The Protocols of the Learned Elders of Zion: A Critical Examination

Introduction:

The "Protocols of the Learned Elders of Zion" is a text shrouded in controversy and steeped in historical significance. This infamous document, purporting to reveal a Jewish plan for global domination, has been widely denounced as a forgery, yet its enduring influence and the insidious ways it continues to fuel antisemitism demand a thorough and critical examination. This blog post will delve into the history of the Protocols, analyzing its origins, content, and lasting impact, while firmly rejecting its hateful and unfounded claims. We will explore its historical context, its role in propagating antisemitic conspiracy theories, and its continued relevance in understanding the persistence of hate speech and misinformation. This is not an endorsement of its claims, but a necessary investigation into its dangerous legacy.

H2: The Origins and Authorship of a Forgery

The Protocols first appeared in Russia in the early 1900s, published serially in a newspaper known for its antisemitic leanings. While various claims of authorship have surfaced over the years, scholarly consensus overwhelmingly points towards its origins being a fabrication, likely inspired by a combination of existing antisemitic tropes and plagiarized passages from other works. The text closely mirrors the structure and style of other anti-Masonic literature popular at the time, suggesting its creators consciously drew upon existing antisemitic and anti-establishment narratives to create a more compelling (and dangerous) narrative. The authorship remains definitively unattributed, but the circumstantial evidence strongly suggests a deliberate attempt to create a powerful piece of propaganda.

H2: Dissecting the Content: A Roadmap to Global Domination – or a Litany of Lies?

The Protocols present a purported plan by Jewish elders to seize global control through cunning manipulation and deception. They outline strategies ranging from controlling the media and financial institutions to manipulating governments and inciting social unrest. This alleged roadmap, however, lacks internal consistency and coherence, often resorting to vague pronouncements and contradictory statements. The text's structure and style betray its inauthenticity, with repetitive phrasing, illogical leaps, and a clear lack of a cohesive, realistic plan for world domination. Rather, the "plan" serves as a vehicle to reinforce pre-existing antisemitic stereotypes about Jewish power and influence.

H3: Key Themes of Antisemitic Propaganda

Several key themes underpin the Protocols' hateful narrative: Jewish control of finance, media manipulation, and the undermining of traditional societal structures. These themes draw heavily on existing antisemitic tropes that have been used for centuries to justify discrimination and violence against Jewish communities. The Protocols effectively repackaged these old prejudices in a seemingly organized and systematic format, adding to their perceived credibility and appeal to antisemitic audiences.

H2: The Protocols' Enduring Legacy: Fueling Antisemitism and Hate

Despite its clear fabrication, the Protocols have had a devastating and lasting impact. Its influence extends far beyond its initial publication, serving as a foundational text for numerous antisemitic movements and conspiracy theories throughout the 20th and 21st centuries. The text has been translated into numerous languages and widely disseminated, fueling waves of antisemitism and violence across the globe. Its enduring appeal lies in its ability to provide a seemingly plausible explanation for societal problems, scapegoating an entire group of people for the world's ills.

H3: The Protocols in the Digital Age

In the digital age, the Protocols have found new life through online platforms. The ease with which misinformation can be spread online has allowed the text to reach a new generation of readers, many of whom are unaware of its origins and the overwhelming evidence discrediting its claims. Combating the spread of this dangerous propaganda requires critical thinking skills, media literacy, and robust fact-checking mechanisms.

H2: The Importance of Critical Analysis and Historical Context

Understanding the Protocols requires a critical examination of its historical context and a clear recognition of its inherent flaws and inconsistencies. The text should be studied not as a factual document, but as a potent example of antisemitic propaganda and a reflection of the societal anxieties and prejudices that fueled its creation and spread. Its analysis is crucial in understanding the mechanisms of hate speech and the dangers of misinformation.

Conclusion:

The "Protocols of the Learned Elders of Zion" remains a dangerous and influential text. While its claims are demonstrably false and its origins rooted in deliberate fabrication, its enduring impact on antisemitic thought and action cannot be ignored. Understanding its history, analyzing its contents critically, and recognizing its harmful effects is essential to combatting antisemitism and promoting tolerance and understanding. Rejecting this forgery and its hateful message is crucial for building a more just and equitable world.

FAQs:

1. Are there any scholarly works that support the authenticity of the Protocols? No. The overwhelming scholarly consensus deems the Protocols a forgery. Any purported scholarly support is typically based on misinterpretations or deliberate misrepresentations of historical evidence.
2. How can I identify and combat the spread of the Protocols online? Be critical of online sources, fact-check information, and report instances of the Protocols being used to promote antisemitism to the relevant platform.
3. What legal ramifications are there for spreading the Protocols? Depending on the context and jurisdiction, spreading the Protocols could be considered hate speech or incitement to violence, potentially leading to legal consequences.
4. What are some resources for learning more about antisemitism and countering hate speech? Many reputable organizations such as the Anti-Defamation League (ADL) and the Southern Poverty Law Center (SPLC) provide educational resources and tools for understanding and combating antisemitism and other forms of hate speech.
5. Why is it important to continue discussing the Protocols, even though it's a known forgery? It is vital to continue studying the Protocols to understand its enduring influence on antisemitic ideologies and how such propaganda continues to spread and impact society. Understanding its history is crucial for preventing future instances of similar hateful rhetoric.

protocols of the learned elders of zion: Protocols of the Learned Elders of Zion Sergei Nilus, Victor Emile Marsden, 2014 The Protocols of the Elders of Zion is a tract alleging a Jewish and Masonic plot to achieve world domination. Purportedly written by a secret group of Jews known as the Elders of Zion, the document underlies 24 protocols that are supposedly followed by the Jewish people. The Protocols has been proven to be a forgery. The forgery contains numerous elements typical of what is known in literature as a False Document a document that is deliberately written to fool the reader into believing that what is written is truthful and accurate even though, in actuality, it is not. It is also one of the best-known and most-discussed examples of literary forgery, with analysis and proof of its fraudulent origin going as far back as 1921. The forgery is also an early example of Conspiracy Theory literature.

protocols of the learned elders of zion: *Dismantling the Big Lie* Steven L. Jacobs, Mark Weitzman, 2003 Table of contents

protocols of the learned elders of zion: *The Jewish Peril* , 1920

protocols of the learned elders of zion: *The Dialogue in Hell Between Machiavelli and Montesquieu* Maurice Joly, 2003 Joly's (1831-78) Dialogue aux enfers entre Machiavel et Montesquieu is the major source of one of the world's most infamous and damaging forgeries, The Protocols of the Elders of Zion. That, however, was concocted some two decades after he died, and American political scientist Waggoner points to Joly's own text for evidence that he was not

anti-semitic and was an intransigent enemy of the kind of tyranny the forgery served during the 1930s. He translates the text and discusses Joly's intentions in writing it and his contribution to the understanding of modern politics. Annotation copyrighted by Book News, Inc., Portland, OR.

protocols of the learned elders of zion: The Paranoid Apocalypse Richard Landes, Steven T. Katz, 2012 This text re-examines 'The Protocols of the Elders of Zion's' popularity, investigating why it has persisted, as well as larger questions about the success of conspiracy theories even in the face of claims that they are blatantly counterfactual and irrational.

protocols of the learned elders of zion: The Global Impact of the Protocols of the Elders of Zion Esther Webman, 2012-03-29 The Protocols of the Elders of Zion has attracted the interest of politicians and academicians, and generated extensive research, since the tract first appeared in the early twentieth century. Despite having repeatedly been discredited as a historical document, and in spite of the fact that it served as an inspiration for Hitler's antisemitism and the Holocaust, it continues, even in our time, to be influential. Exploring the Protocols' successful dissemination and impact around the world, this volume attempts to understand their continuing popularity, one hundred years after their first appearance, in so many diverse societies and cultures. With contributions from leading scholars in the field, the book covers themes such as: Why have the Protocols survived to the present day and what are the sources from which they draw their strength? What significance do the Protocols have today in mainstream worldviews? Are they gaining in importance? Are they still today a warrant for genocide or merely a reflection of xenophobic nationalism? Can they be fought by logical argumentation? This comprehensive volume which, for the first time, dwells also on the attraction of the Protocols in Arab and Muslim countries, will be of interest to specialists, teachers, and students working in the fields of antisemitism, the far right, Jewish studies, and modern history.

protocols of the learned elders of zion: A Rumor About the Jews Stephen Eric Bronner, 2014-12-16 The Protocols of the Elders of Zion is among the most infamous documents of antisemitism. A forgery created in Russia by the czarist secret police and quickly translated into a host of languages, it portrayed Judaism as a worldwide conspiracy dedicated to the destruction of Christian civilization. The appearance of the Protocols sparked a number of bloody pogroms and it helped shape the thinking of right-wing movements worldwide from Hitler's Nazis to contemporary antisemitic groups in Russia, the Middle East and the United States. A work of intellectual history, *A Rumor About the Jews* by Stephen Eric Bronner expresses the connection between antisemitism and the overarching political assault upon the enlightenment legacy, taking the reader on a historical journey that provides a new and penetrating understanding of an insidious ideology and its broader implications.

protocols of the learned elders of zion: A Rumor about the Jews Stephen Eric Bronner, 2018-08-30 In its portrayal of Judaism as a worldwide conspiracy dedicated to the destruction of Christian civilization, the Protocols of the Learned Elders of Zion remains one of the most infamous documents ever written. Despite being proven a crude forgery, the pamphlet managed to pervade twentieth-century thinking, often being twisted to suit its handlers' purposes, and to justify the most extreme persecution of the Jews. In *A Rumor About the Jews*, Stephen Eric Bronner provides a history of this notorious fabrication—one which has renewed salience in a “post truth” society dominated by “fake news—and explores its influence on right-wing movements throughout the twentieth century and the ongoing appeal of bigotry. This new edition of Bronner's 2000 classic (described by Kirkus as the best short book on anti-Semitism) expands the arguments of the first edition, bringing the work up to date in a new political context.

protocols of the learned elders of zion: A Lie and a Libel Benjamin W. Segel, 1996-10-01 A strange and repugnant mystery of the twentieth century is the durability of the Protocols of the Elders of Zion, a clumsy forgery purporting to be evidence of the supposed Jewish plot to rule the world. Though it has been exposed as a forgery, some apprentice brownshirt is always rediscovering it, the latest in a line of gullibility that includes, most famously, Henry Ford. Recently it has been translated into Japanese and circulates once again with renewed virulence in the former Soviet

Union and Eastern Europe. In 1924 in Germany the Jewish author and journalist Benjamin Segel wrote a major historical exposé of the fraud and later edited his work into a shorter form, published as *Welt-Krieg, Welt-Revolution, Welt-Verschwörung, Welt-Oberregierung* (Berlin 1926). Translator Richard S. Levy, a specialist on the history of anti-semitism, provides an extensive introduction on the circumstances of Segel's work and the story of the Protocols up to the 1990s, including an explanation of its continuing psychological appeal and political function.

protocols of the learned elders of zion: Protocols of the Learned Elders of Zion , 1970

protocols of the learned elders of zion: *The Russian Protocols of Zion in Japan* Jacob Kovalio, 2009 Before World War I, Japan did not have an antisemitic tradition of its own. Although influences of Western antisemitism reached the country in the late 19th century, it was only during Japan's participation in the Siberian Intervention of 1918-22 that the Protocols of the Elders of Zion made their way to Japan. The dissemination of this work promoted conspiracy and scapegoating antisemitism in the country. In 1920-21, several Japanese translations of the Protocols appeared, and the topics of Jewish omnipotence and the Jewish peril (Yudayaka in Japanese) became widespread in the mass media and in literature. One of the themes discussed was the Jewish character of the Bolshevik Revolution. Discusses writings by Eiju Oniwa, Tsuyanoske Higuchi (aka Baiseiki Kitagami), Seika Ariga, Minetaro Yamanaka, Tokio Imai, etc., as well as the writings of those who criticized the conception of the Jewish world conspiracy and rejected the Yudayaka and the veracity of the Protocols: Sakuzo Yoshino, Tokusaburo Hatta, Kametaro Mitsukawa, Masao Kinoshita, and others. In 1929 a roundtable on the Jewish problem was organized by the magazine Heibon.

protocols of the learned elders of zion: License to Murder Alex Grobman, 2011 In our world today, several people, groups and minorities are singled-out for persecution. Yet there is one group that overwhelmingly has faced a more sustained, vicious, and relentless hatred: the Jews. Many people have negative perceptions about Jewish people and the state of Israel. The question is, why? The why is a bit elusive. But we know some of the sources, and sadly, the legacy of the notorious forgery, The Protocols of the Learned Elders of Zion has created widespread fear and hatred of the Jewish people. Purported to be a strategic document for taking over the world, the Protocols is actually a product of the Czarist police in Russia, not long before the Communist Revolution. Now, in *License to Murder*, esteemed scholar Alex Grobman has written a brilliant examination of this famous document, and his historical grasp is important to understand, if we are going to effectively battle persecution in our world today.

protocols of the learned elders of zion: The Perennial Conspiracy Theory Michael Hagemester, 2021-11-22 The Perennial Conspiracy Theory is a collection of essays on The Protocols of the Elders of Zion, a fake document which has created a pernicious antisemitic conspiracy theory. The author analyses the murky origins of this notorious forgery and the contested claims of authorship. He explores the impact of the Protocols on various countries during the interwar years including Soviet Russia, the United Kingdom, France, Nazi Germany, and the United States. He also profiles figures closely associated with the dissemination of antisemitic conspiracy theories, such as Sergei Nilus and Leslie Fry, as well as examining the controversies arising from the famous Bern trial related to the Protocols. The book concludes with an assessment of the ongoing influence of the Protocols in post-Soviet Russia. This volume will be of interest to researchers and students working in the fields of antisemitism, conspiracy theories, the far right, Jewish studies, and modern history.

protocols of the learned elders of zion: Protocols of the Meetings of the Learned Elders of Zion , 1945

protocols of the learned elders of zion: The Protocols and World Revolution Sergiĭ Nilus, 1920 Forged and faked document, claimed to be the product of the first Zionest Congress held in Basel, Switzerland in 1897, that details Jewish plans for world domination. Consult Singerman.

protocols of the learned elders of zion: The Protocols of the Meetings of the Learned Elders of Zion Sergiei Nilus, 2003 The Protocols of the Elders of Zion was supposedly written in 1897 from the minutes of 24 secret meetings between Jews and Freemasons in which they conspired to bring

down Western civilization and jointly rule the world. In reality, it is nothing of the sort. Protocols tells of a Jewish plot to take over the world. Historians have long said the work is a forgery concocted by Czar Nicholas II's secret police to blame Russia's troubles on Jews. In 1921, Philip Graves of the London Times revealed The Protocols to be a fraud, showing it to be based on a French satire aimed at Napoleon III. Professor Nilus was a priest in the Orthodox Church in Russia. He published the first Russian language edition in 1905. In 1920 Henry Ford bought The Dearborn Independent, a virile and very independent journal published in his home town. He used it to publish the Protocols of the Elders of Zion and a series of articles about the book, as part of his series of 81 articles (between 1920 and 1922) on the Jewish Question in America, which he called the world's foremost problem. The Dearborn Independent was distributed nationwide to Ford dealer showrooms and was offered free of charge to the general public. The relevant articles are collected here so that the whole can be studied at one time. This book is an important document in the history of anti-Semitism, and has been used as required reading in many university anti-Semitism courses.

protocols of the learned elders of zion: The Lie That Will Not Die Hadassa Ben-Itto, 2020 Of all the libels that have served as a means of incitement of hate against Jews, and as intellectual justification of anti-Semitism, the myth of the so-called 'Jewish Conspiracy' to gain domination of the whole world, as embodied in the forged Protocols of the Elders of Zion, is probably the most devious and the most dangerous. Previously only analyzed in academic, footnoted studies, the history of the Protocols is presented here by Judge Hadassa Ben-Itto in an eminently readable, fascinating account, telling the stories of the numerous people involved over the hundred years that the forgery has existed. Above all, this is the story of a judge who follows the Protocols into lawyers' chambers and into courtrooms in Switzerland, South Africa, Germany, the United States, and Russia, and presents the reader with a detailed critical analysis of legal proceedings which culminated in fascinating courtroom drama. The truth is revealed again and again, but the lie will not die.

protocols of the learned elders of zion: The Lie that Wouldn't Die Hadassa Ben-Itto, 2005 Of all the libels that have served as a means of incitement of hate against Jews, and as intellectual justification of anti-Semitism, the myth of the so-called 'Jewish Conspiracy' to gain domination of the whole world, as embodied in the forged Protocols of the Elders of Zion, is probably the most devious and the most dangerous. Previously only analyzed in academic, footnoted studies, the history of the Protocols is presented here by Judge Hadassa Ben-Itto in an eminently readable, fascinating account, telling the stories of the numerous people involved over the hundred years that the forgery has existed. Above all, this is the story of a judge who follows the Protocols into lawyers' chambers and into courtrooms in Switzerland, in South Africa, in Germany, in the United States and in Russia, and presents the reader with a detailed critical analysis of legal proceedings which culminated in fascinating courtroom drama. The truth is revealed again and again, but the lie wouldn't die.

protocols of the learned elders of zion: Behold a Pale Horse William Cooper, 2012-04-11 Bill Cooper, former United States Naval Intelligence Briefing Team member, reveals information that remains hidden from the public eye. This information has been kept in Top Secret government files since the 1940s. His audiences hear the truth unfold as he writes about the assassination of John F. Kennedy, the war on drugs, the Secret Government and UFOs. Bill is a lucid, rational and powerful speaker who intent is to inform and to empower his audience. Standing room only is normal. His presentation and information transcend partisan affiliations as he clearly addresses issues in a way that has a striking impact on listeners of all backgrounds and interests. He has spoken to many groups throughout the United States and has appeared regularly on many radio talk shows and on television. In 1988 Bill decided to talk due to events then taking place worldwide, events which he had seen plans for back in the early '70s. Since Bill has been talking, he has correctly predicted the lowering of the Iron Curtain, the fall of the Berlin Wall and the invasion of Panama. All Bill's predictions were on record well before the events occurred. Bill is not a psychic. His information

comes from Top Secret documents that he read while with the Intelligence Briefing Team and from over 17 years of thorough research. Bill Cooper is the world's leading expert on UFOs. -- Billy Goodman, KVEG, Las Vegas. The onlt man in America who has all the pieces to the puzzle that has troubled so many for so long. -- Anthony Hilder, Radio Free America William Cooper may be one of America's greatest heros, and this story may be the biggest story in the history of the world. -- Mills Crenshaw, KTALK, Salt Lake City. Like it or not, everything is changing. The result will be the most wonderful experience in the history of man or the most horrible enslavement that you can imagine. Be active or abdicate, the future is in your hands. -- William Cooper, October 24, 1989.

protocols of the learned elders of zion: The Protocols Of The Meetings Of The Learned Elders Of Zions Victor E. Marsden, 2017

protocols of the learned elders of zion: *Fakes, Lies, and Forgeries* Sheridan Libraries, Neil Weijer, Walter Stephens, Janet E. Gomez, John Hoffmann, 2014 In addition to providing a checklist of 70 treasures from the Arthur and Janet Freeman Bibliotheca Fictiva Collection, this beautifully-illustrated volume includes five essays that explore the phenomenon of forgery as a creative literary form and provide an interesting and informative sense of the broader collection. With nearly 1,700 individual items, the Bibliotheca Fictiva Collection is the largest and most comprehensive collection of books and manuscripts of forgery in the world. Highlights include editions of Jesus' posthumous Letter from Heaven, eyewitness accounts of the Fall of Troy, annotated books from Shakespeare's personal library, Alpine inscriptions recording Noah's settlement of Vienna after the Flood, and a first-hand account of the discovery of Homer's tomb. The collection was assembled over a 50-year period and acquired by the Sheridan Libraries of Johns Hopkins University in 2011. Exhibition: Johns Hopkins Krieger School of Arts, Baltimore, USA (05.10.2014 - 01.02.2015).

protocols of the learned elders of zion: The Protocols of the Learned Elders of Zion Anonymous, 2023-07-18 Widely regarded as a forgery and an anti-Semitic hoax, The Protocols of the Learned Elders of Zion is nonetheless a famous and controversial text. Purportedly a secret plan for Jewish domination of the world, the Protocols have been debunked by numerous scholars and experts, yet they continue to inspire conspiracy theories and anti-Semitic sentiment to this day. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

protocols of the learned elders of zion: *Masters of Discourse* Israel Shamir, 2008 Welcome to the new world order, where mass media, a fully integrated public-opinion-forming machine of mind control had rendered the Left and Right obsolete and subservient to Zionism. Who are the people who own and operate this machine? Are they actually the Jewish Lobby? No, says Shamir. The formidable Jewish Lobby is just the visible tip of the iceberg, while below there are miles and miles of solid ice: media lords, chief editors, their favourite university pundits – in short, the Masters of Discourse. In this third volume of his writing, Israel Shamir travels around the world to find the reason for their captive hold over our thinking.

protocols of the learned elders of zion: *The Protocols of the Learned Elders of Zion -The Great in the Small & Antichrist* Sergei Nilus, Victor Marsden, 2014-09-23 The Protocols of the Elders of Zion or The Protocols of the Meetings of the Learned Elders of Zion is a Jewish plan for global domination. It was first published in Russia in 1903, translated into multiple languages in the early part of the 20th century. Henry Ford funded printing of 500,000 copies that were distributed throughout the US in the 1920s. The Protocols document the minutes of a late 19th-century meeting of Jewish leaders discussing their goal of global Jewish hegemony by subverting the morals of Gentiles, and by controlling the press and the world's economies.

protocols of the learned elders of zion: Protocols of the Meetings of the Learned Elders of Zion , 1934

protocols of the learned elders of zion: The Protocols of the Elders of Zion (Protocols of the Wise Men of Zion, Protocols of the Learned Elders of Zion, Protocols of the Meetings of the Learned Elders of Zion, Protocols of the Sages of Zion, Protocols of Zion) Victor E. Marsden, 2006 The author of this translation of the famous Protocols was himself a victim of the Revolution. He had lived for many years in Russia and was married to a Russian lady. Among his other activities in Russia he had been for a number of years a Russian Correspondent of the MORNING POST, a position which he occupied when the Revolution broke out, and his vivid descriptions of events in Russia will still be in the recollection of many of the readers of that Journal. Naturally he was singled out for the anger of the Soviet. On the day that Captain Cromie was murdered by Jews, Victor Marsden was arrested and thrown into the Peter-Paul Prison, expecting every day to have his name called out for execution. This, however, he escaped, and eventually he was allowed to return to England very much of a wreck in bodily health. However, he recovered under treatment and the devoted care of his wife and friends. One of the first things he undertook, as soon as he was able, was this translation of the Protocols. Mr. Marsden was eminently well qualified for the work. His intimate acquaintance with Russia, Russian life and the Russian language on the one hand, and his mastery of a terse literary English style on the other, placed him in a position of advantage which few others could claim. The consequence is that we have in his version an eminently readable work, and though the subject-matter is somewhat formless, Mr. Marsden's literary touch reveals the thread running through the twenty-four Protocols.

protocols of the learned elders of zion: The Protocols of the Learned Elders of Zion Sergei Nilus, 2017-05-03 The Protocols of the Elders of Zion or The Protocols of the Meetings of the Learned Elders of Zion is a Jewish plan for global domination. It was first published in Russia in 1903, translated into multiple languages in the early part of the 20th century. Henry Ford funded printing of 500,000 copies that were distributed throughout the US in the 1920s. The Protocols document the minutes of a late 19th-century meeting of Jewish leaders discussing their goal of global Jewish hegemony by subverting the morals of Gentiles, and by controlling the press and the world's economies.

protocols of the learned elders of zion: Henry Ford And The Jews Neil Baldwin, 2001-12-03 Drawing upon oral history transcripts, archival correspondence, and unpublished family memoirs, independent scholar Baldwin describes Henry Ford's rabid anti-Semitism and the Jewish American community's response to him. Topics include Ford's hateful essays in The Dearborn Independent, his publication of treatises on the alleged international Jewish banking conspiracy, and his impact on the anti- Semitic movement in Europe in the years leading up to World War II. Annotation copyrighted by Book News, Inc., Portland, OR

protocols of the learned elders of zion: The Protocols of the Learned Elders of Zion Victor E Marsden, 2017-06-08 Translated from the Russian by Victor Marsden. The Protocols supposedly outlines a plan of action by elders of the Jewish Nation to rule the world -- to take control over key organizations, including assets, in order to manipulate world affairs in their favor. Some say the issue has already been settled conclusively -- that it is clearly a forgery. Although there may be final evidence to this effect, we have not seen a clear and convincing version of it produced by those making the claim. Others maintain that it was and is absolutely genuine -- proven by the fact that all copies were destroyed in Russia in the early 1900s by the Kerensky regime. In the following years, anyone caught with a copy could be, and sometimes were, shot on sight. It was law, The Protocols were taken seriously by the Russians and by people in America like the famed industrialist, Henry Ford. This seems to give it validity, but people (and nations) have been known to be fooled. If The Protocols are a forgery, they still form an interesting book which deserves to be studied in the same way The War of the Worlds radio broadcast duped many thousands into thinking we were being invaded by Martians in the early part of the 20th century. If, however. The Protocols are genuine (which can never be proven conclusively), it might cause some of us to keep a wary eye on

world affairs. We neither support nor deny its message, we simply make it available for those who wish a copy.

protocols of the learned elders of zion: Protocols of the Elders of Zion United States. Congress. Senate. Committee on the Judiciary. Subcommittee to Investigate the Administration of the Internal Security Act and Other Internal Security Laws, 1964

protocols of the learned elders of zion: *Protocols of the Meetings of the Learned Elders of Zion*, 198?

protocols of the learned elders of zion: Memoirs of an Anti-Semite Gregor Von Rezzori, 2007-12-04 The elusive narrator of this beautifully written, complex, and powerfully disconcerting novel is the scion of a decayed aristocratic family from the farther reaches of the defunct Austro-Hungarian Empire. In five psychologically fraught episodes, he revisits his past, from adolescence to middle age, a period that coincides with the twentieth-century's ugliest years. Central to each episode is what might be called the narrator's Jewish Question. He is no Nazi. To the contrary, he is apolitical, accommodating, cosmopolitan. He has Jewish friends and Jewish lovers, and their Jewishness is a matter of abiding fascination to him. His deepest and most defining relationship may even be the strange dance of attraction and repulsion that throughout his life he has conducted with this forbidden, desired, inescapable, imaginary Jewish other. And yet it is just his relationship that has blinded him to—and makes him complicit in—the terrible realities his era. Lyrical, witty, satirical, and unblinking, Gregor von Rezzori's most controversial work is an intimate foray into the emotional underworld of modern European history.

protocols of the learned elders of zion: From the Protocols of the Elders of Zion to Holocaust Denial Trials Debra R. Kaufman, 2007 In reaction to the Irving v. Penguin/Lipstadt (winter, 2000) trial, the editors of this volume sought to provide a text that moves away from the Holocaust itself to ask broader questions about the stubborn persistence of anti-Semitic invective and historical distortion despite legal verdicts to the contrary, historical correctives and media reportage. In these essays the authors explore the assumptions and methods of their disciplines that limit or enhance the ability of any single approach (historical, legal, or journalistic) to challenge the racism and/or anti-Semitism which underlie the persistence of such forgeries as The protocols of the elders of Zion and the fallacies of Holocaust denial. Teachers of college and graduate courses on the Holocaust are increasingly faced with proliferating print and web based assertions and re-assertions of premises whose veracity have been long since disproved. This text encourages students and professionals to explore through three trial contexts (Protocols of Zion, Eichmann/Nuremberg, and Holocaust denial) the way in which claims related to the fate of Jews in the twentieth century have been made, struggled over, and fixed in the law, in historical canon and in the popular imagination. The Protocols are a forgery and crimes against humanity and genocide against the Jewish people did happen. This volume marks the ways in which we present and re-present the historical facts, the journalism, and the legal proofs that support the truth of those assertions in the face of invective and denial.

protocols of the learned elders of zion: The Protocols of the Meetings of the Learned Elders of Zion With Preface and Explanatory Notes Victor E. Marsden, 1986-06-01

protocols of the learned elders of zion: *Protocols of the Meetings of the Learned Elders of Zion* Victor E. Marsden, 2013-10 This is a new release of the original 1934 edition.

protocols of the learned elders of zion: The Protocols, 2016-05-12 The Protocols of the Learned Elders of Zion '.....the most notorious and most successful work of modern anti-Semitism.....' The Protocols of the Elders of Zion or The Protocols of the Meetings of the Learned Elders of Zion is an antisemitic fabricated text purporting to describe a Jewish plan for global domination. The forgery was first published in Russia in 1903, translated into multiple languages, and disseminated internationally in the early part of the 20th century. According to the claims made by some of its publishers, the Protocols are the minutes of a late 19th-century meeting where Jewish leaders discussed their goal of global Jewish hegemony by subverting the morals of Gentiles, and by controlling the press and the world's economies. Henry Ford funded printing of 500,000 copies that

were distributed throughout the US in the 1920s. Adolf Hitler was a major proponent. It was studied, as if factual, in German classrooms after the Nazis came to power in 1933, despite having been exposed as fraudulent by The Times of London in 1921. It is still widely available today in numerous languages, in print and on the Internet, and continues to be presented by some proponents as a genuine document.

 Protocol XX Financial Programme
 Protocol XXI Loans and Credit
 Protocol XXII Power of Gold
 Protocol XXIII Instilling Obedience
 Protocol XXIV Qualities of the Ruler

10. Is it possible for any sound logical mind to hope with any success to guide crowds by the aid of reasonable counsels and arguments, when any objection or contradiction, senseless though it may be, can be made and when such objection may find more favor with the people, whose powers of reasoning are superficial? Men in masses and the men of the masses, being guided solely by petty passions, paltry beliefs, traditions and sentimental theorems, fall a prey to party dissension, which hinders any kind of agreement even on the basis of a perfectly reasonable argument.

protocols of the learned elders of zion: The Invention of Sacred Tradition James R. Lewis, Olav Hammer, 2011-03-03 The dictionary definition of tradition refers to beliefs and practices that have been transmitted from generation to generation, however, 'tradition' can rest simply on the claim that certain cultural elements are rooted in the past. Claim and documented historical reality need not overlap. In the domain of religion, historically verifiable traditions coexist with recent innovations whose origins are spuriously projected back into time. This book examines the phenomenon of 'invented traditions' in religions ranging in time from Zoroastrianism to Scientology, and geographically from Tibet to North America and Europe. The various contributions, together with an introduction that surveys the field, use individual case studies to address questions such as the rationale for creating historical tradition for one's doctrines and rituals; the mechanisms by which hitherto unknown texts can enter an existing corpus; and issues of acceptance and scepticism in the reception of dubious texts.

protocols of the learned elders of zion: Bloody Zion Edward Hendrie, 2012 Jesus told Pontius Pilate: My kingdom is not of this world. John 18:36. God has a spiritual Zion that is in a heavenly Jerusalem. Hebrews 12:22; Revelation 21:10. Jesus Christ is the chief corner stone laid by God in Zion. 1 Peter 2:6. Those who believe in Jesus Christ are living stones in the spiritual house of God. 1 Peter 2:5; Ephesians 2:20-22. Believers are in Jesus and Jesus is in believers. John 14:20; 17:20-23. All who are elected by God to believe in Jesus Christ are part of the heavenly Zion, without regard to whether they are Jews or Gentiles. Romans 10:12. Satan is a great adversary of God, who has created his own mystery religions. During the Babylonian captivity (2 Chronicles 36:20), an occult society of Jews replaced God's commands with Satan's Babylonian dogma. Their new religion became Judaism. Jesus explained the corruption of the Judaic religion: Howbeit in vain do they worship me, teaching for doctrines the commandments of men. Mark 7:7. Jesus revealed the Satanic origin of Judaism when he stated: Ye are of your father the devil, and the lusts of your father ye will do. John 8:44. Babylonian Judaism remains the religion of the Jews today. Satan has infected many nominal Christian denominations with his Babylonian occultism, which has given rise to Christian Zionism. Christian Zionism advocates a counterfeit, earthly Zion, within which fleshly Jews take primacy over the spiritual church of Jesus Christ. This book exposes Christian Zionism as a false gospel and subversive political movement that sustains Israel's war against God and man.
