Overview of The Medium Trophy Guide

The Medium trophy guide provides a comprehensive roadmap for unlocking all achievements in Bloober Team's atmospheric horror game. As an adventure built around dual-reality gameplay, the game's trophies are a blend of story progression, exploration, and specific in-game actions. By understanding the requirements and structure of each trophy, players can plan their playthroughs to minimize backtracking and ensure a smooth journey to 100% completion. The guide covers every trophy category, including story-based, collectible, missable, and hidden trophies, making it an essential reference for determined trophy hunters.

Story-Related Trophies

Story-related trophies in The Medium are naturally unlocked as you progress through the main narrative. These cannot be missed and often coincide with key plot developments or pivotal gameplay moments. Focusing on the story ensures a steady accumulation of achievements, and players can always refer to this section to verify progress.

Main Story Progression Trophies

These trophies are awarded for reaching significant milestones in the story, such as entering new locations, solving critical puzzles, or surviving major encounters. Since The Medium is a linear experience, following the primary objectives guarantees these trophies.

- First Steps: Beginning your journey into the dual-reality world.
- Through the Looking Glass: Entering the spirit realm for the first time.
- Revelation: Discovering key story secrets.
- Closure: Completing the game's ending sequence.

Chapter-Specific Achievements

Some story-related trophies are tied to completing specific chapters or objectives. Players are encouraged to pay attention to chapter transitions and unique events, as these often trigger corresponding trophies.

Collectible Trophies and Locations

A significant portion of The Medium's trophies revolves around discovering collectibles scattered throughout the game. These range from postcards and echoes to memory shards and spirit traces. Collectibles not only deepen the lore but are essential for unlocking certain achievements.

Types of Collectibles

The Medium features several collectible categories, each with its own set of trophies. Efficiently tracking and gathering these items is key to avoiding multiple playthroughs.

- Echoes: Residual memories found on objects throughout the world.
- Postcards: Hidden messages that provide backstory and context.
- Memory Shards: Visual glimpses into past events, often requiring dual-reality interaction.
- Spirit Traces: Faint imprints left by lost souls.

Collectible Locations and Tracking

Players should thoroughly explore each area, using Marianne's abilities to uncover hidden objects. Many collectibles are missable if players advance too quickly, so taking time to investigate every environment is highly recommended. Keeping a checklist or using in-game tracking can help ensure nothing is overlooked.

Missable Trophies and How to Avoid Missing Them

While some trophies are story-related, others are permanently missable if not achieved during specific sections. The medium trophy guide highlights these trophies and provides strategies to secure them in a single playthrough.

Understanding Missable Achievements

Missable trophies often require players to complete certain actions or collect items before leaving an area. Once a chapter or sequence is completed, returning is not possible, making awareness and preparation essential.

Preventing Missed Trophies

To avoid missing achievements, players should:

- Consult the trophy guide before starting each chapter.
- Save frequently, especially before major decisions or transitions.
- Double-check areas for collectibles before progressing.
- Use dual-reality vision to reveal hidden items and interactions.

Difficulty and Time to Platinum

The Medium is considered a moderate platinum, with most trophies achievable through careful exploration and attention to detail. The game does not feature difficulty-based trophies, allowing players to focus on completion rather than challenge level. Most players can expect to achieve platinum within 8-12 hours, provided they follow an efficient route and avoid missing collectibles or

actions.

Estimated Completion Time

Completion time varies based on familiarity with puzzle-solving and exploration. Using a trophy guide can significantly reduce playtime by streamlining collectible acquisition and minimizing repeated sections.

Playthrough Recommendations

A single, well-planned playthrough is sufficient for most players. However, those who miss trophies can utilize chapter select or replay specific sections if available on their platform.

Tips and Strategies for Efficient Trophy Hunting

Success in unlocking every trophy in The Medium hinges on preparation and attention to detail. Adopting proven strategies can make the process smoother and more enjoyable.

General Trophy Hunting Tips

- Play with headphones to catch subtle audio cues for collectibles.
- Use Marianne's insight ability often to reveal hidden items and clues.
- Check every corner and revisit areas if possible before progressing.
- Keep a written or digital log of collected items to track progress.
- Take your time during split-reality puzzles to ensure nothing is missed.

Advanced Trophy Strategies

Players aiming for maximum efficiency should plan their collectible runs to coincide with natural story progression. Prioritize missable trophies and consult the trophy guide before major transitions. Consider multiple saves at key junctures to allow for reloading if a trophy is missed.

Crucial reading for any young or struggling man.' - Mark Manson, #1 New York Times bestselling author of *The Subtle Art of Not Giving a F*ck* At 30 years old, Lewis Howes was outwardly thriving but unfulfilled inside. He was a successful athlete and businessman, achieving goals beyond his wildest dreams, but he felt empty, angry, frustrated, and always chasing something that was never enough. His whole identity had been built

on misguided beliefs about what masculinity was. Howes began a personal journey to find inner peace and to uncover the many masks that men – young and old – wear. In *The Mask of Masculinity*, Howes exposes: · The ultimate emptiness of the Material Mask, the man who chases wealth above all things; · The cowering vulnerability that hides behind the Joker and Stoic Masks of men who never show real emotion; and · The destructiveness of the Invincible and Aggressive Masks worn by men who take insane risks or can never back down from a fight. He teaches men how to break through the walls that hold them back and shows women how they can better understand the men in their lives. It's not easy, but if you want to love, be loved and live a great life, then it's an odyssey of self-discovery that all modern men must make. This book is a must-read for every man – and for every woman who loves a man.

It came at a time when Imperial China was in decline not only by loss of her sovereignty to the then Western colonial powers and when there was a strong feeling of insecurity about the relevance of ancient native Chinese culture in a modern world and its continued existence under the rising pressure to modernise in order to cope with the West and the rest of the modern world. Chinese Language Planning and Reform for the purpose of creating a national standard language and to spread literacy in all parts of society was seen as an essential part of such a modernisation process.
