- Origins and Historical Context of the Chosen
- Religious Interpretations of the Chosen
- The Chosen in Literature and Mythology
- The Chosen in Modern Media and Entertainment
- Psychological and Sociological Perspectives
- Notable Examples and Characters Identified as the Chosen
- Impact and Influence of the Chosen Concept

Origins and Historical Context of the Chosen

The concept of 'the chosen' has deep historical roots, appearing in ancient civilizations and texts long before the modern era. Historically, societies often designated certain individuals or groups as 'chosen' to fulfill specific roles, lead communities, or undertake significant missions. In early societies, kings, priests, and warriors were frequently viewed as chosen by divine forces or fate to guide and protect their people. The title often carried immense responsibility and reverence, shaping social hierarchies and cultural narratives. Over centuries, the chosen became synonymous with destiny, privilege, and purpose, influencing the formation of legends, traditions, and rituals across the globe.

Religious Interpretations of the Chosen

The chosen is a central theme in many religious traditions, symbolizing divine selection or favor. In Judaism, the concept is closely linked to the 'chosen people,' referring to the Israelites as God's selected group. Christianity expands this idea, emphasizing spiritual election and the

calling of believers to a higher purpose. Islam also features the notion of chosen prophets who receive divine messages to guide humanity. Across these faiths, being chosen signifies a unique relationship with the divine, often accompanied by moral obligations and spiritual responsibilities. The theological implications of the chosen continue to inspire religious teachings, rituals, and community identities worldwide.

The Chosen People in Judaism

In Jewish tradition, the chosen people are those whom God selected to receive the Torah and uphold its commandments. This designation is not only a mark of favor but also a call to ethical living and spiritual stewardship. Historical narratives, such as the Exodus, reinforce the significance of the chosen, shaping Jewish culture and religious observance.

Christian Perspectives on Being Chosen

Christianity interprets being chosen as part of God's plan for salvation. The New Testament describes believers as a 'royal priesthood' and 'chosen generation,' suggesting that faith and acceptance of divine grace set individuals apart. This spiritual election motivates service, compassion, and evangelism within Christian communities.

Chosen Prophets in Islam

Islamic teachings emphasize the selection of prophets, such as Muhammad, Moses, and Jesus, who are chosen to convey God's guidance. These figures serve as models of faith and obedience, embodying the responsibilities that come with divine selection. The chosen in Islam reflects both the honor and accountability of prophetic leadership.

The Chosen in Literature and Mythology

Throughout history, literature and mythology have celebrated the archetype of the chosen. From ancient epics to modern novels, stories often center on characters singled out for extraordinary destinies. The motif of the chosen hero, endowed with unique powers or insight, recurs in myths from Greek, Norse, and Eastern traditions. These narratives explore themes of sacrifice, transformation, and fulfillment of prophecy, captivating readers and audiences for generations. The chosen figure typically faces trials, undergoes growth, and ultimately achieves greatness, reinforcing the allure of this timeless trope.

Archetypal Chosen Heroes

- King Arthur, selected to wield Excalibur and lead Camelot

- Frodo Baggins in "The Lord of the Rings," tasked with destroying the One Ring
- Harry Potter, marked as the chosen one to defeat Voldemort
- Joan of Arc, divinely inspired to lead France in battle

These examples highlight the enduring popularity of the chosen narrative in literature and mythology, illustrating its power to inspire and entertain.

The Chosen in Modern Media and Entertainment

In contemporary media, the chosen continues to captivate audiences through film, television, video games, and graphic novels. The concept often drives plot development, character arcs, and emotional engagement. Popular franchises, such as "Star Wars," "The Matrix," and "The Chosen" TV series, utilize this motif to explore questions of identity, destiny, and morality. The chosen character typically undergoes a transformative journey, facing challenges that test their resolve and values. This narrative device resonates with viewers, allowing for relatable storytelling and dynamic character evolution.

The Chosen in Television and Streaming Series

Shows like "The Chosen" dramatize the lives of individuals selected for extraordinary missions, often blending historical context with creative interpretation. These series attract diverse audiences by emphasizing personal struggle, redemption, and the universal quest for meaning.

Film and Popular Culture

Movies frequently feature protagonists who discover they are the chosen ones, tasked with saving the world or restoring balance. This plot structure creates suspense and emotional investment, ensuring the chosen remains a staple of popular entertainment.

Psychological and Sociological Perspectives

The idea of being chosen impacts both individual psychology and collective behavior. Psychologically, the chosen can foster a sense of purpose, self-worth, and motivation to achieve goals. It may also contribute to feelings of pressure or isolation, as individuals navigate expectations tied to their perceived selection. Sociologically, communities often rally around chosen leaders or ideologies, forming strong group identities and shared values. The chosen can unify people, inspire movements, and reinforce cultural norms. However, it can also lead to exclusivity or conflict, as groups vie for recognition and validation.

Benefits and Challenges of Being Chosen

- Enhanced motivation and drive to fulfill responsibilities
- Increased visibility and influence within communities
- Potential for stress due to heightened expectations
- Risk of isolation or exclusion from broader society

Understanding these psychological and sociological dynamics helps explain the enduring relevance of the chosen across cultures and eras.

Notable Examples and Characters Identified as the Chosen

Numerous historical figures, fictional characters, and cultural icons have been identified as the chosen throughout time. Their stories illustrate the diversity and complexity of the chosen archetype, from spiritual leaders to heroic warriors and modern protagonists. These examples demonstrate how the chosen can inspire hope, drive progress, and shape collective memory.

Historical Figures

- Moses, leading the Israelites out of Egypt
- Joan of Arc, guided by visions to liberate France
- Martin Luther King Jr., chosen as a leader of the civil rights movement

Fictional Characters

- Neo in "The Matrix," destined to free humanity
- Luke Skywalker in "Star Wars," chosen to restore balance to the Force
- Buffy Summers in "Buffy the Vampire Slayer," selected to fight evil

These figures exemplify the impact and versatility of the chosen, revealing its significance in both history and storytelling.

Impact and Influence of the Chosen Concept

The chosen continues to influence society, culture, and individual behavior. In education, leadership, and social movements, the idea motivates people to aspire to greatness and overcome adversity. In art and entertainment, it drives creativity and audience engagement, providing a framework for compelling narratives and memorable characters. The chosen also shapes values and beliefs, encouraging reflection on destiny, purpose, and the human experience. Its enduring appeal lies in its ability to resonate with universal themes, making it a powerful and versatile concept in both historical and contemporary contexts.

Key Influences of the Chosen

- Inspiring personal and collective achievement
- Fostering innovation and artistic expression
- Strengthening community bonds and shared identity
- Encouraging moral reflection and ethical decision-making

The chosen remains a vital part of human culture, shaping stories, beliefs, and aspirations for generations to come.

Q: What does 'the chosen' mean in religious contexts?

A: In religious contexts, 'the chosen' refers to individuals or groups selected by a divine power for a specific purpose or mission. This can involve spiritual leadership, prophetic roles, or a unique relationship with the divine, as seen in Judaism, Christianity, and Islam.

Q: How is 'the chosen' depicted in modern television and film?

A: Modern television and film often portray 'the chosen' as a protagonist with a special destiny or mission, such as saving the world or fulfilling a prophecy. Notable examples include Neo from "The Matrix," Harry Potter, and characters in "The Chosen" series.

Q: Why does the concept of being chosen resonate with audiences?

A: The concept resonates because it embodies themes of purpose, destiny, and transformation. Audiences relate to stories of ordinary individuals becoming extraordinary, facing challenges, and overcoming adversity, which inspires hope and engagement.

Q: Can being 'the chosen' have psychological effects?

A: Yes, being considered 'the chosen' can impact an individual's sense of purpose, motivation, and self-worth. However, it may also bring pressure, stress, and isolation due to heightened expectations and responsibilities.

Q: What are some famous literary examples of 'the chosen'?

A: Famous literary examples include King Arthur, Frodo Baggins, and Harry Potter. These characters are singled out for unique quests or roles, representing the classic chosen hero archetype.

Q: How does the chosen influence group identity?

A: The chosen can strengthen group identity by uniting members around shared values, beliefs, and missions. It often serves as a rallying point for communities, encouraging cohesion and collective action.

Q: Are there real-life figures who are considered 'the chosen'?

A: Yes, historical figures such as Moses, Joan of Arc, and Martin Luther King Jr. are often regarded as the chosen due to their leadership roles, visions, and transformative impact on society.

Q: What challenges do chosen individuals face?

A: Chosen individuals frequently encounter high expectations, scrutiny, and pressure to succeed. They may also experience isolation, internal conflict, and the burden of responsibility associated with their roles.

Q: What role does 'the chosen' play in mythology?

A: In mythology, 'the chosen' often appears as heroes or leaders endowed with special powers or destinies. These figures undergo trials, fulfill prophecies, and embody cultural ideals, shaping the mythological landscape.

Q: How does the chosen concept continue to influence contemporary culture?

A: The chosen remains influential by inspiring stories, motivating individuals, and shaping social movements. Its presence in media, literature, and leadership continues to drive innovation, engagement, and cultural evolution.

The Chosen: Delving into the Multifaceted Meaning and Impact of a Powerful Phrase

Are you intrigued by the phrase "the chosen"? It's a term that evokes strong emotions, carrying weight across religious, cultural, and even fictional contexts. This post will explore the multifaceted meaning and impact of "the chosen," delving into its origins, interpretations, and implications in various fields, from biblical studies to modern-day social dynamics. We'll examine the potential benefits and drawbacks of this label, ultimately providing a nuanced perspective on its complex legacy.

H2: The Biblical Roots of "The Chosen"

The phrase "the chosen people" most prominently originates from the Hebrew Bible, specifically referring to the Israelites and their covenant with God. This covenant, detailed throughout the Torah and subsequent prophetic books, bestowed upon the Israelites a unique relationship with the divine, including promises of land, prosperity, and a special role in God's plan for humanity. This covenant, however, also came with responsibilities and expectations, underscoring a divine calling to live according to God's law and serve as an example to other nations. Understanding this biblical context is crucial for interpreting the phrase's later uses and implications.

H3: Interpretations Across Religious Traditions

While Judaism holds the central claim to the term "chosen people," various Christian denominations have engaged with the concept, sometimes adopting it directly and sometimes reinterpreting it in light of the teachings of Jesus. Some Christian interpretations focus on the idea of all believers being "chosen" through faith in Christ, expanding the scope of "chosenness" beyond a specific ethnic group. However, this interpretation has also faced criticism for potentially minimizing the historical context and experiences of the Jewish people. The use and interpretation of "the chosen" vary significantly across other religious and spiritual traditions, often reflecting their specific theological perspectives.

H3: The Social and Political Implications of "Chosenness"

Beyond religious contexts, "the chosen" can be used (and misused) in social and political settings to

denote groups perceived as superior, privileged, or destined for greatness. This can lead to harmful consequences, fostering exclusivity, elitism, and even justifying oppression of other groups. Historically, the term has been used to justify discrimination and violence, highlighting the dangerous potential of associating "chosenness" with inherent superiority. Understanding the historical misuse of this term is critical to prevent its continued misuse in contemporary discourse.

H2: "The Chosen" in Modern Culture and Fiction

The phrase's powerful resonance has ensured its presence in modern media. From literature to film, "the chosen" appears frequently, often used symbolically to represent individuals or groups with unique destinies or abilities. The popular TV series, "The Chosen," itself provides a contemporary reimagining of the life of Jesus, exploring the human stories behind biblical figures. Analyzing these cultural representations allows us to examine how the concept of "chosenness" is perceived and reinterpreted in the 21st century.

H3: Analyzing the Power of Narrative and Storytelling

The enduring appeal of the "chosen one" trope in fiction stems from its inherent narrative power. It offers a framework for epic storytelling, providing a central character with a predetermined destiny and inherent significance. This archetype frequently appears in fantasy literature and films, often involving quests, trials, and battles against overwhelming odds. Analyzing these narratives reveals deeper societal desires for meaning, purpose, and the belief in extraordinary potential residing within individuals.

H3: The Ambiguity of Destiny and Free Will

The concept of "the chosen" often raises questions about the interplay between destiny and free will. Are those deemed "chosen" merely puppets of fate, or do they retain agency in shaping their own lives and destinies? Exploring this tension in various fictional portrayals allows for a deeper examination of individual responsibility and the complexities of predetermined paths. Modern portrayals frequently challenge the simplistic notion of passive acceptance of destiny, emphasizing the role of choice and personal agency.

H2: Reframing "The Chosen": A Modern Perspective

While the term "the chosen" carries a heavy historical and religious baggage, it's essential to engage with its complexities responsibly. A modern perspective acknowledges the historical misuse of the term while also recognizing its inherent potential for positive interpretation. Focusing on the responsibilities and burdens associated with perceived "chosenness" can help us understand the true meaning of leadership, service, and commitment to a greater purpose.

Conclusion

The phrase "the chosen" remains a powerful and multifaceted term. Its origins in biblical narrative have profoundly shaped its usage across various cultures and contexts. Understanding its historical implications, both positive and negative, is crucial for navigating its contemporary interpretations. While the term can evoke problematic notions of superiority and exclusivity, it also offers valuable opportunities to explore themes of destiny, responsibility, and the human quest for meaning. By carefully considering its nuanced meanings, we can leverage its power for insightful discussions about purpose, leadership, and the complexities of human identity.

FAQs:

1. Is the term "the chosen" inherently negative? Not inherently, but its historical use has often been associated with exclusivity and oppression. Its meaning depends heavily on context and intent.
2. How does the concept of "the chosen" relate to modern concepts of equality and inclusivity? The concept needs careful re-evaluation to align with contemporary values of equality and inclusivity, emphasizing shared responsibility and minimizing notions of inherent superiority.
3. What are some examples of positive uses of "the chosen" in modern media? Many fictional narratives use the trope to explore themes of responsibility, self-discovery, and the struggle against adversity, often challenging the simplistic notion of inherent superiority.
4. Can individuals choose to reject the label of "the chosen"? Absolutely. The idea of "chosenness" should not dictate an individual's identity or actions. Personal agency and free will remain crucial.
5. What is the ethical responsibility of those perceived as "the chosen"? Those seen as "chosen" bear a strong ethical responsibility to use their perceived privilege for the benefit of others, promoting justice, equality, and empathy.

the chosen: *The Chosen* Chaim Potok, 2022-01-11 The story of two fathers and two sons and the pressures on all of them to pursue the religion they share in the way that is best suited to each. And as the boys grow into young men, they discover in the other a lost spiritual brother, and a link to an unexplored world that neither had ever considered before. In effect, they exchange places, and find the peace that neither will ever retreat from again.

the chosen: *The Chosen* Taran Matharu, 2019-06-04 The Chosen introduces the first book in the Contender trilogy, an epic young adult fantasy from Taran Matharu, author of the New York Times-bestselling Summoner series. Throughout history, people have vanished with no explanation. A group of teenagers are about to discover why. Cade is settling into a new boarding school, contemplating his future, when he finds himself transported to another realm. He soon discovers their new world is populated with lost remnants from the past: prehistoric creatures, ancient relics, and stranger still—people. Overwhelmed by his new surroundings, Cade has little time to adjust, for soon he and his fellow classmates are forced to become contenders in a brutal game, controlled by mysterious overlords. But who are these beings and why did they choose these teens? Cade must

prepare for battle . . . because hiding is not an option. Fans of fantasy and LitRPG will welcome this new character and world from the author of the Summoner series.

Socialite. Magician. Jordan Baker grows up in the most rarefied circles of 1920s American society—she has money, education, a killer golf handicap, and invitations to some of the most exclusive parties of the Jazz Age. She’s also queer and Asian, a Vietnamese adoptee treated as an exotic attraction by her peers, while the most important doors remain closed to her. But the world is full of wonders: infernal pacts and dazzling illusions, lost ghosts and elemental mysteries. In all paper is fire, and Jordan can burn the cut paper heart out of a man. She just has to learn how. Nghi Vo’s debut novel, *The Chosen and the Beautiful*, reinvents this classic of the American canon as a coming-of-age story full of magic, mystery, and glittering excess, and introduces a major new literary voice. At the Publisher’s request, this title is being sold without Digital Rights Management Software (DRM) applied.

the chosen: The Chosen J. R. Ward, 2017 -Xcor, leader of the Band of Bastards, convicted of treason against the Blind King, is facing a brutal interrogation and torturous death at the hands of the Black Dagger Brotherhood. Yet after a life marked by cruelty and evil deeds, he accepts his soldier’s fate, his sole regret the loss of a sacred female who was never his: the Chosen Layla. Layla

alone knows the truth that will save Xcor's life. But revealing his sacrifice and his hidden heritage will expose them both and destroy everything Layla holds dear—even her role of mother to her precious young---Amazon.com.

the chosen: The Chosen Book Four Amanda Jenkins, Kristen Hendricks, Dallas Jenkins, 2024-05-04 You are called to Truth. Jesus came to fulfill Scripture, to seek and save the lost, and to testify to the truth. But truth can sometimes take a minute to grasp because we contend with it in a variety of ways under a variety of circumstances. Once Jesus collides with our lives—our deepest needs, cultural biases, personal motivations, even prideful objections—the outcome can be infuriating. Or exhilarating. Or anything in between. In *The Chosen Book Four*, explore the angles from which you can better see Jesus and the things He taught. Learn from His followers how to really hear. To repent. To wait on His wisdom and timing. To obey. Written to accompany the hit multi-season series, each of these forty devotions contains a Scripture, a unique look into a Gospel story, suggestions for prayer, and questions that lead you further in your relationship with Christ. May we welcome His rebuke and testify to the Truth who is ever working within us...the outcome of which will, indeed, be nothing short of exhilarating.

the chosen: What Does It Mean to Be Chosen? Amanda Jenkins, Dallas Jenkins, Douglas S. Huffman, 2021-01-21 The #1 bestseller in New Testament Commentaries. Over 200,000 copies sold! This is the official companion study to season 1 of *The Chosen*, the groundbreaking television series about the life of Jesus. *What Does It Mean to Be Chosen?* parallels each episode, connecting readers to the Bible in a brand-new way. It includes: A deeper look at Isaiah 43 and its fulfillment in Jesus and the lives of His followers (including us!) Script excerpts, quotes, and illustrations from the show Guiding questions for groups or individuals Being chosen by Jesus has beautiful and far-reaching implications—although it says even more about the Chooser than the choosees. We are loved because He is love. We are saved because He is merciful. We belong to the family of God because Jesus invites us, making the Bible and all its promises as true for us today as it was for God's chosen people. What does it actually mean to be Chosen? To answer that question, we're going Old school—Testament that is—which leads us back to the New. Which always leads us directly to Jesus.

the chosen: The Chosen Theresa Meyers, 2012-03-01 *The Chosen*: a prophecy older than dirt and more dangerous than death. Even as they perfected steam-powered gadgetry and rounded up varmints from Hell, the Jackson brothers didn't believe in it. But when the chips are down, three brothers named for weapons aren't going out without a fight. . . A Walk On The Wild Side Attorney by day, demon-hunter by night, Remington Jackson is used to being on the sunny side of the law, even in the Wild West. But it's showdown time, and Remy and his brothers are getting desperate. They don't have the relic they need to slam the door shut on evil--so Remy is going to have to find and steal part of it. Enter China McGee, shapeshifter, thief, beauty, and current prisoner. When Remy offers her freedom in exchange for a little light-fingered help, she's pretty sure she's going to end the association with a good old-fashioned seductive double cross. But there's something about fighting through a jungle full of Mayan ruins that makes you want to settle down together. China could change. Remy might be special. But none of that matters if the devil takes them all. . . Meyers is a genuine, fresh voice in the paranormal romance genre. --RT BookReviews on *The Slayer* Meyers puts the steam in steampunk. --Cherry Adair

the chosen: The Chosen Aaron Posner, 2000 *THE STORY*: A standing-room-only hit wherever it has played, this award-winning adaptation from the award-winning novel is the story of two boys, two fathers and two very different Jewish communities--five blocks and a world apart--in Williamsburgh, Brookl

the chosen: The Shepherd Dallas Jenkins, Amanda Jenkins, 2021 Shepherds were dirty and stinky and poor. They were lowly. But God doesn't care what we look like. Or how old we are. Or where we're from. Or how much money we have. He loves us no matter what. Which is why a lowly shepherd and his low sheep, on a low hill, in a lowly town, on the very first Christmas, were the first to be in line to meet the savior of the world. And then the lowly shepherd got to tell everybody else. Based on the pilot episode of the groundbreaking TV show, *The Chosen*, this book will provide little

readers with a new experience of the Christmas story from the perspective of the shepherds. Like them, we've been chosen by God to be part of the greatest story ever told. -- Amazon.com.

the chosen: *The Chosen* Chaim Potok, 2016-11 The story of two fathers and two sons and the pressures on all of them to pursue the religion they share in the way that is best suited to each. And as the boys grow into young men, they discover in the other a lost spiritual brother, and a link to an unexplored world that neither had ever considered before. In effect, they exchange places, and find the peace that neither will ever retreat from again.

the chosen: Chosen Kiersten White, 2020-01-07 A Seventeen Best YA Book of 2020 So Far A Hypable Most Anticipated YA Fantasy Sequel of 2020 "Will get Buffy fans up in their feels."

—Entertainment Weekly on *Slayer* Nina continues to learn how to use her slayer powers against enemies old and new in this second novel in the New York Times bestselling series from Kiersten White, set in the world of *Buffy the Vampire Slayer*. Now that Nina has turned the Watcher's Castle into a utopia for hurt and lonely demons, she's still waiting for the utopia part to kick in. With her sister Artemis gone and only a few people remaining at the castle—including her still-distant mother—Nina has her hands full. Plus, though she gained back her Slayer powers from Leo, they're not feeling quite right after being held by the seriously evil succubus Eve, a.k.a. fake Watcher's Council member and Leo's mom. And while Nina is dealing with the darkness inside, there's also a new threat on the outside, portended by an odd triangle symbol that seems to be popping up everywhere, in connection with Sean's demon drug ring as well as someone a bit closer to home. Because one near-apocalypse just isn't enough, right? The darkness always finds you. And once again, it's coming for the Slayer.

the chosen: *The Lost and the Chosen* Ivy Asher, 2018-11-18 My name is Vinna, and I've been keeping a lot of secrets. You would too if you'd experienced some of the weird shit I have: red-eyed monsters chasing me, markings on my body appearing out of nowhere, a strange power that crackles colorfully over my skin from time to time, and don't get me started on the weapons I can conjure up almost out of nowhere. Lucky for me, I have yet to meet someone whose ass I couldn't kick, inside the ring or out. I put that to the test when I run headfirst into a fight that brings all my secrets, and reality as I know it, crashing down around me. Now, I'm looking for answers and trying to piece together what the hell is going on. Paranormal is my new way of life. It's not going to be easy, and I'm not exactly welcome. That is, until I meet the boys, and trust me, they are anything but boyish. I'm up against elders who think I'm too powerful, a family who views me as a threat, and something lurking in the shadows that's been coming for me my whole life. There's not a chance in hell I'm going down without a fight. I'm not lost anymore, and I'm about to show this world exactly what I can do. Author's Note: This is the first book in *The Lost Sentinel Series* and ends with a cliffhanger. This book is a medium burn reverse harem story, intended for ages 18 years and older. This story contains strong language, sexual situations, and violence. Book two coming in January

the chosen: The Chosen Karen Langhorne Folan, Paul Langan, 2020-11-03 Cooper, I'm sorry, Darcy said quickly, trying to control the damage. I didn't mean that. This has nothing to do with you or this party. I just-- Girl, you better leave or things are gonna get ugly in here real quick, Tarah warned. Cooper stepped in between the girls then. Tarah, you don't wanna do this. Please... Darcy Wills feels the pressure. Her best friend, Tarah Carson has grown distant and hostile since the start of the school year. And a medical crisis in Darcy's family has stress boiling over at home. When surprising news forces Darcy to look at the future beyond Bluford High, she realizes huge decisions are looming. Unsure what to do but unable to avoid what's coming, Darcy has no easy options. Her choices will cut both ways. Some doors will open, but others may close forever.

And so— We have hope no matter our circumstances. We have assurances and resources, even in life's trials. We are blessed in all things because we are chosen by Him.

the chosen: Hunted Denise Grover Swank, D.G. Swank, 2014-12-02 **Updated to include the short story Homecoming.** A mother desperately searches for her son... Realizing she's capable of more than she ever suspected... While resisting the pull of a mysterious man who offers more questions than answers... Emma Thompson and Will Davenport may have escaped from the Vinco Potentia, but the secret political organization is far from their only problem. The trail to Jake is growing colder every day, but when Emma begins to display unusual powers of her own, Will wonders if her role in the prophecy is more significant than anyone ever believed. To find out, they delve into Emma's past while she struggles against a subconscious force – a force that takes the form of a man who knows too much, shares too little, and may be the biggest threat to her future yet. The Chosen series: Chosen Hunted Sacrifice Redemption

the chosen: The Chosen S. M. Stirling, David Drake, 1998-01-01 The hottest team in military SF is back in action¾ with Book I of a red-hot sequel to The General series! Planted by interstellar probes on hundreds of human-occupied worlds, the downloaded personalities of Raj Whitehall and the ancient battle computer known as Center work together for planetary unity. Their goal is to prepare those worlds for membership in the Second Federation of Man. But on one planet they do the opposite: on Visager they work to prevent unity. For on Visager a nation-state of vicious militarists is about to start the final war to unite their world—once that is accomplished and their technology has matured they will turn outward, bringing their fatal racist infection to the stars. John Hosten is the son of a high general of the Chosen. Jeffrey Fair is the son of an admiral of the only nation on Visager that might be capable of halting the onslaught. Through a strange twist of fate they have become as brothers united in their hatred of all that the Chosen hope to do. Only they ¾with the aid of the disembodied voices of their mentors from the stars—stand between eternal tyranny for their world and eternal war for the galaxy. At the publisher's request, this title is sold without DRM (Digital Rights Management).

the chosen: The Chosen Dwight K. Nelson, 2011 When you think of being chosen, does your mind go back to recess days on that schoolyard playground long ago, when Teacher asked the two biggest boys in the class to choose up teams? Remember how the rest of you lined up, dutifully waiting for your name to be called? And remember how you stood there, nervously holding your breath, shifting your weight from one sneaker to the other, hoping against hope that this time you'd be chosen? Good news. You have been chosen! Maybe not for the starting lineup on your school's basketball team or for the next promotion at work. But your calling is much more extraordinary For you are a chosen people, . . . a people belonging to God, that you may declare the praises of him who called you out of darkness into his wonderful light (1 Peter 2:9, NIV). Who is this God who has chosen you? Why have you been chosen? And how are the chosen to live? Join Dwight K. Nelson in an experience with God that will revolutionize your life as you stand where the chosen of old once stood on the brink of the Promised Land

the chosen: The Chosen Queen Joanna Courtney, 2015-05-07 1066. Three Queens. One Crown. As a young woman in England's royal court, Edyth, granddaughter of Lady Godiva, dreams of marrying for love. But political matches are rife while King Edward is still without an heir and the future of England is uncertain. When Edyth's family are exiled to the wild Welsh court, she falls in love with the charismatic King of Wales - but their romance comes at a price and she is catapulted onto the opposing side of a bitter feud with England. Edyth's only allies are Earl Harold Godwinson and his handfasted wife, Lady Svana. As the years pass, Edyth finds herself elevated to a position beyond even her greatest expectations. She enjoys both power and wealth but as her star rises the lines of love and duty become more blurred than she could ever have imagined. As 1066 dawns,

Edyth is asked to make an impossible choice. Her decision is one that has the power to change the future of England forever . . . The first book in The Queens of Conquest series, *The Chosen Queen* by Joanna Courtney is the perfect blend of history, fast-paced plot and sweeping romance with a cast of strong female characters - an unforgettable read. Perfect for fans of Elizabeth Chadwick and Philippa Gregory.

the chosen: *Chosen* Denise Grover Swank, D.G. Swank, 2014-12-09 **Updated to include the short story *Emergence*.** Everything Emma Thompson owns fits in a suitcase she moves from one roach infested motel to another. She and Jake, her five year old son who can see the future, are running from the men intent on taking him. Emma will do anything to protect him even when it means accepting the help of a stranger named Will. Jake insists she needs Will, but Emma's never needed help before. And even though she's learned to trust her son, it doesn't mean she trusts Will. Mercenary Will Davenport lives in the moment. Hauling Emma to South Dakota should have been an easy job, but his employer neglected to tell him about Emma's freaky son and the gunmen hot on her trail. Instinct tells him this job is trouble, but nothing can prepare him for Jake's proclamation that Will is The Chosen One, who must protect Emma from the men hunting her power. A power she doesn't know she has. Will protects Emma and Jake on a cross-country chase from the men pursuing them, while struggling with memories from his past, his apprehension of Jake, and his growing attraction to Emma. Will's overwhelming urge to protect Emma surprises him, especially since it has nothing to do with his paycheck and possibly everything to do with the tattoo Jake branded on his arm. Rich and powerful men are desperate to capture Emma, and Will must discover why before it's too late. The Chosen series: *Chosen* *Hunted* *Sacrifice* *Redemption*

the chosen: *The Chosen: And I Will Give You Rest* Jerry B. Jenkins, 2023-11-07 To the Pharisees, Jesus is a blasphemer. To the Roman authorities, he's a threat to their rule and order. But to the masses, he's a miraculous healer and a profound teacher. In this third installment of The Chosen series, we see Jesus healing the sick, preaching the Sermon on the Mount, feeding the five thousand, and raising the dead. We see his enemies growing ever more determined to silence him. And we see his very human disciples struggling with their own questions and concerns, believing in but not yet understanding their Messiah. Based on the acclaimed TV series *The Chosen*, the most amazing story ever told—the life of Jesus—gets a fresh, new telling from New York Times bestselling author Jerry B. Jenkins.

the chosen: *The Chosen* Alex Archer, 2007-01-01 Archaeologist Annja Creed believes there's more to the apparitions of Santo Niño—the Holy Child—luring thousands of pilgrims to Santa Fe. Other sightings of strange and anomalous creatures in the area indicate a mystery more profane than sacred—with links, perhaps, to Annja's own fate. But she is not alone in her quest to separate reliquaries from unholy minds who dare to harness sinister power. A dangerous yet enigmatic Jesuit, sworn to protect the Vatican at any cost, a brilliant young artist whose genius portrays a truth too potent for words and a famed monster hunter with a terrifying agenda are the keys to the secrets that lie in the heart of Los Alamos—and unlocking the door to the very fabric of time itself....

the chosen: *The Chosen* Athena Taylor Lester, 2010-06 Will she obey? Will she follow? Can she trust? Can she succeed? Tachee, the last of the mantii race, faces these questions as she begins her journey. She is constantly being taught and trained; but for what? She wonders, and she prays... Tachee awakes one morning to find her usual routine and lone companion are taken away suddenly. In the elvish city, Un Wava, Tachee begins discovering her skills, learns a history she never knew, and develops much longed for friends. She finds contentment, when she is called to leave it all behind, and by someone Tachee never thought she would encounter. Unsure of herself but discontent to stay, she chooses to obey and embarks on a journey that both reveals and develops her true character. Danger, excitement, rest and friendship await her on a journey through a land full of secrets, darkness and enemies. However, light is coming... Athena Taylor Lester is a home school student who loves reading, and particularly enjoys fantastical fiction. She started writing at an early age, and at 13 decided to try her hand at writing a full-scale fantasy novel. Her passion is to write stories that are not bogged down with superfluous spooks or false ideas frequently found in fantasy

novels. In contrast, her desire is to write enjoyable adventures wherein her readers are left encouraged and with themes reinforcing truth. In all of her novels (this one and the ones still in her head) she strives for messages reflecting truth and inspiration to press on toward the mark set before us. Athena lives in North Central Arkansas and she wants everyone to know her favorite color is pink.

the chosen: *The Chosen Peoples* Todd Gitlin, Liel Leibovitz, 2010-09-14 Americans and Israelis have often thought that their nations were chosen, in perpetuity, to do God's work. This belief in divine election is a potent, living force, one that has guided and shaped both peoples and nations throughout their history and continues to do so to this day. Through great adversity and despite serious challenges, Americans and Jews, leaders and followers, have repeatedly faced the world fortified by a sense that their nation has a providential destiny. As Todd Gitlin and Liel Leibovitz argue in this original and provocative book, what unites the two allies in a "special friendship" is less common strategic interests than this deep-seated and lasting theological belief that they were chosen by God. The United States and Israel each has understood itself as a nation placed on earth to deliver a singular message of enlightenment to a benighted world. Each has stumbled through history wrestling with this strange concept of chosenness, trying both to grasp the meaning of divine election and to bear the burden it placed them under. It was this idea that provided an indispensable justification when the Americans made a revolution against Britain, went to war with and expelled the Indians, expanded westward, built an overseas empire, and most recently waged war in Iraq. The equivalent idea gave rise to the Jewish people in the first place, sustained them in exodus and exile, and later animated the Zionist movement, inspiring the Israelis to vanquish their enemies and conquer the West Bank and the Gaza Strip. Everywhere you look in American and Israeli history, the idea of chosenness is there. *The Chosen Peoples* delivers a bold new take on both nations' histories. It shows how deeply the idea of chosenness has affected not only their enthusiasts but also their antagonists. It digs deeply beneath the superficialities of headlines, the details of negotiations, the excuses and justifications that keep cropping up for both nations' successes and failures. It shows how deeply ingrained is the idea of a chosen people in both nations' histories—and yet how complicated that idea really is. And it offers interpretations of chosenness that both nations dearly need in confronting their present-day quandaries. Weaving together history, theology, and politics, *The Chosen Peoples* vividly retells the dramatic story of two nations bound together by a wild and sacred idea, takes unorthodox perspectives on some of our time's most searing conflicts, and offers an unexpected conclusion: only by taking the idea of chosenness seriously, wrestling with its meaning, and assuming its responsibilities can both nations thrive.

the chosen: *The Chosen* Arlene Hunt, 2011-10-17 On a hot summer's day in the sleepy American town of Rockville, Jessie Conway, a teacher at the local high school, notices a car driving slowly around the school grounds. Twenty minutes later Jessie is fighting for her life and Rockville is plunged into living nightmare after a gun-toting student unleashes bloody mayhem. For Jessie the horror is just beginning. Traumatized and hounded by the media she retreats to her home and tries to rebuild her shattered life. Caleb Switch watches the developments in Rockville with interest. A skilled and diligent killer, his recent selections have disappointed him, offering little challenge to a man of his predilections. Jessie Conway interests him: for she is no ordinary woman and a fine choice for a less than ordinary man. As Jessie struggles to hold onto her marriage and her sanity she has no idea that she has become *The Chosen*. REVIEWS "A gripping read" - Sunday Times "The Chosen is certainly a story that would work on the big screen. The perfect read." - RTE "Though she's well known in her native Ireland and the UK, *The Chosen* marks author Arlene Hunt's highest profile release here in the U.S., and what a tremendous "Pleased to meet ya!" it is." - Elizabeth White "A taut, sharp, gripping re-imagining of the serial-killer novel" - Tana French Five stars! - TV3

the chosen: *The Chosen Primate* Adam Kuper, 1994 *The Chosen Primate* ends by looking forward to the next millennium, noting that our future depends on our response to another fundamental question: Will our culture, which has given us the means to adapt successfully to nature, ultimately destroy nature? In raising this question, Kuper shows that debates in

anthropology are more than just academic disputes - they engage the major issues of our time.

the chosen: *Chosen by God* R. C. Sproul, 2011-02-18 Nearly 200,000 copies sold! Chosen by God by Dr. R. C. Sproul is a contemporary classic on predestination, a doctrine that isn't just for Calvinists. It is a doctrine for all biblical Christians. In this updated and expanded edition of Chosen by God, Sproul shows that the doctrine of predestination doesn't create a whimsical or spiteful picture of God, but rather paints a portrait of a loving God who provides redemption for radically corrupt humans. We choose God because he has opened our eyes to see his beauty; we love him because he first loved us. There is mystery in God's ways, but not contradiction.

the chosen: *The Chosen Few* Gregg Zoroya, 2017-02-14 The never-before-told story of one of the most decorated units in the war in Afghanistan and its fifteen-month ordeal that culminated in the 2008 Battle of Wanat, the war's deadliest A single company of US paratroopers--calling themselves the Chosen Few--arrived in eastern Afghanistan in late 2007 hoping to win the hearts and minds of the remote mountain people and extend the Afghan government's reach into this wilderness. Instead, they spent the next fifteen months in a desperate struggle, living under almost continuous attack, forced into a slow and grinding withdrawal, and always outnumbered by Taliban fighters descending on them from all sides. Month after month, rocket-propelled grenades, rockets, and machine-gun fire poured down on the isolated and exposed paratroopers as America's focus and military resources shifted to Iraq. Just weeks before the paratroopers were to go home, they faced their last--and toughest--fight. Near the village of Wanat in Nuristan province, an estimated three hundred enemy fighters surrounded about fifty of the Chosen Few and others defending a partially finished combat base. Nine died and more than two dozen were wounded that day in July 2008, making it arguably the bloodiest battle of the war in Afghanistan. The Chosen Few would return home tempered by war. Two among them would receive the Medal of Honor. All of them would be forever changed.

the chosen: *The Chosen* Usha K. R., 2003 Usha K.R. Is A Miniaturist, And She Shares The Miniaturist S Fierce Love Of Technical Virtuosity And Minute Attention To Detail. Namita Gokhale Her Familiar Existence Disrupted After Her Father S Death, Nagaratna Is Forced To Move From Her Village To The Semi-Squalid Environs Of Vitthala Colony In The City Of Bangalore, Where Her Brother Lives. A Former Village That Has Been Engulfed By The Expanding Metropolis, Vitthala Colony Retains Some Of The Primitive Characteristics Of A South Indian Village. It Is The Bastion Of The Lesser Tradition, For Here Live Plague-Amma, The Goddess Who Was Created When An Epidemic Of Plague Swept The Land, And Nallikai Swami, A No-Nonsense Swami Named After The Four Gooseberry Trees In His Compound. Trapped In This World With People Whom She Sees As Leading Truncated Lives, People With Thickened Sensibilities And No Hope, Nagaratna Yearns For Something Uncluttered And Noble And Fulfilling . And Then A Job In An Exclusive Ashram School Allows Her To Glimpse A World Where The Human State Of Grace Has Been Restored, A School Emblematic Of The Restraint And Good Taste Inculcated By A More Sophisticated Awareness . . . Nagaratna Is Transfigured By The Life It Offers And The People She Meets, And Most Importantly, By The Love She Believes She Has Found. Set In Southern India, Shifting Between Bangalore And A Fictional French Protectorate On The Western Coast Where The Ashram Is Located, The Chosen Tells The Compelling Story Of A Young Woman Torn Between Who She Is And Who She Wants To Be.

the chosen: *Blood of the Chosen* Django Wexler, 2021-10-05 In the second book of Django Wexler's epic fantasy trilogy about two siblings divided by magic and revolution, Gyre must travel across the Splinter Kingdoms to rally the rebels to his side, while his sister Maya uncovers the secrets of a powerful artifact that could change everything. Gyre finally sees a way to overthrow the all-powerful Twilight Order. But he'll have to gain the alliance of both the ghouls and the human rebels to the south in order to even stand have a chance. And uniting them won't be so simple. His sister Maya is still a soldier of the Order. But after clashing with her brother, she isn't so certain where her loyalties lie. Chasing the origins of a mysterious artifact to a long-lost library, she just might find the answers she's looking for. Burning Blade & Silver Eye Ashes of the Sun Blood of the

Chosen Fantasy at its finest. —Nicholas Eames, on *Ashes of the Sun*

the chosen: *The Chosen One* Carol Lynch Williams, 2010-08-05 Thirteen-year-old Kyra has grown up in an isolated community without questioning the fact that her father has three wives and she has twenty brothers and sisters. That is, without questioning them much - if you don't count her secret visits to the Mobile Library on Wheels to read forbidden books, or her meetings with Joshua, the boy she hopes to choose for herself instead of having a man chosen for her. But when the Prophet decrees that she must marry her sixty-year-old uncle - who already has six wives - Kyra must make a desperate choice in the face of violence and her own fears of losing her family forever.

the chosen: *Jesus Loves the Little Children* Amanda Jenkins, 2020-12-08

the chosen: *The Chosen Few* Maristella Botticini, Zvi Eckstein, 2012 Maristella Botticini and Zvi Eckstein show that, contrary to previous explanations, this transformation was driven not by anti-Jewish persecution and legal restrictions, but rather by changes within Judaism itself after 70 CE--most importantly, the rise of a new norm that required every Jewish male to read and study the Torah and to send his sons to school. Over the next six centuries, those Jews who found the norms of Judaism too costly to obey converted to other religions, making world Jewry shrink. Later, when urbanization and commercial expansion in the newly established Muslim Caliphates increased the demand for occupations in which literacy was an advantage, the Jews found themselves literate in a world of almost universal illiteracy. From then forward, almost all Jews entered crafts and trade, and many of them began moving in search of business opportunities, creating a worldwide Diaspora in the process.

the chosen: *Chosen Ones* Veronica Roth, 2020 The mega-selling author of the *Divergent* franchise delivers her masterful first novel for adults.

the chosen: *The Chosen* Elizabeth Lowry, 2023-04-13 'A delicate novel, finely judged and full of insight' Hilary Mantel SHORTLISTED FOR THE WALTER SCOTT PRIZE FOR HISTORICAL FICTION 2023 SHORTLISTED FOR THE HWA GOLD CROWN AWARD 2023 One Wednesday morning in November 1912 the ageing Thomas Hardy, entombed by paper and books and increasingly estranged from his wife Emma, finds her dying in her bedroom. Between his speaking to her and taking her in his arms, she has gone. The day before, he and Emma had exchanged bitter words - leading Hardy to wonder whether all husbands and wives end up as enemies to each other. His family and Florence Dugdale, the much younger woman with whom he has been in a relationship, assume that he will be happy and relieved to be set free. But he is left shattered by the loss. Hardy's bewilderment only increases when, sorting through Emma's effects, he comes across a set of diaries that she had secretly kept about their life together, ominously titled 'What I Think of My Husband'. He discovers what Emma had truly felt - that he had been cold, remote and incapable of ordinary human affection, and had kept her childless, a virtual prisoner for forty years. Why did they ever marry? He is consumed by something worse than grief: a chaos in which all his certainties have been obliterated. He has to re-evaluate himself, and reimagine his unhappy wife as she was when they first met. Hardy's pained reflections on the choices he has made, and must now make, form a unique combination of love story and ghost story, by turns tender, surprising, comic and true. *The Chosen* - the extraordinary new novel by Elizabeth Lowry - hauntingly searches the unknowable spaces between man and wife; memory and regret; life and art.

the chosen: *The Chosen Twelve* James Breakwell, 2022-01-18 There are 22 candidates. There are 12 seats. The last interstellar colony ship is down to its final batch of humans after the robots in charge unhelpfully deleted the rest. But rebooting a species and training them for the arduous task of colonisation isn't easy - especially when the planet below is filled with monsters, the humans are more interested in asking questions than learning, and the robots are all programmed to kill each other. But the fate of humanity rests on creating a new civilization on the planet below, and there are twelve seats on the lander. Will manipulation or loyalty save the day?

the chosen: *Chosen* Donna Snow, 2021-03-02 Within the Bible, the book of Esther is interesting for many reasons. Perhaps at the top of the list is the fact that it never mentions God. His name is not brought up throughout the entirety of the book, and yet you still know God is there, working His

plan through Esther. See how Esther's story can be a parallel to Christ's story, and how through her story you can see God working in your life today. This eight-lesson Bible study will give readers clear direction on how Christ has chosen and equipped them for God's beautiful plan.

the chosen: What Does It Mean to Be Chosen? Amanda Jenkins, Dallas Jenkins, Douglas S. Huffman, 2021-01-21 This is the official companion study to season 1 of The Chosen, the groundbreaking television series about the life of Jesus. What Does It Mean to Be Chosen? parallels each episode, connecting readers to the Bible in a brand-new way. It includes: A deeper look at Isaiah 43 and its fulfillment in Jesus and the lives of His followers (including us!) Script excerpts, quotes, and illustrations from the show Guiding questions for groups or individuals Being chosen by Jesus has beautiful and far-reaching implications--although it says even more about the Chooser than the choosees. We are loved because He's love. We are saved because He's merciful. We belong to the family of God because Jesus invites us, making the Bible and all its promises as true for us today as it was for God's chosen nation. What does it actually mean to be Chosen? To answer that question, we're going Old school--Testament that is--which leads us back to the New. Which always leads us directly to Jesus.
