Understanding the Role: Why the US Soccer Captain Matters

The US soccer captain holds a pivotal position within the national team. Serving as a bridge between the coach, players, and sometimes even the fans, the captain is responsible for instilling a strong sense of unity and purpose within the squad. This role extends far beyond simply wearing the armband; captains set the standard for on-field performance and off-field conduct. They are expected to motivate teammates, represent the team in official functions, and respond to challenges with resilience. A US soccer captain interview often highlights these responsibilities, offering fans a glimpse into the mind of the team's leader.

Captains are often selected based on their experience, leadership qualities, and ability to handle pressure. Whether it's the Women's National Team with legends like Becky Sauerbrunn or the Men's National Team with figures like Tyler Adams, each captain brings a unique approach to leadership. Their influence is evident not just in their play, but in how they communicate and inspire others during interviews and public appearances.

The Significance of Interviews with the US Soccer Captain

US soccer captain interviews are highly anticipated events, especially during major tournaments such as the FIFA World Cup or the Olympics. These interviews are more than just media obligations; they serve as platforms for captains to convey the team's mindset, address the nation, and provide updates on team morale and strategy. For fans and analysts, these interviews offer valuable insights into the team's preparation and internal dynamics.

The words of a captain often carry significant weight. Captains are expected to handle questions about team performance, expectations, and even off-field controversies with composure and tact. A well-conducted US soccer captain interview can have a positive influence on public perception, boost team morale, and generate excitement among supporters.

How US Soccer Captains Prepare for Interviews

Preparation for a US soccer captain interview involves more than just rehearsing answers. Captains are often briefed by the team's communications staff, ensuring they are aware of current talking points, potential sensitive topics, and the overall message the team wishes to convey. Media training is a standard part of the preparation, equipping captains with the skills required to handle challenging questions and project confidence.

Captains also review recent performances, team news, and relevant statistics to ensure their responses are accurate and insightful. The ability to balance honesty with diplomacy is critical, especially when addressing issues such as injuries, tactical changes, or team setbacks. Preparation also extends to body language and tone, as these non-verbal cues can be just as impactful as the answers themselves.

- Reviewing match footage and statistics
- Coordinating with public relations teams
- Participating in mock interviews

- Discussing key messages with coaches and teammates
- Practicing calm and positive body language

Common Interview Topics and Questions

During a US soccer captain interview, certain topics and questions frequently arise. Interviewers often seek to understand the captain's perspective on team preparation, strategies for upcoming matches, and reflections on past performances. Questions may also touch on leadership challenges, personal motivations, and team chemistry.

The captain is usually asked about how the team is handling pressure, what expectations are for the tournament or match, and how the squad is responding to injuries or changes in the lineup. Additionally, captains may be asked about their own experiences, leadership philosophy, and how they inspire younger players. These questions help paint a detailed picture of what it takes to lead one of the most watched and scrutinized teams in the country.

Examples of Frequently Asked Questions

- How is the team preparing for the upcoming match?
- What does being the US soccer captain mean to you?
- How do you maintain team morale during tough times?
- Can you share your approach to leadership on and off the field?
- What message do you have for US soccer fans?

Leadership Qualities Highlighted in Interviews

A US soccer captain interview is often a showcase for the leadership qualities that define successful captains. Interviews highlight attributes such as resilience, communication, adaptability, and the ability to inspire others. Captains are expected to be articulate, composed, and authentic, providing clear and thoughtful

answers that reflect the team's values.

These interviews also reveal the captain's understanding of the game, their relationship with teammates, and their vision for the future of US soccer. By consistently demonstrating these qualities, captains not only reinforce their leadership within the team but also set an example for aspiring athletes across the nation.

The Impact of US Soccer Captain Interviews

US soccer captain interviews have a significant impact on multiple levels. For fans, these interviews build a connection with the team and its leaders, offering transparency and fostering loyalty. For the media, captain interviews provide valuable content and soundbites that shape public narratives around the team.

Internally, the way a captain handles interviews can influence team morale and unity. A confident and positive interview can motivate players and reassure coaching staff, while a poorly managed interview can raise concerns or create distractions. These interviews also serve as learning opportunities for younger players who aspire to leadership roles in the future.

Memorable Moments from Past Interviews

Over the years, there have been several memorable US soccer captain interviews that have left a lasting impression on fans and pundits. From powerful post-match reflections to emotional responses following triumphs or defeats, these moments often capture the spirit and resilience of the US teams.

Notable examples include the uplifting speeches by Carli Lloyd after major tournament victories, or the composed responses of Tyler Adams during high-pressure World Cup qualifiers. These interviews are remembered for their authenticity, passion, and ability to inspire both teammates and supporters nationwide.

Tips for Conducting a Successful US Soccer Captain Interview

Conducting a successful US soccer captain interview requires careful planning and respect for the captain's time and responsibilities. Interviewers should come prepared with well-researched and relevant questions, maintain professionalism, and create an environment where the captain feels comfortable sharing insights.

1. Research the captain's background and recent performances

2. Prepare open-ended questions that encourage thoughtful responses
3. Be mindful of sensitive topics and current team dynamics
4. Allow the captain time to express their thoughts fully
5. Follow up with clarifying questions for deeper insights

A well-executed interview not only provides valuable content for fans and media but also highlights the leadership and character of the US soccer captain.

Q: What is the main purpose of a US soccer captain interview?

A: The main purpose of a US soccer captain interview is to provide insights into the team's mindset, leadership approach, and preparation, while also addressing questions from the media and fans.

Q: How are US soccer captains chosen for interviews?

A: US soccer captains are typically chosen for interviews based on their leadership role, communication skills, and ability to represent the team effectively in public and media settings.

Q: What qualities do interviewers look for in a US soccer captain?

A: Interviewers look for qualities such as clear communication, composure, authenticity, leadership, and the ability to inspire both teammates and fans.

Q: How do captains prepare for major interviews during tournaments?

A: Captains prepare for major interviews by working with media staff, reviewing talking points, participating in media training, and staying updated on team news and strategies.

Q: What are some common topics discussed during a US soccer captain interview?

A: Common topics include team preparation, leadership challenges, personal motivation, team dynamics, handling pressure, and messages for fans.

Q: How do US soccer captain interviews affect team morale?

A: Positive and confident interviews by the captain can boost team morale, foster unity, and motivate players, while poorly managed interviews may create distractions.

Q: Why are US soccer captain interviews important for fans?

A: These interviews help fans connect with the team, gain insights into the captain's mindset, and stay informed about the team's goals and progress.

Q: Can a US soccer captain interview influence public perception?

A: Yes, the way a captain communicates during interviews can shape public narratives, enhance the team's image, and influence how fans and media perceive the team.

Q: What makes a memorable US soccer captain interview?

A: Memorable interviews often feature authentic, passionate responses, powerful leadership messages, and moments that resonate with both the team and the audience.

Q: How should interviewers approach sensitive topics during a US soccer captain interview?

A: Interviewers should approach sensitive topics with respect, professionalism, and empathy, ensuring the captain feels comfortable and supported while addressing challenging questions.

US Soccer Captain Interview: Insights, Leadership, and

the Road to Glory

The roar of the crowd, the pressure of the game, the weight of a nation's hopes – all rest on the shoulders of the US Soccer captain. This blog post delves into the fascinating world of US Soccer captain interviews, exploring what these leaders reveal about their strategies, personal journeys, and the challenges they face leading one of the world's most passionate and demanding national teams. We'll dissect key interviews, highlighting insightful quotes and analyzing the overarching themes that emerge, offering a unique perspective on the leadership and vision driving the US Men's and Women's National Teams. Get ready for a captivating journey into the minds of the individuals who embody the spirit of American soccer.

The Evolution of the US Soccer Captaincy: A Historical Perspective

The role of the US Soccer captain has evolved significantly over the years. From legendary figures who laid the foundation for the team's success to the current generation of inspirational leaders, the captaincy reflects the shifting dynamics of the sport and the country itself. Analyzing past interviews provides a rich tapestry of leadership styles, reflecting different eras and approaches to the game. We can see a shift from a more autocratic approach to a more collaborative and inclusive style, reflecting the changing dynamics within the team and the wider sporting world. Examining these historical interviews offers valuable context for understanding the current captain's role and responsibilities.

Analyzing Recent US Soccer Captain Interviews: Key Themes & Insights

Recent interviews with US soccer captains offer a window into the current state of the team. We can glean insights into their leadership philosophies, team dynamics, and their approach to major tournaments like the World Cup. Analyzing these interviews reveals key themes such as:

Leadership Styles:

Collaborative Leadership: Many modern captains emphasize a collaborative leadership style, fostering open communication and shared decision-making within the team. This approach promotes a sense of unity and shared responsibility, vital for success in high-pressure environments.

Mentorship and Team Building: Interviews often highlight the captain's role in mentoring younger players and fostering a strong team spirit. This involves creating a supportive environment where players feel comfortable expressing themselves and contributing their unique skills.

Dealing with Pressure and Setbacks: Successful captains demonstrate resilience and the ability to manage pressure effectively. Interviews reveal how they navigate setbacks, maintain team morale, and inspire confidence in their teammates.

Strategic Approaches and Tactical Insights:

Game Strategies: Interviews often touch upon the team's tactical approaches, offering glimpses into the captain's understanding of the game and their input into strategic decisions.

Opponent Analysis: Captains often discuss their pre-game preparations, including analysis of opposing teams and the development of strategies to counter their strengths.

Adaptability and Flexibility: Successful captains display adaptability, adjusting their strategies and approaches based on the flow of the game and the opponent's performance.

The Impact of Media and Public Perception on the Captain's Role

The US Soccer captain's role extends beyond the field. They are often the public face of the team, engaging with the media and representing the team's image to fans and sponsors. Interviews become a platform to communicate the team's vision, address challenges, and manage public perception. The captain's ability to navigate this aspect of the role is crucial for maintaining positive relationships with fans and stakeholders. Understanding how the media portrays the captain and how the captain handles media scrutiny provides valuable insights into the leadership challenges in modern soccer.

The Future of US Soccer: Perspectives from the Captain's Interviews

Interviews also offer a glimpse into the future of US Soccer. Captains often share their visions for the team's development, their aspirations for future tournaments, and their thoughts on the growth and evolution of the sport in the US. These perspectives are invaluable for understanding the long-term strategies and goals of the national team and the direction of American soccer as a whole. Examining these projections sheds light on the ambitions and hopes for the future generations of US soccer players.

Conclusion

Analyzing US Soccer captain interviews provides a rich and insightful understanding of leadership, team dynamics, and the broader landscape of American soccer. From historical perspectives to current strategies, these interviews reveal the complex challenges and remarkable achievements of those who lead the team. By examining these interviews, we gain a deeper appreciation for the dedication, skill, and vision of the individuals who represent the heart and soul of US Soccer.

FAQs

1. Who is the current captain of the US Men's National Team? This information is subject to change, so it's best to consult current news sources for the most up-to-date information.
2. Where can I find transcripts or recordings of past US Soccer captain interviews? Various sports news websites, team websites, and YouTube channels often archive interviews.
3. What qualities make a successful US Soccer captain? Leadership skills, communication abilities, tactical awareness, resilience, and the ability to inspire teammates are key qualities.
4. How much influence does the captain have on team strategy? The level of influence varies depending on the coach and the captain's personality, but captains often play a significant role in shaping team tactics and morale.
5. How important is the captain's relationship with the media? Maintaining a positive relationship with the media is crucial for managing public perception and representing the team effectively.

us soccer captain interview: Why Soccer Matters Pelé, 2015-04-07 Pelé—legendary footballer and humanitarian—explores the sport's recent history and shares his most inspiring experiences, heartwarming stories, and hard-won wisdom. "I know in my heart that soccer was good to me, and great to the world....I saw, time and again, how the sport improved countless millions of lives, both on and off the field. For me, at least, that's why soccer matters." The world's most popular sport goes by many names—soccer, football, the beautiful game—but fans have always agreed on one thing: The greatest player of all time was Pelé. Before Messi, before Ronaldo, before Beckham, Pelé had a stunning twenty-year career, where he was heralded as an international treasure. His accomplishments on the field proved to be pure magic: an unprecedented three World Cup championships and the all-time scoring record, with 1,283 goals. Since retiring, he has traveled the world as soccer's global ambassador, relentlessly promoting the positive ways soccer can transform young men and women, struggling communities, even entire nations. This is Pelé's legacy, his way of passing on everything he's learned and inspiring a new generation. In *Why Soccer Matters*, Pelé details his ambitious goals for the future of the sport and, by extension, the world.

us soccer captain interview: One Life Megan Rapinoe, Emma Brockes, 2020-11-10 An instant New York Times bestseller! "Rapinoe's 'signature pose' from the 2019 FIFA Women's World Cup is synonymous to the feeling we got when finishing this book: heart full, arms wide and ready to take up space in this world."—USA Today Megan Rapinoe, Olympic gold medalist and two-time Women's World Cup champion, reveals for the first time her life both on and off the field. Guided by her personal journey into social justice, brimming with humor, humanity, and joy, she urges all of us to ask ourselves, What will you do with your one life? Only four years old when she kicked her first soccer ball, Megan Rapinoe developed a love – and clear talent – for the game at a young age. But it was her parents who taught her that winning was much less important than how she lived her life. From childhood on, Rapinoe always did what she could to stand up for what was right—even if it meant going up against people who disagreed. In *One Life*, Megan Rapinoe invites readers on a remarkable journey, looking back on both her victories and her failures, and pulls back the curtain on events we know only from the headlines. After the 2011 World Cup, discouraged by how few athletes were open about their sexuality, Rapinoe decided to come out publicly as gay and use her platform to advocate for marriage equality. Recognizing the power she had to bring attention to critical issues, in 2016 she took a knee during the national anthem in solidarity with former NFL

player Colin Kaepernick to protest racial injustice and police brutality—the first high-profile white athlete to do so. The backlash was immediate, but it couldn't compare to the overwhelming support. Rapinoe became a force of change. Here for the first time, Rapinoe reflects upon some of the most pivotal moments in her life and career – from her realization in college that she was gay, through the disputes with soccer coaches and officials over her decision to kneel, to the first time she met her now-fiancé WNBA champion Sue Bird, and up through suing the US Soccer Federation over gender discrimination and equal pay. Throughout, Rapinoe makes clear the obligation we all have to speak up, and the impact each of us can have on our communities. Deeply personal and inspiring, *One Life* reveals that real, concrete change lies within all of us, and asks: If we all have the same resource—this one precious life, made up of the decisions we make every day—what are you going to do? *One Life* makes it clear that Rapinoe's greatest accomplishments may ultimately come away from the soccer pitch. She's a new kind of American hero.—San Francisco Chronicle

us soccer captain interview: *Dare to Lead* Brené Brown, 2018-10-09 #1 NEW YORK TIMES BESTSELLER • Brené Brown has taught us what it means to dare greatly, rise strong, and brave the wilderness. Now, based on new research conducted with leaders, change makers, and culture shifters, she's showing us how to put those ideas into practice so we can step up and lead. Don't miss the five-part HBO Max docuseries Brené Brown: Atlas of the Heart! NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BLOOMBERG Leadership is not about titles, status, and wielding power. A leader is anyone who takes responsibility for recognizing the potential in people and ideas, and has the courage to develop that potential. When we dare to lead, we don't pretend to have the right answers; we stay curious and ask the right questions. We don't see power as finite and hoard it; we know that power becomes infinite when we share it with others. We don't avoid difficult conversations and situations; we lean into vulnerability when it's necessary to do good work. But daring leadership in a culture defined by scarcity, fear, and uncertainty requires skill-building around traits that are deeply and uniquely human. The irony is that we're choosing not to invest in developing the hearts and minds of leaders at the exact same time as we're scrambling to figure out what we have to offer that machines and AI can't do better and faster. What can we do better? Empathy, connection, and courage, to start. Four-time #1 New York Times bestselling author Brené Brown has spent the past two decades studying the emotions and experiences that give meaning to our lives, and the past seven years working with transformative leaders and teams spanning the globe. She found that leaders in organizations ranging from small entrepreneurial startups and family-owned businesses to nonprofits, civic organizations, and Fortune 50 companies all ask the same question: How do you cultivate braver, more daring leaders, and how do you embed the value of courage in your culture? In this new book, Brown uses research, stories, and examples to answer these questions in the no-BS style that millions of readers have come to expect and love. Brown writes, "One of the most important findings of my career is that daring leadership is a collection of four skill sets that are 100 percent teachable, observable, and measurable. It's learning and unlearning that requires brave work, tough conversations, and showing up with your whole heart. Easy? No. Because choosing courage over comfort is not always our default. Worth it? Always. We want to be brave with our lives and our work. It's why we're here." Whether you've read *Daring Greatly* and *Rising Strong* or you're new to Brené Brown's work, this book is for anyone who wants to step up and into brave leadership.

us soccer captain interview: Be All In Christie Pearce Rampone, Dr. Kristine Keane, 2020-08-18 Soccer star and Olympic gold medalist Christie Pearce Rampone and sports neuropsychologist Dr. Kristine Keane share the best practices that athletes, parents, and coaches can use to turn the lessons learned through sports into lifelong skills. Sports offer a vital path for children to get healthy, self-confident, and social. In *Be All In*, three-time Olympic gold medalist, World Cup Champion, and US team captain Christie Pearce Rampone and sports neuropsychologist and brain health expert Dr. Kristine Keane offer practical, real world advice on how to handle the pressures felt by youth athletes, parents, and coaches today and provide kids with their best shot at reaching their dreams. In contrast to outdated adages like no pain, no gain, the ethos of be all in is

about being authentically present in everything you do, on and off the field. Through a unique blend of neuroscience, parenting strategies, and wisdom gleaned from the extraordinary experiences of a world-class athlete, this transformative book explains how to create realistic expectations for kids, help them succeed in all aspects of their life, improve game day performance, and reduce the stress of dealing with their coaches, ambitions, and losses. With invaluable insight into parenting behaviors that may derail children's performance despite best intentions, and concrete strategies for teaching accountability, confidence, self-efficacy, and resiliency, this fundamental guide has tips to support athletes of any age, sport, or level of competition.

us soccer captain interview: WOLFPACK Abby Wambach, 2019-04-09 Based on her inspiring, viral 2018 commencement speech to Barnard College's graduates in New York City, New York Times bestselling author, two-time Olympic gold medalist and FIFA World Cup champion Abby Wambach delivers her empowering rally cry for women to unleash their individual power, unite with their pack, and emerge victorious together. Abby Wambach became a champion because of her incredible talent as a soccer player. She became an icon because of her remarkable wisdom as a leader. As the co-captain of the 2015 Women's World Cup Champion Team, she created a culture not just of excellence, but of honor, commitment, resilience, and sisterhood. She helped transform a group of individual women into one of the most successful, powerful and united Wolfpacks of all time. In her retirement, Abby's ready to do the same for her new team: All Women Everywhere. In Wolfpack, Abby's message to women is: We have never been Little Red Riding Hood. We Are the Wolves. We must wander off the path and blaze a new one: together. She insists that women must let go of old rules of leadership that neither include or serve them. She's created a new set of Wolfpack rules to help women unleash their individual power, unite with their Wolfpack, and change the landscape of their lives and world: from the family room to the board room to the White House. · Make failure your fuel: Transform failure to wisdom and power. · Lead from the bench: Lead from wherever you are. · Champion each other: Claim each woman's victory as your own. · Demand the effing ball: Don't ask permission: take what you've earned. In Abby's vision, we are not Little Red Riding Hoods, staying on the path because we're told to. We are the wolves, fighting for a better tomorrow for ourselves, our pack, and all the future wolves who will come after us.

us soccer captain interview: When Nobody Was Watching Carli Lloyd, Wayne Coffey, 2016-09-26 A NEW YORK TIMES BESTSELLER. From the superstar who is going to Tokyo for her fourth Olympics—the oldest player the US women's national team has ever sent. “If you are a real soccer player—then this is the book for you to read . . . Inspiring and uplifting.”—GoalNation In 2015, the US Women's National Soccer Team won its first FIFA championship in sixteen years, culminating in an epic final game that electrified soccer fans around the world. It featured a gutsy, brilliant performance by team captain and midfielder Carli Lloyd, who made history that day, scoring a hat trick during the first sixteen minutes. But there was a time when Carli almost quit the sport. In 2003 she was struggling, her soccer career at a crossroads. Then she found a trusted trainer, James Galanis, who saw in Carli a player with raw talent, skill, and a great dedication to the game. Together they set to work, training day and night, fighting, grinding it out. Despite all the naysayers, the times she was benched, the moments when her self-confidence took a nosedive, she succeeded in becoming one of the best players in the world and bound for the Summer Games in 2021 at thirty-nine.

us soccer captain interview: Masters of Modern Soccer Grant Wahl, 2019-04-30 How do some of soccer's smartest and most accomplished figures master the craft of the game? This in-depth analysis of modern soccer reveals how elite players and coaches strategize on and off the field to execute in high-pressure situations. “A worthy addition to any soccer fan's shelf.”—The Wall Street Journal In *Masters of Modern Soccer*, America's premier soccer journalist, Grant Wahl, reveals what players and managers are thinking before, during, and after games and delivers a true behind-the-scenes perspective on the inner workings of the sport's brightest minds. Wahl follows world-class players from across the globe, examining how they do their jobs and gaining deep insight from the players on how goalkeepers, defenders, midfielders, and forwards function

individually and as a unit to excel and win. He also shadows a manager and director of soccer as they juggle the challenges of coaching, preparation, and the short- and long-term strategies of how to identify and acquire talent and deploy it on the field. These central figures share the little details that matter, position by position: • Attacking midfielder Christian Pulisic explains why he wears his soccer cleats a size too small to make his first touch even better. • Forward Javier “Chicharito” Hernández reveals the Mexican national team’s secret synchronized patterns that create space for him in front of the goal. • Defender Vincent Kompany tells you why his teammates’ pressure on the ball means he can defend his man more tightly in the penalty box. • Defensive midfielder Xabi Alonso describes his disdain for slide tackles and the tendency among even the best professional midfielders to play too closely to one another. • Goalkeeper Manuel Neuer tells the origin story of his sweeper-keeper role, which has allowed him to redefine the position for the modern game. • Head coach Roberto Martínez explains the differences between coaching clubs and national teams and why one of the first things he looks for in any game situation is numerical advantage. • Director of football Michael Zorc discusses what he looks for when it comes to identifying players he can buy low and sell high, Moneyball-style, while still competing to win trophies. The definitive analysis of the craft of soccer, *Masters of Modern Soccer* will change the way any fan, player, coach, or sideline enthusiast experiences the game.

us soccer captain interview: Captain for Life John Harkes, Denise Kiernan, 1999 The biography of footballer John Harkes, of Sheffield Wednesday (1990-1993) and Derby County (1993-1994), the first ever American to play in the English Premier League, FA Cup Finalist in 1994, and twice World Cup Finalist with the USA in 1990 and 1994. The story covers Harkes's career as a college and Olympic soccer player, playing at the top level in England, experiencing the Wembley dream, representing his country in two World Cups and helping to establish Major League Soccer in the USA. His account is entertaining and often controversial.

us soccer captain interview: American Soccer Gregory G. Reck, Bruce Allen Dick, 2015-01-26 This narrative of U.S. soccer's history and present-day status addresses the issues of socioeconomics. Emphasizing the differences between social classes in U.S. soccer past and present, as well as those between American soccer and international football, this work analyzes the role of class in American soccer's failure to carve out a more prominent place in the sports landscape. Contemporary soccer is explored from its beginnings in informal Parks and Recreation leagues to the development of formal club programs, and university, professional, and U.S. national teams. In recent decades, Hispanic leagues formed primarily by Mexican and Central American immigrants have reinforced the theme of a class-based, exclusionary space in U.S. soccer. A personal perspective based on the authors' experience coaching soccer at the informal level broadens the book's appeal.

us soccer captain interview: Up Pohnpei Paul Watson, 2012-02-02 After one too many late night discussions, football journalist Paul Watson and his mate Matthew Conrad decide to find the world's worst national team, become naturalised citizens of that country and play for them - achieving their joint boyhood dream of playing international football and winning a 'cap'. They are thrilled when Wikipedia leads them to Pohnpei, a tiny, remote island in the Pacific whose long-defunct football team is described as 'the weakest in the world'. They contact Pohnpei's Football Association and discover what it needs most urgently is leadership. So Paul and Matt travel thousands of miles, leaving behind jobs, families and girlfriends to train a rag-tag bunch of novice footballers who barely understand the rules of the game. Up Pohnpei tells the story of their quest to coach the team and eventually, organise an international fixture - Pohnpei's first since a 16-1 defeat many years ago. With no funding, a population whose obesity rate is 90 percent and toad-infested facilities in one of the world's wettest climates, their journey is beset by obstacles from the outset. Part travelogue, part quest, Up Pohnpei shows how the passion and determination of two young men can change the face of football - and the lives of total strangers - on the other side of the world.

us soccer captain interview: A History of the U.S. Men's National Soccer Team Clemente A. Lisi, 2017-10-06 The United States men’s national soccer team has a rich history dating back to the

early twentieth century. The team, along with the sport, toiled in obscurity for decades but found its breakthrough moment in 1989 when the United States qualified for its first World Cup in 40 years. Since then the team has been on an upswing, putting together many gritty performances and shocking upsets. In *A History of the U.S. Men's National Soccer Team*, Clemente A. Lisi recounts the team's significant achievements and history-making moments, including its decisive 1991 Gold Cup victory, quarterfinal appearance at the 2002 World Cup, and memorable performance at the 2009 Confederations Cup. Beginning with the formation of the national team in the early twentieth century and continuing up through the 2016 Copa America Centenario, each chapter includes game descriptions, fascinating background stories, and profiles of notable players from the era. *A History of the U.S. Men's National Soccer Team* features vintage photographs and exclusive player interviews that bring the struggles and triumphs of the national team to life. Including little-known stories from the team's early years and details from its recent past, this book will entertain and inform soccer fans of all generations.

us soccer captain interview: Raising Human Beings Ross W. Greene, 2016-08-09 In *Raising Human Beings*, the renowned child psychologist and New York Times bestselling author of *Lost at School* and *The Explosive Child* explains how to cultivate a better parent-child relationship while also nurturing empathy, honesty, resilience, and independence. Parents have an important task: figure out who their child is—his or her skills, preferences, beliefs, values, personality traits, goals, and direction—get comfortable with it, and then help him or her pursue and live a life that is congruent with it. But parents also want to have influence. They want their kid to be independent, but not if he or she is going to make bad choices. They don't want to be harsh and rigid, but nor do they want a noncompliant, disrespectful kid. They want to avoid being too pushy and overbearing, but not if an unmotivated, apathetic kid is what they have to show for it. They want to have a good relationship with their kids, but not if that means being a pushover. They don't want to scream, but they do want to be heard. Good parenting is about striking the balance between a child's characteristics and a parent's desire to have influence. Now Dr. Ross Greene offers a detailed and practical guide for raising kids in a way that enhances relationships, improves communication, and helps kids learn how to resolve disagreements without conflict. Through his well-known model of solving problems collaboratively, parents can forgo time-out and sticker charts, stop badgering, berating, threatening, and punishing, allow their kids to feel heard and validated, and have influence. From homework to hygiene, curfews, to screen time, *Raising Human Beings* arms parents with the tools they need to raise kids in ways that are non-punitive and non-adversarial and that brings out the best in both parent and child.

us soccer captain interview: Forward Abby Wambach, 2016-09-13 NEW YORK TIMES BESTSELLER Lucid and wrenching...*Forward* puts [Wambach's] achievement in context with painful and beautiful candor. —NPR *Forward* is the powerful story of an athlete who has inspired girls all over the world to believe in themselves. —Sheryl Sandberg, Facebook COO, New York Times Bestselling author of *Lean In* "This is the best memoir I've read by an athlete since Andre Agassi's *Open*." —Adam Grant, Wharton professor and New York Times bestselling author of *Originals* and *Give and Take* Abby Wambach has always pushed the limits of what is possible. At age seven she was put on the boys' soccer team. At age thirty-five she would become the highest goal scorer—male or female—in the history of soccer, capturing the nation's heart with her team's 2015 World Cup Championship. Called an inspiration and "badass" by President Obama, Abby has become a fierce advocate for women's rights and equal opportunity, pushing to translate the success of her team to the real world. As she reveals in this searching memoir, Abby's professional success often masked her inner struggle to reconcile the various parts of herself: ferocious competitor, daughter, leader, wife. With stunning candor, Abby shares her inspiring and often brutal journey from girl in Rochester, New York, to world-class athlete. Far more than a sports memoir, *Forward* is gripping tale of resilience and redemption—and a reminder that heroism is, above all, about embracing life's challenges with fearlessness and heart.

us soccer captain interview: The Captain Class Sam Walker, 2018-05-01 A bold new theory

of leadership drawn from elite captains throughout sports—named one of the best business books of the year by CNBC, The New York Times, Forbes, strategy+business, The Globe and Mail, and Sports Illustrated “The book taught me that there’s no cookie-cutter way to lead. Leading is not just what Hollywood tells you. It’s not the big pregame speech. It’s how you carry yourself every day, how you treat the people around you, who you are as a person.”—Mitchell Trubisky, quarterback, Chicago Bears Now featuring analysis of the five-time Super Bowl champion New England Patriots and their captain, Tom Brady The seventeen most dominant teams in sports history had one thing in common: Each employed the same type of captain—a singular leader with an unconventional set of skills and tendencies. Drawing on original interviews with athletes, general managers, coaches, and team-building experts, Sam Walker identifies the seven core qualities of the Captain Class—from extreme doggedness and emotional control to tactical aggression and the courage to stand apart. Told through riveting accounts of pressure-soaked moments in sports history, The Captain Class will challenge your assumptions of what inspired leadership looks like. Praise for The Captain Class “Wildly entertaining and thought-provoking . . . makes you reexamine long-held beliefs about leadership and the glue that binds winning teams together.”—Theo Epstein, president of baseball operations, Chicago Cubs “If you care about leadership, talent development, or the art of competition, you need to read this immediately.”—Daniel Coyle, author of The Culture Code “The insights in this book are tremendous.”—Bob Myers, general manager, Golden State Warriors “An awesome book . . . I find myself relating a lot to its portrayal of the out-of-the-norm leader.”—Carli Lloyd, co-captain, U.S. Soccer Women’s National Team “A great read . . . Sam Walker used data and a systems approach to reach some original and unconventional conclusions about the kinds of leaders that foster enduring success. Most business and leadership books lapse into clichés. This one is fresh.”—Jeff Immelt, chairman and former CEO, General Electric “I can’t tell you how much I loved The Captain Class. It identifies something many people who’ve been around successful teams have felt but were never able to articulate. It has deeply affected my thoughts around how we build our culture.”—Derek Falvey, chief baseball officer, Minnesota Twins

us soccer captain interview: *I... Am... Cheetah!* Stephanie J. Teer, 2014-08-23 It begins with a spark of imagination. It begins with believing! Meet the Wild Animal Kids. Five children who are 'crazy excited' about wild animals. Join them as they unlock a magical secret at Safari Park.--Back cover

us soccer captain interview: An American Soccer Dream Kenneth Jones, 2011-07-01 An American Soccer Dream walks through the trials and tribulations of retooling the United States National Soccer Program. Using many resources -- previously untapped talent pools, an array of underutilized ethnic soccer clubs, the power of technology and one of the best sports marketers - two friends - one a foot soldier in the national soccer federation and another a technology professional with a love of the game - work tirelessly to implement their vision. An American Soccer Dream chronicles the team's exploits, traveling the streets of America and beyond, detailing efforts to raise an organization to new heights, and winding their way throughout North and Central America before the team's journey ultimately concludes at the World Cup Finals in Brazil in the June of 2014. But as the players and coaches travel this road together -- something even more special is sparked -- a spirit and kinship of family which brings together this set of diverse human beings.

us soccer captain interview: *The Dust That Falls from Dreams* Louis de Bernieres, 2015-08-04 From the acclaimed author of Corelli’s Mandolin, here is a sumptuous, sweeping, powerfully moving new novel about a British family whose lives and loves are indelibly shaped by the horrors of World War I and the hopes for its aftermath. In the brief golden years of the Edwardian era the McCosh sisters—Christabel, Otilie, Rosie and Sophie—grow up in an idyllic household in the countryside south of London. On one side, their neighbors are the proper Pendennis family, recently arrived from Baltimore, whose close-in-age boys—Sidney, Albert and Ashbridge—shake their father’s hand at breakfast and address him as “sir.” On the other side is the Pitt family: a “resolutely French” mother, a former navy captain father, and two brothers, Archie and Daniel, who are clearly “going to grow up into a pair of daredevils and adventurers.” In childhood this band is inseparable, but the

days of careless camaraderie are brought to an abrupt halt by the outbreak of The Great War, in which everyone will play a part. All three Pendennis brothers fight in the hellish trenches at the front; Daniel Pitt becomes an ace fighter pilot with his daredevil tendencies intact; Rosie and Otilie McCosh volunteer in the hospitals, where women serve with as much passion and nearly as much hardship as the men at the front; Christabel McCosh becomes one of the squad of photographers sending "snaps" of their loved ones at home to the soldiers; and Sophie McCosh drives for the RAF in France. In the aftermath of the war, as "the universal joy and relief were beginning to be tempered by . . . an atmosphere of uncertainty," everyone must contend with the modern world that is slowly emerging from the ashes of the old. A wholly immersive novel about a particular time and place, *The Dust That Falls from Dreams* also illuminates the timeless ways in which men and women carry profound loss alongside indelible hope.

us soccer captain interview: Lead with Lean Michael Balle, 2016-12-21 Learn to lead with lean by developing people: In a world in which innovation is the name of the game and competition gets fiercer by the day, lean management has become the go-to methodology for organizations committed to providing greater value for their customers. Sadly, the vast majority of lean transformations fail - and more often than not the reason behind this is to be found in a common misinterpretation of what lean actually is. Over the past 25 years, our understanding of lean thinking - a management philosophy inspired by Japanese carmaker Toyota - has changed beyond recognition. From a set of tools and techniques, this unique approach has come to be seen as a system for learning that, if adopted as a business strategy, has the power to transform any organization. Too many business executives still see lean thinking as a set of tools, a program that employees are force-fed, or a magic solution to all problems - failing to see that business transformation and leadership transformation are inextricably linked. The only way to succeed is, indeed, to lead with lean. This book will take you through the evolution of lean thinking and practice, as seen through the eyes of one of the Lean Community's leading experts - Michael Ballé. By collecting some of Michael's best papers - many of which were written with lean gurus like Dan Jones, Jeff Liker and Art Smalley - *Lead with Lean* will strengthen your understanding of the methodology and encourage you to take it on (if you haven't already). Michael's unique writing style has the power to inform, inspire, and challenge the reader by providing engaging practical examples that are used to convey deep reflections and lessons learned. This is clearly reflected in the stories of lean transformations contained in the book, which were observed and documented by Michael himself at the gemba (Japanese for the place where the work takes place).

us soccer captain interview: Call Me American Abdi Nor Iftin, 2019-05-07 Abdi Nor Iftin first fell in love with America from afar. As a child, he learned English by listening to American pop and watching action films starring Arnold Schwarzenegger. When U.S. marines landed in Mogadishu to take on the warlords, Abdi cheered the arrival of these Americans, who seemed as heroic as those of the movies. Sporting American clothes and dance moves, he became known around Mogadishu as Abdi American, but when the radical Islamist group al-Shabaab rose to power in 2006, it became dangerous to celebrate Western culture. Desperate to make a living, Abdi used his language skills to post secret dispatches, which found an audience of worldwide listeners. Eventually, though, Abdi was forced to flee to Kenya. In an amazing stroke of luck, Abdi won entrance to the U.S. in the annual visa lottery, though his route to America did not come easily. Parts of his story were first heard on the BBC World Service and *This American Life*. Now a proud resident of Maine, on the path to citizenship, Abdi Nor Iftin's dramatic, deeply stirring memoir is truly a story for our time: a vivid reminder of why America still beckons to those looking to make a better life.

us soccer captain interview: All Involved Ryan Gattis, 2015-04-07 A propulsive and ambitious novel as electrifying as *The Wire*, from a writer hailed as the West Coast's Richard Price—a mesmerizing epic of crime and opportunity, race, revenge, and loyalty, set in the chaotic streets of South Central L.A. in the wake of one of the most notorious and incendiary trials of the 1990s At 3:15 p.m. on April 29, 1992, a jury acquitted three white Los Angeles Police Department officers charged with using excessive force to subdue a black man named Rodney King, and failed to reach a

verdict on the same charges involving a fourth officer. Less than two hours later, the city exploded in violence that lasted six days. In nearly 121 hours, fifty-three lives were lost. But there were even more deaths unaccounted for: violence that occurred outside of active rioting sites by those who used the chaos to viciously settle old scores. A gritty and cinematic work of fiction, *All Involved* vividly re-creates this turbulent and terrifying time, set in a sliver of Los Angeles largely ignored by the media during the riots. Ryan Gattis tells seventeen interconnected first-person narratives that paint a portrait of modern America itself—laying bare our history, our prejudices, and our complexities. With characters that capture the voices of gang members, firefighters, graffiti kids, and nurses caught up in these extraordinary circumstances, *All Involved* is a literary tour de force that catapults this edgy writer into the ranks of such legendary talents as Dennis Lehane and George V. Higgins.

us soccer captain interview: Adventures of Ook and Gluk: Kung Fu Cavemen from the Future Dav Pilkey, 2012-12-01 Tra-la-laaa! Dav Pilkey -- ahem -- we mean, George and Harold, the authors of *SUPER DIAPER BABY*, are back with their second epic novel! Meet Ook and Gluk, the stars of this sensationally silly graphic novel from the creators of *Captain Underpants*! It's 500,001 BC, and Ook and Gluk's hometown of Caveland, Ohio, is under attack by an evil corporation from the future. When Ook, Gluk, and their little dinosaur pal Lily are pulled through a time portal to 2222, they discover a future world that's even more devastated than their own. Luckily, they find a friend in Master Wong, a martial arts instructor who trains them in the ways of kung fu. Now all they have to do is travel back in time 502,223 years and save the day!

us soccer captain interview: The World through Soccer Tamir Bar-On, 2014-05-07 The world's most popular sport, soccer is a global and cultural phenomenon. The television audience for the 2010 World Cup included nearly half of the world's population, with viewers in nearly every country. As a reflection of soccer's significance, the sport impacts countless aspects of the world's culture, from politics and religion to business and the arts. In *The World through Soccer: The Cultural Impact of a Global Sport*, Tamir Bar-On utilizes soccer to provide insights into worldwide politics, religion, ethics, marketing, business, leadership, philosophy, and the arts. Bar-On examines the ways in which soccer influences and reflects these aspects of society, and vice versa. Each chapter features representative players, providing specific examples of how soccer comments on and informs our lives. These players—selected from a wide array of eras, countries, and backgrounds—include Diego Maradona, Pelé, Hugo Sánchez, Cha Bum-Kun, Roger Milla, José Luis Chilavert, Zinedine Zidane, Paolo Maldini, Cristiano Ronaldo, Xavi, Neymar, Clint Dempsey, Mia Hamm, and many others. Employing a unique lens to view a variety of topics, *The World through Soccer* reveals the sport's profound cultural impact. Combining philosophical, popular, and academic insights about our world, this book is aimed at both soccer fans and academics, offering readers a new perspective into a sport that affects millions.

us soccer captain interview: Two Hours Ed Caesar, 2016-10-18 In this spellbinding book, journalist Ed Caesar takes us into the world of elite marathoners: some of the greatest runners on earth. Through the stories of these rich characters, like Kenyan Geoffrey Mutai, around whom the narrative is built, Caesar traces the history of the marathon as well as the science, physiology, and psychology involved in running so fast for so long. And he shows us why this most democratic of races retains its brutal, enthralling appeal--and why we are drawn to test ourselves to the limit, --Amazon.com.

us soccer captain interview: Out of Bounds Andrea Montalbano, 2019-06 As part of the Brookville Breakers soccer team, Makena James is used to winning big. Makena and her teammates have rocketed to the top of the league by playing fair, but when Skylar joins the team, everything changes. Skylar will do anything to win.

us soccer captain interview: The Stand Stephen King, 2011 A monumentally devastating plague leaves only a few survivors who, while experiencing dreams of a battle between good and evil, move toward an actual confrontation as they migrate to Boulder, Colorado.

us soccer captain interview: Perfect in Christ Mitchell C. Taylor , Cameron C. Taylor,

2020-10-19 Christ rejoices when we receive His gifts of forgiveness, salvation, and friendship. This book will help you more fully partake of Christ's grace, peace, hope, love, and rest. The good news of God's grace replaces feelings of guilt, shame, and inadequacy with joy, excitement, and confidence. Reader will gain a better understanding of the doctrines of grace, mercy, justification, and sanctification. The miracle of justification declares the imperfect as perfect in Christ and heirs of the celestial kingdom. With Christ, you are enough. Christ's amazing grace is sufficient. Jesus is not just good at saving people. He is perfect at saving people. He is a perfect Savior. He is mighty to save. Now that is Good News!

us soccer captain interview: The FIFA World Cup Clemente A. Lisi, 2022-10-12 The first complete history of the FIFA World Cup with a preview of the 2022 event in Qatar. Every four years, the world's best national soccer teams compete for the FIFA World Cup. Billions of people tune in from around the world to experience the remarkable events unfolding live, both on and off the field. From Diego Maradona's first goal against England at the 1986 World Cup to Nelson Mandela's surprise appearance at the 2010 final in South Africa, these unforgettable World Cup moments have helped to create a global phenomenon. In The FIFA World Cup: A History of the Planet's Biggest Sporting Event, veteran soccer reporter Clemente A. Lisi chronicles the tournament from 1930 to today, including a preview of the 2022 World Cup in Qatar. Lisi provides vivid accounts of individual games, details the innovations that impacted the sport across the decades, and offers biographical sketches of greats such as Pelé, Diego Maradona, and Lionel Messi. In addition, Lisi includes needed, objective coverage of off-field controversies such as the FIFA corruption case, making this book the only complete and impartial history of the tournament. Featuring personal interviews and behind-the-scenes stories from the author's many years attending and covering the World Cup, as well as stunning color photography, The FIFA World Cup is the definitive history of this global event.

us soccer captain interview: A Completely Different Game Emma Hayes, 2024-07-23 From the head coach of the United States Women's National Team and legendary coach of Chelsea FC comes a book of hard-won lessons for leading a team to success on and off the field. Few places will test your leadership skills more than the global soccer stage. For more than twenty years, Emma Hayes has led her teams to championship after championship, coaching her players through personal and professional setbacks, and becoming a powerful advocate for women in sports. Available for the first time in print, A Completely Different Game shares Hayes's inspirational, innately human approach to fulfilling the potential of those around her. Beginning with her upbringing in Camden and ending with her move to the US National Team, Hayes takes us through the events that shaped her and the critical leadership lessons she learned along the way. She also lays bare the difficulties that came with managing a women's sports team in an industry designed for and catered to men, and makes a clear, actionable, and urgent call for equity in sports. Generous, authoritative, and grounded in lived experience, A Completely Different Game will help you lead with heart, strength, and authenticity no matter what challenge you're facing.

us soccer captain interview: Commander in Cheat Rick Reilly, 2019-04-02 NEW YORK TIMES BESTSELLER Reilly pokes more holes in Trump's claims than there are sand traps on all of his courses combined. It is by turns amusing and alarming.-- The New Yorker Golf is the spine of this shocking, wildly humorous book, but humanity is its flesh and spirit. -- Chicago Sun-Times Every one of Trump's most disgusting qualities surfaces in golf. -- The Ringer An outrageous indictment of Donald Trump's appalling behavior when it comes to golf -- on and off the green -- and what it reveals about his character. Donald Trump loves golf. He loves to play it, buy it, build it, and operate it. He owns 14 courses around the world and runs another five, all of which he insists are the best on the planet. He also claims he's a 3 handicap, almost never loses, and has won an astonishing 18 club championships. How much of all that is true? Almost none of it, acclaimed sportswriter Rick Reilly reveals in this unsparing look at Trump in the world of golf. Based on Reilly's own experiences with Trump as well as interviews with over 100 golf pros, amateurs, developers, and caddies, Commander in Cheat is a startling and at times hilarious indictment of Trump and his golf game. You'll learn how Trump cheats (sometimes with the help of his caddies and Secret Service agents), lies about his

scores (the Trump Bump), tells whoppers about the rank of his courses and their worth (declaring that every one of them is worth \$50 million), and tramples the etiquette of the game (driving on greens doesn't help). Trump doesn't brag so much, though, about the golf contractors he stiffes, the course neighbors he intimidates, or the way his golf decisions wind up infecting his political ones. For Trump, it's always about winning. To do it, he uses the tricks he picked up from the hustlers at the public course where he learned the game as a college kid, and then polished as one of the most bombastic businessmen of our time. As Reilly writes, Golf is like bicycle shorts. It reveals a lot about a man. Commander in Cheat paints a side-splitting portrait of a congenital cheater (Esquire), revealing all kinds of unsightly truths Trump has been hiding.

us soccer captain interview: Out of Darkness, Shining Light Petina Gappah, 2021-07-06 A powerful, moving, and revelatory novel set in nineteenth-century Africa--the captivating story of the loyal men and women who carried the body of explorer and missionary David Livingstone from Zambia to Zanzibar so that his remains could be returned home to England. Dawn, 1 May 1873, on the outskirts of Chitambo's village, near Lake Bangweulu in modern-day Zambia. The Scottish explorer and missionary David Livingstone has died. He had been heading south in the African interior on an increasingly maniacal mission to penetrate the greatest secret of Victorian exploration. He wanted to find the source of the world's longest river, the Nile. Instead, on an isolated and swampy floodplain, Dr. Livingstone found his death. How Livingstone is to be buried will be decided by his African companions, a group of sixty-nine men, women, and children. They decide that come what may, Livingstone, his papers and maps, must all be carried to England. They bury his heart and other organs under a tree and dry his flesh like jerky in the sun. Over nine months, battling severe illness and hunger, hostile chiefs and unknown terrain, all while taking a tortuous route of more than 1,000 miles to the coast to avoid marauding slave traders, they march with Livingstone's body and the evidence of his explorations. Their journey has been called the most extraordinary story in African exploration. In this novel, their story is retold anew in the distinct, indelible voices of Livingstone's sharp-tongued female cook, Halima; a repressed, formerly enslaved African missionary named Jacob Wainwright; and the collective voice of the retainers. The result is a profound and tragic journey--an epic like no other--that encompasses all of the hypocrisy of slavery and colonization while celebrating resilience, loyalty, and love. In *Out of Darkness, Shining Light*, Petina Gappah has created an ambitious and artful masterpiece.

us soccer captain interview: The Messiah Method Michael Zigarelli, 2011-09 How Excellence Happens From 2000 to 2010, the Messiah College soccer program--the men's team and women's team combined--posted the best record in NCAA soccer: 472 wins, 31 losses, and 20 ties. Few programs were even close. Seventeen Final Fours between them during this time. Eleven national titles. Unbeaten streaks measured not only in games, but in seasons. How do they do it? What's their secret of success? They use what might be called the Messiah method, seven disciplines that propelled these teams from decent to dynasty. They're seven disciplines that can supercharge your team, too. Whether you're leading a sports program or a business or a school or a church or any other organization, there's a proven method to achieve breakthrough performance--and to sustain it year after year. It's The Messiah Method. It's how excellence happens. Michael Zigarelli is a Professor of Leadership and Strategy at Messiah College and the author of several books. He's also a high school soccer coach and an avid student of the game. You can reach him at mzigarelli@messiah.edu

us soccer captain interview: FIFA World Cup and Beyond Kausik Bandyopadhyay, Souvik Naha, Shakya Mitra, 2018-10-29 Soccer, the most popular mass spectator sport in the world, has long been a site which articulates the complexities and diversities of the everyday life of the nation. The imaging and prioritization of the game as a 'national' or an 'international' event in public opinion and the media also play a critical role in transforming the soccer culture of a nation. In this context, the FIFA World Cup remains the grand spectacle for asserting the identity of the nation. This book intends to offer eclectic perspectives and discourses on the FIFA World Cup, and to throw light on the changing dimensions of football and sports culture in terms of identity, race, ethnicity,

gender, fandom, governance, and so on. On the one hand, it focuses on the significance of the FIFA World Cup for nations in terms of hosting, performance, playing style, and identity formation. On the other, it looks beyond the World Cup to highlight the growing importance of a host of perspectives in sport in general and football in particular with reference to art, fandom, gender, media, and governance. The chapters in this book were originally published as a special issue of Sport in Society.

us soccer captain interview: Captain America Vol. 1 Ta-Nehisi Coates, 2019-02-20 Collecting Captain America (2018) #1-6 And Material From Free Comic Book Day 2018 (Avengers/Captain America). It's winter in America! For more than 70 years, Captain America has stood in stalwart defense of our country and its people. But in the aftermath of Hydra's takeover of the nation, Cap is a figure of controversy, carrying a tarnished shield and a new enemy is rising! Distrusted by a nation that seems to have lost faith in him, and facing threats including the Taskmaster and an army of Nuke super-soldiers, Steve Rogers is a man out of time and out of options! Where can Captain America turn for help stopping the influence-broker cabal known as the Power Elite? And which surprising villain is pulling the group's strings? Join acclaimed BLACK PANTHER scribe Ta-Nehisi Coates for the next chapter of Captain America's life!

us soccer captain interview: The National Team Caitlin Murray, 2019-04-02 A complete history of the U.S Women's National Soccer Team from the 1980s to its 2019 World Cup victory. In the summer of 2019, the U.S. Women's National Soccer Team swept the field and decisively won their fourth World Cup, further cementing their place as the most decorated, ground-breaking, and outspoken team in women's sports. But in *The National Team*, a complete history of the team, leading soccer journalist Caitlin Murray shows how their story is not only one of triumph on the pitch. From the team's foundation in the 1980s to today, these women have faced numerous challenges off the field: sexism, striking inequality, low pay, poor playing conditions, and limited opportunities to play in professional leagues. Through nearly one hundred exclusive interviews with players, coaches, and team officials, including Alex Morgan, Carli Lloyd, Hope Solo, Heather O'Reilly, Julie Foudy, Brandi Chastain, Pia Sundhage, Tom Sermanni, and Sunil Gulati, Murray takes readers inside the locker rooms and boardrooms in engrossing detail. A story of endurance and determination, *The National Team* is a complete portrait of this beloved and revolutionary team. Updated to include the 2019 World Cup victory. Praise for *The National Team* "I gobbled up every page of this deep dive into the incredible history and culture surrounding this team." —Alexi Lalas "I've always had tremendous respect for the Women's National Team but, after reading *The National Team*, that level of respect skyrocketed. This is a fantastic story about perseverance, overcoming obstacles and following your passion in life." —Landon Donovan "In *The National Team*, Caitlin Murray has told an inspiring tale of the long arc of the U.S. women's national team, shedding new light on all the major tournaments while revealing fascinating details on its decades-long fight for better treatment from the men who run soccer. I learned a lot of new things from this terrific book." —Grant Wahl, author of *Masters of Modern Soccer* "The U.S. Women's National Soccer Team is one of the greatest collectives the United States has ever produced. For all its World Cups and Olympic Golds, it has never had a history worthy of its name. Caitlin Murray has put that right with this book. *The National Team* is the definitive telling of the team's journey, giving the reader a behind the scenes understanding of the dreams, elite skills, and enormous sacrifices that have brought success on the field, and the huge battle for equality still to be won off it." —Roger Bennett, *Men in Blazers*

us soccer captain interview: Izzy & Oscar Allison Estes, Dan Stark, 2015-04-07 Have you ever taught an octopus to roll over? It's harder than it looks. Discover why octopuses make the best pets in this charming picture book about friendship and embracing individuality! Izzy has always wanted a pet. So when an adventurous octopus squiggles into town, Izzy decides to keep him. After all, a real pirate captain has to have a mascot. Oscar is not very good at going for walks or playing fetch. (Although he is amazing at hide and seek). And he's definitely not like other pets... But he is just right for Izzy. Readers will be tickled by Izzy's attempts to teach Oscar to behave like a dog, a parrot, a pony-and gratified by Izzy's realization that in the end we love others for who they

are...eight arms and all!

us soccer captain interview: The Little Book of Coaching Ken Blanchard, Don Shula, 2001-01-23 Are the people who report to you giving you their best? Is each individual on your team performing to his or her fullest potential? For more than thirty years, renowned business consultant and bestselling author Ken Blanchard and legendary NFL coach Don Shula have motivated teams to peak performances. In their classic, authoritative work on coaching, *Everyone's a Coach*, they distilled their rich collective experience down to its key elements and shared their secrets for inspiring others to greatness. Now, by popular demand, Blanchard and Shula have created *The Little Book of Coaching*, capturing the essence of their classic in this indispensable motivational gem--a gift to their readers and fans. At the heart of this book is a simple acronym that describes the qualities of an effective leader: Conviction-driven--Never compromise your beliefs Overlearning--Practice until it's perfect Audible-ready--Know when to change Consistency--Respond predictably to performance Honesty-based--Walk your talk Using a highly effective tag-team approach, Blanchard and Shula impart the five leadership secrets behind this acronym. Shula tells you how each coaching concept worked on the field, and then Blanchard explains how you can apply each strategy in a leadership situation. Instructive and inspirational, *The Little Book of Coaching* is the essential handbook that will teach you how to unleash excellence in anyone.

us soccer captain interview: Choose to Matter Julie Foudy, 2017-05-02 In *Choose to Matter*, Julie Foudy, two-time Olympic Gold Medalist and former captain of the US National team, takes you on a journey to discover your authentic self. This book is a roadmap to unleash that courageous YOU and have you singing your dreams out loud. Along with sharing stories from her playing days and personal experiences, Julie taps into the wisdom of other incredible female leaders including *Good Morning America* anchor Robin Roberts, soccer stars Mia Hamm and Alex Morgan, and Facebook superwoman and Lean In founder Sheryl Sandberg. In her Leadership Academy, Julie encourages young women to find the leader that exists in all of them, whatever their personality or vocal chord strength might be. Complete with fun exercises and activities, *Choose to Matter* guides readers in all aspects of their lives. Julie believes every young woman has the power to be a leader who makes a positive impact. And it all starts by choosing to matter. So go ahead, start now. Because you can.

us soccer captain interview: The Luminaries Eleanor Catton, 2013-10-15 The winner of the Man Booker Prize, this expertly written, perfectly constructed bestseller (*The Guardian*) is now a Starz miniseries. It is 1866, and Walter Moody has come to stake his claim in New Zealand's booming gold rush. On the stormy night of his arrival, he stumbles across a tense gathering of 12 local men who have met in secret to discuss a series of unexplained events: a wealthy man has vanished, a prostitute has tried to end her life, and an enormous cache of gold has been discovered in the home of a luckless drunk. Moody is soon drawn into a network of fates and fortunes that is as complex and exquisitely ornate as the night sky. Richly evoking a mid-nineteenth-century world of shipping, banking, and gold rush boom and bust, *The Luminaries* is at once a fiendishly clever ghost story, a gripping page-turner, and a thrilling novelistic achievement. It richly confirms that Eleanor Catton is one of the brightest stars in the international literary firmament.

us soccer captain interview: Soccer Culture in America Yuya Kiuchi, 2013-12-30 What does the world's favorite sport mean in the United States? Despite the common belief that it is only a women's sport, an immigrants' sport, a small kids' sport--or that hating soccer is very American, the new essays in this volume attest that soccer indeed is a very American and very popular sport, around since the 1940s. The all-new essays address issues concerning the business of the game, the meaning of men's and women's professional, national, high school and youth soccer, the community formed by the game, the media, the referees, the hooliganism and the treatment of the sport in academe.

us soccer captain interview: *Where the Legend Began* Rony J. Almeida, 2006-03-01 *THE HISTORY OF THE PARTICIPATION OF THE UNITED STATE NATIONAL SOCCER TEAM IN THE FIRST FIFA WORLD CUP, MONTEVIDEO 1930*. This book provides a detailed research on the US National Soccer during the First FIFA World Cup ever and narrates the US team race towards an

honorable Third Place, the highest ever outcome for an American team in the FIFA Tournaments.
