Delve into secret tunnels, haunted buildings, and the ongoing preservation efforts that keep Port Townsend's rich, secret history alive. This guide is a must-read for history lovers, travelers, and anyone intrigued by the hidden stories that define Port Townsend.

- Rise of Port Townsend: Gateway to the Pacific Northwest
- Victorian Architecture and Hidden Tunnels
- Maritime Legends and Smuggling Tales
- Influence of Indigenous Peoples and Early Settlers
- Port Townsend's Boom, Bust, and Transformation
- Haunted Buildings and Unsolved Mysteries
- Preservation Efforts and Lasting Legacy

## Rise of Port Townsend: Gateway to the Pacific Northwest

The secret history of Port Townsend begins in the mid-19th century, when ambitious settlers and entrepreneurs saw its deep-water harbor as a potential gateway to the Pacific Northwest. Founded in 1851, Port Townsend rapidly grew into a bustling port, attracting ships from across the globe. Its strategic location at the entrance to Puget Sound made it a vital hub for trade, immigration, and commerce. By the late 1800s, Port Townsend was advertised as the "City of Dreams," destined to become the San Francisco of the North.

However, beneath this promise of prosperity lay intrigue and competition. Local legends tell of rival factions vying for control over shipping routes

and customs, and the bustling waterfront became a stage for clandestine deals and secret exchanges. The town's economic fortunes rose and fell with the tides of global trade, shaping its identity as both a place of opportunity and mystery.

- Strategic harbor for Pacific trade
- Competition among shipping magnates
- Key role in immigration and commerce
- City of Dreams reputation

## **Victorian Architecture and Hidden Tunnels**

Port Townsend's Victorian architecture stands as a testament to its golden age, with ornate brick buildings lining Water Street and the downtown district. Behind the elegant facades, however, lies a secret network of underground tunnels and passageways. These tunnels, constructed during the late 19th century, were used to move goods discreetly, evade customs inspections, and provide refuge during times of unrest.

The elaborate design of these buildings often included hidden rooms and passages, reflecting the town's complex social dynamics and the need for secrecy. Today, many of the historic structures have been preserved, and stories of hidden tunnels continue to captivate residents and visitors alike.

## **Features of Port Townsend's Victorian District**

- Authentic 19th-century brick and stone buildings
- Secret underground tunnels and vaults
- Decorative ironwork and grand storefronts
- Restored hotels, saloons, and theaters

## **Maritime Legends and Smuggling Tales**

The waters surrounding Port Townsend are steeped in maritime legends and tales of smuggling. During the late 1800s, the town's bustling docks became a conduit for goods, legal and illicit. Stories abound of whiskey runners,

opium smugglers, and stowaways who navigated the foggy shores under the cover of darkness. The port's reputation as a haven for adventure attracted sailors, fortune seekers, and outlaws from around the world.

Local lore recounts daring escapes, shipwrecks, and hidden caches of contraband. Some tunnels were reportedly used to transport smuggled goods from ships to local businesses, bypassing customs officers. These stories form an integral part of Port Townsend's secret history and contribute to its enduring mystique.

## **Infamous Smuggling Incidents**

- Whiskey and opium smuggling operations
- Use of secret tunnels for contraband transport
- Notorious shipwrecks near the harbor
- Legendary outlaws and fortune seekers

## **Influence of Indigenous Peoples and Early Settlers**

Long before European settlement, the land around Port Townsend was home to the S'Klallam and other Coast Salish tribes. The area's rich natural resources and sheltered bay made it an important gathering place for trade, fishing, and cultural exchange. The arrival of settlers brought both collaboration and conflict, as Indigenous communities navigated changing political and economic landscapes.

Many aspects of Port Townsend's growth were shaped by Indigenous knowledge, including boatbuilding techniques and resource management. Today, the contributions and resilience of Native peoples form a vital chapter in the secret history of Port Townsend, with continuing efforts to honor and preserve their legacy.

## **Legacy of Native Influence**

- Traditional fishing and navigation practices
- Shared trade routes and exchanges
- Land treaties and contested territory

- Ongoing cultural and educational initiatives

## **Port Townsend's Boom, Bust, and Transformation**

Port Townsend experienced rapid growth during the late 19th century, fueled by expectations that the railroad would link the town directly to Seattle and beyond. Investors poured money into grand hotels, banks, and public buildings, anticipating a future as a major commercial center. However, when the railroad project stalled and economic downturns struck, the town's fortunes reversed almost overnight.

This boom-and-bust cycle left Port Townsend with a wealth of architectural treasures but also a host of unfinished projects and abandoned dreams. The subsequent transformation from an economic powerhouse to a quiet, picturesque town preserved much of its historic character, allowing future generations to explore its hidden stories.

## **Key Moments in Port Townsend's Economic History**

- Railroad speculation and investment boom
- Sudden economic collapse and population decline
- Shift to tourism and cultural preservation
- Revitalization of historic districts

## **Haunted Buildings and Unsolved Mysteries**

Port Townsend's secret history includes tales of haunted buildings and unsolved mysteries. The town's Victorian hotels, former brothels, and abandoned warehouses have inspired countless ghost stories and local legends. Some residents claim to have witnessed apparitions in historic rooms, while others recount unexplained phenomena in the old tunnels and basements.

These stories, rooted in the town's turbulent past, attract paranormal enthusiasts and curious visitors. Whether fact or folklore, the haunted reputation of Port Townsend adds another layer of intrigue to its historic landscape.

## **Notable Haunted Sites**

- Old hotels with reports of ghostly sightings
- Historic theaters and saloons
- Tunnels linked to mysterious disappearances
- Buildings with unsolved crimes and legends

## **Preservation Efforts and Lasting Legacy**

Modern Port Townsend is renowned for its commitment to preserving its secret history and historic architecture. Local organizations, historians, and volunteers have worked tirelessly to restore Victorian buildings, document oral histories, and protect archaeological sites. Annual festivals, walking tours, and educational programs invite visitors to experience the town's unique heritage firsthand.

The legacy of Port Townsend's secret history endures through these preservation efforts, ensuring that future generations can uncover the stories hidden within its streets and waterfront. The town's blend of old-world charm and contemporary vitality makes it a living museum and a testament to the enduring power of history.

## **Preservation Initiatives in Port Townsend**

- Restoration of Victorian buildings and landmarks
- Historical societies and archives
- Annual festivals celebrating local heritage
- Educational tours and storytelling events

## **Frequently Asked Questions about the Secret History of Port Townsend**

## **Q: What makes Port Townsend's history "secret" compared to other Washington towns?**

A: Port Townsend's secret history is defined by its hidden tunnels, clandestine smuggling operations, haunted sites, and lesser-known stories of rivalry and intrigue that are not found in typical historical accounts of other towns.

## **Q: Are there really underground tunnels beneath Port Townsend?**

A: Yes, Port Townsend is known for its network of underground tunnels, originally built for moving goods discreetly and evading customs inspections during its boom years in the late 1800s.

## **Q: What role did smuggling play in Port Townsend's development?**

A: Smuggling was a significant aspect of Port Townsend's waterfront activity, with local legends describing the transport of whiskey, opium, and other contraband through secret tunnels and hidden passages.

## **Q: How did the Indigenous peoples influence Port Townsend's early history?**

A: Indigenous tribes such as the S'Klallam played a crucial role in shaping Port Townsend's early history through traditional fishing, navigation, trade, and cultural exchange with settlers.

## **Q: Why did Port Townsend's economic boom suddenly collapse?**

A: The collapse was largely due to the failure of the railroad project, which investors had counted on to connect Port Townsend to major cities. Economic downturns and changing trade patterns contributed to the decline.

## **Q: What are some of the most famous haunted sites in Port Townsend?**

A: Notable haunted sites include the historic hotels, theaters, former brothels, and buildings with mysterious tunnels, all of which are associated with ghost stories and unexplained phenomena.

## **Q: How is Port Townsend's history preserved today?**

A: Preservation efforts include restoration of Victorian buildings, documentation of oral histories, heritage festivals, and educational tours that highlight the town's unique past.

## **Q: What are the architectural highlights of Port Townsend's Victorian district?**

A: The Victorian district features authentic 19th-century brick and stone buildings, decorative ironwork, grand storefronts, and restored historic hotels, many with hidden rooms and passages.

## **Q: Did Port Townsend ever become the "San Francisco of the North" as predicted?**

A: Despite early ambitions and rapid growth, Port Townsend never reached the commercial heights of San Francisco, but its preserved architecture and history make it a unique destination.

## **Q: What annual events celebrate Port Townsend's secret history?**

A: Annual festivals, walking tours, storytelling events, and maritime heritage celebrations invite locals and visitors to explore the secret history and cultural legacy of Port Townsend.

## **The Secret History of Port Townsend: Unveiling the Hidden Gems of a Victorian Gem**

Port Townsend, Washington. The name conjures images of Victorian architecture, quaint shops, and breathtaking waterfront views. But beneath the charming façade lies a rich and often surprising

history, far more complex and intriguing than meets the eye. This post delves into the "secret history" of Port Townsend, uncovering lesser-known stories, hidden scandals, and fascinating figures who shaped this captivating coastal town. Prepare to discover a Port Townsend you've never seen before.

## **H2: From Boomtown to Bust: The Rollercoaster Ride of Port Townsend's Early Years**

Port Townsend's story isn't one of steady growth. Its early success was meteoric. Chosen as a potential rival to Seattle in the 1850s, it briefly boomed as a major port, fueled by the burgeoning maritime industry and dreams of becoming a significant commercial hub. The discovery of gold in nearby areas further fueled this rapid growth. However, this boom was short-lived. The failure to secure the Northern Pacific Railroad spurred a dramatic decline, leaving behind a town brimming with potential but struggling to find its footing. This period of boom and bust instilled a resilient spirit in the town, a characteristic that persists to this day. The ghosts of these ambitions – grand, unfinished buildings and faded grandeur – still linger, reminding us of the town's ambitious past.

## **H2: The Ghosts of the Past: Uncovering Port Townsend's Mysterious Legends**

Beyond the historical records lie whispers of the supernatural. Port Townsend, with its aged buildings and proximity to the sea, has cultivated a reputation for its paranormal activity. Many local legends speak of ghostly encounters within the historic downtown area, from the flickering lights in empty buildings to unexplained sounds echoing through the night. These tales, while perhaps not verifiable, add another layer to Port Townsend's compelling narrative. Exploring these legends adds a unique dimension to understanding the town's enduring fascination.

## **H3: The Legend of the Upham Mansion:**

Perhaps the most famous of these legends centers around the Upham Mansion, a stunning Victorian masterpiece. Stories abound of unexplained phenomena within its walls – disembodied voices, moving objects, and a chilling presence that many have felt. While some dismiss these as mere coincidence, the persistent nature of these stories only adds to the mansion's allure.

## **H2: The Unexpected Influence of the Arts and Counterculture:**

While its early maritime ambitions faltered, Port Townsend found new life in the late 20th century as a haven for artists and counterculture movements. This influx of creative energy breathed new life

into the aging buildings, transforming them into vibrant studios, galleries, and unique shops. This embrace of the arts not only revitalized the town's economy but also shaped its unique character, making it a haven for those seeking a different pace of life.

### **H3: The Port Townsend Film Festival:**

A testament to this artistic resurgence is the annual Port Townsend Film Festival, showcasing independent and international films, attracting filmmakers and cinephiles from around the world. This festival is a vital component of the town's cultural identity and contributes significantly to its tourism.

## **H2: A Modern Port Townsend: Balancing Preservation and Progress**

Today, Port Townsend meticulously balances its rich history with its modern identity. Efforts to preserve its Victorian architecture are ongoing, ensuring that the town retains its distinctive charm. However, this preservation is not static; it's a dynamic process that incorporates sustainable practices and modern amenities. The result is a unique blend of old-world charm and modern sensibility, making it a captivating destination for visitors and residents alike.

### **Conclusion:**

The "secret history" of Port Townsend is far from a singular narrative. It's a tapestry woven from threads of ambition, disappointment, artistic expression, and a touch of the mysterious. By uncovering these hidden layers, we gain a deeper appreciation for the town's resilience, its unique character, and its enduring charm. The town's ability to adapt and thrive, even after setbacks, makes its story all the more compelling. From its bustling early years to its current vibrant cultural scene, Port Townsend continues to evolve, preserving its captivating past while embracing a promising future.

### **FAQs:**

1. Are there any ghost tours in Port Townsend? Yes, several companies offer ghost tours that explore the town's haunted locations, including the Upham Mansion.
2. What is the best time to visit Port Townsend? The summer months (June-August) offer the best weather, but spring and fall provide a more intimate and less crowded experience.

3. Is Port Townsend easily accessible? Yes, it's accessible by car, ferry, and even by plane through the nearby Jefferson County International Airport.

4. What are some must-see historical sites in Port Townsend? The Upham Mansion, the Port Townsend Historical Museum, and the Fort Worden State Park are excellent choices.

5. What kind of activities are available in Port Townsend beyond sightseeing? Kayaking, whale watching, hiking, and exploring the local art galleries and shops are all popular activities.

**secret history of port townsend:** Port Townsend Jefferson County Historical Society, 2008 On Washington's Olympic Peninsula, at the entrance to Puget Sound, the Port Townsend of the 1850s was perfectly situated for sailing vessels. By 1880, thousands of ships from all over the world were passing through. Optimistic investors sought fortunes in shipping, logging, lumber mills, and land speculation. While commerce flourished at sea level, citizens built fine homes, churches, schools, clubs, a respectable shopping district, and parks uptown on the bluff. The settlers of this lovely seaport enjoyed rich cultural and social lives. Port Townsend went bust after the anticipated railroad failed to arrive. It remained largely frozen in time without economic motivation to tear down and replace its fine Victorian architecture. It wasn't until the 1970s that the beautiful setting and buildings were discovered by artists, hippies, preservationists, and, later, tourists and retirees. The town is now a thriving arts and cultural community, still beautiful, still small and remote.

**secret history of port townsend: The Witch's Kind** Louisa Morgan, 2019-03-19 In the aftermath of World War II, two women with unusual gifts must protect a mysterious baby in a poignant tale of family, sacrifice and magic. Barrie Anne Blythe and her aunt Charlotte have always known that the other residents of their small coastal community find them peculiar -- two women living alone on the outskirts of town. It is the price of concealing their strange and dangerous family secret. But two events threaten to upend their lives forever. The first is the arrival of a mysterious abandoned baby with a hint of power like their own. The second is the sudden reappearance of Barrie Anne's long-lost husband -- who is not quite the man she thought she married. Together, Barrie Anne and Charlotte must decide how far they are willing to go to protect themselves -- and the child they think of as their own -- from suspicious neighbors, the government, and even their own family. . . Praise for *The Witch's Kind*: The strength of Morgan's powerful story is her depiction of this time and place and the everyday struggles of determined women. A great choice for readers who enjoy novels by Alice Hoffman and Barbara Kingsolver. —Booklist Family, love, and ultimately personal strength. Fans of Morgan's *The Secret History of Witches* will appreciate this latest installment, and newcomers will be equally enchanted. —Historical Novel Society For more from Louisa Morgan, check out: *A Secret History of Witches* *The Age of Witches*

**secret history of port townsend: A Lady's Guide to Selling Out** Sally Franson, 2018-04-10 With “elements of *The Bold Type*, *Mad Men*, and *The Devil Wears Prada*” (*Entertainment Weekly*), a young woman navigates a tricky twenty-first-century career—and the trickier question of who she wants to be—in this savagely wise debut novel Casey Pendergast is losing her way. Once a book-loving English major, Casey lands a job at a top ad agency that highly values her ability to tell a good story. Her best friend thinks she’s a sellout, but Casey tells herself that she’s just paying the bills—and she can’t help that she has champagne taste. When her hard-to-please boss assigns her to a top-secret campaign that pairs literary authors with corporations hungry for upmarket cachet, Casey is both excited and skeptical. But as she crisscrosses America, wooing her former idols, she’s shocked at how quickly they compromise their integrity: A short-story writer leaves academia to craft campaigns for a plus-size clothing chain, a reclusive nature writer signs away her life’s work to a manufacturer of granola bars. When she falls in love with one of her authors, Casey can no longer ignore her own nagging doubts about the human cost of her success. By the time the year’s biggest book festival rolls around in Las Vegas, it will take every ounce of Casey’s moxie to undo the

damage—and, hopefully, save her own soul. Told in an unforgettable voice, with razor-sharp observations about everything from feminism to pop culture to social media, *A Lady's Guide to Selling Out* is the story of a young woman untangling the contradictions of our era and trying to escape the rat race—by any means necessary. Praise for *A Lady's Guide to Selling Out* “Bitingly funny . . . [Sally] Franson’s snappy debut nimbly skewers the high-flying world of advertising and romance in the age of social media. . . . Franson’s irresistibly flawed heroine holds her own as she strives to find honesty, meaning, and even love in a demanding world, resulting in an addictive, escapist novel.”—Publishers Weekly “A high-spirited heroine loses herself in a vortex of modern striving in this debut novel. . . . Come for the hilarious narration, stay for the whirlwind plot, luxuriate in the satirical gleam.”—Kirkus Reviews “A wry, observant take on career success and ambition.”—New York Post “A book lover is torn between a cushy gig and . . . well, her soul, basically.”—Cosmopolitan

**secret history of port townsend:** *The Best Bad Things* Katrina Carrasco, 2018-11-06 \*\*Finalist for the Washington State Book Award and the Lambda Award in Bisexual Fiction\*\* Sexy, fun, serious and unputdownable. —Bethanne Patrick, *The Washington Post* “Brazen, brawny, sexy . . . full of unforgettable characters and insatiable appetites. I was riveted. Painstakingly researched and pulsing with adrenaline, Carrasco’s debut will leave you thirsty for more.” —Lyndsay Faye, author of *The Gods of Gotham* A vivid, sexy barn burner of a historical crime novel, *The Best Bad Things* introduces readers to the fiery Alma Rosales—detective, smuggler, spy It is 1887, and Alma Rosales is on the hunt for stolen opium. Trained in espionage by the Pinkerton Detective Agency—but dismissed for bad behavior and a penchant for going undercover as a man—Alma now works for Delphine Beaumont, the seductive mastermind of a West Coast smuggling ring. When product goes missing at their Washington Territory outpost, Alma is tasked with tracking the thief and recovering the drugs. In disguise as the scrappy dockworker Jack Camp, this should be easy—once she muscles her way into the local organization, wins the trust of the magnetic local boss and his boys, discovers the turncoat, and keeps them all from uncovering her secrets. All this, while sending coded dispatches to the circling Pinkerton agents to keep them from closing in. Alma’s enjoying her dangerous game of shifting identities and double crosses as she fights for a promotion and an invitation back into Delphine’s bed. But it’s getting harder and harder to keep her cover stories straight and to know whom to trust. One wrong move and she could be unmasked: as a woman, as a traitor, or as a spy. A propulsive, sensual tour de force, *The Best Bad Things* introduces Katrina Carrasco, a bold new voice in crime fiction.

**secret history of port townsend:** *The Man from Rome* Dylan Quarles, 2017-05-05 From the author of the highly rated *Ruins Of Mars Trilogy*: Rome is a city like no other, protected by a man like no other. He is the unnamed Immortal, the Man from Rome, and he is under attack. An agent of his secret order has been murdered, her tongue ripped out, her throat coated in molten silver. The killing is meant to be a message, a warning that old enemies have resurfaced to punish the Man for the sins of his past. Forced to retaliate, the Man sets in motion a sequence of events which pit an American thief, a Roman policewoman, a heartless mercenary, and a fallen Olympian against one another in all-out war. The streets of Rome become a battleground where the supernatural clash with the mortal, and the Eternal City bears witness to yet another chapter in its storied history of violence. Vengeance reigns supreme in this, the newest Novel from Dylan James Quarles.

**secret history of port townsend:** *George Washington's Secret Six* Brian Kilmeade, Don Yaeger, 2016-10-18 When George Washington beat a hasty retreat from New York City in August 1776, many thought the American Revolution might soon be over. Instead, Washington rallied—thanks in large part to a little-known, top-secret group called the Culper Spy Ring. He realized that he couldn’t defeat the British with military might, so he recruited a sophisticated and deeply secretive intelligence network to infiltrate New York. Drawing on extensive research, Brian Kilmeade and Don Yaeger have offered fascinating portraits of these spies: a reserved Quaker merchant, a tavern keeper, a brash young longshoreman, a curmudgeonly Long Island bachelor, a coffeehouse owner, and a mysterious woman. Long unrecognized, the secret six are finally receiving

their due among the pantheon of American heroes.

**secret history of port townsend:** Secret Agent 666 Richard B. Spence, 2008 Sensationally unveils the long, secretive collaboration between arch-occultist Aleister Crowley and British Intelligence.

**secret history of port townsend:** This Victorian Life Sarah A. Chrisman, 2022-07-05 Part memoir, part micro-history, this is an exploration of the present through the lens of the past--now in paperback! We all know that the best way to study a foreign language is to go to a country where it's spoken, but can the same immersion method be applied to history? How do interactions with antique objects influence perceptions of the modern world? From Victorian beauty regimes to nineteenth-century bicycles, custard recipes to taxidermy experiments, oil lamps to an ice box, Sarah and Gabriel Chrisman decided to explore nineteenth-century culture and technologies from the inside out. Even the deepest aspects of their lives became affected, and the more immersed they became in the late Victorian era, the more aware they grew of its legacies permeating the twenty-first century. Most of us have dreamed of time travel, but what if that dream could come true? Certain universal constants remain steady for all people regardless of time or place. No matter where, when, or who we are, humans share similar passions and fears, joys and triumphs. In her first book, *Victorian Secrets*, Chrisman recalled the first year she spent wearing a Victorian corset 24/7. In *This Victorian Life*, Chrisman picks up where *Secrets* left off and documents her complete shift into living as though she were in the nineteenth century.

**secret history of port townsend:** Cloud Mountain Aimee E. Liu, 1998 California, 1906. Hope Newfield and Leong Po-yo fall in love. Defying every taboo, this independent American woman and aristocratic Chinaman marry. But in the coming years, as they move from San Francisco to China, their love is tested by prejudice, conflicting loyalties and different traditions.

**secret history of port townsend:** Wild Ride Home Christine Hemp, 2024-05-07 \*\* This memoir seems written directly from Hemp's soul, as she beautifully shares her moving story of learning to love and trust again after loss.--Booklist \*\* Christine Hemp's debut work of nonfiction, *Wild Ride Home*, is a brilliant memoir, looping themes of finding love and losing love, of going away and coming home, of the wretched course of Alzheimer's, of cancer, of lost pregnancies, of fly fishing and horsemanship, of second chances, and, ultimately, of the triumph of love and family--all told within the framework of the training of a little white horse named Buddy. *Wild Ride Home* invites the reader into the close Hemp family, which believes beauty and humor outshine the most devastating circumstances. Such optimism is challenged when the author suffers a series of blows: a dangerous fiancé, her mother's dementia, unexpected death and illness. Buddy, a feisty, unforgettable little Arabian horse with his own history to overcome, offers her a chance to look back on her own life and learn to trust again, not only others, but more importantly, herself. Hemp skillfully guides us through a memoir that is, despite devastating loss, above all, an ode to joy.

**secret history of port townsend:** A Book of Women Poets from Antiquity to Now Alik Barnstone, Willis Barnstone, 1992-04-28 A monument to the literary genius of women throughout the ages, *A Book of Women Poets from Antiquity to Now* is an invaluable collection. Here in one volume are the works of three hundred poets from six different continents and four millennia. This revised edition includes a newly expanded section of American poets from the colonial era to the present. [A] splendid collection of verse by women (TIME) throughout the ages and around the world; now revised and expanded, with 38 American poets.

**secret history of port townsend:** For the Wild Sarah M. Pike, 2017-09-19 *For the Wild* explores the ways in which the commitments of radical environmental and animal-rights activists develop through powerful experiences with the more-than-human world during childhood and young adulthood. The book addresses the question of how and why activists come to value nonhuman animals and the natural world as worthy of protection. Emotions and memories of wonder, love, compassion, anger, and grief shape activists' protest practices and help us understand their deep-rooted dedication to the planet and its creatures. Drawing on analyses of activist art, music, and writings, as well as interviews and participant-observation in activist communities, Sarah M.

Pike delves into the sacred duties of these often misunderstood and marginalized groups with openness and sensitivity.

**secret history of port townsend: The Secret History of Twin Peaks** Mark Frost, 2016-10-18 From the co-creator of the landmark series, the story millions of fans have been waiting to get their hands on for 25 long years. The Secret History of Twin Peaks enlarges the world of the original series, placing the unexplained phenomena that unfolded there into a vastly layered, wide-ranging history, beginning with the journals of Lewis and Clark and ending with the shocking events that closed the finale. The perfect way to get in the mood for the upcoming Showtime series.

**secret history of port townsend: Gaining** Aimee Liu, 2007-02-22 If you've ever suffered from an eating disorder-or cared for someone who is anorexic or bulimic-you may think you understand these illnesses. But do you really understand why they occur? Do you know what it takes to fully recover? Do you know how eating disorders affect life after recovery? Now, nearly three decades after she detailed her first battle with anorexia in *Solitaire*, Aimee Liu presents an emotionally powerful and poignant sequel that digs deep into the causes, cures, and consequences of anorexia and bulimia nervosa. Aimee Liu believed she had conquered anorexia in her twenties. Then in her forties, when her life once again began spiraling out of control, she stopped eating. Liu realized the same forces that had caused her original eating disorder were still in play. She also noticed that other women she knew with histories of anorexia and bulimia seemed to share many of her personality traits and habits under stress-even decades after recovery. Intrigued and concerned, Liu set out to learn who is susceptible to these disorders and why, and what it takes to overcome them once and for all. With *GAINING*, Liu shatters commonly held beliefs about eating disorders while assembling a puzzle that is as complex and fascinating as human identity itself. Through cutting-edge research and the stories of more than forty interview subjects, readers will discover that the tendency to develop anorexia or bulimia has little to do with culture, class, gender-or weight. Genetics, however, play a key role. So does temperament. So do anxiety, depression, and shame. Clearly, curing eating disorders involves more than good nutrition. Candidly recalling her own struggles, triumphs, and defeats, Aimee explores an array of promising and innovative new treatments, offers vital insights to anyone who has ever had an eating disorder, and shows parents how to help protect their children from ever developing one. Her book is sure to change the way we talk and think about eating disorders for years to come.

**secret history of port townsend: Which Witch is Wicked?** Kerrigan Byrne, Cynthia St Aubin, Cindy Stark Tiffinie Helmer, 2020-12-31 The de Moray witches are back, and this time there will be hell to pay. Four identical sisters are prophesied to hold the fate of the entire world in their powerful hands. Moira, a water witch; Claire, a fire witch; Aerin, an air witch and Tierra, an earth witch.

**secret history of port townsend: A History of the Rectangular Survey System** C. Albert White, 1983

**secret history of port townsend: There Be Monsters** Dylan Quarles, 2021-06-20 A tale. The year is 1520. Jonah Munday and his crew of adventurers set sail for the New World on a quest to find a mysterious island and a lost city of gold. Unbeknownst to them, government scientists in the year 1985 are about to conduct an outlandish experiment which will tear the fabric of space-time and unleash unspeakable terrors upon Jonah and his crew. In the ensuing fallout, survivors, both past and future, face the monsters of their own making in a battle to undo the damage of the experiment and set right what once went wrong.

**secret history of port townsend: Lost Knowledge of the Ancients** Glenn Kreisberg, 2010-08-13 Thinkers at the forefront in alternative theories on history, the origins of civilization, technology, and consciousness • With contributions by Graham Hancock, Robert Bauval, Mark Booth, Richard Hoagland, Robert Schoch, John Anthony West, and others • Topics range from quantum philosophy and paranormal phenomena to the secret history of NASA, instant polar shifts, and ancient Martian civilizations • Explores where our present time fits into the cycle of human existence A revolution of thought is under way in our world, fostered by decades of research and well-documented evidence by alternative theory pioneers such as Graham Hancock, John Anthony

West, Robert Bauval, and Robert Schoch. These provocative, cutting-edge scholars now represent a direct challenge to the academic establishment as the paradigms of science and history shift and their ideas gain acceptance. Representing the latest, often controversial findings in scientific and historical research, this anthology of essays commissioned by Graham Hancock, bestselling author of *Fingerprints of the Gods*, covers the forefront in alternative theories on history, the origins of civilization, technology, and consciousness with topics ranging from quantum philosophy and paranormal phenomena to the ancient use of electromagnetism, the effect of cosmic rays on human evolution, and NASA's cover-up of ancient Martian civilizations. Recognizing that many recent discoveries are actually rediscoveries of lost knowledge from past civilizations, these authors seek to understand where, within the bigger picture of human knowledge, our present time fits into the cycle of human existence.

**secret history of port townsend: Washington's Spies** Alexander Rose, 2014-03-25 NEW YORK TIMES BESTSELLER • Turn: Washington's Spies, now an original series on AMC Based on remarkable new research, acclaimed historian Alexander Rose brings to life the true story of the spy ring that helped America win the Revolutionary War. For the first time, Rose takes us beyond the battlefield and deep into the shadowy underworld of double agents and triple crosses, covert operations and code breaking, and unmask the courageous, flawed men who inhabited this wilderness of mirrors—including the spymaster at the heart of it all. In the summer of 1778, with the war poised to turn in his favor, General George Washington desperately needed to know where the British would strike next. To that end, he unleashed his secret weapon: an unlikely ring of spies in New York charged with discovering the enemy's battle plans and military strategy. Washington's small band included a young Quaker torn between political principle and family loyalty, a swashbuckling sailor addicted to the perils of espionage, a hard-drinking barkeep, a Yale-educated cavalryman and friend of the doomed Nathan Hale, and a peaceful, sickly farmer who begged Washington to let him retire but who always came through in the end. Personally guiding these imperfect everyday heroes was Washington himself. In an era when officers were gentlemen, and gentlemen didn't spy, he possessed an extraordinary talent for deception—and proved an adept spymaster. The men he mentored were dubbed the Culper Ring. The British secret service tried to hunt them down, but they escaped by the closest of shaves thanks to their ciphers, dead drops, and invisible ink. Rose's thrilling narrative tells the unknown story of the Revolution—the murderous intelligence war, gunrunning and kidnapping, defectors and executioners—that has never appeared in the history books. But Washington's Spies is also a spirited, touching account of friendship and trust, fear and betrayal, amid the dark and silent world of the spy.

**secret history of port townsend: What The Prophet Ether Couldn't Tell Us: Book 2 of 3** Jim Hendleman, 2021-04-13 BACK COVER The sequel to the Jaredite's Civilization (What the Prophet Ether couldn't Tell Us) is finally out. Book III to shortly follow. Book II tells of the life and times of the Jaredites, the greatest civilization to have ever lived on Planet Earth. It details their earliest beginnings, and enumerates some of their many achievements and accomplishments. It is first mentioned within the Book of Mormon, in Ether 1:42-44. Ether was later directed by God to remove everything about them save for their earliest beginnings at the Tower of Babel, in Iraq, and a few brief tales of their spiritual trials and wars, up to their final Civil War. Mainstream Archaeology refuses to address this civilization because it would reveal Archaeology's canards about evolution and their false narrative about the Origin of Man. The Jaredites settled and colonized South and North America, Lemuria, Antarctica, The British Isles and most of western Europe, plus the lands of China and India. For nearly 2,530-years, they maintained a world-wide civilization. My research has uncovered many details of Jaredite life and their physical characteristics that the prophet Ether was not allowed to tell us. They built all of Egypt. Their Hindu colony fought at least two internal nuclear wars. They colonized throughout our entire Solar System; most moons and all the planets have their cities, mainly covered by 7-mile high glass domes, except Jupiter and Saturn. These two planets each have possible Star War-size moons that could be artificial space stations. Mars used to be a moon to its now exploded primary, which is now the Asteroid Belt. Their Martian cities are so immense that

New York City and Shanghai combined wouldn't be considered a nickel in a handful of change in comparison to them. Jaredite leftovers are all over Earth if one knows when to look for them. Book III details a few of their many wars, as well as their final Civil War, the first year or two which were nuclear. Through their longevity, they were able to develop their physics to the point to where they could control the weather, as well as to weaponize its component parts. And their final, long prophesied death.

**secret history of port townsend: The Glass Books of the Dream Eaters, Volume One** Gordon Dahlquist, 2011-09-14 Here begins an extraordinary alliance—and a brutal and tender, shocking, and electrifying adventure to end all adventures. It starts with a simple note. Roger Bascombe regretfully wishes to inform Celeste Temple that their engagement is forthwith terminated. Determined to find out why, Miss Temple takes the first step in a journey that will propel her into a dizzyingly seductive, utterly shocking world beyond her imagining—and set her on a collision course with a killer and a spy—in a bodice-ripping, action-packed roller-coaster ride of suspense, betrayal, and richly fevered dreams.

**secret history of port townsend: Dark Mission** Richard C. Hoagland, Mike Bara, 2009-09-01 The New York Times bestseller about the strange history of NASA and its cover-ups regarding its origins and extraterrestrial architecture found on the moon and Mars is even more interesting in its new edition. Authors Richard C. Hoagland and Mike Bara include a new chapter about the discoveries made by ex-Nazi scientist and NASA stalwart Wernher von Braun regarding what he termed alternate gravitational solutions, or the rewriting of Newtonian physics into hyperdimensional spheres.

**secret history of port townsend: We're Not Here to Entertain** Kevin Mattson, 2020-05-14 Many remember the 1980s as the era of Ronald Reagan, a conservative decade populated by preppies and yuppies dancing to a soundtrack of electronic synth pop music. In some ways, it was the MTV generation. However, the decade also produced some of the most creative works of punk culture, from the music of bands like the Minutemen and the Dead Kennedys to avant-garde visual arts, literature, poetry, and film. In *We're Not Here to Entertain*, Kevin Mattson documents what Kurt Cobain once called a punk rock world --the all-encompassing hardcore-indie culture that incubated his own talent. Mattson shows just how widespread the movement became--ranging across the nation, from D.C. through Ohio and Minnesota to LA--and how democratic it was due to its commitment to Do-It-Yourself (DIY) tactics. Throughout, Mattson puts the movement into a wider context, locating it in a culture war that pitted a blossoming punk scene against the new president. Reagan's talk about end days and nuclear warfare generated panic; his tax cuts for the rich and simultaneous slashing of school lunch program funding made punks, who saw themselves as underdogs, seethe at his meanness. The anger went deep, since punks saw Reagan as the country's entertainer-in-chief; his career, from radio to Hollywood and television, synched to the very world punks rejected. Through deep archival research, Mattson reignites the heated debates that punk's opposition generated in that era--about everything from straight edge ethics to anarchism to the art of dissent. By reconstructing the world of punk, Mattson demonstrates that it was more than just a style of purple hair and torn jeans. In so doing, he reminds readers of punk's importance and its challenge to simplistic assumptions about the 1980s as a one-dimensional, conservative epoch.

**secret history of port townsend: *Just Deceits*** Michael Schein, 2008-09 In 1793, the most powerful family in Virginia found itself embroiled in scandal: Richard Randolph and his sister-in-law, the beautiful Nancy Randolph, were charged with adultery and infanticide ... based on actual events ... tells the story of the trial of the century, the 18th Century, as the remarkable defense team of wily Patrick Henry and ambitious John Marshall battled each other, their clients, family intrigue, the prosecution, and the truth itself, trying to save their clients from the gallows.--Author's website: [http://www.michaelschein.com/just\\_deceits.html](http://www.michaelschein.com/just_deceits.html)

**secret history of port townsend: The School of Essential Ingredients** Erica Bauermeister, 2009 Gathering at Lillian's Restaurant for a weekly cooking class, a young mother struggles with the growing demands of her family, an Italian kitchen designer works to adapt to life in America, and a

widower mourns the loss of his wife to breast cancer. 50,000 first printing.

**secret history of port townsend: The Ascension Mysteries** David Wilcock, 2017-08-15 From the New York Times bestselling author of *Awakening in the Dream* comes a book that will take readers on a surprising and enthralling journey through the history of the universe, exploring the great cosmic battle surrounding our own ascension. David Wilcock's previous New York Times bestsellers, *The Source Field Investigations* and *The Synchronicity Key*, used cutting-edge alternative science to reveal oft-hidden truths about our universe. In *The Ascension Mysteries*, David takes us on a gripping personal journey that describes the secret cosmic battle between positive and negative happening every day, hidden in both the traumas of our own lives and the world's headlines. Through his contact with a positive higher intelligence behind the UFO phenomenon, groundbreaking scientific information, and data from high-ranking government whistle-blowers, David reveals that the earth is now on the front lines of a battle that has been raging between positive and negative extraterrestrials for hundreds of thousands of years. *The Ascension Mysteries* explores the towering personal obstacles David overcame to unlock the great secrets of our universe and looks ahead to what this battle means for each of us personally. By unifying ancient texts from a variety of religions with scientific data and insider testimony, David presents a stunning conclusion—that Earth is on the verge of a massive cosmic event that will transform matter, energy, consciousness, and biological life as we now know it and will utterly defeat the great villains of our time.

**secret history of port townsend: Treason's Harbour** Patrick O'Brian, 1994 The finest writer of sea-stories in the English language.--J. de Courcy Ireland

**secret history of port townsend: The Martians** Nick Redfern, 2020 This is an in-depth study of the theory that Mars was once a world which teemed with life. Perhaps, even, life not at all too dissimilar to ours. Incredibly . . . the Martians may still be there. Alive. This book explores the CIA's top-secret search for the Martians, multiple photos of strange anomalies, and the latest revelations about the environment and water on Mars. The questions concerning life on Mars-then and now-are many. The answers are astounding--

**secret history of port townsend: Radical Transformation** Imants Barušs, 2021-01-28 In *Radical Transformation*, Imants Barušs leads the reader out of the receding materialist paradigm into an emerging post-materialist landscape in which new questions present themselves. If consciousness has nonlocal properties, then how are boundaries between events established? If consciousness directly modulates physical manifestation, then what is the scope of such modulation? If consciousness continues after physical death, then how much interference is there from non-physical entities? As we face the threat of extinction on this planet, is there anything in recent consciousness research that can help us? Are there effective means of self-transformation that can be used to enter persistent transcendent states of consciousness that could resolve existential and global crises? The author leads the reader through discussions of meaning, radical transformation, and subtle activism, revealing the unexpected interplay of consciousness and reality along the way.

**secret history of port townsend: LBJ and Conspiracy to Kill Kennedy** Joseph P. Farrell, 2020-02-27 Best-selling, Oxford-educated investigative author Joseph P. Farrell takes on the Kennedy assassination and the involvement of Lyndon Baines Johnson and the Texas machine" that he controlled. Farrell says that a coalescence of interests in the military industrial complex, the CIA, and Lyndon Baines Johnson's powerful and corrupt political machine in Texas led to the events culminating in the assassination of JFK. Without the help of the Dallas police chief and others of the Texas underworld, including Jack Ruby, the Kennedy assassination could not have taken place. Farrell analyzes the data as only he can, and comes to some astonishing conclusions. Chapters include: Oswald, the FBI, and the CIA: Hoover's Concern of a Second Oswald; Oswald and the Anti-Castro Cubans; The Mafia; Hoover, Johnson, and the Mob; The FBI, the Secret Service, Hoover, and Johnson; The CIA and Murder Incorporated"; Ruby's Bizarre Behavior; The French Connection and Perminindex; Big Oil; The Military; Disturbing Datasets, Doppelgängers, Duplicates and Discrepancies; Two Caskets, Two (or was that Three?) Ambulances, One Body: The Case of David S.

Lifton; Two (or is that Three?) Faces of Oswald; Too Many (or Was That Too Few?) Bullets; Too Many Films, with Too Many, or Too Few, Frames; The Dead Witnesses: Jack Zangretti, Maurice Brooks Gatlin, John Garret Gary" Underhill, Guy F. Bannister, Jr., Mary Pinchot Meyer, Rose Cheramie, Dorothy Mae Killgallen, Congressman Hale Boggs; The Alchemy of the Assassination: Ritual Magic and Murder, Masonic Symbolism, and the Darkest Players in the Death of JFK; LBJ and the Planning of the Texas Trip; LBJ: A Study in Character, Connections, and Cabals; LBJ and the Aftermath: Accessory After the Fact; The Requirements of Coups D'État; more.

**secret history of port townsend:** *Genes, Giants, Monsters, and Men* Joseph P. Farrell, 2011 In this sourced work, Dr. Farrell brings up the possibility that Earth may have been occupied by a race of tyrannical giants.

**secret history of port townsend: Titanic's Last Secrets** Brad Matsen, 2008-10-01 After rewriting history with their discovery of a Nazi U-boat off the coast of New Jersey, legendary divers John Chatterton and Richie Kohler decided to investigate the great enduring mystery of history's most notorious shipwreck: Why did Titanic sink as quickly as it did? To answer the question, Chatterton and Kohler assemble a team of experts to explore Titanic, study its engineering, and dive to the wreck of its sister ship, Britannic, where Titanic's last secrets may be revealed. Titanic's Last Secrets is a rollercoaster ride through the shipbuilding history, the transatlantic luxury liner business, and shipwreck forensics. Chatterton and Kohler weave their way through a labyrinth of clues to discover that Titanic was not the strong, heroic ship the world thought she was and that the men who built her covered up her flaws when disaster struck. If Titanic had remained afloat for just two hours longer than she did, more than two thousand people would have lived instead of died, and the myth of the great ship would be one of rescue instead of tragedy. Titanic's Last Secrets is the never-before-told story of the Ship of Dreams, a contemporary adventure that solves a historical mystery.

**secret history of port townsend:** *The Secret History of the Sword* J. Christoph Amberger, 1999 This is the most complete work ever on European sword fighting. The author discusses the development of sword techniques through history, presents accounts of famous duels, and compares medieval sword fighting with modern sport fencing.

**secret history of port townsend:** *The Information* James Gleick, 2011-03-01 From the bestselling author of the acclaimed *Chaos* and *Genius* comes a thoughtful and provocative exploration of the big ideas of the modern era: Information, communication, and information theory. Acclaimed science writer James Gleick presents an eye-opening vision of how our relationship to information has transformed the very nature of human consciousness. A fascinating intellectual journey through the history of communication and information, from the language of Africa's talking drums to the invention of written alphabets; from the electronic transmission of code to the origins of information theory, into the new information age and the current deluge of news, tweets, images, and blogs. Along the way, Gleick profiles key innovators, including Charles Babbage, Ada Lovelace, Samuel Morse, and Claude Shannon, and reveals how our understanding of information is transforming not only how we look at the world, but how we live. A New York Times Notable Book A Los Angeles Times and Cleveland Plain Dealer Best Book of the Year Winner of the PEN/E. O. Wilson Literary Science Writing Award

**secret history of port townsend: A History of the City and County of Cork** Mary Francis Cusack, 1875

**secret history of port townsend:** *The Return of the Rebel Angels* Timothy Wyllie, 2011-08-23 Furthers the revelations of The Urantia Book, providing a beautiful vision of our coming return to the Multiverse • Offers angelic reassurance that "Armageddon has been canceled" and that the coming transition will be gentle and the future positive • Explains Lucifer's angelic rebellion, its impact on the past 200,000 years, and the transformation of consciousness on the horizon as the fallen angels return • Shares the author's spiritual wisdom gained through extensive travels and encounters with angels, ETs, and other enlightened beings As recorded in The Urantia Book, two hundred millennia ago 37 planets, including our own, were quarantined from the rest of the

Multiverse to quell the spread of the Lucifer rebellion within the angelic hierarchy. Now, after eons of isolation, the fallen angels have been forgiven and Earth's connection with the Multiverse is being restored, initiating a massive transformation of consciousness as we reconnect with angelic guides, extraterrestrial beings, and our spiritual heritage as sacred vessels for God's presence. Providing an update to The Urantia Book through angelic transmissions he has received and remarkable spirits he has met, Timothy Wyllie investigates the underlying motives of the angelic rebellion and the impact it has had on our planet for the past 200,000 years. Offering a profoundly optimistic vision of the future and reassurance that the coming spiritual transition will be gentle, Timothy Wyllie describes his encounters with angels, ETs, and other enlightened beings around the world, including how he made contact with his own guardian angels, met the man who may have been Grand Master of the Priore de Zion, fell in love with a beautiful Cathar reincarnate in Provence, and officiated at the 1981 Conference in Spirit inside the Great Pyramid of Giza. He explores different planetary cosmologies, authentic extraterrestrial intelligence, entheogenic revelations, and the spiritual implications of the Holographic Paradigm, weaving together a coherent and provocative understanding of the current state of our planet within the larger context of a benevolent and caring Multiverse.

**secret history of port townsend: Plato's Dreams Realized** Aleksandr Vladimirovich Avakov, 2006 In this study of the philosophical and political nature of law, morality, rights and security, a Russian dissident shares his experience with the KGB and then with the US national security state and details the history of political surveillance in the US.

**secret history of port townsend: Bones Beneath Our Feet** Michael Schein, 2011-07-01 A historical novel of Puget Sound--Cover.

**secret history of port townsend: Punk Rock** Mindy Clegg, 2022-08-01 Punk Rock examines the history of punk rock in its totality. Punk became a way of thinking about the role of culture and community in modern life. Punks forged real alternatives to producing popular music and built community around their music. This punk counterpublic, forged in the late Cold War period, spanned the globe and has provided a viable cultural alternative to alienated young people over the years. This book starts with the rise of modernity and places the emergence of punk as a musical subculture into that longer historical narrative. It also reveals how punk itself became a contested terrain, as participants sought to imbue the production of music with greater meaning. It highlights all styles of punk and its wide variety of creators around the world, including from the LGBTQ+, feminist, and alternative communities. Punk was and remains a transnational phenomenon that influences music production and shapes our understanding of culture's role in community building.

**secret history of port townsend: The Birth of the Soviet Secret Police** Boris Volodarsky, 2023-05-31 This book is new in every aspect and not only because neither the official history nor an unofficial history of the KGB, and its many predecessors and successors, exists in any language. In this volume, the author deals with the origins of the KGB from the Tsarist Okhrana (the first Russians secret political police) to the OGPU, Joint State Political Directorate, one of the KGB predecessors between 1923 and 1934. Based on documents from the Russian archives, the author clearly demonstrates that the Cheka and GPU/OPGU were initially created to defend the revolution and not for espionage. The Okhrana operated in both the Russian Empire and abroad against the revolutionaries and most of its operations, presented in this book, are little known. The same is the case with regards to the period after the Cheka was established in December 1917 until ten years later when Trotsky was expelled from the Communist Party and exiled, and Stalin rose to power. For the long period after the Revolution and up to the Second World War (and, indeed, beyond until the death of Stalin) the Cheka's main weapon was terror to create a general climate of fear in a population. In the book, the work of the Cheka and its successors against the enemies of the revolution is paralleled with British and American operations against the Soviets inside and outside of Russia. For the first time the creation of the Communist International (Comintern) is shown as an alternative Soviet espionage organization for wide-scale foreign propaganda and subversion operations based on the new revelations from the Soviet archives Here, the early Soviet intelligence

operations in several countries are presented and analyzed for the first time, as are raids on the Soviet missions abroad. The Bolshevik smuggling of the Russian imperial treasures is shown based on the latest available archival sources with misinterpretations and sometimes false interpretations in existing literature revised. After the Bolshevik revolution, Mansfield Smith-Cumming, the first chief of SIS, undertook to set up "an entirely new Secret Service organization in Russia". During those first ten years, events would develop as a non-stop struggle between British intelligence, within Russia and abroad, and the Cheka, later GPU/OGPU. Before several show "spy trials" in 1927, British intelligence networks successfully operated in Russia later moving to the Baltic capitals, Finland and Sweden while young Soviet intelligence officers moved to London, Paris, Berlin and Constantinople. Many of those operations, from both sides, are presented in the book for the first time in this ground-breaking study of the dark world of the KGB
