

progressive voter guide

progressive voter guide is an essential tool for voters seeking to make informed decisions that align with progressive values in upcoming elections. This comprehensive article explores what a progressive voter guide entails, why it matters, and how voters can use it to navigate complex ballots with confidence. You will learn about the criteria used to evaluate candidates and issues, the impact of progressive policies at local and national levels, and strategies for effective civic engagement. We'll also discuss how to access and personalize voter guides, compare them to other political resources, and address common questions about voting from a progressive perspective. Whether you're a first-time voter or a seasoned activist, this guide will empower you to participate meaningfully in democracy and advocate for social justice, environmental protection, and equitable policies. Read on for a detailed overview, practical tips, and answers to trending questions about progressive voting in today's political landscape.

Understanding the Progressive Voter Guide

A progressive voter guide is designed to help voters identify candidates, measures, and policies that support progressive ideals such as social justice, climate action, healthcare access, and economic equality. Unlike generic voting guides, progressive versions focus on issues relevant to left-leaning voters, providing insights into where political hopefuls stand on critical topics. By aggregating research, endorsements, and policy analyses, these guides help individuals make choices that reflect their values. Progressive voter guides are often developed by advocacy organizations, grassroots movements, and coalitions committed to fostering inclusive democracy and promoting long-term societal change.

Key Features of a Progressive Voter Guide

Progressive voter guides offer a range of features that distinguish them from traditional or partisan voting resources. They emphasize transparency, evidence-based recommendations, and moral accountability in the political process. Understanding these features can help voters select the most reliable guides for their needs.

Values-Based Criteria

The foundation of any progressive voter guide is its values-based criteria. Guides prioritize issues like income inequality, racial justice, climate protection, reproductive rights, LGBTQ+ rights, and public education. Candidates and ballot measures are evaluated based on their track records, public statements, and policy proposals related to these core concerns.

Endorsements from Reputable Organizations

Progressive guides frequently include endorsements from respected advocacy groups, labor unions, environmental organizations, and community leaders. These endorsements provide additional credibility and context, enabling voters to gauge the broader impact of their choices.

Fact-Checked Information

Accurate, unbiased information is central to a progressive voter guide. Recommendations are typically backed by extensive research and fact-checking, ensuring voters receive reliable details about candidates' backgrounds, campaign funding, and legislative histories.

- Clear explanations of ballot measures
- Comparison charts for candidates' stances
- Summaries of key issues and local impacts
- Resources for voter registration and turnout

Evaluating Candidates and Ballot Measures

One of the primary uses of a progressive voter guide is to assess candidates and ballot measures with a critical eye. This section outlines how guides evaluate political choices and help progressive voters understand their options.

Candidate Vetting Process

Candidates are vetted through a combination of interviews, policy questionnaires, voting records, and public forums. Progressive guides highlight those who advocate for universal healthcare, climate justice, criminal justice reform, and other transformative policies. They may also flag candidates whose records contradict these values, encouraging voters to reconsider their support.

Ballot Measure Analysis

Progressive voter guides break down complex ballot initiatives, explaining their implications for local communities and national trends. Whether it's a proposition on affordable housing or environmental regulation, guides clarify the pros and cons, potential outcomes, and alignment with progressive priorities.

Impact of Progressive Policies

Progressive policies shape the future of communities through direct action on pressing issues. Voting with a progressive guide can influence outcomes on climate change, healthcare access, economic fairness, and civil rights. By supporting measures and candidates aligned with these policies, voters can contribute to meaningful change.

Local and National Effects

Progressive victories at the local level, such as city council seats or school board positions, lay the groundwork for broader legislative shifts. On the national stage, progressive representatives push for reforms in Congress, championing initiatives that benefit marginalized populations and protect the environment. Voter guides illuminate these connections, helping individuals understand the ripple effects of their choices.

How to Use a Progressive Voter Guide Effectively

Maximizing the benefits of a progressive voter guide involves more than just reading

recommendations. Strategic use of these guides ensures that voters make decisions based on comprehensive, unbiased information.

Preparation Before Election Day

Voters should review the guide well ahead of election day, taking notes on key races and ballot measures. This preparation helps clarify priorities, address any knowledge gaps, and reduce last-minute confusion at the polls.

Personalization and Local Context

Progressive voter guides are often customizable, allowing users to filter information by geographic area or specific issues. Voters can focus on local contests that will have the greatest impact on their communities, ensuring their ballots reflect personal and collective needs.

1. Identify important races and measures in your district.
2. Research candidates' backgrounds using guide resources.
3. Discuss recommendations with community members and activists.
4. Check deadlines and requirements for voting or absentee ballots.
5. Use the guide at the polling place for reference.

Comparing Progressive Voter Guides to Other Resources

While progressive voter guides offer unique advantages, it's important to understand how they differ from traditional voting resources and partisan endorsements. These guides provide focused, issue-driven analyses, whereas mainstream guides may present a broader or less detailed perspective.

Differences in Scope and Depth

Progressive guides tend to include in-depth analysis of issues relevant to social equity and environmental sustainability. They often feature more comprehensive candidate comparisons and clearer explanations of ballot measures, prioritizing transparency and

accountability.

Reliability and Bias

Because progressive voter guides are developed by organizations committed to specific values, they may reflect certain biases. Voters are encouraged to use multiple sources, compare recommendations, and verify facts independently to enhance objectivity.

Tips for Civic Engagement and Informed Voting

Active participation in the electoral process is crucial for progressive change. Voter guides are just one tool among many for fostering informed civic engagement.

Encouraging Voter Turnout

Progressive guides often include resources for voter registration drives, turnout campaigns, and volunteer opportunities. Mobilizing communities to vote amplifies the impact of progressive policies and ensures diverse voices are heard.

Advocacy and Education

Beyond voting, progressive guides support ongoing advocacy and public education. They offer materials for community workshops, online forums, and social media outreach, helping voters stay informed and engaged throughout the year.

Frequently Asked Questions

Here are trending and relevant questions and answers about progressive voter guides, voting strategies, and civic engagement.

Q: What is a progressive voter guide?

A: A progressive voter guide is a resource that helps voters identify candidates and ballot measures supporting progressive values such as social justice, environmental protection, and economic equality.

Q: How do progressive voter guides differ from regular voter guides?

A: Progressive voter guides focus specifically on issues and candidates aligned with left-leaning or progressive policies, providing in-depth analysis and endorsements from advocacy groups.

Q: Where can I find a reliable progressive voter guide?

A: Progressive voter guides are typically available from advocacy organizations, grassroots movements, and community groups both online and in print before major elections.

Q: How are candidates evaluated in a progressive voter guide?

A: Candidates are assessed based on their voting records, public statements, campaign platforms, and responses to issue-based questionnaires relevant to progressive priorities.

Q: Why is it important to use a progressive voter guide?

A: Using a progressive voter guide ensures your ballot choices align with your values, helps you understand complex issues, and supports broader goals like social justice and climate action.

Q: Can progressive voter guides be used for local elections?

A: Yes, many progressive voter guides are tailored to local elections, providing detailed information on city councils, school boards, and community-specific ballot measures.

Q: Are progressive voter guides unbiased?

A: While progressive guides prioritize certain values, they strive to provide fact-checked and transparent information. Users should compare multiple sources for a balanced perspective.

Q: How can I get involved in creating or distributing a progressive voter guide?

A: Individuals can join advocacy groups, volunteer for community organizations, or participate in grassroots campaigns to help research, write, and distribute voter guides.

Q: What if my local progressive voter guide does not cover every race or issue?

A: Voters should use multiple resources, research independently, and consult community leaders to fill gaps in coverage and make informed decisions.

Q: How can progressive voter guides help increase voter turnout?

A: By educating voters, simplifying ballot choices, and motivating civic participation, progressive voter guides contribute to higher turnout and more representative election outcomes.

Progressive Voter Guide: Making Your Voice Heard in the 2024 Elections (and Beyond)

Are you a progressive voter looking to make a real impact in the upcoming elections? Feeling overwhelmed by the sheer volume of candidates and issues? This comprehensive progressive voter guide is designed to empower you. We'll cut through the noise, providing clear explanations of key progressive policies, highlighting influential organizations, and equipping you with the tools to become a more effective and informed voter. This guide isn't just for the 2024 election; it's a resource you can utilize year-round to stay engaged and advocate for the changes you believe in.

Understanding the Progressive Platform: Core Principles and Priorities

The progressive movement encompasses a broad range of beliefs, but several core principles unite its members. This section will delve into these foundational tenets, clarifying their implications for policy and elections.

Key Principles of Progressivism:

Social Justice: Progressives champion equality and fairness for all, actively combating systemic injustices related to race, gender, sexual orientation, and socioeconomic status. This translates into policies supporting affirmative action, LGBTQ+ rights, and criminal justice reform.

Economic Equality: A core tenet involves reducing income inequality and creating a more equitable economic system. Policies often focus on raising the minimum wage, strengthening labor unions, and implementing progressive taxation.

Environmental Sustainability: Protecting our planet is paramount. Progressives advocate for strong environmental regulations, investment in renewable energy, and a transition away from fossil fuels.

Healthcare for All: Access to affordable, quality healthcare is a fundamental right, not a privilege. This translates into support for universal healthcare systems or significant expansion of existing programs.

Education Reform: Investing in education is crucial for individual and societal progress. Progressives champion policies promoting equitable access to quality education at all levels, from early childhood education to higher education.

Identifying Progressive Candidates and Organizations: Your Allies in the Fight

Navigating the political landscape can be challenging. This section will help you identify candidates and organizations aligned with progressive values.

Finding Progressive Candidates:

Look beyond party affiliation. While the Democratic Party generally houses most progressive candidates, it's crucial to research individual platforms and voting records. Utilize online resources such as Vote Smart, Ballotpedia, and individual candidate websites to review their stances on key issues. Pay close attention to their actions, not just their words. Consider their past voting records, endorsements, and campaign funding sources.

Supporting Progressive Organizations:

Numerous organizations champion progressive causes. These groups offer crucial information, resources, and opportunities for engagement. Some key players include:

MoveOn: A large progressive online advocacy group involved in electoral politics and grassroots activism.

Indivisible: A grassroots organization that empowers local activists to hold their elected officials accountable.

The American Civil Liberties Union (ACLU): Dedicated to defending individual rights and liberties.

Planned Parenthood: Provides reproductive healthcare services and advocates for reproductive rights.

Environmental Defense Fund (EDF): Works to protect the environment through advocacy and legal action.

Supporting these organizations, through volunteering or donations, amplifies your impact.

Taking Action: Beyond the Ballot Box

Voting is crucial, but it's only one piece of the puzzle. This section outlines additional ways to engage in the progressive movement.

Beyond Voting:

Volunteer for Campaigns: Offer your time and skills to support progressive candidates.

Contact Your Elected Officials: Regularly express your views on important issues.

Participate in Protests and Marches: Make your voice heard through direct action.

Donate to Progressive Causes: Financial support enables organizations to continue their work.

Educate Yourself and Others: Stay informed and share your knowledge with friends and family.

Staying Informed: Resources for the Engaged Citizen

The political landscape is constantly evolving. Staying informed is key to effective engagement.

Reliable News Sources:

Maintain a diverse range of news sources to avoid echo chambers. Consider reputable outlets like the Associated Press, Reuters, and NPR.

Conclusion

This progressive voter guide provides a starting point for your engagement. By understanding the core principles of progressivism, identifying like-minded candidates and organizations, and taking active steps beyond the ballot box, you can become a powerful force for positive change. Remember, your voice matters, and your active participation is crucial for shaping a more just and equitable future. Stay informed, stay engaged, and stay active in building the world you want to see.

Frequently Asked Questions (FAQs)

Q1: What if my local candidates don't fully align with my progressive values?

A1: It's rare to find a perfect match. Prioritize the candidates whose values most closely align with yours on the most important issues to you. Research their past actions and voting records to gauge their commitment to their stated positions.

Q2: How can I combat misinformation during election season?

A2: Be critical of information you encounter. Verify information from multiple reputable sources before sharing it. Familiarize yourself with common misinformation tactics and fact-checking websites.

Q3: Are there progressive groups focused on specific issues?

A3: Absolutely! Many organizations focus on specific areas like climate change, LGBTQ+ rights, or racial justice. Research organizations dedicated to your key concerns.

Q4: How can I effectively communicate my concerns to my elected officials?

A4: Keep your communication concise, polite, and focused on specific issues. Provide examples of how policies affect you or your community.

Q5: What if I don't have much time to dedicate to political activism?

A5: Even small actions make a difference. Voting, donating a small amount to a cause you believe in, or sharing information on social media can all contribute to positive change. Start small, and build your involvement over time.

progressive voter guide: The Emerging Democratic Majority John B. Judis, Ruy Teixeira, 2004-02-10 ONE OF THE ECONOMIST'S BEST BOOKS OF THE YEAR AND A WINNER OF THE WASHINGTON MONTHLY'S ANNUAL POLITICAL BOOK AWARD Political experts John B. Judis and Ruy Teixeira convincingly use hard data -- demographic, geographic, economic, and political -- to forecast the dawn of a new progressive era. In the 1960s, Kevin Phillips, battling conventional wisdom, correctly foretold the dawn of a new conservative era. His book, *The Emerging Republican Majority*, became an indispensable guide for all those attempting to understand political change through the 1970s and 1980s. At the beginning of the twenty-first century, with the country in Republican hands, *The Emerging Democratic Majority* is the indispensable guide to this era. In five well-researched chapters and a new afterword covering the 2002 elections, Judis and Teixeira show how the most dynamic and fastest-growing areas of the country are cultivating a new wave of Democratic voters who embrace what the authors call progressive centrism and take umbrage at Republican demands to privatize social security, ban abortion, and cut back environmental regulations. As the GOP continues to be dominated by neoconservatives, the religious right, and corporate influence, this is an essential volume for all those discontented with their narrow agenda -- and a clarion call for a new political order.

progressive voter guide: How to Vote Progressive in Australia Dennis Altman, Sean Scalmer, 2016-06-10 Red or Green? Traditionally, Australian progressives have supported the Australian Labor Party; increasingly, The Greens appeal. What are the key differences between the parties? Is greater collaboration desirable? Is it likely? Some progressives remain strongly committed to Labor or The Greens. Others have abandoned one or other of the parties from bitter experience. Others still are genuinely undecided, or seek to promote greater understanding and cooperation. What is the best way forward? This volume brings together a range of party leaders, veterans, and academic experts to tackle these important questions. Deliberately pluralistic, it encompasses strongly divergent views. Dedicated to progressive change, it aims both to capture and to advance a vital public debate. The Age has published this edited extract from a chapter written by Adam Bandt for the book *How to Vote Progressive in Australia*.

progressive voter guide: Super PACs Louise I. Gerdes, 2014-05-20 The passage of Citizens

United by the Supreme Court in 2010 sparked a renewed debate about campaign spending by large political action committees, or Super PACs. Its ruling said that it is okay for corporations and labor unions to spend as much as they want in advertising and other methods to convince people to vote for or against a candidate. This book provides a wide range of opinions on the issue. Includes primary and secondary sources from a variety of perspectives; eyewitnesses, scientific journals, government officials, and many others.

progressive voter guide: *Give Us the Ballot* Ari Berman, 2015-08-04 A National Book Critics Circle Award Finalist, Nonfiction A New York Times Notable Book of 2015 A Washington Post Notable Nonfiction Book of 2015 A Boston Globe Best Book of 2015 A Kirkus Reviews Best Nonfiction Book of 2015 An NPR Best Book of 2015 Countless books have been written about the civil rights movement, but far less attention has been paid to what happened after the dramatic passage of the Voting Rights Act (VRA) in 1965 and the turbulent forces it unleashed. *Give Us the Ballot* tells this story for the first time. In this groundbreaking narrative history, Ari Berman charts both the transformation of American democracy under the VRA and the counterrevolution that has sought to limit voting rights, from 1965 to the present day. The act enfranchised millions of Americans and is widely regarded as the crowning achievement of the civil rights movement. And yet, fifty years later, we are still fighting heated battles over race, representation, and political power, with lawmakers devising new strategies to keep minorities out of the voting booth and with the Supreme Court declaring a key part of the Voting Rights Act unconstitutional. Berman brings the struggle over voting rights to life through meticulous archival research, in-depth interviews with major figures in the debate, and incisive on-the-ground reporting. In vivid prose, he takes the reader from the demonstrations of the civil rights era to the halls of Congress to the chambers of the Supreme Court. At this important moment in history, *Give Us the Ballot* provides new insight into one of the most vital political and civil rights issues of our time.

progressive voter guide: *Voting Assistance Guide*, 1998

progressive voter guide: *Get Out the Vote* Donald P. Green, Alan S. Gerber, 2008-09-01 The first edition of *Get Out the Vote!* broke ground by introducing a new scientific approach to the challenge of voter mobilization and profoundly influenced how campaigns operate. In this expanded and updated edition, the authors incorporate data from more than one hundred new studies, which shed new light on the cost-effectiveness and efficiency of various campaign tactics, including door-to-door canvassing, e-mail, direct mail, and telephone calls. Two new chapters focus on the effectiveness of mass media campaigns and events such as candidate forums and Election Day festivals. Available in time for the core of the 2008 presidential campaign, this practical guide on voter mobilization is sure to be an important resource for consultants, candidates, and grassroots organizations. Praise for the first edition: Donald P. Green and Alan S. Gerber have studied turnout for years. Their findings, based on dozens of controlled experiments done as part of actual campaigns, are summarized in a slim and readable new book called *Get Out the Vote!*, which is bound to become a bible for politicians and activists of all stripes. —Alan B. Kreuger, in the *New York Times* *Get Out the Vote!* shatters conventional wisdom about GOTV. —Hal Malchow in *Campaigns & Elections* Green and Gerber's recent book represents important innovations in the study of turnout.—*Political Science Review* Green and Gerber have provided a valuable resource for grassroots campaigns across the spectrum.—*National Journal*

progressive voter guide: *Winning Your Election the Wellstone Way* Jeff Blodgett, Bill Lofy, Ben Goldfarb, Erik Peterson, 2008-07-10 As the 2008 presidential race dominates political discussion and media coverage worldwide, thousands of lesser-known local contests are being hard-fought in our neighborhoods, cities, and states. *Winning Your Election the Wellstone Way* is based on the work of Wellstone Action, a leading-edge progressive training center that has instructed thousands of political activists, campaign managers, and volunteers, of whom more than two hundred have gone on to run for office and win. Jeff Blodgett and Bill Lofy analyze the crucial lessons learned from many successful (and several losing) campaigns and demystifies what it takes to run for—and win—a political seat. This companion guide to *Politics the Wellstone Way*, the

best-selling introduction to political action, features the in-depth knowledge that campaigns need to take energy and engagement to the next level—getting elected. With detailed and informative examples from progressive campaigns at every level throughout the United States, *Winning Your Election the Wellstone Way* combines grassroots organizing with political strategy, articulating a bold populist agenda. If you have ever considered volunteering for a political candidate, working for a campaign, or even running for public office yourself, *Winning Your Election the Wellstone Way* is the key resource you need to devise a sophisticated, progressive, and successful strategy and, ultimately, affect people's lives for the better.

progressive voter guide: *It's Time to Fight Dirty* David M. Faris, 2018 The American electoral system is clearly failing more horrifically in the 2016 presidential election than ever before. In *It's Time to Fight Dirty*, David Faris expands on his popular series for 'The Week' to offer party leaders and supporters concrete strategies for lasting political reform - and in doing so lays the groundwork for a more progressive future. With equal parts playful irreverence and persuasive reasoning, *It's Time to Fight Dirty* is essential reading as we head toward the 2018 midterms... and beyond.

progressive voter guide: *Campaign Guide for Congressional Candidates and Committees*, 1982

progressive voter guide: *The Right to Vote* Alexander Keyssar, 2009-06-30 Originally published in 2000, *The Right to Vote* was widely hailed as a magisterial account of the evolution of suffrage from the American Revolution to the end of the twentieth century. In this revised and updated edition, Keyssar carries the story forward, from the disputed presidential contest of 2000 through the 2008 campaign and the election of Barack Obama. *The Right to Vote* is a sweeping reinterpretation of American political history as well as a meditation on the meaning of democracy in contemporary American life.

progressive voter guide: *Primary Politics* Elaine C. Kamarck, 2018-10-30 Explores one of the most important questions in American politics--how we narrow the list of presidential candidates every four years. Focuses on how presidential candidates have sought to alter the rules in their favor and how their failures and successes have led to even more change--Provided by publisher.

progressive voter guide: *Use the Power You Have* Pramila Jayapal, 2020-07-14 Washington's progressive champion explains how we can achieve a truly inclusive America that works for all of us In November 2016, Pramila Jayapal (D-WA) was elected to the U.S. House of Representatives, the first Indian American woman to serve in that role. Two years later, the fast-rising Democratic star and determined critic of President Donald Trump, according to Politico's Playbook 2017 Power List, won reelection with more votes than any other member of the House. Jayapal, co-chair of the Congressional Progressive Caucus, proved her progressive bonafides when she introduced the most comprehensive Medicare-for-all bill to Congress in February. Behind the story of Jayapal's rise to political prominence lie over two decades of devoted advocacy on behalf of immigrants and progressive causes—and years of learning how to turn activism into public policy that serves all Americans. *Use the Power You Have* is Jayapal's account of the path from sixteen-year-old Indian immigrant to grassroots activist, state senator, and now progressive powerhouse in Washington, DC. Written with passion and insight, *Use the Power You Have* offers a wealth of ideas and inspiration for a new generation of engaged citizens interested in fighting back and making change, whether in Washington or in their own communities.

progressive voter guide: *Hoosiers and the American Story* Madison, James H., Sandweiss, Lee Ann, 2014-10 A supplemental textbook for middle and high school students, *Hoosiers and the American Story* provides intimate views of individuals and places in Indiana set within themes from American history. During the frontier days when Americans battled with and exiled native peoples from the East, Indiana was on the leading edge of America's westward expansion. As waves of immigrants swept across the Appalachians and eastern waterways, Indiana became established as both a crossroads and as a vital part of Middle America. Indiana's stories illuminate the history of American agriculture, wars, industrialization, ethnic conflicts, technological improvements, political

battles, transportation networks, economic shifts, social welfare initiatives, and more. In so doing, they elucidate large national issues so that students can relate personally to the ideas and events that comprise American history. At the same time, the stories shed light on what it means to be a Hoosier, today and in the past.

progressive voter guide: It's Even Worse Than It Looks Thomas E. Mann, Norman J. Ornstein, 2016-04-05 Acrimony and hyperpartisanship have seeped into every part of the political process. Congress is deadlocked and its approval ratings are at record lows. America's two main political parties have given up their traditions of compromise, endangering our very system of constitutional democracy. And one of these parties has taken on the role of insurgent outlier; the Republicans have become ideologically extreme, scornful of compromise, and ardently opposed to the established social and economic policy regime. In *It's Even Worse Than It Looks*, congressional scholars Thomas Mann and Norman Ornstein identify two overriding problems that have led Congress -- and the United States -- to the brink of institutional collapse. The first is the serious mismatch between our political parties, which have become as vehemently adversarial as parliamentary parties, and a governing system that, unlike a parliamentary democracy, makes it extremely difficult for majorities to act. Second, while both parties participate in tribal warfare, both sides are not equally culpable. The political system faces what the authors call &asymmetric polarization, with the Republican Party implacably refusing to allow anything that might help the Democrats politically, no matter the cost. With dysfunction rooted in long-term political trends, a coarsened political culture and a new partisan media, the authors conclude that there is no &silver bullet; reform that can solve everything. But they offer a panoply of useful ideas and reforms, endorsing some solutions, like greater public participation and institutional restructuring of the House and Senate, while debunking others, like independent or third-party candidates. Above all, they call on the media as well as the public at large to focus on the true causes of dysfunction rather than just throwing the bums out every election cycle. Until voters learn to act strategically to reward problem solving and punish obstruction, American democracy will remain in serious danger.

progressive voter guide: The Fall of Wisconsin Dan Kaufman, 2019-07-09 National bestseller Masterful. —Jane Mayer, best-selling author of *Dark Money* *The Fall of Wisconsin* is a deeply reported, searing account of how the state's progressive tradition was undone and Wisconsin itself turned into a laboratory for national conservatives bent on remaking the country. Neither sentimental nor despairing, the book tells the story of the systematic dismantling of laws protecting the environment, labor unions, voting rights, and public education through the remarkable battles of ordinary citizens fighting to reclaim Wisconsin's progressive legacy.

progressive voter guide: The Hidden History of the War on Voting Thom Hartmann, 2020-02-04 Hartmann's history of voter suppression in America is necessary information given current news about voter registration purges and redistricting...a particularly timely topic for an election year, and anyone who is seriously concerned about the survival of American democracy will want to read this book and apply its lessons.—Booklist America's #1 progressive radio host looks at how elites have long tried to disenfranchise citizens—particularly people of color, women, and the poor—and shows what we can do to ensure everyone has a voice in this democracy. In today's America, only a slim majority of people register to vote, and a large percentage of registered voters don't bother to show up: Donald Trump was elected by only 26 percent of eligible voters. Unfortunately, this is not a bug in our system, it's a feature. Thom Hartmann unveils the strategies and tactics that conservative elites in this country have used, from the foundation of the Electoral College to the latest voter ID laws, to protect their interests by preventing “the wrong people”—such as the poor, women, and people of color—from voting while making it more convenient for the wealthy and white. But he also lays out a wide variety of simple, commonsense ways that we the people can fight back and reclaim our right to rule through the ballot box.

progressive voter guide: Ella Baker and the Black Freedom Movement, Second Edition Barbara Ransby, 2024-10-08 One of the most important African American leaders of the twentieth century and perhaps the most influential woman in the civil rights movement, Ella Baker

(1903–1986) was an activist whose remarkable career spanned fifty years and touched thousands of lives. A gifted grassroots organizer, Baker shunned the spotlight in favor of vital behind-the-scenes work that helped power the Black freedom struggle. Making her way in predominantly male circles while maintaining relationships with a vibrant group of women, students, and activists, Baker was a national officer and key figure in the NAACP, a founder of the Southern Christian Leadership Conference, and a prime mover in the creation of the Student Nonviolent Coordinating Committee. In this definitive biography, Barbara Ransby chronicles Baker's long and rich career, revealing her complexity, radical democratic worldview, and enduring influence on group-centered, grassroots activism. Beyond documenting an extraordinary life, Ransby paints a vivid picture of the African American fight for justice and its intersections with other progressive struggles worldwide throughout the twentieth century.

progressive voter guide: Politics the Wellstone Way Wellstone Action Wellstone Action Wellstone Action, 2013-11-30 During the past four years, political activism has grown to a level that has not been seen in the United States since the Vietnam War. Tensions over the war in Iraq and the presidential election motivated hundreds of thousands of people on both sides of the political fence to take to the streets. Politics the Wellstone Way offers a comprehensive set of strategies to help progressives channel that energy into winning issue-based and electoral campaigns. Wellstone Action is a nonprofit organization dedicated to continuing Paul and Sheila Wellstone's fight for progressive change and economic justice by teaching effective political action skills to people across the country. Politics the Wellstone Way is a workshop in book form, providing the detailed framework needed to jump-start a new generation of activists plus plenty of helpful tools for old pros, including articulating a strong message, base building, field organizing, budgeting, fundraising, scheduling, getting out the vote, and grassroots advocacy and lobbying, illustrated by practical and inspirational examples. From the school board all the way to the White House, Politics the Wellstone Way instructs people on becoming better organizers, candidates, campaign workers, and citizen activists, empowering them to make their voices heard. Wellstone Action was established by the Wellstones' two surviving sons, David and Mark. The main vehicle for this ongoing work is Camp Wellstone, a weekend training program that Wellstone Action leads regularly in locations across the country. Jeff Blodgett, Paul Wellstone's longtime campaign manager, is the executive director of Wellstone Action. For more information visit www.wellstoneaction.com.

progressive voter guide: The Untold Story of Women of Color in the League of Women Voters Carolyn Jefferson-Jenkins, 2020-02-24 The Untold Story of Women of Color in the League of Women Voters explores ways in which these women have been marginalized and recognizes how their contributions will positively influence the organization as it moves into its next 100 years. On February 14, 2020, the League of Women Voters of the United States celebrated the 100th anniversary of its founding. Although women of color have always made significant contributions to women's suffrage and the women's movements, their contributions, particularly as they relate to the League of Women Voters (LWV), have been marginalized and relegated to the footnotes of the organization's history. The Untold Story of Women of Color in the League of Women Voters adds a new dimension to these conversations. The book is structured to show the progression of the relationship between the League of Women Voters and its members of color as manifested in changes to its policies, practices, symbols, and messaging. It begins with the suffrage movement and continues until the celebration of the 100th anniversary of the League and uses actual correspondence, convention minutes, existing League histories, and personal accounts to tell the League story. Chapter titles disclose the philosophical shifts in attitude at each stage of the organization's evolution.

progressive voter guide: Youth Voter Participation, 1999 The importance of the youth vote to any democracy is central to this cross-cultural analysis of the unique role of elections—and the dangers of abstention—in a democratic society. Comparative data from the parliamentary elections of 15 European democracies illustrate the scope of the problem of low youth turnout, and analyses of the reasons for such negligible participation are presented. Specially commissioned interviews

conducted in several countries worldwide bring the opinions and views of young people themselves into the study. Additionally, descriptions of specific programmes for increasing youth participation enacted in Chile, Russia, South Africa, and the United States and included, as are proposals for a variety of activities that governmental and nongovernmental organizations can use to draw young citizens into the electoral arena.

progressive voter guide: Upending American Politics Theda Skocpol, Caroline Tervo, 2020 The election of Barack Obama in 2008 was startling, as was the victory of Donald Trump eight years later. Because both presidents were unusual and gained office backed by Congresses controlled by their own parties, their elections kick-started massive counter-movements. The Tea Party starting in 2009 and the resistance after November 2016 transformed America's political landscape. *Upending American Politics* offers a fresh perspective on recent upheavals, tracking the emergence and spread of local voluntary citizens' groups, the ongoing activities of elite advocacy organizations and consortia of wealthy donors, and the impact of popular and elite efforts on the two major political parties and candidate-led political campaigns. Going well beyond national surveys, Theda Skocpol, Caroline Tervo, and their contributors use organizational documents, interviews, and local visits to probe changing organizational configurations at the national level and in swing states. This volume analyzes conservative politics in the first section and progressive responses in the second to provide a clear overview of US politics as a whole. By highlighting evidence from the state level, it also reveals the important interplay of local and national trends.

progressive voter guide: Drawing the Vote Tommy Jenkins, 2020-04-21 How the history of American voting rights has shaped the way we vote today Coinciding with the 2020 US presidential election, *Drawing the Vote*, an original graphic novel, looks at the history of voting rights in the United States and how it affects the way we vote today. Throughout the book, the author, Tommy Jenkins, identifies events and trends that led to the unprecedented results of the 2016 presidential election that left American political parties more estranged than ever. To balance these complex ideas and statistics, Kati Lacker's original artistic style makes the book accessible for readers of all ages. At a time when many citizens are experiencing challenges and apathy about voting and skepticism concerning our bitterly divided government, *Drawing the Vote* seeks to offer some explanation for how we got here and how every American can take action to make their vote count.

progressive voter guide: Running Against the Devil Rick Wilson, 2020-01-14 NEW YORK TIMES BESTSELLER • A savvy guidebook for beating Trump's tricks, traps, and tweets from a founder of The Lincoln Project, now updated with new material on the historic battle between Trump and Joe Biden—and how the pandemic has changed the race "If you believe America's future depends on Donald Trump's political machine being crushed at the polls next year, then Rick Wilson's *Running Against the Devil* is a must-read."—Joe Scarborough, MSNBC Donald Trump is exactly the disaster we feared for America. Hated by a majority of Americans, Trump's administration is corrupt, inept, and rocked by daily scandals. In the handling of 2020's coronavirus pandemic, its incompetence has been deadly. Trump can't win in 2020, right? Wrong. As 2016 proved, Trump can't win, but Joe Biden can sure as hell lose. Only one thing can save Trump, and that's a Democratic campaign that runs the race Trump wants Democrats to run instead of the campaign they must run to win in 2020. Wilson combines decades of national political experience and insight in his take-no-prisoners analysis, hammering Trump's destructive and dangerous first term in a case-by-case takedown of the worst president in history and describing the terrifying prospect of four more years of Trump. Like no one else can, Wilson blows the lid off Trump's 2020 political war machine, showing the exact strategies and tactics Republicans will use against Biden, and how the Democrats can avoid the catastrophes waiting for them if they fall into Trump's traps. *Running Against the Devil* is sharply funny, brutally honest, and infused with Wilson's biting commentary. It's a vital indictment of Trump, a no-nonsense, no-holds-barred road map to saving America, and the guide to making Donald Trump a one-term president. The stakes are too high to do anything less.

progressive voter guide: One Person, No Vote Carol Anderson, 2018-09-11 As featured in the

documentary All In: The Fight for Democracy Finalist for the PEN/John Kenneth Galbraith Award for Nonfiction Longlisted for the National Book Award in Nonfiction Named one of the Best Books of the Year by: Washington Post * Boston Globe * NPR* Bustle * BookRiot * New York Public Library From the award-winning, New York Times bestselling author of White Rage, the startling--and timely--history of voter suppression in America, with a foreword by Senator Dick Durbin. In her New York Times bestseller White Rage, Carol Anderson laid bare an insidious history of policies that have systematically impeded black progress in America, from 1865 to our combustible present. With One Person, No Vote, she chronicles a related history: the rollbacks to African American participation in the vote since the 2013 Supreme Court decision that eviscerated the Voting Rights Act of 1965. Known as the Shelby ruling, this decision effectively allowed districts with a demonstrated history of racial discrimination to change voting requirements without approval from the Department of Justice. Focusing on the aftermath of Shelby, Anderson follows the astonishing story of government-dictated racial discrimination unfolding before our very eyes as more and more states adopt voter suppression laws. In gripping, enlightening detail she explains how voter suppression works, from photo ID requirements to gerrymandering to poll closures. And with vivid characters, she explores the resistance: the organizing, activism, and court battles to restore the basic right to vote to all Americans.

progressive voter guide: Guide to U.S. Political Parties Marjorie R. Hershey, 2014-04-22 This one-volume reference presents the major conceptual approaches to the study of U.S. political parties and the national party system, describing the organization and behavior of U.S. political parties in thematic, narrative chapters that help undergraduate students better understand party origins, historical development, and current operations. Further, it provides researchers with in-depth analysis of important subtopics and connections to other aspects of politics. Key Features: Thematic, narrative chapters, organized into six major parts, provide the context, as well as in-depth analysis of the unique system of party politics in the United States. Top analysts of party politics provide insightful chapters that explore how and why the U.S. parties have changed over time, including major organizational transformations by the parties, behavioral changes among candidates and party activists, and attitudinal changes among their partisans in the electorate. The authors discuss the way the traditional concept of formal party organizations gave way over time to a candidate-centered model, fueled in part by changes in campaign finance, the rise of new communication technologies, and fragmentation of the electorate. This book is an ideal reference for students and researchers who want to develop a deeper understanding of the current challenges faced by citizens of republican government in the United States.

progressive voter guide: American Government 3e Glen Krutz, Sylvie Waskiewicz, 2023-05-12 Black & white print. American Government 3e aligns with the topics and objectives of many government courses. Faculty involved in the project have endeavored to make government workings, issues, debates, and impacts meaningful and memorable to students while maintaining the conceptual coverage and rigor inherent in the subject. With this objective in mind, the content of this textbook has been developed and arranged to provide a logical progression from the fundamental principles of institutional design at the founding, to avenues of political participation, to thorough coverage of the political structures that constitute American government. The book builds upon what students have already learned and emphasizes connections between topics as well as between theory and applications. The goal of each section is to enable students not just to recognize concepts, but to work with them in ways that will be useful in later courses, future careers, and as engaged citizens. In order to help students understand the ways that government, society, and individuals interconnect, the revision includes more examples and details regarding the lived experiences of diverse groups and communities within the United States. The authors and reviewers sought to strike a balance between confronting the negative and harmful elements of American government, history, and current events, while demonstrating progress in overcoming them. In doing so, the approach seeks to provide instructors with ample opportunities to open discussions, extend and update concepts, and drive deeper engagement.

progressive voter guide: Political Awakenings Harry Kreisler, 2011-03 As a kid, Noam Chomsky handed out the Daily Mirror at his uncle's newsstand on 72nd Street, inadvertently finding himself in a buzzing intellectual and political hub for European immigrants in New York. Iranian human rights Nobelist Shirin Ebadi and her husband signed their own legal contract, attempting to restore equality to their marriage after the Iranian Revolution effectively erased the legal rights of women. Elizabeth Warren set out to expose those frauds declaring bankruptcy and taking advantage of the system-only to discover, in her research, a very different story of hard-working middle-class families facing economic collapse in the absence of a social safety net. While studying at Oxford, a young Tariq Ali made a bet with a friend that he could work the Vietnam War into every single answer on his final exams. In this rousing, thoughtful, often funny, and always inspiring volume, a diverse and impressive group of thinkers reflect on those formative experiences that shaped their own political commitments. A fascinating new window into the revealing links between the personal and the political, *Political Awakenings* will engage readers across generations.

progressive voter guide: Election Insiders Gloria Shur Bilchik, 2020-06-02 *Election Insiders* is an entertaining journey into the inner workings of voting, focusing on the people behind the scenes—the mapmakers, poll workers, warehouse crew, signature sleuths and others who do this democracy-defining work. In a lively, reader-friendly narrative, election workers at all levels share the ups, downs and unexpected challenges that make election day tick. Some of their stories are alarming, others are amusing, and many are reassuring. Bilchik's thorough reporting encompasses more than a year of in-depth interviews and off-the-cuff conversations, examination of public documents, attendance at board meetings and equipment demonstrations, hands-on training, and live election day observations. The result is a one-of-a-kind glimpse into a backstage world that we voters usually don't see, but one that we all depend on to keep elections fair and secure.

progressive voter guide: Our Time Is Now Stacey Abrams, 2020-06-09 From New York Times bestselling author of *Lead From The Outside* and political leader Stacey Abrams, a blueprint to end voter suppression, empower our citizens, and take back our country. With each page, she inspires and empowers us to create systems that reflect a world in which all voices are heard and all people believe and feel that they matter. —Kerry Washington A recognized expert on fair voting and civic engagement, Abrams chronicles a chilling account of how the right to vote and the principle of democracy have been and continue to be under attack. Abrams would have been the first African American woman governor, but experienced these effects firsthand, despite running the most innovative race in modern politics as the Democratic nominee in Georgia. Abrams didn't win, but she has not conceded. The book compellingly argues for the importance of robust voter protections, an elevation of identity politics, engagement in the census, and a return to moral international leadership. *Our Time Is Now* draws on extensive research from national organizations and renowned scholars, as well as anecdotes from her life and others' who have fought throughout our country's history for the power to be heard. The stakes could not be higher. Here are concrete solutions and inspiration to stand up for who we are now. This is a narrative that describes the urgency that compels me and millions more to push for a different American story than the one being told today. It's a story that is one part danger, one part action, and all true. It's a story about how and why we fight for our democracy and win. - Stacey Abrams

progressive voter guide: Al Franken, Giant of the Senate Al Franken, 2017-05-30 From Senator Al Franken - #1 bestselling author and beloved SNL alum -- comes the story of an award-winning comedian who decided to run for office and then discovered why award-winning comedians tend not to do that. Flips the classic born-in-a-shack rise to political office tale on its head. I skipped meals to read this book - also unusual - because every page was funny. It made me deliriously happy. -- Louise Erdrich, *The New York Times* This is a book about an unlikely campaign that had an even more improbable ending: the closest outcome in history and an unprecedented eight-month recount saga, which is pretty funny in retrospect. It's a book about what happens when the nation's foremost progressive satirist gets a chance to serve in the United States Senate and, defying the low expectations of the pundit class, actually turns out to be good at it. It's a book about

our deeply polarized, frequently depressing, occasionally inspiring political culture, written from inside the belly of the beast. In this candid personal memoir, the honorable gentleman from Minnesota takes his army of loyal fans along with him from Saturday Night Live to the campaign trail, inside the halls of Congress, and behind the scenes of some of the most dramatic and/or hilarious moments of his new career in politics. Has Al Franken become a true Giant of the Senate? Franken asks readers to decide for themselves.

progressive voter guide: New York Exposed Daniel J. Czitrom, 2016 Parkhurst's challenge -- The buttons -- Democratic city, Republican nation -- Anarchy vs. corruption -- A rocky start -- Managing vice, extorting business -- Reform never suffers from frankness -- A landslide, a tidal wave, a cyclone -- Endgames -- Epilogue: the Lexow effect

progressive voter guide: Run for Something Amanda Litman, 2017-10-03 From the e-mail marketing director of Hillary Clinton's presidential campaign and the co-founder of Run for Something; comes an essential and inspiring guide that encourages and educates young progressives to run for local office, complete with contributions from elected officials and political operatives.

progressive voter guide: Beyond Contempt Erica Etelson, 2019-12-10 A guide to productive dialogue across ideological divides with practical tools for building trust, defusing hostility, and approaching hot-button topics. With the election of President Biden, many liberals thought that the world of political discourse would somehow go back to normal. But the continued extremism of Republican politicians and conservative pundits has only stoked the flames of progressive disdain in ways that make it harder than ever to engage in civil debate. In *Beyond Contempt*, Erica Etelson shows us how to communicate effectively across the political divide without soft-pedaling our beliefs—or playing into the hands of divisive politicians. Using Powerful Non-Defensive Communication skill sets, we can express ourselves in ways that inspire open-minded consideration instead of triggering defensive reactions. With detailed instruction and helpful examples, Etelson demonstrates how we can open hearts and minds in unexpected ways.

progressive voter guide: V Is for Voting Kate Farrell, 2020-07-21 This playful, though powerful book engages little readers in the tenets of democracy and activism through rhyming text and colorful works of art. —PBS Kids for Parents An ideal starting point in helping kids to understand elections and voting. —Today.com *V Is for Voting* is an ABC book that introduces progressive families to concepts like social justice and civil rights and reminds readers that every vote counts! A is for active participation. B is for building a more equal nation. C is for citizens' rights and our duty. D is for difference, our strength and our beauty. An engaging introduction to the tenets of democracy, *V Is for Voting* is a playful, poetic, and powerful primer about the importance of voting and activism. Featuring Kate Farrell's rhyming text and Caitlin Kuhwald's bold art, plus thoughtful back matter, the book is a gorgeous, and crucial, addition to every young reader's library. It makes the perfect gift for fans of *A Is for Activist*, *Woke Baby*, and *Feminist Baby*. This ABC-style children's book reinforces every element from A to Z of just how powerful one vote can be. —Romper

progressive voter guide: Soda Politics Marion Nestle, 2015-09-07 Sodas are astonishing products. Little more than flavored sugar-water, these drinks cost practically nothing to produce or buy, yet have turned their makers--principally Coca-Cola and PepsiCo--into a multibillion-dollar industry with global recognition, distribution, and political power. Billed as refreshing, tasty, crisp, and the real thing, sodas also happen to be so well established to contribute to poor dental hygiene, higher calorie intake, obesity, and type-2 diabetes that the first line of defense against any of these conditions is to simply stop drinking them. Habitually drinking large volumes of soda not only harms individual health, but also burdens societies with runaway healthcare costs. So how did products containing absurdly inexpensive ingredients become multibillion dollar industries and international brand icons, while also having a devastating impact on public health? In *Soda Politics*, the 2016 James Beard Award for Writing & Literature Winner, Dr. Marion Nestle answers this question by detailing all of the ways that the soft drink industry works overtime to make drinking soda as common and accepted as drinking water, for adults and children. Dr. Nestle, a renowned food and

nutrition policy expert and public health advocate, shows how sodas are principally miracles of advertising; Coca-Cola and PepsiCo spend billions of dollars each year to promote their sale to children, minorities, and low-income populations, in developing as well as industrialized nations. And once they have stimulated that demand, they leave no stone unturned to protect profits. That includes lobbying to prevent any measures that would discourage soda sales, strategically donating money to health organizations and researchers who can make the science about sodas appear confusing, and engaging in Corporate Social Responsibility (CSR) activities to create goodwill and silence critics. Soda Politics follows the money trail wherever it leads, revealing how hard Big Soda works to sell as much of their products as possible to an increasingly obese world. But Soda Politics does more than just diagnose a problem--it encourages readers to help find solutions. From Berkeley to Mexico City and beyond, advocates are successfully countering the relentless marketing, promotion, and political protection of sugary drinks. And their actions are having an impact--for all of the hardball and softball tactics the soft drink industry employs to maintain the status quo, soda consumption has been flat or falling for years. Health advocacy campaigns are now the single greatest threat to soda companies' profits. Soda Politics provides readers with the tools they need to keep up pressure on Big Soda in order to build healthier and more sustainable food systems.

progressive voter guide: Green Shoots of Democracy within the Philadelphia

Democratic Party Karen Bojar, 2016-06-27 Drawing on the experiences of grassroots political activists from different socio- economic and ethnic backgrounds, Green Shoots of Democracy explores how self-identified progressives manage (or fail to manage) to work within a big city political machine. Although the book focuses on the work of progressives to foster democracy and transparency within the Philadelphia Democratic Party, lessons gleaned from their experiences are applicable beyond Philadelphia. Americans have long had a history of volunteerism; however, grassroots partisan politics is often not considered a worthy volunteer endeavor—not as worthy as, for example, working in a homeless shelter or a literacy center. Green Shoots of Democracy argues for a more democratic, transparent party structure—one that is sorely needed to counter the widespread perception that electoral politics is dirty business rather than an honorable civic project.

progressive voter guide: Where We Go from Here Bernie Sanders, 2018-11-27 The inspiring national bestseller from the U. S. Senator and leading Democratic candidate for president—about the fierce fight for democracy and social justice, and what we need to do next. In *Where We Go from Here*, New York Times bestselling author Bernie Sanders reveals the blueprint for his 2020 presidential run by chronicling the day-by-day struggles that he and his progressive colleagues have waged over the last two years in the fight against Donald Trump's reactionary agenda and for a government that works for all, not just wealthy campaign contributors. At home, Sanders has helped lead the fight for Medicare for all, fought for workers desperate for higher wages, and supported immigrants in the DACA program and children affected by gun violence. He has stood with the people of Puerto Rico devastated by Hurricane Maria, as well as veterans, teachers, the incarcerated, the persecuted, and all those who are too often ignored by Washington. Abroad, his voice has been clear that we need a foreign policy that strives for peace—not war—and international cooperation to address the crisis of climate change. The good news is we're making progress. People all across America are standing up to the most dishonest and reactionary president in our history. They're taking on establishment politicians who've turned a blind eye to the concerns of everyday citizens. They're fighting back against the oligarchs of Wall Street, who would happily see our children do worse than their parents so long as the Dow does better. And the general public continually demonstrates that we are more united than the media would allow us to believe, and what we agree on are largely progressive ideals. Maintaining a vibrant democracy has never been easy, and in these dangerous and unprecedented times, it has been more difficult than ever. Bernie Sanders shows, however, that we can repair the damage Trump has done—and create a nation based on the principles of economic, social, racial, and environmental justice.

progressive voter guide: Ratfked: Why Your Vote Doesn't Count** David Daley, 2016-06-07 David Daley's "extraordinarily timely" (New York Times Book Review) account uncovers the

fundamental rigging of our House of Representatives and state legislatures nationwide. Lauded as a “compelling” (The New Yorker) and “eye-opening tour of a process that many Americans never see” (Washington Post), David Daley’s *Ratf**ked* documents the effort of Republican legislators and political operatives to hack American democracy through an audacious redistricting plan called REDMAP. Since the revolutionary election of Barack Obama, a group of GOP strategists has devised a way to flood state races with a gold rush of dark money, made possible by Citizens United, in order to completely reshape Congress—and our democracy itself. “Sobering and convincing” (New York Review of Books), *Ratf**ked* shows how this program has radically altered America’s electoral map and created a firewall in the House, insulating the Republican party and its wealthy donors from popular democracy. While exhausted voters recover from a grueling presidential election, a new Afterword from the author explores the latest intense efforts by both parties, who are already preparing for the next redistricting cycle in 2020.

progressive voter guide: Global Trends 2040 National Intelligence Council, 2021-03 The ongoing COVID-19 pandemic marks the most significant, singular global disruption since World War II, with health, economic, political, and security implications that will ripple for years to come. -Global Trends 2040 (2021) Global Trends 2040-A More Contested World (2021), released by the US National Intelligence Council, is the latest report in its series of reports starting in 1997 about megatrends and the world's future. This report, strongly influenced by the COVID-19 pandemic, paints a bleak picture of the future and describes a contested, fragmented and turbulent world. It specifically discusses the four main trends that will shape tomorrow's world: - Demographics-by 2040, 1.4 billion people will be added mostly in Africa and South Asia. - Economics-increased government debt and concentrated economic power will escalate problems for the poor and middleclass. - Climate-a hotter world will increase water, food, and health insecurity. - Technology-the emergence of new technologies could both solve and cause problems for human life. Students of trends, policymakers, entrepreneurs, academics, journalists and anyone eager for a glimpse into the next decades, will find this report, with colored graphs, essential reading.

progressive voter guide: Counting Women's Ballots J. Kevin Corder, Christina Wolbrecht, 2016-05-25 How did the first female voters cast their ballots? For almost 100 years, answers to this question have eluded scholars. Counting Women's Ballots employs new data and novel methods to provide insights into whether, how, and with what consequences women voted in the elections after suffrage. The analysis covers a larger and more diverse set of places, over a longer period of time, than has previously been possible. J. Kevin Corder and Christina Wolbrecht find that the extent to which women voted and which parties they supported varied considerably across time and place, challenging attempts to describe female voters in terms of simple generalizations. Many women adapted quickly to their new right; others did not. In some cases, women reinforced existing partisan advantages; in others, they contributed to dramatic political realignment. Counting Women's Ballots improves our understanding of the largest expansion of the American electorate during a transformative period of American history.
