BACKGROUND OF WINGATE WILDERNESS THERAPY

WINGATE WILDERNESS THERAPY IS A THERAPEUTIC PROGRAM LOCATED IN UTAH, SPECIALIZING IN OUTDOOR BEHAVIORAL TREATMENT FOR ADOLESCENTS STRUGGLING WITH MENTAL HEALTH AND BEHAVIORAL CHALLENGES. FOUNDED IN THE EARLY 2000S, WINGATE HAS GAINED RECOGNITION FOR ITS USE OF NATURE-BASED INTERVENTIONS, GROUP THERAPY, AND EXPERIENTIAL LEARNING. THE PROGRAM IS PART OF A LARGER INDUSTRY THAT INCLUDES VARIOUS WILDERNESS THERAPY AND RESIDENTIAL TREATMENT CENTERS CATERING TO AT-RISK YOUTH.

WINGATE WILDERNESS THERAPY AIMS TO HELP PARTICIPANTS BUILD RESILIENCE, DEVELOP COPING SKILLS, AND OVERCOME PERSONAL CHALLENGES THROUGH STRUCTURED WILDERNESS EXPEDITIONS. THEIR APPROACH INTEGRATES CLINICAL THERAPY WITH OUTDOOR ACTIVITIES, UNDER THE SUPERVISION OF LICENSED PROFESSIONALS. PARENTS OFTEN TURN TO PROGRAMS LIKE WINGATE AS A LAST RESORT WHEN CONVENTIONAL THERAPIES HAVE NOT YIELDED DESIRED RESULTS.

DESPITE WINGATE'S STATED MISSION AND CLINICAL PROTOCOLS, WILDERNESS THERAPY AS A WHOLE HAS FACED SCRUTINY OVER ITS SAFETY STANDARDS, STAFF QUALIFICATIONS, AND METHODS. THIS CONTEXT IS ESSENTIAL FOR UNDERSTANDING THE LEGAL DISPUTES THAT HAVE ARISEN OVER THE YEARS.

OVERVIEW OF LAWSUITS AGAINST WINGATE WILDERNESS THERAPY

THE WINGATE WILDERNESS THERAPY LAWSUIT ENCOMPASSES SEVERAL LEGAL ACTIONS TAKEN BY FORMER PARTICIPANTS, PARENTS, AND ADVOCACY GROUPS AGAINST THE PROGRAM. THESE LAWSUITS TYPICALLY ALLEGE MISCONDUCT, NEGLIGENCE, ABUSE, OR FAILURE TO PROVIDE ADEQUATE CARE. SOME CASES HAVE DRAWN SIGNIFICANT MEDIA ATTENTION, CONTRIBUTING TO HEIGHTENED PUBLIC AWARENESS AND DEBATE ABOUT WILDERNESS THERAPY PRACTICES.

LEGAL CHALLENGES AGAINST WINGATE WILDERNESS THERAPY GENERALLY CENTER AROUND ALLEGATIONS OF PHYSICAL AND

EMOTIONAL HARM, LACK OF PROPER SUPERVISION, AND BREACHES OF CONTRACT. IN SOME INSTANCES, PLAINTIFFS CLAIM THAT THE PROGRAM DID NOT DELIVER ON ITS PROMISES OR FAILED TO ENSURE PARTICIPANT SAFETY. THESE LAWSUITS OFTEN INVOLVE COMPLEX ISSUES OF LIABILITY AND PROFESSIONAL RESPONSIBILITY.

WHILE SOME CLAIMS HAVE BEEN SETTLED OUT OF COURT, OTHERS HAVE PROCEEDED TO TRIAL, LEADING TO VARYING OUTCOMES. THE LAWSUITS HAVE PROMPTED CALLS FOR INCREASED OVERSIGHT AND ACCOUNTABILITY WITHIN THE WILDERNESS THERAPY INDUSTRY.

KEY ALLEGATIONS AND LEGAL CLAIMS

NEGLIGENCE AND DUTY OF CARE

ONE OF THE MOST COMMON LEGAL CLAIMS IN THE WINGATE WILDERNESS THERAPY LAWSUIT IS NEGLIGENCE. PLAINTIFFS ARGUE THAT WINGATE WILDERNESS THERAPY FAILED TO EXERCISE REASONABLE CARE IN PROVIDING SERVICES, RESULTING IN HARM TO PARTICIPANTS. EXAMPLES OF ALLEGED NEGLIGENCE INCLUDE INADEQUATE STAFF TRAINING, INSUFFICIENT MEDICAL OVERSIGHT, AND FAILURE TO RESPOND APPROPRIATELY TO EMERGENCIES.

ABUSE AND MISTREATMENT

SOME LAWSUITS ALLEGE THAT PARTICIPANTS WERE SUBJECTED TO PHYSICAL OR EMOTIONAL ABUSE DURING THEIR TIME AT WINGATE WILDERNESS THERAPY. CLAIMS INCLUDE HARSH DISCIPLINARY MEASURES, EXCESSIVE ISOLATION, AND DENIAL OF BASIC NEEDS. THESE ALLEGATIONS RAISE SERIOUS QUESTIONS ABOUT THE THERAPEUTIC METHODS EMPLOYED AND THE OVERSIGHT OF STAFF CONDUCT.

BREACH OF CONTRACT AND MISREPRESENTATION

ANOTHER LEGAL CLAIM INVOLVES BREACH OF CONTRACT. PLAINTIFFS CONTEND THAT WINGATE DID NOT PROVIDE THE SERVICES OR LEVEL OF CARE PROMISED IN THEIR AGREEMENTS. MISREPRESENTATION CLAIMS ASSERT THAT THE PROGRAM MARKETED ITSELF AS SAFE AND EFFECTIVE BUT FAILED TO MEET THESE STANDARDS, LEADING TO DISAPPOINTMENT AND HARM.

- NEGLIGENCE IN SUPERVISION AND SAFETY PROTOCOLS
- ALLEGED PSYCHOLOGICAL AND PHYSICAL ABUSE
- BREACH OF CONTRACT REGARDING PROMISED SERVICES
- MISREPRESENTATION IN MARKETING MATERIALS
- FAILURE TO PROVIDE ADEQUATE MEDICAL ATTENTION

LEGAL PROCEEDINGS AND OUTCOMES

SETTLEMENTS AND COURT DECISIONS

MANY WINGATE WILDERNESS THERAPY LAWSUITS HAVE RESULTED IN SETTLEMENTS, WHERE PARTIES AGREE TO RESOLVE THE DISPUTE WITHOUT ADMITTING LIABILITY. SETTLEMENT AGREEMENTS OFTEN INCLUDE CONFIDENTIALITY CLAUSES, FINANCIAL COMPENSATION, AND COMMITMENTS TO IMPROVE PRACTICES. IN CASES THAT HAVE GONE TO TRIAL, COURTS HAVE EXAMINED EVIDENCE, HEARD EXPERT TESTIMONY, AND RULED ON THE MERITS OF THE CLAIMS.

SOME LAWSUITS HAVE LED TO REFORMS IN PROGRAM POLICIES AND PROCEDURES. OTHERS HAVE BEEN DISMISSED DUE TO LACK OF EVIDENCE OR PROCEDURAL ISSUES. THE OUTCOMES VARY WIDELY DEPENDING ON THE SPECIFIC FACTS OF EACH CASE AND THE LEGAL ARGUMENTS PRESENTED.

ROLE OF REGULATORY AGENCIES

REGULATORY AGENCIES AND STATE LICENSING BOARDS HAVE SOMETIMES BECOME INVOLVED IN INVESTIGATING COMPLAINTS AGAINST WINGATE WILDERNESS THERAPY. THEIR FINDINGS CAN INFLUENCE THE OUTCOME OF LAWSUITS AND RESULT IN SANCTIONS OR CHANGES TO OPERATING LICENSES. INCREASED SCRUTINY FROM REGULATORS HAS PROMPTED SOME WILDERNESS THERAPY PROGRAMS TO IMPLEMENT MORE RIGOROUS SAFETY AND REPORTING STANDARDS.

IMPACT ON WILDERNESS THERAPY INDUSTRY

THE WINGATE WILDERNESS THERAPY LAWSUIT HAS HAD A SIGNIFICANT IMPACT ON THE BROADER WILDERNESS THERAPY INDUSTRY. AS PUBLIC AWARENESS OF THESE LEGAL CHALLENGES HAS GROWN, OTHER PROGRAMS HAVE COME UNDER INCREASED SCRUTINY. THE LAWSUITS HAVE LED TO CALLS FOR IMPROVED TRANSPARENCY, HIGHER STAFF QUALIFICATIONS, AND BETTER SAFEGUARDING OF PARTICIPANT WELFARE.

INDUSTRY ORGANIZATIONS HAVE RESPONDED BY DEVELOPING BEST PRACTICES AND ACCREDITATION STANDARDS. MANY PROGRAMS NOW EMPHASIZE INFORMED CONSENT, COMPREHENSIVE RISK ASSESSMENTS, AND ONGOING STAFF TRAINING. THE LEGAL CASES HAVE ALSO ENCOURAGED FAMILIES TO CONDUCT MORE THOROUGH RESEARCH BEFORE CHOOSING A WILDERNESS THERAPY PROGRAM FOR THEIR CHILDREN.

PARENT AND PARTICIPANT PERSPECTIVES

CONCERNS AND EXPERIENCES

PARENTS AND FORMER PARTICIPANTS INVOLVED IN THE WINGATE WILDERNESS THERAPY LAWSUIT HAVE SHARED A RANGE OF EXPERIENCES. SOME REPORT POSITIVE OUTCOMES AND PERSONAL GROWTH, WHILE OTHERS DESCRIBE NEGATIVE OR TRAUMATIC INCIDENTS. CONCERNS COMMONLY CITED INCLUDE LACK OF COMMUNICATION, INADEQUATE MEDICAL CARE, AND INSUFFICIENT OVERSIGHT OF STAFF BEHAVIOR.

ADVOCACY GROUPS HAVE EMERGED TO SUPPORT FAMILIES AFFECTED BY NEGATIVE EXPERIENCES IN WILDERNESS THERAPY PROGRAMS. THESE ORGANIZATIONS PROVIDE RESOURCES, LEGAL GUIDANCE, AND A PLATFORM FOR SHARING STORIES. THEIR EFFORTS HAVE CONTRIBUTED TO ONGOING DIALOGUE ABOUT THE SAFETY AND EFFECTIVENESS OF THESE PROGRAMS.

SEEKING ACCOUNTABILITY AND REFORM

MANY PARENTS AND PARTICIPANTS SEEK ACCOUNTABILITY FROM WILDERNESS THERAPY PROVIDERS. THEY ADVOCATE FOR STRONGER REGULATIONS, INDEPENDENT INSPECTIONS, AND TRANSPARENT COMPLAINT RESOLUTION PROCESSES. THEIR ACTIONS HAVE PLAYED A KEY ROLE IN SHAPING THE INDUSTRY'S RESPONSE TO LEGAL CHALLENGES AND DRIVING REFORMS.

REGULATORY AND OVERSIGHT ISSUES

REGULATION OF WILDERNESS THERAPY PROGRAMS LIKE WINGATE VARIES BY STATE, WITH SOME JURISDICTIONS IMPOSING MORE STRINGENT REQUIREMENTS THAN OTHERS. THE WINGATE WILDERNESS THERAPY LAWSUIT HAS HIGHLIGHTED GAPS IN OVERSIGHT AND ENFORCEMENT, PROMPTING LAWMAKERS TO CONSIDER NEW POLICIES. AREAS OF FOCUS INCLUDE LICENSING STANDARDS, MANDATORY REPORTING OF INCIDENTS, AND STAFF CREDENTIALING.

INDUSTRY LEADERS AND ADVOCACY ORGANIZATIONS CONTINUE TO WORK WITH REGULATORS TO ENHANCE PROGRAM SAFETY AND ACCOUNTABILITY. THE GOAL IS TO ENSURE THAT THERAPEUTIC WILDERNESS PROGRAMS PROVIDE EFFECTIVE, ETHICAL, AND

FREQUENTLY ASKED QUESTIONS

Q: WHAT TRIGGERED THE WINGATE WILDERNESS THERAPY LAWSUIT?

A: THE WINGATE WILDERNESS THERAPY LAWSUIT WAS TRIGGERED BY ALLEGATIONS FROM FORMER PARTICIPANTS AND THEIR FAMILIES REGARDING NEGLIGENCE, ABUSE, AND FAILURE TO PROVIDE ADEQUATE CARE. THESE CLAIMS LED TO MULTIPLE LEGAL ACTIONS AND INCREASED SCRUTINY OF THE PROGRAM'S PRACTICES.

Q: WHAT ARE THE MAIN ALLEGATIONS AGAINST WINGATE WILDERNESS THERAPY?

A: THE MAIN ALLEGATIONS INCLUDE NEGLIGENCE, PHYSICAL AND EMOTIONAL ABUSE, BREACH OF CONTRACT, AND MISREPRESENTATION OF THE PROGRAM'S SERVICES AND SAFETY STANDARDS.

Q: HAVE ANY LAWSUITS AGAINST WINGATE WILDERNESS THERAPY RESULTED IN SETTLEMENTS?

A: YES, SEVERAL LAWSUITS HAVE BEEN RESOLVED THROUGH SETTLEMENTS, OFTEN INVOLVING FINANCIAL COMPENSATION AND AGREEMENTS TO IMPROVE CERTAIN PRACTICES WITHOUT AN ADMISSION OF LIABILITY.

Q: HOW HAVE THESE LAWSUITS AFFECTED THE WILDERNESS THERAPY INDUSTRY?

A: THE LAWSUITS HAVE LED TO INCREASED SCRUTINY, CALLS FOR REGULATORY REFORM, AND THE DEVELOPMENT OF HIGHER STANDARDS FOR SAFETY, TRANSPARENCY, AND STAFF TRAINING WITHIN THE WILDERNESS THERAPY INDUSTRY.

Q: WHAT STEPS CAN PARENTS TAKE BEFORE ENROLLING A CHILD IN A WILDERNESS THERAPY PROGRAM?

A: PARENTS ARE ADVISED TO THOROUGHLY RESEARCH PROGRAMS, VERIFY STAFF CREDENTIALS, REVIEW SAFETY PROTOCOLS, AND CONSULT INDEPENDENT REVIEWS OR REGULATORY AGENCIES TO ENSURE THE PROGRAM MEETS HIGH STANDARDS OF CARE.

Q: ARE WILDERNESS THERAPY PROGRAMS REGULATED BY THE GOVERNMENT?

A: REGULATION VARIES BY STATE, WITH SOME JURISDICTIONS REQUIRING LICENSING AND OVERSIGHT, WHILE OTHERS HAVE MINIMAL REQUIREMENTS. THE WINGATE WILDERNESS THERAPY LAWSUIT HAS PROMPTED CALLS FOR MORE CONSISTENT AND COMPREHENSIVE REGULATION.

Q: WHAT SHOULD PARTICIPANTS DO IF THEY EXPERIENCE HARM IN A WILDERNESS THERAPY PROGRAM?

A: PARTICIPANTS AND FAMILIES SHOULD DOCUMENT INCIDENTS, SEEK MEDICAL ATTENTION IF NECESSARY, AND REPORT CONCERNS TO PROGRAM ADMINISTRATORS AND RELEVANT REGULATORY BODIES. LEGAL CONSULTATION MAY BE APPROPRIATE IN CASES OF SERIOUS HARM.

Q: HAS WINGATE WILDERNESS THERAPY CHANGED ITS POLICIES IN RESPONSE TO LAWSUITS?

A: IN RESPONSE TO LEGAL CHALLENGES, WINGATE AND OTHER WILDERNESS THERAPY PROGRAMS HAVE IMPLEMENTED REFORMS SUCH AS IMPROVED STAFF TRAINING, ENHANCED SAFETY PROTOCOLS, AND GREATER TRANSPARENCY IN THEIR OPERATIONS.

Q: WHAT ARE THE ALTERNATIVES TO WILDERNESS THERAPY FOR TROUBLED YOUTH?

A: ALTERNATIVES INCLUDE OUTPATIENT COUNSELING, TRADITIONAL RESIDENTIAL TREATMENT CENTERS, FAMILY THERAPY, AND COMMUNITY-BASED INTERVENTIONS, ALL OF WHICH MAY PROVIDE THERAPEUTIC SUPPORT IN DIFFERENT SETTINGS.

Q: WHERE CAN FAMILIES FIND RELIABLE INFORMATION ABOUT WILDERNESS THERAPY PROGRAMS?

A: RELIABLE INFORMATION CAN BE FOUND THROUGH STATE REGULATORY AGENCIES, PROFESSIONAL ASSOCIATIONS, INDEPENDENT ADVOCACY GROUPS, AND MENTAL HEALTH PROFESSIONALS FAMILIAR WITH YOUTH THERAPEUTIC OPTIONS.

Wingate Wilderness Therapy Lawsuit: Understanding the Allegations and Implications

The recent surge in lawsuits against wilderness therapy programs has brought intense scrutiny to the industry, and Wingate Wilderness Therapy is no exception. This post delves into the specifics of the lawsuits filed against Wingate, exploring the allegations, the legal battles, and the wider implications for the wilderness therapy field. We aim to provide a comprehensive overview, clarifying the complexities of these cases and offering insights into the ongoing debate surrounding the ethical and legal practices within the industry. This isn't legal advice; it's an informative analysis of publicly available information regarding the Wingate Wilderness Therapy lawsuit(s).

H2: Understanding Wilderness Therapy and its Controversies

Wilderness therapy, aimed at treating adolescents struggling with emotional, behavioral, or substance abuse issues, involves immersing them in challenging outdoor environments. While proponents claim it offers unique therapeutic benefits, critics highlight potential risks, including

allegations of physical and emotional abuse, inadequate supervision, and questionable therapeutic practices. This inherent tension between potential benefits and inherent risks lies at the heart of the controversies surrounding programs like Wingate. The inherent isolation and the power dynamics within these programs make them susceptible to exploitation and misuse.

H2: Key Allegations in the Wingate Wilderness Therapy Lawsuits

The lawsuits filed against Wingate Wilderness Therapy, though varying in specifics, often center around several recurring allegations. These include:

Negligence: This encompasses claims of inadequate supervision leading to injuries, failure to provide appropriate medical care for physical or mental health crises, and a lack of proper risk management protocols.

Physical and Emotional Abuse: Allegations range from physical assault and verbal abuse to manipulative tactics designed to control and subdue participants. These accusations often involve staff members exceeding boundaries and employing methods deemed harmful and unethical.

Lack of Informed Consent: Lawsuits frequently challenge the adequacy of the informed consent process obtained from parents and/or guardians, questioning whether they were fully aware of the risks and potential consequences of sending their children to Wingate.

Breach of Contract: Some lawsuits allege breaches of contract, claiming that Wingate failed to deliver on promises made regarding treatment, safety, and overall care.

H3: Specific Examples of Allegations (Where Publicly Available)

It's crucial to note that details of specific lawsuits against Wingate often remain confidential due to ongoing litigation and settlements. However, publicly available information might include general summaries of the nature of the claims. Accessing court documents (when available) offers more detail, but requires careful consideration of the legal context.

H2: The Legal Landscape and Potential Outcomes

Navigating the legal landscape surrounding these lawsuits is complex. The outcomes depend on various factors, including the strength of the evidence presented, the credibility of witnesses, and the interpretation of relevant laws and regulations governing wilderness therapy programs. Successful lawsuits could lead to substantial financial settlements, changes in Wingate's operational practices, and potentially, broader legislative reforms within the wilderness therapy industry.

H2: The Broader Implications for the Wilderness Therapy Industry

The lawsuits against Wingate are not isolated incidents. They contribute to a larger conversation about accountability and ethical standards within the wilderness therapy industry. These cases highlight the need for greater transparency, stricter regulations, and improved oversight to protect vulnerable adolescents participating in these programs. The industry must address concerns about potential abuse and ensure that programs operate within ethical and legal boundaries.

H2: Seeking Help and Resources for Affected Individuals

If you or someone you know has been affected by alleged abuse or negligence at Wingate Wilderness Therapy or any other wilderness therapy program, seeking legal counsel is crucial. Numerous organizations provide support and resources to victims of abuse, offering guidance on navigating the legal system and accessing appropriate mental health services. Connecting with a qualified attorney and support groups can provide invaluable assistance during this challenging time.

Conclusion

The lawsuits against Wingate Wilderness Therapy represent a critical turning point for the wilderness therapy industry. These legal challenges compel a thorough examination of the industry's practices, prompting a necessary conversation about safety, ethics, and accountability. While the specifics of individual cases may vary, the overarching issue is the need for increased regulation and a renewed commitment to protecting the well-being of vulnerable adolescents participating in wilderness therapy programs. Transparency and rigorous oversight are essential to ensuring responsible and ethical practices within this field.

FAQs

1. Are all wilderness therapy programs problematic? No, the vast majority of wilderness therapy programs operate ethically and responsibly. However, the lawsuits highlight the need for greater scrutiny and oversight within the industry.
2. Where can I find more information about the Wingate lawsuits? Accessing court documents can be challenging. Legal news sources and specialized databases may offer summaries of publicly available information.

3. What legal recourse is available for victims of abuse in wilderness therapy? Victims can seek legal counsel to explore options such as filing civil lawsuits for damages.
4. Are there regulatory bodies overseeing wilderness therapy? While some states have licensing requirements for wilderness therapy programs, regulation varies significantly.
5. What steps can parents take to protect their children when considering wilderness therapy? Thorough research, verifying accreditation, and seeking multiple opinions from professionals are essential steps. A detailed contract review is also crucial.

wingate wilderness therapy lawsuit: *Trauma, Abandonment and Privilege* Nick Duffell, Thurstine Basset, 2016-04-14 *Trauma, Abandonment and Privilege* discusses how ex-boarders can be amongst the most challenging clients for therapists; even experienced therapists may unwittingly struggle to skilfully address the needs of this client group. It looks at the effect on adults of being sent away to board in childhood and the problems associated with boarding, which have only recently been acknowledged by mainstream mental health professionals. This practice-based book is illustrated by case studies, diagrams and exercises and is divided into three parts: 'Recognition; Acceptance; Change'. It aims to help readers understand the emotional processes of boarding and the psychological aspects of survival, outlining the steps toward recovery and the repercussions of survival. The book also explores how ex-boarders frequently struggle with intimate relationships with spouses and partners and offers interventions and strategies for those working with ex-boarder clients. *Trauma, Abandonment and Privilege* will be of interest to therapists, counsellors and mental health workers across the UK. It will also be relevant to those who are well acquainted with boarding schools based on the UK model, for example in Canada, Australia, New Zealand and India.

wingate wilderness therapy lawsuit: *Adventure Therapy* Michael A. Gass, H.L. "Lee" Gillis, Keith C. Russell, 2020-03-11 This revised text describes the theory substantiating adventure therapy, demonstrates best practices in the field, and presents research validating the immediate and long-term effects of adventure therapy. A leading text in the field of adventure therapy, outdoor behavioral healthcare, and wilderness therapy, the book is written by three professionals who have been at the forefront of the field since its infancy. This new edition includes fully updated chapters to reflect the immense changes in the field since the first edition was written in 2010. It serves to provide information detailing what is occurring with clients as well as how it occurs. This book provides an invaluable reference for the seasoned professional and is a required source of information and examination for the beginning professional. It is a great training resource for adventure therapy practices in the field of mental health.

wingate wilderness therapy lawsuit: *Help at Any Cost* Maia Szalavitz, 2006 The troubled-teen industry, with its scaremongering and claims of miraculous changes in behavior through harsh discipline, has existed in one form or another for decades, despite a dearth of evidence supporting its methods. And the growing number of programs that make up this industry are today finding more customers than ever. Maia Szalavitz's *Help at Any Cost* is the first in-depth investigation of this industry and its practices, starting with its roots in the cultlike sixties rehabilitation program Synanon and Large Group Awareness Training organizations likeest in the seventies; continuing with Straight, Inc., which received Nancy Reagan's seal of approval in the eighties; and culminating with a look at the World Wide Association of Specialty Programs-the leading force in the industry today-which has begun setting up shop in foreign countries to avoid regulation. Szalavitz uncovers disturbing findings about these programs' methods, including allegation of physical and verbal abuse, and presents us with moving, often horrifying, first-person accounts of kids who made it through-as well as stories of those who didn't survive. The book also contains a thoughtfully compiled guide for parents, which details effective treatment alternatives. Weaving careful reporting with astute analysis, Maia Szalavitz has written an important and timely

survey that will change the way we look at rebellious teens-and the people to whom we entrust them. Help at Any Cost is a vital resource with an urgent message that will draw attention to a compelling issue long overlooked.

wingate wilderness therapy lawsuit: *Beautiful Bad* Annie Ward, 2019-03-05 A perfect marriage reveals its dark secrets in this psychological thriller of a devoted wife, her veteran husband, and a shocking murder. Maddie and Ian's love story began with a chance encounter at a party overseas; he was serving in the British Army and she was a travel writer visiting her best friend, Jo. Now almost two decades later, married with a beautiful son, Charlie, they are living the perfect suburban life in Middle America. But when a camping accident leaves Maddie badly scarred, she begins attending writing therapy, where she gradually reveals her fears about Ian's PTSD; her concerns for the safety of their young son; and the couple's tangled and tumultuous past with Jo. From the Balkans to England, Iraq to Manhattan, and finally to an ordinary family home in Kansas, sixteen years of love and fear, adventure and suspicion culminate in The Day of the Killing, when a frantic 911 call summons the police to the scene of a shocking crime.

wingate wilderness therapy lawsuit: *Boot Camp* Todd Strasser, 2007-05-22 Kidnapped and sent to live in a disciplinary boot camp where he is physically and psychologically tortured on a daily basis, fifteen-year-old Garrett knows that he has been wrongly imprisoned and so feels there is no choice but to attempt a daring escape in order to save the life he has left in him.

wingate wilderness therapy lawsuit: Mental Health, Inc. Art Levine, 2017-08-15 The mental health system in America is hardly the front-burner issue it should be, despite lip service about reform after each new tragic mass killing. Yet every American should care deeply about fixing a system a presidential commission reported was in "shambles." By some measures, 20 percent of Americans have some sort of mental health condition, including the most vulnerable among us—veterans, children, the elderly, prisoners, the homeless. With *Mental Health, Inc.*, award-winning investigative journalist Art Levine delivers a Shock Doctrine-style exposé of the failures of our out of control, profit-driven mental health system, with a special emphasis on dangerous residential treatment facilities and the failures of the pharmaceutical industry, including the overdrugging of children with antipsychotics and the disastrous maltreatment of veterans with PTSD by the scandal-wracked VA. Levine provides compelling narrative portraits of victims who needlessly died and some mentally ill people who won unexpected victories in their lives by getting smart, personalized help from "psychosocial" programs that incorporate safe and appropriate prescribing, along with therapy and social support. He contrasts their stories with corrupt Big Pharma executives and researchers who created fraudulent marketing schemes. Levine also tells the dramatic David vs. Goliath stories of a few brave reformers, including Harvard-trained psychiatrist and researcher Dr. Stefan Kruszewski, who has acted as a whistleblower in several major cases, leading to important federal and state settlements; in addition, the book spotlights pioneering clinicians challenging outmoded, drug-and-sedate practices that leave 90 percent of people with serious mental illness too disabled to work. By taking a comprehensive look at mental health abuses and dangerous, ineffective practices as well as pointing toward solutions for creating a system for effective, proven and compassionate care, Art Levine's essential *Mental Health, Inc.* is a call to action for politicians and citizens alike—needed now more than ever.

wingate wilderness therapy lawsuit: Troubled Kenneth R. Rosen, 2021-01-12 An award-winning journalist's breathtaking mosaic of the tough-love industry and the young adults it inevitably fails. In the middle of the night, they are vanished. Each year thousands of young adults deemed out of control--suffering from depression, addiction, anxiety, and rage--are carted off against their will to remote wilderness programs and treatment facilities across the country. Desperate parents of these troubled teens fear it's their only option. The private, largely unregulated behavioral boot camps break their children down, a damnation the children suffer forever. Acclaimed journalist Kenneth R. Rosen knows firsthand the brutal emotional, physical, and sexual abuse carried out at these programs. He lived it. In *Troubled*, Rosen unspools the stories of four graduates on their own scarred journeys through the programs into adulthood. Based on three years

of reporting and more than one hundred interviews with other clients, their parents, psychologists, and health-care professionals, *Troubled* combines harrowing storytelling with investigative journalism to expose the disturbing truth about the massively profitable, sometimes fatal, grossly unchecked redirection industry. Not without hope, *Troubled* ultimately delivers an emotional, crucial tapestry of coming of age, neglect, exploitation, trauma, and fraught redemption.

wingate wilderness therapy lawsuit: The African Roots of Marijuana Chris S. Duvall, 2019-05-09 After arriving from South Asia approximately a thousand years ago, cannabis quickly spread throughout the African continent. European accounts of cannabis in Africa—often fictionalized and reliant upon racial stereotypes—shaped widespread myths about the plant and were used to depict the continent as a cultural backwater and Africans as predisposed to drug use. These myths continue to influence contemporary thinking about cannabis. In *The African Roots of Marijuana*, Chris S. Duvall corrects common misconceptions while providing an authoritative history of cannabis as it flowed into, throughout, and out of Africa. Duvall shows how preexisting smoking cultures in Africa transformed the plant into a fast-acting and easily dosed drug and how it later became linked with global capitalism and the slave trade. People often used cannabis to cope with oppressive working conditions under colonialism, as a recreational drug, and in religious and political movements. This expansive look at Africa's importance to the development of human knowledge about marijuana will challenge everything readers thought they knew about one of the world's most ubiquitous plants.

wingate wilderness therapy lawsuit: The Wagstaffe Group Practice Guide James M. Wagstaffe,

wingate wilderness therapy lawsuit: Black Masculinity and the Cinema of Policing Jared Sexton, 2017-11-07 This book offers a critical survey of film and media representations of black masculinity in the early twenty-first-century United States, between President George W. Bush's 2001 announcement of the War on Terror and President Barack Obama's 2009 acceptance of the Nobel Peace Prize. It argues that images of black masculine authority have become increasingly important to the legitimization of contemporary policing and its leading role in the maintenance of an antiblack social order forged by racial slavery and segregation. It examines a constellation of film and television productions—from Antoine Fuqua's *Training Day* to John Lee Hancock's *The Blind Side* to Barry Jenkin's *Moonlight*—to illuminate the contradictory dynamics at work in attempts to reconcile the promotion of black male patriarchal empowerment and the preservation of gendered antiblackness within political and popular culture.

wingate wilderness therapy lawsuit: PharmPrep: ASHP's NAPLEX Review Lea S. Eiland, Diane B. Ginsburg, 2011-05-20 After years of studying and hard work, you're almost a licensed pharmacist! The final step is passing the North American Pharmacy Licensure Examination, or the NAPLEX®. For the last decade, PharmPrep: ASHP's NAPLEX® Review, has been a trusted resource with new graduates preparing for the NAPLEX examination, both as an online product and a print companion. Using real patient cases accompanied by questions that address all NAPLEX® competency statements, the new fully updated PharmPrep: ASHP's NAPLEX® Review, 4th edition, gives you the flexibility to review information by specific disease state and provides 78 sample cases, as well as calculations and law review sections. As drug therapy becomes more complex, PharmPrep has continued to update and revise cases so they reflect contemporary clinical practice. PharmPrep is an equally important reference for the experienced practitioner as a tool for pharmacists to continue to develop professionally, or for out of practice professionals looking to refresh their skills. Only PharmPrep has case-based questions and detailed explanations that don't just tell you what answers are right or wrong, but why. It is the most affordable, trusted resource available to prepare for the NAPLEX® exam. As a book or in a convenient online/book package, PharmPrep goes where you go—on the subway, in the break room, to the coffeehouse. Or, just cozy up to the PharmPrep book from the comforts of home. Wherever you go, it's the best resource to get you passed and ready to practice. To learn more about PharmPrep Online, visit www.pharmpreponline.com and sign up for a free trial today. Don't have an ASHP account? Simply

wingate wilderness therapy lawsuit: Extended Play John Corbett, 1994 In Extended Play, one of the country's most innovative music writers conducts a wide-ranging tour through the outer limits of contemporary music. Over the course of more than twenty-five portraits, interviews, and essays, John Corbett engages artists from lands as distant as Sweden, Siberia, and Saturn. With a special emphasis on African American and European improvisers, the book explores the famous and the little known, from John Cage and George Clinton to Anthony Braxton and Sun Ra. Employing approaches as diverse as the music he celebrates, Corbett illuminates the sound and theory of funk and rap, blues and jazz, contemporary classical, free improvisation, rock, and reggae. Using cultural critique and textual theory, Corbett addresses a broad spectrum of issues, such as the status of recorded music in postmodern culture, the politics of self-censorship, experimentation, and alternativism in the music industry, and the use of metaphors of space and madness in the work of African American musicians. He follows these more theoretically oriented essays with a series of extensive profiles and in-depth interviews that offer contrasting and complementary perspectives on some of the world's most creative musicians and their work. Included here are more than twenty original photographs as well as a meticulously annotated discography. The result is one of the most thoughtful, and most entertaining, investigations of contemporary music available today.

wingate wilderness therapy lawsuit: Nelson's Surgeon Laurence Brockliss, John Cardwell, Michael S. Moss, 2005-10-06 In the lead-up to the bicentenary of Trafalgar a number of important new studies have been published about the life of Nelson and his defeat of the Combined Fleet in 1805. Despite the significant role played by the health and fitness of the British crews in securing the victory, little has been written hitherto about the naval surgeon in the era of the long war against France. This book is intended to fill the gap. Sir William Beatty (1773-1842) was surgeon of the Victory at Trafalgar. An Ulsterman from Londonderry, he had joined the navy in 1791. Before being warranted to Nelson's flagship, Beatty had served upon ten other warships, and survived a yellow fever epidemic, court martial, and shipwreck to share in the capture of a Spanish treasure ship. After Trafalgar, he became Physician of the Channel Fleet, based at Plymouth, and eventually Physician to Greenwich Hospital, where he served until his retirement in 1838. As the book makes clear in drawing upon an extensive prosopographical database, Beatty's career until 1805 was representative of the experience of the approximately 2,000 naval surgeons who joined the navy in the course of the war. The first part of the biography provides a detailed and scholarly introduction to the professional education, training, and work of the naval surgeon. But after 1805 Beatty became a member of the service elite, and his career becomes interesting for other reasons. In the final decades of his life, Beatty was far more than a senior naval physician. As a Fellow of the Royal Society, director of the Clerical and Medical Insurance Company, and director of the London to Greenwich Railway, he was a prominent figure in London's business and scientific community, who used his growing wealth to build a large collection of books and manuscripts. His later life is testimony to the much wider contribution that some naval and army medical officers made to the development of the new Britain of the nineteenth century. In Beatty's case, too, the contribution was original. By publishing in 1807 his carefully crafted Authentic Narrative of the Death of Lord Nelson, he was instrumental in forging the myth of the hero's last hours, which has become a part of the national consciousness and has helped to define for generations the concept of Britishness.

wingate wilderness therapy lawsuit: Protecting Your Child from Predators Beth EdD Robinson, Latayne C. PhD Scott, 2019-08-06 Even good parents often underestimate the dangers their children face. Research indicates that one in four females and one in six males are sexually abused before age 18. In most cases, the enemy is not a faceless stranger; it's someone you know and trust--a neighbor, a coach, or even a family member. This book provides practical steps to ensure you're doing all you can to reduce the risks of abuse. But since you cannot be with your children 24/7, it goes beyond what you can do as a parent to teach you how to increase your child's own awareness and strategies in the face of potential dangers--without making them fearful. Dr. Robinson, whose decades-long practice focuses on abused and endangered children, calls on her

own case studies to show age- appropriate conversation starters for parents, teaching them how to ask the right questions and provide the right boundaries. This book will help you move from fear to confidence on this heavy topic that is just too important to ignore.

wingate wilderness therapy lawsuit: *Pollution in a Promised Land* Alon Tal, 2002-08 This book is likely to become the future point of reference for scholarship on environmental issues in Israel. Tal combines his extensive inside knowledge with broad and thorough research to take the reader clearly through a complex fabric of personalities, organizations, and issues.—Stuart Schoenfeld, York University This is truly an excellent book. It is the first treatment of the whole array of environmental issues in Israel, and in its historical context - an absolute necessity. Extremely well-written and in fact hard to put down, this book is useful on many levels, for United Nations Agencies and development officials, Israeli and Palestinian government officials, and environmentalists and teachers around the world.—Brock Evans, Executive Director, The Endangered Species Coalition and author of many articles and books on the politics of the environment *Pollution in a Promised Land* is an innovative book, and an important one, by perhaps the most prominent environmental activist in Israel. Tal's approach is to take an eagle's eye view of his vast subject, now gliding far above, providing overview, now swooping down very close and, through interviews or anecdotes, describing his subject with great immediacy and in memorable detail.—Noah J. Efron, Bar Ilan University Anyone who cares about the land of Israel should read *Pollution in a Promised Land*. It is critical to understanding the social, political, and scientific dimensions of the country's environmental challenges as well as the country's remarkable ecological achievements. Alon Tal is uniquely qualified to present this fascinating and dramatic environmental history.—Tzachi Hanegbi, Minister of the Environment, Israel

wingate wilderness therapy lawsuit: *The Cambridge Handbook of the International Psychology of Women* Fanny M. Cheung, Diane F. Halpern, 2020-08-06 There is a growing knowledge base in understanding the differences and similarities between women and men, as well as the diversities among women and sexualities. Although genetic and biological characteristics define human beings conventionally as women and men, their experiences are contextualized in multiple dimensions in terms of gender, sexuality, class, age, ethnicity, and other social dimensions. Beyond the biological and genetic basis of gender differences, gender intersects with culture and other social locations which affect the socialization and development of women across their life span. This handbook provides a comprehensive and up-to-date resource to understand the intersectionality of gender differences, to dispel myths, and to examine gender-relevant as well as culturally relevant implications and appropriate interventions. Featuring a truly international mix of contributors, and incorporating cross-cultural research and comparative perspectives, this handbook will inform mainstream psychology of the international literature on the psychology of women and gender.

wingate wilderness therapy lawsuit: *The Innovative University* Clayton M. Christensen, Henry J. Eyring, 2011-06-24 *The Innovative University* illustrates how higher education can respond to the forces of disruptive innovation , and offers a nuanced and hopeful analysis of where the traditional university and its traditions have come from and how it needs to change for the future. Through an examination of Harvard and BYU-Idaho as well as other stories of innovation in higher education, Clayton Christensen and Henry Eyring decipher how universities can find innovative, less costly ways of performing their uniquely valuable functions. Offers new ways forward to deal with curriculum, faculty issues, enrollment, retention, graduation rates, campus facility usage, and a host of other urgent issues in higher education Discusses a strategic model to ensure economic vitality at the traditional university Contains novel insights into the kind of change that is necessary to move institutions of higher education forward in innovative ways This book uncovers how the traditional university survives by breaking with tradition, but thrives by building on what it's done best.

wingate wilderness therapy lawsuit: *The Monk Woman's Daughter* Susan Storer Clark, 2020-11-20 My mother said she was a nun. That may have been a lie. So begins the eye-opening and entertaining tale of Vera St. John's chaotic upbringing amid the turbulence of nineteenth-century urban America. Sometimes rollicking and sometimes terrifying, Vera's story features a fascinating array of characters: the troubled woman who bore her, the charming Irishman she marries, the African-American freedman struggling to rescue his wife from slavery, the beautiful high-priced prostitute she befriends, the washerwoman who stands by her in a quixotic quest. From the squalid streets of 1840s New York to the devastation of post-Civil War Memphis, Vera threads her way through the powerful conflicts of American history to find where she belongs. Along the way, she discovers the nature of power and the true meaning of freedom. *The Monk Woman's Daughter* was a Distinguished Favorite in the New York City Big Book Awards, and a finalist in the Pacific Northwest Writers Association Nancy Pearl Contest.

wingate wilderness therapy lawsuit: *Big Man* Clarence Clemons, Don Reo, 2009-10-21 In this New York Times bestseller, discover the inside story of Clarence Big Man Clemons -- his life before, during, and beyond the E-Street Band, including never-before-told adventures with Bruce Springsteen, the band, and an incredible cast of other famous characters. Here's a glimpse of what's inside: The truth behind the final hours of making *Born To Run* The real story of how the E-Street Band got its name What happened when Clarence and Ringo Starr were sitting in a hotel room and Clarence got the call that Bruce was breaking up the band How Bruce and Clarence met that dark, stormy night at the Student Prince The E-Street band's show at Sing-Sing prison where all of their equipment blows out right as they take the stage The secret that Robert De Niro told Clarence and Bruce they had to keep for 25 years This is not your average rock book. It is something creative, unique, and new. It is the story of E-Street. It is the story of stories. It is the story of the Big Man.

wingate wilderness therapy lawsuit: *Medical Apartheid* Harriet A. Washington, 2008-01-08 NATIONAL BOOK CRITICS CIRCLE AWARD WINNER • The first full history of Black America's shocking mistreatment as unwilling and unwitting experimental subjects at the hands of the medical establishment. No one concerned with issues of public health and racial justice can afford not to read this masterful book. [Washington] has unearthed a shocking amount of information and shaped it into a riveting, carefully documented book. —New York Times From the era of slavery to the present day, starting with the earliest encounters between Black Americans and Western medical researchers and the racist pseudoscience that resulted, *Medical Apartheid* details the ways both slaves and freedmen were used in hospitals for experiments conducted without their knowledge—a tradition that continues today within some black populations. It reveals how Blacks have historically been prey to grave-robbing as well as unauthorized autopsies and dissections. Moving into the twentieth century, it shows how the pseudoscience of eugenics and social Darwinism was used to justify experimental exploitation and shoddy medical treatment of Blacks. Shocking new details about the government's notorious Tuskegee experiment are revealed, as are similar, less-well-known medical atrocities conducted by the government, the armed forces, prisons, and private institutions. The product of years of prodigious research into medical journals and experimental reports long undisturbed, *Medical Apartheid* reveals the hidden underbelly of scientific research and makes possible, for the first time, an understanding of the roots of the African American health deficit. At last, it provides the fullest possible context for comprehending the behavioral fallout that has caused Black Americans to view researchers—and indeed the whole medical establishment—with such deep distrust.

wingate wilderness therapy lawsuit: *Pandas in Action* Boris Paskhaver, 2021-10-12 Take the next steps in your data science career! This friendly and hands-on guide shows you how to start mastering Pandas with skills you already know from spreadsheet software. In *Pandas in Action* you will learn how to: Import datasets, identify issues with their data structures, and optimize them for efficiency Sort, filter, pivot, and draw conclusions from a dataset and its subsets Identify trends from

text-based and time-based data Organize, group, merge, and join separate datasets Use a GroupBy object to store multiple DataFrames Pandas has rapidly become one of Python's most popular data analysis libraries. In *Pandas in Action*, a friendly and example-rich introduction, author Boris Paskhaver shows you how to master this versatile tool and take the next steps in your data science career. You'll learn how easy Pandas makes it to efficiently sort, analyze, filter and munge almost any type of data. Purchase of the print book includes a free eBook in PDF, Kindle, and ePub formats from Manning Publications. About the technology Data analysis with Python doesn't have to be hard. If you can use a spreadsheet, you can learn pandas! While its grid-style layouts may remind you of Excel, pandas is far more flexible and powerful. This Python library quickly performs operations on millions of rows, and it interfaces easily with other tools in the Python data ecosystem. It's a perfect way to up your data game. About the book *Pandas in Action* introduces Python-based data analysis using the amazing pandas library. You'll learn to automate repetitive operations and gain deeper insights into your data that would be impractical—or impossible—in Excel. Each chapter is a self-contained tutorial. Realistic downloadable datasets help you learn from the kind of messy data you'll find in the real world. What's inside Organize, group, merge, split, and join datasets Find trends in text-based and time-based data Sort, filter, pivot, optimize, and draw conclusions Apply aggregate operations About the reader For readers experienced with spreadsheets and basic Python programming. About the author Boris Paskhaver is a software engineer, Agile consultant, and online educator. His programming courses have been taken by 300,000 students across 190 countries. Table of Contents PART 1 CORE PANDAS 1 Introducing pandas 2 The Series object 3 Series methods 4 The DataFrame object 5 Filtering a DataFrame PART 2 APPLIED PANDAS 6 Working with text data 7 MultiIndex DataFrames 8 Reshaping and pivoting 9 The GroupBy object 10 Merging, joining, and concatenating 11 Working with dates and times 12 Imports and exports 13 Configuring pandas 14 Visualization

wingate wilderness therapy lawsuit: *Inside the Mouse Project on Disney*, 1995 Contains critical essays in which the authors, having visited Disney World as individuals and as a group, offer their perspectives on various aspects of the amusement park and its appeal.

wingate wilderness therapy lawsuit: *Artificial Intelligence in Society* OECD, 2019-06-11 The artificial intelligence (AI) landscape has evolved significantly from 1950 when Alan Turing first posed the question of whether machines can think. Today, AI is transforming societies and economies. It promises to generate productivity gains, improve well-being and help address global challenges, such as climate change, resource scarcity and health crises.

wingate wilderness therapy lawsuit: *In the Eye of All Trade* Michael J. Jarvis, 2012-12-01 In an exploration of the oceanic connections of the Atlantic world, Michael J. Jarvis recovers a mariner's view of early America as seen through the eyes of Bermuda's seafarers. The first social history of eighteenth-century Bermuda, this book profiles how one especially intensive maritime community capitalized on its position in the eye of all trade. Jarvis takes readers aboard small Bermudian sloops and follows white and enslaved sailors as they shuttled cargoes between ports, raked salt, harvested timber, salvaged shipwrecks, hunted whales, captured prizes, and smuggled contraband in an expansive maritime sphere spanning Great Britain's North American and Caribbean colonies. In doing so, he shows how humble sailors and seafaring slaves operating small family-owned vessels were significant but underappreciated agents of Atlantic integration. The American Revolution starkly revealed the extent of British America's integration before 1775 as it shattered interregional links that Bermudians had helped to forge. Reliant on North America for food and customers, Bermudians faced disaster at the conflict's start. A bold act of treason enabled islanders to continue trade with their rebellious neighbors and helped them to survive and even prosper in an Atlantic world at war. Ultimately, however, the creation of the United States ended Bermuda's economic independence and doomed the island's maritime economy.

wingate wilderness therapy lawsuit: *In the Steps of John Bunyan* Vera Brittain, 2015-07-12 Excerpt from *In the Steps of John Bunyan: An Excursion Into Puritan England* It would be as logical to transform Joan Of Arc into a hospital almoner or police-court probation Officer. Puritan preacher

or Catholic saint, the prophetic Child Of nature speaks a different language from that Of the earnest educator and the trained social worker. A few critics have gone to the other extreme, for the great will always have their detractors among the small. Inspired by a com prehensible reaction against the moralists, they have endeavoured to present John Bunyan as a species Of village idiot. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

wingate wilderness therapy lawsuit: *Mission at and from the Margins* Peniel Rajkumar, Joseph Prabhakar Dayam, I. P. Asheervadham, 2014-11-05 *Mission At and From the Margins: Patterns, Protagonists and Perspective* revisits the 'hi-stories' of Mission from the 'bottom up' paying critical attention to people, perspectives and patterns that have often been elided in the construction of mission history. Focusing on the mission story of Christian churches in the South Indian state of Andhra Pradesh, where Christianity is predominantly Dalit in its composition, this collection of essays, ushers its readers to re-shape their understanding of the landscape of mission history by drawing their attention to the silences and absences within pre-dominant historical accounts. Contributors drawn from various Christian denominations explore not only the complex, contested and complicated interplay between caste, colonialism and Christianity in Andhra Pradesh but also the contemporary challenges for Christian mission at a wider level. Not confining itself to the past history of Christian mission, the book engages critical issues as it analyses the missiological challenges of the present and offers theological imagination for the future of mission, which, while embracing the voices and visions of the margins, resists any and all forms of marginalization. Joseph Prabhakar Dayam and Peniel Jesudason Rufus Rajkumar have compiled a comprehensive, compelling, creative, and contextual mission manual on how oppressed communities (Dalits) invent novel patterns, spawn unexpected protagonists, and extract new perspective through the celebration and spread of the Christian Gospel in South India. While familiar with the various bird's eye views of Christian mission in India, these feet-on-the-ground theologians, historians, biblical scholars, and missiologists included in this volume offer a plethora of snail's crawl standpoints on the working of mission by focusing on the vibrant and productive features of the margins. In this edited book, Dayam and Rajkumar have woven an ethnographically rich and missiologically sophisticated south Indian tapestry from the colorful local spinning wheels of rural, outcast, and neglected Christian communities. Sathianathan Clarke, Bishop Sundo Kim Chair for World Christianity, Professor of Theology, Culture and Mission, Wesley Theological Seminary Peniel Jesudason Rufus Rajkumar, is Programme Executive for Interreligious Dialogue and Cooperation with the World Council of Churches, Geneva. He was earlier Associate Professor of Christian Social Ethics at the United Theological College, Bangalore. Joseph Prabhakar Dayam is convener of Collective of Dalit Ecumenical Christian Scholars (CODECS) and Associate Professor of Systematic and Philosophical Theology at the Gurukul Lutheran Theological College and Research Institute, Chennai India.
