Overview of The Gardens Between Trophies

The Gardens Between features a variety of trophies that cater to different playstyles and completion goals. The trophy list includes story progression achievements, hidden trophies, and special challenges that require creative thinking. Understanding how these trophies are distributed throughout the game is key to planning your approach and ensuring you don't miss any essential achievements.

Trophy Types and Rarity

Trophies in The Gardens Between fall into several categories:

- Story-related trophies that are earned naturally as you complete each world.
- Hidden or missable trophies that require specific actions or solving optional puzzles.
- Challenge trophies for completing levels under certain conditions or

finding secrets.

- The coveted platinum trophy, awarded for unlocking all other trophies.

Most trophies can be earned in a single playthrough if you pay attention to level details and experiment with puzzle mechanics. However, some require revisiting levels or performing unique actions.

General Tips for Trophy Hunting

Maximizing your trophy collection in *The Gardens Between* involves understanding the game's mechanics and planning your playthrough. Here are several tips to help you earn every trophy efficiently and avoid missing hidden achievements.

Play at Your Own Pace

The Gardens Between emphasizes exploration and time manipulation. Take your time with each level, experiment with different actions, and don't rush through puzzles.

Use the Time Control Mechanics

Mastering the time-reversal and fast-forward abilities is essential for finding hidden secrets and unlocking challenge trophies. Try rewinding to spot missed interactions and explore every possible outcome.

Replay Levels for Missables

If you miss a trophy, you can replay individual levels to attempt specific actions or uncover secrets. This is especially useful for missable trophies or those requiring precise timing.

Consult Trophy Descriptions

Read each trophy description carefully. Many provide hints about the required actions or the level where they can be unlocked, helping guide your efforts.

Story-Related Trophies

Story-related trophies are awarded as you progress through *The Gardens Between*'s narrative. These achievements cannot be missed and cover all major milestones in the game.

Completing Worlds

There are several worlds in The Gardens Between, each with unique environments and puzzles. You'll earn trophies for completing each world and advancing the story.

Unlocking Key Story Moments

Some trophies are tied to pivotal story events, such as forming new memories, interacting with key objects, or reaching the final garden. These require solving central puzzles and following the main path.

- **Finish World 1:** Unlocks after solving the introductory puzzles.
- **Reach the Final Memory:** Awarded for completing the final level and witnessing the ending.
- **Discover the Hidden Bridge:** Earned by progressing through a specific story event.

Missable and Hidden Trophies

The Gardens Between includes several trophies that can be easily overlooked if you're not thorough. These often require performing unique actions or interacting with objects in unconventional ways.

How to Find Hidden Trophies

Hidden trophies often involve experimenting with the environment, using time manipulation creatively, or discovering secret interactions. Pay close attention to the surroundings and try interacting with everything, including seemingly irrelevant objects.

Examples of Missable Trophies

- **Activate a Hidden Lamp:** Found by solving an optional puzzle in a specific level.
- **Trigger a Secret Animation:** Requires precise timing and interaction with environmental elements.
- **Rewind to Reveal a Secret Path:** Unlocked by reversing time at a key moment in the game.

If you miss a hidden trophy, use the level select feature to revisit and attempt the required action without replaying the entire game.

Level-Specific Trophy Guide

Many trophies in The Gardens Between are tied to particular levels and require specific solutions or actions. This section outlines how to unlock these trophies efficiently.

World 2: Puzzle Challenge Trophy

In World 2, look for a level where manipulating time reveals an alternate route. To earn the trophy, experiment with both characters and interact with every object.

World 3: Environmental Secret Trophy

World 3 features a trophy that requires triggering a hidden animation by manipulating the environment and rewinding time at the right moment. Observe changes in scenery and test different approaches.

World 4: Speedrun Trophy

The speedrun trophy is earned by completing a level within a set time limit. Plan your moves in advance and practice to minimize mistakes.

1. Study the level layout before beginning.
2. Use time manipulation to optimize your route.
3. Avoid unnecessary interactions to save time.

World 5: Cooperation Trophy

This trophy requires both characters to interact successfully with their respective objects. Coordinate their actions and use time manipulation to synchronize movement.

Endgame and Platinum Trophy Strategy

Earning the platinum trophy in The Gardens Between involves unlocking all other achievements, including story, hidden, and challenge trophies. A strategic approach can help streamline your efforts and reduce unnecessary replaying.

Checklist for Platinum Trophy

- Complete all worlds and story milestones.
- Unlock every hidden and missable trophy.

- Finish level-specific challenges and speedruns.
- Explore all environments for secret interactions.

After collecting every trophy, the platinum will be awarded automatically. If you're missing any, review your trophy list and revisit relevant levels to fulfill requirements.

Optimizing Your Playthrough

To minimize backtracking, use a trophy checklist and mark completed achievements. Replay levels as needed and experiment with different puzzle solutions to uncover all secrets.

Frequently Asked Questions

Here are answers to common questions about The Gardens Between trophy guide, covering gameplay, trophy requirements, and completion strategies.

Q: How many trophies are there in The Gardens Between?

A: There are typically 17-25 trophies, including story, hidden, challenge, and a platinum trophy for unlocking all achievements.

The Gardens Between Trophy Guide: A Complete Walkthrough to 100% Completion

Are you ready to unlock every achievement in the enchanting puzzle adventure game, The Gardens Between? This comprehensive guide will serve as your ultimate companion, providing detailed strategies and tips to help you collect every single trophy and experience everything this breathtaking game has to offer. Whether you're a seasoned gamer or a puzzle newbie, this The Gardens Between trophy guide will lead you to 100% completion. We'll break down each trophy, providing clear instructions and helpful hints to navigate the magical worlds and unlock all the

secrets within.

Understanding The Gardens Between Trophy System

Before diving into the individual trophies, let's understand the structure. The Gardens Between features a blend of collectible trophies and achievement-based trophies that are earned through gameplay. Some are straightforward, while others require a bit more strategic thinking and exploration. This guide will categorize them for clarity and ease of use.

The "Easy" Trophies: Quick Wins in The Gardens Between

These trophies are generally earned organically through normal gameplay. You don't need any specific strategies; simply playing through the game will unlock these.

A Tiny Spark: This is usually unlocked upon completing the very first level, setting the tone for your journey.

Time Well Spent: Completing the story will unlock this trophy. Focus on exploring each area and solving the puzzles at your own pace.

Friends Forever: This trophy is earned by completing the game with a friend in co-op mode, if that's your preferred way to play.

The "Medium" Difficulty Trophies: A Little More Effort Required

These trophies require a bit more attention to detail and perhaps a little replay.

Memory Lane: This trophy usually involves collecting a specific number of memories scattered throughout the levels. Pay close attention to your surroundings; some memories are well-hidden! Keep exploring every nook and cranny.

The Collector: This often involves finding all the hidden collectibles within the game. These could be specific items, hidden areas, or unique interactions. A thorough exploration of each level is key. Consider consulting online maps or walkthrough videos if you're struggling to locate all items.

The "Harder" Trophies: Mastering the Mechanics of The Gardens Between

These trophies might require multiple playthroughs or a deep understanding of the game's mechanics.

Master Explorer: This often involves finding every single hidden area within each level. This will likely require careful observation and utilizing the game's rewind mechanics to its full potential. It is often the most challenging trophy to obtain.

Perfect Timing: This achievement usually involves completing a specific level or section of the game without making a single mistake. Practice and precise timing are essential. Try to replay levels you find tricky until you get it right. Utilizing the game's rewind function can be extremely helpful.

Strategies for Trophy Hunting in The Gardens Between

Multiple Playthroughs: Don't be afraid to replay levels. Some trophies require specific actions or complete mastery of the game's mechanics.

Explore Thoroughly: Every corner and crevice holds a potential secret. Take your time and explore every inch of each environment.

Utilize Rewind: The game's rewind mechanic is your best friend. Use it liberally to experiment, correct mistakes, and find hidden areas.

Online Resources: Don't hesitate to use online guides and walkthrough videos. They can provide valuable hints and tips to locate hidden items and complete challenging sections.

Patience is Key: Some trophies require precise timing and skillful execution. Be patient, persistent, and don't get discouraged if you don't get it right away.

Conclusion

This The Gardens Between trophy guide provides a comprehensive walkthrough to help you achieve 100% completion. Remember to explore every area, utilize the rewind mechanic effectively, and don't be afraid to replay levels. With patience and persistence, you'll unlock all the trophies and fully experience the magic of this beautiful game. Enjoy the journey!

FAQs

Q1: Can I get all trophies in a single playthrough?

A1: No. Some trophies require multiple playthroughs, especially those involving finding all hidden collectibles or mastering specific sections.

Q2: Is there a missable trophy?

A2: Generally, no. Most trophies can be earned on any playthrough, but exploring thoroughly is essential for unlocking them all.

Q3: What is the hardest trophy to obtain?

A3: The "Master Explorer" trophy, usually requiring the discovery of every hidden area across all levels, is often considered the most challenging.

Q4: Does co-op mode affect trophy progress?

A4: Yes, some trophies are specifically tied to co-op mode.

Q5: Where can I find help if I'm stuck?

A5: Online forums, walkthrough videos, and gaming communities are great resources for help and additional hints.

the gardens between trophy guide: A New Garden Ethic Benjamin Vogt, 2017-09-01 In a time of climate change and mass extinction, how we garden matters more than ever: "An outstanding and deeply passionate book." —Marc Bekoff, author of *The Emotional Lives of Animals* Plenty of books tell home gardeners and professional landscape designers how to garden sustainably, what plants to use, and what resources to explore. Yet few examine why our urban wildlife gardens matter so much—not just for ourselves, but for the larger human and animal communities. Our landscapes push aside wildlife and in turn diminish our genetically programmed love for wildness. How can we get ourselves back into balance through gardens, to speak life's language and learn from other species? Benjamin Vogt addresses why we need a new garden ethic, and why we urgently need wildness in our daily lives—lives sequestered in buildings surrounded by monocultures of lawn and concrete that significantly harm our physical and mental health. He examines the psychological issues around climate change and mass extinction as a way to understand how we are short-circuiting our response to global crises, especially by not growing native plants in our gardens. Simply put, environmentalism is not political; it's social justice for all species marginalized today and for those facing extinction tomorrow. By thinking deeply and honestly about our built landscapes, we can create a compassionate activism that connects us more profoundly to nature and to one another.

the gardens between trophy guide: Bloodlines Anthony M. Platt, Cecilia Elizabeth O'Leary, 2015-12-03 At the end of World War II, an American military intelligence team retrieved an original copy of the 1935 Nuremberg Laws, signed by Hitler, and turned over this rare document to General George S. Patton. In 1999, after fifty-five years in the vault of the Huntington Library in southern California, the Nuremberg Laws resurfaced and were put on public display for the first time at the Skirball Cultural Center in Los Angeles. In this far-ranging, interdisciplinary study that is part historical analysis, part cultural critique, part detective story, and part memoir, Tony Platt explores a range of interrelated issues: war-time looting, remembrance of the holocaust, German and American eugenics, and the public responsibilities of museums and cultural centers. This book is based on original research by the author and co-researcher, historian Cecilia O'Leary, in government, military, and library archives; interviews and oral histories; and participant observation. It is both a detailed, scholarly analysis and a record of the author's activist efforts to correct the historical record.

the gardens between trophy guide: Midnight in the Garden of Good and Evil John Berendt, 1994-01-13 NATIONAL BESTSELLER • A modern classic of true crime, set in a most beguiling Southern city—now in a 30th anniversary edition with a new afterword by the author “Elegant and wicked . . . might be the first true-crime book that makes the reader want to book a bed and breakfast for an extended weekend at the scene of the crime.”—The New York Times Book Review Shots rang out in Savannah's grandest mansion in the misty, early morning hours of May 2, 1981. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. In this sharply observed, suspenseful, and witty narrative, John Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman's Card Club; the turbulent young gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the “soul of pampered self-absorption”; the uproariously funny drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young people dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. Brilliantly conceived and masterfully written, *Midnight in the Garden of Good and Evil* is a sublime and seductive reading experience.

the gardens between trophy guide: Illustrated Guide to Hockey Sites & History Steven Sandor, 2007 Home to Hockey Night in Canada, the Hockey Hall of Fame, Don Cherry and the storied Leafs, Toronto is indeed the centre of the hockey universe. But did you know . . . Before becoming the Maple Leafs, the franchise had several names, including the Torontos, the Arenas and the St. Pats, and the team's first games were played in the long-gone Arena Gardens. The Toronto Maple Leaf s might never have come about if the legendary hockey czar Conn Smythe hadn't been fired by the start-up New York Rangers. And why were the Rangers practicing in Toronto and not

New York? Maple Leaf Gardens came into existence only after Depression-era construction workers agreed to take pay cuts and accept shares in MLG, which proved to be a boon for the workers. In addition to the incredible displays, films, exhibits and the exact replica of the fabled Montreal Canadiens dressing room, the Hockey Hall of Fame is rumoured to be haunted by a ghost. A disgruntled non-inductee? Not exactly. Steven Sandor stands on his head with this cannonading tour of Toronto's rich hockey past and present. Combining entertaining stories with contemporary and historic photographs, the Illustrated Guide to Hockey Sites & History: Torontoshoots and scores on every shift. The stories break out fast with wonderful characters and trivia spanning over a century of hockey history. Maps and directions are provided for anyone who wants to come off the bench and visit the sites. Steven also recommends a few establishments around the city where healthy scratches can enjoy a beverage and watch the game.

The American Guide series consists of individual guides to each of the states. Little-known authors—many of whom would later become celebrated literary figures—were commissioned to write these important books. John Steinbeck, Saul Bellow, Zora Neale Hurston, and Ralph Ellison are among the more than 6,000 writers, editors, historians, and researchers who documented this celebration of local histories. Photographs, drawings, driving tours, detailed descriptions of towns, and rich cultural details exhibit each state's unique flavor. The guide to California stands out among the rest of the WPA guides for the quality of its writing, photographs, and pen-and-ink drawings. The Golden State contains much diversity of people, places, and things, and the WPA Guide expertly reflects and records the eclectic quality of this quintessentially American state. Published in 1939, the guide's essays on history cover everything from the gold rush to the movie industry at the nascence of Hollywood's golden age, and its back-road tours through California's coastal fishing villages and mountain mining towns still provide a splendid alternative to freeways.

The WPA Guide to Delaware takes the reader on a journey through the coastal beauty of the state, from the Twelve-Mile Circle to the Nanticoke River. Although Delaware is the second smallest state in terms of area, the guide offers 27 driving tours accompanied by engaging photographs and pen-and-ink drawings. Published in 1938, this guide to the First State, also details Delaware's rich history.
