The Idol Parents' Guide: Navigating the World of K-Pop Fandom with Your Child

Are you a parent whose child is swept up in the vibrant world of K-Pop? Suddenly, your house is filled with catchy tunes, vibrant choreography videos, and fervent discussions about bias rankings and comebacks. While this might seem like a fleeting phase, K-Pop fandom can be a significant part of your child's life, offering both positive and potentially challenging experiences. This comprehensive guide provides essential advice and strategies for navigating this exciting and

sometimes complex landscape. We'll explore ways to connect with your child's passion, manage screen time effectively, and address potential pitfalls, ultimately empowering you to support your child's fandom in a healthy and constructive way.

Understanding Your Child's K-Pop Fandom

Before diving into practical strategies, it's crucial to understand why your child loves K-Pop. This isn't just about catchy songs; it's often about:

Community: K-Pop fandoms foster strong online and offline communities, providing a sense of belonging and connection, particularly important for teenagers.

Role Models: Idols often represent aspirational values, promoting hard work, dedication, and self-improvement.

Creative Expression: Fandom allows for creative expression through fan art, fanfiction, and participation in online communities.

Escapism: K-Pop can offer a much-needed escape from the pressures of daily life.

Understanding the multifaceted nature of your child's fandom allows for a more empathetic and effective approach to parenting.

Setting Healthy Boundaries and Managing Screen Time

The digital nature of K-Pop fandom means screen time is a significant consideration. Establishing clear boundaries is vital:

Scheduled Viewing: Designate specific times for watching music videos, live streams, or fan content.

Time Limits: Set reasonable limits to prevent excessive screen time and ensure balanced activities.

Use parental control apps if necessary.

Balanced Activities: Encourage participation in other hobbies and activities outside of K-Pop to prevent unhealthy obsession.

Open Communication: Regularly discuss screen time and ensure your child understands the importance of balance.

This structured approach helps prevent burnout and ensures your child's well-being.

Addressing Potential Challenges: Online Safety and Cyberbullying

The online nature of K-Pop fandom presents potential risks, including online safety concerns and the potential for cyberbullying:

Monitoring Online Activity: Keep an eye on your child's online interactions and be aware of the platforms they use.

Educate on Online Safety: Teach your child about online safety, responsible social media use, and recognizing and reporting online harassment.

Open Dialogue: Create a safe space for your child to discuss any negative experiences online.

Parental Controls: Utilize parental control settings on social media platforms and devices to help filter inappropriate content.

Proactive measures protect your child's well-being in the digital world.

Supporting Your Child's Fandom Positively

Rather than viewing K-Pop as a negative influence, you can embrace it as a tool for positive engagement:

Shared Activities: Attend online or offline fan events together (if appropriate and safe).

Learning Opportunities: Encourage your child to learn Korean, explore Korean culture, or participate in creative projects related to their fandom.

Connecting with other parents: Connect with other parents of K-Pop fans for support and shared experiences. This can alleviate feelings of isolation and allow for peer-to-peer advice.

Respecting Their Passion: Show genuine interest in your child's enthusiasm; this strengthens your bond and fosters open communication.

By engaging with your child's passion, you build trust and a strong parent-child relationship.

Financial Responsibility and Merch Management

K-Pop fandom often involves spending money on merchandise, albums, concerts, and online subscriptions. This requires establishing financial responsibility:

Budgeting: Help your child create a budget for fandom-related expenses.

Allowance Systems: Connect spending to chores or allowances to teach financial responsibility.

Setting Limits: Set realistic limits on spending to avoid excessive debt.

Open Conversations: Discuss the value of money and responsible spending habits.

Teaching responsible spending habits is an invaluable life skill.

Conclusion

Navigating the world of K-Pop fandom with your child requires understanding, communication, and a proactive approach. By setting healthy boundaries, fostering open communication, and engaging with your child's passion, you can create a positive and supportive environment where their fandom can thrive without compromising their well-being. Remember, embracing their interests while teaching crucial life skills is key to successfully navigating this exciting phase of their life.

FAQs

1. My child is spending excessive time on K-Pop; how do I address this without making them feel shut down? Start by having an open and non-judgmental conversation about their enjoyment of K-Pop. Then, work together to create a schedule that balances their fandom with other activities. Focus on finding healthy compromises, rather than imposing strict rules.
2. How can I support my child's fandom without becoming overly involved myself? Find a balance between showing interest and respecting their space. You can ask questions and show curiosity, but avoid becoming overly invested in the intricacies of the fandom unless you genuinely share the interest.
3. What if my child is being cyberbullied within their K-Pop fandom? Take the issue seriously. Encourage your child to report the bullying to the appropriate platforms and authorities. Offer support and reassurance, and seek help from a school counselor or therapist if needed.
4. My child wants to attend a K-Pop concert; how do I ensure their safety? Thoroughly research the venue and event security measures. Clearly establish meeting points and communication plans. Accompany them if possible, or ensure they travel with a responsible adult.
5. How can I teach my child about responsible spending when it comes to K-Pop merchandise? Involve them in budgeting exercises and teach them the value of saving. Set reasonable limits on spending and encourage saving for larger purchases rather than impulsive spending.

the idol parents guide: A Parents' Guide for Children's Questions Benito Casados, 2010-07-16 Children by nature are curious about the world and people around them. As they grow older their level of awareness increases and questions begin to pour from their inquiring minds. Their questions maybe motivated by what they hear and see in their surroundings, what they see on television or what they are trying to learn in school. In most cases the burden of answering these questions falls on the parents. Parents are busy people. Children want the answers right now. This guide will provide answers for many questions traditionally asked by children between the ages of eight and sixteen. This guide is published in E-Book format only and is intended to reside in your e-book reader so the information is easily accessed whether at home or on the road.

the idol parents guide: The Parent's Guide to Talking About Sex Janet Rosenzweig, 2015-04-21 If your kids aren't learning about sex from you, what are they learning about sex, and who is

teaching them? Having “the talk” with your child does not have to be a terrifying and awkward event. Armed with Dr. Janet Rosenzweig’s groundbreaking book, you may find you never need to have “the talk.” Dr. Rosenzweig illustrates how you can help protect your children from sexual abuse, trauma, and bullying through your everyday interactions with them. She walks you through the steps you can take to combine your own family’s values with age-appropriate information for children at all stages of development. And you’ll learn how to do so in a way that will improve the trust and communication between you and your child. Dr. Rosenzweig applies her decades of experience in child abuse prevention, sexuality education, and family services to help you identify the real threats to your children’s safety and to protect them from becoming victims of sexual misinformation or exploitation. From choosing a child’s first daycare to meeting the multimedia challenges of adolescence, *The Parent's Guide to Talking About Sex* will coach you to raise sexually safe and healthy sons and daughters.

the idol parents guide: A Busy Parent's Guide to a Meaningful Lent Maria C. Morrow, 2020-10-28 Lent. With children. Mom and theologian Maria Christina Morrow can relate to your sigh. Lent is a time of sacrifice, but Lent with little ones (or medium ones, or older ones) can seem like sacrifice with an extra helping of penance. Why? Because parenting comes with its own set of sacrifices, made daily. But being a busy parent doesn't mean you (and the whole family) can't do Lent well. *A Busy Parent's Guide to a Meaningful Lent* is the book you've been looking for. It's a quick, easy, all-in-one Lenten resource that starts your day off with Scripture, reflection, prayer - and achievable ideas to help busy parents make the most of Lent. Each day, you'll find: A theme for the day The daily Mass readings (no hunting for another book or device) A brief reflection - a 5-minute read A quick and easy Catholic practice for the day A one-line aspirational prayer And, for those days when you want more, an additional reflection and questions for journaling or meditation With *A Busy Parent's Guide to a Meaningful Lent* you can live Lent well, even in the middle of your beautiful, busy, and sometimes messy family life.

the idol parents guide: The Everything Parent's Guide To Raising Girls Erika V Shearin Karres, Rebecca Rutledge, 2007-04-02 A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

the idol parents guide: A Parent's Guide to a Peaceful Home Patricia Braxton, 2013-06 Parents serve as their children's first teachers. What they learn at home helps them build on their learning and education at school. In *A Parent's Guide to a Peaceful Home*, author Patricia Braxton provides a guide to helping parents manage their home in a peaceful, loving way in order to ensure success for their children at home and at school. This handbook presents Braxton's TAD (Toward Affective Development) model, which gives practical advice to help parents teach their children responsibility, respect, discipline, and other positive character traits. It also teaches parents how to relate to each other properly and how to affect change from within. Through TAD, Braxton works to change the face of families in a positive way. The steps detailed in *A Parent's Guide to a Peaceful Home* can facilitate an atmosphere where love, compassion, respect, and other virtues are taught by example and reinforced to produce a lasting, peaceful home.

the idol parents guide: The Everything Parent's Guide to Raising a Successful Child Denise D Witmer, 2011-12-15 As parents struggle with these questions on a daily basis, *The Everything Parent's Guide to Raising a Successful Child* helps put their fears to rest, providing them with professional, reassuring advice on how to raise a successful child according to their own standards. *The Everything Parent's Guide to Raising a Successful Child* walks parents through all emotional, intellectual, and physical aspects of development. It's the first step in establishing realistic expectations, setting boundaries, and helping shape the mind of a responsible, well-rounded, happy young adult.

the idol parents guide: The Everything Parent's Guide To Children With Bipolar Disorder William Stillman, Jeffrey Naser, 2005-10-01 What does it mean for your child to be diagnosed with bipolar disorder? Where can you go to understand mood disorders, depression, and the highs and lows associated with this condition? *The Everything Parent's Guide to Children with Bipolar*

Disorder is an authoritative handbook designed specifically for parents with questions about their child's emotional well-being, options for medication and therapy, and educational considerations. Author William Stillman helps you: Define bipolar disorder Recognize symptoms of mental health issues Find a doctor and get a diagnosis Heighten awareness of depression, mania, and mood swings Maintain healthy family relationships Navigate the teen years Complete with professional advice to help you cope with daily life, this all-inclusive resource provides reassuring answers for you and your child.

the idol parents guide: The Parents' Guide to Teaching Kids with Asperger Syndrome and Similar ASDs Real-Life Skills for Independence Patricia Romanowski, 2011-10-25 The definitive resource for teaching kids with Asperger syndrome the life skills that build independence, confidence, and self-esteem. Children with autism spectrum disorders learn differently. Our kids' choices are too often limited and their paths to success restricted, not by a lack of intellectual ability but by deficits in acquiring, applying, and generalizing basic life skills. Success in school, at home, on the playground, and beyond depends on mastering countless basic living skills that most other kids just pick up almost by osmosis. This book shows parents how to teach these so-called easy skills to complex learners. This is the first book for parents and caregivers of kids with Asperger syndrome and similar learning profiles that features strategies based on applied behavior analysis--the most widely accepted, evidence-based, and effective teaching method for learners with ASDs--including how to: -Identify critical skills appropriate for your child's age--how to teach them and why -Implement new techniques that can replace, mimic, prompt, override, or impose missing order on your child's learning style -Design a curriculum for your child that reduces reliance on prompts (including parents) and promotes new learning, new behaviors, and independence

the idol parents guide: The Parents Guide to Step-Teens Don C Dinkmeyer, Sr. PH.D., Don C. Dinkmeyer, Jr., Gary D. McKay, 1984-07

the idol parents guide: All of This Is True Lygia Day Penaflor, 2018-05-15 "Devious, delicious, and gasp-worthy." (Kathleen Glasgow, New York Times bestselling author of Girl in Pieces) In this genre-defying page-turner from Lygia Day Peñaflor, four teens befriend their favorite novelist, only to find their deepest, darkest secrets in the pages of her next book—with devastating consequences. Miri Tan loved the book Undertow like it was a living being. So when she and her friends went to a book signing to hear the author, Fatima Ro, they concocted a plan to get close to her. Soleil Johnston wanted to be a writer herself one day. When she and her friends started hanging out with her favorite author, Fatima Ro, she couldn't believe their luck—especially when Jonah Nicholls started hanging out with them, too. Penny Panzarella was more than the materialist party girl everyone at the Graham School thought she was—and she was willing to share all her secrets with Fatima Ro to prove it. Jonah Nicholls had more to hide than any of them. And now that Fatima's next book is out in the world, he's the one who is paying the price... Perfect for fans of One of Us Is Lying—and told as a series of interviews, journal entries, and even pages from the book within the book—this gripping story of a fictional scandal will keep you on the edge of your seat from beginning to end.

the idol parents guide: Raising Boys to Be Good Men Aaron Gouveia, 2020-06-16 If you are the parent of a boy . . . this is the book you need . . . insightful, enlightened, practical. —Peggy Orenstein, New York Times bestselling author of Boys & Sex From the dad who created the viral tweet supporting his son wearing nail polish, this essential parenting guide shares 36 parenting tips

for battling gender norms, bringing down man up culture, and helping sons realize their potential. Our boys are in a crisis. Toxic masculinity and tough guy-ism are on display daily from our leaders, and we see anger, dysfunction, violence, and depression in young men who are suffocated by harmful social codes. Our young sons are told to stop throwing like a girl. They hear phrases like "man up" when they cry. They are told "boys will be boys" when they behave badly. The "Girl Power" movement has encouraged women to be whoever and do whatever they want, but that sentiment is not often extended to boys. Just watch the bullying when boys try ballet, paint their fingernails, or play with a doll. But we can treat this problem—and the power lies in the hands of parents. It's not only possible to raise boys who aren't emotionally stifled and shoved into stereotypical gender boxes; it's vital if we want a generation of men who can express their emotions, respect women, and help nurse society back to a halfway healthy place. We can reframe manhood. From Aaron Gouveia, who gained viral fame after tweeting his support for his son's painted fingernails (and who knows toxic masculinity very well), learn practical and actionable tips such as: Don't accept different standards for moms and dads Teach boys that "girl" is not an insult and retire phrases like "boys will be boys" Show boys that expressing their emotions and being physical is a good thing Let boys pursue nontraditional interests and hobbies Talk to boys about consent and privilege Model healthy and respectful relationships for boys to emulate Penned with equal parts humor, biting snark, and lived advice, *Raising Boys to Be Good Men* is the essential parenting guide for raising sons to realize their potential outside the box.

the idol parents guide: *A Modern Parents' Guide to Nursery Rhymes* Jennifer Griffin, 2022-03-29 Because it's two o'clock in the morning and you can't remember "Twinkle, Twinkle, Little Star" Once upon a time, every parent knew Little Jack Horner, Wee Willie Winkie, and Little Miss Muffet. Now you will, too, with this crash course on timeless pleasures of Mother Goose and beyond. It features more than 70 poems, lullabies, rounds, and riddles, from classics like "Hey Diddle Diddle," to newer songs like "The Wheels on the Bus," too wonderful non-English versus including "Pío, Pío, Pío," the sweet yet dramatic Chilean ditty about chickens. Plus, exactly how to perform the intricate finger ballet known as "Itsy Bitsy Spider." Includes downloadable recordings.

the idol parents guide: *The Book of Three* Lloyd Alexander, 2014-11-01 Taran is desperate for adventure. Being a lowly Assistant Pig-Keeper just isn't exciting. That is, until the magical pig, Hen Wen, disappears and Taran embarks on a death-defying quest to save her from the evil Horned King. His perilous adventures bring Taran many new friends: an irritable dwarf, an impulsive bard, a strange hairy beast and the hot-headed Princess Eilonwy. Together, they face many dangers, from the deathless Cauldron-Born warriors, dragons, witches and the terrifying Horned King himself. Taran learns much about his identity, but the mysterious Book of Three is yet to reveal his true destiny. Lloyd Alexander is the true High King of fantasy. - Garth Nix

the idol parents guide: *Confessions of a Teenage Drama Queen* Dyan Sheldon, 2010-08-10 Dyan Sheldon's vain, melodramatic, and utterly lovable Lola will appeal to any young reader who has

angled for acceptance. Mary Elizabeth Cep (or Lola, as she prefers to be called) longs to be in the spotlight. But when she moves to New Jersey with her family and becomes a student at Dellwood Deadwood High, Lola discovers that the role of resident drama queen is already filled--by the Born-to-Win, Born-to-Run-Everything Carla Santini. Carla has always gotten everything she wants--that is, until Lola comes along and snags the lead in the school play. Can Lola survive Carla's attempts at retaliation? Will Lola and her best friend, Ella, find a way to crash their favorite band's concert hall and farewell party in New York City--to which Carla has already gained entrance? And once the curtain goes up on the school play, which drama queen will take center stage?

the idol parents guide: TV Guide Stephen F. Hofer, 2006 This book looks at the origins and growth of television through the pages of TV Guide and covers the complete run of this American icon from the first guides in 1953 to the last issue in guide format on October 9, 2005. It includes full color reproductions of every cover ever printed, and is both a collector's guide with pricing included, and a retrospective view of the medium.

the idol parents guide: Tumble & Blue Cassie Beasley, 2017-08-29 From the New York Times bestselling author of *Circus Mirandus* comes the magic-infused story of a golden gator, two cursed kids, and how they take their destinies into their own hands. When the red moon rises over the heart of the Okefenokee swamp, legend says that the mysterious golden gator Munch will grant good luck to the poor soul foolish enough to face him. But in 1817, when TWO fools reach him at the same time, the night's fate is split. With disastrous consequences for both . . . and their descendants. Half of the descendants have great fates, and the other half have terrible ones. Now, Tumble Wilson and Blue Montgomery are determined to fix their ancestors' mistakes and banish the bad luck that's followed them around for all of their lives. They're going to face Munch the gator themselves, and they're going to reclaim their destinies. But what if the legend of Munch is nothing but a legend, after all? Full of friendship, family, and the everyday magic and adventure that readers of *Savvy* and *A Snicker of Magic* love, Cassie Beasley's newest middle grade book is another crowd-pleasing heart-warmer—perfect for reading by yourself, or sharing with someone you love.

the idol parents guide: The Special Educator's Guide to Collaboration Sharon F. Cramer, 2006-04-05 Find case stories from up-to-date research, reflection activities, structured research and interview activities for developing collaboration skills.

the idol parents guide: The Unhoneymooners Christina Lauren, 2019-05-14 THE INSTANT NEW YORK TIMES BESTSELLER! Starred reviews from Kirkus Reviews * Publishers Weekly * Library Journal Named a "Must-Read" by TODAY, Us Weekly, Bustle, BuzzFeed, Goodreads, Entertainment Weekly, Publishers Weekly, Southern Living, Book Riot, Woman's Day, The Toronto Star, and more! For two sworn enemies, anything can happen during the Hawaiian trip of a lifetime—maybe even love—in this romantic comedy from the New York Times bestselling authors of *Roomies*. Olive Torres is used to being the unlucky twin: from inexplicable mishaps to a recent layoff, her life seems to be almost comically jinxed. By contrast, her sister Ami is an eternal champion...she even managed to finance her entire wedding by winning a slew of contests. Unfortunately for Olive, the only thing worse than constant bad luck is having to spend the wedding day with the best man (and her nemesis), Ethan Thomas. Olive braces herself for wedding hell, determined to put on a brave face, but when the entire wedding party gets food poisoning, the only people who aren't affected are Olive and Ethan. Suddenly there's a free honeymoon up for grabs, and Olive will be damned if Ethan gets to enjoy paradise solo. Agreeing to a temporary truce, the pair head for Maui. After all, ten days of bliss is worth having to assume the role of loving newlyweds, right? But the weird thing is...Olive doesn't mind playing pretend. In fact, the more she pretends to be the luckiest woman alive, the more it feels like she might be. With Christina Lauren's "uniquely hilarious and touching voice" (Entertainment Weekly), *The Unhoneymooners* is a romance for anyone who has ever felt unlucky in love.

the idol parents guide: The Serpent King Jeff Zentner, 2017-06-06 Named to ten BEST OF THE YEAR lists and selected as a William C. Morris Award Winner, *The Serpent King* is the critically acclaimed, much-beloved story of three teens who find themselves--and each other--while on the

cusps of graduating from high school with hopes of leaving their small-town behind. Perfect for fans of John Green's *Turtles All the Way Down*. Move over, John Green; Zentner is coming for you. —The New York Public Library “Will fill the infinite space that was left in your chest after you finished *The Perks of Being a Wallflower*.” —BookRiot.com Dill isn't the most popular kid at his rural Tennessee high school. After his father fell from grace in a public scandal that reverberated throughout their small town, Dill became a target. Fortunately, his two fellow misfits and best friends, Travis and Lydia, have his back. But as they begin their senior year, Dill feels the coils of his future tightening around him. His only escapes are music and his secret feelings for Lydia—neither of which he is brave enough to share. Graduation feels more like an ending to Dill than a beginning. But even before then, he must cope with another ending—one that will rock his life to the core. Debut novelist Jeff Zentner provides an unblinking and at times comic view of the hard realities of growing up in the Bible belt, and an intimate look at the struggles to find one's true self in the wreckage of the past. “A story about friendship, family and forgiveness, it's as funny and witty as it is utterly heartbreaking.” —PasteMagazine.com “A brutally honest portrayal of teen life . . . [and] a love letter to the South from a man who really understands it.” —Mashable.com “I adored all three of these characters and the way they talked to and loved one another.” —New York Times

the idol parents guide: Reality TV Susan Murray, Laurie Ouellette, 2009 A collection of essays, which provide a comprehensive picture of how and why the genre of reality television emerged, what it means, how it differs from earlier television programming, and how it engages societies, industries, and individuals.

the idol parents guide: Geekerella Ashley Poston, 2017-04-04 Cinderella goes to the con in this charming young adult romance that puts a fandom twist on the classic fairy tale—from a New York Times bestselling author! “With geekily adorable characters, a show that's part *Star Trek* and part *Firefly*, a cosplay contest, and a food truck fairy godmother, this is a love letter to fandom.” —Booklist Geek girl Elle Wittimer lives and breathes *Starfield*, the classic sci-fi series she grew up watching with her late father. So when she sees a cosplay contest for a new *Starfield* movie, she has to enter. The prize? An invitation to the ExcelsiCon Cosplay Ball, and a meet-and-greet with the actor slated to play Federation Prince Carmindor in the reboot. With savings from her gig at the Magic Pumpkin food truck (and her dad's old costume), Elle's determined to win . . . unless her stepsisters get there first. Teen actor Darien Freeman used to live for cons—before he was famous. Now they're nothing but autographs and awkward meet-and-greets. Playing Carmindor is all he's ever wanted, but the *Starfield* fandom has written him off as just another dumb heartthrob. As ExcelsiCon draws near, Darien feels more and more like a fake—until he meets a girl who shows him otherwise. Part romance, part love letter to nerd culture, and all totally adorbs, *Geekerella* is a fairy tale for anyone who believes in the magic of fandom.

the idol parents guide: One Great Lie Deb Caletti, 2022-05-03 Charlotte's dream of a summer writing workshop in Venice with her favorite author brings the chance to investigate the mysterious poet in her family's past, meet fascinating new people, and learn truths about her idol.

Travel to Tokyo with kids will provide you with practical tips, help you plan your trip, and get you started on your family holiday to Tokyo. Australian spelling used throughout

the idol parents guide: Dream So Big Christopher B. Pearman, Ian Blake Newhem, 2014-11-15 With my father, what you see is what you get. He doesn't pretend to be some kind of guru, and he doesn't believe he did everything right (which he didn't, despite how hard he tried). But he's

definitely confident about what he knows, and eloquent in the way he puts it across. I urge you to put his lessons to the test with your kid, and see how far they'll take you both. I think, once you start reading, you're going to find my dad's confidence and enthusiasm contagious. When I look back now, I remember my father was always focused. Always firm. Always loving. Always thinking about the future. It was kind of like he was always searching for the right way, the most successful way to do things. Make no mistake about it, he was always making sure I watched my p's and q's. I mean always: morning, noon, and night. Without that love and discipline, I would never have gotten to where I am today. You certainly would not have ever heard of Raven-Symon?. Raven-Symon? January 2010 While so many talented and ambitious kids have become tabloid fodder, Raven-Symon?, beloved star of *That's So Raven*, has remained grounded and happy as she's created a massive franchise for Disney, won multiple Kids' Choice Awards, and made history as the first African-American woman with her own sitcom. The difference? Her parents' positive-approach plan--which you can now use with your own children. As her father and manager, Christopher B. Pearman worked tirelessly to nurture Raven's dream, while teaching her to believe in herself and, most importantly, never losing sight of their family's core values. Inside, Pearman breaks down his plan into eight Dream Catchers--spiritual and practical principles that filter out negativity, and allow only affirming thoughts into your child's consciousness. Make no mistake: This is not a guide to stage parenting, but a doctrine for raising your kids to reach their full potential in any endeavor, simple or grand. As a parent, you know there's nothing more important than making sure your children become all they want to be. *Dream So Big* shows how commitment, responsibility, and dedication to your children's innermost wishes can catapult them to great success--and happiness.

the idol parents guide: *Beyond the Big Talk Revised Edition* Reverend Debra W. Haffner, Alyssa Haffner Tartaglione, 2009-07-21 As featured in *Newsweek*, *Time*, *USA Today*, and on Oprah, Dateline NBC, MTV and 20/20, this leading sexuality educator now helps parents guide their children through the difficult adolescent years—from the author of *From Diapers to Dating*. Debra Haffner's valuable, award-winning book first book on raising sexually healthy children, *From Diapers to Dating*, helps parents through the infant-to-age-12 period. Her sequel, *Beyond the Big Talk*, now guides them through the difficult adolescent years, when they are likely to confront such issues as peer pressure, dating and parties, alcohol and drugs, harassment, abstinence, and much more. Organized by age group—middle school (grades seven and eight), early high school (grades nine and ten), late high school (grades eleven and twelve), and beyond (ages 18 and up), each section provides: Values Exercises to help parents decide their own beliefs on various topics, and how to communicate them to their teen. Special Issues advice on topics such as eating disorders, date rape, sexual violence, and dealing with your teen's questions about your own sexual history. Advice on finding teachable moments with your teens—entry points into discussions on important topics in television, in the movies, and in your daily lives. A frank and supportive foreword by Haffner's teen-age daughter, Alyssa, gives a young person's perspective on the challenges teens face every day. An extensive Appendix offers a wealth of books, websites, and organizations for both teens and their parents. In her trademark realistic, practical, and informative style (*Kirkus Reviews*), Haffner's values-oriented approach is an invaluable resource to both parents and children.

the idol parents guide: *Handbook of the American Novel of the Nineteenth Century* Christine Gerhardt, 2018-06-11 This handbook offers students and researchers a compact introduction to the nineteenth-century American novel in the light of current debates, theoretical concepts, and critical methodologies. The volume turns to the nineteenth century as a formative era in American literary history, a time that saw both the rise of the novel as a genre, and the emergence of an independent, confident American culture. A broad range of concise essays by European and American scholars demonstrates how some of America's most well-known and influential novels responded to and participated in the radical transformations that characterized American culture between the early republic and the age of imperial expansion. Part I consists of 7 systematic essays on key historical and critical frameworks — including debates about race and citizenship, transnationalism, environmentalism and print culture, as well as sentimentalism,

romance and the gothic, realism and naturalism. Part II provides 22 essays on individual novels, each combining an introduction to relevant cultural contexts with a fresh close reading and the discussion of critical perspectives shaped by literary and cultural theory.

the idol parents guide: 36 Tools for Building Spirit in Learning Communities R. Bruce Williams, 2006-04-28 Revitalize the spirit of your school community and strengthen your common vision and purpose! Many of today's schools suffer from stress fractures as they struggle with challenges of achievement gaps, class sizes, differentiating instruction for diverse students, and responding to ever greater demands for accountability. Longtime facilitator R. Bruce Williams gets to the heart of the matter, emphasizing that change is not just external but also comes from within through revitalized individuals and strong culture. Williams provides administrators with essential tools to nurture the spirits of hard-working professionals and raise morale in their school communities. Each chapter ends with step-by-step activities that build on featured concepts and speed the transition from theory to practice, from struggle to success. The book focuses on seven important aspects of underlying structure that can leverage new patterns of confidence and achievement. Participative processes such as mentoring Visible achievements Common understandings Guided reflections Inspiring success stories Community-building rituals Powerful symbols In powerful, well-formed cultures, common spirit is strong. This book provides everything educators need to work together to transform their learning community into a culture of vitality, energy, vision, and purpose.--pub. desc.

the idol parents guide: Handbook of Diversity in Parent Education Marvin J. Fine, Steven W. Lee, 2000-10-09 Traditionally, books on parent education have focused on techniques from a certain tradition, either behavioral or humanistic, that could be applied to any problem of parenting or child behavior change. These books have used a cook-book approach that is frequently oblivious to environmental conditions that influence behavior or take into account the individual differences of the children or families involved. This book highlights the complexity of our society and times by exploring the problems faced by diverse types of parents, children, and parenting situations. Moreover, the sensitive issues of parenting in unique populations are handled in a caring, straight-forward way with an emphasis on research-based parent education programs along with tips and strategies for everyday use. - Premier text on parent education in diverse populations - Features tips, strategies, websites and support for parents - Based upon cutting edge research in parent education - Models for developing problem-specific parenting programs - Step-by-step parent education programs for low-incidence problems - Features violence and crisis prevention and intervention skills for families

the idol parents guide: Homeschooling Samuel L. Blumenfeld, 1997 More and more parents today are disillusioned with public education. Instead of merely tolerating a faulty system, expanding numbers of parents are turning to alternative education for their children. Homeschooling describes what homeschooling is all about, helps parents decide whether or not this choice fits their family lifestyle, covers virtually every aspect of homeschooling, and more.

the idol parents guide: *New York Magazine* , 1981-02-09 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

the idol parents guide: The Christian treasury (and missionary review). , 1864

the idol parents guide: Lies Women Believe/Lies Women Believe Study Guide- 2 book set Nancy Leigh DeMoss, 2018-04-02 This 2-book set includes bestselling *Lies Women Believe* and *Lies Women Believe Study Guide*. In this bestseller book, *Lies Women Believe*, Nancy exposes those areas of deception most commonly believed by Christian women—lies about God, sin, priorities, marriage and family, emotions, and more. She then sheds light on how we can be delivered from

bondage and set free to walk in God's grace, forgiveness, and abundant life. Nancy offers the most effective weapon to counter and overcome Satan's deceptions: God's truth! In Lies Women Believe Study Guide, you will go deeper with the truths of Lies Women Believe. This engaging workbook is made up of ten sessions and is designed for individuals and small groups. You will get an overview of the chapter to be studied from Lies Women Believe, a daily personal study for you to complete during the course of the week between your small group meetings, as well as questions to answer under the subtitles Realize, Reflect, and Respond.
