Overview of Among the Impostors

"Among the Impostors" is the second installment in the Shadow Children series, written by acclaimed author Margaret Peterson Haddix. This young adult science fiction novel was first published in 2001 and has since captivated readers with its unique take on dystopian society, identity, and survival. The story continues the journey of Luke Garner, a third child living in a society where families are restricted to two children due to population control laws. Amid a backdrop of secrecy and danger, Luke enters a world where he must pretend to be someone he is not, facing new challenges that test his courage and resourcefulness.

The novel stands out for its suspenseful narrative, rich character development, and engaging themes. It is recognized as a staple in young adult literature, particularly for readers interested in dystopian fiction and stories that explore complex moral dilemmas.

The Shadow Children Series

"Among the Impostors" is part of the Shadow Children series, a collection of seven books that follows the lives of illegal third children in a society governed by strict population laws. The series is renowned for its thought-provoking themes and realistic portrayal of fear, hope, and resilience.

Books in the Shadow Children Series

- Among the Hidden
- Among the Impostors

- Among the Betrayed
- Among the Barons
- Among the Brave
- Among the Enemy
- Among the Free

Each book builds upon the narrative established in "Among the Hidden," with "Among the Impostors" focusing on Luke's adaptation to a new environment and the ongoing struggle for safety and identity.

Plot Summary and Setting

The events of "Among the Impostors" unfold shortly after the conclusion of "Among the Hidden." Luke Garner, now using the alias Lee Grant, is sent to Hendricks School for Boys, a boarding school that offers sanctuary for illegal third children. The setting is cloaked in secrecy, with the school itself appearing strange and intimidating to Luke. He faces isolation, confusion, and the constant threat of exposure as he attempts to blend in among his peers—many of whom are also hiding their true identities.

Luke's journey is fraught with challenges: navigating the school's mysterious rules, uncovering hidden truths about the other students, and finding allies in unexpected places. The plot is driven by Luke's determination to survive and protect others like himself, as he learns to trust and lead in a hostile environment.

Main Characters and Development

Character development is a central aspect of "Among the Impostors." The story primarily follows Luke Garner's experiences, but several supporting characters play crucial roles in the narrative.

Luke Garner (Lee Grant)

Luke is the protagonist, forced to assume a new identity to avoid detection. His transformation from a frightened, hidden child to a resourceful leader is a key focus of the novel. Luke's internal struggles and growth mirror the challenges faced by many young readers.

Supporting Characters

- Smits Grant – Another student at Hendricks with connections to Luke's new identity.
- Mr. Talbot – A member of the Population Police, who secretly helps third children.
- Other Students – Each with their own secrets and backgrounds, contributing to the story's complexity.

The interactions between these characters reveal the emotional depth and complexity of living in fear, forging friendships, and making difficult choices under immense pressure.

Major Themes and Symbolism

"Among the Impostors" explores several major themes that resonate with readers of all ages. These themes are woven throughout the narrative, adding layers of meaning to the story.

Identity and Self-Discovery

The concept of identity is central to the novel. Luke's journey is symbolic of the struggle to define oneself in a world that demands conformity and secrecy. The challenges of maintaining a false identity highlight the importance of self-acceptance and personal growth.

Survival and Trust

Survival is a recurring theme, as characters must navigate a dangerous world where trust is scarce. The relationships Luke forms are crucial to his ability to survive and thrive, illustrating the value of trust and cooperation.

Freedom vs. Oppression

The oppressive laws governing population control serve as a metaphor for broader societal constraints. The novel prompts readers to consider the cost of freedom and the consequences of authoritarian rule, making it relevant in discussions about civil rights and individual liberties.

Margaret Peterson Haddix: Author Insights

Margaret Peterson Haddix is a highly respected writer in the realm of children's and young adult literature. Her works are known for their engaging plots, relatable characters, and exploration of ethical dilemmas. Haddix's inspiration for the Shadow Children series came from contemporary debates about government control, personal freedom, and the rights of children.

Her storytelling style combines suspense with emotional depth, making her books accessible to a wide audience. Haddix's commitment to addressing challenging topics has earned her numerous awards and recognition in literary circles.

Critical Reception and Impact

"Among the Impostors" has been praised for its compelling narrative and realistic portrayal of dystopian society. Critics have lauded the book's ability to engage young readers while encouraging them to reflect on important social issues. The novel's influence extends beyond its target audience, with educators and parents recommending it for its educational value and thought-provoking content.

The Shadow Children series, including "Among the Impostors," has become a staple in classroom discussions about government, ethics, and human rights. Its legacy continues as new generations discover the challenges and triumphs of Luke Garner and his peers.

Frequently Asked Questions

Q: What is the main plot of "Among the Impostors"?

A: The main plot follows Luke Garner, an illegal third child, as he adopts a new identity and attends Hendricks School for Boys. He must navigate the challenges of fitting in, protecting his true identity, and helping other hidden children survive in a restrictive society.

Q: Who is the author of "Among the Impostors"?

A: "Among the Impostors" is written by Margaret Peterson Haddix, an award-winning author known for her work in young adult and children's literature.

Q: What are the major themes explored in the novel?

A: The novel explores identity, survival, trust, freedom, and oppression, offering readers a nuanced look at personal and societal challenges within a dystopian setting.

Q: How does "Among the Impostors" fit into the Shadow Children series?

A: It is the second book in the seven-part Shadow Children series, continuing the story of illegal third children and their fight for survival and acceptance.

Q: What is the significance of Hendricks School in the story?

A: Hendricks School serves as a sanctuary for hidden children, but its mysterious rules and isolated environment create new challenges for Luke and his peers.

Q: Are there more books after "Among the Impostors"?

A: Yes, the Shadow Children series includes five additional books, each expanding on the characters' struggles and the world's dystopian elements.

Q: What age group is "Among the Impostors" suitable for?

A: The book is recommended for readers aged 10 and up, particularly those interested in young adult dystopian fiction.

Q: What makes Luke Garner a unique protagonist?

A: Luke's journey from hiding to becoming a leader highlights his resilience, adaptability, and the emotional challenges faced by those forced to live in secrecy.

Q: Has "Among the Impostors" received any awards?

A: While the book itself has not won major awards, Margaret Peterson Haddix has received numerous accolades for her contributions to young adult literature.

Q: Why is "Among the Impostors" considered important in young adult fiction?

A: Its exploration of complex themes and realistic characters makes it a valuable resource for discussions about ethics, government, and personal identity among young readers.

Among the Impostors: Unmasking Deception in a World of Deceit

Have you ever felt a nagging sense of unease, a subtle discord in a seemingly harmonious situation? That feeling, that prickle of suspicion, might be your intuition telling you that you're "among the impostors." This isn't about a specific game; it's about navigating a world increasingly filled with deception, both overt and subtle. This blog post delves into the various forms imposture takes in our modern lives, offering strategies to identify and handle such situations, ultimately empowering you to navigate the complexities of deception with greater confidence and clarity. We'll explore everything from online scams to workplace manipulation, offering practical advice and insightful perspectives.

H2: Understanding the Landscape of Imposture

The term "among the impostors" evokes a sense of mystery and danger. But the reality is, imposture exists in many forms, often cloaked in normalcy. It isn't always a grand conspiracy; sometimes it's the quiet manipulation of a colleague, the subtle misrepresentation in an online advertisement, or the insidious spread of misinformation. Understanding the different faces of imposture is the first step in protecting yourself.

H3: Online Impostors: The Digital Deception

The internet, a boundless realm of information, is also a breeding ground for deception. Phishing emails, fake social media profiles, and elaborate online scams are designed to exploit our trust and extract information or money. These impostors often leverage sophisticated techniques, creating realistic websites and personas to gain your confidence.

H3: Impostors in the Workplace: Navigating Office Politics

The professional world isn't immune to imposture. Colleagues might exaggerate their accomplishments, take credit for others' work, or engage in subtle acts of sabotage. This can create a toxic work environment and hinder individual and team success. Recognizing these manipulative tactics is crucial for maintaining your professional integrity and protecting your career.

H3: Impostors in Personal Relationships: The Trust Betrayal

Perhaps the most damaging form of imposture is found within personal relationships. A friend, family member, or romantic partner might present a false image of themselves, concealing their true nature until it's too late. This can lead to profound emotional distress and fractured trust.

H2: Strategies for Identifying and Handling Impostors

Detecting imposture requires a keen eye and a healthy dose of skepticism. While it's impossible to eliminate all risk, adopting these strategies can significantly reduce your vulnerability:

H3: Verify Information: Don't Take Anything at Face Value

In the age of misinformation, verification is paramount. Cross-reference information from multiple sources, check credentials, and scrutinize claims before accepting them as truth. Don't be afraid to ask questions; genuine individuals are usually happy to provide evidence and clarification.

H3: Trust Your Intuition: Listen to Your Gut Feeling

Your intuition is a powerful tool. If something feels off, even if you can't articulate why, don't dismiss it. Pay attention to red flags, such as inconsistencies in a person's story or evasiveness in answering questions.

H3: Build Strong Networks: Surround Yourself with Trustworthy People

A strong support network can offer valuable insights and guidance. Surround yourself with people you trust and who will provide honest feedback and support.

H3: Document Everything: Keep Records of Suspicious Activity

In cases of suspected fraud or manipulation, maintaining detailed records is essential. Save emails, screenshots, and any other relevant documentation that can help substantiate your claims.

H2: The Power of Critical Thinking in Unmasking Deception

The ability to think critically is your most potent weapon against imposture. This involves questioning assumptions, analyzing information objectively, and recognizing logical fallacies. By honing your critical thinking skills, you'll become more adept at identifying inconsistencies and detecting deception.

Conclusion

Living "among the impostors" is a reality of modern life. However, by understanding the different forms imposture can take, developing strategies for identification, and nurturing your critical thinking skills, you can significantly reduce your vulnerability and navigate the complexities of deception with greater confidence and resilience. Remember that vigilance, skepticism, and a strong support network are your best defenses against the insidious nature of imposture.

FAQs

Q1: How can I protect myself from online scams? Be wary of unsolicited emails or messages, never click on suspicious links, and verify the authenticity of websites before entering personal information.

Q2: What are some signs of a manipulative colleague? Watch for behaviors like taking credit for your work, spreading rumors, or undermining your efforts.

Q3: How can I improve my critical thinking skills? Practice evaluating information from multiple sources, identifying biases, and recognizing logical fallacies.

Q4: What should I do if I suspect someone is impersonating me online? Report the impersonation to the relevant platform (e.g., social media site) and consider contacting law enforcement if necessary.

Q5: How can I rebuild trust after being betrayed by someone I trusted? Focus on self-care, seek support from trusted individuals, and consider professional counseling if needed. The process of rebuilding trust takes time and patience.

among the impostors: Among the Impostors Margaret Peterson Haddix, 2001-12-21 Danger continues to loom over Luke now that he's out of hiding in the second book in bestselling author Margaret Peterson Haddix's Shadow Children series. Luke Garner is an illegal third child. All his life has been spent in hiding. Now, for the first time, Luke is living among others. He has assumed a deceased boy's identity and is attending Hendricks School for Boys, a windowless building with cruel classmates and oblivious teachers. Luke knows he has to blend in, but he lives in constant fear that his behavior will betray him. Then one day Luke discovers a door to the outside. He knows that beyond the walls of Hendricks lie the secrets he is desperate to uncover. What he doesn't know is whom he can trust -- and where the answers to his questions may lead him...

among the impostors: Among the Hidden Margaret Peterson Haddix, 2002-06-12 In a future where the Population Police enforce the law limiting a family to only two children, Luke, an illegal third child, has lived all his twelve years in isolation and fear on his family's farm in this start to the Shadow Children series from Margaret Peterson Haddix. Luke has never been to school. He's never had a birthday party, or gone to a friend's house for an overnight. In fact, Luke has never had a friend. Luke is one of the shadow children, a third child forbidden by the Population Police. He's lived his entire life in hiding, and now, with a new housing development replacing the woods next to his family's farm, he is no longer even allowed to go outside. Then, one day Luke sees a girl's face in the window of a house where he knows two other children already live. Finally, he's met a shadow child like himself. Jen is willing to risk everything to come out of the shadows—does Luke dare to become involved in her dangerous plan? Can he afford not to?

among the impostors: Among the Betrayed Margaret Peterson Haddix, 2011-07-26 In the third installment of Haddix's series about a futuristic society in which families are forbidden to have more than two children, Nina, a secondary character in *Among the Impostors*, is falsely accused of treason and imprisoned by the Population Police. Her interrogator gives her an ultimatum: either she can get three other child prisoners, illegal third-borns like Nina, to reveal who harbored them and where they got their fake identification cards, or she will be executed. Nina sees a chance to escape the prison and, taking the prisoners with her, quickly discovers their street smarts. But when their food supply runs out, Nina seeks the boy she knew as Lee.

among the impostors: Among the Free Margaret Peterson Haddix, 2007-07-24 Alexandria

has just moved to Harlem and her mother is pushing her into ballet and she has stage fright.

among the impostors: Among the Brave Margaret Peterson Haddix, 2010-05-11 In the aftermath of a crisis that threatens the safety of all shadow children -- illegal third-borns in a society that allows only two children per family -- Trey's friends expect him to take charge -- a function he doesn't want or think he can do. Trey's new role leads him to travel with Luke Garner's brother, Mark, to Population Police headquarters. There he impersonates an officer to try to rescue Luke, who has been taken prisoner. The nonstop adventure puts all three boys in danger and risks exposing the underground movement to help all shadow children. In this, the fifth book in the Shadow Children series, Margaret Peterson Haddix returns to the futuristic setting and compelling characters she created in *Among the Hidden*. With an adrenaline-fueled plot and surprising twists, Haddix has again crafted a story that is suspenseful until the last page.

among the impostors: Among the Enemy Margaret Peterson Haddix, 2010-05-11 HIDE OR FIGHT? Matthias, an illegal third child, is caught in the cross fire between rebels and the Population Police. When he unwittingly saves a Population Police officer, Matthias is brought to Population Police headquarters to train as an officer himself. There he meets Nina, another third-born who enlists his help in a plot to undermine the Population Police. But Matthias is under constant scrutiny, and he has no idea whom he can trust. What can one boy do against a wicked bureaucracy?

among the impostors: Among the Barons Margaret Peterson Haddix, 2011-07-26 In this fourth installment of a series about a society that allows only two children per family, Luke Garner is finally adjusting to his new life at Hendricks School as Lee Grant. While the Grants belong to the highest class of society called the Barons, Luke avoids snobbish affectations and befriends his classmates, who are also illegal thirds. When the real Lee Grant's younger brother arrives at the school, along with his fierce body guard, Luke worries that Smits will expose him to the government. However, Smits has come to enlist Luke's help in discovering how his older brother really died, suspecting that he was murdered. The intrigue and danger grow more acute when both boys are called home and Luke discovers that the Grants have plans for him that could turn out to be fatal.

among the impostors: The Three Impostors Arthur Machen, 1895 The Three Impostors; or, The Transmutations is an episodic horror novel by British writer Arthur Machen, first published in 1895 in The Bodley Head's Keynote Series. It was revived in paperback by Ballantine Books as the forty-eighth volume of the Ballantine Adult Fantasy series in June 1972. The novel comprises several weird tales and culminates in a final denouement of deadly horror, connected with a secret society devoted to debauched pagan rites. The three impostors of the title are members of this society who weave a web of deception in the streets of London-relating the aforementioned weird tales in the process-as they search for a missing Roman coin commemorating an infamous orgy by the Emperor Tiberius and close in on their prey: the young man with spectacles. (wikipedia.org)

Abraham Bram Stoker (1847 - 1912) was an Irish novelist and short story writer, best known today for his 1897 Gothic novel Dracula. During his lifetime, he was better known as personal assistant of actor Henry Irving and business manager of the Lyceum Theatre in London, which Irving owned.

among the impostors: Under Their Skin Margaret Peterson Haddix, 2016-01-05 From New York Times bestselling author Margaret Peterson Haddix comes the first book in a "crisp, intriguing, and thought-provoking" (Booklist, starred review) new series about twins who are on a quest to discover the secrets being kept by their new family. Nick and Eryn's mom is getting remarried, and the twelve-year-old twins are skeptical when she tells them their lives won't change much. Well, yes, they will have to move. And they will have a new stepfather, stepbrother, and stepsister. But Mom tells them not to worry. They won't ever have to meet their stepsiblings. This news puzzles Nick and Eryn, so the twins set out on a mission to find out who these kids are—and why they're being kept hidden.

among the impostors: The Shadow Children Margaret Peterson Haddix, 2009-05-05 The first two bestselling Shadow Children books from powerhouse writer Margaret Peterson Haddix, together in one volume. Includes *Among the Hidden* and *Among the Impostors*.

among the impostors: Impostors Sarah Burton, 2000

among the impostors: Leaders, Fools and Impostors Manfred F. R. Kets de Vries, 2003 In this book of insightful essays, Kets de Vries explodes the myth that rationality is what governs the behavior of leaders and followers, and he provides a more realistic perspective on organizational functioning and the leader-follower relationship. The author shows that a great potential for distortion exists when leaders try to act out the fantasies of their followers, and explores the many psychological traps into which leaders frequently fall. Citing examples from business, history, literature, the arts, and from his own psychoanalytic and management-consulting practise, the author identifies distinct leader types. He describes, for instance, the narcissist whose drive for power and prestige can bring much-needed vitality to an organization, but whose inability to accept criticism ultimately creates a climate of subservience. He shows that entrepreneurs possess many of the qualities of the impostor, including a capacity for self-dramatization and a deep understanding of how to profit by others' wishes and desires, and he explains why entrepreneurs sometimes distort the truth about themselves and their organizations. Through numerous case studies of successful and failed leaders, *Leaders, Fools, and Impostors* furthers a better understanding of the leader-follower dynamic, and gives leaders the means to transform themselves.

among the impostors: The Impostor's Daughter Laurie Sandell, 2014-05-21 Describes the author's youth as the daughter of a man who shared fantastical tales about his privileged Buenos Aires youth, Vietnam heroism, and celebrity friendships, and her astonishment upon learning that her father fabricated many of his experiences.

among the impostors: Counterfeit Christs Trent Horn, 2019-04-15

among the impostors: Hannibal and Me Andreas Kluth, 2012-01-05 A dynamic and exciting way to understand success and failure, through the life of Hannibal, one of history's greatest generals. The life of Hannibal, the Carthaginian general who crossed the Alps with his army in 218 B.C.E., is the stuff of legend. And the epic choices he and his opponents made on the battlefield and elsewhere in life offer lessons about responding to our victories and our defeats that are as relevant today as they were more than 2,000 years ago. A big new idea book inspired by ancient history, *Hannibal and Me* explores the truths behind triumph and disaster in our lives by examining the decisions made by Hannibal and others, including Albert Einstein, Eleanor Roosevelt, Steve Jobs, Ernest Shackleton, and Paul Cézanne—men and women who learned from their mistakes. By showing why some people overcome failure and others succumb to it, and why some fall victim to success while others thrive on it, *Hannibal and Me* demonstrates how to recognize the seeds of success within our own failures and the threats of failure hidden in our successes. The result is a

page-turning adventure tale, a compelling human drama, and an insightful guide to understanding behavior. This is essential reading for anyone who seeks to transform misfortune into success at work, at home, and in life.

among the impostors: Shatter City Scott Westerfeld, 2019-09-05 Return to the stunning world of IMPOSTORS in this new book by global bestselling author Scott Westerfeld. When the world sees Frey, they think they see her twin sister Rafi. Frey was raised to be Rafi's double, and now she's taken on the role . . . without anyone else knowing. Her goal? To destroy the forces that created her. But with the world watching and a rebellion rising, Frey is forced into a detour. Suddenly she is stranded on her own in Paz, a city where many of the citizens attempt to regulate their emotions through an interface on their arms. Paz is an easy place to get lost . . . and also an easy place to lose yourself. As the city comes under a catastrophic attack, Frey must leave the shadows and enter the chaos of warfare - because there is no other way for her to find her missing sister and have her revenge against her murderous father.

among the impostors: The Giver Lois Lowry, 2014 The Giver, the 1994 Newbery Medal winner, has become one of the most influential novels of our time. The haunting story centers on twelve-year-old Jonas, who lives in a seemingly ideal, if colorless, world of conformity and contentment. Not until he is given his life assignment as the Receiver of Memory does he begin to understand the dark, complex secrets behind his fragile community. This movie tie-in edition features cover art from the movie and exclusive Q&A with members of the cast, including Taylor Swift, Brenton Thwaites and Cameron Monaghan.

among the impostors: Passing for Perfect erin Khuê Ninh, 2021-07-30 What is it about model-minority identity that is so hard to let go of? What is so enthralling about its high-achieving gloss-or terrifying about its reputational loss-that could drive someone to pose as a student (at Stanford, or medical school...), or even to murder?--

among the impostors: The Secret Thoughts of Successful Women Valerie Young, 2011-10-25 Learn to take ownership of your success, overcome self-doubt, and banish the thought patterns that undermine your ability to feel—and act—as bright and capable as others already know you are with this award-winning book by Valerie Young. It's only because they like me. I was in the right place at the right time. I just work harder than the others. I don't deserve this. It's just a matter of time before I am found out. Someone must have made a terrible mistake. If you are a working woman, chances are this internal monologue sounds all too familiar. And you're not alone. From the high-achieving Ph.D. candidate convinced she's only been admitted to the program because of a clerical error to the senior executive who worries others will find out she's in way over her head, a shocking number of accomplished women in all career paths and at every level feel as though they are faking it—impostors in their own lives and careers. While the impostor syndrome is not unique to women, women are more apt to agonize over tiny mistakes, see even constructive criticism as evidence of their shortcomings, and chalk up their accomplishments to luck rather than skill. They often unconsciously overcompensate with crippling perfectionism, overpreparation, maintaining a lower profile, withholding their talents and opinions, or never finishing important projects. When they do succeed, they think, Phew, I fooled 'em again. An internationally known speaker, Valerie Young has devoted her career to understanding women's most deeply held beliefs about themselves and their success. In her decades of in-the-trenches research, she has uncovered the often surprising reasons why so many accomplished women experience this crushing self-doubt. In *The Secret Thoughts of Successful Women*, Young gives these women the solution they have been seeking. Combining insightful analysis with effective advice and anecdotes, she explains what the impostor syndrome is, why fraud fears are more common in women, and how you can recognize the way it manifests in your life.

among the impostors: The School for Whatnots Margaret Peterson Haddix, 2022-03-01 From master of suspense author Margaret Peterson Haddix comes another page-turning stand-alone adventure perfect for fans of *Cog* and *Bad Magic*. No matter what anyone tells you, I'm real. That's what the note says that Max finds under his keyboard. He knows that his best friend, Josie, wrote it.

He'd know her handwriting anywhere. But why she wrote it—and what it means—remains a mystery. Ever since they met in kindergarten, Max and Josie have been inseparable. Until the summer after fifth grade, when Josie disappears, leaving only a note, and whispering something about “whatnot rules.” But why would Max ever think that Josie wasn't real? And what are whatnots? As Max sets to uncover what happened to Josie—and what she is or isn't—little does he know that she's fighting to find him again, too. But there are forces trying to keep Max and Josie from ever seeing each other again. Because Josie wasn't supposed to be real. This middle grade thriller from Margaret Peterson Haddix delves into the power of privilege, the importance of true friendship, and the question of humanity and identity. Because when anyone could be a whatnot, what makes a person a real friend—or real at all?

among the impostors: Remarkables Margaret Peterson Haddix, 2019-09-24 New York Times bestselling author Margaret Peterson Haddix, the master of cliffhangers, delivers a pulse-pounding mystery perfect for fans of Jacqueline West and Kat Yeh, full of secrets, surprises, and the power of family. One minute they're there: laughing and having fun at the house next door. The next minute, the teens are gone. Like magic. Marin can't believe her eyes. Who are they? Can anyone else see them? What makes them so happy? Marin is lonely in this new town of hers and eager to figure out more. Then she meets Charley, who reveals that he knows about them, too. He calls them the “Remarkables.” Charley warns her to stay away from the Remarkables—and him. Charley and Marin both have painful secrets they're holding on to, but could solving the mystery of the Remarkables help them both? In addition to building an intriguing world filled with mystery, Haddix also grounds the story with real issues that many children face. Characters deal with the complexities of bullying, the guilt children experience when parents have addiction issues, and the uplifting power found in strong families of all shapes and sizes.

among the impostors: Game Master: Mansion Mystery Rebecca Zamolo, Matt Slays, 2022-03-01 New York Times bestselling authors and creators of the mega-popular YouTube series Game Master Network Matt and Rebecca Zamolo return with a brand-new adventure about everyone's favorite mystery-solving team. Rebecca Zamolo has managed to foil the Game Master's plans before, but this time the Game Master has snake-napped Nacho, her good friend Miguel's pet. No way is Becca going to let the Game Master get away with this dastardly plan. But when the clues lead Becca and her new friends in the direction of the one house in their entire neighborhood that none of them ever want to go near, they know they have no choice but to screw up their courage and dare to investigate, if they want to rescue Nacho. But the problem is that getting into the superspooky house is way easier than getting out. The Game Master is up to their old tricks, and Becca, Matt, Kylie, Frankie, and Miguel are going to have to face their fears and use all their smarts and strengths to solve the puzzles and games and save the day. Mansion Mystery is another action-packed adventure from New York Times bestselling authors and super-sleuthing team Rebecca and Matt Zamolo, stars of the hugely popular Game Master Network. Read the book and unlock special clues that will open exclusive content online!

among the impostors: Legacy and the Double Kobe Bryant, Annie Matthew, 2021-08-24 Kobe Bryant's legacy of uplifting and inspiring young athletes continues in this highly anticipated follow-up to the #1 New York Times bestseller Legacy and the Queen. Legacy Petrin is a national tennis champion, but she doesn't feel like one. At the orphanage where she grew up, far from the city where she learned to shine, Legacy struggles to focus on her training. Her famous magical inner light dims and darkens until she barely recognizes herself. Then a girl who looks exactly like Legacy—same burlap dress, same signature glow—starts playing in Legacy's name. She wins matches in the city, makes charming speeches in support of “Queen” Silla, and gains a devoted following. Soon, Silla issues a decree against impersonating champions, which means that the real Legacy could be arrested simply for looking like herself. To reclaim her name and her identity, Legacy has no choice but to compete in disguise . . . until she can rise through the ranks, face off against her imposter, and prove that she is the one and only Legacy Petrin—a champion who was born to shine.

among the impostors: The Impostors Steve Benen, 2020-06-16 NATIONAL BESTSELLER, updated with a new afterword "This is the definitive account of what has gone wrong in our two-party system, and how our democracy has to adapt to survive it. I can't say it in strong enough terms: Read. This. Book." —RACHEL MADDOW The award-winning producer of The Rachel Maddow Show exposes the Republican Party as a gang of impostors, meticulously documenting how they have abandoned their duty to govern and are gravely endangering America For decades, American voters innocently assumed the two major political parties were equally mature and responsible governing entities, ideological differences aside. That belief is due for an overhaul: in recent years, the Republican Party has undergone an astonishing metamorphosis, one so baffling and complete that few have fully reckoned with the reality and its consequences. Republicans, simply put, have quit governing. As MSNBC's Steve Benen charts in his groundbreaking new book, the contemporary GOP has become a post-policy party. Republicans are effectively impostors, presenting themselves as officials who are ready to take seriously the substance of problem solving, but whose sole focus is the pursuit and maintenance of power. Astonishingly, they are winning—at the cost of pushing the political system to the breaking point. Despite having billed itself as the party of ideas, the Republican Party has walked away from the hard but necessary work of policymaking. It is disdainful of expertise and hostile toward evidence and arithmetic. It is tethered to few, if any, meaningful policy preferences. It does not know, and does not care, about how competing proposals should be crafted, scrutinized, or implemented. This policy nihilism dominated the party's posture throughout Barack Obama's presidency, which in turn opened the door to Donald Trump -- who would cement the GOP's post-policy status in ways that were difficult to even imagine a few years earlier. The implications of this approach to governance are all-encompassing. Voters routinely elect Republicans such as Mitch McConnell and Ted Cruz to powerful offices, expecting GOP policymakers to have the technocratic wherewithal to identify problems, weigh alternative solutions, forge coalitions, accept compromises, and apply some level of governmental competence, if not expertise. The party has consistently proven those hopes misguided. The result is an untenable political model that's undermining the American policymaking process and failing to serve the public's interests. The vital challenge facing the civil polity is coming to terms with the party's collapse as a governing entity and considering what the party can do to find its policymaking footing anew. The Impostors serves as a devastating indictment of the GOP's breakdown, identifying the culprits, the crisis, and its effects, while challenging Republicans with an imperative question: Are they ready to change direction? As Benen writes, A great deal is riding on their answer.

among the impostors: The Impostor Damon Galgut, 2009-01-06 An "unsettling and engaging" novel about contemporary South Africa, from the Man Booker Prize-winning author of The Promise (The Telegraph). Adam Napier leaves Johannesburg looking for a fresh start. Jobless and directionless, but with a head full of literary ambitions, he moves into his brother's dilapidated house on the edge of a backwater town. One day he encounters Canning, a man who claims Adam saved his life in their school days. Adam does not remember him at all. But he plays along and, for a time, enjoys all that Canning has: a vast fortune and game preserve inherited from his father, and a beautiful, mysterious younger wife to whom Adam is compulsively, dangerously drawn. "An antipastoral, post-apartheid noir" (Publishers Weekly) by "a worthy heir to Gordimer and Coetzee", The Impostor evokes a glittering world of the moneyed old guard, newly empowered black Africans, and the betrayal and obsessions hiding in the shadows of the new South African dream (The Guardian, UK).

among the impostors: If - Rudyard Kipling, 1918

among the impostors: About the Author John Colapinto, 2009-03-17 From the author of the New York Times bestseller As Nature Made Him comes a "clever and entertaining first novel."—Elle Despite a severe case of writer's block, Cal Cunningham dreams of writing a novel that will permit him to escape from his life as a penniless stockboy in dirty and dangerous upper Manhattan bookstore. However, when his roommate is suddenly killed in a bicycle accident, Cal is suddenly the author of a page-turning autobiography. Propelled to the top of the bestseller lists with million-dollar

movie deals, Cal finds that he has realized his most outlandish fantasies of literary success. That is, until he discovers that someone knows his secret. A searingly funny psychological thriller, *About the Author* delves into the excesses of the publishing world and shows that sometimes the difference between reality and imagination can be fatal.

among the impostors: Onward Russell D. Moore, Russell Moore, 2015-08 Christianity Today Beautiful Orthodoxy Book of the Year in 2016. Keep Christianity Strange. As the culture changes all around us, it is no longer possible to pretend that we are a Moral Majority. That may be bad news for America, but it can be good news for the church. What's needed now, in shifting times, is neither a doubling-down on the status quo nor a pullback into isolation. Instead, we need a church that speaks to social and political issues with a bigger vision in mind: that of the gospel of Jesus Christ. As Christianity seems increasingly strange, and even subversive, to our culture, we have the opportunity to reclaim the freakishness of the gospel, which is what gives it its power in the first place. We seek the kingdom of God, before everything else. We connect that kingdom agenda to the culture around us, both by speaking it to the world and by showing it in our churches. As we do so, we remember our mission to oppose demons, not to demonize opponents. As we advocate for human dignity, for religious liberty, for family stability, let's do so as those with a prophetic word that turns everything upside down. The signs of the times tell us we are in for days our parents and grandparents never knew. But that's no call for panic or surrender or outrage. Jesus is alive. Let's act like it. Let's follow him, onward to the future.

among the impostors: Palace of Mirrors Margaret Peterson Haddix, 2010-02-09 Cecelia looks like a peasant girl and lives in a village so small that it's not even on the map. But she knows that secretly, she is the true princess, hidden away as a baby to be kept safe from the enemies of the kingdom. A commoner named Desmia was placed on the throne as a decoy. Cecelia has always known that when it was safe, she would be taken out of hiding and returned to her rightful place on the throne. Then danger finds her in her village, and Cecelia has to act. With the help of her best friend Harper, she decides to take matters into her own hands, relieve Desmia of the crown, and take up her own rule. But when they venture from their small village to the capital city and into the famed Palace of Mirrors, Harper and Cecelia discover that all is not as it seems, and that they have placed themselves in more danger than ever before.

among the impostors: Double Identity Margaret Peterson Haddix, 2008-06-20 So my only protection is a kindergarten teacher and a ninety-eight-pound female minister....And they don't even believe I'm in danger. As Bethany approaches her thirteenth birthday, her parents begin acting more oddly than usual: Her mother cries constantly, and her father barely lets Bethany out of his sight. Then one morning he hustles the entire family into the car, drives across several state lines -- and leaves Bethany with an aunt she never knew existed. Bethany has no idea what's going on. She's worried that her mom and dad are running from some kind of trouble, but she can't find out because they won't tell her where they are going. Bethany's only clue is a few words she overheard her father tell her aunt Myrlie: She doesn't know anything about Elizabeth. But Aunt Myrlie won't tell Bethany who Elizabeth is, and she won't explain why people in her small town react to Bethany as if they've seen a ghost. The mystery intensifies when Bethany gets a package from her father containing four different birth certificates from four states, with four different last names -- and thousands of dollars in cash. And when a strange man shows up asking questions, Bethany realizes she's not the only one who's desperate to unravel the secrets of her past. In this exhilarating thriller, Margaret Peterson Haddix crafts a taut story so full of twists and turns, readers will be gripped until the startling conclusion.

among the impostors: Greystone Secrets #2: The Deceivers Margaret Peterson Haddix, 2020-04-07 The second book in the Greystone Secrets series from the master of plot twists, Margaret Peterson Haddix—perfect for fans of *A Wrinkle in Time* and *The City of Ember*! Until their mother vanished, the Greystone kids—Chess, Emma, and Finn—knew nothing about the other world. Everything is different there. It's a mirror image, except things are wrong. Evil. Their mother tried to fix it, but she and an ally got trapped there along with Ms. Morales, their friend Natalie's mom.

Now the four kids—brave Chess, smart Emma, kind Finn, and savvy Natalie—are determined to rescue everyone. To do so, they have to go back: into the other world, where even telling the truth can be illegal. But in such a terrifying place, Chess doubts he can ever be brave enough. Despite all her brains, Emma can't seem to break the code. With everything spiraling out of control, Finn has to pretend he's okay. And for Natalie, the lies of the other world include some she wishes were actually true. What if she's gotten so used to lying she no longer knows what to believe? The second book in the Greystone Secrets series, *The Deceivers*, by bestselling author Margaret Peterson Haddix, continues the twisty and suspenseful story of the Greystone kids and examines the power of the truth—or a lie—to alter lives, society, and even an entire reality. Praise for Greystone Secrets #1: *The Strangers* *Winter 2018-2019 Kids' Indie Next List Pick* "A secret-stacked, thrilling series opener." —Publishers Weekly, starred review "An engrossing mystery with a cliff-hanger ending to raise the stakes and delight fans new and old." —Booklist "Maintains suspense from the beginning to the cliffhanger ending. A high-stakes adventure full of teamwork with a multifaceted mystery and complex themes." —Kirkus Reviews

among the impostors: Wake Up Missing Kate Messner, 2013-09-10 Four kids . . . Two weeks in the Florida Everglades . . . One top-secret science experiment that could change them and the world as they know it . . . Meet football-star Quentin, hockey-player Sarah, horse-lover Ben, and artistic bird-watcher Cat. The four have little in common-except the head injuries that landed them in an elite brainscience center in the wild swamps of Florida. The clinic promises to return their lives to normal, but as days pass, the kids notice strange side effects and unexplained changes. Something about this clinic isn't right, and if they can't overcome their injuries--and their differences--to escape, they could lose themselves forever. . . .

among the impostors: Long Lost Jacqueline West, 2021-05-18 "Perfect to be read late into the night."—Stefan Bachmann, internationally bestselling author of *The Peculiar* "A spooky sisterhood mystery that is sure to be a hit with readers."—School Library Journal (starred review) "Grab a flashlight and stay up late with this one."—Kirkus Reviews Once there were two sisters who did everything together. But only one of them disappeared. New York Times-bestselling author Jacqueline West's *Long Lost* is an atmospheric, eerie mystery brimming with suspense. Fans of Katherine Arden's *Small Spaces* and Victoria Schwab's *City of Ghosts* series will lose themselves in this mesmerizing and century-spanning tale. Eleven-year-old Fiona has just read a book that doesn't exist. When Fiona's family moves to a new town to be closer to her older sister's figure skating club—and far from Fiona's close-knit group of friends—nobody seems to notice Fiona's unhappiness. Alone and out of place, Fiona ventures to the town's library, a rambling mansion donated by a long-dead heiress. And there she finds a gripping mystery novel about a small town, family secrets, and a tragic disappearance. Soon Fiona begins to notice strange similarities that blur the lines between the novel and her new town. With a little help from a few odd Lost Lake locals, Fiona uncovers the book's strange history. Lost Lake is a town of restless spirits, and Fiona will learn that both help and danger come from unexpected places—maybe even from the sister she thinks doesn't care about her anymore. New York Times-bestselling and acclaimed author Jacqueline West weaves a heart-pounding, intense, and imaginative mystery that builds anticipation on every page, while centering on the strong and often tumultuous bond between sisters. Laced with suspense, *Long Lost* will fascinate readers of Trenton Lee Stewart's *The Secret Keepers* and fans of ghost stories.

among the impostors: The Impostor Phenomenon Pauline Rose Clance, 1985

THE ANSWERS TO THE QUESTIONS ARE PROVIDED AT THE END OF EACH PAGE, MAKING IT EASY FOR PARTICIPANTS TO VERIFY THEIR ANSWERS AND PREPARE EFFECTIVELY.

among the impostors: Defending the Faith Against Present Heresies John R T Lamont, Claudio Pierantoni, 2021-03-08 From the day Jorge Bergoglio stepped out on the loggia of St. Peter's down to the present, Catholics have been confused and dismayed by many of the words and actions of Pope Francis. Not content to allow errors to be spread (whatever their source or putative justification), international groups of pastors and scholars composed documents of inquiry, appeal, critique, and, finally, accusation: the Dubia of the Four Cardinals, the Theological Censures of Amoris Laetitia, the Filial Correction Concerning the Propagation of Heresies, the Open Letter to the Bishops of the Catholic Church, the Appeal to the Cardinals, and the Protest against Pope Francis's Sacrilegious Acts. These historic interventions, which made news around the world at the time of their first appearance and garnered the support of hundreds of thousands of concerned Catholics, are gathered here in a definitive edition for the benefit of all who seek to adhere to the faith delivered once for all to the saints (Jude 3). The six documents are accompanied by a selection of important articles and interviews prompted by them, which criticize, defend, or develop their evaluation of Pope Francis.

among the impostors: Invasion of the Body Snatchers Don Siegel, Albert J. LaValley, 1989 Invasion of the Body Snatchers (1956) is a low-budget science fiction film that has become a classic. The suspense of the film lies in discovering, along with Miles, the central character (played by Kevin McCarthy), who is real and who is not, and whether Miles and Becky (played by Dana Wynter) will escape the pod takeover. As the center of the film moves outward from a small-town group of neighbors to the larger political scene and institutional network (of police, the FBI, hospital workers), the ultimate question is whether they have taken over altogether. Although Invasion can be interpreted in interesting ways along psychological and feminist lines, its importance as a text has centered primarily on political and sociological readings. In his introduction to this volume, Al LaValley explores the politics of the original author of the magazine serial story on which the film is based, Don Siegel; and of its screenwriter, Daniel Mainwaring. And he looks at the ways the studio (Allied Artists) tried to neutralize certain readings by tacking on an explanatory frame story. The commentary section includes readings by Stephen King, Peter Biskind, Nora Sayre, and Peter Bogdanovich. A section of postproduction documents reproduced here (many for the first time) includes many written by Wanger and Siegel. The volume also contains two previously unpublished framing scripts written for Orson Welles. For students and individual enthusiasts, the contextual materials are particularly interesting in showing how crucial the postproduction history of a film can be. A filmography and bibliography are also included in the volume. Al LaValley is the director of film studies at Dartmouth. He is the author of many articles on film and editor of Mildred Pierce in the Wisconsin screenplay series.
