Understanding the Great Controversy: Definition and Origins

The term "the great controversy" refers primarily to the cosmic struggle between good and evil, often depicted as the battle between God and Satan. This concept is foundational in certain branches of Christianity, where it underscores the ongoing conflict affecting humanity and the universe. The origins of the great controversy can be traced to ancient religious texts and traditions that emphasize duality—the persistent opposition between divine forces and adversarial powers.

In theological discourse, the great controversy is not merely an abstract idea but a framework for interpreting the nature of suffering, redemption, and the ultimate fate of the world. It has been used to explain moral dilemmas, historical events, and individual spiritual journeys. By examining the roots of the great controversy, we gain insight into how this concept shapes religious beliefs and personal worldviews across cultures and generations.

Historical Foundations and Biblical Context

Biblical Origins of the Great Controversy

The great controversy finds its earliest expressions within the Bible, particularly in passages that describe the rebellion of Lucifer (Satan) against God and the subsequent consequences for humanity. Key biblical texts, such as Genesis, Isaiah, Ezekiel, and Revelation, outline the narrative of a cosmic conflict that impacts both heaven and earth. These scriptures highlight the central themes of temptation, sin, and redemption, forming the backbone of the great controversy doctrine.

Development Through Religious History

Over centuries, the theme of the great controversy evolved within religious thought. Early Christian writers and theologians expanded on the biblical account, interpreting historical events and personal experiences through the lens of spiritual warfare. The concept became especially prominent during periods of religious reform and revival, where it was used to inspire faith, resilience, and moral clarity.

- Early Church Fathers emphasized the war between spiritual forces.
- Medieval theologians linked the great controversy to the problem of evil.
- Reformation leaders invoked the concept to challenge established authority.

The Great Controversy in Christian Theology

Doctrinal Significance

The great controversy is central to the theological framework of many Christian denominations, particularly within Adventist, evangelical, and Protestant traditions. It serves as a lens through which believers interpret biblical prophecy, salvation, and divine justice. The doctrine asserts that every individual is involved in the cosmic conflict, with personal choices reflecting allegiance either to God or to opposing forces.

Salvation and Redemption

Within the context of the great controversy, salvation is viewed as the ultimate victory of good over evil. The life, death, and resurrection of Jesus Christ are understood as pivotal events that decisively impact the outcome of the conflict. Believers are encouraged to participate actively in this spiritual struggle by embracing faith, practicing righteousness, and resisting temptation.

Influential Literature: Ellen G. White's "The Great Controversy"

Overview of the Book

One of the most influential treatments of the great controversy is Ellen G. White's book, "The Great Controversy," published in the late 19th century. This seminal work offers a detailed narrative of the cosmic conflict, tracing its development from the fall of Lucifer to the final restoration of the world. White's writings have profoundly shaped Adventist theology and inspired generations of readers worldwide.

Impact and Legacy

White's "The Great Controversy" has been translated into numerous languages and distributed globally. It has played a key role in defining the beliefs and mission of the Seventh-day Adventist Church, emphasizing themes of prophecy, persecution, and ultimate triumph. The book encourages readers to remain vigilant and steadfast, viewing daily life as part of the larger spiritual struggle.

- Highlights the importance of personal faith and vigilance.
- Examines historical events as markers in the cosmic conflict.
- Promotes the hope of eventual restoration and peace.

Key Themes and Interpretations

Conflict Between Good and Evil

At its core, the great controversy centers on the ongoing battle between righteousness and wickedness. This theme resonates in literature, art, and popular culture, reflecting the universal struggle to uphold moral values in the face of adversity. The concept is often used to analyze historical events, societal changes, and personal challenges.

Prophecy and Eschatology

The great controversy is closely tied to biblical prophecy and eschatology—the study of end times. Many interpretations focus on the fulfillment of prophetic events as evidence of the cosmic conflict's

progression. Believers look to signs in world affairs, natural disasters, and moral trends as indicators of the ongoing struggle and the eventual resolution foretold in scripture.

Modern Relevance and Societal Impact

Influence on Contemporary Beliefs

Today, the great controversy continues to shape religious practice, ethical decision-making, and community life. It influences sermons, educational materials, and outreach efforts, encouraging individuals to view their actions within the broader context of spiritual warfare. The doctrine fosters a sense of purpose and urgency, motivating believers to engage in evangelism and social justice.

Role in Global Dialogue

Beyond religious circles, the great controversy concept has entered public discourse on topics such as morality, justice, and human rights. It provides a framework for understanding the sources of conflict and the potential for reconciliation. As societies grapple with complex challenges, the idea of a cosmic struggle between good and evil remains a powerful narrative for interpreting world events.

- Shapes perspectives on justice and peace.
- Encourages dialogue on ethical issues.
- Promotes resilience in times of crisis.

Common Misconceptions and Clarifications

Misunderstandings About the Great Controversy

Despite its widespread influence, the great controversy is sometimes misunderstood or misrepresented. Some view it as mere allegory, while others mistake it for fatalistic determinism. It is important to clarify that the doctrine emphasizes personal responsibility, free will, and the possibility of redemption, rather than a predetermined outcome.

Clarifying the Cosmic Conflict

The great controversy is not limited to supernatural forces; it encompasses the moral choices and ethical dilemmas faced by individuals and communities. By understanding its true meaning, readers can appreciate its relevance to everyday life, spiritual growth, and societal progress.

- Focuses on active participation in spiritual matters.
- Stresses hope, redemption, and transformation.
- Rejects fatalism and encourages moral agency.

Summary and Insights

The great controversy remains a profound and far-reaching concept in theology, history, and culture. Its origins in biblical teachings and subsequent development through literature and doctrine offer a rich framework for understanding the nature of conflict, redemption, and hope. By exploring its themes and modern relevance, readers can gain deeper insight into the forces shaping spiritual and societal dynamics. The enduring appeal of the great controversy lies in its ability to address fundamental questions about good, evil, and the destiny of humanity.

Q: What is the great controversy in Christian theology?

A: The great controversy refers to the ongoing cosmic conflict between good and evil, primarily viewed as the battle between God and Satan. It is a central theme in Christian theology that explains the nature of suffering, redemption, and the ultimate fate of humanity.

Q: Who wrote the influential book "The Great Controversy"?

A: Ellen G. White authored "The Great Controversy," a prominent book that explores the cosmic conflict between good and evil from biblical times to the future restoration, influencing Adventist theology and Christian thought.

Q: How does the great controversy affect modern society?

A: The great controversy influences ethical decision-making, religious practices, and public discussions about morality and justice. It encourages individuals and communities to view their actions within the broader context of spiritual and societal conflict.

Q: What are some key biblical texts related to the great controversy?

A: Key biblical texts include Genesis, Isaiah, Ezekiel, and Revelation, which describe the rebellion of Lucifer, the origins of sin, and prophetic visions of the ultimate resolution between good and evil.

Q: Is the great controversy only a religious concept?

A: While its roots are primarily religious, the great controversy also appears in philosophical, literary, and cultural contexts, offering a framework for interpreting human conflict, justice, and reconciliation.

Q: What are common misconceptions about the great controversy?

A: Common misconceptions include viewing the doctrine as fatalistic or purely allegorical. In reality, it emphasizes personal responsibility, free will, and hope for redemption.

Q: How is the great controversy depicted in literature?

A: In literature, especially works like Ellen G. White's "The Great Controversy," the concept is depicted through detailed narratives of historical events, prophecy, and moral lessons, highlighting the cosmic battle between good and evil.

Q: Why is the great controversy important for spiritual growth?

A: The great controversy encourages believers to actively participate in the struggle against evil by making moral choices, practicing faith, and seeking spiritual transformation.

Q: Can non-religious people find value in the concept of the great controversy?

A: Yes, the concept provides valuable perspectives on ethical dilemmas, justice, and the human condition, making it relevant for both religious and non-religious individuals.

Q: What is the ultimate outcome of the great controversy according to doctrine?

A: According to most Christian doctrines, the great controversy will culminate in the final defeat of evil, the restoration of peace, and the fulfillment of divine justice.

The Great Controversy: Unpacking Ellen G. White's Masterpiece and its Enduring Relevance

Introduction:

For over a century, "The Great Controversy" by Ellen G. White has captivated readers, sparking discussions and igniting debate. This book, a sweeping historical narrative intertwined with prophetic interpretation, isn't just a historical account; it's a theological framework that continues to shape perspectives on history, prophecy, and the ongoing spiritual conflict between good and evil. This in-depth exploration delves into the core themes of "The Great Controversy," examining its historical context, theological significance, and its enduring relevance in today's world. We'll dissect its key arguments, address common critiques, and ultimately, help you understand why this book remains a compelling and controversial read for millions.

H2: A Historical Overview: Tracing the Roots of the Conflict

"The Great Controversy" isn't just a theological treatise; it's a meticulously researched historical narrative tracing the conflict between good and evil from the rebellion in Heaven to the anticipated second coming of Christ. White meticulously weaves together biblical accounts with historical events, arguing that a single, overarching conflict underpins human history. This isn't simply a retelling of historical events; it's a presentation of those events within a specific theological lens, portraying the constant struggle between Christ and Satan for the hearts and minds of humanity. She highlights key figures, institutions, and movements, positioning them within this larger cosmic battle. Understanding this historical framework is crucial to grasping the book's central message.

H2: Key Theological Themes: Exploring the Central Arguments

The book's core message revolves around the concept of the "Great Controversy," a cosmic struggle between Christ and Satan, played out on the stage of human history. Several key theological themes emerge:

H3: The Nature of God and Satan: White presents a clear dichotomy between the benevolent, loving nature of God and the deceptive, malevolent nature of Satan. This portrayal is fundamental to understanding the motivations behind the conflict and the consequences of choosing one side over the other.

H3: The Role of Prophecy: Prophecy plays a crucial role in "The Great Controversy," providing a framework for interpreting historical events and predicting future developments. White utilizes biblical prophecy alongside historical analysis to support her claims about the ongoing conflict and its ultimate resolution. However, interpretations of prophecy are often debated and require careful consideration.

H3: The Importance of Human Choice: Despite the cosmic scale of the conflict, "The Great Controversy" emphasizes the importance of individual choice. Humans are presented as free agents,

capable of choosing to align themselves with either Christ or Satan. This choice determines their ultimate destiny.

H2: Criticisms and Counterarguments: Addressing Common Objections

"The Great Controversy" has faced its share of criticism. Some argue that its historical interpretations are overly simplistic or biased, while others question its reliance on prophetic interpretations. Critics often point to a lack of rigorous historical methodology and a potential conflation of biblical interpretation with contemporary political and social contexts. Addressing these concerns requires a nuanced understanding of the book's context and intended audience. It's essential to approach the text critically, acknowledging both its strengths and its limitations.

H2: The Enduring Relevance: Why "The Great Controversy" Still Matters Today

Despite its age, "The Great Controversy" maintains relevance in the 21st century. The core themes of good versus evil, the struggle for truth, and the importance of individual choice remain deeply resonant. In a world grappling with moral dilemmas, social injustice, and political polarization, the book's message of hope and ultimate victory for good offers a framework for understanding contemporary challenges within a larger spiritual context. Its examination of power structures, corruption, and the manipulation of truth resonates with current events, prompting readers to critically examine their own lives and the world around them.

Conclusion:

"The Great Controversy" remains a significant work, provoking thought and debate even today. While its interpretations may be contested, its exploration of the perennial struggle between good and evil provides a framework for understanding history and navigating the complexities of the present. It encourages readers to engage with profound questions about faith, morality, and the ultimate destiny of humanity. Its enduring legacy lies in its ability to spark dialogue and inspire individuals to actively participate in the ongoing conflict, choosing the side of truth and righteousness.

FAQs:

1. Is "The Great Controversy" solely a religious text? While rooted in religious beliefs, the book uses historical and social analysis to support its theological arguments, making it accessible to a wider audience interested in history and the human condition.
2. How does "The Great Controversy" address contemporary issues? The themes of deception, manipulation, and the abuse of power, explored within the historical context, provide a framework for understanding and analyzing similar issues present in contemporary society.
3. What makes "The Great Controversy" controversial? Its interpretations of history, prophecy, and the nature of spiritual conflict are often viewed as subjective and open to different interpretations, leading to debates and differing perspectives.
4. Is "The Great Controversy" essential reading for everyone? The book's value depends on the reader's interests and background. Those interested in religious history, theological discussions, or

prophetic interpretations will likely find it engaging.

5. Where can I find reliable resources to further explore the themes of "The Great Controversy"? Scholarly articles, theological commentaries, and historical analyses focusing on the book's key themes and arguments offer a deeper understanding beyond the text itself. Consulting multiple sources is crucial for a balanced perspective.

the great controversy: The Great Controversy Ellen Gould White, 2017-03-02 A foundational text in the Seventh Day Adventist church, The Great Controversy is a vision White had of the great battle between Christ and Satan throughout the ages of the early and modern church. Although the book is not held with as high esteem in Protestant circles, it still is able to outline a way of impactful theological thinking.

the great controversy: The Great Controversy Between Christ and Satan: From the Destruction of Jerusalem to the End of the Controversy Ellen G. White, 2020-02-20 The Lord has shown me that Satan was once an honored angel in heaven, next to Jesus Christ. His countenance was mild, expressive of happiness like the other angels. His forehead was high and broad, and showed great intelligence. His form was perfect. He had noble, majestic bearing. And I saw that when God said to his Son, Let us make man in our image, Satan was jealous of Jesus. He wished to be consulted concerning the formation of man. He was filled with envy, jealousy and hatred. He wished to be the highest in heaven, next to God, and receive the highest honors. Until this time all heaven was in order, harmony and perfect subjection to the government of God.-Ellen G White

the great controversy: The Great Controversy Between Christ and Satan Ellen Gould Harmon White, 2020-09-28 Before the entrance of sin, Adam enjoyed open communion with his Maker; but since man separated himself from God by transgression, the human race has been cut off from this high privilege. By the plan of redemption, however, a way has been opened whereby the inhabitants of the earth may still have connection with heaven. God has communicated with men by His Spirit, and divine light has been imparted to the world by revelations to His chosen servants. "Holy men of God spake as they were moved by the Holy Ghost." 2 Peter 1:21. During the first twenty-five hundred years of human history, there was no written revelation. Those who had been taught of God, communicated their knowledge to others, and it was handed down from father to son, through successive generations. The preparation of the written word began in the time of Moses. Inspired revelations were then embodied in an inspired book. This work continued during the long period of sixteen hundred years,—from Moses, the historian of creation and the law, to John, the recorder of the most sublime truths of the gospel. The Bible points to God as its author; yet it was written by human hands; and in the varied style of its different books it presents the characteristics of the several writers. The truths revealed are all "given by inspiration of God" (2 Tim. 3:16); yet they are expressed in the words of men. The Infinite One by His Holy Spirit has shed light into the minds and hearts of His servants. He has given dreams and visions, symbols and figures; and those to whom the truth was thus revealed, have themselves embodied the thought in human language. The ten commandments were spoken by God Himself, and were written by His own hand. They are of divine, and not of human composition. But the Bible, with its God-given truths expressed in the language of men, presents a union of the divine and the human. Such a union existed in the nature of Christ, who was the Son of God and the Son of man. Thus it is true of the Bible, as it was of Christ, that "the Word was made flesh, and dwelt among us." John 1:14. Written in different ages, by men who differed widely in rank and occupation, and in mental and spiritual endowments, the books of the Bible present a wide contrast in style, as well as a diversity in the nature of the subjects unfolded. Different forms of expression are employed by different writers; often the same truth is more strikingly presented by one than by another. And as several writers present a subject under varied aspects and relations, there may appear, to the superficial, careless, or prejudiced reader, to be discrepancy or contradiction, where the thoughtful, reverent student, with clearer insight,

discerns the underlying harmony. As presented through different individuals, the truth is brought out in its varied aspects. One writer is more strongly impressed with one phase of the subject; he grasps those points that harmonize with his experience or with his power of perception and appreciation; another seizes upon a different phase; and each, under the guidance of the Holy Spirit, presents what is most forcibly impressed upon his own mind—a different aspect of the truth in each, but a perfect harmony through all. And the truths thus revealed unite to form a perfect whole, adapted to meet the wants of men in all the circumstances and experiences of life. God has been pleased to communicate His truth to the world by human agencies, and He Himself, by His Holy Spirit, qualified men and enabled them to do this work. He guided the mind in the selection of what to speak and what to write. The treasure was intrusted to earthen vessels, yet it is, none the less, from Heaven. The testimony is conveyed through the imperfect expression of human language, yet it is the testimony of God; and the obedient, believing child of God beholds in it the glory of a divine power, full of grace and truth.

the great controversy: *The Great Hope* Ellen G. White, 2011

the great controversy: *The Great Controversy* Ellen G. White, 2017 The Protestant Reformers loved their church, but they loved God's Word even more. The Bible and the Bible only as the rule of law and practice was their motto. Martin Luther, John Calvin, William Tyndale, and others pointed people to the Bible, not the church, as the supreme source of truth. Their convictions brought them into heated controversy with the religious establishment of their day. But their passion for the truths of Scripture led them to stand firm for their convictions despite intense persecution and even death. Five hundred years later, have we forgotten the principles for which these courageous Christians struggled and sacrificed? In too many churches, members rest their faith on a preacher or a creed rather than on the Holy Scriptures. Most people today are no more eager to follow an unpopular truth than were the church leaders of the sixteenth century ... The experience of the Reformers contains vital lessons for our time. If you've forgotten that history - or perhaps you've never heard it - you need to read this book ... from the back cover.

the great controversy: **Happiness Digest** Ellen G. White, 1994-03

the great controversy: *The Great Controversy & the Bible Made Plain* Ellen G. White, 2016-01-27 Since the beginning of the world's history, there have been two supernatural powers contending for supremacy of the world: the one seeking to establish a kingdom built on laws of love and truth; the other, on the laws of selfishness and deception. This warfare, involving the entire universe, touches every life. In fact, this earth has become the final battleground where the powers of evil and the powers of good have met to demonstrate, before humanity and the unseen intelligence of other worlds, whose right it is to rule the expanse of creation. These two contending powers are Christ and Satan; and the great and final battle, the battle to end all battles, is right now being fought before our very eyes. The Great Controversy unveils these two forces at work in human history and in the events that are soon to change the course of this world forever. *The Bible Made Plain* is a verse-by-verse study of nineteen of the most important subjects of Scripture, highlighting the truths of the greatest consequence of all living in these last days before Christ returns as King of kings and Lord of lords, the rightful ruler of earth and heaven.

the great controversy: **Grace and the Great Controversy** Gordon Kainer, 2010-07-07 The author reveals how grace is the heart of the gospel—a liberating, life-giving and comforting melody throughout the Bible. Grace is our certainty of eternal life and God's all-encompassing acceptance. Without grace, our religious beliefs are bad news, thus this book's advice, Grace: never leave home without it! Learn how God's grace is absolute and all inclusive; something we never deserve or earn! Grace offers the most refreshing peace we will ever know. Grace is the solution to every problem and menacing crisis threatening our planet. Rightly understood, grace points exclusively and continuously to Jesus. Then why is God's gift of grace so controversial or even difficult for Christians to accept? Could it be because grace is totally unbelievable, unexpected and undeserved? Is this why

legalism, the enemy of grace, is so common and hard to recognize in ourselves? Grappling with these questions, the author reveals how, from Eden to our day, cradled at the very heart of the great controversy is grace.

the great controversy: The Holy War Made by Shaddai Upon Diabolus John Bunyan, 1817

the great controversy: The Amityville Horror Jay Anson, 2019-12-03 "A fascinating and frightening book" (Los Angeles Times)—the bestselling true story about a house possessed by evil spirits, haunted by psychic phenomena almost too terrible to describe. In December 1975, the Lutz family moved into their new home on suburban Long Island. George and Kathleen Lutz knew that, one year earlier, Ronald DeFeo had murdered his parents, brothers, and sisters in the house, but the property—complete with boathouse and swimming pool—and the price had been too good to pass up. Twenty-eight days later, the entire Lutz family fled in terror. This is the spellbinding, shocking true story that gripped the nation about an American dream that turned into a nightmare beyond imagining—"this book will scare the hell out of you" (Kansas City Star).

the great controversy: The Pig Book Citizens Against Government Waste, 2013-09-17 The federal government wastes your tax dollars worse than a drunken sailor on shore leave. The 1984 Grace Commission uncovered that the Department of Defense spent \$640 for a toilet seat and \$436 for a hammer. Twenty years later things weren't much better. In 2004, Congress spent a record-breaking \$22.9 billion dollars of your money on 10,656 of their pork-barrel projects. The war on terror has a lot to do with the record \$413 billion in deficit spending, but it's also the result of pork over the last 18 years the likes of: - \$50 million for an indoor rain forest in Iowa - \$102 million to study screwworms which were long ago eradicated from American soil - \$273,000 to combat goth culture in Missouri - \$2.2 million to renovate the North Pole (Lucky for Santa!) - \$50,000 for a tattoo removal program in California - \$1 million for ornamental fish research Funny in some instances and jaw-droppingly stupid and wasteful in others, The Pig Book proves one thing about Capitol Hill: pork is king!

the great controversy: The Great Controversy Ellen White, 2023-04-07 In today's world of chaos, uncertainty fills the hearts of millions. Perhaps you, too, have tried to make sense of global pandemics, natural disasters, political upheaval and moral degradation. Or maybe your concerns are more personal as addiction, divorce, sickness or family tragedy have brought you to life's most important questions: Does God really exist? Why is there pain and evil in this world? What does the future hold? How can I experience personal peace? Readers of The Great Controversy have found the answers to these questions. The Great Controversy pulls aside the veil and exposes the battle between good and evil behind the scenes of this world's turmoil. Millions have found hope within its pages as they have caught a glimpse of a future filled with peace and certainty. If you find yourself seeking answers to life's deepest questions, The Great Controversy is for you.

the great controversy: Feminist City Leslie Kern, 2020-07-07 Feminist City is an ongoing experiment in living differently, living better, and living more justly in an urban world. We live in the city of men. Our public spaces are not designed for female bodies. There is little consideration for women as mothers, workers or carers. The urban streets often are a place of threats rather than community. Gentrification has made the everyday lives of women even more difficult. What would a metropolis for working women look like? A city of friendships beyond Sex and the City. A transit system that accommodates mothers with strollers on the school run. A public space with enough toilets. A place where women can walk without harassment. In Feminist City, through history, personal experience and popular culture Leslie Kern exposes what is hidden in plain sight: the social inequalities built into our cities, homes, and neighborhoods. Kern offers an alternative vision of the feminist city. Taking on fear, motherhood, friendship, activism, and the joys and perils of being alone, Kern maps the city from new vantage points, laying out an intersectional feminist approach to urban histories and proposes that the city is perhaps also our best hope for shaping a new urban future. It is time to dismantle what we take for granted about cities and to ask how we can build more just, sustainable, and women-friendly cities together.

the great controversy: The Retirement Years Ellen Gould Harmon White, 1990 The resources and help contained in Ellen White's writings have been brought together in a book aimed especially for the preretirement and retirement years. - Adventist Pioneers. Usefulness of Older Workers. Association of Young With Old. Obligation of Children to Aged Parents. Care of the Aged. Cautions for Aging Persons. Stewardship While Living. Importance of Wills. Remarriage in Old Age. Conserving Life's Energies. Fortitude in Affliction. Assurance and Comfort for Those Facing Death. The Hour of Bereavement. Lessons From Bible Characters. Appendix. A: Helpful Bible Texts for Seniors. B: Ellen White's Activities After Age 65. C: G.B. Starr's Comments at Ellen White's Elmshaven Funeral Service. D: J.N. Loughborough Letter to Lida Scott

the great controversy: Pain Management and the Opioid Epidemic National Academies of Sciences, Engineering, and Medicine, Health and Medicine Division, Board on Health Sciences Policy, Committee on Pain Management and Regulatory Strategies to Address Prescription Opioid Abuse, 2017-09-28 Drug overdose, driven largely by overdose related to the use of opioids, is now the leading cause of unintentional injury death in the United States. The ongoing opioid crisis lies at the intersection of two public health challenges: reducing the burden of suffering from pain and containing the rising toll of the harms that can arise from the use of opioid medications. Chronic pain and opioid use disorder both represent complex human conditions affecting millions of Americans and causing untold disability and loss of function. In the context of the growing opioid problem, the U.S. Food and Drug Administration (FDA) launched an Opioids Action Plan in early 2016. As part of this plan, the FDA asked the National Academies of Sciences, Engineering, and Medicine to convene a committee to update the state of the science on pain research, care, and education and to identify actions the FDA and others can take to respond to the opioid epidemic, with a particular focus on informing FDA's development of a formal method for incorporating individual and societal considerations into its risk-benefit framework for opioid approval and monitoring.

the great controversy: *It Ends with Us* Colleen Hoover, 2020-07-28 In this "brave and heartbreaking novel that digs its claws into you and doesn't let go, long after you've finished it" (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of *All Your Perfects*, a workaholic with a too-good-to-be-true romance can't stop thinking about her first love. Lily hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn't hurt. Lily can't get him out of her head. But Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his "no dating" rule, she can't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is "a glorious and touching read, a forever keeper. The kind of book that gets handed down" (USA TODAY).

the great controversy: The Sanctified Life Ellen Gould White, 2014-11-03 In this book Ellen G. White refers to 'Sanctification'. It consists of eleven articles, that were published independently in the year 1881 and published as a pamphlet a little later. The articles are: Chapter 1—True and False Theories Contrasted Chapter 2—Daniel's Temperance Principles Chapter 3—Controlling the Appetites and Passions Chapter 4—The Fiery Furnace Chapter 5—Daniel in the Lions' Den Chapter 6—Daniel's Prayers Chapter 7—The Character of John Chapter 8—The Ministry of John Chapter 9—John in Exile Chapter 10—Christian Character Chapter 11—The Christian's Privilege

the great controversy: Spiritual Gifts Vol. I. The Great Controversy 1858 Ellen G White, 2020-05-08 *Spiritual Gifts* was, and is, the general title of four of Ellen White's earliest published

books. They were originally published as separate volumes with their individual subtitles: SPIRITUAL GIFTS. THE GREAT CONTROVERSY (1858); SPIRITUAL GIFTS. MY CHRISTIAN EXPERIENCE, VIEWS, AND LABORS (1860); SPIRITUAL GIFTS. IMPORTANT FACTS OF FAITH (1864); SPIRITUAL GIFTS. IMPORTANT FACTS OF FAITH: LAWS OF HEALTH AND Testimonies Nos. 1-10. (1864). For many years they have been combined, two volumes each, in two books as SPIRITUAL GIFTS. VOLS. I-II & VOLS. III-IV. This present printing returns them to their original, separate book format, and presents them in large print; convenient for all ages. This volume I, written in 1858, is the earliest volume by Ellen White carrying the title The Great Controversy Between Christ and His Angels, and Satan and His Angels. Though smaller in size than later versions, this edition contains numerous statements not found in the more expanded versions- an example: The Sabbath was instituted in Eden before the fall, and was observed by Adam and Eve, and all the heavenly host. GOD rested on the seventh day, and blessed and hallowed it; and I saw that the Sabbath would never be done away; but the redeemed saints, and all the angelic host, will observe it in honor of the great Creator to all eternity. p 123, 124 (present volume, emphasis added).

the great controversy: The Immortal Life of Henrietta Lacks Rebecca Skloot, 2010-02-02
 #1 NEW YORK TIMES BESTSELLER • “The story of modern medicine and bioethics—and, indeed, race relations—is refracted beautifully, and movingly.”—Entertainment Weekly NOW A MAJOR MOTION PICTURE FROM HBO® STARRING OPRAH WINFREY AND ROSE BYRNE • ONE OF THE “MOST INFLUENTIAL” (CNN), “DEFINING” (LITHUB), AND “BEST” (THE PHILADELPHIA INQUIRER) BOOKS OF THE DECADE • ONE OF ESSENCE’S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS • WINNER OF THE CHICAGO TRIBUNE HEARTLAND PRIZE FOR NONFICTION NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • Entertainment Weekly • O: The Oprah Magazine • NPR • Financial Times • New York • Independent (U.K.) • Times (U.K.) • Publishers Weekly • Library Journal • Kirkus Reviews • Booklist • Globe and Mail Her name was Henrietta Lacks, but scientists know her as HeLa. She was a poor Southern tobacco farmer who worked the same land as her slave ancestors, yet her cells—taken without her knowledge—became one of the most important tools in medicine: The first “immortal” human cells grown in culture, which are still alive today, though she has been dead for more than sixty years. HeLa cells were vital for developing the polio vaccine; uncovered secrets of cancer, viruses, and the atom bomb’s effects; helped lead to important advances like in vitro fertilization, cloning, and gene mapping; and have been bought and sold by the billions. Yet Henrietta Lacks remains virtually unknown, buried in an unmarked grave. Henrietta’s family did not learn of her “immortality” until more than twenty years after her death, when scientists investigating HeLa began using her husband and children in research without informed consent. And though the cells had launched a multimillion-dollar industry that sells human biological materials, her family never saw any of the profits. As Rebecca Skloot so brilliantly shows, the story of the Lacks family—past and present—is inextricably connected to the dark history of experimentation on African Americans, the birth of bioethics, and the legal battles over whether we control the stuff we are made of. Over the decade it took to uncover this story, Rebecca became enmeshed in the lives of the Lacks family—especially Henrietta’s daughter Deborah. Deborah was consumed with questions: Had scientists cloned her mother? Had they killed her to harvest her cells? And if her mother was so important to medicine, why couldn’t her children afford health insurance? Intimate in feeling, astonishing in scope, and impossible to put down, The Immortal Life of Henrietta Lacks captures the beauty and drama of scientific discovery, as well as its human consequences.

the great controversy: The Fall and Rise of Jerusalem Oded Lipschitz, 2005 The period of the demise of the kingdom of Judah at the end of the 6th century B.C.E., the fall of Jerusalem to the Babylonians, the exile of the elite to Babylon, and the reshaping of the territory of the new province of Judah, culminating at the end of the century with the first return of exiles--all have been subjects of intense scrutiny during the last decade. Lipschitz takes into account the biblical textual evidence, the results of archaeological research, and the reports of Babylonian and Egyptian sources and provides a comprehensive survey and analysis of the evidence for the history of this 100-year-long

era. He provides a lucid historical survey that will, no doubt, become the baseline for all future studies of this era.

the great controversy: *Thoughts from the Mount Of Blessing* Ellen Gould White, 2014-11-03 In this little volume of 200 pages we have a series of dissertations on spiritual subjects, addressed especially to Christians, including thoughts on the Mountain Sermon, the Beatitudes, the Spirituality of the Law, the True Motive in Service, the Lord's Prayer, and on Not Judging but Doing. It is an earnest and affectionate plea for a higher plane of Christian living, and a more thorough and consistent Christian life and character. The writer's style is clear and simple, hut full of that eloquence and warmth of heart which is sure to reach the heart of the reader and plant there its own convictions. It is one of those books which cannot be read with indifference. It is full of an affectionate persuasiveness which is sure to make itself felt.

the great controversy: *Steps to Christ* Ellen G. White, 1892

the great controversy: *The Providence of God* Paul Helm, 1994-02-25 Paul Helm introduces the doctrine of divine providence--focusing on metaphysical and moral aspects and especially noting divine control, providence and evil, and the role of prayer. In the Contours of Christian Theology.

the great controversy: *The 1619 Project* Nikole Hannah-Jones, The New York Times Magazine, 2024-06-04 #1 NEW YORK TIMES BESTSELLER • NAACP IMAGE AWARD WINNER • A dramatic expansion of a groundbreaking work of journalism, *The 1619 Project: A New Origin Story* offers a profoundly revealing vision of the American past and present. "[A] groundbreaking compendium . . . bracing and urgent . . . This collection is an extraordinary update to an ongoing project of vital truth-telling."—Esquire NOW AN EMMY-NOMINATED HULU ORIGINAL DOCUSERIES • FINALIST FOR THE KIRKUS PRIZE • ONE OF THE BEST BOOKS OF THE YEAR: The Washington Post, NPR, Esquire, Marie Claire, Electric Lit, Ms. magazine, Kirkus Reviews, Booklist In late August 1619, a ship arrived in the British colony of Virginia bearing a cargo of twenty to thirty enslaved people from Africa. Their arrival led to the barbaric and unprecedented system of American chattel slavery that would last for the next 250 years. This is sometimes referred to as the country's original sin, but it is more than that: It is the source of so much that still defines the United States. The New York Times Magazine's award-winning 1619 Project issue reframed our understanding of American history by placing slavery and its continuing legacy at the center of our national narrative. This book substantially expands on that work, weaving together eighteen essays that explore the legacy of slavery in present-day America with thirty-six poems and works of fiction that illuminate key moments of oppression, struggle, and resistance. The essays show how the inheritance of 1619 reaches into every part of contemporary American society, from politics, music, diet, traffic, and citizenship to capitalism, religion, and our democracy itself. This book that speaks directly to our current moment, contextualizing the systems of race and caste within which we operate today. It reveals long-glossed-over truths around our nation's founding and construction—and the way that the legacy of slavery did not end with emancipation, but continues to shape contemporary American life. the great controversy: *The Lance and the Shield* Robert Marshall Utley, 1998 At the centre of a dramatic and absorbing story is the flesh-and-blood Sitting Bull - a leader of his people and a man of rare complexity. Yet to the US Government he was merely an obstacle: one of the last

troublesome remnants of resistance to the white man's inexorable westward expansion.

the great controversy: *To Kill a Mockingbird* Harper Lee, 2014-07-08 Voted America's Best-Loved Novel in PBS's The Great American Read Harper Lee's Pulitzer Prize-winning masterwork of honor and injustice in the deep South—and the heroism of one man in the face of blind and violent hatred One of the most cherished stories of all time, *To Kill a Mockingbird* has been translated into more than forty languages, sold more than forty million copies worldwide, served as the basis for an enormously popular motion picture, and was voted one of the best novels of the twentieth century by librarians across the country. A gripping, heart-wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as her father—a crusading local lawyer—risks everything to defend a black man unjustly accused of a terrible crime.

the great controversy: *Last Day Events* Ellen Gould Harmon White, 1992

the great controversy: *The Remnant Church* Ellen G White, 2020-08-30 Explanation In 1934 Elder W. C. White and D. E. Robinson at the Elmshaven office drew together from published and unpublished E. G. White sources materials relating to the church, its organization, authority, unity, and the relationship of workers one to another. The 50 page document which resulted was read by the White Trustees with appreciation, but for reasons not too clear just now, the document at that time was not carried through to publication. It was placed in the document file and has been kept there safely for 38 years, with only occasional reference to it. With the occasion to look at the counsels relating to the church and its authority, this document, during the last few days, has been reviewed. The impression is growing that its publication might well serve the church. The basic premises are clearly enunciated in published sources. Nonetheless, as Ellen White again and again reiterated in sermons, manuscripts and letters basic truths concerning the church and its ministry, the varying statements seem to enrich that which may be read on the subject. For study purposes, in a few copies the lines have been numbered. Any use of unpublished items must for the present be restricted to committee study. Undoubtedly, on consideration they will in time be released for general use. The situation, however, would lead to the request that copies used by the committee be returned to the White Estate until the matters have been properly processed. Ellen G. White Estate. Washington, D. C.

the great controversy: *The Great Controversy* Ellen G. White, 1993

the great controversy: *America in Prophecy* Ellen Gould Harmon White, 2008 No Compromise
“O'er the land of the free . . . and the home of the brave!” Brave indeed. Fleeing persecution in their homelands, they crossed the seas to a New World in search of freedom . . . freedom of conscience . . . freedom to worship as they chose. Puritans, Pilgrims, and men like Roger Williams created a safe haven for liberty. They built “One Nation, under God” — a nation founded on Bible principles. But to these sturdy pioneers, freedom of worship also included the freedom not to worship at all, if one so chose. Real freedom would mean that those who worshiped God, and those who didn’t would live together in respectful tolerance and peace. Today, this dream of freedom is under siege. Why? Because many worship no god at all, and they increasingly oppose those who do. These unbelievers would strip away the religious freedoms that our founders sacrificed to create. They seem bent on creating a nation based on their own secular atheism, by force if necessary. They mock the very idea that we are a nation under God. Those who choose to worship God are also responsible. They’ve taken tolerance to tragic extremes of compromise. Instead of standing up for God and the Bible, we give too much away in our eagerness not to offend anyone. And slowly, we are becoming One Nation, under Total Confusion. It’s time to stand firm again—to stop compromising away our hard-won freedoms. This book will help all of us remember our nation’s original dream—and inspire us to recapture it.

the great controversy: *The Great Controversy Ended* Ellen Gould Harmon White, 2002

the great controversy: *The Great Controversy Between Christ and His Angels and Satan and His Angels* Richard Montoya Miller Luna Gonzales, 2018-08-16 It is our privilege to expose the facts in the correct 1884 Great Controversy and in this revised edition of 1911 Great Controversy and

1888 Great Controversy. W. W. Prescott played a large role in writing the 1911 Great Controversy. Prescott and Uriah Smith were extremely versatile and creative individuals in revising the 1888/1911 version. - 3rd Volume of the Prophet Ellen G. White's Biograph, by Arthur White, p. 442. The enlarged edition, which came to be known as the 1888 edition, carried twenty-six full-page illustrations and at the close devoted thirteen pages to biographical notes. These notes were prepared by several authors, including J. H. Waggoner, Uriah Smith, and M. C. Wilcox. Marian Davis assisted. The final work progressed slowly; even as late March 11, 1889, the signs of the Times was still advertising the older, upgraded 1884 book of five hundred pages. The author's introduction for the new enlarged book was dated Healdsburg, California, May 1888, and the copyright date was given as 1888, but not until September 2, 1889, did the Signs of the Times carry an advertisement for it. It was advertised as the Revised and Enlarged Edition of The Great Controversy Between Christ and Satan. {3BIO 442.5} 1. Spirit of Prophecy, Vol. 4, p. 398. The greatest and most favored nation upon earth is the United States. A gracious Providence has shielded this country, and poured upon her the choicest of Heaven's blessings. Hear the persecuted and oppressed have found refuge. Hear the Christian faith in its purity has been taught. This people have been the recipients of great light and unrivaled mercies. But these gifts have been repaid by ingratitude and forgetfulness of God. The Infinite One keeps a reckoning with the nations, and their guilt is proportioned to the light rejected. A fearful record now stands in the register of Heaven against our land; but the crime which shall fill up the measure of her iniquity is that of making void the law of God. {4SP 398.1} 2. Spirit of Prophecy, Vol. 4, p. 410. Our land is in jeopardy. The time is drawing on when its legislators shall so abjure the principles of Protestantism as to give countenance to Romish apostasy. The people for whom God has so marvelously wrought, strengthening them to throw off the galling yoke of popery, will by a national act give vigor to the corrupt faith of Rome, and thus arouse the tyranny which only waits for a touch to start again into cruelty and despotism. With rapid steps are we already approaching this period. When Protestant churches shall seek the support of the secular power, thus following the example of that apostate church, for opposing which their ancestors endured the fiercest persecution, then will there be a national apostasy which will end only in national ruin. {4SP 410.2}
