And while Red London is caught up in the pageantry and thrills of the Element Games, another London is coming back to life, and those who were thought to be forever gone have returned. *A Conjuring of Light* — As darkness sweeps the Maresh Empire, the once precarious balance of power among the four Londons has reached its breaking point. That should've been my first sign. I write about guys just like him for a living-sexy and charming, yet reluctant to get into a serious relationship. His body screams sex appeal, but his condescending personality makes him a classic f*ckboy. And I want nothing to do with that. Writing romance novels comes with its perks-traveling, meeting new people, creating characters from the voices in my head-but Ethan Rochester enters my life and rearranges all my preconceived notions about writing what inspires you. One week is all it took. One week to realize that not everything is as it seems. One week with the bad boy, and I wanted more.
