vacation trip guides llc: Travel as a Political Act Rick Steves, 2018-02-06 Change the world one trip at a time. In this illuminating collection of stories and lessons from the road, acclaimed travel writer Rick Steves shares a powerful message that resonates now more than ever. With the world facing divisive and often frightening events, from Trump, Brexit, and Erdogan, to climate change, nativism, and populism, there's never been a more important time to travel. Rick believes the risks of travel are widely exaggerated, and that fear is for people who don't get out much. After years of living out of a suitcase, he still marvels at how different cultures find different truths to be self-evident. By sharing his experiences from Europe, Central America, Asia, and the Middle East, Rick shows how we can learn more about own country by viewing it from afar. With gripping stories from Rick's decades of exploration, this fully revised edition of Travel as a Political Act is an antidote to the current climate of xenophobia. When we travel thoughtfully, we bring back the most beautiful souvenir of all: a broader perspective on the world that we all call home. All royalties from the sale of Travel as a Political Act are donated to support the work of Bread for the World, a non-partisan organization working to end hunger at home and abroad.

vacation trip guides llc: *The Sun Is a Compass* Caroline Van Hemert, 2019-03-19 For fans of Cheryl Strayed, the gripping story of a biologist's human-powered journey from the Pacific Northwest to the Arctic to rediscover her love of birds, nature, and adventure. During graduate school, as she conducted experiments on the peculiarly misshapen beaks of chickadees, ornithologist Caroline Van Hemert began to feel stifled in the isolated, sterile environment of the lab. Worried that she was losing her passion for the scientific research she once loved, she was compelled to experience wildness again, to be guided by the sounds of birds and to follow the trails of animals. In March of 2012, she and her husband set off on a 4,000-mile wilderness journey from the Pacific rainforest to the Alaskan Arctic, traveling by rowboat, ski, foot, raft, and canoe. Together, they survived harrowing dangers while also experiencing incredible moments of joy and grace -- migrating birds silhouetted against the moon, the steamy breath of caribou, and the bond that comes

from sharing such experiences. A unique blend of science, adventure, and personal narrative, *The Sun is a Compass* explores the bounds of the physical body and the tenuousness of life in the company of the creatures who make their homes in the wildest places left in North America. Inspiring and beautifully written, this love letter to nature is a lyrical testament to the resilience of the human spirit. Winner of the 2019 Banff Mountain Book Competition: Adventure Travel

vacation trip guides llc: *Alone Time* Stephanie Rosenbloom, 2019-06-04 A wise, passionate account of the pleasures of traveling solo In our hectic, hyperconnected lives, many people are uncomfortable with the prospect of solitude. Yet a little time to ourselves can be an opportunity to slow down, savor, and try new things, especially when traveling. Through on-the-ground reporting, insights from social science, and recounting the experiences of artists, writers, and innovators who cherished solitude, Stephanie Rosenbloom considers how traveling alone deepens appreciation for everyday beauty, bringing into sharp relief the sights, sounds, and smells that one isn't necessarily attuned to in the presence of company. Walking through four cities--Paris, Florence, Istanbul, and New York--and four seasons, *Alone Time* gives us permission to pause, to relish the sensual details of the world rather than hurtling through museums and uploading photos to Instagram. In chapters about dining out, visiting museums, and pursuing knowledge, we begin to see how the moments we have to ourselves--on the road or at home--can be used to enrich our lives. Rosenbloom's engaging and elegant prose makes *Alone Time* as warmly intimate an account as the details of a trip shared by a beloved friend--and will have its many readers eager to set off on their own solo adventures.

vacation trip guides llc: *Star Trek: Vulcan* Insight Editions, 2017-10-03 Discover Vulcan's geography and customs in this illustrated travel guide that "takes readers on an extensive tour of the Federation's most logical planet" (Entertainment Weekly). Plan your next trip to the planet Vulcan! Find restaurants that serve the best fried sandworms and Vulcan port. Take a trip to the Fire Plains or experience spring break at the Vorothe Sea. Learn all about the native people of Spock's home planet and their unusual customs. Discover how to correctly perform the traditional Vulcan salutation (you really don't want to get this wrong). Learn key Vulcan phrases such as *Nam-tor puyan-tvi-shal wilat*: "Where is your restroom?" Find out what to do if you suddenly find yourself host to a *katra*--a Vulcan's living spirit--at an inconvenient moment. All this and more can be found within the pages of this essential travel guide to one of the most popular--and logical--destinations in the known universe. "Noted Star Trek novelist Dayton Ward wrote *Star Trek: A Travel Guide to Vulcan*, and the book hilariously refuses to break character even when it describes the way that visitors to this world might be drawn into a conflict over a Vulcan arranged marriage." --Nerdist
