

poe mirrored tablet

poe mirrored tablet is one of the most intriguing mechanics introduced to Path of Exile, offering players a unique approach to acquiring and customizing valuable loot. This innovation has captured the attention of both new and veteran players, thanks to its dynamic gameplay and the promise of high-value rewards. In this comprehensive guide, we will explore what the poe mirrored tablet is, how it functions, its strategic uses, and the best practices for maximizing its potential. We will also delve into the types of rewards available, how the tablet interacts with other league mechanics, and tips for efficient tablet management. Whether you're looking to enhance your endgame experience or simply curious about this impactful addition to Path of Exile, this article covers everything you need to know about the poe mirrored tablet and its place in the ever-evolving world of Wraeclast.

- Understanding the Poe Mirrored Tablet Mechanic
- How to Create and Interact with Mirrored Tablets
- Rewards and Unique Items from the Mirrored Tablet
- Optimizing Your Mirrored Tablet Experience
- Advanced Strategies for Tablet Placement and Mirrored Encounters
- Frequently Asked Questions about Poe Mirrored Tablet

Understanding the Poe Mirrored Tablet Mechanic

The poe mirrored tablet mechanic was introduced as a part of Path of Exile's ongoing commitment to

innovative gameplay. It revolves around the concept of a “tablet” that players construct during their journey through the game world. As players progress through maps and encounters, they are given opportunities to place tiles on the mirrored tablet, each tile representing a different challenge or reward. This system allows for a high degree of customization, letting players tailor encounters to their preference and skill level. By offering varied tiles, the mechanic encourages strategic thinking, replayability, and resource management, all while maintaining the core thrill of discovering powerful loot.

Mirrored tablets serve as a mini-game within the broader Path of Exile experience, providing a break from traditional map clearing with a fresh layer of strategy. The tiles can range from simple combat encounters to complex puzzles, each offering distinct types of loot and modifiers. Understanding the nuances of tablet construction is essential for maximizing its value, as the choices made during placement directly influence the difficulty and reward potential of the mirrored tablet.

How to Create and Interact with Mirrored Tablets

Acquiring the Mirrored Tablet

Players encounter the poe mirrored tablet mechanic early in their mapping experience. Upon interacting with a special NPC or object related to the league, players are presented with a blank mirrored tablet. This tablet becomes a persistent feature, allowing incremental progress as players complete maps and encounters.

Placing Tiles and Customizing Encounters

At certain intervals, players are offered a choice of tiles to add to their mirrored tablet. Each tile represents a different encounter type, modifier, or reward. The placement of tiles is crucial, as adjacent tiles can synergize and alter the overall difficulty of the mirrored tablet. Strategic placement can yield powerful combinations or unique rewards, while careless choices might result in overwhelming challenges.

- **Combat Tiles:** Spawn waves of enemies or bosses.
- **Reward Tiles:** Offer currency, unique items, or crafting materials.
- **Modifier Tiles:** Change encounter rules, such as monster resistance or loot quantity.
- **Puzzle Tiles:** Introduce logic or spatial challenges for added variety.

Activating the Mirrored Tablet

Once the mirrored tablet is fully constructed, players can activate it to enter a special mirrored realm. Within this realm, all chosen tiles manifest as encounters or rewards. Successfully completing the entire tablet yields the accumulated rewards, which can include rare items, valuable currencies, and exclusive league content.

Rewards and Unique Items from the Mirrored Tablet

Loot Table Overview

The poe mirrored tablet offers one of the most diverse loot tables in Path of Exile. Rewards are influenced by the types and arrangements of tiles placed on the tablet. By carefully selecting tiles, players can target specific loot types, including mirrored items, high-tier currencies, and league-specific rewards.

Exclusive Mirrored Items

One of the main attractions of the mirrored tablet is the ability to obtain exclusive “mirrored” items. These items cannot be traded or modified, making them highly sought-after for their unique properties

and guaranteed stats. Mirrored items often serve as best-in-slot equipment for many builds, providing significant advantages in both progression and endgame content.

Types of Rewards Available

- **Currency:** Exalted Orbs, Chaos Orbs, Divine Orbs, and league-exclusive currencies.
- **Equipment:** High-tier weapons, armor, and accessories with mirrored modifiers.
- **Crafting Materials:** Fossils, essences, and catalysts for advanced item customization.
- **League-specific Loot:** Items and currencies unique to the current league.

Optimizing Your Mirrored Tablet Experience

Tablet Layout Strategies

Maximizing the value of your poe mirrored tablet requires careful planning. Experienced players recommend prioritizing tiles with synergistic rewards and modifiers. By connecting tiles that enhance each other, you can create high-reward zones within your tablet, increasing both the quantity and quality of loot received.

Balancing Risk and Reward

While it's tempting to pursue the highest-value tiles, players must also consider the difficulty of the encounters. Some tile combinations can dramatically increase enemy strength or introduce challenging modifiers. Finding the right balance between risk and reward ensures consistent progress and prevents

frustrating failures.

Efficient Tablet Management

- Plan tile placement in advance for optimal synergy.
- Prioritize reward tiles over filler or low-value tiles.
- Monitor encounter difficulty and adjust strategy accordingly.
- Save high-risk tiles for when your character is better equipped.

Advanced Strategies for Tablet Placement and Mirrored Encounters

Synergizing Tablet Tiles

Advanced players take advantage of tile synergies to create powerful mirrored tablet layouts. By grouping modifier tiles with corresponding reward tiles, you can multiply the effects of both. Some setups allow for exponential increases in loot drops or reduced encounter difficulty, turning the tablet into a reliable source of endgame rewards.

League Integration and Tablet Interaction

The poe mirrored tablet mechanic often interacts with other league systems. For example, integrating tablet encounters with existing map modifiers or league-specific mechanics can further boost rewards

and challenge levels. Players should stay informed about current league changes to adapt their tablet strategies for maximum benefit.

Tablet Completion and Post-Encounter Analysis

After completing a mirrored tablet, reviewing the results helps refine future strategies. Take note of which tile combinations yielded the best rewards and which encounters proved too difficult. Continuous analysis and adaptation are key to mastering the mirrored tablet mechanic and consistently achieving high-value loot.

Frequently Asked Questions about Poe Mirrored Tablet

Q: What is the poe mirrored tablet in Path of Exile?

A: The poe mirrored tablet is a customizable mini-game mechanic where players build a tablet with various tiles, each representing different encounters or rewards. Completing the tablet unlocks access to a special mirrored realm with valuable loot.

Q: How do I acquire a mirrored tablet?

A: Players can acquire a mirrored tablet by interacting with a league-specific NPC or object during mapping. The tablet becomes available early in the league and persists as players progress.

Q: What kind of rewards can I get from the mirrored tablet?

A: Rewards include high-tier currency, mirrored items, crafting materials, and exclusive league loot. The types and quality of rewards depend on the tiles chosen and their arrangement on the tablet.

Q: Can mirrored items obtained from the tablet be traded or modified?

A: No, mirrored items are account-bound and cannot be traded or modified. They retain their original stats and offer guaranteed value for specific builds.

Q: How do I optimize my mirrored tablet for the best loot?

A: Optimize your tablet by planning tile placement, focusing on synergistic reward tiles, and balancing risk with your character's capabilities. Advanced strategies involve grouping modifiers to multiply effects.

Q: Is the mirrored tablet mechanic available in all leagues?

A: The mirrored tablet is typically tied to a specific league or expansion. Availability may vary depending on the current state of Path of Exile's seasons and updates.

Q: How do tile synergies work in the mirrored tablet?

A: Tile synergies occur when adjacent tiles enhance each other's effects, leading to increased rewards or reduced difficulty. Strategic placement is essential for maximizing these benefits.

Q: What should I do if I encounter a difficult tablet layout?

A: If faced with a challenging tablet, prioritize defensive or utility tiles, and consider saving high-risk encounters for when your character is stronger. Adapt your strategy based on available gear and skills.

Q: Can the mirrored tablet mechanic be integrated with other league

features?

A: Yes, the mechanic often interacts with other league systems, allowing players to combine tablet encounters with existing map modifiers for additional rewards and challenge.

Q: Why is the mirrored tablet considered a valuable mechanic in Path of Exile?

A: The mirrored tablet offers a high degree of customization, strategic depth, and access to unique rewards, making it a popular and valuable addition to the Path of Exile experience.

Poe Mirrored Tablet: A Deep Dive into the Ultimate Smart Home Control Center

Are you tired of juggling multiple smart home devices and apps? Do you dream of a sleek, intuitive interface that seamlessly controls your entire connected ecosystem? Then the concept of a "Poe Mirrored Tablet" might just be the answer you've been searching for. This comprehensive guide explores the potential of utilizing a PoE (Power over Ethernet) enabled tablet as a central hub for your smart home, examining its advantages, practical applications, and the considerations you need to make before taking the plunge. We'll delve into the technical aspects, address potential challenges, and ultimately help you decide if a PoE mirrored tablet is the right solution for your smart home needs.

What is a PoE Mirrored Tablet and Why Use It?

A "Poe Mirrored Tablet" isn't a specific product you can buy off the shelf. Instead, it's a concept: leveraging a tablet powered by Power over Ethernet (PoE) to serve as a central control interface for your smart home. The key benefit lies in the PoE functionality. Instead of relying on a wall outlet or battery power, the tablet receives both power and data through a single Ethernet cable. This eliminates the need for unsightly charging cables, offers a cleaner aesthetic, and ensures consistent power, ideal for a permanently mounted control panel. Mirroring, in this context, refers to the potential for displaying the tablet's interface on a larger screen, extending its reach and usability.

Advantages of a PoE Mirrored Tablet Setup:

Clean Aesthetics: A single Ethernet cable replaces messy power cords, improving the overall look of your smart home setup.

Reliable Power: PoE ensures consistent power, preventing unexpected shutdowns due to low battery.

Centralized Control: Consolidates control of various smart home devices into one intuitive interface.

Enhanced Security: PoE systems often incorporate enhanced security features compared to Wi-Fi-only solutions.

Scalability: Easily integrates with expanding smart home ecosystems.

Remote Accessibility (with proper setup): Potentially allows remote monitoring and control of your home.

Choosing the Right Components: Hardware and Software

Building a functional PoE mirrored tablet system requires careful consideration of several key components:

1. The Tablet:

You'll need a tablet compatible with PoE. This usually involves using a PoE injector or a PoE-enabled device, along with a tablet with an Ethernet port (which are becoming less common, necessitating adapters). Alternatively, you can opt for a dedicated PoE touchscreen panel designed for industrial applications.

2. The PoE Injector/Switch:

This is the device that sends both power and data over the Ethernet cable to your tablet. Ensure its

power output matches your tablet's requirements.

3. The Mirroring Solution:

If you want to mirror the tablet's display, you'll need an appropriate mirroring device, such as a wireless HDMI transmitter or a dedicated screen mirroring system for commercial applications. Consider the resolution and refresh rate compatibility between the tablet and your chosen display.

4. The Smart Home Automation Software:

Select a smart home platform that offers robust control capabilities and integrates well with your existing devices. Popular options include Home Assistant, SmartThings, and HomeKit.

Setting up Your PoE Mirrored Tablet System: A Step-by-Step Guide

1. Choose your components: Carefully select the tablet, PoE injector, mirroring solution, and smart home software based on your needs and budget.
2. Connect the hardware: Connect the PoE injector to your router and the tablet to the injector using Ethernet cables.
3. Install the smart home software: Install and configure your chosen smart home platform on the tablet.
4. Add your devices: Add your smart home devices to the platform and test their functionality.
5. Configure mirroring (if applicable): Connect the mirroring device to both your tablet and the display.
6. Test and fine-tune: Test all aspects of the system and adjust settings as needed.

Potential Challenges and Limitations

While the concept of a PoE mirrored tablet offers many advantages, it's essential to acknowledge potential challenges:

Tablet Compatibility: Finding a suitable tablet with Ethernet or readily adaptable PoE capabilities might be challenging.

Cost: Setting up a PoE system can be more expensive than traditional setups.

Technical Expertise: The installation and configuration may require some technical knowledge.

Network Reliability: The system's performance heavily relies on a stable network connection.

Conclusion

A PoE mirrored tablet offers a compelling solution for those seeking a clean, centralized, and reliable smart home control system. While setting it up might require some technical know-how and investment, the resulting seamless integration and enhanced usability make it a worthwhile endeavor for tech-savvy homeowners. Carefully planning your setup and choosing compatible components are critical to realizing the full potential of this innovative approach to smart home management.

FAQs

1. Can I use any tablet with a PoE mirrored tablet setup? No, you need a tablet with either a built-in Ethernet port or a compatible USB-C port that supports PoE using an appropriate adapter. Not all tablets are designed for this purpose.
2. How secure is a PoE mirrored tablet system? Generally, PoE systems offer enhanced security compared to Wi-Fi, as they typically utilize wired connections. However, security remains dependent on the network security measures implemented.
3. What happens if the network connection fails? If the network connection fails, the tablet will still likely function, provided the PoE injector continues to supply power. However, you lose control over remote access and smart home device management.
4. What if my tablet doesn't have an Ethernet port? You'll need a USB-C to Ethernet adapter that supports PoE passthrough. Not all adapters support this function, so verify compatibility before purchasing.
5. Can I use a larger touchscreen display instead of a tablet? Yes, many dedicated PoE touchscreens are available specifically designed for industrial or commercial use as smart home control panels. These often provide enhanced durability and more robust control interfaces than consumer tablets.

poe mirrored tablet: Teachers' Monographs , 1924

poe mirrored tablet: *New York Teachers' Monographs* , 1924

poe mirrored tablet: *Before She Knew Him* Peter Swanson, 2019-03-05 Catching a killer is dangerous—especially if he lives next door From the hugely talented author of *The Kind Worth Killing* comes an exquisitely chilling tale of a young suburban wife with a history of psychological instability whose fears about her new neighbor could lead them both to murder . . . Hen and her husband Lloyd have settled into a quiet life in a new house outside of Boston, Massachusetts. Hen (short for Henrietta) is an illustrator and works out of a studio nearby, and has found the right meds

to control her bipolar disorder. Finally, she's found some stability and peace. But when they meet the neighbors next door, that calm begins to erode as she spots a familiar object displayed on the husband's office shelf. The sports trophy looks exactly like one that went missing from the home of a young man who was killed two years ago. Hen knows because she's long had a fascination with this unsolved murder—an obsession she doesn't talk about anymore, but can't fully shake either. Could her neighbor, Matthew, be a killer? Or is this the beginning of another psychotic episode like the one she suffered back in college, when she became so consumed with proving a fellow student guilty that she ended up hurting a classmate? The more Hen observes Matthew, the more she suspects he's planning something truly terrifying. Yet no one will believe her. Then one night, when she comes face to face with Matthew in a dark parking lot, she realizes that he knows she's been watching him, that she's really on to him. And that this is the beginning of a horrifying nightmare she may not live to escape. . .

poe mirrored tablet: The Desert of Souls Howard Andrew Jones, 2011-02-15 The glittering tradition of sword-and-sorcery sweeps into the sands of ancient Arabia with the heart-stopping speed of a whirling dervish in this thrilling debut novel from new talent Howard Andrew Jones In 8th century Baghdad, a stranger pleads with the vizier to safeguard the bejeweled tablet he carries, but he is murdered before he can explain. Charged with solving the puzzle, the scholar Dabir soon realizes that the tablet may unlock secrets hidden within the lost city of Ubar, the Atlantis of the sands. When the tablet is stolen from his care, Dabir and Captain Asim are sent after it, and into a life and death chase through the ancient Middle East. Stopping the thieves—a cunning Greek spy and a fire wizard of the Magi—requires a desperate journey into the desert, but first Dabir and Asim must find the lost ruins of Ubar and contend with a mythic, sorcerous being that has traded wisdom for the souls of men since the dawn of time. But against all these hazards there is one more that may be too great even for Dabir to overcome... Advance Praise for THE DESERT OF SOULS: The Desert of Souls is filled with adventure, magic, compelling characters and twists that are twisty. This is seriously cool stuff. -- Steven Brust, New York Times bestselling author of the Vlad Taltos series A grand and wonderful adventure filled with exotic magic and colorful places — like a cross between Sinbad and Indiana Jones. -- Kevin J. Anderson, New York Times bestselling author of The Map of All Things Like the genie of the lamp, Howard Jones has granted this reader's wish for a fresh, exciting take on the venerable genre of sword-and-sorcery! -- Richard A. Knaak, New York Times and USA Today bestselling author of Legends of the Dragonrealm Howard Andrew Jones spins an exciting and suspenseful tale in his historical fantasy debut. A rich, detailed tapestry -- part Arthur Conan Doyle, part Robert E. Howard, and part Omar Khayyam, woven in the magical thread of One Thousand And One Nights. -- E.E. Knight, Author of the bestselling Vampire Earth An entertaining and enjoyable journey into a world of djinns and magic far darker than expected, yet one that ends with hope, both for the characters... and that there will be yet another book. -- L. E. Modesitt, Jr, author of the

Recluse Saga, the Imager Portfolio, and the Korean Chronicles A modern iteration of old school storytelling. Highly recommended to anyone in search of a fun run through strange lands and times. -- Glen Cook, author of The Black Company Series Howard Jones wields magic like a subtle blade and action like a mighty cleaver in his scimitars and sorcery tale, weaving together Arabian myth, history, and some honest-to-gosh surprises to create a unique story that you'll not soon forget. -- Monte Cook, author of The Dungeon Masters Guide, 3rd Edition A rousing tale of swords against sorcery. Howard Jones writes with wit and flair. His world is involving, authentic and skilfully evoked. The best fantasy novel I have read all year. -- William King, Author of the Space Wolf trilogy and creator of Gotrek and Felix A whirlwind tale of deserts, djinn and doors to other worlds, told in a voice perfectly pitched for the style and setting. -- Nathan Long, author of Bloodborn and Shamanslayer An Arabian Nights adventure as written by Robert E Howard. It is exciting, inventive, and most of all fun. -- Dave Drake, author of The Legion of Fire

poe mirrored tablet: *Boy @ the Window* Donald Earl Collins, 2013-11 As a preteen Black male growing up in Mount Vernon, New York, there were a series of moments, incidents and wounds that caused me to retreat inward in despair and escape into a world of imagination. For five years I protected my family secrets from authority figures, affluent Whites and middle class Blacks while attending an unforgiving gifted-track magnet school program that itself was embroiled in suburban drama. It was my imagination that shielded me from the slights of others, that enabled my survival and academic success. It took everything I had to get myself into college and out to Pittsburgh, but more was in store before I could finally begin to break from my past. *Boy @ The Window* is a coming-of-age story about the universal search for understanding on how any one of us becomes the person they are despite-or because of-the odds. It's a memoir intertwined with my own search for redemption, trust, love, success-for a life worth living. *Boy @ The Window* is about one of the most important lessons of all: what it takes to overcome inhumanity in order to become whole and human again.

poe mirrored tablet: *The Dominion of the Dead* Robert Pogue Harrison, 2010-04-15 How do the living maintain relations to the dead? Why do we bury people when they die? And what is at stake when we do? In *The Dominion of the Dead*, Robert Pogue Harrison considers the supreme importance of these questions to Western civilization, exploring the many places where the dead cohabit the world of the living—the graves, images, literature, architecture, and monuments that house the dead in their afterlife among us. This elegantly conceived work devotes particular attention to the practice of burial. Harrison contends that we bury our dead to humanize the lands where we build our present and imagine our future. As long as the dead are interred in graves and tombs, they never truly depart from this world, but remain, if only symbolically, among the living. Spanning a broad range of examples, from the graves of our first human ancestors to the empty tomb of the Gospels to the Vietnam Veterans Memorial, Harrison also considers the authority of predecessors in both modern and premodern societies. Through inspired readings of major writers and thinkers such as Vico, Virgil, Dante, Pater, Nietzsche, Heidegger, and Rilke, he argues that the buried dead form an essential foundation where future generations can retrieve their past, while burial grounds provide an important bedrock where past generations can preserve their legacy for the unborn. *The Dominion of the Dead* is a profound meditation on how the thought of death shapes the communion of the living. A work of enormous scope, intellect, and imagination, this book will speak to all who have suffered grief and loss.

poe mirrored tablet: *Nineteenth Century Detective Fiction* LeRoy Lad Panek, 2021-09-22 In English and American cultures, detective fiction has a long and illustrious history. Its origins can be traced back to major developments in Anglo-American law, like the concept of circumstantial evidence and the rise of lawyers as heroic figures. Edgar Allen Poe's writings further fueled this cultural phenomenon, with the use of enigmas and conundrums in his detective stories, as well as the hunt-and-chase action of early police detective novels. Poe was only one staple of the genre, with detective fiction contributing to a thriving literary market that later influenced Arthur Conan Doyle's work. This text examines the emergence of short detective fiction in the nineteenth century, as well as the appearance of detectives in Victorian novels. It explores how the genre has captivated readers for centuries, with the chapters providing a framework for a more complete understanding of nineteenth-century detective fiction.

poe mirrored tablet: **Dreamwork Uncovered** Marina Quattrocchi, 2009-09-10 Everyone has the innate ability to understand their dreams. We dream to gain the insight and awareness needed to work through issues, fears, challenges and personal demons, to understand our destiny, and to receive daily guidance in fulfilling our unique roles in life. This book gives readers the tools to begin journalling dreams, becoming aware of common symbols, understanding the meaning of dreams, and knowing intuitively whether this meaning is correct. *Dreamwork Uncovered* shows us that dreams can create inner harmony, peace and joy.

poe mirrored tablet: **Rose & Poe** Jack Todd, 2017-10-17 ÒPowerful . . . Todd's vivid language is perfectly suited to the epic sweep of his narrative.Ó Ñ Publishers Weekly, starred review of *Rain Falls Like Mercy* Set in mythical Belle Coeur County in a time not too far from our own, *Rose & Poe* gloriously re-imagines Shakespeare's *The Tempest* from the point of view of Caliban and his mother. Rose and her giant, simple son, Poe, live quietly on the fringes of their town Ñ tending their goats and working at odd jobs. Prosper Thorne, banished from his big-city law practice and worrying about his fading memory, obsessively watches over his beloved daughter Miranda. When Poe erupts from the forest one day carrying Miranda's bruised and bloody body, he is arrested, despite his protestations of get help-get help-get help. Overnight, Rose and Poe find themselves pariahs in the county where they have lived all their lives. In the face of bitter hatred and threats from her

neighbours, the implacable Rose devotes all her strength to proving Poe's innocence and saving him from prison or worse. *Rose & Poe* is a tale of a mother's boundless love for an apparently unlovable child, and a stunning fable for our own troubled times. It will stick in your memory like sweet wild honey.

poe mirrored tablet: Magazines and the Making of America Heather A. Haveman, 2020-08-04 From the colonial era to the onset of the Civil War, *Magazines and the Making of America* looks at how magazines and the individuals, organizations, and circumstances they connected ushered America into the modern age. How did a magazine industry emerge in the United States, where there were once only amateur authors, clumsy technologies for production and distribution, and sparse reader demand? What legitimated magazines as they competed with other media, such as newspapers, books, and letters? And what role did magazines play in the integration or division of American society? From their first appearance in 1741, magazines brought together like-minded people, wherever they were located and whatever interests they shared. As America became socially differentiated, magazines engaged and empowered diverse communities of faith, purpose, and practice. Religious groups could distinguish themselves from others and demarcate their identities. Social-reform movements could energize activists across the country to push for change. People in specialized occupations could meet and learn from one another to improve their practices. Magazines built translocal communities—collections of people with common interests who were geographically dispersed and could not easily meet face-to-face. By supporting communities that crossed various axes of social structure, magazines also fostered pluralistic integration. Looking at the important role that magazines had in mediating and sustaining critical debates and diverse groups of people, *Magazines and the Making of America* considers how these print publications helped construct a distinctly American society.

poe mirrored tablet: The Mercy Chair M. W. Craven, 2024-06-06 'Mesmerising, macabre and magnificent. The Mercy Chair is truly terrifying, laugh-out-loud funny, and impossibly clever. Poe and Tilly are unstoppable' Chris Whitaker 'Washington Poe is a brilliant creation, from one of the finest and most inventive crime writers of today' Peter James ---- Are you sitting comfortably? Then I'll begin . . . Washington Poe has a story to tell. And he needs you to listen. You'll hear how it started with the robber birds. Crows. Dozens of them. Enough for a murder . . . He'll tell you about a man who was tied to a tree and stoned to death, a man who had tattooed himself with a code so obscure, even the gifted analyst Tilly Bradshaw struggled to break it. He'll tell you how the man's murder was connected to a tragedy that happened fifteen years earlier when a young girl massacred her entire family. And finally, he'll tell you about the mercy chair. And why people would rather kill themselves than talk about it . . . Poe hopes you've been paying attention. Because in this story, nothing is as it seems . . . ---- 'Craven renders the darkness of the human condition with immense skill, ratcheting the tension to a nails-on-chalkboard pitch. Don't turn out the lights.' Vaseem Khan MORE PRAISE FOR MW CRAVEN: 'The kind of novel that inspired me to write fiction in the first place. A guaranteed great time.' Chris Brookmyre 'Darkly entertaining' The Telegraph 'If you haven't read any M.W. Craven yet, fix that immediately' S. A. Cosby 'I've been following M.W. Craven's Poe/Tilly series from the very beginning, and it just gets better and better' Peter Robinson 'Poe and Tilly books are a joy' Steve Cavanagh 'In Tilly and Poe, M.W. Craven has created a stand-out duo who are two of the most compelling characters in crime fiction in recent years' Fiona Cummins 'Darkly comic . . . Thrilling' The Independent 'Clever, sophisticated, utterly gripping thriller from one of the best writers around' Mari Hannah 'Craven has unleashed Ben Koenig into the thriller world. Long may he raise hell in the pages. A superb thriller that will have everyone talking, and gasping.' David Baldacci 'Paging Lee and Andrew Child: you've got company' The Times
