The Anunnaki played a central role in the pantheon, often associated with creation myths, governance of human affairs, and control over natural elements.

The earliest references to the Anunnaki appear in Sumerian cuneiform tablets dating back to the third millennium BCE. Over time, their attributes and stories evolved through various cultures in the region. These gods were often depicted as powerful beings with influence over destiny, fertility, and justice.

References in Ancient Texts

Ancient cuneiform tablets and mythological stories provide detailed accounts of the Anunnaki's actions and influence. These records have been crucial for understanding ancient Mesopotamian beliefs and the cultural significance of the Anunnaki gods.

Theories on the Anunnaki Gods Returning

Extraterrestrial Hypotheses

One of the most popular modern theories suggests that the Anunnaki were not just deities, but extraterrestrial visitors from another planet, possibly Nibiru. Proponents believe these beings genetically engineered humans and may one day return to Earth. This theory was popularized by authors such as Zecharia Sitchin, whose books interpret ancient texts as evidence of alien intervention.

Prophecies and Predictions

Some interpretations of ancient prophecies suggest the Anunnaki gods could return during times of global upheaval or transformation. These predictions often cite astronomical events or cyclical cosmic patterns as indicators of their impending arrival. While these ideas lack scientific validation, they continue to inspire speculation and debate.

Scientific Critique and Skepticism

Most mainstream archaeologists and historians argue that the Anunnaki were mythological constructs rather than real entities. They assert that the stories are symbolic, representing natural forces and societal values, with no evidence of extraterrestrial involvement. Nevertheless, the theory of the Anunnaki gods returning remains a topic of interest in fringe science and alternative history.

Archaeological Evidence and Interpretations

Cuneiform Tablets and Ancient Inscriptions

Archaeologists have uncovered thousands of cuneiform tablets detailing the exploits of the Anunnaki and their interactions with humanity. These artifacts provide valuable insights into ancient beliefs and rituals, but do not offer conclusive proof of the Anunnaki gods returning in a literal sense.

Megalithic Structures and Artifacts

Some theorists point to megalithic structures in Mesopotamia, such as the ziggurats, as evidence of advanced knowledge possibly bestowed by the Anunnaki. However, most experts attribute these achievements to human ingenuity and evolving architectural techniques.

Genetic and Astronomical Claims

Alternative researchers propose that genetic anomalies and astronomical alignments in ancient records may hint at the Anunnaki's influence. Despite these claims, there is no scientific consensus supporting the idea of anunnaki gods returning based on physical evidence.

1. Cuneiform tablets document mythological origins
2. Ziggurats and temples reflect ritual practices
3. No physical evidence supports extraterrestrial return
4. Scholarly consensus favors symbolic interpretation

Cultural Impact and Modern Media

These depictions often blend ancient mythology with science fiction, portraying the gods as advanced beings with hidden agendas. This has contributed to the ongoing fascination and speculation surrounding the Anunnaki.

Internet Communities and Conspiracy Theories

Online forums and social media groups continue to fuel discussions about the Anunnaki, sharing theories, alleged evidence, and predictions. The topic remains popular among those interested in ancient aliens, lost civilizations, and unexplained phenomena.

Anunnaki Gods Returning: Fact, Fiction, and the Enduring Power of Myth

Are the Anunnaki returning? This question, steeped in ancient Sumerian texts and fueled by modern interpretations, has captivated the imaginations of millions. This blog post delves deep into the fascinating world of the Anunnaki, examining the mythology, the modern interpretations, and the reasons behind the enduring belief in their potential return. We'll explore the historical context,

analyze the evidence (or lack thereof), and consider the psychological and sociological factors driving this persistent narrative. Prepare to journey through a captivating blend of ancient history, modern speculation, and the timeless power of myth.

The Anunnaki: Gods of Ancient Sumeria

The Anunnaki, meaning "offspring of Anu" in Sumerian, were a pantheon of deities in ancient Mesopotamian religion. Unlike many Olympian-style gods, the Anunnaki were often depicted as more involved in the daily lives of humanity, sometimes even interfering directly. Their stories, preserved in cuneiform tablets, detail their creation of humanity, their roles in establishing civilization, and their subsequent conflicts and power struggles. Key figures like Enlil, Enki, and Ninhursag played crucial roles in these narratives, shaping the landscape of early Mesopotamian beliefs and influencing subsequent mythologies.

Key Roles of the Anunnaki Deities

Enlil: Often portrayed as the god of wind and storms, Enlil held a prominent position as the chief god in the Sumerian pantheon. He was associated with power, authority, and control.

Enki: The god of wisdom, water, and crafts, Enki was often depicted as a more benevolent figure, credited with bestowing knowledge and civilization upon humanity.

Ninhursag: The goddess of fertility and mountains, Ninhursag played a crucial role in the creation stories, often associated with nurturing and protecting humankind.

These deities, and many others within the Anunnaki pantheon, shaped the religious and cultural landscape of ancient Mesopotamia, leaving an indelible mark on subsequent civilizations.

The Modern Interpretation: Anunnaki and Extraterrestrial Theories

In recent decades, the Anunnaki have transitioned from figures in ancient mythology to central figures in various extraterrestrial theories. Zecharia Sitchin's influential work, particularly his translation and interpretation of Sumerian texts, significantly contributed to this modern interpretation. Sitchin posited that the Anunnaki were actually advanced extraterrestrials who visited Earth, genetically engineered humanity, and mined resources like gold.

Criticisms of Sitchin's Work

It's crucial to acknowledge that Sitchin's interpretations have been heavily criticized by mainstream academics. Many scholars argue that his translations are inaccurate and his conclusions are based on selective readings and a lack of thorough linguistic and archaeological evidence. The scientific community largely dismisses the extraterrestrial interpretations of the Anunnaki mythology.

The Psychological and Sociological Appeal of the "Returning Gods" Narrative

Despite the scholarly criticisms, the belief in the Anunnaki's potential return persists. This enduring appeal can be explained through various sociological and psychological factors:

Desire for Explanation: The complexity of the human condition often leads to a desire for simple explanations of origins and destiny. The Anunnaki narrative, with its potent story of creation and intervention, offers a compelling, albeit unproven, explanation.

Escapism and Fantasy: In a world often characterized by uncertainty and chaos, the notion of powerful, technologically advanced beings intervening in human affairs offers a form of escapism and a fantasy of potential rescue or salvation.

Conspiracy Theories and Mistrust of Authority: The belief in the return of the Anunnaki often intertwines with broader conspiracy theories, feeding into a widespread mistrust of established institutions and narratives.

These factors contribute to the sustained interest in the Anunnaki and the recurring theme of their impending return.

Conclusion

The belief in the Anunnaki's return is a complex phenomenon, interwoven with ancient mythology, modern interpretations, and powerful psychological and sociological drivers. While the scientific community largely dismisses the extraterrestrial interpretations, the enduring power of the Anunnaki narrative speaks to the human need for meaning, explanation, and perhaps, a touch of fantastical hope. Whether or not they are returning remains a question open to interpretation, fueled by the enduring fascination with the mysteries of our past and the possibilities of our future.

FAQs

1. Is there any scientific evidence supporting the Anunnaki's existence as extraterrestrials? No, there is no credible scientific evidence to support the claim that the Anunnaki were extraterrestrials. Mainstream science relies on verifiable evidence, and the interpretations of Sitchin and others lack this crucial component.
2. How did the Anunnaki stories influence later mythologies? The Anunnaki myths significantly impacted later Mesopotamian religions and influenced subsequent mythological traditions throughout the ancient Near East, impacting the development of religious beliefs in various cultures.
3. Why is there such continued interest in the Anunnaki despite the lack of scientific evidence? The sustained interest stems from the potent narrative, the desire for simple explanations, escapism, and

a general distrust of established narratives.

4. What are some of the key differences between scholarly interpretations and the extraterrestrial interpretations of Anunnaki myths? Scholarly interpretations focus on the cultural and religious context of the myths within ancient Mesopotamian society, while extraterrestrial interpretations often extrapolate beyond the original context to posit a connection with advanced extraterrestrial civilizations.
5. Where can I learn more about the Anunnaki mythology? You can find further information through academic studies of ancient Mesopotamian religion, Sumerian cuneiform texts, and reputable books on ancient history and mythology. Avoid relying solely on sources promoting unsubstantiated claims.

anunnaki gods returning: 10th Edition. 2022: WHAT WILL HAPPEN TO US WHEN THE ANUNNAKI RETURN TO EARTH IN 2022? Maximillien De Lafayette, 2013-10-17 Published by Times Square Press <http://www.timessquarepress.com/> Author's website: www.maximilliendelafayettebibliography.com The subjects introduced in this book are explosive. Most important is the fact that it reveals the potential return of the Anunnaki in 2022, and the most frightening transformation that it would bring to the earth. If this is going to happen, a huge number of the people on earth, those grossly contaminated by Grays' DNA, will be annihilated. Only those who are naturally uncontaminated and those who managed to clean themselves completely will be taken up through an antimatter bubble, with the animals and certain important buildings and inanimate art and culture objects, and kept safe until the earth would be clean again. Such a scenario is, to say the least, disconcerting. Even if you are not sure whether you are a believer or not, you should certainly consider the possibilities - and the book teaches you exactly how to save yourself.

anunnaki gods returning: Anunnaki Return, Star Nations and the Days to Come James Gilliland, 2016-02-24 Anunnaki Return is a book that can truly change the world. It is hidden and forbidden knowledge about our true origins, the greater family of man and the destiny of Earth to join its ancient ancestors in peace. There is a war going on between those who are self-serving and those in service to others. There will come a time very shortly where all will have to choose which side of the fence they will act out their final days. As the Hopi prophecies stated there will be a separation of worlds. Those who chose self service and misuse technology, those who act against Universal Law and those who act in a way that is harmful to humanity and the Earth will not see the next world. Those who choose service to others living a life in harmony with each other and nature will continue. The Earth is ascending.

anunnaki gods returning: The Anunnaki Connection Heather Lynn, 2020-03-01 This definitive guide connects a diverse range of new and existing theories about the Anunnaki, while exploring their possible connection to humanity's past, present, and future. Over 6,000 years ago, the world's first civilization, the Sumerians, were recording stories of strange celestial gods who they believed came from the heavens to create mankind. These gods, known as the Anunnaki, are often neglected by mainstream historians. The Sumerians themselves are so puzzling; scholars have described their

origin as "The Sumerian Problem." With so little taught about the ancient Sumerians in our history books, alternative theories have emerged. This has led many to wonder, about the true story behind the Sumerians and their otherworldly gods, the Anunnaki. Lynn traces the evolution of these Mesopotamian gods throughout the Ancient Near East, analyzing the religion, myth, art, and symbolism of the Sumerians, investigating: Who are the Anunnaki? How accurate are the current Sumerian text translations, and how do we know for sure who to believe? Is there a connection between the Anunnaki and other ancient gods? Where are the Anunnaki now? Will their possible return spell the end of our world?

anunnaki gods returning: Anunnaki Homeworld Jason M. Breshears, 2011-11 The Anunnaki is a legendary race that appears in the oldest documents preserved by mankind. They are said to inhabit an outermost planet that orbits our sun in an extremely elliptical orbit. Each time this planet gets near to the earth it creates planetary cataclysms. Many researchers claim it will be returning soon. The work of Zecharia Sitchin, author of the Earth Chronicles series of books, focuses on the Anunnaki and their previous visits. Many have asked Sitchin, When will this planet return? He never gave an exact date, but said it was more than halfway back. Jason Breshears gives an exact year, and does so confidently, due to his extensive research. He delves not only into historical records, as Sitchin had done, but also uses scientific cycles and mathematical formulas that relate to our concepts of planetary time and orbits. The historical records, chronologically presented by Breshears, help in identifying cyclical patterns. He also employs advanced geometry, interprets complex crop circle patterns, and uses biblical prophecy in support of some of the astronomical events he has predicted. He does not cover much on the mythical aspects of the Anunnaki gods themselves, but focuses more on the actual sciences that can predict their return. Ancient stories and carefully documented proof are two different things. For these reasons, this book is highly recommended.

anunnaki gods returning: Slave Species of the Gods Michael Tellinger, 2012-09-10 Our origins as a slave species and the Anunnaki legacy in our DNA • Reveals compelling new archaeological and genetic evidence for the engineered origins of the human species, first proposed by Zecharia Sitchin in *The 12th Planet* • Shows how the Anunnaki created us using pieces of their own DNA, controlling our physical and mental capabilities by inactivating their more advanced DNA • Identifies a recently discovered complex of sophisticated ruins in South Africa as the city of the Anunnaki leader Enki Scholars have long believed that the first civilization on Earth emerged in Sumer some 6,000 years ago. However, as Michael Tellinger reveals, the Sumerians and Egyptians inherited their knowledge from an earlier civilization that lived at the southern tip of Africa and began with the arrival of the Anunnaki more than 200,000 years ago. Sent to Earth in search of life-saving gold, these ancient Anunnaki astronauts from the planet Nibiru created the first humans as a slave race to mine gold--thus beginning our global traditions of gold obsession, slavery, and god as dominating master. Revealing new archaeological and genetic evidence in support of Zecharia Sitchin's revolutionary work with pre-biblical clay tablets, Tellinger shows how the Anunnaki created us using pieces of their own DNA, controlling our physical and mental capabilities by inactivating their more advanced DNA--which explains why less than 3 percent of our DNA is active. He identifies a recently discovered complex of sophisticated ruins in South Africa, complete with thousands of mines, as the city of Anunnaki leader Enki and explains their lost technologies that used the power of sound as a source of energy. Matching key mythologies of the world's religions to the Sumerian clay tablet stories on which they are based, he details the actual events behind these tales of direct physical interactions with "god," concluding with the epic flood--a perennial theme of ancient myth--that wiped out the Anunnaki mining operations. Tellinger shows that, as humanity awakens to the truth about our origins, we can overcome our programmed animalistic and slave-like nature, tap in to our dormant Anunnaki DNA, and realize the longevity and intelligence of our creators as well as learn the difference between the gods of myth and the true loving God of our universe.

anunnaki gods returning: Reign of the Anunnaki Jan Erik Sigdell, 2018-09-11 Reveals the ongoing alien manipulation of humanity and how we can break free • Explores how the Anunnaki

have maintained invisible surveillance over us and how they control our development through religion, secret societies, and catastrophes • Reveals how they feed off our energies and how this ability has allowed them to remain here on Earth as multidimensional entities, enforcing their control invisibly • Explains how they established religion to control us and how Gnostic Christianity--which came from Christ and not the Anunnaki--offers a way out of their matrix of control Cuneiform texts found on clay plates in Mesopotamia tell us about an extraterrestrial race, called the Anunnaki, who came from space to exploit our planet. Through genetic manipulation, they created modern humans from existing earthly life forms to serve them as slaves. They physically left our planet millennia ago, but as Jan Erik Sigdell reveals, their influence and control over humanity is still pervasive and significant. Sigdell explains how the Anunnaki have maintained invisible surveillance over us as well as control over how humanity develops, setting limits on our evolution and holding back our development by means of manipulation and catastrophes, including the deluge immortalized in the Bible and many other ancient myths. He shows how they still manipulate our politics and affairs via secret societies, such as the Illuminati, and the political elite, such as the Bilderberg Group. Examining ancient descriptions of the Anunnaki as entities that resemble winged reptiles or amphibians, the author also explores their diet and how they feed off blood and the energies given off by lower life forms, such as humans, when they are expressing extreme negative emotions, having sex, or dying. This energy-feeding ability has allowed them to remain here on Earth as multidimensional entities, enforcing their control invisibly. He explains how the Anunnaki established religions as tools for control, setting up the major religions with themselves as “gods” and playing them against each other to keep humanity’s attention away from ongoing Anunnaki manipulation. They have also hidden from us the existence of the true highest creator, who created the cosmos as well as the Anunnaki themselves. The author reveals how the highest creator sent a messenger called Jesus to expose the Anunnaki and show us a way out of their matrix of control through a spirituality based on love, empathy, and sacred sexuality. But the “god” of the Anunnaki defeated this messenger and replaced him with a false Christ. This led to the development of Paulinian Christianity under Anunnaki influence, as well as other parallel religions such as Islam, and the suppression and elimination of the original Christianity, Gnostic Christianity. With the discovery of hidden Gnostic texts and teachings at Nag Hammadi in 1945, the way is now paved for our release from the reign of the Anunnaki.

anunnaki gods returning: LANDING AREAS OF THE RETURN OF THE ANUNNAKI

Maximillien De Lafayette, 2015-08-04 LANDING AREAS OF THE RETURN OF THE ANUNNAKI Published by Times Square Press, New York. Are the Anunnaki and/or the aliens returning to Earth (coming back)? In this context, it is extremely important and paramount to differentiate between the Anunnaki and aliens (Extraterrestrials) for numerous reasons we have explained in the book. The subject of the Anunnaki's return is known only to a few military scientists, an intellectual-ecclesiastic elite, and top echelon at the Pentagon, and it is rarely discussed inside or outside the Top Secret and Above Top Secret military perimeters. Nevertheless, it remains a sensitive and a very critical concern which has never left the Foggy Room, a secret code, or appellation for Center of Study and Operations Room of Extraterrestrials' Affairs, created in September 1947, and which our government has strongly denied its existence ever since.

anunnaki gods returning: DNA of the Gods Chris H. Hardy, 2014-03-21 An in-depth study of humanity’s Anunnaki origins and the Anunnaki battle for an intelligent versus enslaved humanity • Explains the genetic engineering of humanity by an Anunnaki scientist Ninmah • Shows how the concepts of sin and the inferiority of women arose from Enlil’s will to keep humanity underdeveloped, clashing with Enki’s and Ninmah’s plan to make us equal in intelligence • Reveals how humanity’s long history of conflict was shaped by the battle between Enki and his brother Enlil Further developing the revolutionary work of Zecharia Sitchin, Chris Hardy shows that the “gods” of ancient myth, visitors from the planet Nibiru, created us using their own “divine” DNA--first through DNA extraction from their own ribs’ marrow and later by direct relations with early human females. Drawing upon multiple sacred texts, Hardy details the genetic engineering of humanity by Anunnaki

scientist Ninmah, with the help of Enki and Hermes. She reveals how Ninmah's first female human creation, Tiamat/Eve, contained more alien DNA than the earlier male one, Adamu, and how the biblical Noah represents the perfection of her work. Examining the war between Anunnaki brothers Enki and Enlil, Hardy reveals how the concepts of sin and the inferiority of women were born out of Enlil's attempts to enslave and then wipe out humanity, repeatedly thwarted by Enki and Ninmah. The author further explains how the sacred sexuality taught to humans--still seen in Tantric practice--became suppressed millennia later by the patriarchal concept of original sin and how innocent Eve took the blame for the expulsion from Eden and fall from Grace. Showing that the god who created us was not the same god who expelled us from Eden, Hardy explains that there will be no apocalypse because the Good/Evil duality has never truly existed--it has been only enemy gods fighting and implicating humanity in the wake of their own competition for power. With a full psychological understanding of how the ancient "gods" have shaped humanity's ongoing history of conflict, we can move beyond the framework of "(my) Good versus (your) Evil" imposed by Enlil and begin to steer our own planetary destiny.

Known for his ability to read and interpret ancient Sumerian and Akkadian clay tablets, Zecharia Sitchin (1920-2010) took the words of our most ancient ancestors as fact and, through decades of meticulous research, showed that they revealed a coherent narrative about the true origins of humanity and civilization. Drawing both widespread interest and criticism, his Earth Chronicles series of books, beginning with The 12th Planet, detailed how humanity arose after the arrival of the Anunnaki ("those who from Heaven to Earth came"), alien "gods" who created modern man in their own image and imparted gifts of civilizing knowledge. Providing an insider's look into the decades of research behind Zecharia Sitchin's complete works as well as an in-depth overview of his theories, this collection includes carefully selected chapters from the Earth Chronicles series as well as never-before-published letters, articles, and lectures. We learn about the genesis of The 12th Planet in "The Book as a Story," the Sumerians and their Anunnaki influences in "The Sudden Civilization," the orbit of Nibiru in "UFOs, Pyramids, and the 12th Planet," the prehistory of the Americas in "Cities Lost and Found," the extraterrestrial origins of modern man in "The Cosmic Connection--DNA," and much more. insight into Sitchin's passionate work. These introductions reveal the man behind the theories, a world traveler known for his scholarship, dry humor, and precisely chosen words. If his theories are true, as Sitchin wholeheartedly believed, then this collection presents some of the most important knowledge we have of our origins and future.

The story begins in London as Astra arrives at the British Museum's opening for their new Gilgamesh exhibit. There she meets a handsome stranger who knows secrets about her that no stranger should know, including the source of the unusual scar on her hand. Taking her to his apartment, he reveals that she is descended from the goddess Ishtar and that he is the modern-day avatar of Gilgamesh seeking to claim the eternal life Ishtar denied him so long ago. Reenacting their sacred sex ritual from eons ago, they find themselves transported to ancient Sumer as Gilgamesh and Ishtar, where he is at last able to continue his quest for immortality. But as Gilgamesh fulfills his sacred duties with Ishtar, something goes awry and the Oracle of Anu will not renew its blessing upon his kingship. Following the direction of his mother, the Anunnaki goddess Ninsun--the source of his partial divinity--Gilgamesh flees the city for the Anunnaki forbidden zone in search of a way to the planet Nibiru and eternal life. Travel alongside Gilgamesh and his immortal companion Enkidu as they escape the fate pronounced by the oracle, discover a Tablet of Destiny meant for Ishtar, fight off Marduk's raiders, and foil the plot of the high priest, Gilgamesh's half-brother who is seeking Gilgamesh's crown for himself. Retelling the Epic of Gilgamesh in the context of his discoveries about the Anunnaki, Zecharia Sitchin weaves a tale of ancient ceremony, accidental betrayal, gods among men, interplanetary travel, and a quest for immortality spanning millennia.

anunnaki gods returning: *Wars of the Anunnaki* Chris H. Hardy, 2016-07-18 Examines the Anunnaki gods' evolving relationships with humanity, their power struggles, and the details of their nuclear war on Earth • Analyzes the crisis and rationale behind the Anunnaki decision to nuke 5 cities in the Jordan plain, resulting in the obliteration of Sumerian civilization • Draws upon the work of Zecharia Sitchin, the Book of Genesis, Sumerian clay tablets, and archaeological evidence such as ancient radioactive skeletons • Examines the Anunnakis' lack of higher consciousness, their reliance on technology, their sacred power objects and sacred geometry, and the possibility of Anunnaki bases on Mars in the distant past The detonation of nuclear weapons in the 20th century was not the first time humanity has seen such terrible destruction. Drawing upon the work of Zecharia Sitchin, the Book of Genesis, Sumerian clay tablets, and archaeological evidence such as ancient radioactive skeletons, Chris Hardy reveals the ancient nuclear event that destroyed the Sumerian civilization and the power struggles of the "gods" that led up to it. The author explains how the Anunnaki came to Earth from the planet Nibiru seeking gold to repair their ozone layer.

Using genetic engineering, they created modern humanity to do their mining work and installed themselves as our kings and our gods. Anunnaki god Enki had a fatherly relationship with the first two humans. Then Enlil, Enki's brother, took over as Commander of Earth, instating a sole-god theocracy and a war against the clan of Enki and humanity for spoiling the Anunnaki bloodlines through interbreeding. This shift imposed a blackout not only of the very human nature of the Anunnaki "gods" but also of humanity's own ancient past on Earth. Two of Enlil's attacks against the Enki clan and humanity are described in the stories of the Deluge and the Tower of Babel. His final attempt, after coercing the Assembly of the Gods into voting yes, was the nuclear bombing of 5 cities of the Jordan plain, including Sodom and Gomorrah, which resulted in the destruction of the Sumerian civilization and the Anunnakis' own civilization on Earth, including their space port in the Sinai. The author reveals how, after each attempt, humanity was saved by Enki, chief scientist Ninmah, and Enki's son Hermes. The author explores how the Anunnakis' reliance on technology and their recurrent wars caused them to lose touch with cosmic consciousness. And she reveals how we will be doomed to repeat this dynamic until humanity awakens to our true origins.

anunnaki gods returning: *Anunnaki* Sonny Ramirez, 2017-09-13 Humankind has been attempting to answer complex questions for thousands of years. Is there a God? Where do we come from? Is there life somewhere else? Are we alone? Who created us? Is there an afterlife? Is there hell? In the early 1800s, over thirty thousand tablets were found in the ancient biblical city of Nineveh that included the Assyrian palace reliefs, the library of Ashurbanipal, and the Enuma Elish (also known as the Seven Tablets of Creation) that tell the story of the formation of the world and humanity and of the Anunnaki, gods who arrived from the heavens to create the human race. In a comprehensive study, Sonny Ramirez reveals translations of the findings as well as new discoveries in a passionate search for the truth about the origins of humankind as he attempts to piece together the Anunnaki connection and ultimately discover whether the gods of Earth, men, and Nibiru are still with us today. *Anunnaki Gods of Earth and Nibiru* share and analyze ancient texts that will encourage others to open their minds, imagine the unimaginable, and dream of the possibilities that an endless universe can hold.

anunnaki gods returning: Anunnaki Sasha Lessin, Janet Kira Lessin, 2015-03-21 *Anunnaki: False Gods* extends Zecharia Sitchin's translations from clay tablets that underlie the Bible. Ten thousand years ago, scribes in ancient Sumer (Iraq) wrote on these tablets what they said the Anunnaki gods (tall people from the sky) dictated. Sitchin asked Dr. Lessin to keep public attention on his legacy by creating an educational program. The Anunnaki are *Homo sapiens* like us but who live hundreds of thousands of years. They said they rocketed to Iraq 450,000 years ago from a planet called Nibiru to harvest gold to send back (via Mars) to Nibiru to powder into an atmospheric shield. They mined abundant gold in Africa until, 300,000 years ago, their miners mutinied. To replace the mutineers, Anunnaki geneticists created short-lived slaves, called Adamites, adapted from their own genome but modified with a bit of clay, copper and genes from an intelligent hominoid, *Homo erectus* (Bigfoot's ancestor) already living in Africa. Two hundred thousand years ago, Enki, their Chief Scientist, begat a line of Earthlings called Adapites with two Adamite girls. Fifty thousand years ago Enki and an Adamite beauty begat Noah, who carried Enki's longevity genes and ruled the Iraqi city of Sharuppak. Enki saved Noah and many of his subjects from the Deluge of 13,000 years ago. The Anunnaki had Noah's people and other flood survivors proliferate and build cities in the Middle East and Egypt with up to 50,000 inhabitants. The Anunnaki ruled the new civilizations as gods with descendants of Noah's sons as intermediaries. The Anunnaki gave us the best and the worst of planet-wide civilization--kings, historians, taxes, temples, priests, bicameral congresses, record-keeping, law codes, library catalogs, furnaces, kilns, wheeled vehicles, paved roads, medicines, cosmogony, cosmology, festivals, beer, food recipes, art, music, music instruments, music notes, dance, textiles, and multicolored apparel. Sumerian schools taught mathematics, architecture, theology, writing, grammar, botany, zoology, geography. They displayed but did not pass on a world-wide energy grid, air, submarine and interplanetary transport vehicles and advanced computers. They also gave us hierarchy, misogyny, violence, greed, slavery, debt and war that

featured genocide and weapons of mass destruction. In 2024 BCE Anunnaki ruined their eastern Mediterranean cities with nuclear blasts and fallout storms. Most of the Anunnaki returned to Nibiru by 311 BCE. But some stayed. They and their descendants (the power elite) rule us to this day. They and their spawn created and perpetuate exclusive, hostile nations and religions to keep us divided. They addicted us to credit institutions to keep us slaving. Their tales of their stay on Earth before they made our ancestors, as well as what our forefathers directly saw, imprinted us with the values of their hierarchic, male-run, master-slave-enemy mentality. We assumed values of extraction, pollution, monetary monopoly and obsession with gold. Fortunately, the Lessins contend, the genetics team that created us also gave us the capacity and preserved the histories Sitchin and others translated so we can overcome the liabilities they left us.

anunnaki gods returning: Anunnaki Theory Authenticated with a New Twist Shafak GokTurk, 2018-06-16 What do all books about the Anunnakis have in common? The answer doesn't really matter because in this book Shafak GokTurk brings a different perspective on the subject, one that will take you to another dimension of reality in our world. Ever wonder how humankind was able to make such tremendous progress over the last 2,000 years? Why is leadership of the world shifting from East to West in politics, economics, and technology? GokTurk makes significant claims that will answer some of these questions and may radically change your viewpoint on the world. Unlike some authors who claim the Anunnakis left our world, GokTurk historically and methodically proves that they remain and have had a significant impact on our lives. The two main groups of Anunnaki—Enlil and Enki—are still active and have always been. A shift of power from one to the other that will reshape our world in the near future is imminent. Will this shift of power bring peace and prosperity, or are we destined to take a turn for the worse? Reading this book will enlighten you about various topics: who Admiral Byrd had a conversation with; Who is Shem to the great Rumi? What are the messages that these people were trying to give us? Do Anunnakis take humans into their society by allowing them to live forever? Purchase the book now to see the world order from a new perspective, as we come closer to meeting our true ancestors in 2060 (?).

anunnaki gods returning: Battle of The Anunnaki/Pleiadian Gods Andrew Sinclair, 2018-03-20 The Sumerian civilization is the oldest known human civilization on Earth. Their divine beings were known as the Anunnaki which in Sumerian signifies Those Who from Heaven to Earth Came. It bloomed out overnight around 3800 BC in Mesopotamia the land between the two rivers Tigris and Euphrates, and arrived at a sudden end in 2024 BC when it was devastated by a dangerous radioactive cloud brought by easterly breezes from the Sinai peninsula, where as indicated by some ancient records an atomic war occurred. The gigantic dark scar on the Earth in the south-eastern part of the Sinai peninsula, and the darkened stones that hint at being in a flash softened by extraordinary heat. There is more proof, Higher than typical levels of radioactivity have

been found in the Dead Sea, the site of Sodom and Gomorrah have been nuked at the same time. What's more, And in the land of Sumer itself a current report has discovered that around the season of the obliteration of Sumer, there was a sudden environmental change there, the nature of which is predictable with an atomic aftermath. The date recommended by the examination is the same 2024 BC given by Sitchin. The Sumerian human advancement vanished around 2000 BC, similarly as all of a sudden as it showed up. Unmistakably its fall was extremely disastrous a number of Sumerian writings have been discovered bewailing the demolition and destruction of different Sumerian urban areas. All these grievance writings accuse the annihilation on the utilization of a few Weapons of Terror and some incredible savage cloud. The detailed descriptions of their effects leave no doubt that the Weapons of Terror were nuclear weapons. It is likewise the narrative of Sodom and Gomorrah. Incorporated into this book is proof of an ancient war that took place in the past, this book is unlike any you have read previously.

Since the Deluge, Anunnaki have ruled through Noah's descendants. Most Anunnaki returned to Nibiru after they nuked Canaan and Sinai and accidentally radiated Iraq. Some Anunnaki stayed to run Earth. They and their power elite still control us, playing us off against each other with wars, nations, empires, religions and debt. anunnaki gods returning: Zecharia Sitchin and the Extraterrestrial Origins of Humanity M. J. Evans, 2016-05-17 An in-depth analysis of Sitchin's revelations about the Anunnaki, early humanity, and Earth's future • Examines Sitchin's research into the Anunnaki arrival on Earth, the lineage of the Nefilim, their space travel technology, and their creation of modern humans • Written by longtime Sitchin friend and colleague M. J. Evans, Ph.D., and draws upon her research and personal discussions with Sitchin • Explores the lust and lovemaking relationships of the Nefilim and suggests we inherited our warlike and love making tendencies from them Known for his provocative interpretations of ancient Sumerian and Akkadian clay tablets, Zecharia Sitchin (1920-2010) read the words of our most ancient ancestors as fact and, through decades of meticulous research, showed that these ancient tablets revealed a coherent narrative about the extraterrestrial inhabitants of Earth and the origins of modern humanity. Drawing upon her many conversations with Zecharia Sitchin over nearly 20 years, M. J. Evans, Ph.D., longtime Sitchin friend and colleague, provides an in-depth analysis of Sitchin's revelations about the Anunnaki, focusing on Anunnaki activities on Earth and Earth's future. She explores the genesis of Sitchin's interest in the Nefilim, the leaders of the Anunnaki, and the controversy caused by the publication of Sitchin's first book, *The 12th Planet*. She examines Sitchin's research into the Nefilim family tree, the Anunnaki arrival on Earth to mine gold to repair the atmosphere on their planet, Nibiru, and their creation of modern humans as workers for their mines and to build their civilization on Earth. She shows how, in the context of 21st-century technological capabilities, Sitchin's work casts a different light on ancient events, with implications for our future. The author reveals the details of the love and lust proclivities of the Nefilim gods Anu, Enlil, and Enki and the goddess Ishtar/Inanna and shows how we inherited these tendencies from our Anunnaki creators as well as their use of war for problem solving. Concluding with an examination of Sitchin's prediction of a nuclear event on Earth in our modern era, she shows how we would be repeating the aggressive warlike behaviors of our Anunnaki creators, who may very well become our saviors when Nibiru next returns to our solar system.

anunnaki gods returning: Marduk King of Earth Janet Kira Lessin, Sasha Alex Lessin Ph D, 2017-04-17 MARDUK: ANUNNAKI KING OF EARTH By Sasha Alex Lessin, Ph.D. (Anthropology) & Janet Kira Lessin CEO, Aquarian Radio Marduk, Our secret Anunnaki ruler, says he'll make amends for suffering he caused. Anu, legal successor to planet Nibiru King Lahma, signed a treaty with King Alalu who slew Lahma. Anu quit as Lahma's successor and agreed to let his and Alalu's grandson Marduk succeed Alalu. Anu however reneged. He abrogated the treaty, deposed Alalu and denied Marduk Nibiru's Crown. Marduk rocketed to Earth where he joined his father Enki, Chief Scientist, Earth Goldmining Expedition (the Anunnaki). Marduk didn't rule Nibiru; he only, for awhile, ruled the Astronaut Corps (Igigi) on Mars. He wed a Hybrid (Sarpanit) whose ancestors his dad created. He built Babylon for both Anunnaki and Hybrids in Iraq. Marduk backed the Igigi after they

abducted hybrid women following his wedding. He helped settle them on Earth. The Igigi and the lineages they bred with the slave-women, allied with him, settled in Jerico, Canaan and Egypt. In 3450 BCE Anunnaki Commander Enlil-Yahweh had his son Ninurta bomb Marduk's Babylon. In 2924 BCE Ninurta nuked the Expedition's Sinai Spaceport to deny it to Marduk. Marduk's brother Nergal bombed Sodom, Gomorra and the Salt Sea's south bank to kill Marduk's son Nabu. To Enlil's shock, a radioactive storm blew from the bombs he'd ordered dropped and also killed his Sumerian Earthlings. Enlil left Earth rule to Marduk.

anunnaki gods returning: *The Lost Book of Enki* Zecharia Sitchin, 2004-08-16 The companion volume to The Earth Chronicles series that reveals the identity of mankind's ancient gods • Explains why these “gods” from Nibiru, the Anunnaki, genetically engineered Homo sapiens, gave Earthlings civilization, and promised to return • 30,000 sold in hardcover Zecharia Sitchin's bestselling series The Earth Chronicles provided humanity's side of the story concerning our origins at the hands of the Anunnaki, “those who from heaven to earth came.” In The Lost Book of Enki we now view this saga from the perspective of Lord Enki, an Anunnaki leader revered in antiquity as a god, who tells the story of these extraterrestrials' arrival on Earth from the planet Nibiru. In his previous works Sitchin compiled the complete story of the Anunnaki's impact on human civilization from fragments scattered throughout Sumerian, Akkadian, Babylonian, Assyrian, Hittite, Egyptian, Canaanite, and Hebrew sources. Missing from these accounts, however, was the perspective of the Anunnaki themselves. What was life like on their own planet? What motives propelled them to settle on Earth--and what drove them from their new home? Convinced of the existence of a lost book that held the answers to these questions, the author began his search for evidence. Through exhaustive research of primary sources, he has here re-created tales as the memoirs of Enki, the leader of these first “astronauts.” What takes shape is the story of a world of mounting tensions, deep rivalries, and sophisticated scientific knowledge that is only today being confirmed. An epic tale of gods and men unfolds, challenging every assumption we hold about our past and our future.

anunnaki gods returning: *African Temples of the Anunnaki* Michael Tellinger, 2013-05-24 Archaeological proof of the advanced civilization on the southern tip of Africa that preceded Sumer and Egypt by 200,000 years • Includes more than 250 original full-color photographs of South Africa's circular stone ruins, ancient roads, prehistoric mines, large pyramids, and the first Sphinx • Reveals how these 200,000-year-old sites perfectly match Sumerian descriptions of the gold mining operations of the Anunnaki and the city of Enki • Shows how the extensive stone circle complexes are the remains of Tesla-like technology used to generate energy and carve tunnels straight into the Earth With more than 250 original full-color photographs, Michael Tellinger documents thousands of circular stone ruins, monoliths, ancient roads, agricultural terraces, and prehistoric mines in South

Africa. He reveals how these 200,000-year-old sites perfectly match Sumerian descriptions of Abzu, the land of the First People--including the vast gold-mining operations of the Anunnaki from the 12th planet, Nibiru, and the city of Anunnaki leader Enki. With aerial photographs, Tellinger shows how the extensive stone circle and road complexes are laid out according to the principles of sacred geometry and represent the remains of Tesla-like technology used to generate energy and carve immensely long tunnels straight into the Earth in search of gold--tunnels that still exist and whose origins had been a mystery until now. He reveals, with photographic evidence, that the human civilization spawned by the Anunnaki was the first to create many totems of ancient Egypt, such as the Horus bird, the Sphinx, the Ankh, and large pyramids, as well as construct an accurate stone calendar, at the heart of their civilization, aligned with the Orion constellation. He explores how their petroglyphs, carved into the hardest rock, are nearly identical to the hieroglyphs of Sumerian seals. Mapping thousands of square miles of continuous settlements and three urban centers--each one larger than modern-day Los Angeles--Tellinger provides the physical proof of Zecharia Sitchin's theories on the Anunnaki origins of humanity.

anunnaki gods returning: Annunaki Terrell Frazier, 2018-03-04 The Annunaki are said to be the ancient Sumerian and Mesopotamian Gods. Their name means, They that Came from the Heavens. but what if I told you that these so-called Gods actually did come from the Stars, from OuterSpace? The Author claims that his knowledge of the Annunaki was knowledge given to him at birth. He believes that the mysterious Annunaki are well rooted in Mankind's Past, Present, and even our Future.

anunnaki gods returning: Anunnaki Legacy T. J. Hegland, 2016-05-30 This is the sequel to Virtual Earth Graduate (VEG) and surveys the Anunnaki impact and legacy on the world, examining what was taught Man and why Man has similar imagery all around the planet. Loaded with pix. In particular, it explains some of the issues that arose in VEG and draws connections between civilizations that were either miles apart or centuries apart. Similar concepts of the Tree of Life, The Flood, Creation by the Skygods, and veneration of Serpents are common. Lastly, it showcases the Serpent Wisdom (herein called Dragon Wisdom as it relates to the Dragon Force of Kundalini that awakens Man to his true potential) that Enki spread around the planet -- in what looks like Gobekli Tepe in particular. And since Truth is Truth, there are certain authors and teachings nowadays that reflect what must have been in the secret societies' teaching of Higher Wisdom (profiled in Ch. 12, 13 and Apx. A, set up originally by Enki) for the benefit of today's audience. The author had access to a higher AMORC initiate and was taught much before she died... thus sharing some of that info in this book (Ch 10, 12 & 13). It is time to release it. Next, the Epilog surveys the current world and offers explanations for what is going on and how Man must get his act together or lose the planet. Whereas the Anunnaki set Man up to succeed, there are today (1) some Black Hats who seek to derail Man's progress, and (2) Others here who seek to curb Man's abuse of Earth so that they can save Man and the planet's resources. This latter would be the Ancient Ones (and the Elite) who also live here... they were the first Shining Ones. Lastly, many goddesses have helped Man over the millennia, and thus an examination of them and their characteristics (as well as imagery that fits with the general search -- goddesses, serpents, creation, Trees...) and a comparison with Priestesses is made. The Divine Feminine is different from the Sacred Feminine, and the world needs more of the Sacred Feminine, and less Testosterone.

anunnaki gods returning: Ancient Aliens: Marradians and Anunnaki Gary Morgenstein, Ilil Arbel, 2016-12-13 Welcome to the human history you didn't know. A history which the governments of the world don't want you to learn, where humans were pawns of an advanced extraterrestrial race which reshaped our evolutionary cycle through inter-breeding, science and technology. All of us have their DNA. Thirty thousand years ago, two great ancient alien civilizations, the Marradians and the Anunnaki, lived in peace. As much peace as two rivals could muster carving up the Galaxy. Living on the planet Nibiru, they were cousins before the Great Parting, a brutal war fueled by the Anunnaki's insistence that inferior life forms, if gently guided, could thrive in their own endemic image, while Marradians only believed in fealty, the boot and the death stick, or S'ar.The

Anunnaki who had visited Earth thousands of years ago were impossibly handsome. They were considered Gods among the ancient Sumerians, and are mentioned in the Bible as the Nephilim - The Fallen Angels. The Marradians are not all that handsome, but they look human and intermingle easily with us. The Anunnaki do not currently live on Earth. The Marradians, on the other hand, have created stations on Earth. Many of them lived here, mostly underwater, for thousands of years. In their minds, the Marradians own the Earth, and the humans are interlopers. They have bases underwater, in the Pacific, near Puerto Rico, and under Alaska's glaciers. The objects we call USO (Unidentified Submerged Objects) are their dangerous crafts. This is just a sliver of the wealth of knowledge we'll be sharing with you. We'll use ancient texts and new research to finally bring the history, culture, traditions, religion, politics, food, science, technology, songs, sexual practices and customs of the Marradians, along with parallel information about the Anunnaki race since the two cousins' story is so bitterly entwined.

anunnaki gods returning: The Universe from Annunaki to Islam Arafa Algabalawy, 2020-06-13 There are undoubtedly close relations between the Abrahamic religions, where Christianity is recognized as an extension of Judaism, just as Islam recognized as an extension of both, and that the Prophet Muhammad is the last of the prophets and messengers. The question is: What was before Judaism? Zecharia Sitchin answered this question and explained the extent of similarity between what was mentioned by Judaism and what was discovered in the Sumerian land, starting from the landing of human-like creatures on the surface of the earth, called the Anunnaki, and their creation of the first human being on earth at that time, which led to the creation of the current man. However, no one mentioned the extent of the relationship between the Anunnaki and the last Abrahamic religions, which is Islam. The Anunnaki explained how the universe originated in the scripts of Mesopotamia. The texts described the creation of our solar system, stage after stage, then the emergence of a reckless planet from outer space (called Nibiru or Marduk) that was gradually drawn into our solar system, which led to a collision between it and an ancient member of the sun family (Tiamat). The ensuing celestial battle between the invader - Marduk - and the ancient planet - destroyed Tiamat. Half of it was cut into pieces and became a hammered bracelet; the other half turned into a new orbit and became the current planet Earth, with which the moon was attracted. The invader took off in space, despite being drawn to the center of our solar system and was slowed down by the collision, and it now represents the twelfth member of our solar system. It is clear how this changed our sky, and gave our solar system its present form, created the Earth and everything on it. That included the human race. According to the original Sumerian texts, it was Nibiru, who came from another part of the universe, who brought the seed of life and transported it to Earth during the collision. And life continued on Earth, and proceeded in a continued evolution until the Anunnaki invaded the planet, and they needed to accelerate the development of the beings on Earth at that time, which was the primary human (homo erectus). This led to the creation of the thinking human (the present human being). The events continued, until the deluge occurred. After that, divine religions (Abrahamic religions) appeared, and the seal of these religions is Islam. This book discusses the extent of congruence, symmetry and harmony between what Islam said and what was reported by the Anunnaki, who came from space, and their system, civilization and development, and how it affected the events and stories narrated by Islam.
