The IMDb parents guide categorizes and lists specific words and intensity, giving parents a clear sense of what to expect.

Realistic Portrayal in Context

the night agent imdb parents guide: *The Wettest County in the World* Matt Bondurant, 2008-10-14 *The inspiration for the major motion picture *Lawless** Based on the true story of Matt Bondurant’s grandfather and two granduncles, *The Wettest County in the World* is a gripping and gritty tale of bootlegging, brotherhood, and murder. The Bondurant Boys were a notorious gang of roughnecks and moonshiners who ran liquor through Franklin County, Virginia, during Prohibition and in the years after. Howard, the eldest brother, is an ox of a man besieged by the horrors he witnessed in the Great War; Forrest, the middle brother, is fierce, mythically indestructible, and the consummate businessman; and Jack, the youngest, has a taste for luxury and a dream to get out of Franklin. Driven and haunted, these men forge a business, fall in love, and struggle to stay afloat as they watch their family die, their father's business fail, and the world they know crumble beneath the Depression and drought. White mule, white lightning, firewater, popskull, wild cat, stump whiskey, or rotgut—whatever you called it, Franklin County was awash in moonshine in the 1920s. When Sherwood Anderson, the journalist and author of *Winesburg, Ohio*, was covering a story there, he christened it the “wettest county in the world.” In the twilight of his career, Anderson finds himself driving along dusty red roads trying to find the Bondurant brothers, piece together the clues linking them to “The Great Franklin County Moonshine Conspiracy,” and break open the silence that shrouds Franklin County. In vivid, muscular prose, Matt Bondurant brings these men—their dark deeds, their long silences, their deep desires—to life. His understanding of the passion, violence, and desperation at the center of this world is both heartbreaking and magnificent.

the night agent imdb parents guide: *Slough House* Mick Herron, 2021-02-09 In his best and most ambitious novel yet, Mick Herron, "the le Carré of the future" (BBC), offers an unsparing look at the corrupt web of media, global finance, spycraft, and politics that power our modern world. "This is a darker, scarier Herron. The gags are still there but the satire's more biting. The privatization of a secret service op and the manipulation of news is relevant and horribly credible."—Ann Cleeves, author of the Vera Stanhope series At *Slough House*—MI5's London depository for demoted spies—Brexit has taken a toll. the night agent imdb parents guide: *Anxious People* Fredrik Backman, 2020-09-08 Instant #1 New York Times Bestseller A People Book of the Week, Book of the Month Club selection, and Best of Fall in *Good Housekeeping*, *PopSugar*, *The Washington Post*, *New York Post*, *Shondaland*, *CNN*, and more! "[A] quirky, big-hearted novel...Wry, wise, and often laugh-out-loud funny, it's a wholly original story that delivers pure pleasure." —People From the #1 New York Times bestselling author of *A Man Called Ove* comes a charming, poignant novel about a crime that never took place, a would-be bank robber who disappears into thin air, and eight extremely anxious strangers who find they have more in common than they ever imagined. Looking at real estate isn't usually a life-or-death situation, but an apartment open house becomes just that when a failed bank robber bursts in and takes a group of strangers hostage. The captives include a recently retired couple who relentlessly hunt down fixer-uppers to avoid the painful truth that they can't fix their own marriage. There's a wealthy bank director who has been too busy to care about anyone else and a young

couple who are about to have their first child but can't seem to agree on anything, from where they want to live to how they met in the first place. Add to the mix an eighty-seven-year-old woman who has lived long enough not to be afraid of someone waving a gun in her face, a flustered but still-ready-to-make-a-deal real estate agent, and a mystery man who has locked himself in the apartment's only bathroom, and you've got the worst group of hostages in the world. Each of them carries a lifetime of grievances, hurts, secrets, and passions that are ready to boil over. None of them is entirely who they appear to be. And all of them—the bank robber included—desperately crave some sort of rescue. As the authorities and the media surround the premises these reluctant allies will reveal surprising truths about themselves and set in motion a chain of events so unexpected that even they can hardly explain what happens next. Rich with Fredrik Backman's "pitch-perfect dialogue and an unparalleled understanding of human nature" (Shelf Awareness), *Anxious People* is an ingeniously constructed story about the enduring power of friendship, forgiveness, and hope—the things that save us, even in the most anxious times.
