Origins and Definition of the Dogman First Law

The concept of the dogman first law has roots in both folklore and speculative fiction. While the exact origin is debated, many researchers trace its emergence to stories about the dogman, a legendary creature said to possess canine and human characteristics. The dogman first law commonly refers to a set of guiding principles or rules that govern the behavior and existence of the dogman entity.

Some sources suggest that the dogman first law originated as an unwritten rule among those who claimed to encounter the dogman, emphasizing respect, caution, and understanding of the creature's boundaries. In literature, the term has been used to describe a fundamental axiom about the nature of the dogman, often highlighting its instinctual, territorial, and enigmatic qualities.

Historical Context and Folklore

Dogman Legends in North America

Accounts of the dogman date back to indigenous folklore and pioneer tales in North America. The dogman is generally depicted as a large, bipedal canine with human-like features, roaming remote forests and rural areas. The dogman first law is believed to have arisen as a cultural response to

these sightings, serving as a warning or guideline for those venturing into dogman territory.

European and Global Mythologies

While the dogman is most famous in American legends, similar creatures appear in European folklore, such as werewolves and lycanthropes. The dogman first law in these contexts often revolves around themes of transformation, secrecy, and coexistence between humans and supernatural beings. These stories have influenced modern interpretations of the dogman first law, expanding its meaning beyond any single culture.

Core Principles of the Dogman First Law

Respect for Territory

A central tenet of the dogman first law is the respect for the creature's territory. Folklore emphasizes that those who trespass into areas believed to be inhabited by the dogman must show reverence and avoid provoking the entity. This principle stems from stories of encounters where aggression or disrespect resulted in frightening experiences.

Observational Caution

Another principle focuses on the importance of caution when observing or investigating the dogman. The dogman first law advises that curiosity should be balanced with safety, encouraging observers to keep their distance and avoid direct confrontation. This rule has been adopted by cryptozoologists and paranormal researchers who document alleged sightings.

Understanding the Unknown

The dogman first law also promotes a philosophical approach to mystery and the unknown. It suggests that while the dogman may be shrouded in secrecy, respecting its existence and accepting uncertainty is preferable to reckless pursuit or denial. This idea resonates with those who study unexplained phenomena, emphasizing humility and open-mindedness.

- Respect for boundaries and territory
- Exercise caution during encounters
- Embrace mystery and uncertainty
- Avoid provoking or challenging the entity
- Document observations responsibly

Modern Interpretations and Popular Culture

Representation in Media

The dogman first law has been referenced in films, books, podcasts, and online discussions about cryptids and paranormal events. It is often portrayed as a set of unwritten rules that characters follow when encountering dogman-like creatures. These representations help reinforce the mystique and caution associated with the dogman, making the law a recurring motif in contemporary storytelling.

Influence on Paranormal Communities

Within cryptozoological and paranormal communities, the dogman first law is sometimes invoked to guide field investigations and ethical conduct. Researchers and enthusiasts use the principles to shape their approach to evidence gathering, witness interviews, and exploration of suspected dogman habitats. The law thereby serves as a framework for responsible engagement with the unknown.

Social and Psychological Impact

The dogman first law has also become a subject of psychological and sociological study. Interest in the law reflects broader human fascination with monsters, boundaries, and the unknown. The principles encapsulated by the dogman first law address the need for caution, respect, and open-mindedness in the face of phenomena that defy easy explanation.

Common Misconceptions and Debates

Confusion with Werewolf Lore

One of the most prevalent misconceptions is the conflation of the dogman first law with werewolf legends. While both entities share canine attributes, the dogman first law is distinct in its emphasis on territory, caution, and respect, rather than transformation or curses. This confusion often leads to debates among enthusiasts about the true nature of the dogman and its laws.

Scientific Skepticism

Another area of debate concerns the scientific validity of the dogman first law. Critics argue that there is little empirical evidence supporting the existence of the dogman or the need for such a law. Proponents counter that the law serves more as a cultural guideline and philosophical stance than a scientific rule, and its value lies in encouraging responsible exploration of the unknown.

Role in Modern Cryptozoology

The dogman first law has sparked discussions within cryptozoology about the ethics of research, the treatment of alleged witnesses, and the importance of preserving native habitats. These debates highlight the ongoing relevance of the law as a tool for shaping best practices and fostering respectful inquiry.

Frequently Asked Questions

Below are some of the most frequently asked questions relating to the dogman first law, its origins, and its significance in both folklore and modern contexts.

Q: What is the dogman first law?

A: The dogman first law refers to a set of principles or guidelines developed in folklore and modern cryptozoology to govern how humans should interact with the dogman, emphasizing respect, caution, and acceptance of mystery.

Q: Where did the dogman first law originate?

A: The origins of the dogman first law can be traced to North American folklore, particularly stories about encounters with the dogman in rural and forested areas, as well as adaptations in literature and paranormal research.

Q: Is the dogman first law the same as werewolf rules?

A: No, the dogman first law is distinct from werewolf lore. While both involve canine-like creatures, the dogman first law focuses on boundaries, caution, and respect rather than transformation or curses associated with werewolves.

Q: Why do researchers follow the dogman first law?

A: Researchers and enthusiasts adopt the dogman first law to guide ethical conduct, ensure safety during field investigations, and promote responsible documentation of alleged dogman encounters.

Q: What are the main principles of the dogman first law?

A: The main principles include respect for territory, caution during encounters, embracing mystery, avoiding provocation, and responsible documentation.

Q: How is the dogman first law represented in popular

culture?

A: The law appears in movies, books, podcasts, and online discussions about cryptids, often as a set of unwritten rules characters follow when dealing with dogman-like entities.

Q: Do all cryptozoologists believe in the dogman first law?

A: Not all cryptozoologists accept the dogman first law, as opinions vary regarding the existence of the dogman and the necessity of such guidelines. However, many see value in its principles for ethical research.

Q: Are there scientific studies on the dogman first law?

A: There are limited scientific studies on the dogman first law, as the subject is largely rooted in folklore and anecdotal evidence rather than empirical research.

Q: What impact does the dogman first law have on society?

A: The law influences how people approach unexplained phenomena, encouraging caution, open-mindedness, and respect for cultural traditions and the unknown.

Q: Can the dogman first law be applied to other cryptids?

A: Some researchers and enthusiasts adapt the principles of the dogman first law to other cryptids, using them as general guidelines for ethical and responsible engagement with mysterious creatures.

The Dogman First Law: Separating Fact from Fiction in Cryptid Lore

Have you ever heard the whispers? The chilling tales of a hulking, bipedal canine creature stalking the shadows of the American wilderness? The creature known as Dogman. While dismissed by many as folklore, persistent reports and eyewitness accounts continue to fuel the mystery, sparking

intense debate and investigation. This post delves deep into the phenomenon, exploring the so-called "Dogman First Law" - a proposed principle attempting to explain the creature's elusive nature - and separating fact from the compelling, albeit often unreliable, fiction surrounding it. We'll dissect the evidence, examine the psychology behind belief, and critically analyze the arguments put forth regarding this enigmatic cryptid.

What is the Dogman First Law?

The "Dogman First Law," unlike established scientific laws, isn't a formally recognized principle. Instead, it's a loosely defined, community-driven concept emerging from online forums and discussions dedicated to the Dogman legend. It essentially postulates that the higher the concentration of reported Dogman sightings, the lower the chance of verifiable evidence (photographic or video proof) surfacing. This isn't a scientific law, but rather an observation about the challenges inherent in documenting a creature presumed to be both elusive and intelligent.

Analyzing the "Law": Why is Verifiable Evidence So Scarce?

Several factors might contribute to the scarcity of concrete evidence, seemingly supporting the Dogman First Law. These include:

1. The Creature's Elusive Nature: If Dogman exists, its intelligence and adaptability might allow it to effectively avoid human detection and documentation. This could involve inhabiting remote, inaccessible areas, utilizing cover effectively, and possessing heightened senses.

2. The Power of Misidentification: Many reported Dogman sightings are likely misidentifications of other animals - coyotes, wolves, large dogs, or even bears - seen under unusual circumstances or at a distance. The human brain, especially in low-light or stressful situations, is prone to filling in gaps and interpreting ambiguous stimuli, leading to mistaken identification.

3. The Role of Social Contagion and Collective Belief: The spread of Dogman lore through social media and storytelling can create a self-reinforcing cycle. The more stories are told, the more people believe, leading to more reported sightings, even if some are based on suggestive interpretations or secondhand accounts. This can create a "confirmation bias" where individuals actively seek out information confirming their pre-existing beliefs.

4. Deliberate Misinformation and Hoaxes: The popularity of the Dogman legend has undoubtedly attracted those seeking attention or notoriety, leading to fabricated sightings and intentionally misleading evidence. Distinguishing genuine accounts from hoaxes adds another layer of complexity to the investigation.

The Psychology of Belief and the Dogman Phenomenon

The persistent belief in Dogman, despite the lack of definitive proof, highlights the power of human psychology. Fear, the unknown, and the desire for the extraordinary all contribute to the enduring appeal of cryptid legends. The Dogman fits neatly into existing cultural narratives about monstrous creatures lurking in the wilderness, tapping into primal anxieties and providing a sense of shared experience among believers.

Beyond the "Law": Investigating Dogman Sightings Critically

Rather than focusing solely on the validity of the "Dogman First Law," it's crucial to approach the investigation systematically. This involves:

Critical analysis of eyewitness accounts: Considering the circumstances of each sighting, the reliability of the witness, and potential biases.

Examination of purported evidence: Analyzing photographic and audio recordings with skepticism, searching for signs of manipulation or misidentification.

Investigating geographic patterns: Mapping reported sightings to identify potential hotspots or correlations with specific environmental factors.

Scientifically rigorous investigation: Employing methods such as DNA analysis, footprint analysis, and remote camera surveillance to obtain verifiable evidence.

Conclusion

The "Dogman First Law," while intriguing, is ultimately an informal observation rather than a scientifically valid principle. The lack of conclusive proof doesn't necessarily negate the possibility of the creature's existence, but it does underscore the importance of critical thinking, rigorous investigation, and a healthy dose of skepticism when evaluating claims about cryptids. The enduring fascination with Dogman reflects a deeper human interest in the unknown and the power of collective belief, highlighting the importance of separating verifiable facts from compelling narratives.

FAQs

1. Are there any credible scientific studies supporting the existence of Dogman? No, there are currently no credible scientific studies that provide conclusive evidence supporting the existence of Dogman. The reported sightings lack the rigorous scientific validation required for acceptance within the scientific community.

2. What is the difference between the Dogman and other cryptids? While Dogman shares similarities with other cryptids (like Bigfoot) in terms of its elusive nature and lack of concrete proof, its unique canine-humanoid description sets it apart.

3. How can I contribute to the investigation of Dogman sightings? You can contribute by critically evaluating information you encounter online, reporting sightings with detailed accounts and potentially supporting research initiatives focused on cryptid investigations. However, ensure responsible behavior and avoid trespassing on private property.

4. What is the most common description of Dogman? Dogman is often described as a large, bipedal canine creature with human-like characteristics, possessing glowing eyes and potentially emitting unusual sounds. Descriptions vary greatly, however.

5. What is the best way to approach a potential Dogman sighting? The safest approach is to avoid any confrontation. If you encounter a large, unknown creature, prioritize your safety and carefully retreat while observing the creature from a safe distance. Document the encounter with photos or videos if possible, while always prioritizing personal safety.

the dogman first law: Before They Are Hanged Joe Abercrombie, 2015-09-08 The second novel in the wildly popular First Law Trilogy from New York Times bestseller Joe Abercrombie. Superior Glokta has a problem. How do you defend a city surrounded by enemies and riddled with traitors, when your allies can by no means be trusted, and your predecessor vanished without a trace? It's enough to make a torturer want to run -- if he could even walk without a stick. Northmen have spilled over the border of Angland and are spreading fire and death across the frozen country. Crown Prince Ladisla is poised to drive them back and win undying glory. There is only one problem -- he commands the worst-armed, worst-trained, worst-led army in the world. And Bayaz, the First of the Magi, is leading a party of bold adventurers on a perilous mission through the ruins of the past. The most hated woman in the South, the most feared man in the North, and the most selfish boy in the Union make a strange alliance, but a deadly one. They might even stand a chance of saving mankind from the Eaters -- if they didn't hate each other quite so much. Ancient secrets will be uncovered. Bloody battles will be won and lost. Bitter enemies will be forgiven -- but not before they are hanged. First Law Trilogy The Blade Itself Before They Are Hanged Last Argument of Kings For more from Joe Abercrombie, check out: Novels in the First Law world Best Served Cold The Heroes Red Country

the dogman first law: The Blade Itself Joe Abercrombie, 2015-09-08 The first novel in the First Law Trilogy and debut fantasy novel from New York Times bestseller, Joe Abercrombie. Logen Ninefingers, infamous barbarian, has finally run out of luck. Caught in one feud too many, he's on the verge of becoming a dead barbarian -- leaving nothing behind him but bad songs, dead friends, and a lot of happy enemies. Nobleman, dashing officer, and paragon of selfishness, Captain Jezal dan Luthar has nothing more dangerous in mind than fleecing his friends at cards and dreaming of glory in the fencing circle. But war is brewing, and on the battlefields of the frozen North they fight by altogether bloodier rules. Inquisitor Glokta, cripple turned torturer, would like nothing better than to see Jezal come home in a box. But then Glokta hates everyone: cutting treason out of the Union one confession at a time leaves little room for friendship. His latest trail of corpses may lead him right to the rotten heart of government, if he can stay alive long enough to follow it. Enter the wizard, Bayaz. A bald old man with a terrible temper and a pathetic assistant, he could be the First of the Magi, he could be a spectacular fraud, but whatever he is, he's about to make the lives of Logen, Jezal, and Glokta a whole lot more difficult. Murderous conspiracies rise to the surface, old scores are ready to be settled, and the line between hero and villain is sharp enough to draw blood. Unpredictable, compelling, wickedly funny, and packed with unforgettable characters, The Blade Itself is noir fantasy with a real cutting edge.

the dogman first law: A Little Hatred Joe Abercrombie, 2019-09-17 The New York Times bestselling first book in Joe Abercrombie's The Age of Madness Trilogy where the age of the machine dawns, but the age of magic refuses to die. The chimneys of industry rise over Adua and the world

seethes with new opportunities. But old scores run deep as ever. On the blood-soaked borders of Angland, Leo dan Brock struggles to win fame on the battlefield, and defeat the marauding armies of Stour Nightfall. He hopes for help from the crown. But King Jezal's son, the feckless Prince Orso, is a man who specializes in disappointments. Savine dan Glokta -- socialite, investor, and daughter of the most feared man in the Union -- plans to claw her way to the top of the slag-heap of society by any means necessary. But the slums boil over with a rage that all the money in the world cannot control. The age of the machine dawns, but the age of magic refuses to die. With the help of the mad hillwoman Isern-i-Phail, Rikke struggles to control the blessing, or the curse, of the Long Eye. Glimpsing the future is one thing, but with the guiding hand of the First of the Magi still pulling the strings, changing it will be quite another . . . the dogman first law: Last Argument Of Kings Joe Abercrombie, 2009-06-18 The end is coming. Logen Ninefingers might only have one more fight in him - but it's going to be a big one. Battle rages across the North, the King of the Northmen still stands firm, and there's only one man who can stop him. His oldest friend, and his oldest enemy. It's past time for the Bloody-Nine to come home. With too many masters and too little time, Superior Glokta is fighting a different kind of war. A secret struggle in which no-one is safe, and no-one can be trusted. His days with a sword are far behind him. It's a good thing blackmail, threats and torture still work well enough. Jezal dan Luthar has decided that winning glory is far too painful, and turned his back on soldiering for a simple life with the woman he loves. But love can be painful too, and glory has a nasty habit of creeping up on a man when he least expects it. While the King of the Union lies on his deathbed, the peasants revolt and the nobles scramble to steal his crown. No-one believes that the shadow of war is falling across the very heart of the Union. The First of the Magi has a plan to save the world, as he always does. But there are risks. There is no risk more terrible, after all, than to break the First Law...

the dogman first law: Red Country Joe Abercrombie, 2012-11-13 A New York Times bestseller! They burned her home. They stole her brother and sister. But vengeance is following. Shy South hoped to bury her bloody past and ride away smiling, but she'll have to sharpen up some bad old ways to get her family back, and she's not a woman to flinch from what needs doing. She sets off in pursuit with only a pair of oxen and her cowardly old step father Lamb for company. But it turns out Lamb's buried a bloody past of his own. And out in the lawless Far Country the past never stays buried. Their journey will take them across the barren plains to a frontier town gripped by gold fever, through feud, duel and massacre, high into the unmapped mountains to a reckoning with the Ghosts. Even worse, it will force them into an alliance with Nicomo Cosca, infamous soldier of fortune, and his feckless lawyer Temple, two men no one should ever have to trust . . . Red Country takes place in the same world as the First Law trilogy, Best Served Cold, andThe Heroes. This novel also represents the return of Logen Ninefingers, one of Abercrombie's most beloved characters.

the dogman first law: Sharp Ends Joe Abercrombie, 2016-04-26 Sharp Ends is the ultimate collection of award winning tales and exclusive new short stories from the master of grimdark fantasy, Joe Abercrombie. Violence explodes, treachery abounds, and the words are as deadly as the weapons in this rogue's gallery of side-shows, back-stories, and sharp endings from the world of the First Law. The Union army may be full of bastards, but there's only one who thinks he can save the day single-handed when the Gurkish come calling: the incomparable Colonel Sand dan Glokta. Curnden Craw and his dozen are out to recover a mysterious item from beyond the Crinna. Only one small problem: no one seems to know what the item is. Shevedieh, the self-styled best thief in Styria, lurches from disaster to catastrophe alongside her best friend and greatest enemy, Javre, Lioness of Hoskopp. And after years of bloodshed, the idealistic chieftain Bethod is desperate to bring peace to the North. There's only one obstacle left -- his own lunatic champion, the most feared man in the North: the Bloody-Nine . . .

the dogman first law: The Trouble with Peace Joe Abercrombie, 2020-09-15 A fragile peace gives way to conspiracy, betrayal, and rebellion in this sequel to the New York Times bestselling A Little Hatred from epic fantasy master Joe Abercrombie. A master of his craft. —Forbes No one writes with the seismic scope or primal intensity of Joe Abercrombie. —Pierce Brown Peace is just another kind of battlefield . . . Savine dan Glokta, once Adua's most powerful investor, finds her judgement, fortune and reputation in tatters. But she still has all her ambitions, and no scruple will be permitted to stand in her way. For heroes like Leo dan Brock and Stour Nightfall, only happy with swords drawn, peace is an ordeal to end as soon as possible. But grievances must be nursed, power seized, and allies gathered first, while Rikke must master the power of the Long Eye . . . before it kills her. Unrest worms into every layer of society. The Breakers still lurk in the shadows, plotting to free the common man from his shackles, while noblemen bicker for their own advantage. Orso struggles to find a safe path through the maze of knives that is politics, only for his enemies, and his debts, to multiply. The old ways are swept aside, and the old leaders with them, but those who would seize the reins of power will find no alliance, no friendship, and no peace lasts forever. the dogman first law: The Great Leveller Joe Abercrombie, 2015-04-23 Collected together for the first time, here are the three hard-hitting standalone novels set in the world of Joe Abercrombie's bestselling FIRST LAW trilogy. BEST SERVED COLD: War may be hell but for Monza Murcatto, the Snake of Talins, the most feared and famous mercenary in Duke Orso's employ, it's a damn good way of making money too. Her victories have made her popular - a shade too popular for her employer's taste. Betrayed, thrown down a mountain and left for dead, Murcatto's reward is a broken body and a burning hunger for vengeance. Whatever the cost, seven men must die. THE HEROES: Over three bloody days of battle, the fate of the North will be decided. But with both sides riddled by intrigues, follies, feuds and petty jealousies, it is unlikely to be the noblest hearts, or even the strongest arms that prevail. Three men. One battle. No Heroes. RED COUNTRY: Shy South hoped to bury her bloody past and ride away smiling, but she'll have to sharpen up some bad old ways to get her family back, and she's not a woman to flinch from what needs doing. She sets off in pursuit of her family's killers with only a pair of oxen and her cowardly old stepfather Lamb for company. But it turns out Lamb's buried a bloody past of his own, and out in the lawless Far Country, the past never stays buried.

the dogman first law: The Wisdom of Crowds Joe Abercrombie, 2021-09-14 The New York Times bestselling finale to the Age of Madness trilogy finds the world in an unstoppable revolution where heroes have nothing left to lose as darkness and destruction overtake everything. Chaos. Fury. Destruction. The Great Change is upon us . . . Some say that to change the world you must

first burn it down. Now that belief will be tested in the crucible of revolution: the Breakers and Burners have seized the levers of power, the smoke of riots has replaced the smog of industry, and all must submit to the wisdom of crowds. With nothing left to lose, Citizen Brock is determined to become a new hero for the new age, while Citizeness Savine must turn her talents from profit to survival before she can claw her way to redemption. Orso will find that when the world is turned upside down, no one is lower than a monarch. And in the bloody North, Rikke and her fragile Protectorate are running out of allies . . . while Black Calder gathers his forces and plots his vengeance. The banks have fallen, the sun of the Union has been torn down, and in the darkness behind the scenes, the threads of the Weaver's ruthless plan are slowly being drawn together . . . No one writes with the seismic scope or primal intensity of Joe Abercrombie. —Pierce Brown For more from Joe Abercrombie, check out: *The Age of Madness* *A Little Hatred* *The Trouble With Peace* *The Wisdom of Crowds* *The First Law Trilogy* *The Blade Itself* *Before They Are Hanged* *Last Argument of Kings* *Best Served Cold* *The Heroes* *Red Country* *The Shattered Sea Trilogy* *Half a King* *Half a World* *Half a War*

the dogman first law: Bigfoot and Dogman Sightings 2 Richard Hunt, Officer Hunt didn't believe his eyes, but the impossible creature was there, glaring back at him. It wasn't the first or last time Hunt or local townsfolk came face-to-face with the terrifying, legendary beasts. Now, choosing to break years of enforced silence, Hunt anonymously reveals the most unbelievable, shocking, and true encounters with cryptids like Bigfoot and Dogman in the Pacific Northwest by law enforcement, the communities they serve, and others across the continent. This is volume one of the Bigfoot and Dogman Sightings series. Get it now.

the dogman first law: Dog Man Martha Sherrill, 2008 Morie Sawataishi lives a life that is radically unconventional by any standard but almost absurd in blatantly conformist Japan. Journalist Martha Sherrill provides a profound look at what it takes to be an individualist in a culture where rebels are rare.

the dogman first law: Dog Man Dav Pilkey, 2018-10 Enjoy laughs and giggles with this boxed set of the popular Dog Man series.

the dogman first law: Best Served Cold Joe Abercrombie, 2009-06-01 Springtime in Styria. And that means war. There have been nineteen years of blood. The ruthless Grand Duke Orso is locked in a vicious struggle with the squabbling League of Eight, and between them they have bled the land white. While armies march, heads roll and cities burn, behind the scenes bankers, priests and older, darker powers play a deadly game to choose who will be king. War may be hell but for Monza Murcatto, the Snake of Talins, the most feared and famous mercenary in Duke Orso's employ, it's a damn good way of making money too. Her victories have made her popular - a shade too popular for her employer's taste. Betrayed, thrown down a mountain and left for dead, Murcatto's reward is a broken body and a burning hunger for vengeance. Whatever the cost, seven men must die. Her allies include Styria's least reliable drunkard, Styria's most treacherous poisoner, a mass-murderer obsessed with numbers and a Northman who just wants to do the right thing. Her enemies number the better half of the nation. And that's all before the most dangerous man in the world is dispatched to hunt her down and finish the job Duke Orso started... Springtime in Styria. And that means revenge.

the dogman first law: Half a War Joe Abercrombie, 2016-03-08 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BUZZFEED AND THE INDEPENDENT • New York Times bestselling author Joe Abercrombie delivers the stunning conclusion to the epic fantasy trilogy that began with *Half a King*, praised by George R. R. Martin as “a fast-paced tale of betrayal and revenge that grabbed me from page 1 and refused to let go.” “The Shattered Seas trilogy has worked its way into a very exclusive group of my favorite fantasy novels of all time.”—James Dashner, #1 New York Times bestselling author of *The Maze Runner* Words are weapons. Princess Skara has seen all she loved made blood and ashes. She is left with only words. But the right words can be as deadly as any blade. If she is to reclaim her birthright, she must conquer her fears and sharpen her wits to a lethal edge. Only half a war is fought with swords. The deeply cunning Father Yarvi has walked a long road from crippled slave to king’s minister. He has made allies of old foes and stitched together an uneasy peace. But now the ruthless Grandmother Wexen has raised the greatest army since the elves made war on God, and put Bright Yilling at its head—a man who worships only Death. Sometimes one must fight evil with evil. Some—like Thorn Bathu and the sword-bearer Raith—are born to fight, perhaps to die. Others—like Brand the smith and Koll the wood-carver—would rather stand in the light. But when Mother War spreads her iron wings, she may cast the whole Shattered Sea into darkness. Praise for *Half a War* “Filled with swift battles, quick plot twists and witty dialogue.”—New York Daily News “A fantasy for all ages, and all times [that] rends the soul as compulsively as anything Abercrombie has written to date . . . *Half a War* is a success in every way, putting a stupendous capstone on the entire Shattered Sea Trilogy.”—Tordotcom “There’s all the sword-swinging and Machiavellian machinations you could ask for in this tale of a final battle between countries and kings.”—Fredericksburg Free Lance-Star “Engaging, mesmerising and jaw-dropping.”—SciFi Now “Abercrombie piles on shocking betrayals and charges his characters a high price for vengeance in this powerful and fitting final volume.”—Publishers Weekly

the dogman first law: The Adventures of Dog Man 1: Dog Man Dav Pilkey, 2016-10-06 New from the creators of *Captain Underpants*, it's Dog Man, the crime-biting canine who is part dog, part man, and ALL COP! George and Harold have created a new hero who digs into deception, claws after crooks, and rolls over robbers. When Greg the police dog and his cop companion are injured on the job, a life-saving surgery changes the course of history, and Dog Man is born. With the head of a dog and the body of a human, this heroic hound has a real nose for justice. But can he resist the call of the wild to answer the call of duty? This new series from Dav Pilkey may use conventional spelling but it is still full of all the same humour and fun of George and Harold's previous graphic novels!

the dogman first law: The Wolf Road Beth Lewis, 2016 Published simultaneously in Great Britain by The Borough Press.

the dogman first law: Dominated by the Dogman Willa Holmes, Sadie Meyer, 2020-11-30 What happens when 18-year-old Willa is left alone at a cabin in the middle of the woods, all while a wolf-like predator awaits an opportunity to strike? Is it hungry for fresh meat...or something else? How will Willa react when she notices that the rare beast is eager to mate? The answer will certainly surprise you. Read now to learn what happens in this shocking true story. Author's Note: This is Erotica. Reader caution is advised!

the dogman first law: Dog Man: World Book Day 2020 Dav Pilkey, 2020-02-27 A BRILLIANT new DOG MAN book for World Book Day 2020 packed with three hilarious stories.

the dogman first law: Untitled Abercrombie 3 Of 4 Joe Abercrombie, 2020-09-17 Second in the AGE OF MADNESS trilogy, *THE TROUBLE WITH PEACE* is the next instalment of a series which is revolutionising fantasy . . . Conspiracy. Betrayal. Rebellion. Peace is just another kind of battlefield . . . Savine dan Glokta, once Adua's most powerful investor, finds her judgement, fortune and reputation in tatters. But she still has all her ambitions, and no scruple will be permitted to stand in her way. For heroes like Leo dan Brock and Stour Nightfall, only happy with swords drawn, peace is an ordeal to end as soon as possible. But grievances must be nursed, power seized and allies gathered first, while Rikke must master the power of the Long Eye . . . before it kills her. Unrest worms into every layer of society. The Breakers still lurk in the shadows, plotting to free the

common man from his shackles, while noblemen bicker for their own advantage. Orso struggles to find a safe path through the maze of knives that is politics, only for his enemies, and his debts, to multiply. The old ways are swept aside, and the old leaders with them, but those who would seize the reins of power will find no alliance, no friendship, and no peace, lasts forever.

the dogman first law: Half a King Joe Abercrombie, 2014-07-15 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY TIME AND THE WASHINGTON POST • LOCUS AWARD WINNER “The Shattered Seas trilogy has worked its way into a very exclusive group of my favorite fantasy novels of all time.”—James Dashner, #1 New York Times bestselling author of The Maze Runner “A fast-paced tale of betrayal and revenge that grabbed me from page 1 and refused to let go.”—George R. R. Martin “I swore an oath to avenge the death of my father. I may be half a man, but I swore a whole oath.” Prince Yarvi has vowed to regain a throne he never wanted. But first he must survive cruelty, chains, and the bitter waters of the Shattered Sea. And he must do it all with only one good hand. The deceived will become the deceiver. Born a weakling in the eyes of his father, Yarvi is alone in a world where a strong arm and a cold heart rule. He cannot grip a shield or swing an axe, so he must sharpen his mind to a deadly edge. The betrayed will become the betrayer. Gathering a strange fellowship of the outcast and the lost, he finds they can do more to help him become the man he needs to be than any court of nobles could. Will the usurped become the usurper? But even with loyal friends at his side, Yarvi finds that his path may end as it began—in twists, and traps, and tragedy. BONUS: This edition includes an excerpt from Joe Abercrombie’s *Half the World*.

“Tremendously entertaining . . . lightning-fast and filled with a wonderful collection of rogues, villains and two-faced bastards . . . From the first chapter [Joe Abercrombie] wastes no time as the reader is swept up in a gripping tale of betrayal and revenge.”—SciFi Now “Once this plot has its teeth in you, it will not let go. . . . Abercrombie’s masterful storytelling means that everything, from the characters that you come to love and despise, to the sprawling world that is explored, is enthralling.”—Fantasy Book Review “Abercrombie’s *Shattered Sea* is a fantastic yet believable backdrop to Yarvi’s struggle, a vivid imaginary land.”—The Seattle Times “Intriguing characters . . . nonstop action.”—Chicago Tribune “*Half a King* is my favorite book by Joe Abercrombie so far, and that’s saying something.”—Patrick Rothfuss “As in all Abercrombie’s books, friends turn out to be enemies, enemies turn out to be friends; the line between good and evil is murky indeed; and nothing goes quite as we expect. With eye-popping plot twists and rollicking good action, *Half a King* is definitely a full adventure.”—Rick Riordan “Enthralling! An up-all-night read.”—Robin Hobb “Polished and sharp, perhaps his most technically proficient novel yet . . . I dare you to read the first chapter and try not to turn the next page.”—Brent Weeks “*Half a King* can be summed up in a single word: masterpiece. It’s a coming-of-age story. It’s a Viking saga. It’s a revenge tale and family drama and the return of the prodigal son. But most of all, it’s this: a short time alongside people as weak and blundering as we are and, in the midst of it all, as heroic. Far too short a time, as it turns out. What a wonderful book.”—Myke Cole “*Half a King* is full of all the adventure I’ve come to expect from Abercrombie and a tenderness I never knew he had.”—Sam Sykes

the dogman first law: The Inferior Peadar O. Guilin, 2008-06-10 STOPMOUTH AND HIS family know of no other life than the daily battle to survive. To live, they must hunt rival species, or negotiate flesh-trade with those who crave meat of the freshest human kind. It is a savage, desperate existence. And for Stopmouth, considered slowwitted hunt-fodder by his tribe, the future looks especially bleak. But then, on the day he is callously betrayed by his brother, a strange and beautiful woman falls from the sky. It is a moment that will change his destiny, and that of all humanity, forever. With echoes of Tarzan, Conan the Barbarian, and The Truman Show, Peadar Ó Guilín’s debut is an action—and idea-packed—blockbuster that will challenge your perceptions of humanity and leave you hungry for more.

the dogman first law: Dog Man Dav Pilkey, 2021 George and Harold create a new comic book hero in Dog Man, a crimefighter with the head of a police dog and the body of a policeman, who faces off against his archnemesis Petey the cat.

the dogman first law: Peace and Turmoil Elliot Brooks, 2019-03-18 Peace and Turmoil is the

first installment in an epic fantasy series following heirs from across the land of Abra'am as they try to navigate magic, politics, and fiends.

the dogman first law: How to Be Idle Tom Hodgkinson, 2013-07-30 Yearning for a life of leisure? In 24 chapters representing each hour of a typical working day, this book will coax out the loafer in even the most diligent and schedule-obsessed worker. From the founding editor of the celebrated magazine about the freedom and fine art of doing nothing, *The Idler*, comes not simply a book, but an antidote to our work-obsessed culture. In *How to Be Idle*, Hodgkinson presents his learned yet whimsical argument for a new, universal standard of living: being happy doing nothing. He covers a whole spectrum of issues affecting the modern idler—sleep, work, pleasure, relationships—bemoaning the cultural skepticism of idleness while reflecting on the writing of such famous apologists for it as Oscar Wilde, Robert Louis Stevenson, Dr. Johnson, and Nietzsche—all of whom have admitted to doing their very best work in bed. It's a well-known fact that Europeans spend fewer hours at work a week than Americans. So it's only befitting that one of them—the very clever, extremely engaging, and quite hilarious Tom Hodgkinson—should have the wittiest and most useful insights into the fun and nature of being idle. Following on the quirky, call-to-arms heels of the bestselling *Eat, Shoots and Leaves: The Zero Tolerance Approach to Punctuation* by Lynne Truss, *How to Be Idle* rallies us to an equally just and no less worthy cause: reclaiming our right to be idle.

the dogman first law: Beyond Redemption Michael R. Fletcher, 2015-06-16 “Set in a world where madness equates to power . . . An alarming, original and compulsive tale laced with a blackly comic sensibility.” —Anthony Ryan, New York Times–bestselling author A darkly imaginative writer in the tradition of Joe Abercrombie, Peter V. Brett, and Neil Gaiman conjures a gritty mind-bending fantasy, set in a world where delusion becomes reality . . . and the fulfillment of humanity's desires may well prove to be its undoing. Faith shapes the landscape, defines the laws of physics, and makes a mockery of truth. Common knowledge isn't an axiom, it's a force of nature. What the masses believe is. But insanity is a weapon, conviction a shield. Delusions give birth to foul new gods. Violent and dark, the world is filled with the *Geisteskranken*—men and women whose delusions manifest, twisting reality. High Priest Konig seeks to create order from chaos. He defines the beliefs of his followers, leading their faith to one end: a young boy, Morgen, must Ascend to become a god. A god they can control. But there are many who would see this would-be-god in their thrall, including the High Priest's own Doppels, and a Slaver no one can resist. Three reprobates—The Greatest Swordsman in the World, a murderous Kleptic, and possibly the only sane man left—have their own nefarious plans for the young god. As these forces converge on the boy, there's one more obstacle: time is running out. When one's delusions become more powerful, they become harder to control. The fate of the *Geisteskranken* is to inevitably find oneself in the Afterdeath. The question, then, is: Who will rule there?

the dogman first law: Guide to Creating Comics in 3-D (Dog Man) Kate Howard, 2019-01-10 Attached to hardcover binding (20 cm); includes dry erase marker, 3-D glasses, and book of stickers.

the dogman first law: The Eye of Argon Jim Theis, Weinstein Lee, 2021-04-30 This is not a hoax. Jim Theis was a real person, who wrote *The Eye of Argon* in all seriousness as a teenager, and published it in a fanzine, *Osfan* in 1970. But the story did not pass into the oblivion that awaits most amateur fiction. Instead, a miracle happened, and transcribed and photocopied texts began to circulate in science fiction circles, gaining a wide and incredulous audience among both professionals and fans. It became the ultimate samizdat, an underground classic, and for more than thirty years it has been the subject of midnight readings at conventions, as thousands have come to appreciate the negative genius of this amazing Ed Wood of prose.

the dogman first law: Happy Hour in Hell Tad Williams, 2013-09-26 Bobby Dollar has a problem or four of epic proportions. Problem one: his best friend Sam has given him an angel's feather that also happens to be evidence of an unholy pact between Bobby's employers and those who dwell in the infernal depths. Problem two: Eligor, Grand Duke of Hell, wants to get his claws on

the feather at all costs, but particularly at all cost to Bobby . Problem three: Bobby has fallen in love with Casimira, Countess of Cold Hands, who just happens to be Eligor's girlfriend. Problem four: Eligor, aware of Problem three, has whisked Casimira off to the Bottomless Pit itself, telling Bobby he will never see her again unless he hands over the feather. But Bobby, long-time veteran of the endless war between above and below, is not the type of guy who finds Hell intimidating. All he has to do is toss on a demon's body, sneak through the infernal gates, solve the mystery of the angel's feather, and rescue the girl. Saving the day should just be a matter of an eon or two of anguish, mutilation and horror. If only it were that easy.

the dogman first law: Lord of the Flies William Golding, 2012-09-20 A plane crashes on a desert island and the only survivors, a group of schoolboys, assemble on the beach and wait to be rescued. By day they inhabit a land of bright fantastic birds and dark blue seas, but at night their dreams are haunted by the image of a terrifying beast. As the boys' delicate sense of order fades, so their childish dreams are transformed into something more primitive, and their behaviour starts to take on a murderous, savage significance. First published in 1954, *Lord of the Flies* is one of the most celebrated and widely read of modern classics. Now fully revised and updated, this educational edition includes chapter summaries, comprehension questions, discussion points, classroom activities, a biographical profile of Golding, historical context relevant to the novel and an essay on *Lord of the Flies* by William Golding entitled 'Fable'. Aimed at Key Stage 3 and 4 students, it also includes a section on literary theory for advanced or A-level students. The educational edition encourages original and independent thinking while guiding the student through the text - ideal for use in the classroom and at home.

the dogman first law: The Girl and the Mountain (Book of the Ice, Book 2) Mark Lawrence, 2021-04-29 Second novel in the chilling and epic new fantasy series from the bestselling and critically-acclaimed author of *PRINCE OF THORNS* and *RED SISTER*. 'If you like dark you will love Mark Lawrence. And when the light breaks through and it all makes sense, the contrast is gorgeous' ROBIN HOBB

the dogman first law: Code Name D A Roberts, 2020-07-18 When the US Air Force loses contact with an experimental drone carrying a classified weapon system over a remote section of the Ouachita Mountain Range of eastern Oklahoma, a team of elite Pararescue personnel are sent in to recover the asset. After the entire team and the helicopter sent to extract them vanish without a trace, it is discovered that a highly-aggressive, hairy, bipedal hominid is responsible for the attack. Code Name: Wild Hunt is called in to handle the paranormal threat. The Wild Hunt is a covert group of Special Forces operatives that are recruited from all branches of the US military for highly specialized and classified missions pertaining to paranormal threats to humanity. With the increasing frequency of attacks, the Wild Hunt is split across four zones of the United States, with four teams operating in each zone. Teams are named after Hunting Deities with each zone representing a different pantheon. Due to the volatile nature of the missions and potential for panic in the general populace, the Special Operations Group known as the Wild Hunt does not formally exist in any government or military records. Dispatching Team Odin, they soon discover that it wasn't just one creature. They find themselves caught in the middle of a conflict between two clans of Bigfoot-like creatures embroiled in a territorial dispute. Creatures that they quickly learn are far more intelligent than originally anticipated. To make matters worse, they find themselves trapped by one of the worst snowstorms on record. Can Team Odin locate any survivors of the original Pararescue team, as well as secure the missing drone? Or will they, too, fall prey to the same creatures?

the dogman first law: The First Law Trilogy Boxed Set Joe Abercrombie, 2012-08-30 THE FIRST LAW trilogy is a fantasy masterpiece, now available in a stunning box set. It's a perfect gift for fans of *A GAME OF THRONES*; a must-have for fans of Joe Abercrombie; and a great way for new readers to discover one of the most highly acclaimed fantasy trilogies of the past decade.

the dogman first law: Myrren's Gift Fiona McIntosh, 2011-02-17 When Wyl Thirsk, General of the Morgravian Legion, is forced to watch the torture of Myrren, a young woman accused of

witchcraft, it seems little enough comfort to speed her passing. But Myrren is grateful for even this small mercy and promises Wyl a gift. He thanks her but dismisses the notion - what could this poor, doomed girl have to give him? It is only years later that Wyl, shorn of his friends and allies, betrayed by his king, and forced to make an impossible choice, remembers the dying words of the young woman about to burn for the crime of witchcraft. As his enemy's sword draws closer, Wyl finally understands the meaning of Myrren's dying words, and he wonders: had he known what that one act of kindness would bring, would he have behaved otherwise? Gripping the reader from the very first page, *Myrren's Gift* marks Fiona McIntosh as one of fantasy fiction's most gifted storytellers.
