- Tips for Parents and Family Discussions

Overview of The Rain

The Rain is a Danish dystopian drama series that debuted on a major streaming platform. Set in Scandinavia, it follows the aftermath of a deadly virus carried by rainfall, which wipes out much of the population. The series centers on siblings Simone and Rasmus, who search for safety and answers while encountering other survivors. Themes of survival, trust, betrayal, and resilience are woven throughout the episodes, making it a gripping story for older teens and adults. The show has received praise for its atmospheric

The Rain Parents Guide: A Comprehensive Look at the Film's Content

Are you considering letting your kids watch the psychological thriller *The Rain*? Before you press play, it's crucial to understand the film's content and whether it's appropriate for your family. This comprehensive parents' guide for *The Rain* will delve into the mature themes, violence, and language present, helping you make an informed decision about your children's viewing. We'll break down the specific elements you need to consider to determine if this Danish Netflix series is right for your household.

What is The Rain About?

The Rain is a post-apocalyptic Danish science fiction thriller series centered around a deadly virus spread through rainfall. The story follows Simone and Rasmus, two siblings who emerge from an underground bunker six years after the virus decimated the population of Scandinavia. They embark on a perilous journey to find safety and answers, encountering other survivors, treacherous landscapes, and morally ambiguous choices.

Mature Themes Explored in The Rain: A Detailed Breakdown

H2: Violence and Gore

The Rain depicts violence, though not always graphically. The violence is primarily contextualized within the survival setting. Characters struggle for resources, leading to confrontations and even deaths. While not excessively gory, some scenes may be disturbing for younger viewers. Expect instances of fighting, implied violence, and threats of violence. The threat of death is a constant presence throughout the series.

H2: Language and Profanity

The show uses moderate profanity, though not excessively. The language is largely realistic, reflecting the desperate circumstances of the characters. Parents should anticipate hearing occasional swearing, including mild to moderate curse words. The level of profanity increases slightly in later seasons.

H2: Sexual Content

The series includes some suggestive content and implies sexual relationships between some characters. However, explicit scenes are rare. The focus remains on the survival aspects and the interpersonal relationships between the characters, rather than explicit sexual content. There are

some instances of implied sexual activity and brief nudity.

H2: Psychological Themes

Perhaps the most significant aspect for parents to consider is the series' exploration of complex psychological themes. Characters grapple with trauma, loss, grief, and moral dilemmas. The show explores the psychological toll of survival in a post-apocalyptic world, touching on paranoia, distrust, and the erosion of societal norms. These themes might be challenging for younger viewers to process.

H2: Intense Situations and Suspense

The series maintains a high level of suspense and tension throughout. Characters frequently face life-threatening situations, creating an intense viewing experience. This constant sense of danger and uncertainty may be overwhelming for sensitive children.

Age Appropriateness: Who Should Watch The Rain?

Given the mature themes, violence, language, and psychological depth, The Rain is not suitable for young children. We recommend this series for viewers aged 16 and older. Even for teenagers, parental guidance may be beneficial to discuss the complex themes presented. For younger viewers, the intensity and mature content may be too disturbing or confusing.

How to Approach Watching The Rain with Your Teenager

If you decide to watch The Rain with your teenager, consider using it as a springboard for conversations about the themes it explores. Discuss the characters' motivations, the ethical dilemmas they face, and the psychological impact of trauma and survival. This can turn the show into a valuable opportunity for open communication and critical thinking.

Conclusion

The Rain is a gripping and well-made series, but its mature content necessitates careful consideration before allowing your children to watch it. This guide aims to provide a comprehensive overview of the show's potentially problematic aspects, empowering parents to make an informed decision based on their child's maturity level and their family's values. Remember, open communication and shared viewing can be beneficial tools in navigating the complexities of this show and using it as a discussion point.

FAQs

1. Is The Rain scarier than other post-apocalyptic shows? While not overtly horror, The Rain contains intense suspenseful scenes and disturbing elements that might be more frightening than some other post-apocalyptic shows aimed at a younger audience.
2. Does the show contain any jump scares? There are some moments of sudden tension and suspense, but outright jump scares are relatively infrequent.
3. What are the main takeaways from the show? The Rain explores themes of survival, resilience, the importance of human connection, and the ethical implications of desperate situations.
4. Are there any positive role models in The Rain? The series presents complex characters, some with morally ambiguous actions. Positive role models are less explicitly defined than in shows with a clearer good versus evil dynamic.
5. Is The Rain suitable for binge-watching? Due to its intense nature, binge-watching might be overwhelming for some viewers. Spacing out the viewing might be a more beneficial approach.

the rain parents guide: Shouting at the Rain Lynda Mullaly Hunt, 2020-05-05 From the author of the New York Times bestseller *Fish in a Tree* comes a compelling story about perspective and learning to love the family you have. Delsie loves tracking the weather--lately, though, it seems the squalls are in her own life. She's always lived with her kindhearted Grammy, but now she's looking at their life with new eyes and wishing she could have a regular family. Delsie observes other changes in the air, too--the most painful being a friend who's outgrown her. Luckily, she has neighbors with strong shoulders to support her, and Ronan, a new friend who is caring and courageous but also troubled by the losses he's endured. As Ronan and Delsie traipse around Cape Cod on their adventures, they both learn what it means to be angry versus sad, broken versus whole, and abandoned versus loved. And that, together, they can weather any storm.

the rain parents guide: *A Parents' Guide for Children's Questions* Benito Casados, 2010-07-16 Children by nature are curious about the world and people around them. As they grow older their level of awareness increases and questions begin to pour from their inquiring minds. Their questions maybe motivated by what they hear and see in their surroundings, what they see on television or what they are trying to learn in school. In most cases the burden of answering these questions falls on the parents. Parents are busy people. Children want the answers right now. This guide will provide answers for many questions traditionally asked by children between the ages of eight and sixteen. This guide is published in E-Book format only and is intended to reside in your e-book reader so the information is easily accessed whether at home or on the road.

the rain parents guide: Rain Reign Ann M. Martin, 2014-10-07 Rose Howard is obsessed with homonyms. She's thrilled that her own name is a homonym, and she purposely gave her dog Rain a name with two homonyms (Reign, Rein), which, according to Rose's rules of homonyms, is very special. Not everyone understands Rose's obsessions, her rules, and the other things that make her different - not her teachers, not other kids, and not her single father. When a storm hits their rural town, rivers overflow, the roads are flooded, and Rain goes missing. Rose's father shouldn't have let Rain out. Now Rose has to find her dog, even if it means leaving her routines and safe places to search. Hearts will break and spirits will soar for this powerful story, brilliantly told from Rose's point of view.

the rain parents guide: *Right as Rain* Lindsey Stoddard, 2019-02-12 A Kirkus Best Book of

2019! From the critically acclaimed author of *Just Like Jackie* comes a strikingly tender novel about one family's heartbreak and the compassion that carries them through, perfect for fans of Sara Pennypacker, Lisa Graff, and Ann M. Martin. It's been almost a year since Rain's brother Guthrie died, and her parents still don't know it was all Rain's fault. In fact, no one does—Rain buried her secret deep, no matter how heavy it weighs on her heart. So when her mom suggests moving the family from Vermont to New York City, Rain agrees. But life in the big city is different. She's never seen so many people in one place—or felt more like an outsider. With her parents fighting more than ever and the anniversary of Guthrie's death approaching, Rain is determined to keep her big secret close to her heart. But even she knows that when you bury things deep, they grow up twice as tall. Readers will fall in love with the pluck and warmth of Stoddard's latest heroine and the strength that even a small heart can lend.

the rain parents guide: The Everything Parent's Guide to Common Core ELA, Grades K-5 Felicia Durden, 2015-09-15 A guide for parents hoping to prepare their children for the Common Core English Language requirements. Intended to help children in grads K-5--

the rain parents guide: Red Rising Pierce Brown, 2014-01-28 NEW YORK TIMES BESTSELLER • Pierce Brown's relentlessly entertaining debut channels the excitement of *The Hunger Games* by Suzanne Collins and *Ender's Game* by Orson Scott Card. "Red Rising ascends above a crowded dystopian field."—USA Today ONE OF THE BEST BOOKS OF THE YEAR—Entertainment Weekly, BuzzFeed, Shelf Awareness "I live for the dream that my children will be born free," she says. "That they will be what they like. That they will own the land their father gave them." "I live for you," I say sadly. Eo kisses my cheek. "Then you must live for more." Darrow is a Red, a member of the lowest caste in the color-coded society of the future. Like his fellow Reds, he works all day, believing that he and his people are making the surface of Mars livable for future generations. Yet he toils willingly, trusting that his blood and sweat will one day result in a better world for his children. But Darrow and his kind have been betrayed. Soon he discovers that humanity reached the surface generations ago. Vast cities and lush wilds spread across the planet. Darrow—and Reds like him—are nothing more than slaves to a decadent ruling class. Inspired by a longing for justice, and driven by the memory of lost love, Darrow sacrifices everything to infiltrate the legendary Institute, a proving ground for the dominant Gold caste, where the next generation of humanity's overlords struggle for power. He will be forced to compete for his life and the very future of civilization against the best and most brutal of Society's ruling class. There, he will stop at nothing to bring down his enemies . . . even if it means he has to become one of them to do so. Praise for *Red Rising* "[A] spectacular adventure . . . one heart-pounding ride . . . Pierce Brown's dizzyingly good debut novel evokes *The Hunger Games*, *Lord of the Flies*, and *Ender's Game*. . . . [Red Rising] has everything it needs to become meteoric."—Entertainment Weekly "Ender, Katniss, and now Darrow."—Scott Sigler "Red Rising is a sophisticated vision. . . . Brown will find a devoted audience."—Richmond Times-Dispatch Don't miss any of Pierce Brown's *Red Rising* Saga: RED RISING • GOLDEN SON • MORNING STAR • IRON GOLD • DARK AGE • LIGHT BRINGER

the rain parents guide: Come Rain Or Come Shine Rachel Garlinghouse, 2013-03-05 Are you prepared to adopt and parent transracially? Transracial adoption can be a daunting and exhilarating journey. At times you feel incredibly isolated and lost. However, with this conversational and practical guide in hand, you will be able to adopt with confidence and parent with education, empathy, and enthusiasm. Whether you are new to adoption, a seasoned adoptive parent, or you are an adoptee, birth parent, or adoption professional, *COME RAIN OR COME SHINE* will enhance your understanding and appreciation for transracial adoption. The book contains extensive resource lists, discussion/reflection questions for adoptive parents, and advice and research from experts in the adoption field. Recommended by MSNBC's Melissa Harris-Perry: We had an amazing guest on the MHP show about a year ago who is white and raising black adopted children, Rachel Garlinghouse. I love her book *Come Rain or Come Shine: A White Parent's Guide to Adopting and Parenting Black Children*. (from Jezebel, Melissa Harris-Perry Answers Your Questions, 4/6/14)

the rain parents guide: The New York Times Parent's Guide to the Best Books for

Children Eden Ross Lipson, 2000-11-14 The Classic Guide That Helps You Select the Books the Child You Know Will Love In this third, fully revised and updated edition of The New York Times Parent's Guide to the Best Books for Children, the children's book editor of The New York Times Book Review personally selects and recommends books for children of every age. The most comprehensive and authoritative book of its kind has been completely updated for the new millennium. It contains hundreds of new entries, many expanded descriptions, and notations of additional companion and related titles -- more than 1,700 in all. The best-loved classics of the twentieth century are included, as well as a thoughtful selection of outstanding titles from the last decade. Six sections are organized according to reading level: Wordless, Picture, Story, Early Reading, Middle Reading, and Young Adult. In addition to a summary of the book, each entry provides the essential bibliographic information you need to find a book in your local library or bookstore, including title author and/or illustrator hardcover and/or paperback publisher and publication year major awards related titles The unique and most popular feature of the guide is its system of special indexes -- more than sixty in all. They make it easy for parents and grandparents, teachers and librarians, even children themselves, to match the right book to the right child. Browse through the indexes and find titles for every interest and mood: picture books about cats, mice, or dinosaurs for babies; funny books to read aloud to toddlers; series about family life or school or fantasy adventures for a middle-grade child; books on divorce or death; and coming-of-age novels just right for someone starting junior high school. There are also indexes for books about minorities and religion, an age-appropriate reading-level index, and much more. Lavishly decorated with more than three hundred illustrations from representative titles, the guide also features extra-wide margins for notes on which of your children liked which book, at what age, and why. Thus the guide becomes a family reading record as well as an invaluable resource you'll use again and again.

the rain parents guide: The Best Christmas Pageant Ever Barbara Robinson, 1983 The six mean Herdman kids lie, steal, smoke cigars (even the girls) and then become involved in the community Christmas pageant.

the rain parents guide: Freak the Mighty Rodman Philbrick, 2015-04-01 Max is used to being called Stupid. And he is used to everyone being scared of him. On account of his size and looking like his dad. Kevin is used to being called Dwarf. And he is used to everyone laughing at him. On account of his size and being some cripple kid. But greatness comes in all sizes, and together Max and Kevin become Freak The Mighty and walk high above the world. An inspiring, heartbreaking, multi-award winning international bestseller.

the rain parents guide: A Parents' Guide to PANDAS, PANS, and Related Neuroimmune Disorders Patricia Rice Doran, Christine Leininger Amabile, Diana Pohlman, Tiffany Tumminaro, Heather Rain Mazen Korbmacher, 2019-06-21 Having a child who suddenly develops PANDAS (Pediatric Autoimmune Neuropsychiatric Disorders Associated with Strep), PANS (Pediatric Acute-onset Neuropsychiatric Syndrome) or related conditions such as encephalitis can be a daunting challenge for parents. This clear guide explains the symptoms and diagnosis of PANDAS and PANS, with treatment options and recommended strategies for supporting children at home, at school, and in community settings. The book covers key symptoms including OCD, tics, anxiety, sensory issues and personality changes, with practical advice on medical management, nutrition, lifestyle, and addressing social and behavioural needs. Each chapter also includes handy sidebars with key information to remember, and action steps for overcoming challenges, managing relapse, family self-care and providing children with the best possible support.

the rain parents guide: The Parents' Guide to Climate Revolution Mary DeMocker, 2018-03-05 Relax, writes author Mary DeMocker, this isn't another light bulb list. It's not another overwhelming pile of parental 'to dos'; designed to shrink your family's carbon footprint through eco-superheroism. Instead, DeMocker lays out a lively, empowering, and — doable — blueprint for engaging families in the urgent endeavor of climate revolution. In this book's brief, action-packed chapters, you'll learn hundreds of wide-ranging ideas for being part of the revolution — from embracing simplicity parenting, to freeing yourself from dead-end science debates, to teaching kids

about the power of creative protest, to changing your lifestyle in ways that deepen family bonds, improve moods, and reduce your impact on the Earth. Engaging and creative, this vital resource is for everyone who wants to act effectively — and empower children to do the same.

the rain parents guide: *The Adoptive Parents' Handbook* Barbara Cummins Tantrum, 2020-09-01 The essential guide to parenting adopted and foster kids--learn to create felt safety, heal attachment trauma, and navigate challenging behaviors and triggers Children who have been adopted and/or shuttled through the foster-care system experience trauma at a much higher rate than other kids, which can make it difficult for them to trust, relax, regulate their emotions, and connect with their new families. As a parent, learning how to heal attachment trauma, attune to your child's needs, identify triggers, and create felt safety is essential to providing the loving, supportive, and stable home they need to thrive. Written for parents of adopted and foster kids of all ages, this book offers resources for handling common concerns like sleep issues, food sensitivities, anger, fear, and reactivity. It also provides guidance on navigating transracial adoptions, working through parents' own hang-ups, and recognizing signs of developmental and psychological conditions. The book highlights practical strategies and provides real-life examples to address questions like: How do I help my adopted child adjust? Is this kind of behavior normal? How do I help my child live, heal, and thrive with PTSD?

the rain parents guide: *The Rains* Gregg Hurwitz, 2016-10-18 The first young adult page-turner from New York Times bestselling author Gregg Hurwitz. In one terrifying night, the peaceful community of Creek's Cause turns into a war zone. No one under the age of eighteen is safe. Chance Rain and his older brother, Patrick, have already fended off multiple attacks from infected adults by the time they arrive at the school where other young survivors are hiding. Most of the kids they know have been dragged away by once-trusted adults who are now ferocious, inhuman beings. The parasite that transformed them takes hold after people turn eighteen--and Patrick's birthday is only a few days away. Determined to save Patrick's life and the lives of the remaining kids, the brothers embark on a mission to uncover the truth about the parasites--and what they find is horrifying. Battling an enemy not of this earth, Chance and Patrick become humanity's only hope for salvation. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

the rain parents guide: *The Smart Parent's Guide* Jennifer Trachtenberg, 2010-03-16 What to Do When You Don't Know What to Do! " Moms and dads need expert guidelines, especially when it comes to their kids' health. This book reveals the inside strategies I use myself—I'm a parent, too!-- to avoid critical, common blunders where it matters most: in the ER, pediatrics ward, all-night pharmacy, exam room, or any other medical hot spot for kids. These tips could save your child's life one day. Even tomorrow." -Dr. Jen Making health care decisions for your child can be overwhelming in this age of instant information. It's easy to feel like you know next to nothing or way too much. Either way, you may resort to guessing instead of making smart choices. That's why the nation's leading health care oversight group, The Joint Commission, joined forces with Dr. Jennifer Trachtenberg on this book: to help you make the right decisions, whether you're dealing with a checkup or a full-blown crisis. The Smart Parent's Guide will give you the information you need to manage the pediatric health care system. Dr. Jen understands the questions parents face—as a mom, she's faced them herself. She walks you through everything: from how to choose the best ER for kids (not adults) to when to give a kid medicine (or not to) to how pediatricians care for their own children (prepare to be surprised). Her goal is your goal: to protect the health of your children. There simply is nothing more important.

the rain parents guide: The Single Parents Guide to Survival, Sanity and Success Tracey Mitchell Lyles, 2007-11-30 In her inaugural publishing effort, Tracey Mitchell Lyles' *The Single Parents Guide to Survival, Sanity and Success* addresses many challenges and themes facing today's single parents in a very sincere and down to earth fashion. Ms. Lyles does an exceptional job of sharing small tidbits of her personal trials while helping the reader find the love and lesson in each one. The book is unique in that Ms. Lyles begins each chapter with a quote regarding parenting from such notables as Jacqueline Kennedy Onassis, Katherine Whitehorn, and Jessie Jackson to name a few. In drawing upon her personal experiences as a single parent, from dating to managing finances to climbing the corporate ladder, Ms. Lyles has added colorful comments and anecdotes of tried and true family members to deliver sage advice wrapped in a very inspirational context.

the rain parents guide: *Parent's Guide to Y Skippers* , 1987

the rain parents guide: *Wonder* R. J. Palacio, 2012-02-14 #1 NEW YORK TIMES BESTSELLER

- Millions of people have fallen in love with Auggie Pullman, an ordinary boy with an extraordinary face—who shows us that kindness brings us together no matter how far apart we are. Read the book that inspired the Choose Kind movement, a major motion picture, and the critically acclaimed graphic novel *White Bird*. And don't miss R.J. Palacio's highly anticipated new novel, *Pony*, available now! I won't describe what I look like. Whatever you're thinking, it's probably worse. August Pullman was born with a facial difference that, up until now, has prevented him from going to a mainstream school. Starting 5th grade at Beecher Prep, he wants nothing more than to be treated as an ordinary kid—but his new classmates can't get past Auggie's extraordinary face. Beginning from Auggie's point of view and expanding to include his classmates, his sister, her boyfriend, and others, the perspectives converge to form a portrait of one community's struggle with empathy, compassion, and acceptance. In a world where bullying among young people is an epidemic, this is a refreshing new narrative full of heart and hope. R.J. Palacio has called her debut novel "a meditation on kindness" —indeed, every reader will come away with a greater appreciation for the simple courage of friendship. Auggie is a hero to root for, a diamond in the rough who proves that you can't blend in when you were born to stand out.

the rain parents guide: *When Your Child is Cutting* Sony Khemlani-Petal, Merry

McVey-Noble, Fugen Neziroglu, 2006-07-01 A Compassionate Guide for Parents As a parent, what's harder to deal with than seeing your child in pain? It's especially frustrating when you feel like you've exhausted the resources you could use to help him or her stop hurting. And if your child is cutting or engaging in another form of self-injury, a behavior that you simply can't make any sense of in the first place, this feeling of helplessness can be unbearable. This book offers you information and advice for dealing with a child who is hurting him or herself. Learn why self-injury happens, how to identify it, and how to address this sensitive topic with calm and confidence. Follow the book's clear and simple plan for communicating with your child about this problem. Connect with the best kinds of professional help to get him or her through this painful time. Above all, rely on this compassionate and clinically sound book to give you the one thing you really need when your child is in pain—hope. Learn about the causes and effects of self-injury Identify the signs of self-harm Communicate effectively with a child who is hurting him or herself Choose the best professional help Support your child's recovery

This helpful guide helps parents with many issues:

recognize symptoms; get an accurate diagnosis; find the right doctor and therapist; develop strategies for tackling schoolwork; and decide on the right treatment. Parents will learn how to talk to a child about OCD and devise coping strategies for school, sports, friendships, and other everyday situations. Children with OCD can learn how to enjoy life—without all the worry!

the rain parents guide: The Line Tender Kate Allen, 2020-04-21 Funny, poignant, and deeply moving, *The Line Tender* is a story of nature's enduring mystery and a girl determined to find meaning and connection within it. Wherever the sharks led, Lucy Everhart's marine-biologist mother was sure to follow. In fact, she was on a boat far off the coast of Massachusetts, collecting shark data when she died suddenly. Lucy was seven. Since then Lucy and her father have kept their heads above water—thanks in large part to a few close friends and neighbors. But June of her twelfth summer brings more than the end of school and a heat wave to sleepy Rockport. On one steamy day, the tide brings a great white—and then another tragedy, cutting short a friendship everyone insists was meaningful but no one can tell Lucy what it all meant. To survive the fresh wave of grief, Lucy must grab the line that connects her depressed father, a stubborn fisherman, and a curious old widower to her mother's unfinished research on the Great White's return to Cape Cod. If Lucy can find a way to help this unlikely quartet follow the sharks her mother loved, she'll finally be able to look beyond what she's lost and toward what's left to be discovered. □Confidently voiced.—Kirkus Reviews, starred □Richly layered.—Publishers Weekly, starred □A hopeful path forward.—Booklist, starred □Life-affirming.—BCCB, starred □Big-hearted. —Bookpage, starred □“Will appeal to just about everyone.” – SLC, starred □Exquisitely, beautifully real.—Shelf Awareness, starred

the rain parents guide: A Parent's Guide to Autism Diagnosis Adele Devine, Sophia Mooncey, 2021-11-18 Autism diagnosis can be an overwhelming time for many families. This is an accessible, easy to navigate guide for parents, answering the questions they may have before, during and after diagnosis. Written by a highly experienced author team, this book will support parents from the moment somebody mentions autism, through the diagnosis process and beyond. It provides reliable advice on every stage, with guidance on what to do during the long wait for assessment and diagnosis. Working from a pro-neurodiversity perspective it encourages parents to see beyond the diagnosis and to celebrate each child's unique personality and strengths. Combining information on medical diagnosis, educational needs and more, the book shares case studies and direct quotes from families to help parents to give their children the best start following an autism diagnosis, and help them to achieve their full potential. There is also a bonus downloadable chapter with information from the key professionals involved in the diagnostic process, so you know who you can turn to for the support and help you need.
