a court of mist and fury read online: *Dread Nation* Justina Ireland, 2018-04-03 New York Times bestseller; 6 starred reviews! At once provocative, terrifying, and darkly subversive, *Dread Nation* is Justina Ireland's stunning vision of an America both foreign and familiar—a country on the brink, at the explosive crossroads where race, humanity, and survival meet. Jane McKeene was born two days before the dead began to walk the battlefields of Gettysburg, Pennsylvania—derailing the War Between the States and changing the nation forever. In this new America, safety for all depends on the work of a few, and laws like the Native and Negro Education Act require certain children attend combat schools to learn to put down the dead. But there are also opportunities—and Jane is studying to become an Attendant, trained in both weaponry and etiquette to protect the well-to-do. It's a chance for a better life for Negro girls like Jane. After all, not even being the daughter of a wealthy white Southern woman could save her from society's expectations. But that's not a life Jane wants. Almost finished with her education at Miss Preston's School of Combat in Baltimore, Jane is set on returning to her Kentucky home and doesn't pay much mind to the politics of the eastern cities, with their talk of returning America to the glory of its days before the dead rose. But when families around Baltimore County begin to go missing, Jane is caught in the middle of a conspiracy, one that finds her in a desperate fight for her life against some powerful enemies. And the restless dead, it would seem, are the least of her problems. Abundant action, thoughtful worldbuilding, and a brave, smart, and skillfully drawn cast entertain as Ireland illustrates the ignorance and immorality of racial discrimination and examines the relationship between equality and freedom. a court of mist and fury read online: *We Hereby Refuse* Frank Abe, Tamiko F. Nimura, 2021 Three Japanese American individuals with different beliefs and backgrounds decided to resist imprisonment by the United States government during World War II in different ways. Jim Akutsu, considered by some to be the inspiration for John Okada's *No-No Boy*, resisted the draft and argued that he had no obligation to serve the US military because he was classified as an enemy alien. Hiroshi Kashiwagi renounced his United States citizenship and refused to fill out the loyalty questionnaire required by the US government. He and his family were segregated by the government and ostracized by the Japanese American community for being disloyal. And Mitsuye Endo became a reluctant but willing plaintiff in a Supreme Court case that was eventually decided in her favor. These three stories show the devastating effects of the imprisonment, but also how widespread and varied the resistance was. Frank Abe is writer/director of the film on the largest organized resistance to incarceration, *Conscience and the Constitution* (PBS), and co-editor of *JOHN OKADA: The Life and Rediscovered Work of the Author of No-No Boy* (University of Washington Press). His body screams sex appeal, but his condescending personality makes him a classic f*ckboy. And I want nothing to do with that. Writing romance novels comes with its perks-traveling, meeting new people, creating characters from the voices in my head-but Ethan Rochester enters my life and rearranges all my preconceived notions about writing what inspires you.
