Origins and Discovery of Anunnaki Tablets

The Anunnaki tablets trace their origins to ancient Mesopotamia, a region renowned as the cradle of civilization. Archaeologists have unearthed thousands of clay tablets inscribed with cuneiform script from sites such as Sumer, Akkad, and Babylon. Among these tablets, certain texts reference the Anunnaki, a group of deities believed to have played a pivotal role in Sumerian mythology. The discovery of these tablets began in the 19th century, with major archaeological excavations in Iraq revealing vast libraries of cuneiform texts. The tablets vary in size, purpose, and content, ranging from administrative records to epic narratives and religious hymns.

Early discoveries provided a glimpse into the advanced writing practices of ancient societies. The tablets mentioning the Anunnaki are particularly valuable for their insights into the mythology, cosmology, and governance of early Mesopotamian cultures. Over time, scholars have cataloged and translated many of these tablets, leading to a deeper understanding of the role the Anunnaki played in shaping cultural and religious beliefs.

Historical Context and Significance

The historical significance of the Anunnaki tablets extends beyond their references to divine beings. These artifacts represent one of the earliest forms of written communication, offering a window into the day-to-day life, rituals, and societal structures of ancient Mesopotamia. The Anunnaki themselves are described in various texts as powerful gods who influenced humanity, creation, and the natural world. Their presence in these tablets highlights the importance of mythology and religion in shaping the beliefs and practices of early civilizations.

The tablets also document the development of cuneiform writing, one of the world's oldest known scripts. By examining the content and context of Anunnaki-related tablets, researchers gain insight into the evolution of language, storytelling, and record-keeping. The enduring legacy of these tablets is evident in their influence on later cultures and religious systems.

Deciphering the Anunnaki Tablets

Deciphering the Anunnaki tablets has been a complex and ongoing process. The cuneiform script used on these tablets consists of wedge-shaped marks pressed into clay, requiring specialized knowledge to interpret. Over the past century, linguists and epigraphers have developed techniques for translating cuneiform texts, allowing for the reconstruction of ancient stories, prayers, and administrative documents.

The translation process involves comparing symbols, analyzing context, and cross-referencing known vocabulary. Many tablets referencing the Anunnaki have been decoded, revealing rich narratives about creation, divine intervention, and human society. However, some tablets remain partially or fully untranslated due to damage, complexity, or missing contextual information.

- Cuneiform script interpretation is crucial for understanding tablet content.
- Some tablets contain mythological tales, while others hold administrative data.
- Ongoing research continues to uncover new meanings and connections.

Key Texts and Inscriptions

The Enuma Elish Creation Epic

Among the most significant Anunnaki tablets is the Enuma Elish, a Babylonian creation epic that describes the origins of the world and the roles of the gods, including the Anunnaki. This text details the cosmic battle between deities and the establishment of divine order. The Anunnaki are portrayed as judges and enforcers of fate, underscoring their central role in the mythological hierarchy.

The Sumerian King List

Another important tablet is the Sumerian King List, which chronicles the reigns of kings who were said to have received their authority from the Anunnaki. This document blends historical record with myth, attributing long lifespans and supernatural powers to early rulers. The King List provides valuable context for understanding the intersection of myth and governance in ancient Mesopotamia.

Religious Hymns and Rituals

Numerous tablets contain hymns and prayers dedicated to the Anunnaki. These texts reveal the religious practices, offerings, and beliefs of the people who worshipped these gods. The hymns often invoke the Anunnaki for protection, justice, and prosperity, reflecting their revered status in society.

Controversies and Theories Surrounding the Tablets

The Anunnaki tablets have fueled a wide range of theories and debates among scholars and alternative researchers. While mainstream historians view the tablets as mythological texts reflecting ancient beliefs, some theorists propose that the Anunnaki were extraterrestrial beings who influenced human development. These controversial interpretations often draw on selective readings of the tablets and speculative connections with other ancient mysteries.

The debate over the true nature of the Anunnaki and the authenticity of certain tablets continues to generate interest. Critics argue that sensational theories lack archaeological evidence, while proponents highlight unexplained passages and unusual depictions in the texts. The tablets remain a focal point for discussions about ancient knowledge, lost technologies, and human origins.

- Traditional interpretations emphasize mythological and religious significance.
- Alternative theories suggest extraterrestrial involvement.
- Scholarly consensus relies on archaeological and linguistic evidence.

Modern Interpretations and Cultural Impact

In recent decades, the Anunnaki tablets have inspired a resurgence of interest in ancient history, mythology, and speculative fiction. Authors, filmmakers, and artists often draw on the enigmatic nature of the Anunnaki to create imaginative works that blend fact and fantasy. The tablets are frequently cited in discussions about ancient astronauts and lost civilizations, influencing popular culture and online communities.

Academic research continues to focus on the historical and linguistic aspects of the tablets, with new

discoveries shedding light on the daily lives and beliefs of ancient peoples. Museums and educational institutions showcase replicas and translations of Anunnaki tablets, making them accessible to a global audience. The enduring fascination with these artifacts underscores their lasting impact on our understanding of human history and mythology.

Summary of Main Findings

The study of Anunnaki tablets reveals a complex tapestry of mythology, history, and cultural development in ancient Mesopotamia. These clay tablets provide detailed records of religious beliefs, governance, and daily life, with the Anunnaki playing a central role in many narratives. Ongoing research and debates ensure that the mysteries of these tablets continue to captivate scholars and the public alike. The Anunnaki tablets remain an invaluable resource for exploring the origins of writing, the evolution of myth, and the enduring quest to understand humanity's ancient past.

Q: What are Anunnaki tablets?

A: Anunnaki tablets are ancient clay artifacts inscribed with cuneiform script, originating from Mesopotamia. They contain references to the Anunnaki, a group of deities in Sumerian mythology, and provide valuable insights into the culture, religion, and history of early civilizations.

Q: Where were Anunnaki tablets discovered?

A: Most Anunnaki tablets have been discovered in archaeological sites across modern-day Iraq, including Sumer, Akkad, and Babylon. Major excavations in the 19th and 20th centuries uncovered these tablets in ancient temples, libraries, and administrative buildings.

Q: What language is used on the Anunnaki tablets?

A: The tablets are primarily inscribed in cuneiform script, using languages such as Sumerian, Akkadian, and Babylonian. Cuneiform is one of the earliest writing systems developed by ancient Mesopotamian civilizations.

Q: Do the Anunnaki tablets mention extraterrestrial beings?

A: Mainstream scholars interpret the Anunnaki as mythological gods rather than extraterrestrial beings. While alternative theories suggest a connection to aliens, there is no definitive archaeological evidence supporting these claims.

Q: What is the significance of the Enuma Elish tablet?

A: The Enuma Elish tablet is a Babylonian creation epic that describes the origins of the world and the roles of various gods, including the Anunnaki. It is significant for its insights into ancient cosmology and religious beliefs.

Q: How are Anunnaki tablets deciphered?

A: Experts use knowledge of cuneiform script and ancient languages to translate the tablets. Decipherment involves analyzing symbols, context, and comparing translations with other known texts.

Q: What controversies surround the Anunnaki tablets?

A: Controversies include debates over the true nature of the Anunnaki, with some theorists suggesting extraterrestrial origins. Mainstream scholars focus on the mythological and historical aspects, relying on archaeological evidence.

Q: Are there any famous Anunnaki-related tablets?

A: Yes, notable examples include the Enuma Elish, the Sumerian King List, and various religious hymns and prayers dedicated to the Anunnaki deities.

Q: How have Anunnaki tablets influenced modern culture?

A: The tablets have inspired books, films, and speculative theories about ancient astronauts and lost civilizations. They continue to influence popular culture and discussions about ancient history.

Q: Can the public view Anunnaki tablets?

A: Many original Anunnaki tablets and their replicas are displayed in museums worldwide, allowing the public to view and learn about these ancient artifacts.

Anunnaki Tablets: Deciphering the Ancient Mysteries

Have you ever felt a pull towards the ancient past, a curiosity about civilizations that predate our own understanding of history? The mystery surrounding the Anunnaki, a race of extraterrestrial beings mentioned in ancient Sumerian texts, captivates imaginations worldwide. This blog post delves into the fascinating world of Anunnaki tablets, exploring their discovery, translation challenges, and the interpretations that continue to fuel debates amongst historians, archaeologists,

and enthusiasts alike. We'll dissect the evidence, analyze the claims, and present you with a balanced perspective on these enigmatic artifacts. Prepare to embark on a journey through time, unearthing the secrets held within these ancient clay tablets.

The Discovery and Significance of Anunnaki Tablets

The discovery of cuneiform tablets detailing the Anunnaki is intrinsically linked to the excavation of ancient Mesopotamian sites. Thousands of these clay tablets have been unearthed, primarily in Mesopotamia (modern-day Iraq), dating back to the third and fourth millennia BC. These aren't singular, unified texts narrating a single Anunnaki story; instead, they are a collection of fragmented narratives, hymns, myths, and administrative records. The significance lies not just in their age but in their potential to illuminate aspects of Sumerian cosmology, societal structure, and possibly even early human history - at least, according to some interpretations.

Challenges in Translation and Interpretation

Translating cuneiform script itself is a monumental task requiring specialized linguistic expertise. The language itself is complex, with many ambiguities and variations across different time periods and regions. Further complicating the matter is the fragmentary nature of many tablets; many are incomplete, broken, or damaged, resulting in missing pieces of the narrative. This fragmentation contributes significantly to the diverse range of interpretations surrounding Anunnaki texts.

The Role of Context in Interpretation

Understanding the cultural and religious context within which these tablets were created is crucial for accurate interpretation. Many passages, seemingly fantastical to a modern reader, were likely integral to the Sumerians' understanding of their world, their gods, and their place in the cosmic order. Without appreciating this context, any interpretation risks misrepresenting the original meaning and intent.

Key Anunnaki Tablets and Their Interpretations

Several tablets, more than others, have captured the attention of researchers and enthusiasts. While it's impossible to cover them all here, let's look at some key examples:

The Epic of Gilgamesh: Anunnaki Connections?

The Epic of Gilgamesh, arguably the most famous Mesopotamian literary work, contains elements

that some interpret as allusions to the Anunnaki. These interpretations often center around the gods' involvement in human affairs, their creation or manipulation of humanity, and their ultimate departure. However, the text's direct relationship to the Anunnaki is still debated, with many scholars emphasizing the importance of understanding the epic within its Mesopotamian mythological context rather than as a direct historical account.

Other Relevant Tablets and Their Interpretations

Numerous other tablets contain references to deities and events that some link to the Anunnaki narrative. These range from creation myths to royal genealogies and even seemingly mundane administrative documents. The challenge lies in discerning whether these references are indeed related to the Anunnaki or are simply part of the wider Mesopotamian pantheon and mythological system.

Separating Fact from Fiction: Critical Analysis of Anunnaki Claims

It's crucial to approach the topic of Anunnaki tablets with critical thinking. While the tablets themselves are genuine historical artifacts, their interpretation frequently spills into speculation. Some fringe theories propose the Anunnaki were literal extraterrestrial beings who genetically engineered humanity. These interpretations often lack rigorous scholarly support and frequently rely on selective readings of the texts and ignoring counter-evidence.

The Importance of Scholarly Consensus

The academic community largely views the Anunnaki as part of the Mesopotamian pantheon, symbolic figures within a complex religious system. While there is room for ongoing debate and nuanced interpretation, the majority of scholars refrain from accepting claims of extraterrestrial intervention.

Conclusion

The study of Anunnaki tablets continues to fascinate and intrigue. These ancient artifacts offer a glimpse into the beliefs and worldview of a civilization that existed thousands of years ago. However, responsible scholarship emphasizes the importance of rigorous analysis, careful interpretation, and a critical assessment of extrapolations beyond the available evidence. While the allure of

extraterrestrial connections is undeniable, a grounded approach allows us to appreciate the rich cultural and historical significance of these remarkable tablets without succumbing to unsubstantiated claims.

FAQs

1. Are all interpretations of Anunnaki tablets accepted by scholars? No, many interpretations, particularly those proposing extraterrestrial origins, are not widely accepted within the academic community.
2. Where can I find images of Anunnaki tablets? Many museum websites and online databases of ancient artifacts showcase images of cuneiform tablets. Search for "cuneiform tablets online database" to find resources.
3. What languages were used in Anunnaki tablets? Primarily Sumerian and Akkadian, ancient languages of Mesopotamia.
4. Are there any ongoing research projects studying Anunnaki tablets? Yes, many archaeologists and linguists continue to study, translate, and analyze these tablets.
5. What is the best way to learn more about the Anunnaki tablets and their context? Start by researching reputable academic sources on Mesopotamian archaeology and history. Look for peer-reviewed articles and books from established publishers.

anunnaki tablets: *The Anunnaki Chronicles* Zecharia Sitchin, 2015-09-17 An insider's look into the decades of research behind Zecharia Sitchin's books as well as an in-depth overview of his theories and discoveries • Includes carefully selected chapters from the Earth Chronicles series as well as never-before-published letters, articles, and lectures • Each piece includes an introduction, offering context and insight into Sitchin's passionate work and revealing the man behind the theories • Explains the genesis of The 12th Planet, the Anunnaki influences on the Sumerian civilization, the orbit of Nibiru, the prehistory of the Americas, the extraterrestrial origins of modern man, and much more What if the tales from the Old Testament and other ancient writings, such as those from Sumer, Babylon, Egypt, and Greece, were not myths or allegory but accounts of actual historical events? Known for his ability to read and interpret ancient Sumerian and Akkadian clay tablets, Zecharia Sitchin (1920-2010) took the words of our most ancient ancestors as fact and, through decades of meticulous research, showed that they revealed a coherent narrative about the true origins of humanity and civilization. Drawing both widespread interest and criticism, his Earth Chronicles series of books, beginning with *The 12th Planet*, detailed how humanity arose after the arrival of the Anunnaki ("those who from Heaven to Earth came"), alien "gods" who created modern man in their own image and imparted gifts of civilizing knowledge. Providing an insider's look into the decades of research behind Zecharia Sitchin's complete works as well as an in-depth overview of his theories, this collection includes carefully selected chapters from the Earth Chronicles series as well as never-before-published letters, articles, and lectures. We learn about the genesis of The 12th Planet in "The Book as a Story," the Sumerians and their Anunnaki influences in "The Sudden Civilization," the orbit of Nibiru in "UFOs, Pyramids, and the 12th Planet," the prehistory of the Americas in "Cities Lost and Found," the extraterrestrial origins of modern man in "The Cosmic

Connection--DNA," and much more. We get to read never-before-published lectures, culled from Sitchin's decades of presentations, as well as the article that spurred the writing of *There Were Giants Upon the Earth*. Each piece includes an introduction by Sitchin's niece, offering context and insight into Sitchin's passionate work. These introductions reveal the man behind the theories, a world traveler known for his scholarship, dry humor, and precisely chosen words. If his theories are true, as Sitchin wholeheartedly believed, then this collection presents some of the most important knowledge we have of our origins and future.

anunnaki tablets: *Slave Species of the Gods* Michael Tellinger, 2012-09-10 Our origins as a slave species and the Anunnaki legacy in our DNA • Reveals compelling new archaeological and genetic evidence for the engineered origins of the human species, first proposed by Zecharia Sitchin in *The 12th Planet* • Shows how the Anunnaki created us using pieces of their own DNA, controlling our physical and mental capabilities by inactivating their more advanced DNA • Identifies a recently discovered complex of sophisticated ruins in South Africa as the city of the Anunnaki leader Enki Scholars have long believed that the first civilization on Earth emerged in Sumer some 6,000 years ago. However, as Michael Tellinger reveals, the Sumerians and Egyptians inherited their knowledge from an earlier civilization that lived at the southern tip of Africa and began with the arrival of the Anunnaki more than 200,000 years ago. Sent to Earth in search of life-saving gold, these ancient Anunnaki astronauts from the planet Nibiru created the first humans as a slave race to mine gold--thus beginning our global traditions of gold obsession, slavery, and god as dominating master. Revealing new archaeological and genetic evidence in support of Zecharia Sitchin's revolutionary work with pre-biblical clay tablets, Tellinger shows how the Anunnaki created us using pieces of their own DNA, controlling our physical and mental capabilities by inactivating their more advanced DNA--which explains why less than 3 percent of our DNA is active. He identifies a recently discovered complex of sophisticated ruins in South Africa, complete with thousands of mines, as the city of Anunnaki leader Enki and explains their lost technologies that used the power of sound as a source of energy. Matching key mythologies of the world's religions to the Sumerian clay tablet stories on which they are based, he details the actual events behind these tales of direct physical interactions with "god," concluding with the epic flood--a perennial theme of ancient myth--that wiped out the Anunnaki mining operations. Tellinger shows that, as humanity awakens to the truth about our origins, we can overcome our programmed animalistic and slave-like nature, tap in to our dormant Anunnaki DNA, and realize the longevity and intelligence of our creators as well as learn the difference between the gods of myth and the true loving God of our universe.

anunnaki tablets: *Wars of the Anunnaki* Chris H. Hardy, 2016-07-18 Examines the Anunnaki gods' evolving relationships with humanity, their power struggles, and the details of their nuclear war on Earth • Analyzes the crisis and rationale behind the Anunnaki decision to nuke 5 cities in the Jordan plain, resulting in the obliteration of Sumerian civilization • Draws upon the work of Zecharia Sitchin, the Book of Genesis, Sumerian clay tablets, and archaeological evidence such as ancient radioactive skeletons • Examines the Anunnakis' lack of higher consciousness, their reliance on technology, their sacred power objects and sacred geometry, and the possibility of Anunnaki bases on Mars in the distant past The detonation of nuclear weapons in the 20th century was not the first time humanity has seen such terrible destruction. Drawing upon the work of Zecharia Sitchin, the Book of Genesis, Sumerian clay tablets, and archaeological evidence such as ancient radioactive skeletons, Chris Hardy reveals the ancient nuclear event that destroyed the Sumerian civilization and the power struggles of the "gods" that led up to it. The author explains how the Anunnaki came to Earth from the planet Nibiru seeking gold to repair their ozone layer. Using genetic engineering, they created modern humanity to do their mining work and installed themselves as our kings and our gods. Anunnaki god Enki had a fatherly relationship with the first two humans. Then Enlil, Enki's

brother, took over as Commander of Earth, instating a sole-god theocracy and a war against the clan of Enki and humanity for spoiling the Anunnaki bloodlines through interbreeding. This shift imposed a blackout not only of the very human nature of the Anunnaki "gods" but also of humanity's own ancient past on Earth. Two of Enlil's attacks against the Enki clan and humanity are described in the stories of the Deluge and the Tower of Babel. His final attempt, after coercing the Assembly of the Gods into voting yes, was the nuclear bombing of 5 cities of the Jordan plain, including Sodom and Gomorrah, which resulted in the destruction of the Sumerian civilization and the Anunnakis' own civilization on Earth, including their space port in the Sinai. The author reveals how, after each attempt, humanity was saved by Enki, chief scientist Ninmah, and Enki's son Hermes. The author explores how the Anunnakis' reliance on technology and their recurrent wars caused them to lose touch with cosmic consciousness. And she reveals how we will be doomed to repeat this dynamic until humanity awakens to our true origins.

anunnaki tablets: Anunnaki Theory Authenticated with a New Twist Shafak GokTurk, 2018-06-16 What do all books about the Anunnakis have in common? The answer doesn't really matter because in this book Shafak GokTurk brings a different perspective on the subject, one that will take you to another dimension of reality in our world. Ever wonder how humankind was able to make such tremendous progress over the last 2,000 years? Why is leadership of the world shifting from East to West in politics, economics, and technology? GokTurk makes significant claims that will answer some of these questions and may radically change your viewpoint on the world. Unlike some authors who claim the Anunnakis left our world, GokTurk historically and methodically proves that they remain and have had a significant impact on our lives. The two main groups of Anunnaki—Enlil and Enki—are still active and have always been. A shift of power from one to the other that will reshape our world in the near future is imminent. Will this shift of power bring peace and prosperity, or are we destined to take a turn for the worse? Reading this book will enlighten you about various topics: who Admiral Byrd had a conversation with; Who is Shem to the great Rumi? What are the messages that these people were trying to give us? Do Anunnakis take humans into their society by allowing them to live forever? Purchase the book now to see the world order from a new perspective, as we come closer to meeting our true ancestors in 2060 (?).

anunnaki tablets: The Anunnaki Connection Heather Lynn, 2020-03-01 This definitive guide connects a diverse range of new and existing theories about the Anunnaki, while exploring their possible connection to humanity's past, present, and future. Over 6,000 years ago, the world's first civilization, the Sumerians, were recording stories of strange celestial gods who they believed came from the heavens to create mankind. These gods, known as the Anunnaki, are often neglected by mainstream historians. The Sumerians themselves are so puzzling; scholars have described their origin as "The Sumerian Problem." With so little taught about the ancient Sumerians in our history books, alternative theories have emerged. This has led many to wonder, about the true story behind the Sumerians and their otherworldly gods, the Anunnaki. Lynn traces the evolution of these Mesopotamian gods throughout the Ancient Near East, analyzing the religion, myth, art, and symbolism of the Sumerians, investigating: Who are the Anunnaki? How accurate are the current Sumerian text translations, and how do we know for sure who to believe? Is there a connection between the Anunnaki and other ancient gods? Where are the Anunnaki now? Will their possible return spell the end of our world?

anunnaki tablets: Anunnaki Gods in Exile ISHMAEL NINGISHZIDA, During the Sumerian era, intelligent and talented individuals lived in the southern Iraq region. Scholars think that the earliest known human civilization emerged "suddenly," "unexpectedly," and "with remarkable abruptness" in the fertile plain watered by the Euphrates and Tigris rivers roughly 6,000 years ago. It was a civilization to which we owe nearly all the "Firsts" that we believe are necessary for a developed society, such as the wheel and methods of transportation on wheels; brick, which is used to build and continues to be used to build large structures; and furnaces and kilns, which are essential to industries ranging from baking to metallurgy. Sumer is credited with creating writing and record-keeping, astronomy, mathematics, towns and urban civilizations, kingships and laws, temples and priests, calendars, festivals, recipes, art, and artifacts. They were the first to record and explain historical events and tell stories about their gods by displaying exquisite sculptures and statuettes at holy sites. Over the last 150 years, several individuals have gained and evaluated

scattered Mesopotamian archaeological objects to compile a comprehensive inventory. The names of the academics who made the voyage possible may be seen on many markers along the route that elevated ancient Sumer from obscurity to reverence. We will cover a few individuals who worked in diverse locations. In the last 150 years, archaeology and studying ancient languages have made this workable.

anunnaki tablets: *THE TRUTH ABOUT FREEMASONS, ILLUMINATI, AND NEW WORLD ORDER* S.D.S C.M.W, 2012-03-19 Two Books In One The New World Order's Letter to Every Citizen of the World warning Resistance is Futile. According to this letter addressed to everybody in America, it's useless to resist a one world takeover, as the program is in its final stages. The Very word secrecy is repugnant in a free and open society, and we are as people inherently and historically opposed to secret societies, to secret oaths and to secret proceedings. We decided long ago that the dangers of excessive and unwarranted concealment of pertinent facts far outweighed the dangers which are cited to justify. If you have the privilege to know, you have the duty to act

anunnaki tablets: *Anunnaki Gods No More* Sasha Lessin, 2012-11-06 Dr. Lessin explains the Anunnaki's involvement in human history. The giant olden gods--folks with high tech & their heirs--chain us to short, hard lives. The godsrocketed here from the planet Nibiru & bred with Homo Erectus to create us as short term slaves & soldiers. We praised them & killed in their names: Allah = the Sumerian Nannar, Yahweh = Enlil , Adanoi = Enki. Read this book & transcend the gods'religions.Sasha Lessin Ph.D (U.C.L.A. Anthropology Ph.D.), author of Anunnaki: Gods No More and producer of the hugely popular web site, www.enkispooks.com, studied with the late Zecharia Sitchin, for many years. Mr. Sitchin asked Lessin to create popular internet, book and college-level courses to revise ancient anthropology. Sitchin asked Lessin to help disseminate written, graphic and traditional stories of ETs, hithertofore considered mythic gods on Earth from 450,000 years ago to 300 B.C. as well as the latest findings in astronomy that relate to the planet Nibiru from which the ETs came.

anunnaki tablets: *Anunnaki* Sonny Ramirez, 2017-09-13 Humankind has been attempting to answer complex questions for thousands of years. Is there a God? Where do we come from? Is there life somewhere else? Are we alone? Who created us? Is there an afterlife? Is there hell? In the early 1800s, over thirty thousand tablets were found in the ancient biblical city of Nineveh that included the Assyrian palace reliefs, the library of Ashurbanipal, and the Enuma Elish (also known as the Seven Tablets of Creation) that tell the story of the formation of the world and humanity and of the Anunnaki, gods who arrived from the heavens to create the human race. In a comprehensive study, Sonny Ramirez reveals translations of the findings as well as new discoveries in a passionate search

for the truth about the origins of humankind as he attempts to piece together the Anunnaki connection and ultimately discover whether the gods of Earth, men, and Nibiru are still with us today. Anunnaki Gods of Earth and Nibiru share and analyze ancient texts that will encourage others to open their minds, imagine the unimaginable, and dream of the possibilities that an endless universe can hold.

The air that human living in True Paradise breathe, is actually electrically charged water vapour moisture, making it the most suitable vital energy for biological life to thrive and grow, and besides that, the air is additionally charged by Electro-Magnetic Auric Field of glowing silicon trees, and because their electric potential capacity is being re-filled and re-plenish continuously, they are capable of activating their higher senses whenever they want to with ease, and never be hungry or sick.

anunnaki tablets: Sumerian Gods of Nibiru ISHMAEL NINGISHZIDA, The Sumerians are today's wonder of the day and another incredible ancient society. Ancient Sumer, a group of city-states, was in Mesopotamia. The Sumerians invented arithmetic geometry, writing, and armies. Furthermore, their publications educate readers about Sumerian culture today. The Sumerian civilization flourished between 4100 and 1750 B.C. Sumer was named after the land of cultured rulers. Sumer was one of the earliest to divide the day into hours and minutes. They also had a sophisticated religion centered on gods known as the Anunnaki. The Sumerians' destiny was thought to be in the hands of the Anunnaki. The Anunnaki were often depicted in myths as judging humankind. The gods were also known as the children of the Earth and the Sky. Most people regard these tales as myths, just like the Greek gods. Others, though, wonder whether there is more to the story. Some scientists think the Anunnaki were actual people. They might have come from another planet, according to popular belief. Many individuals believe they are from the enigmatic planet X, which they claim passed incredibly close to Earth thousands of years ago. Why would aliens come to Earth and behave like gods? Of course, to enslave humans! According to this theory, the Anunnaki compelled the Sumerians to dig for gold for them. The Anunnaki departed for Planet X after they had all they needed. According to some, the Anunnaki were a kind of reptile humanoid. They argue that these reptiles assisted the Sumerians in the development of their writing and mathematical systems. Furthermore, they believe that reptiles still exist and have influence over people. Were the Anunnaki genuine? Or have they fabricated gods? One thing is sure: these ancient Sumerian deities continue to attract humans.

anunnaki tablets: LANDING AREAS OF THE RETURN OF THE ANUNNAKI Maximillien De

Lafayette, 2015-08-04 **LANDING AREAS OF THE RETURN OF THE ANUNNAKI** Published by Times Square Press, New York. Are the Anunnaki and/or the aliens returning to Earth (coming back)? In this context, it is extremely important and paramount to differentiate between the Anunnaki and aliens (Extraterrestrials) for numerous reasons we have explained in the book. The subject of the Anunnaki's return is known only to a few military scientists, an intellectual-ecclesiastic elite, and top echelon at the Pentagon, and it is rarely discussed inside or outside the Top Secret and Above Top Secret military perimeters. Nevertheless, it remains a sensitive and a very critical concern which has never left the Foggy Room, a secret code, or appellation for Center of Study and Operations Room of Extraterrestrials' Affairs, created in September 1947, and which our government has strongly denied its existence ever since.

anunnaki tablets: AND AS WRITTEN IN THE BIBLE GOD IS AGAINST WOMEN FOR PERPETUITY Maximillien de Lafayette, 2017-02-26 Yahweh's injustice, cruelty and crimes against

little girls, women, and wives. Published by Times Square Press New York. There is no book, no law, no scroll, and no inscription in the history of humanity, civilizations and religions, which degrades and disgraces women more than the words, the decrees, the laws and the commands of Yahweh (The God of the Hebrews/Israelites) as clearly written ad infinitum in verses of the Bible (The Old Testament). The author's arguments, findings, and conclusions are solely and exclusively based upon the Old Testament (Jewish Bible) and what God (Yahweh) himself said word-for-word about wives, women and girls, and what he ordered or allowed his Chosen People to do to wives, women and girls, as written in the Bible (Old Testament). Thus, he presents irrefutable facts and findings without personal interpretation, and free from biased and subjective analyses. He is neither analyzing the Old Testament nor interpreting the Old Testament, the Torah, or the Talmud.

anunnaki tablets: Holy Crap! The World is Ending! Anna-Marie Abell, 2017-09-21 The president has announced that Earth is going to collide with a rogue moon, and in the process, our entire planet is going to be smashed to bits. As one would expect, upon hearing this news, humans went ballistic. It was as if every sports team in the world lost their championship game at the same time. No car was left unrolled—but oddly enough, Taco Bell remained open and made unfathomable profits in the last days. Apparently, Doritos Locos® Tacos were a popular last meal. Autumn (who for the purposes of this retelling asked to be portrayed as drool-inducing hot with kickass ninja skills) has just been handed the task of saving all of humanity. With the help of her unbelievably sexy alien boyfriend and her kleptomaniac friend with fire-retardant hair, Autumn takes a spaceship and races to save her fellow humans by using the Ark of the Covenant. Along the way, she discovers how sheltered people are from the truth of extraterrestrials and their power to either protect us or destroy us. Stupid government. Grab a bottle of wine, a shipload of snacks, and prepare to take a ride on this humorous chick lit romantic sci-fi paranormal adventure. If you're into Ancient Aliens, conspiracy theories, UFOs, crave a little sexy time in your reading, are curious if we were genetically engineered (like the Sumerian cuneiform texts claim), and are dying to find out the meaning of life, then this book is for you.

anunnaki tablets: Wake up!!! Search for the Truth m'àngels mestre, 2019-09-16 This book moves away from all the structures of the current system in all its aspects, political, social, economic and religious to show a new humanity with Christ Consciousness, that lives in peace, without conflicts, with solidarity to reach God without depending on any institution. The intention is to awaken consciousness through the knowledge of truth. Also to talk about the eternal questions that the humankind has asked itself since ancient times. Who are we? Where do we come from? Why did we come to this world? What is our mission? Where do we go when we die? What's the point of everything?
