Overview of "Shotgun Wedding" Movie

"Shotgun Wedding" is a romantic action comedy that combines elements of humor, suspense, and romance. The film stars Jennifer Lopez and Josh Duhamel as a couple whose destination wedding turns into a wild adventure when their guests are taken hostage by pirates. Set against a luxurious tropical backdrop, the movie blends light-hearted romance with thrilling action sequences, making it a unique viewing experience for families who enjoy both genres.

The plot centers around Darcy and Tom, who must work together to save their families and rediscover their love amidst chaos and danger. The movie explores themes of commitment, trust, and family bonds, while also delivering plenty of laughs and unexpected twists. Understanding these elements is crucial for parents who want to gauge whether the movie aligns with their family values and viewing preferences.

Age Appropriateness and Ratings

One of the primary concerns for parents is whether "Shotgun Wedding" is suitable for children of different ages. The film is rated PG-13, indicating that some material may be inappropriate for children under 13. This rating is based on its content, which includes sequences of violence, suggestive material, and language.

Parents should consider the maturity level of their children before allowing them to watch the movie.

Younger viewers may be sensitive to certain scenes or dialogue, while older teens may appreciate the humor and action. Reviewing the rating and content breakdown is essential for making an informed decision.

- PG-13 rating: Parents strongly cautioned
- Suggested for ages 13 and up
- Contains mild to moderate violence
- Features romantic and suggestive themes
- Some strong language present

Mature Content Analysis

Romantic Relationships

The central storyline revolves around the relationship between Darcy and Tom, with several romantic scenes and discussions about marriage and commitment. While most of the romance is light-hearted and comedic, there are moments of intimacy that may prompt questions from younger viewers.

Suggestive Material

"Shotgun Wedding" includes suggestive humor and dialogue, as well as scenes where characters are seen in revealing attire. Although the film avoids explicit sexual content, parents should be aware of innuendo and flirting that may not be suitable for all ages.

Violence and Action Elements

Action Sequences

The movie features several action-packed scenes, including gunfire, explosions, and physical confrontations. While the violence is generally stylized and intended for comedic effect, some moments may be intense for younger viewers.

Peril and Hostage Situations

A significant portion of the film involves the wedding party being held hostage by pirates. The suspense and danger are balanced with humor, but parents should be prepared for scenes depicting fear, threats, and escape attempts.

Language and Dialogue

Profanity

The dialogue in "Shotgun Wedding" contains occasional use of strong language, including mild profanity and slang. While not excessive, these moments contribute to the PG-13 rating and may be notable for families sensitive to language in media.

Humor and Sarcasm

Much of the movie's appeal comes from witty banter and sarcastic exchanges between characters.

The humor is generally suitable for teens and adults, but younger children may not fully grasp the jokes or may repeat language heard in the film.

Romantic Themes and Sexual Content

Physical Affection

Characters engage in kissing, embracing, and flirtatious behavior throughout the movie. These romantic interactions are integral to the plot but are portrayed in a manner consistent with mainstream romantic comedies.

Sexual Innuendo

The film includes sexual innuendo and jokes, typically delivered in a comedic context. While there are no explicit sex scenes, parents should consider the level of maturity and comfort of their children with such content.

1. Flirtatious exchanges between main characters
2. References to wedding night and marital intimacy
3. Comedic misunderstandings about relationships

Positive Messages and Educational Value

Family and Relationships

Despite the chaos, "Shotgun Wedding" emphasizes the importance of family bonds, teamwork, and communication. The characters must overcome differences and work together to overcome adversity, reinforcing positive messages for viewers.

Problem-Solving and Teamwork

The protagonists demonstrate resourcefulness and quick thinking in challenging situations. The film provides examples of collaboration and resilience, which can be valuable discussion points for families after viewing.

Parental Guidance Tips

Preparing for Family Viewing

Before watching "Shotgun Wedding," parents are encouraged to preview the film or read detailed reviews to anticipate any concerns. Discussing themes and content with children beforehand can reduce surprise or discomfort during viewing.

Discussion Topics

Consider having conversations about relationships, trust, and conflict resolution, as these are central to

the movie's plot. Address any questions about violence, language, or romantic content openly to promote understanding and responsible media consumption.

- Talk about healthy relationships and communication
- Discuss handling stressful or dangerous situations
- Reinforce respect for others and boundaries

Cast and Character Overview

Main Cast

"Shotgun Wedding" features a talented ensemble, including Jennifer Lopez as Darcy, Josh Duhamel as Tom, and supporting roles by Jennifer Coolidge, Lenny Kravitz, and Cheech Marin. The characters bring humor, energy, and heart to the story.

Character Dynamics

The interactions between family members and guests add depth to the narrative. The diverse cast provides a range of personalities, perspectives, and comedic moments, making the movie engaging for a broad audience.

Frequently Asked Questions

Q: What is the age recommendation for "Shotgun Wedding"?

A: "Shotgun Wedding" is rated PG-13 and recommended for viewers 13 years and older due to violence, suggestive material, and language.

Q: Are there any intense or scary scenes in the movie?

A: Yes, the film features action sequences and hostage situations that may be intense for younger viewers, but these are balanced with comedic elements.

Q: Is there explicit sexual content in "Shotgun Wedding"?

A: No, the movie contains suggestive humor and sexual innuendo but does not have explicit sexual scenes.

Q: How much profanity is present in the film?

A: The movie includes mild to moderate profanity and slang, contributing to its PG-13 rating.

Q: Is "Shotgun Wedding" suitable for a family movie night?

A: The film is suitable for families with older children and teens. Parents should consider the maturity and sensitivity of their children to violence, language, and suggestive material.

Q: What positive messages does the movie promote?

A: "Shotgun Wedding" highlights teamwork, family bonds, problem-solving, and the importance of communication in relationships.

Q: Who are the main actors in "Shotgun Wedding"?

A: The main cast includes Jennifer Lopez, Josh Duhamel, Jennifer Coolidge, Lenny Kravitz, and Cheech Marin.

Q: Are there any educational or discussion-worthy themes in the movie?

A: Yes, parents can discuss relationship dynamics, conflict resolution, and handling stressful situations after watching the film.

Q: What is the primary genre of "Shotgun Wedding"?

A: The movie is a romantic action comedy, blending romance, humor, and thrilling adventure.

Q: Should parents watch the movie first before showing it to children?

A: It is advisable for parents to preview the movie or consult detailed guides to ensure it aligns with their family's viewing preferences and values.

Shotgun Wedding Parents Guide: Navigating the Unexpected

Finding out your child is expecting a baby, especially unexpectedly, can be overwhelming. If that news is accompanied by the announcement of a "shotgun wedding," the emotions are likely amplified tenfold. This shotgun wedding parents guide provides essential advice and support to help you navigate this complex situation with grace and understanding. We'll address the emotional rollercoaster, offer practical steps for support, and provide strategies for fostering healthy family relationships amidst the whirlwind. This guide aims to equip you with the tools to navigate this unique challenge and help your child build a strong foundation for their future family.

Understanding the Emotional Landscape

The initial reaction to a shotgun wedding announcement is often a mix of shock, disappointment, anger, and even fear. It's crucial to acknowledge these emotions, both your own and your child's.

Processing Your Feelings:

Don't underestimate the emotional weight of this news. Allow yourself time to process your feelings. Talking to a trusted friend, family member, or therapist can provide invaluable support during this challenging period. Suppressed emotions can negatively impact your ability to offer constructive support to your child.

Empathy and Understanding:

While your initial reaction might be disapproval, try to approach the situation with empathy. Your child is likely experiencing a range of intense emotions, from fear and anxiety to excitement and perhaps even regret. Remember, they are facing a significant life change, and your support is crucial.

Avoiding Judgment:

Judgmental language and actions will likely create distance and hinder communication. Focus on

offering unconditional love and support, even if you disagree with their choices. Remember, your goal is to guide and support, not to control.

Practical Steps for Support

Beyond emotional support, practical assistance is often needed in the midst of a shotgun wedding.

Financial Assistance:

A shotgun wedding often necessitates immediate financial planning. Consider offering financial assistance, if possible, to help cover wedding costs, initial childcare expenses, or even a down payment on a home. However, establish clear boundaries and expectations regarding any financial support to avoid resentment.

Wedding Planning Assistance:

Offer practical help with wedding planning. This could involve helping with venue selection, guest lists, or even coordinating vendors. While your child should make the ultimate decisions, your assistance can ease the pressure and ensure a smoother process.

Pre-Marital Counseling:

Strongly encourage pre-marital counseling. This isn't about judging their relationship but equipping them with the tools to navigate the challenges of marriage and parenthood. A therapist can provide guidance on communication, conflict resolution, and building a strong foundation for their relationship.

Fostering Healthy Family Relationships

The arrival of a grandchild and a new marriage can significantly impact family dynamics.

Open Communication:

Maintain open and honest communication with your child and their partner. Regular conversations about their plans and challenges are vital for building trust and providing ongoing support.

Setting Boundaries:

Establish healthy boundaries. While offering support, it's crucial to maintain your own independence and not overstep. Respect their decisions and avoid imposing your opinions excessively.

Accepting the New Family Dynamic:

Embrace the new family dynamic. Your role might shift from parent to grandparent, requiring adaptation and acceptance. Focus on building a strong and loving relationship with your grandchild, even if the circumstances weren't ideal.

Navigating Potential Conflicts

Disagreements are inevitable. Knowing how to address them constructively is key.

Mediation:

If conflicts arise, consider seeking mediation from a neutral third party. A mediator can help facilitate communication and find solutions that work for everyone involved.

Focusing on Solutions:

Instead of dwelling on disagreements, focus on finding solutions. Collaboratively address challenges and work towards mutually acceptable outcomes.

Maintaining Respect:

Regardless of disagreements, maintain respect for your child and their partner. Respectful communication is fundamental to maintaining healthy relationships.

Conclusion

A shotgun wedding presents unique challenges, but with understanding, support, and open communication, families can navigate this period successfully. By focusing on empathy, providing practical assistance, and establishing healthy boundaries, you can help your child build a strong foundation for their future family. Remember, your role is to support and guide, not to control. Your love and unwavering support will be crucial during this transformative time in their lives.

FAQs

Q1: Should I pay for the entire wedding? A: While offering financial assistance is commendable, it's crucial to set clear boundaries and expectations. Discuss a budget collaboratively and offer support within your financial capabilities.

Q2: What if I strongly disapprove of the marriage? A: Express your concerns calmly and respectfully. However, ultimately, it's your child's decision. Focus on offering support in other ways, even if you don't fully agree with their choice.

Q3: How can I help my child prepare for parenthood? A: Offer practical assistance like childcare resources, parenting classes, or books. Be a supportive presence without being overbearing.

Q4: What if my child's relationship is volatile? A: Encourage pre-marital counseling to equip them with conflict resolution skills. Be observant and offer support without interfering excessively.

Q5: How do I balance my support with maintaining my own well-being? A: Prioritize self-care. Engage in activities that help you manage stress and maintain emotional balance. Seeking support from friends, family, or a therapist is crucial during this challenging period.

shotgun wedding parents guide: *The Expert's Guide to Driving a Man Wild* Jessica Clare, 2014-01-07 Being out of control... The product of a rigid upbringing, Brenna has grown into a sexy free spirit who does things her way. No possessions, no debt, no man, and no rules to tie her down. And if she has to work, what better way than as assistant in a wilderness expedition team? So many opportunities to go wild. ...can be risky when you're falling in love. One person who doesn't "get" Brenna is her boss, Grant. He prefers order and emotions kept in check, which means Brenna loves to push his boundaries. He'd be impossible to work for if he wasn't so infuriatingly hot. But when his overbearing, matchmaking mother arrives in town, Brenna volunteers to be Grant's pretend girlfriend. After all, it's the perfect opportunity to drive Grant crazy at every turn. Brenna's just a little surprised when Grant agrees to her wild, impulsive schemes. And she's more than a little surprised when their games take them to the bedroom...

shotgun wedding parents guide: *The Financial Guide for the Single Parent* Larry Burkett, 1997 Whether man or woman, divorced, widowed or never wed, single parents face unique financial problems. Financial expert Larry Burkett helps you make a budget, find housing, buy a car, and deal with court battles by sharing biblically-based advice.

shotgun wedding parents guide: *The War on Choice* Gloria Feldt, 2007-12-18 An eye-opening look at the right-wing strategy to reverse the gains American women have made, chronicling the actions at the highest levels of government to turn back the clock on women's rights. With religious extremists in key decision-making posts and our federal judiciary filled with appointees whose values are drastically out of step with the pro-choice sentiments of the majority of the American people, abstinence-only sex education is now the rule, ideology has trumped science in domestic and global health policy, and reproductive freedoms are perilously close to toppling. But while many of the individual facts are known, no one until now has connected all the dots and drawn the Big Picture that shows exactly how radical and how successful this quiet revolution has been. Judge by judge, law by law, and appointee by appointee, *The War on Choice* speaks the truth about what is happening, and also tells the stories of some of the women whose lives have been affected by these court decisions and federal policies. Combined with a hands-on plan of action for those who want to raise their voices in protest, this book will be riveting reading. And there is no one better equipped to write about the insidious, step-by-step chipping away of rights, or about what we can do to fight back, than Gloria Feldt, president of Planned Parenthood Federation of America. Her thirty years of work with the organization combined with her personal experience—as a woman who came out of the same West Texas political landscape as did George W. Bush but faced a very different economic and social reality as the mother of three children by the age of twenty—make her the ideal spokeswoman for those who are alarmed by the current political climate. This book will be a wake-up call, describing in jaw-dropping detail the story of what the anti-choice movement is doing to the rights to birth control, abortion, and privacy.

shotgun wedding parents guide: Complete Child Care in Body and Mind Isaac Newton Kugelmass, 1959

shotgun wedding parents guide: *A Gentleman Walks Down the Aisle* John Bridges, Bryan Curtis, 2011-05-02 This guide will shape even the most baffled groom into a well-mannered gentleman, from engagement party to reception and every blessed event in between. He may not have been dreaming of this magical day since childhood, but a groom's role in his wedding is as important as his bride's. This guide will shape even the most baffled groom into a well-mannered gentleman, from engagement party to reception and every blessed event in between. Authors John Bridges and Bryan Curtis even offer advice for every male member of the wedding party. Fathers, groomsmen, ring bearers, and guests, take note! Bridges and Curtis have included everything a gentleman should know to skillfully assume his role at a wedding. He will learn: How not to propose The truth about bachelor parties Who pays for what Tips for a pitch-perfect toast How to calm an indignant mother-in-law When to stay quiet and when to speak up Dozens of phrases a gentleman should never utter What to wear and when to wear it The secret to a perfect thank-you note Don't let the blur of tux fittings, place settings, family gatherings, and monogramming overwhelm the simple objective of a wedding. *A Gentleman Walks Down the Aisle* will help him understand the delicate art of being a man on one of life's most important days. The groom and his fellow gentlemen may find themselves left to their own devices as the wedding day approaches, but their role is every bit as important as arranging the flowers or selecting the font for the wedding invitations. For the groom, the fathers of the bride and groom, the best man, the groom's attendants, and even the gentleman who participates in the celebration merely as a guest, this book explains what to do, where to stand, what to wear, and what to say.

shotgun wedding parents guide: THE BOOK OF JAZZ - A Guide to the Entire Field

Leonard Feather, 2017-02-07 ORIGINAL DESCRIPTION (1957) - Jazz at last has matured to a full-fledged art, not only in this country, hut throughout the world as well. What has been known as an American folk music is now becoming an international form of expression, with artists in all countries constantly exchanging ideas and expanding the limits of their medium. No longer is it possible for the well-informed person, the person interested in the latest developments in the art world, to relegate jazz to the realm of simple, untutored, dance-hall music. Leonard Feather, author of the famous Encyclopedia of Jazz series, has written this hook for the widest possible audience—from the newcomer to the field who asks the basic, most-difficult-to-answer question, "What is jazz?," to the jazz musician himself (one of whom recently asked, "Who is Bessie Smith?"). Here is a guide to jazz in all its phases: its nature, its sources, instruments, sounds, performers-and the future of jazz.A large part of the book consists of chapters devoted to the story of the role played by each instrument and its major performers. Each history begins with a non-technical discussion of the instrument itself: its function, its range, how it was first used and how it is now used in jazz. It goes on to tell about the artists themselves and how they developed the instrument, their special contribution and their relative importance in the entire world of jazz. From this unique approach emerges a clear and fascinating picture of jazz.The section titled "The Anatomy of Improvisation presents for the first time actual musical illustrations of the jazz improvisations of 15 of the great soloists from Louis Armstrong and Benny Goodman to Art Tatum, Lester Young and Dizzy Gillespie. Each solo is studied in detail and with a clarity as enlightening to the listener as to the musician. These solos lead into a unique analysis of the nature of jazz —its harmony, rhythm and structure—and show how it has evolved from the music of the earliest days through ragtime, swing and hop to the latest innovations.In chapters devoted to the origins of jazz, the new evidence is bound to gain the attention of the entire jazz world. Drawing on conversations with musicians from various parts of the country, this section sheds new light on the particular places where jazz was first played. By exploring the sources, it reveals why jazz had its beginnings in the United States and

what musical influences and social forces combined to produce this music. In a chapter entitled "Jazz and Race," the whole story of racial discrimination in jazz is presented in unprecedented detail. It tells of the early segregation in bands, of the gradual breaking down of the color barriers first by the musicians themselves and then by the public, and of the problems still to be resolved. To this illuminating guide, Leonard Feather brings his many years of experience in the jazz field both as critic and musician. For the person who has long sought a true guide to the enthralling world of jazz; for the student, the fan and the musician to whom jazz is an exciting territory, *THE BOOK OF JAZZ* provides the much-needed succinct story of this important new art form of the twentieth century.

shotgun wedding parents guide: *The Queer Parent's Primer* Stephanie A. Brill, 2001 When a family is headed by two women, which one is the mommy? If two dads show up at the soccer game, what do you tell your teammates? As families evolve into new constellations, the practical challenges attached to raising children are enormous. There may be custody disputes, public queer-bashing, and other forms of homophobic intolerance that the whole family is forced to endure. This empathetic guide offers gay and lesbian parents some real-life parenting solutions to the many obstacles they encounter. Through examples and interactive exercises, author Stephanie Brill encourages parents to think their way through conflict, and find ways to define and protect their family, and nourish a proud and loving household. There is plenty of concrete advice to help readers present their families with pride, and to teach children to resist gender stereotyping. The author deftly handles loaded issues such as coming out, finding culturally sensitive childcare and making decisions about spirituality and family celebrations. The special concerns of single parents and the complications of breaking up are addressed as well.

shotgun wedding parents guide: The Time-Life Family Legal Guide , 1971

shotgun wedding parents guide: Multicultural Counseling with Teenage Fathers Mark S. Kiselica, 1995-08-03 An up-to-date and in-depth guide for dealing with teenage fathers, this volume provides a framework for responding to not only the general but also the culturally specific needs of any given unwed teen father. Offering perceptive solutions, the author significantly contributes to the existing literature on how to help teenage men who face unplanned, out-of-wedlock fatherhood by providing clear and concise guidance within the web of legal, family, and personal issues surrounding teenage fatherhood. The book examines the role of the teenage father's relationships - to his parents, his child, the mother of his child and her parents, and his peers - as they relate to his adjustment and changing worldview. While sensitive to cultural considerations, Mark S. Kiselica illuminates ways in which to encourage teenage fathers to take control of their lives and act responsibly regardless of cultural background.

shotgun wedding parents guide: Albion's Seed David Hackett Fischer, 1991-03-14 This fascinating book is the first volume in a projected cultural history of the United States, from the earliest English settlements to our own time. It is a history of American folkways as they have changed through time, and it argues a thesis about the importance for the United States of having been British in its cultural origins. While most people in the United States today have no British ancestors, they have assimilated regional cultures which were created by British colonists, even while preserving ethnic identities at the same time. In this sense, nearly all Americans are Albion's

Seed, no matter what their ethnicity may be. The concluding section of this remarkable book explores the ways that regional cultures have continued to dominate national politics from 1789 to 1988, and still help to shape attitudes toward education, government, gender, and violence, on which differences between American regions are greater than between European nations.

shotgun wedding parents guide: Parents' Magazine , 1948

shotgun wedding parents guide: Reader's Digest Family Legal Guide , 1981 Defines legal terms and phrases, uses case studies to explain concepts, gives advice on bankruptcy, divorce, estate planning, and taxes, and includes information on state laws.

shotgun wedding parents guide: It's Not About Me Ken Hinkley, 2020-03-20 Many married people wish their union could be better. Nothing seems to go the way they want or thought it would. There are too many fights and too few compliments; there is not enough respect and too much criticism; and there is not enough intimacy. Marriage certainly is not like a fairytale book. In *It's Not about Me: A Guide to an Amazing Marriage*, author and pastor Ken Hinkley helps couples discover why marriages suffer, and he offers ways to improve relationships. Using a host of examples, he takes an in-depth look at intimate relationships before and during a marriage, demonstrating the differences among the attitudes, actions, and consequences of "living for me" in contrast to living for others. Covering a range of topics from dating to trust to careers and children, *It's Not about Me* provides insights on how to overcome difficulties in a marriage and shows couples how they can make their marriage look and feel like it was made in heaven.

shotgun wedding parents guide: Let's Elope Scott Shaw, 2008-12-10 Can't cope? Elope! Admit it. You always thought eloping sounded kind of romantic, right? Too bad everyone expects you to have The Big Wedding -- the kind you always thought you wanted. So now that you're engaged and knee-deep in wedding planning, why are you secretly wishing you could just fly off to a tropical island and say your I do's in your bathing suit? Well, you can! There are many different ways to elope -- and not all of them involve running off in the middle of the night. These days, eloping is anything other than a traditional wedding -- from a steps-of-city-hall ceremony with just the two of you, to a fun-filled destination wedding with your family and closest friends. *Let's Elope* is filled with creative ideas for exchanging your vows in a memorable, personalized way that won't necessarily cost you a fortune -- or your sanity. *Let's Elope* includes: * A brief history of weddings -- and why people first began to elope * A quiz to help you decide if eloping is right for you * Inspiring anecdotes from real-life couples who chose to opt out of a traditional wedding * Elopement etiquette, including how to break the news to your family and friends * Information on how to plan destination weddings, country weekend weddings, and surprise weddings * Up-to-the-minute addresses, phone numbers, and Web sites for the world's top elopement spots * Tons of ideas about what to do with all the money you saved! From the Trade Paperback edition.

shotgun wedding parents guide: Secrets of The National Archives Richard Taylor, The National Archives, 2014-10-30 The National Archives is one of the most remarkable collections of documents in the world, holding over 120 miles of papers. In 2010 the staff at the Archives were asked to select their favourite document. The results of this poll form the basis of this book, skilfully curated by bestselling author Richard Taylor. Each of the documents has a timeless quality, acting as a true testament to a moment in history. The Magna Carta is a document sealed in a damp field in Surrey, yet is deferred to centuries later by Governments and Courts around the world; a parchment letter written by a terrified young girl pleading for her life paves the way for the girl to become Elizabeth I; the first example of musical notation is discovered on the back of another document; the actual telegram sent from a sinking Titanic remains heart-rending today; a ship's log written by Captain Cook, at anchor in Botany Bay, records his first encounter with Australian Aborigines. Far from being dusty documents from the past, these papers twinkle with life and resonate powerfully today. Fully illustrated, this book allows us to glimpse history as it really happened.

shotgun wedding parents guide: Adopting for Good Jorie Kincaid, 1997-01-01 There are many children who need parents. This book will show you how to find the child who needs you--whether you are single, infertile or medically prohibited from having a child, or just looking for

the boy or girl you've always wanted. Author Jorie Kincaid is an adopted child herself, and she and her husband, Ron, have adopted children both domestically and internationally. In this practical guidebook she provides all the information you need to decide whether adoption is for you and to begin working through the adoption process. You'll find out how adoption works both domestically and internationally, learn the differences between open and closed adoption, and explore the steps you can take to make adoption permanent. Kincaid offers advice on special adoption needs for older children and children from other countries, cultures and races. She also helps you wrestle with ethical questions like When does adoption become 'buying a baby'? If you are considering adoption or if you are already in the midst of adopting a child, here is an encouraging and helpful resource you'll turn to again and again. If you're curious about whether adoption is right for you, here is experienced counsel to help you make a wise decision.

shotgun wedding parents guide: Subject Guide to Books in Print, 2001

shotgun wedding parents guide: Leonard Maltin's Family Film Guide Leonard Maltin, 1999 Recognized as one of the leading authorities on American film, Leonard Maltin is also a parent who is aware of the differences between a child's and critic's perspective on films. Each film listed includes its MPAA rating, an explanation of that rating, category, and the author's own rating system of whether or not a film is good, bad, or okay for both older and younger children. Leonard Maltin's film essays bring families together to create movie experiences that both parents and children can enjoy.

shotgun wedding parents guide: Between the Covers Margo Hammond, Ellen Heltzel, 2008-11-11 With wit and wisdom, the bibliophile's Ebert & Roeper recommend more than 600 books based on what women care about most. Between the Covers is organized around their wide-ranging curiosity—about themselves, friends and family, the larger world—and their concerns, from health to sex to managing their finances. With such sections as “Babes We Love” (Role Models Real and Imagined), “The Babe Inside” (Focusing on Body and Soul), and “Love, Sex & Second Chances,” this unique collection of fiction and nonfiction reflects how women really read.

shotgun wedding parents guide: A Walking Miracle Richard Donald Pietz, 2010-04-14 A Walking Miracle, primarily written for the author's children, is a collection of personal stories revealing the life and times of a youngster growing up from the rural northern plains to the southern city streets. From the college campus to life in the military during the Vietnam crisis. Surviving several close calls with the grim reaper leads the author to the conclusion that anyone reaching the age of twenty five is a walking miracle. Part two contains stories from his father, a WW I diary kept by his grandfather, and a diary from the time of his great, great grandfather.

shotgun wedding parents guide: Understanding Jesus Stephen M. Miller, 2013-02-01 He's the most important person in human history—and Understanding Jesus: A Guide to His Life and Times makes His teaching and impact clearer than ever. More than any other Bible character, Jesus is the person both Christians and non-Christians admire and want to better understand. From Stephen M. Miller, author of the bestselling Who's Who and Where's Where in the Bible, this black-and-white paperback reference details the life of Christ, His teachings, and the faith He introduced to the world. You'll love Miller's casual, easy-to-read journalistic style, as he sets the story in the Roman world where Jesus lived, adding new insights from archaeology and ancient history. Fascinating sidebars and a complete topical index round out this important book.

shotgun wedding parents guide: Kids Who Commit Crimes Keith Melville, Public Agenda Foundation Staff, Kettering Foundation Staff, 1994-08

shotgun wedding parents guide: Brushing the World Famous Hanh Nguyen, 2005 This is an autobiography which covers a young and adult age full of stories about fighting in wars, hunting, fishing in the wild, life in a coffee plantation, a career both national and international, with cooperation with many leaders of the world. A span of history about the relations between Vietnam, France, the U.S., Japan and many European and Asian countries, not known neither to the Vietnam public, nor to the outside world. Many secret stories.

shotgun wedding parents guide: Blending Families Elaine Fantle Shimberg, 1999-04-01

Today more Americans are part of a second-marriage family than a first. Inevitably, these newly blended stepfamilies will be confronted by their own special problems and needs. This insightful problem-solving guide offers solid solutions--and includes real-life stories from families who've been through the adjustment process. Written by an award-winning author who specializes in health and family care, the book covers a wide range of issues--emotional, financial, disciplinary, and interpersonal. Naturally, there is no one-size-fits-all solution for second-marriage families. Each is unique, with its own composition, personalities, and problems. But with patience and understanding, this new family can work, live, and eventually love--together. Includes special sections on: * Family communication * Former spouses * Grandparents and step-grandparents * Juggling households * Commuting children * Discipline * School issues * Family customs and rituals * Religious differences * Reducing stress * Adult time * Money issues * Holiday planning * Vacations * Curfews and other rules
