The play centers on Juror Eight, who is at first the sole holdout in an 11-1 guilty vote. Eight sets his sights not on proving the other jurors wrong but rather on getting them to look at the situation in a clear-eyed way not affected by their personal prejudices or biases. Reginald Rose deliberately and carefully peels away the layers of artifice from the men and allows a fuller picture to form of them—and of America, at its best and worst. After the critically acclaimed teleplay aired in 1954, this landmark American drama went on to become a cinematic masterpiece in 1957 starring Henry Fonda, for which Rose wrote the adaptation. Now, in her masterly, haunting new novel, she recreates a seminal moment in modern African history: Biafra's impassioned struggle to establish an independent republic in Nigeria during the 1960s. With the effortless grace of a natural storyteller, Adichie weaves together the lives of five characters caught up in the extraordinary tumult of the decade. Fifteen-year-old Ugwu is houseboy to Odenigbo, a university professor who sends him to school, and in whose living room Ugwu hears voices full of revolutionary zeal. Odenigbo's beautiful mistress, Olanna, a sociology teacher, is running away from her parents' world of wealth and excess; Kainene, her urbane twin, is taking over their father's business; and Kainene's English lover, Richard, forms a bridge between their two worlds. As we follow these intertwined lives through a military coup, the Biafran secession and the subsequent war, Adichie brilliantly evokes the promise, and intimately, the devastating disappointments that marked this time and place. Epic, ambitious and triumphantly realized, *Half of a Yellow Sun* is a more powerful, dramatic and intensely emotional picture of modern Africa than any we have had before.

a raisin in the sun online book: *Lorraine Hansberry: The Life Behind A Raisin in the Sun* Charles J. Shields, 2022-01-18 The moving story of the life of the woman behind *A Raisin in the Sun*, the most widely anthologized, read, and performed play of the American stage, by the New York Times bestselling author of *Mockingbird: A Portrait of Harper Lee* Written when she was just twenty-eight, Lorraine Hansberry's landmark *A Raisin in the Sun* is listed by the National Theatre as one of the hundred most significant works of the twentieth century. Hansberry was the first Black woman to have a play performed on Broadway, and the first Black and youngest American playwright to win a New York Critics' Circle Award. Charles J. Shields's authoritative biography of one of the twentieth century's most admired playwrights examines the parts of Lorraine Hansberry's life that have escaped public knowledge: the influence of her upper-class background, her fight for peace and nuclear disarmament, the reason why she embraced Communism during the Cold War, and her dependence on her white husband—her best friend, critic, and promoter. Many of the identity issues about class, sexuality, and race that she struggled with are relevant and urgent today. This dramatic telling of a passionate life—a very American life through self-reinvention—uses previously unpublished interviews with close friends in politics and theater, privately held correspondence, and deep research to reconcile old mysteries and raise new questions about a life not fully described until now.

a raisin in the sun online book: Golden Son Pierce Brown, 2015-01-06 NEW YORK TIMES BESTSELLER • Red Rising hit the ground running and wasted no time becoming a sensation. Golden Son continues the stunning saga of Darrow, a rebel forged by tragedy, battling to lead his oppressed people to freedom. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR, BUZZFEED, AND BOOKLIST • “Gripping . . . On virtually every level, this is a sequel that hates sequels—a perfect fit for a hero who already defies the tropes. [Grade:] A”—Entertainment Weekly As a Red, Darrow grew up working the mines deep beneath the surface of Mars, enduring backbreaking labor while dreaming of the better future he was building for his descendants. But the Society he faithfully served was built on lies. Darrow's kind have been betrayed and denied by their elitist masters, the Golds—and their only path to liberation is revolution. And so Darrow sacrifices himself in the name of the greater good for which Eo, his true love and inspiration, laid down her own life. He becomes a Gold, infiltrating their privileged realm so that he can destroy it from within. A lamb among wolves in a cruel world, Darrow finds friendship, respect, and even love—but also the wrath of powerful rivals. To wage and win the war that will change humankind's destiny, Darrow must confront the treachery arrayed against him, overcome his all-too-human desire for retribution—and strive not for violent revolt but a hopeful rebirth. Though the road ahead is fraught with danger and deceit, Darrow must choose to follow Eo's principles of love and justice to free his people. He must live for more. Praise for Golden Son “Stirring . . . Comparisons to The Hunger Games and Game of Thrones series are inevitable, for this tale has elements of both.”—Kirkus Reviews “Brown writes layered, flawed characters . . . but plot is his most breathtaking strength. . . . Every action seems to flow into the next.”—NPR Don't miss any of Pierce Brown's Red Rising Saga: RED RISING • GOLDEN SON • MORNING STAR • IRON GOLD • DARK AGE • LIGHT BRINGER

a raisin in the sun online book: Rabbit Angstrom John Updike, 1995-10-17 When we first met him in *Rabbit, Run* (1960), the book that established John Updike as a major novelist, Harry (Rabbit) Angstrom is playing basketball with some boys in an alley in Pennsylvania during the tail end of the Eisenhower era, reliving for a moment his past as a star high school athlete. Athleticism of a different sort is on display throughout these four magnificent novels—the athleticism of an imagination possessed of the ability to lay bare, with a seemingly effortless animal grace, the enchantments and disenchantments of life. Updike revisited his hero toward the end of each of the following decades in the second half of this American century; and in each of the subsequent novels, as *Rabbit*, his wife, Janice, his son, Nelson, and the people around them grow, these characters take on the lineaments of our common existence. In prose that is one of the glories of contemporary literature, Updike has chronicled the frustrations and ambiguous triumphs, the longuers, the loves and frenzies, the betrayals and reconciliations of our era. He has given us our representative American story. This *Rabbit Angstrom* volume is composed of the following novels: *Rabbit, Run*; *Rabbit Redux*; *Rabbit is Rich*; and *Rabbit at Rest*.

a raisin in the sun online book: That They May Face the Rising Sun John McGahern, 2003 Considered by many to be the finest Irish writer now working in prose, John McGahern's *That They May Face the Rising Sun* vividly brings to life a whole world and its people with insight and humour and deep sympathy. Joe and Kate Rutledge have come to Ireland from London in search of a different life. In passages of beauty and truth, the drama of a year in their lives and those of the memorable characters that move about them unfolds through the action, the rituals of work, religious observances and play. By the novel's close we feel that we have been introduced, with deceptive simplicity, to a complete representation of existence - an enclosed world has been transformed into an Everywhere. 'It is a simple and ordinary story, calmly, wryly crafted with subtle detail - and therein lies McGahern's genius. As sharply, brilliantly observed as any he has written . . . McGahern, a supreme chronicler of the ordinary . . . has created a novel that lives and breathes as convincingly as the characters who inhabit it.' *Irish Times*

a raisin in the sun online book: Gender in Lorraine Hansberry's A Raisin in the Sun Gary Wiener, 2011-02-10 The landmark play *A Raisin in the Sun* takes its title from a Langston Hughes poem which poses the questions What happens to a dream deferred? Does it dry up like a raisin in the sun? Focusing on a working-class African-American family in Chicago who save enough to purchase either a business in a black neighborhood or a house in a white neighborhood, the plays exposes issues of racism and gender as the women of the family make important decisions that push against both racial and gender lines. This volume discusses gender in the play, looking at how the female characters fight both racism and male chauvinism, how the play is dominated by strong female characters, and how characters resist the stereotype of the emasculating female. The book also presents contemporary perspectives on race and feminism in the twenty-first century. Contributors include Barbara Ehrenreich, Jewelle L. Gomez, and Sharon Friedman.

a raisin in the sun online book: The Panther and the Lash Langston Hughes, 2011-10-26 Hughes's last collection of poems commemorates the experience of Black Americans in a voice that no reader could fail to hear—the last testament of a great American writer who grappled fearlessly and artfully with the most compelling issues of his time. “Langston Hughes is a titanic figure in 20th-century American literature ... a powerful interpreter of the American experience.” —The Philadelphia Inquirer From the publication of his first book in 1926, Langston Hughes was America's acknowledged poet of color. Here, Hughes's voice—sometimes ironic, sometimes bitter, always powerful—is more pointed than ever before, as he explicitly addresses the racial politics of the sixties in such pieces as *Prime, Motto, Dream Deferred*, *Frederick Douglas: 1817-1895*, *Still Here*, *Birmingham Sunday*, *History, Slave, Warning*, and *Daybreak in Alabama*.

a raisin in the sun online book: Using Informational Text to Teach A Raisin in the Sun Audrey Fisch, Susan Chenelle, 2016-02-12 The Common Core State Standards mean major changes for language arts teachers, particularly the emphasis on “informational text.” How do we shift attention toward informational texts without taking away from the teaching of literature? The key is informational texts deeply connected to the literary texts you are teaching. Preparing informational texts for classroom use, however, requires time and effort. *Using Informational Text to Teach Literature* is designed to help. In this second volume (the first volume is on *To Kill a Mockingbird*), we offer informational texts connected to Lorraine Hansberry's *A Raisin in the Sun*. Readings range in genre (commencement address, historical and cultural analysis, government report, socioeconomic research study, and Supreme Court decision) and topic (housing discrimination past and present, abortion, the racial and cultural politics of hair, socioeconomic mobility and inequality, the violence associated with housing desegregation, and the struggle against the legacy of systemic racism). Each informational text is part of a student-friendly unit, with reading strategies and vocabulary, writing, and discussion activities. Teachers need to incorporate nonfiction in ways that enhance their teaching of literature. The *Using Informational Text to Teach Literature* series is an invaluable supportive tool.
