information they need to become just as savvy as their children. For more information visit <http://www.jaylabonte.com/details/pgi001.ht>

nefarious parents guide: The Toxic Parents Survival Guide Bryn Collins, 2018-10-09 If you or someone you love grew up with an emotionally unavailable, narcissistic, or selfish parent, you probably struggle with residual feelings of anger, abandonment, loneliness, or shame. For anyone who endured a nightmare or a wasteland instead of a nurturing childhood, The Toxic Parents Survival Guide will offer you the clinical insights and the day-to-day tools so you can break the chains of toxicity that bind you in a mess you didn't create. Psychologist Bryn Collins pulls back the layers to explore the very complicated relationship with an emotionally unavailable parent. Whether they were unavailable because of addiction, mental illness, or being overly controlling or an iceberg, this imminently practical book will help validate your frustration and emotional struggles, help you set clear boundaries, and learn how to un-mesh yourself and move forward to a place of strength and peace without any guilt. Using case studies, quizzes, and jargon-free concepts, Collins profiles the most common types of toxic parents and offers the tactics and tools you need to change and break free of these painful associations. Your wounds can be healed and you can move forward. The Toxic Parents Survival Guide will help you find different ways of dealing with your parents' painful legacy so that you don't suffer and don't pass along emotional unavailability to the next generation or your current relationships.

nefarious parents guide: Never Go Back Lee Child, 2014-04-01 #1 NEW YORK TIMES BESTSELLER • NOW A MAJOR MOTION PICTURE • THE BLOCKBUSTER JACK REACHER SERIES THAT INSPIRED THE STREAMING SERIES REACHER Never Go Back is a novel of action-charged suspense starring “one of the best thriller characters at work today” (Newsweek). Former military cop Jack Reacher makes it all the way from snowbound South Dakota to his destination in northeastern Virginia, near Washington, D.C.: the headquarters of his old unit, the 110th MP. The old stone building is the closest thing to a home he ever had. Reacher is there to meet—in person—the new commanding officer, Major Susan Turner, so far just a warm, intriguing voice on the phone. But it isn't Turner behind the CO's desk. And Reacher is hit with two pieces of shocking news, one with serious criminal consequences, and one too personal to even think about. When threatened, you can run or fight. Reacher fights, aiming to find Turner and clear his name, barely a step ahead of the army, and the FBI, and the D.C. Metro police, and four unidentified thugs. Combining an intricate puzzle of a plot and an exciting chase for truth and justice, Lee Child puts Reacher through his paces—and makes him question who he is, what he's done, and the very future of his untethered life on the open road.

nefarious parents guide: The ADHD Empowerment Guide James W. Forgan, Mary Anne

Richey, 2021-09-23 Rated one of the Best ADHD Books of All Time by Book Authority The ADHD Empowerment Guide is different from other parenting ADHD books because it helps parents identify and build upon their child's strengths and natural talents in order to develop a specific plan to unlock their child's potential. Parents are invited to complete two easy-to-follow questionnaires to identify their child's natural abilities, as well as determine key characteristics in their child that research has shown to help children with ADHD succeed in life. These characteristics include emotional control, integrity, grit, resiliency, resourcefulness, organization, motivation, school fit, support systems, and productive use of technology. Using the practical strategies presented, strength-building activities, and the information learned from the questionnaires, parents can develop a success plan that will unlock their child's potential and build a positive outlook on the journey of raising a child with ADHD. The authors, two professionals who have "been there and done that" with their own children with ADHD, illustrate their strategies and content by highlighting successful people with ADHD who excelled in various areas and share some of their success secrets to raising a successful child with ADHD.

nefarious parents guide: Artemis Fowl Eoin Colfer, 2009-08-07 Twelve-year-old Artemis is a millionaire, a genius-and above all, a criminal mastermind. But Artemis doesn't know what he's taken on when he kidnaps a fairy, Captain Holly Short of the LEPrecon Unit. These aren't the fairies of the bedtime stories-they're dangerous!

nefarious parents guide: Opening Minds Selma Wassermann, 2021-04-10 When schools, libraries, daycares, and playgrounds closed during the pandemic, children were forced to spend a lot of time at home. These closures left parents responsible for providing educational opportunities for their children to ensure they did not fall behind academically. Today, even with schools and other centers of learning reopened, it is clear that online, in-home learning is here to stay. Opening Minds is a wonderful resource full of materials for parents of elementary and middle school children who want to expand their learning at home. Though it is not intended to replace or be a substitute for the standard curriculum of the grades, it provides parents with a variety of tools to promote and engage children's thinking across various curriculum areas - critical thinking that can serve children at any grade level and give them a leg up to deal with whatever they will face.

nefarious parents guide: Dread Nation Justina Ireland, 2018-04-03 New York Times bestseller; 6 starred reviews! At once provocative, terrifying, and darkly subversive, Dread Nation is Justina Ireland's stunning vision of an America both foreign and familiar—a country on the brink, at the explosive crossroads where race, humanity, and survival meet. Jane McKeene was born two days before the dead began to walk the battlefields of Gettysburg, Pennsylvania—derailing the War Between the States and changing the nation forever. In this new America, safety for all depends on the work of a few, and laws like the Native and Negro Education Act require certain children attend combat schools to learn to put down the dead. But there are also opportunities—and Jane is studying to become an Attendant, trained in both weaponry and etiquette to protect the well-to-do. It's a chance for a better life for Negro girls like Jane. After all, not even being the daughter of a wealthy white Southern woman could save her from society's expectations. But that's not a life Jane wants. Almost finished with her education at Miss Preston's School of Combat in Baltimore, Jane is set on returning to her Kentucky home and doesn't pay much mind to the politics of the eastern cities, with their talk of returning America to the glory of its days before the dead rose. But when families around Baltimore County begin to go missing, Jane is caught in the middle of a conspiracy, one that finds her in a desperate fight for her life against some powerful enemies. And the restless dead, it would seem, are the least of her problems. Abundant action, thoughtful worldbuilding, and a brave, smart, and skillfully drawn cast entertain as Ireland illustrates the ignorance and immorality of racial discrimination and examines the relationship between equality and freedom. (Publishers Weekly, An Anti-Racist Children's and YA Reading List)

nefarious parents guide: Angel Mage Garth Nix, 2019-10-01 A new fantasy masterpiece from Garth Nix, bestselling author of the Old Kingdom series. More than a century has passed since Liliath crept into the empty sarcophagus of Saint Marguerite, fleeing the Fall of Ystara. But she

emerges from her magical sleep still beautiful, looking no more than nineteen, and once again renews her single-minded quest to be united with her lover, Palleniel, the archangel of Ystara. It's a seemingly impossible quest, but Liliath is one of the greatest practitioners of angelic magic to have ever lived, summoning angels and forcing them to do her bidding. Four young people hold her interest: Simeon, a studious doctor-in-training; Henri, a dedicated fortune hunter; Agnez, a glory-seeking musketeer; and Dorotea, icon-maker and scholar of angelic magic. The four feel a strange kinship from the moment they meet but do not suspect their importance. And none of them know just how Liliath plans to use them, as mere pawns in her plan, no matter the cost to everyone else . . . Fans of Cassandra Clare, Holly Black, and Leigh Bardugo will fall in love with *Angel Mage*, a feminist fantasy that takes place in an alternate European world ruled by fearsome magic and deadly passions. * PW Best Books 2019 * Bank Street College of Education Best Children's Book of the Year (2020) *

nefarious parents guide: Who Takes This Child? Allan Dare Pearce, 2013-08-16 Canadian parents facing the removal of children from their home are in for an uphill battle, and it's important that their interests be protected. In *Who Takes This Child?*, author Allan Dare Pearce discusses the child protection laws, agencies, and processes in Canada. For more than thirty years, he has counseled and represented parents in their battles with the child protection authorities, preparing pleadings, arguing motions, and conducting trials. In *Who Takes This Child?*, he shows what happens in typical child protection cases in Canada. Pearce discusses the overarching agency that's assigned to protect children; how the agency gets involved; the process of apprehension and temporary (or interim) care; plans of care; how parents' capacity is assessed; the issues of mental health, disabilities, and the system; parents with addiction and parents who abuse; the trial; and strategies for specific situations. Through examples and personal accounts, Pearce communicates the importance of understanding the child protection process so parents can keep custody of their children and avoid the foster care system.

nefarious parents guide: Crema Johnnie Christmas, 2022-02-01 #1 New York Times Bestselling cartoonist Johnnie Christmas and Prism Award Nominee Dante Luiz bring you a haunted tale of love, ghosts, and coffee beans. Esme, a barista, feels invisible, like a ghost... also, when Esme drinks too much coffee she actually sees ghosts. Yara, the elegant heir to a coffee plantation, is always seen, but only has eyes for Esme. Their world is turned upside down when the strange ghost of an old-world nobleman begs Esme to take his letter from New York City to a haunted coffee farm in Brazil, to reunite him with his lost love of a century ago. Bringing sinister tidings of unrequited love. Collects the ComiXology original digital graphic novel *Crema* in print for the first time.

Census figures say about half those aged 18 to 24 live at home, with 65% of college graduates returning. This guide helps parents and their adult children deal with living together again by: helping young adults set goals for independence; determine boundaries; talk about dating, and more. -- Only book on the topic -- Open nesting trend alive and well-especially with the advent of the economic downturn -- Focused on the interests and concerns of both the parents and the adult children

nefarious parents guide: Integrative Couple Therapy in Action Arthur C. Nielsen, 2022-04-26 *Integrative Couple Therapy in Action* offers a comprehensive, user-friendly guide to handling the most common problems and crisis situations seen by couple therapists. Drawing on the latest literature and the author's experience of over 40 years, Nielsen investigates what makes certain issues, such as sex, or situations, such as extramarital affairs, so stressful for clients and challenging for therapists. Unlike most graduate programs and texts on couple therapy that focus on theory and technique, *Integrated Couple Therapy in Action* fills in the details. The chapters cover common presenting problems (sex, money, children, and the stresses of time, work, and simply living together) and then discuss catastrophic crisis situations (couples reeling from affairs, contemplating divorce, divorcing, or living in stepfamilies after divorcing). *Integrative Couple Therapy in Action*

provides one-stop shopping for readers of all skill levels interested in understanding the subject matter that bedevils so many couples.

nefarious parents guide: Avoiding the Ageing Parent Trap, Second Edition Brian Herd, 2024-07-03 "An invaluable guide." Noel Whittaker, International bestselling author and finance writer "Informative, inspiring, insightful ... this is the essential family guide to navigating elder care and preparing for ageing parents." Winner of the 2021 Australasian Journal on Ageing (AJA) Book Award. Informative and insightful, this is the essential family guide to preparing for ageing parents. This is a book that forces us to confront what most of us avoid - planning for our ageing parents. Our natural inclination is to wait and see what might happen. But when it does happen or starts to unfold, most families are unprepared, and the results can be devastating. Poor decisions, disputes with siblings and partners and the destruction of relationships can be the aftermath. Author Brian Herd should know, recognised as one of Australia's leading experts in the areas of elder law, and aged care for over 35 years, he has dealt with the fallout from these failures in families. Avoiding the Ageing Parent Trap is packed full of practical strategies for dealing with family dynamics and managing financial and legal affairs, the overriding goal, is to forewarn and forearm you about your family's future. This book is your go-to resource for: • Information and practical case studies to support families in their legal, financial, and healthcare decision-making. • Easy to read and commonsense advice from a leading elder care lawyer, with hands-on experience and examples to demonstrate what to expect, and even better, how to plan and prepare. • Help navigating the best outcomes for aging parents, from estate planning to Centrelink, residential aged care, wills, and financial pitfalls to avoid. Brian outlines practical strategies for dealing with family dynamics and avoiding the pitfalls. He recounts numerous hair-raising examples of bad 'family planning' and even better, what to expect, and how to plan and prepare.

nefarious parents guide: This Poison Heart Kalynn Bayron, 2021-06-29 Darkness blooms in bestselling author Kalynn Bayron's new contemporary fantasy about a girl with a unique and deadly power. Briseis has a gift: with a single touch she can grow plants from tiny seeds to rich blooms. When Briseis's aunt dies and wills her a dilapidated estate in rural New York, Bri and her parents hope that surrounded by plants and flowers, she will finally learn to control her gift. But their new home is sinister in ways they never expected-it comes with a mysterious set of instructions, a walled garden filled with the deadliest botanicals in the world, and generations of secrets. There is more to Bri's sudden inheritance than she could have imagined, and she is determined to uncover it. From the bestselling author of Cinderella Is Dead comes an enchanting story about a young woman with the power to conquer the dark forces descending around her.

nefarious parents guide: As Good as Dead Holly Jackson, 2021-09-28 THE MUST-READ MULTIMILLION BESTSELLING MYSTERY SERIES • The final book in the A Good Girl's Guide to Murder series that reads like your favorite true crime podcast or show. By the end, you'll never think of good girls the same way again... Pip is about to head to college, but she is still haunted by the way her last investigation ended. She's used to online death threats in the wake of her viral true-crime podcast, but she can't help noticing an anonymous person who keeps asking her: Who will look for you when you're the one who disappears? Soon the threats escalate and Pip realizes that someone is following her in real life. When she starts to find connections between her stalker and a local serial killer caught six years ago, she wonders if maybe the wrong man is behind bars. Police refuse to act, so Pip has only one choice: find the suspect herself—or be the next victim. As the deadly game plays out, Pip discovers that everything in her small town is coming full circle . . .and if she doesn't find the answers, this time she will be the one who disappears. . . And don't miss Holly Jackson's next thriller, Five Survive!

nefarious parents guide: Leave Me Alone! Vera Brosgol, 2016-09-13 A 2017 Caldecott Honor Book that The New York Times calls "both classic and ultracontemporary," Leave Me Alone! is an epic tale about one grandmother, a giant sack of yarn, and her ultimate quest to finish her knitting. One day, a grandmother shouts, LEAVE ME ALONE! and leaves her tiny home and her very big family to journey to the moon and beyond to find peace and quiet to finish her knitting. Along the

way, she encounters ravenous bears, obnoxious goats, and even hordes of aliens! But nothing stops grandma from accomplishing her goal—knitting sweaters for her many grandchildren to keep them warm and toasty for the coming winter. Vera Brosgol's slyly clever and unexpectedly funny modern folktale is certain to warm even the coldest of hearts. nefarious parents guide: We All Looked Up Tommy Wallach, 2015-03-24 The lives of four high school seniors intersect weeks before a meteor is set to pass through Earth's orbit, with a 66.6% chance of striking and destroying all life on the planet.

nefarious parents guide: A Parent-Partner Status for American Family Law Merle H. Weiner, 2015-09-17 This book proposes a new 'parent-partner' legal status emphasizing obligations of parents to each other and to their children.

nefarious parents guide: *Accomplice* Eireann Corrigan, 2011 They've gotten good grades-but that's not good enough. They've spent hours on community service-but that's not good enough. Finn and Chloe's advisor says that colleges have enough kids with good grades and perfect attendance, so Chloe decides they'll have to attract attention another way. She and Finn will stage Chloe's disappearance, and then, when CNN is on their doorstep and the nation is riveted, Finn will find and save her. It seems like the perfect plan-until things start to go wrong. Very wrong.

nefarious parents guide: *Chaos Unleashed* Pippa DaCosta, 2017-02-28 From the ashes of the fallen demon court, a new threat rises... Raised in a lab and trained to kill, I might not know much about being human, but I do know demons, and they don't come more dangerous than the Prince of Pride—the devil. My brother is trapped at the heart of Fairhaven—a demon stronghold. To get him back, I need Pride's help. Trained to kill princes, I know I can't trust this one. He'll lie, cheat, and manipulate to get what he wants: a new Dark Court so that he can rise again as its leader. His pretty words and burned wings don't fool me. I'll use him and any means necessary to save my brother. I don't have a choice. If I fail, if I can't control the elemental forces gathering inside Fairhaven, chaos will be unleashed, creating a new Hell on Earth. My makers tell me I'm too demon to love, too demon to care. But they made me this way. Now it's time to show them all how demon I can be.

nefarious parents guide: TV Guide , 2003

nefarious parents guide: *Arm of the Sphinx* Josiah Bancroft, 2017-08-22 Senlin continues his ascent up the tower in the word-of-mouth phenomenon fantasy series about one man's dangerous journey through a labyrinthine world. One of my favorite books of all time -- Mark Lawrence on Senlin Ascends The Tower of Babel is proving to be as difficult to reenter as it was to break out of. Forced into a life of piracy, Senlin and his eclectic crew are struggling to survive aboard their stolen airship as the hunt to rescue Senlin's lost wife continues. Hopeless and desolate, they turn to a legend of the Tower, the mysterious Sphinx. But help from the Sphinx never comes cheaply, and as Senlin knows, debts aren't always what they seem in the Tower of Babel. Time is running out, and now Senlin must choose between his friends, his freedom, and his wife. Does anyone truly escape the Tower?

nefarious parents guide: *We Need to Talk* Ian Williamson, 2017-05-04 'WHAT EVERY PARENT SHOULD KNOW ... If anyone is qualified to give advice on how to manage this tricky time for parents, it's Ian' - The Times 'Ian Williamson is a genius ... I couldn't recommend [this] more highly' HELEN FIELDING How do you talk to your teen when their only focus is the screen in front of them? How do you help them to build a core of self-esteem in a world obsessed with appearances? In this empathetic, down to earth and eminently practical guide from one of the UK's leading adolescent psychoanalysts, Ian Williamson will help you through every possible hurdle in the teenage years. - Covering topics from behaviour and relationships to crime and gaming - Featuring top tips and takeaway advice - With realistic solutions that you can put into practice right away We Need to Talk is your new go-to-guide to navigating the often tricky adolescent years, with the endgame being what every parent wants: a healthy, happy and resilient child.

nefarious parents guide: *Flunked* Jen Calonita, 2015-03-03 Would you send a villain to do a

hero's job? Flunked is an exciting new twisted fairy tale from the award-winning author of the Secrets of My Hollywood Life series. Charming fairy-tale fun. -Sarah Mlynowski, author of the New York Times bestselling Whatever After series. Gilly wouldn't call herself wicked, exactly...but when you have five little brothers and sisters and live in a run-down boot, you have to get creative to make ends meet. Gilly's a pretty good thief (if she does say so herself). Until she gets caught. Gilly's sentenced to three months at Fairy Tale Reform School where all of the teachers are former (super-scary) villains like the Big Bad Wolf, the Evil Queen, and Cinderella's Wicked Stepmother. Harsh. But when she meets fellow students Jax and Kayla, she learns there's more to this school than its heroic mission. There's a battle brewing and Gilly has to wonder: can a villain really change? Fairy Tale Reform School is spellbinding and wickedly clever. Gilly is smart, spunky, and a hilarious narrator, and I cannot wait to read about her next adventure! -Leslie Margolis, author of the Annabelle Unleashed novels and the Maggie Brooklyn mysteries Fairy Tale Reform School is a fresh and funny take on the enchanted world. (And who hasn't always wanted to know what happened to Cinderella's stepmother?) -Julia DeVillers, author of the Trading Faces identical twin series and Emma Emmets, Playground Matchmaker

nefarious parents guide: The Silver Pigs Lindsey Davis, 2006-10-03 The Silver Pigs is Lindsey Davis' classic novel, which introduced readers around the world to Marcus Didius Falco, a private informer with a knack for trouble, a tendency for bad luck, and a frequently inconvenient drive for justice. When Marcus Didius Falco, a Roman informer who has a nose for trouble that's sharper than most, encounters Sosia Camillina in the Forum, he senses immediately all is not right with the pretty girl. She confesses to him that she is fleeing for her life, and Falco makes the rash decision to rescue her—a decision he will come to regret. For Sosia bears a heavy burden: as heavy as a pile of stolen Imperial ingots, in fact. Matters just get more complicated when Falco meets Helena Justina, a Senator's daughter who is connected to the very same traitors he has sworn to expose. Soon Falco finds himself swept from the perilous back alleys of Ancient Rome to the silver mines of distant Britain—and up against a cabal of traitors with blood on their hands and no compunction whatsoever to do away with a snooping plebe like Falco....

nefarious parents guide: In The Miso Soup Ryu Murakami, 2009-08-03 A rollercoaster ride from the cult master of the psycho-thriller 'A blistering portrait of contemporary Japan, its nihilism and decadence wrapped up within one of the most savage thrillers since The Silence of the Lambs' Kirkus 'Deft and fascinating . . . A grisly tour of the darkness and confusion of the human mind' New York Times It's just before New Year, and Frank, an overweight American tourist, has hired Kenji to take him on a guided tour of Tokyo's red light district. As Frank's behaviour becomes increasingly unsettling, Kenji begins to entertain a horrible suspicion: his client may in fact have murderous intentions. Although Kenji is far from innocent himself, he unwillingly descends into the troubling waters of Frank's mind, from which only his sixteen-year-old girlfriend, Jun, can possibly save him.

nefarious parents guide: Under The Skin Michel Faber, 2000-01-01 With an introduction by David Mitchell Isserley spends most of her time driving. But why is she so interested in picking up hitchhikers? And why are they always male, well-built and alone? An utterly unpredictable and macabre mystery, Under the Skin is a genre-defying masterpiece.

nefarious parents guide: The Book of Accidents Chuck Wendig, 2021-07-20 NATIONAL BESTSELLER • A family returns to their hometown—and to the dark past that haunts them still—in this masterpiece of literary horror by the New York Times bestselling author of Wanderers “The dread, the scope, the pacing, the turns—I haven’t felt all this so intensely since The Shining.”—Stephen Graham Jones, New York Times bestselling author of The Only Good Indians NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE NEW YORK PUBLIC LIBRARY AND LIBRARY JOURNAL Long ago, Nathan lived in a house in the country with his abusive father—and has never told his family what happened there. Long ago, Maddie was a little girl making dolls in her bedroom when she saw something she shouldn’t have—and is trying to remember that lost trauma by making haunting sculptures. Long ago, something sinister, something hungry, walked in the tunnels and the mountains and the coal mines of their hometown in rural Pennsylvania. Now, Nate

and Maddie Graves are married, and they have moved back to their hometown with their son, Oliver. And now what happened long ago is happening again . . . and it is happening to Oliver. He meets a strange boy who becomes his best friend, a boy with secrets of his own and a taste for dark magic. This dark magic puts them at the heart of a battle of good versus evil and a fight for the soul of the family—and perhaps for all of the world. But the Graves family has a secret weapon in this battle: their love for one another.

nefarious parents guide: Your Kids, Their Money Clifton D. Corbin, 2021-10-27 Your Kids, Their Money gives you the tools to teach your children about the one area many parents never talk about - money. Drawing on his master's in business administration (MBA), finance experience, and practices with his own children, Clifton Corbin provides a guide for the modern parent. In this book you will learn how to educate your children on the basics of money management such as allowances and first jobs, borrowing, credit, and investing, in ways that make sense to parents and appeal to kids. Clifton's innovative approach starts by identifying teachable moments during everyday activities. You will see how to: * Involve your children in the family's finances, * Explain where money comes from, * Teach why it's essential to invest, manage debt and donate, * Gain tools to explain why sometimes you just can't afford some things, and * So much more. Throughout the book, you and your kids can participate in activities and games to engage further with financial literacy and build greater confidence. Your Kids, Their Money is the clear and simple guide you need to help teach financial literacy to your children. Applicable for kids of all ages, this guide is an investment you will want to make in building a solid foundation for your children's future.

nefarious parents guide: Cultish Amanda Montell, 2021-06-15 "One of those life-changing reads that makes you see—or, in this case, hear—the whole world differently." —Megan Angelo, author of Followers "At times chilling, often funny, and always perceptive and cogent, Cultish is a bracing reminder that the scariest thing about cults is that you don't realize you're in one till it's too late."—Refinery29.com The New York Times bestselling author of The Age of Magical Overthinking and Wordslut analyzes the social science of cult influence: how "cultish" groups, from Jonestown and Scientologists to SoulCycle and social media gurus, use language as the ultimate form of power. What makes "cults" so intriguing and frightening? What makes them powerful? The reason why so many of us binge Manson documentaries by the dozen and fall down rabbit holes researching suburban moms gone QAnon is because we're looking for a satisfying explanation for what causes people to join—and more importantly, stay in—extreme groups. We secretly want to know: could it happen to me? Amanda Montell's argument is that, on some level, it already has . . . Our culture tends to provide pretty flimsy answers to questions of cult influence, mostly having to do with vague talk of "brainwashing." But the true answer has nothing to do with freaky mind-control wizardry or Kool-Aid. In Cultish, Montell argues that the key to manufacturing intense ideology, community, and us/them attitudes all comes down to language. In both positive ways and shadowy ones, cultish language is something we hear—and are influenced by—every single day. Through juicy storytelling and cutting original research, Montell exposes the verbal elements that make a wide spectrum of communities "cultish," revealing how they affect followers of groups as notorious as Heaven's Gate, but also how they pervade our modern start-ups, Peloton leaderboards, and Instagram feeds. Incisive and darkly funny, this enrapturing take on the curious social science of power and belief will make you hear the fanatical language of "cultish" everywhere.
