Understanding Salvation Army Prices

Salvation Army prices are structured to provide affordable shopping options while supporting the organization's charitable missions. Unlike traditional retailers, The Salvation Army relies on donated goods, which leads to a wide range of item conditions, brands, and price points. Pricing is determined by store managers and staff, who assess each item's value, quality, and demand. The purpose is to make everyday necessities accessible to a broad audience while generating revenue for community programs and social services. Prices are typically posted on tags or signs throughout the store, and may be updated regularly based on inventory turnover and seasonal trends.

Factors Influencing Salvation Army Pricing

Numerous factors contribute to the determination of Salvation Army prices. Understanding these elements can help shoppers anticipate what to expect on their next visit and identify the best bargains.

Condition and Quality

Items in excellent or like-new condition often command higher prices than those showing signs of wear. Brand-new items with original tags, premium labels, and high-quality craftsmanship are priced accordingly to reflect their value.

Brand and Demand

Brand-name merchandise, designer labels, and high-demand items typically have higher price tags. Popular brands in clothing, electronics, or furniture may be specially marked to attract both collectors and everyday shoppers seeking quality at a lower price.

Category and Rarity

The type of item and its rarity can significantly impact its price. Unique vintage pieces, antiques, or hard-to-find collectibles may be appraised individually and priced accordingly.

Store Location and Regional Economy

Salvation Army stores in economically robust areas or urban settings may have slightly higher prices compared to those in smaller towns or rural regions, reflecting local market conditions and operating costs.

- Item condition and appearance
- Brand and manufacturer
- Demand and seasonality
- Store location and neighborhood demographics

- Original retail value and uniqueness

Typical Price Ranges for Popular Categories

When shopping at The Salvation Army, it's helpful to know the average price ranges for common product categories. While prices can vary by location and inventory, the following estimates provide insight into what shoppers can generally expect.

Clothing and Shoes

Salvation Army prices for clothing are among the lowest in the thrift market. Adult shirts, blouses, and pants usually range from \$2 to \$7, while coats and jackets can be priced between \$8 and \$20 depending on the brand and condition. Children's clothing often falls in the \$1 to \$4 range. Shoes typically cost between \$4 and \$10, with designer or specialty footwear occasionally priced higher.

Furniture

Furniture pieces such as sofas, chairs, tables, and dressers can be found at significant discounts compared to retail prices. Small tables and chairs might cost \$10 to \$25, while larger items like couches or bed frames may be priced from \$40 to \$150, depending on style, condition, and material.

Household Goods and Electronics

Dishes, cookware, and small appliances at The Salvation Army generally range from \$1 to \$15. Electronics, including TVs, audio equipment, and computers, are priced based on age, functionality, and brand. Most small electronics fall between \$8 and \$35, with some higher-end items reaching \$50 or more.

Books, Media, and Toys

Books are typically priced at \$1 to \$3 each, while DVDs, CDs, and records may range from \$1 to \$5. Toys and games, depending on size and complexity, usually cost between \$2 and \$10.

Comparing Salvation Army Prices to Other Thrift Stores

Salvation Army prices are often compared to those at Goodwill, Value Village, and other local thrift shops. Generally, The Salvation Army is known for competitive pricing and frequent sales events, making it an attractive option for budget-minded shoppers. Unlike some thrift chains that have standardized pricing, The Salvation Army offers more variability, which can lead to greater savings on select items. Additionally, the organization's commitment to community service ensures that proceeds benefit local outreach programs, adding value to every purchase.

Discount Days and Special Offers

The Salvation Army frequently holds discount days and special offers to make shopping even more affordable. These promotions can include colored tag sales, senior discounts, student discounts, and holiday events. Many stores have weekly or monthly sales where specific categories or colored price tags are discounted by 25%, 50%, or even more.

Common Discounts and Promotions

- Color tag sales (rotating weekly or monthly)
- Senior citizen discounts (usually on specific days)
- Student discounts with valid ID
- Holiday sales and clearance events
- Buy-one-get-one (BOGO) offers on select items

These promotions can vary by location, so it's recommended to check with your local store for the latest deals and schedules.

Regional Differences in Salvation Army Pricing

Salvation Army prices can differ across regions due to variations in local demand, supply, and operational costs. Urban stores, particularly in larger cities, may have higher prices than rural or suburban locations. These adjustments help balance inventory and ensure sustainability of charitable

programs in each community. Some regions also adapt their pricing to reflect local economic conditions and consumer expectations.

Tips for Finding the Best Deals at The Salvation Army

Smart shoppers can maximize their savings at The Salvation Army by following a few practical tips. Being strategic about shopping times and knowing how the store operates can make a significant difference in finding the best bargains.

- Visit frequently, as inventory changes daily and new items are constantly added.
- Shop early in the week or right after restocking days for the best selection.
- Take advantage of discount days and color tag promotions.
- Inspect items carefully for condition and functionality before purchasing.
- Sign up for store newsletters or follow social media for updates on sales and events.
- Be patient and willing to browse, as the best deals are often found by those who take their time.

How Donations Influence Salvation Army Prices

Donations are the backbone of Salvation Army thrift stores and play a critical role in determining pricing. A steady stream of quality donations allows stores to offer a wide variety of affordable goods. High donation volumes can result in lower prices due to abundant inventory, while periods of lower donations or high demand may lead to slightly higher prices as stores adjust to market conditions. The diversity and quality of donated items also impact the range of products and price levels available at each location.

In addition, donations directly support the mission of The Salvation Army, as proceeds from sales fund rehabilitation programs, shelter services, disaster relief, and other vital community initiatives.

Q: What are the average Salvation Army prices for clothing?

A: Most adult clothing items at The Salvation Army range from \$2 to \$7, with jackets and coats priced between \$8 and \$20. Children's clothing is typically \$1 to \$4.

Q: How do Salvation Army prices compare to other thrift stores?

A: Salvation Army prices are generally competitive and often lower than other national thrift chains. Prices can vary by location, but frequent promotions and sales provide additional savings.

Q: Are there special discount days at The Salvation Army?

A: Yes, many stores offer color tag sales, senior discounts, student discounts, and holiday promotions. These can provide discounts of 25% to 50% or more on select items.

Q: Why do Salvation Army prices vary by region?

A: Prices are adjusted based on local demand, operational costs, and economic conditions. Urban stores may have higher prices than rural or suburban locations.

Q: What factors influence the price of an item at The Salvation Army?

A: Item condition, brand, demand, rarity, and location all play a role in determining the price. Quality and uniqueness often lead to higher prices.

Q: Are electronics and furniture sold at The Salvation Army tested before sale?

A: Most stores test electronics and ensure furniture is in usable condition before pricing and selling items, but shoppers are encouraged to inspect items before purchasing.

Q: How often does The Salvation Army change its

inventory?

A: Inventory changes daily as new donations are processed and added to the sales floor, providing a constantly fresh selection for shoppers.

Q: Do proceeds from Salvation Army sales support charitable programs?

A: Yes, revenue from thrift store sales funds a variety of Salvation Army programs, including rehabilitation, housing, and disaster relief services.

Q: Can I negotiate prices at The Salvation Army?

A: In most cases, prices are fixed and non-negotiable, but some stores may be open to offers on large items or during clearance events.

Q: What is the best time to shop for the lowest Salvation Army prices?

A: Shopping during discount days, early in the week, or just after restocking increases your chances of finding the best prices and the widest selection.

Salvation Army Prices: A Comprehensive Guide to Thrift Store Shopping

Finding affordable, gently used goods is a smart way to save money and reduce waste. The Salvation Army, with its vast network of thrift stores, is a popular choice for budget-conscious shoppers. But what can you actually expect to pay? This comprehensive guide dives into Salvation Army prices, exploring factors influencing cost, typical price ranges for various items, and tips for finding the best deals. We'll help you navigate the world of Salvation Army shopping and make the most of your thrifting experience.

Understanding Salvation Army Pricing: A Dynamic System

Unlike big-box retailers with fixed pricing, Salvation Army prices are significantly more fluid. Several factors influence the final cost of an item:

1. Item Condition:

This is the most significant factor. Items in excellent condition, with minimal wear and tear, command higher prices than those showing significant damage or significant wear. Think of it like a sliding scale: pristine condition = higher price; heavily worn = lower price.

2. Item Type:

The type of item also plays a crucial role. High-demand items like designer clothing, electronics, or antiques will generally be priced higher than everyday items like kitchenware or books. Rarity and collectability also factor in.

3. Location and Store Size:

Prices can vary depending on the location of the Salvation Army store. Stores in affluent areas may have higher prices due to higher demand and possibly higher-quality donations. Larger stores, with more inventory and competition, might offer slightly more competitive pricing than smaller, rural locations.

4. Seasonal Demand:

Seasonal items, like winter coats in winter or swimwear in summer, will typically be priced higher during peak demand periods. Conversely, you might find better deals on out-of-season items.

5. Sales and Promotions:

The Salvation Army frequently runs sales and promotions, offering discounts on various items. Keep an eye out for advertised sales, or simply ask store staff about current promotions. This is a great

way to snag a bargain.

Typical Price Ranges for Common Items at the Salvation Army

While it's impossible to give exact prices (as it varies wildly based on the factors above), here's a general idea of what you might expect to pay for common items:

Clothing:

Tops & Bottoms: \$2-\$15 (depending on brand, condition, and style). Expect higher prices for name brands or designer labels.

Dresses: \$5-\$30 (similar to tops & bottoms, condition is key).

Coats & Jackets: \$5-\$40 (seasonal variations significantly impact pricing).

Shoes: \$3-\$20 (brand and condition are major price determinants).

Household Goods:

Kitchenware: \$1-\$10 (plates, cups, cutlery are generally inexpensive).

Home Decor: \$2-\$50 (highly variable, depending on the item and its perceived value).

Furniture: \$10-\$200+ (pricing is highly dependent on size, condition, and type of furniture). Larger pieces, naturally, cost more.

Books: \$1-\$5 (generally inexpensive, though rarer or collectible books will cost more).

Electronics:

Pricing for electronics is highly variable and depends greatly on the item's functionality and brand. Testing any electronic item before purchase is essential. Expect a wide range of prices, from a few dollars for smaller, simpler items to upwards of \$50 or more for larger electronics (if they are functional).

Tips for Maximizing Your Savings at Salvation Army Stores

Shop Regularly: Prices and inventory change frequently, so regular visits increase your chances of finding great deals.

Check for Damage: Carefully inspect items before purchasing to identify any flaws that might affect their value or functionality.

Negotiate (politely): While not always successful, politely negotiating, particularly on larger items or items with minor flaws, might yield a lower price.

Utilize Sales: Keep an eye out for sales and promotions to maximize savings.

Bring Cash: Many Salvation Army locations may not accept cards.

Conclusion

Salvation Army prices are dynamic and reflect the condition, type, and demand for various items. While you won't always find rock-bottom prices, you can consistently find affordable, gently used goods. By understanding the factors influencing price and employing a few smart shopping strategies, you can significantly save money while supporting a worthy cause.

Frequently Asked Questions (FAQs)

1. Can I return items to the Salvation Army? Generally, Salvation Army stores do not offer returns or exchanges. Inspect items carefully before purchasing.
2. Does the Salvation Army accept donations of all items? No, the Salvation Army has guidelines on the items they accept as donations. Check their website for a detailed list of accepted items.
3. How often do Salvation Army stores get new inventory? This varies by location, but generally, new inventory is added regularly throughout the week.
4. Do Salvation Army stores price items based on their original retail value? Not directly. While the original value might be a factor, the pricing primarily depends on the condition and current demand for the item.
5. Can I donate items online to the Salvation Army? Some Salvation Army locations might offer online donation scheduling or pickup services, but it varies greatly depending on location. It's best to check with your local branch for specifics.

salvation army prices: Origins of the Salvation Army Norman Murdoch, 2014-09-19 The Salvation Army is today one of the world's best-known and best-regarded religious and charitable movements. In this deeply researched study, Norman Murdoch offers some surprising new insights into the denomination's origins and its growth into an international organization. Murdoch follows the lives and work of the Army's founders, William and Catherine Booth, from their beginnings as Wesleyan evangelists in the 1850s to their inauguration of a Utopian social plan in 1890. In particular, Murdoch identifies quick accommodation to failure as a persistent theme in the Army's early history. When the Booth's East End mission faltered in the mid-1870s, Booth took his preaching to the provincial towns. The failure of that ministry led him in 1878 to reorganize his efforts along then-popular military lines, and the Salvation Army was born. With women as its shock troops, this Christian imperium would spread beyond Britain's boundaries to become as international in scope as Victoria's empire. Challenging various notions popularized in the denomination's official histories, this book will be of special interest to historians of nineteenth-century social reform, scholars of evangelical Protestantism, and readers interested in the relationship between class and religion in the Anglo-American world.

salvation army prices: Christianity in Action Henry Gariepy, 2009-09-15 This meticulously researched yet engaging book traces The Salvation Army's history of service from its beginnings in Victorian England to its present-day mission in all parts of the world. / A phenomenal religious movement, acclaimed for its compassionate service, The Salvation Army now works in no fewer than 118 countries, yet no contemporary book has chronicled this high-profile organization until now. Henry Gariepy's well-written, comprehensive account effectively fills that gap.

salvation army prices: William and Catherine Trevor Yaxley, Carolyn Vanderwal, 2003 A highly readable biography, perfect for students, educators, and social activists, about the couple who founded the Salvation Army.

salvation army prices: Saved to Save and Saved to Serve Harold Hill, 2017-07-24 The Salvation Army has now been around for more than one hundred and fifty years, having celebrated its sesquicentennial in 2015 with an International Congress in London. Over the years both the Army and the world in which it appeared have changed beyond recognition. This is a good time for the movement to stop and look back—not just to celebrate, but to see where it is today. The Army has not evolved in isolation from the world. Bringing its own history with it, it nevertheless belongs to the twenty-first century world as much as William Booth's little East End Mission belonged to nineteenth-century London. This book attempts to explore the interaction between mission and world as it has impacted the Army's beliefs and practices as well as the place it now occupies in the wider world. This critical and analytical study may also be of interest to those beyond the Army's ranks who would like to learn more about this remarkable organization.

salvation army prices: Like a Mighty Army David W Taylor, 2015-02-26 In 1937, prior to the 1948 inauguration of the World Council of Churches, Karl Barth challenged the churches to engage in 'real strict sober genuine theology' in order that the unity of the church might be visibly realized. At that time The Salvation Army didn't aspire to become formally known as a church, even though it was a founding member of the WCC. Today it is globally known as a social welfare organization, concerned especially to serve the needs of those who find themselves at the margins of society. Less well known is that seventy years after Barth's challenge it has made its peace with the view that it is a church denomination. Accepting Barth's challenge to the churches, and in dialogue with his own ecumenical ecclesiology, the concept of the church as an Army is interrogated, in service to The Salvation Army's developing understanding of its identity, and to the visible unity of God's church.

salvation army prices: The Robot in the Next Cubicle Larry Boyer, 2018-08-07 This optimistic and useful look at the coming convergence of automation, robotics, and artificial intelligence, shows how we can take advantage of this revolution in the workplace, crafting robot-proof jobs and not fearing the robocalypse. It's called the Fourth Industrial Revolution--a revolution fueled by analytics and technology--that consists of data-driven smart products, services, entertainment, and new jobs. Economist and data scientist Larry Boyer lays out the wealth of exciting possibilities this revolution

brings as well as the serious concerns about its disruptive impact on the lives of average Americans. Most important, he shows readers how to navigate this sea of change, pointing to strategies that will give businesses and individuals the best chance to succeed and providing a roadmap to thriving in this new economy. Boyer describes how future workers may have to think of themselves as entrepreneurs, marketing their special talents as valuable skills that machines cannot do. This will be especially important in the coming employment climate, when full-time jobs are likely to decrease and industries move toward contract-based employment. He provides guidelines for identifying your individual talents and pursuing the training that will make you stand out. He also shows you how to promote your personal brand to give more exposure to your unique skills. Whether we like it or not, automation will soon transform the work place and employment prospects. This book will show you how to look for and take advantage of the opportunities that this revolution presents.

salvation army prices: Sacraments and the Salvation Army R. David Rightmire, 1990 The emergence of the Salvation Army within the context of Victorian England was theologically a part of the late nineteenth century holiness revival. This book examines the historical and theological influences on William Booth's decision to abandon sacramental practice (1883), and investigates the relationship between the Salvation Army's pneumatology and its non-sacramental theology. By placing the theology of the early Salvation Army in the context of Victorian society, the Wesleyan revival, and the nineteenth century holiness movement, the author interprets Booth's non-sacramental position as the subordination of ecclesiological and sacramental concerns to pneumatological priorities.

salvation army prices: In Darkest England and the Way out General William Booth, 2019-09-25 Reproduction of the original: In Darkest England and the Way out by General William Booth

salvation army prices: Take Time to Be Holy Salvation Army, Samuel Logan Brengle, 2013-09-20 You may know "Take time to be holy" as the first line of a familiar hymn. What you may not realize is that pursuing holiness is also the key to a deeper, more fulfilling relationship with God. Seeking holiness means you desire a life without doubt or fear, a heart that wholly loves and trusts God. Take Time to Be Holy contains classic selections from Samuel Logan Brengle—a man whose writings on personal holiness have been touching hearts and inspiring believers for over a century. This daily devotional will inspire you to take time each day to deepen and enrich your understanding of holiness and how it is available to each of us. Not because we are perfect . . . but because God welcomes our obedient hearts and infuses them with His almighty power and boundless grace. Then we can consistently be and do just what God wants us to be and do. That's holiness. This year, take time to be holy—and you'll be forever changed.

salvation army prices: Marching to Glory Edward H. McKinley, 1995

salvation army prices: The Life & Ministry of William Booth Roger Joseph Green, 2005 Church History/Theology Throughout his life, William Booth sought to minister to the least, the last, and the lost. Booth, together with his wife Catherine, founded and organized the world-wide mission that is still known as The Salvation Army. Booth's focus on the poor and marginalized comes directly from his theological convictions and his relationship with the Methodist movement in Great Britain, particularly his understanding of John Wesley's doctrine of sanctification and emphasis on social activism. This grounding was the matrix from which Booth transformed his world. Dr. Roger J. Green has written a bold, insightful biography of a remarkable man whose legacy continues today in more than one hundred countries of the world. This portrait of an imperfect but dedicated leader will illumine readers and awaken them to a new understanding of William Booth as a thoroughly biblical Christian and adaptable pioneer with a heart that burned for God. Lt. Colonel Marlene Chase, Editor in Chief, Literary Secretary, The Salvation Army National Headquarters Roger Green brilliantly shows how the life of William Booth was shaped by: (1) the early Methodists in England and their commitment to both personal and social holiness, (2) his own poverty, and (3) the organizational genius of John Wesley. This is a valuable book that underscores the link between The Salvation Army and the worldwide Methodist family. It can only deepen our kinship and strengthen our resolve to

more closely work together George H. Freeman, General Secretary, World Methodist Council This biographical study by Roger Green is a wonderfully textured and theologically sensitive portrait of General William Booth. May it enable readers to recognize and emulate Booth's synthesis of vital Christian piety and active social service. Paul W. Chilcote, Professor of Historical Theology & Wesleyan Studies, Asbury Theological Seminary, Orlando, Florida Roger Green gives us remarkable and unprecedented insight into the life of the founder of The Salvation Army, William Booth. His scholarship carefully documents the powerful influence of John Wesley and Wesley's Methodist legacy on General Booth's life, theology, and world-wide ministry. Green gives us a balanced and provocative look into the strengths and flaws of this very human soldier-saint, illuminating the Wesleyan DNA of Booth's legacy, The Salvation Army. Jonathan S. Raymond, Ph.D., President and Vice Chancellor, William & Catherine Booth College, Winnipeg, Manitoba, Canada Roger J. Green is Professor and Chair of Biblical and Theological Studies at Gordon College in Wenham, Massachusetts. He is co-editor of Word and Deed: A Journal of Salvation Army Theology and Ministry. Dr.Green is also a member of the Salvation Army International Doctrine Council.

salvation army prices: Blood and Fire Roy Hattersley, 2017-07-06 An uneducated youth, William Booth left home in 1849 at the age of twenty to preach the gospel for the New Methodist Connexion. Six years later he founded a new religious movement which succeeded to such a degree that the Salvation Army (which it became) is now a worldwide operation with massive membership. But that is only part of Booth's importance and heritage. In many ways his story is also that of the Victorian poor, as he and his wife Catherine made it their lives' work to battle against the poverty and deprivation which were endemic in the mid- to late 1800s. Indeed, it was Catherine who, although a chronic invalid, inspired the Army's social policy and attitude to female authority. Her campaign against child prostitution resulted in the age of consent being raised and it was Catherine who, dying of cancer, encouraged William to clear the slums -- In Darkest England, The Way Out. Roy Hattersley's masterful dual biography is not just the story of two fascinating lives but a portrait of an integral part of our history.

salvation army prices: People, Preferences and Prices Eugene Galanter, Howard Moskowitz, Matthias Silcher, 2011 This book explores a variety of topics that fall in the realm of psychological and behavioral economics. It demonstrates to the reader how to perform straightforward experiments in order to understand how people think about the economic aspects of their daily lives. Behavioral economics is a 'hot new area' of economics and consumer psychology. This book provides a comprehensive guide on consumer research and the types of results required. These approaches are spreading further around the globe, thanks to the work of Dr. Howard Moskowitz, one of the authors of this book, and the incredible succ.

salvation army prices: What Price the Poor? Ann M. Woodall, 2017-05-15 In this fascinating book, Ann Woodall investigates and compares the work and thought of William Booth and Karl Marx, who both arrived in London in 1849. She draws comparisons between their responses to the intractability of the poverty of the 'submerged tenth' of London's population, and argues that Booth's pioneering work in establishing the Salvation Army and the development of Marx's economic theory began in their interactions with the London residuum. Each recognised that much of the suffering was caused by the workings of laissez-faire capitalism and that its total solution required a challenge to the existing economic system. What Price the Poor? raises important questions about the relationship between theological discourse and the sociological imagination, and it firmly places the development of theoretical and practical social analysis and application within the context of social history. It will appeal to all with interests in classical sociology and the history of social activism.

salvation army prices: Salvation in the Slums Norris Magnuson, Beverly Magnuson, 2004-11-09 Did advocates of the social gospel carry the burden of humanitarian aid during the late nineteenth and early twentieth centuries? Were evangelicals content merely to maintain the status quo and avoid ameliorating the plight of the needy? Focusing upon the period from the Civil War to about 1920, this study attempts to portray the sizeable body of Christians whose extensive welfare activities and concern sprang similarly from their passion for evangelism and personal holiness,

writes the author. He meticulously traces the urban welfare activities of the Salvation Army, the Volunteers of America, the Christian Missionary and Alliance, multiple rescue missions and homes, and the religious journal 'Christian Herald'.

salvation army prices: Salvation Army Music William Booth, Salvation Army, 2023-07-18 This inspiring collection of Salvation Army music features classic hymns and marches that have been sung and played by generations of Salvationists around the world. With its uplifting melodies and powerful messages of faith, it's a testament to the enduring power of music to transform lives. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

salvation army prices: Visions of Charity Rebecca Anne Allahyari, 2000-10-01 In the United States, public talk about charity for the poor is highly moralistic, even in our era of welfare reform. But how do we understand the actual experience of caring for the poor? This study looks at the front lines of volunteer involvement with the poor and homeless to assess what volunteer work means for those who do it. Rebecca Allahyari profiles volunteers at two charities—Loaves & Fishes and The Salvation Army—to show how they think about themselves and their work, providing new ways for discussing charity and morality. Allahyari explores these agencies' differing ideological orientations and the raced, classed, and gendered contexts they provide volunteers for doing charitable work. Drawing on participant observation, intensive interviewing, and content analysis of organizational publications, she looks in particular at the process of self-improvement for these volunteers. The competing visions of charity Allahyari finds at these two organizations reveal the complicated and contradictory politics of caring for the poor in the United States today.

salvation army prices: Stations of the Lost Jacqueline P. Wiseman, 1979-11-15 When first published in 1970, *Stations of the Lost* won the C. Wright Mills Award for Best Book in the Area of Social Problems. The study considers the Skid Row alcoholic from two points of view, that of the alcoholic himself and that of the agents of social control who treat him. A major discovery of Wiseman's research was that Skid Row men spend only about one third of the year on Skid Row. The rest of the time is spent making the loop—going from Skid Row to city jail, to county jail, to the state mental hospital, to the missions, and back to Skid Row. While these facilities are designed to handle or rehabilitate Skid Row men, they are actually used by these men as a means of survival.

salvation army prices: Redlands in World War I Ann Cordy Deegan, Maria Carrillo Colato, Nathan D. Gonzales, Don McCue, 2017-02-06 Upon declaration of war on April 6, 1917, Redlands mobilized immediately. The local National Guard Company G departed on April 4 to Arcadia and quickly relocated to San Diego. Residents worked to establish a chapter of the American Red Cross and formed war committees through the YMCA, YWCA and Salvation Army. Thousands of residents pulled together to serve the war at home, donating their time and orchestrating bond drives. More than eight hundred locals served in the military, and Redlanders could be found fighting in every major battle involving American troops. Thirty-nine men and one woman made the ultimate sacrifice. This book commemorates the community's perseverance and sacrifices during the Great War.

salvation army prices: The Salvation Army Tales Nancy Naglin, 2017-06-22 THE SALVATION ARMY TALES follows the fates of young Vietnam War era resisters relocated to Vancouver, who struggle to find their footing while growing up far from home. With irony and humor, they cope with the consequences of their political decision and the ordeal of youth. They quarrel, fight and love as they come to know the meaning of you can't go home again...

salvation army prices: Retail and Community George Campbell Gosling, Alix R. Green, Grace Millar, 2024-06-28 Available open access digitally under CC-BY-NC-ND licence. This interdisciplinary volume explores how English commercial, co-operative and charity retailing were

shaped by and in turn influenced their social and political environments, from the local and the global, between the late-nineteenth and early twenty-first centuries.

salvation army prices: Quakernomics Mike King, 2014-04 Combining commercial success with philanthropy and social activism, 'Quakernomics' offers a compelling model for corporate social responsibility in the modern world. Mike King explores the ethical capitalism of Quaker enterprises from the eighteenth to the twentieth centuries, testing this theory against those of prominent economists. With a foreword by Sir Adrian Cadbury, this book proves that the Quaker practice of 'total capitalism' is not a historically remote nicety but an immediately relevant guide for today's global economy.

salvation army prices: Cheap Bastard's™ Guide to Washington, D.C. Rob Grader, 2009-11-24 Living big—for less—in America's capital Living big in America's capital takes just the sort of big bucks that fewer and fewer folks have at their disposal these days, right? Think again. Washington, D.C., is full of free and ridiculously cheap stuff—one just needs to know where to look. Leave it to "The Cheap Bastard" to uncover all the ins and outs and exclusive bargains to be had, and to set forth the real deal with wit and humor. The Cheap Bastard's Guide to Washington, D.C. contains hundreds of ideas for living on the cheap without sacrificing necessities or luxuries. It shows: • How to gain free entrance to plays, films, concerts, and museums • Where to find free classes in anything from yoga to sailing • Where to find half-price meals and free, filling, scrumptious food • How to get a free haircut, color treatment, manicure, or low-cost massage • When and where to find great furnishings in other people's trash With The Cheap Bastard's Guide to Washington, D.C., anyone—from students and recent graduates to frugal businesspeople, not to mention the capital's millions of recession-weary annual visitors—can enjoy the good life . . . for less!

salvation army prices: I Brake for Yard Sales Lara Spencer, 2012-04-01 The New York Times bestseller by the host of HGTV's Flea Market Flip, packed with expert tips for bargain-hunting home decorators. Former Good Morning America and Antiques Roadshow host Lara Spencer is a self-confessed frugalista with a passion for shopping at yard sales, thrift shops, and estate sales, and for decorating her home—and friends' homes—with her fabulous finds. In I Brake for Yard Sales, Lara shares her secrets for bargain hunting and tells you where to shop, what to look for, how to pay for it, how to restore it, and finally, where to put it in your house. Peppered with wisdom from world-renowned appraisers as well as contributions from well-known designers, this book also features the house of comedienne and good friend Kathy Griffin, which Spencer herself refurbished and decorated.

salvation army prices: **The Frozen Toe Guide to Real Alaskan Livin'** Brookelyn Bellinger, 2010-06-01 The Frozen Toe Guide to Real Alaskan Livin' both embraces and instructs readers on everything one needs to know to be a true Alaskan, or at least to look the part. Combining both handbook format with anecdotal bits about the author's own experiences moving to the state, the book advises readers on such topics ranging from winter survival skills to regional fashion to Alaskan dating advice to extreme sports. Learn how to make ice cream from snow, or how to seek out a career in dog mushing. Find out where to travel for weekend trips, and what Alaskans do for entertainment.

salvation army prices: **Every Nonprofit's Tax Guide** Stephen Fishman, 2023-09-26 The essential tax reference book for every nonprofit Nonprofits enjoy privileges not available to other organizations. But these privileges come with obligations: Nonprofits must comply with special IRS rules and regulations to maintain their tax-exempt status. Practical, comprehensive, and easy to understand, Every Nonprofit's Tax Guide explains ongoing and annual IRS compliance requirements for nonprofits, including: • a detailed explanation of Form 990 • requirements for filing Form 990-EZ electronically • how to file Form 1099-NEC • conflicts of interest and compensation rules • charitable giving rules • unrelated taxable business income rules • lobbying and political activity restrictions, and • nonprofit bookkeeping. Whether you are just starting your nonprofit or are well established, you'll find all the information you need to avoid the most common issues nonprofits run into with the IRS.
