society boutique columbus wi: The 48 Laws of Power Robert Greene, 2023-10-31 Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control – from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in

total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

"Rapinoe's 'signature pose' from the 2019 FIFA Women's World Cup is synonymous to the feeling we got when finishing this book: heart full, arms wide and ready to take up space in this world."—USA Today Megan Rapinoe, Olympic gold medalist and two-time Women's World Cup champion, reveals for the first time her life both on and off the field. Guided by her personal journey into social justice, brimming with humor, humanity, and joy, she urges all of us to ask ourselves, What will you do with your one life? Only four years old when she kicked her first soccer ball, Megan Rapinoe developed a love - and clear talent - for the game at a young age. But it was her parents who taught her that winning was much less important than how she lived her life. From childhood on, Rapinoe always did what she could to stand up for what was right—even if it meant going up against people who disagreed. In *One Life*, Megan Rapinoe invites readers on a remarkable journey, looking back on both her victories and her failures, and pulls back the curtain on events we know only from the headlines. After the 2011 World Cup, discouraged by how few athletes were open about their sexuality, Rapinoe decided to come out publicly as gay and use her platform to advocate for marriage equality. Recognizing the power she had to bring attention to critical issues, in 2016 she took a knee during the national anthem in solidarity with former NFL player Colin Kaepernick to protest racial injustice and police brutality—the first high-profile white athlete to do so. The backlash was immediate, but it couldn't compare to the overwhelming support. Rapinoe became a force of change. Here for the first time, Rapinoe reflects upon some of the most pivotal moments in her life and career - from her realization in college that she was gay, through the disputes with soccer coaches and officials over her decision to kneel, to the first time she met her now-fiancé WNBA champion Sue Bird, and up through suing the US Soccer Federation over gender discrimination and equal pay. Throughout, Rapinoe makes clear the obligation we all have to speak up, and the impact each of us can have on our communities. Deeply personal and inspiring, *One Life* reveals that real, concrete change lies within all of us, and asks: If we all have the same resource—this one precious life, made up of the decisions we make every day—what are you going to do? *One Life* makes it clear that Rapinoe's greatest accomplishments may ultimately come away from the soccer pitch. She's a new kind of American hero.—San Francisco Chronicle

society boutique columbia wi: *That Time of Year* Garrison Keillor, 2020-12-01 With the warmth and humor we've come to know, the creator and host of *A Prairie Home Companion* shares his own remarkable story. In *That Time of Year*, Garrison Keillor looks back on his life and recounts how a Brethren boy with writerly ambitions grew up in a small town on the Mississippi in the 1950s and, seeing three good friends die young, turned to comedy and radio. Through a series of unreasonable lucky breaks, he founded *A Prairie Home Companion* and put himself in line for a good life, including mistakes, regrets, and a few medical adventures. PHC lasted forty-two years, 1,557 shows, and enjoyed the freedom to do as it pleased for three or four million listeners every Saturday at 5 p.m. Central. He got to sing with Emmylou Harris and Renée Fleming and once sang two songs to the U.S. Supreme Court. He played a private eye and a cowboy, gave the news from his hometown, Lake Wobegon, and met Somali cabdrivers who'd learned English from listening to the show. He wrote bestselling novels, won a Grammy and a National Humanities Medal, and made a movie with Robert Altman with an alarming amount of improvisation. He says, "I was unemployable and managed to invent work for myself that I loved all my life, and on top of that I married well."

That's the secret, work and love. And I chose the right ancestors, impoverished Scots and Yorkshire farmers, good workers. I'm heading for eighty, and I still get up to write before dawn every day."

society boutique columbia wi: The Ruthless Elimination of Hurry John Mark Comer, 2019-10-29 ECPA BESTSELLER • A compelling emotional and spiritual case against hurry and in favor of a slower, simpler way of life "As someone all too familiar with 'hurry sickness,' I desperately needed this book."—Scott Harrison, New York Times best-selling author of *Thirst* "Who am I becoming?" That was the question nagging pastor and author John Mark Comer. Outwardly, he appeared successful. But inwardly, things weren't pretty. So he turned to a trusted mentor for guidance and heard these words: "Ruthlessly eliminate hurry from your life. Hurry is the great enemy of the spiritual life." It wasn't the response he expected, but it was—and continues to be—the answer he needs. Too often we treat the symptoms of toxicity in our modern world instead of trying to pinpoint the cause. A growing number of voices are pointing at hurry, or busyness, as a root of much evil. Within the pages of this book, you'll find a fascinating roadmap to staying emotionally healthy and spiritually alive in the chaos of the modern world.

society boutique columbia wi: The Lake Wobegon Virus Garrison Keillor, 2020-09-08 Bestselling author and humorist Garrison Keillor returns to one of America's most beloved mythical towns, beset by a contagion of alarming candor. A mysterious virus has infiltrated the good people of Lake Wobegon, transmitted via unpasteurized cheese made by a Norwegian bachelor farmer, the effect of which is episodic loss of social inhibition. Mayor Alice, Father Wilmer, Pastor Liz, the Bunsens and Krebsbachs, formerly taciturn elders, burst into political rants, inappropriate confessions, and rhapsodic proclamations, while their teenagers watch in amazement. Meanwhile, a wealthy outsider is buying up farmland for a Keep America Truckin' motorway and amusement park, estimated to draw 2.2 million visitors a year. Clint Bunsen and Elena the hometown epidemiologist to the rescue, with a Fourth of July Living Flag and sweet corn feast for a finale. In his newest Lake Wobegon novel, Garrison Keillor takes us back to the small prairie town where for so long American readers and listeners have found laughter as well as the wry airing of our foibles and most familiar desires and fears—a town where, as we know, all the women are strong, all the men are good-looking, and all the children are above average.
