Origins of the Annunaki in Sumerian Mythology

The story of the Annunaki begins in ancient Mesopotamia, specifically within the rich tapestry of Sumerian mythology. The Sumerians inhabited the region known today as Iraq, and their civilization flourished around 4,000 BCE. Their cuneiform tablets and religious texts reference the Annunaki as a group of powerful deities who played integral roles in the creation and governance of the world. The very word "Annunaki" translates to "those who came from heaven to earth," suggesting a celestial origin that has intrigued researchers and inspired countless theories related to extraterrestrial contact.

These ancient texts, including the Enuma Elish and the Epic of Gilgamesh, describe the Annunaki as intermediaries between the higher gods and humanity. Their stories often intertwine with themes of creation, judgment, and cosmic order, laying the foundation for later mythologies in the region. The prominence of the Annunaki in Sumerian lore makes them a focal point for those exploring the possibility of ancient advanced beings influencing early human development.

The Annunaki: Their Role and Significance

Hierarchy and Divine Powers

Within the Sumerian pantheon, the Annunaki are depicted as a council of gods, each with specific domains and responsibilities. They were believed to control aspects of nature, society, and fate. The chief among them included Anu, the sky god; Enlil, the god of air and command; and Enki, the god of water and wisdom. This divine hierarchy was essential for maintaining order in both the heavens and on earth.

Influence on Human Affairs

The Annunaki are credited with shaping human destiny and imparting knowledge to mankind. According to various myths, they helped design cities, establish laws, and even intervene in human affairs during times of crisis. Their presence in ancient texts has led some researchers to speculate about their true nature—were they merely symbolic representations of natural forces, or could they have been advanced beings visiting early civilizations?

Nibiru: The Mysterious Planet

Ancient References to Nibiru

Nibiru is a term found in Babylonian and Akkadian texts, often interpreted as a celestial body or gateway. In these ancient sources, Nibiru was associated

with planetary movements, particularly Jupiter and Mercury, but also occasionally described as a wandering or rogue planet. The concept of Nibiru as a distinct planet gained prominence through later interpretations, especially in the 20th century.

Modern Theories Surrounding Nibiru

The idea of Nibiru as a hidden or incoming planet was popularized by authors such as Zecharia Sitchin, who claimed that ancient texts describe Nibiru as a massive planet with an elongated orbit, entering the solar system every few thousand years. According to these theories, Nibiru's approach is said to cause cataclysmic events on Earth, and its inhabitants—the Annunaki—are believed to have interacted with humans to accelerate technological and genetic advancements.

Connections Between Annunaki and Nibiru

Extraterrestrial Theories and Ancient Astronaut Hypotheses

A significant portion of the annunaki and nibiru discourse centers on the belief that the Annunaki were extraterrestrials from Nibiru. Proponents argue that ancient texts and artifacts contain evidence of advanced technology and knowledge, supporting the notion that these beings descended from a distant planet. Sitchin's interpretations suggest that the Annunaki came to Earth to mine gold, eventually creating humans through genetic engineering to assist in their labor.

Influence on Human Civilization

The supposed connection between Annunaki and Nibiru has led to speculation about the origins of human intelligence, societal structures, and even genetic makeup. Some believe that the Annunaki's intervention accelerated the development of agriculture, architecture, and written language, leaving behind clues encoded in myth and ancient monuments worldwide.

Modern Interpretations and Ancient Astronaut Theories

Zecharia Sitchin and His Legacy

Zecharia Sitchin's books, starting with "The 12th Planet," brought the annunaki and nibiru narrative into mainstream consciousness. Sitchin claimed that Sumerian texts described Nibiru as a planet beyond Pluto, inhabited by technologically advanced beings who visited Earth thousands of years ago. His works have been widely read but also criticized by academic circles for their unconventional translations and speculative connections.

Ancient Astronauts in Popular Discourse

The ancient astronaut theory, which posits that extraterrestrials influenced early human societies, frequently cites the Annunaki and Nibiru as key evidence. This theory has been featured in documentaries, television series, and books, sparking public interest and debate. While mainstream science has not endorsed these claims, the narrative continues to captivate audiences worldwide.

2. Public fascination with ancient mysteries
3. Scientific skepticism and calls for critical analysis

Impact on Popular Culture and Contemporary Beliefs

Media Representation

The annunaki and nibiru have become staples in science fiction, conspiracy theories, and pseudoarchaeological discussions. They appear in documentaries, novels, movies, and online forums, often depicted as ancient rulers or visiting aliens responsible for human advancement. The blend of myth and speculation has made these concepts enduring elements of pop culture.

Modern Spiritual and New Age Movements

In the realm of New Age spirituality, the Annunaki and Nibiru are sometimes linked to prophecies of planetary awakening or impending doom. Some groups believe that understanding the Annunaki's message could unlock hidden human potential or prepare humanity for cosmic changes associated with Nibiru's return.

Common Misconceptions and Scientific Perspectives

Misinterpretation of Ancient Texts

Many misconceptions about annunaki and nibiru stem from misreadings or reinterpretations of ancient sources. Linguistic experts and historians caution against taking speculative translations at face value. While the Annunaki were indeed central to Sumerian mythology, there is no direct evidence in ancient texts describing them as extraterrestrials or linking them explicitly to a planet called Nibiru.

Scientific Consensus on Nibiru

Astronomers have repeatedly stated that there is no observational evidence for a massive, undiscovered planet entering our solar system on a catastrophic trajectory. The so-called "Nibiru cataclysm" has been debunked by planetary scientists, who explain that any large body on such an orbit would have been detected by now. The scientific community encourages a critical approach to claims about annunaki and nibiru, focusing on archaeological and astronomical data rather than speculation.

Annunaki and Nibiru: Unraveling the Mysteries of Ancient Astronaut Theories

The whispers of ancient astronauts, celestial gods, and a catastrophic planet named Nibiru have captivated imaginations for decades. This intriguing blend of mythology, archaeology, and pseudoscience continues to spark debate and intense interest. This post delves into the captivating world of the Annunaki and Nibiru, exploring their intertwined narratives, examining the evidence (or lack thereof), and dissecting the controversies surrounding these enigmatic concepts. We will explore the origins of these ideas, analyze the claims made by proponents, and critically assess the scientific validity of their assertions. Get ready to embark on a journey through the fascinating, and often controversial, landscape of ancient astronaut theories.

The Annunaki: Gods or Extraterrestrials?

The Annunaki, originating from Sumerian mythology, are described as powerful deities who descended from the heavens. Their stories, etched onto ancient cuneiform tablets, depict them as shaping humanity, bestowing knowledge, and even engaging in genetic manipulation. Proponents of ancient astronaut theories interpret these narratives not as mythological tales, but as historical accounts of extraterrestrial visitors who influenced the development of human civilization. They point to advanced Sumerian knowledge of astronomy, mathematics, and agriculture as evidence of extraterrestrial intervention.

Interpreting Sumerian Texts: A Matter of Perspective

It's crucial to acknowledge that the interpretation of Sumerian texts is complex and often subjective. While some scholars find potential parallels between the Annunaki myths and extraterrestrial contact scenarios, many others view them as purely mythological narratives reflecting the societal structures and beliefs of the Sumerians. The lack of concrete archaeological evidence supporting the claims of extraterrestrial intervention necessitates a cautious approach to these interpretations.

The Genetic Manipulation Claim: Examining the Evidence

A popular claim within ancient astronaut theories revolves around the Annunaki's alleged genetic manipulation of early humans. Proponents often point to unexplained genetic anomalies in the human genome as potential evidence of this intervention. However, the scientific community largely attributes these anomalies to natural evolutionary processes, stressing the lack of credible scientific evidence supporting the claims of extraterrestrial genetic engineering.

Nibiru: The Planet of Catastrophe

The planet Nibiru, also known as Planet X, plays a central role in many ancient astronaut theories. According to these theories, Nibiru is a large, undiscovered planet orbiting our Sun on a highly elliptical orbit, periodically passing through our solar system and causing catastrophic events on Earth. These events are often cited as the explanations for past floods, earthquakes, and other cataclysms.

The Search for Planet X: Scientific Perspectives

While astronomers have searched extensively for Planet X, no evidence of such a planet has been found. The gravitational effects of a large planet like Nibiru would be readily detectable, yet none have been observed. The existence of Nibiru, as depicted in these theories, is therefore widely rejected by the scientific community.

Nibiru and the Annunaki: A Symbiotic Narrative

The narratives surrounding Nibiru and the Annunaki are often intertwined. Some theories posit that the Annunaki originated from Nibiru and that their visits to Earth were tied to the planet's cyclical passages through our solar system. This interconnected narrative enhances the intrigue but also amplifies the reliance on speculative interpretations.

The Controversy and Critical Analysis

The theories surrounding the Annunaki and Nibiru remain highly controversial. While they hold a certain captivating allure, it's crucial to approach them with a critical and skeptical mindset. The lack of verifiable evidence, the subjective interpretation of ancient texts, and the contradiction with established scientific knowledge necessitate a cautious approach. The popularity of these theories often stems from a desire to explain unexplained phenomena and a fascination with the possibility of extraterrestrial life.

Conclusion

The Annunaki and Nibiru remain fascinating subjects for exploration, driving curiosity and fueling debate. While the narratives woven around these concepts are intriguing, it is essential to maintain a critical perspective. The absence of concrete scientific evidence and the reliance on subjective interpretations of ancient texts require a cautious approach to these claims. While the possibility of extraterrestrial life remains a captivating subject of scientific inquiry, it's crucial to distinguish between compelling narratives and demonstrable evidence.

Frequently Asked Questions (FAQs)

Q1: Is there any scientific evidence to support the existence of the Annunaki?

A1: No, there is no credible scientific evidence supporting the existence of the Annunaki as extraterrestrial beings. The interpretations of Sumerian texts supporting this theory are highly

debated and often lack a consensus within the academic community.

Q2: What is the scientific consensus on the existence of Nibiru?

A2: The scientific community overwhelmingly rejects the existence of Nibiru as depicted in ancient astronaut theories. No astronomical observations have supported its existence, and its gravitational effects would be readily detectable.

Q3: Why are these theories so popular despite the lack of evidence?

A3: The popularity of these theories stems from a combination of factors, including the human desire to understand our origins, a fascination with extraterrestrial life, and a skepticism towards mainstream scientific explanations. These theories often offer captivating narratives that appeal to a wide audience.

Q4: Could there be other explanations for the advanced knowledge of ancient civilizations?

A4: Yes, there are many alternative explanations for the advanced knowledge of ancient civilizations, such as gradual technological advancement, cultural exchange, and the rediscovery of lost knowledge. Attributing advanced knowledge solely to extraterrestrial intervention ignores the complex processes of cultural and technological evolution.

Q5: Are there any reputable academic sources that support these theories?

A5: No, there are no reputable academic sources within the mainstream scientific community that support the existence of the Annunaki or Nibiru as depicted in ancient astronaut theories. While individual researchers may explore these topics, their work generally lacks widespread acceptance within the scientific community due to a lack of credible evidence.

annunaki and nibiru: Anunnaki Homeworld Jason M. Breshears, 2011-11 The Anunnaki is a legendary race that appears in the oldest documents preserved by mankind. They are said to inhabit an outermost planet that orbits our sun in an extremely elliptical orbit. Each time this planet gets near to the earth it creates planetary cataclysms. Many researchers claim it will be returning soon. The work of Zecharia Sitchin, author of the Earth Chronicles series of books, focuses on the Anunnaki and their previous visits. Many have asked Sitchin, When will this planet return? He never gave an exact date, but said it was more than halfway back. Jason Breshears gives an exact year, and does so confidently, due to his extensive research. He delves not only into historical records, as Sitchin had done, but also uses scientific cycles and mathematical formulas that relate to our concepts of planetary time and orbits. The historical records, chronologically presented by Breshears, help in identifying cyclical patterns. He also employs advanced geometry, interprets complex crop circle patterns, and uses biblical prophecy in support of some of the astronomical events he has predicted. He does not cover much on the mythical aspects of the Anunnaki gods themselves, but focuses more on the actual sciences that can predict their return. Ancient stories and carefully documented proof are two different things. For these reasons, this book is highly recommended.

annunaki and nibiru: Slave Species of the Gods Michael Tellinger, 2012-09-10 Our origins as a slave species and the Anunnaki legacy in our DNA • Reveals compelling new archaeological and genetic evidence for the engineered origins of the human species, first proposed by Zecharia Sitchin in The 12th Planet • Shows how the Anunnaki created us using pieces of their own DNA, controlling our physical and mental capabilities by inactivating their more advanced DNA • Identifies a recently

discovered complex of sophisticated ruins in South Africa as the city of the Anunnaki leader Enki. Scholars have long believed that the first civilization on Earth emerged in Sumer some 6,000 years ago. However, as Michael Tellinger reveals, the Sumerians and Egyptians inherited their knowledge from an earlier civilization that lived at the southern tip of Africa and began with the arrival of the Anunnaki more than 200,000 years ago. Sent to Earth in search of life-saving gold, these ancient Anunnaki astronauts from the planet Nibiru created the first humans as a slave race to mine gold--thus beginning our global traditions of gold obsession, slavery, and god as dominating master. Revealing new archaeological and genetic evidence in support of Zecharia Sitchin's revolutionary work with pre-biblical clay tablets, Tellinger shows how the Anunnaki created us using pieces of their own DNA, controlling our physical and mental capabilities by inactivating their more advanced DNA--which explains why less than 3 percent of our DNA is active. He identifies a recently discovered complex of sophisticated ruins in South Africa, complete with thousands of mines, as the city of Anunnaki leader Enki and explains their lost technologies that used the power of sound as a source of energy. Matching key mythologies of the world's religions to the Sumerian clay tablet stories on which they are based, he details the actual events behind these tales of direct physical interactions with "god," concluding with the epic flood--a perennial theme of ancient myth--that wiped out the Anunnaki mining operations. Tellinger shows that, as humanity awakens to the truth about our origins, we can overcome our programmed animalistic and slave-like nature, tap in to our dormant Anunnaki DNA, and realize the longevity and intelligence of our creators as well as learn the difference between the gods of myth and the true loving God of our universe.

annunaki and nibiru: *Anunnaki* Sonny Ramirez, 2017-09-13 Humankind has been attempting to answer complex questions for thousands of years. Is there a God? Where do we come from? Is there life somewhere else? Are we alone? Who created us? Is there an afterlife? Is there hell? In the early 1800s, over thirty thousand tablets were found in the ancient biblical city of Nineveh that included the Assyrian palace reliefs, the library of Ashurbanipal, and the Enuma Elish (also known as the Seven Tablets of Creation) that tell the story of the formation of the world and humanity and of the Anunnaki, gods who arrived from the heavens to create the human race. In a comprehensive study, Sonny Ramirez reveals translations of the findings as well as new discoveries in a passionate search for the truth about the origins of humankind as he attempts to piece together the Anunnaki connection and ultimately discover whether the gods of Earth, men, and Nibiru are still with us today. Anunnaki Gods of Earth and Nibiru share and analyze ancient texts that will encourage others to open their minds, imagine the unimaginable, and dream of the possibilities that an endless universe can hold.

annunaki and nibiru: DNA of the Gods Chris H. Hardy, 2014-03-21 An in-depth study of humanity's Anunnaki origins and the Anunnaki battle for an intelligent versus enslaved humanity • Explains the genetic engineering of humanity by an Anunnaki scientist Ninmah • Shows how the concepts of sin and the inferiority of women arose from Enlil's will to keep humanity underdeveloped, clashing with Enki's and Ninmah's plan to make us equal in intelligence • Reveals how humanity's long history of conflict was shaped by the battle between Enki and his brother Enlil Further developing the revolutionary work of Zecharia Sitchin, Chris Hardy shows that the "gods" of ancient myth, visitors from the planet Nibiru, created us using their own "divine" DNA--first through DNA extraction from their own ribs' marrow and later by direct relations with early human females. Drawing upon multiple sacred texts, Hardy details the genetic engineering of humanity by Anunnaki scientist Ninmah, with the help of Enki and Hermes. She reveals how Ninmah's first female human creation, Tiamat/Eve, contained more alien DNA than the earlier male one, Adamu, and how the biblical Noah represents the perfection of her work. Examining the war between Anunnaki brothers

Enki and Enlil, Hardy reveals how the concepts of sin and the inferiority of women were born out of Enlil's attempts to enslave and then wipe out humanity, repeatedly thwarted by Enki and Ninmah. The author further explains how the sacred sexuality taught to humans--still seen in Tantric practice--became suppressed millennia later by the patriarchal concept of original sin and how innocent Eve took the blame for the expulsion from Eden and fall from Grace. Showing that the god who created us was not the same god who expelled us from Eden, Hardy explains that there will be no apocalypse because the Good/Evil duality has never truly existed--it has been only enemy gods fighting and implicating humanity in the wake of their own competition for power. With a full psychological understanding of how the ancient "gods" have shaped humanity's ongoing history of conflict, we can move beyond the framework of "(my) Good versus (your) Evil" imposed by Enlil and begin to steer our own planetary destiny.

The story begins in London as Astra arrives at the British Museum's opening for their new Gilgamesh exhibit. There she meets a handsome stranger who knows secrets about her that no stranger should know, including the source of the unusual scar on her hand. Taking her to his apartment, he reveals that she is descended from the goddess Ishtar and that he is the modern-day avatar of Gilgamesh seeking to claim the eternal life Ishtar denied him so long ago. Reenacting their sacred sex ritual from eons ago, they find themselves transported to ancient Sumer as Gilgamesh and Ishtar, where he is at last able to continue his quest for immortality. But as Gilgamesh fulfills his sacred duties with Ishtar, something goes awry and the Oracle of Anu will not renew its blessing upon his kingship. Following the direction of his mother, the Anunnaki goddess Ninsun--the source of his partial divinity--Gilgamesh flees the city for the Anunnaki forbidden zone in search of a way to the planet Nibiru and eternal life. Travel alongside Gilgamesh and his immortal companion Enkidu as they escape the fate pronounced by the oracle, discover a Tablet of Destiny meant for Ishtar, fight off Marduk's raiders, and foil the plot of the high priest, Gilgamesh's half-brother who is seeking Gilgamesh's crown for himself. Retelling the Epic of Gilgamesh in the context of his discoveries about the Anunnaki, Zecharia Sitchin weaves a tale of ancient ceremony, accidental betrayal, gods among men, interplanetary travel, and a quest for immortality spanning millennia.

annunaki and nibiru: The Anunnaki Chronicles Zecharia Sitchin, 2015-09-17 An insider's look into the decades of research behind Zecharia Sitchin's books as well as an in-depth overview of his theories and discoveries • Includes carefully selected chapters from the Earth Chronicles series as well as never-before-published letters, articles, and lectures • Each piece includes an introduction, offering context and insight into Sitchin's passionate work and revealing the man behind the theories • Explains the genesis of The 12th Planet, the Anunnaki influences on the Sumerian civilization, the orbit of Nibiru, the prehistory of the Americas, the extraterrestrial origins of modern man, and much more What if the tales from the Old Testament and other ancient writings, such as those from Sumer, Babylon, Egypt, and Greece, were not myths or allegory but accounts of actual historical events? Known for his ability to read and interpret ancient Sumerian and Akkadian clay tablets, Zecharia Sitchin (1920-2010) took the words of our most ancient ancestors as fact and, through decades of meticulous research, showed that they revealed a coherent narrative about the true origins of humanity and civilization. Drawing both widespread interest and criticism, his Earth Chronicles series of books, beginning with The 12th Planet, detailed how humanity arose after the arrival of the Anunnaki ("those who from Heaven to Earth came"), alien "gods" who created modern man in their own image and imparted gifts of civilizing knowledge. Providing an insider's look into the decades of research behind Zecharia Sitchin's complete works as well as an in-depth overview of his theories, this collection includes carefully selected chapters from the Earth Chronicles series as well as never-before-published letters, articles, and lectures. We learn about the genesis of The 12th Planet in "The Book as a Story," the Sumerians and their Anunnaki influences in "The Sudden Civilization," the orbit of Nibiru in "UFOs, Pyramids, and the 12th Planet," the prehistory of the Americas in "Cities Lost and Found," the extraterrestrial origins of modern man in "The Cosmic Connection--DNA," and much more. We get to read never-before-published lectures, culled from Sitchin's decades of presentations, as well as the article that spurred the writing of There Were

Giants Upon the Earth. Each piece includes an introduction by Sitchin's niece, offering context and insight into Sitchin's passionate work. These introductions reveal the man behind the theories, a world traveler known for his scholarship, dry humor, and precisely chosen words. If his theories are true, as Sitchin wholeheartedly believed, then this collection presents some of the most important knowledge we have of our origins and future.

annunaki and nibiru: Anunnaki Sasha Lessin, Janet Kira Lessin, 2015-03-21 Anunnaki: False Gods extends Zecharia Sitchin's translations from clay tablets that underlie the Bible. Ten thousand years ago, scribes in ancient Sumer (Iraq) wrote on these tablets what they said the Anunnaki gods (tall people from the sky) dictated. Sitchin asked Dr. Lessin to keep public attention on his legacy by creating an educational program. The Anunnaki are Homo sapiens like us but who live hundreds of thousands of years. They said they rocketed to Iraq 450,000 years ago from a planet called Nibiru to harvest gold to send back (via Mars) to Nibiru to powder into an atmospheric shield. They mined abundant gold in Africa until, 300,000 years ago, their miners mutinied. To replace the mutineers, Anunnaki geneticists created short-lived slaves, called Adamites, adapted from their own genome but modified with a bit of clay, copper and genes from an intelligent hominoid, Homo erectus (Bigfoot's ancestor) already living in Africa. Two hundred thousand years ago, Enki, their Chief Scientist, begat a line of Earthlings called Adapites with two Adamite girls. Fifty thousand years ago Enki and an Adamite beauty begat Noah, who carried Enki's longevity genes and ruled the Iraqi city of Sharuppak. Enki saved Noah and many of his subjects from the Deluge of 13,000 years ago. The Anunnaki had Noah's people and other flood survivors proliferate and build cities in the Middle East and Egypt with up to 50,000 inhabitants. The Anunnaki ruled the new civilizations as gods with descendants of Noah's sons as intermediaries. The Anunnaki gave us the best and the worst of planet-wide civilization--kings, historians, taxes, temples, priests, bicameral congresses, record-keeping, law codes, library catalogs, furnaces, kilns, wheeled vehicles, paved roads, medicines, cosmogony, cosmology, festivals, beer, food recipes, art, music, music instruments, music notes, dance, textiles, and multicolored apparel. Sumerian schools taught mathematics, architecture, theology, writing, grammar, botany, zoology, geography. They displayed but did not pass on a world-wide energy grid, air, submarine and interplanetary transport vehicles and advanced computers. They also gave us hierarchy, misogyny, violence, greed, slavery, debt and war that featured genocide and weapons of mass destruction. In 2024 BCE Anunnaki ruined their eastern Mediterranean cities with nuclear blasts and fallout storms. Most of the Anunnaki returned to Nibiru by 311 BCE. But some stayed. They and their descendants (the power elite) rule us to this day. They and their spawn created and perpetuate exclusive, hostile nations and religions to keep us divided. They addicted us to credit institutions to keep us slaving. Their tales of their stay on Earth before they made our ancestors, as well as what our forefathers directly saw, imprinted us with the values of their hierarchic, male-run, master-slave-enemy mentality. We assumed values of extraction, pollution, monetary monopoly and obsession with gold. Fortunately, the Lessins contend, the genetics team that created us also gave us the capacity and preserved the histories Sitchin and others translated so we can overcome the liabilities they left us.

annunaki and nibiru: Wars of the Anunnaki Chris H. Hardy, 2016-07-18 Examines the Anunnaki gods' evolving relationships with humanity, their power struggles, and the details of their nuclear war on Earth • Analyzes the crisis and rationale behind the Anunnaki decision to nuke 5 cities in the Jordan plain, resulting in the obliteration of Sumerian civilization • Draws upon the work of Zecharia Sitchin, the Book of Genesis, Sumerian clay tablets, and archaeological evidence such as ancient radioactive skeletons • Examines the Anunnakis' lack of higher consciousness, their reliance on technology, their sacred power objects and sacred geometry, and the possibility of Anunnaki bases on Mars in the distant past The detonation of nuclear weapons in the 20th century was not the first time humanity has seen such terrible destruction. Drawing upon the work of Zecharia Sitchin, the Book of Genesis, Sumerian clay tablets, and archaeological evidence such as ancient radioactive skeletons, Chris Hardy reveals the ancient nuclear event that destroyed the Sumerian civilization and the power struggles of the "gods" that led up to it. The author explains

how the Anunnaki came to Earth from the planet Nibiru seeking gold to repair their ozone layer. Using genetic engineering, they created modern humanity to do their mining work and installed themselves as our kings and our gods. Anunnaki god Enki had a fatherly relationship with the first two humans. Then Enlil, Enki's brother, took over as Commander of Earth, instating a sole-god theocracy and a war against the clan of Enki and humanity for spoiling the Anunnaki bloodlines through interbreeding. This shift imposed a blackout not only of the very human nature of the Anunnaki "gods" but also of humanity's own ancient past on Earth. Two of Enlil's attacks against the Enki clan and humanity are described in the stories of the Deluge and the Tower of Babel. His final attempt, after coercing the Assembly of the Gods into voting yes, was the nuclear bombing of 5 cities of the Jordan plain, including Sodom and Gomorrah, which resulted in the destruction of the Sumerian civilization and the Anunnakis' own civilization on Earth, including their space port in the Sinai. The author reveals how, after each attempt, humanity was saved by Enki, chief scientist Ninmah, and Enki's son Hermes. The author explores how the Anunnakis' reliance on technology and their recurrent wars caused them to lose touch with cosmic consciousness. And she reveals how we will be doomed to repeat this dynamic until humanity awakens to our true origins.

annunaki and nibiru: *There Were Giants Upon the Earth* Zecharia Sitchin, 2010-05-05 The crowning work of the best-selling Earth Chronicles series • Reveals the existence of physical evidence of alien presence on Earth in the distant past • Identifies and describes the demigods, such as Gilgamesh, descended from these visitors • Outlines the tests of this physical evidence of alien presence that could unlock the secrets of health, longevity, life, and death In whose genetic image were we made? From his first book *The 12th Planet* on, Zecharia Sitchin has asserted that the Bible's Elohim who said "Let us fashion The Adam in our image and after our likeness" were the gods of Sumer and Babylon--the Anunnaki who had come to Earth from their planet Nibiru. The Adam, he wrote, was genetically engineered by adding Anunnaki genes to those of an existing hominid, some 300,000 years ago. Then, according to the Bible, intermarriage took place: "There were giants upon the Earth" who took Adam's female offspring as wives, giving birth to "heroes of renown." With meticulous detail, Sitchin shows that these were the demigods of Sumerian and Babylonian lore, such as the famed Mesopotamian king Gilgamesh as well as the hero of the Deluge, the Babylonian Utnapishtim. Are we then, all of us, descendants of demigods? In this crowning oeuvre, Zecharia Sitchin proceeds step-by-step through a mass of ancient writings and artifacts, leading the reader to the stunning Royal Tombs of Ur. He reveals a DNA source that could prove the biblical and Sumerian tales true, providing conclusive physical evidence for past alien presence on Earth and an unprecedented scientific opportunity to track down the "Missing Link" in humankind's evolution, unlocking the secrets of longevity and even the ultimate mystery of life and death.

annunaki and nibiru: *African Temples of the Anunnaki* Michael Tellinger, 2013-05-24 Archaeological proof of the advanced civilization on the southern tip of Africa that preceded Sumer and Egypt by 200,000 years • Includes more than 250 original full-color photographs of South Africa's circular stone ruins, ancient roads, prehistoric mines, large pyramids, and the first Sphinx • Reveals how these 200,000-year-old sites perfectly match Sumerian descriptions of the gold mining operations of the Anunnaki and the city of Enki • Shows how the extensive stone circle complexes are the remains of Tesla-like technology used to generate energy and carve tunnels straight into the Earth With more than 250 original full-color photographs, Michael Tellinger documents thousands of circular stone ruins, monoliths, ancient roads, agricultural terraces, and prehistoric mines in South Africa. He reveals how these 200,000-year-old sites perfectly match Sumerian descriptions of Abzu, the land of the First People--including the vast gold-mining operations of the Anunnaki from the 12th planet, Nibiru, and the city of Anunnaki leader Enki. With aerial photographs, Tellinger shows how the extensive stone circle and road complexes are laid out according to the principles of sacred geometry and represent the remains of Tesla-like technology used to generate energy and carve immensely long tunnels straight into the Earth in search of gold--tunnels that still exist and whose origins had been a mystery until now. He reveals, with photographic evidence, that the human civilization spawned by the Anunnaki was the first to create many totems of ancient Egypt, such as

the Horus bird, the Sphinx, the Ankh, and large pyramids, as well as construct an accurate stone calendar, at the heart of their civilization, aligned with the Orion constellation. He explores how their petroglyphs, carved into the hardest rock, are nearly identical to the hieroglyphs of Sumerian seals. Mapping thousands of square miles of continuous settlements and three urban centers--each one larger than modern-day Los Angeles--Tellingner provides the physical proof of Zecharia Sitchin's theories on the Anunnaki origins of humanity.

annunaki and nibiru: Zecharia Sitchin and the Extraterrestrial Origins of Humanity M. J. Evans, 2016-05-17 An in-depth analysis of Sitchin's revelations about the Anunnaki, early humanity, and Earth's future • Examines Sitchin's research into the Anunnaki arrival on Earth, the lineage of the Nefilim, their space travel technology, and their creation of modern humans • Written by longtime Sitchin friend and colleague M. J. Evans, Ph.D., and draws upon her research and personal discussions with Sitchin • Explores the lust and lovemaking relationships of the Nefilim and suggests we inherited our warlike and love making tendencies from them Known for his provocative interpretations of ancient Sumerian and Akkadian clay tablets, Zecharia Sitchin (1920-2010) read the words of our most ancient ancestors as fact and, through decades of meticulous research, showed that these ancient tablets revealed a coherent narrative about the extraterrestrial inhabitants of Earth and the origins of modern humanity. Drawing upon her many conversations with Zecharia Sitchin over nearly 20 years, M. J. Evans, Ph.D., longtime Sitchin friend and colleague, provides an in-depth analysis of Sitchin's revelations about the Anunnaki, focusing on Anunnaki activities on Earth and Earth's future. She explores the genesis of Sitchin's interest in the Nefilim, the leaders of the Anunnaki, and the controversy caused by the publication of Sitchin's first book, *The 12th Planet*. She examines Sitchin's research into the Nefilim family tree, the Anunnaki arrival on Earth to mine gold to repair the atmosphere on their planet, Nibiru, and their creation of modern humans as workers for their mines and to build their civilization on Earth. She shows how, in the context of 21st-century technological capabilities, Sitchin's work casts a different light on ancient events, with implications for our future. The author reveals the details of the love and lust proclivities of the Nefilim gods Anu, Enlil, and Enki and the goddess Ishtar/Inanna and shows how we inherited these tendencies from our Anunnaki creators as well as their use of war for problem solving. Concluding with an examination of Sitchin's prediction of a nuclear event on Earth in our modern era, she shows how we would be repeating the aggressive warlike behaviors of our Anunnaki creators, who may very well become our saviors when Nibiru next returns to our solar system.

annunaki and nibiru: Reign of the Anunnaki Jan Erik Sigdell, 2018-09-11 Reveals the ongoing alien manipulation of humanity and how we can break free • Explores how the Anunnaki have maintained invisible surveillance over us and how they control our development through religion, secret societies, and catastrophes • Reveals how they feed off our energies and how this ability has allowed them to remain here on Earth as multidimensional entities, enforcing their control invisibly • Explains how they established religion to control us and how Gnostic Christianity--which came from Christ and not the Anunnaki--offers a way out of their matrix of control Cuneiform texts found on clay plates in Mesopotamia tell us about an extraterrestrial race, called the Anunnaki, who came from space to exploit our planet. Through genetic manipulation, they created modern humans from existing earthly life forms to serve them as slaves. They physically left our planet millennia ago, but as Jan Erik Sigdell reveals, their influence and control over humanity is still pervasive and significant. Sigdell explains how the Anunnaki have maintained invisible surveillance over us as well as control over how humanity develops, setting limits on our evolution and holding back our development by means of manipulation and catastrophes, including the deluge immortalized in the Bible and many other ancient myths. He shows how they still manipulate our politics and affairs via secret societies, such as the Illuminati, and the political elite, such as the Bilderberg Group. Examining ancient descriptions of the Anunnaki as entities that resemble winged reptiles or amphibians, the author also explores their diet and how they feed off blood and the energies given off by lower life forms, such as humans, when they are expressing extreme negative emotions,

having sex, or dying. This energy-feeding ability has allowed them to remain here on Earth as multidimensional entities, enforcing their control invisibly. He explains how the Anunnaki established religions as tools for control, setting up the major religions with themselves as “gods” and playing them against each other to keep humanity’s attention away from ongoing Anunnaki manipulation. They have also hidden from us the existence of the true highest creator, who created the cosmos as well as the Anunnaki themselves. The author reveals how the highest creator sent a messenger called Jesus to expose the Anunnaki and show us a way out of their matrix of control through a spirituality based on love, empathy, and sacred sexuality. But the “god” of the Anunnaki defeated this messenger and replaced him with a false Christ. This led to the development of Paulinian Christianity under Anunnaki influence, as well as other parallel religions such as Islam, and the suppression and elimination of the original Christianity, Gnostic Christianity. With the discovery of hidden Gnostic texts and teachings at Nag Hammadi in 1945, the way is now paved for our release from the reign of the Anunnaki.

annunaki and nibiru: The Anunnaki Connection Heather Lynn, 2020-03-01 This definitive guide connects a diverse range of new and existing theories about the Anunnaki, while exploring their possible connection to humanity’s past, present, and future. Over 6,000 years ago, the world’s first civilization, the Sumerians, were recording stories of strange celestial gods who they believed came from the heavens to create mankind. These gods, known as the Anunnaki, are often neglected by mainstream historians. The Sumerians themselves are so puzzling; scholars have described their origin as “The Sumerian Problem.” With so little taught about the ancient Sumerians in our history books, alternative theories have emerged. This has led many to wonder, about the true story behind the Sumerians and their otherworldly gods, the Anunnaki. Lynn traces the evolution of these Mesopotamian gods throughout the Ancient Near East, analyzing the religion, myth, art, and symbolism of the Sumerians, investigating: Who are the Anunnaki? How accurate are the current Sumerian text translations, and how do we know for sure who to believe? Is there a connection between the Anunnaki and other ancient gods? Where are the Anunnaki now? Will their possible return spell the end of our world?

annunaki and nibiru: The Lost Book of Enki Zecharia Sitchin, 2004-08-16 The companion volume to The Earth Chronicles series that reveals the identity of mankind’s ancient gods • Explains why these “gods” from Nibiru, the Anunnaki, genetically engineered Homo sapiens, gave Earthlings civilization, and promised to return • 30,000 sold in hardcover Zecharia Sitchin’s bestselling series The Earth Chronicles provided humanity’s side of the story concerning our origins at the hands of the Anunnaki, “those who from heaven to earth came.” In The Lost Book of Enki we now view this saga from the perspective of Lord Enki, an Anunnaki leader revered in antiquity as a god, who tells the story of these extraterrestrials’ arrival on Earth from the planet Nibiru. In his previous works Sitchin compiled the complete story of the Anunnaki’s impact on human civilization from fragments scattered throughout Sumerian, Akkadian, Babylonian, Assyrian, Hittite, Egyptian, Canaanite, and Hebrew sources. Missing from these accounts, however, was the perspective of the Anunnaki themselves. What was life like on their own planet? What motives propelled them to settle on Earth--and what drove them from their new home? Convinced of the existence of a lost book that held the answers to these questions, the author began his search for evidence. Through exhaustive research of primary sources, he has here re-created tales as the memoirs of Enki, the leader of these first “astronauts.” What takes shape is the story of a world of mounting tensions, deep rivalries, and sophisticated scientific knowledge that is only today being confirmed. An epic tale of gods and men unfolds, challenging every assumption we hold about our past and our future.

annunaki and nibiru: The 12th Planet (Book I) Zecharia Sitchin, 1991-05-01 Over the years, startling evidence has been unearthed, challenging established notions of the origins of Earth and life on it and suggesting the existence of a superior race of beings who once inhabited our world. annunaki and nibiru: *Marduk King of Earth* Janet Kira Lessin, Sasha Alex Lessin Ph D, 2017-04-17 MARDUK: ANUNNAKI KING OF EARTH By Sasha Alex Lessin, Ph.D. (Anthropology) & Janet Kira Lessin CEO, Aquarian Radio Marduk, Our secret Anunnaki ruler, says he'll make amends for suffering he caused. Anu, legal successor to planet Nibiru King Lahma, signed a treaty with King Alalu who slew Lahma. Anu quit as Lahma's successor and agreed to let his and Alalu's grandson Marduk succeed Alalu. Anu however reneged. He abrogated the treaty, deposed Alalu and denied Marduk Nibiru's Crown. Marduk rocketed to Earth where he joined his father Enki, Chief Scientist, Earth Goldmining Expedition (the Anunnaki). Marduk didn't rule Nibiru; he only, for awhile, ruled the Astronaut Corps (Igigi) on Mars. He wed a Hybrid (Sarpanit) whose ancestors his dad created. He built Babylon for both Anunnaki and Hybrids in Iraq. Marduk backed the Igigi after they abducted hybrid women following his wedding. He helped settle them on Earth. The Igigi and the lineages they bred with the slave-women, allied with him, settled in Jerico, Canaan and Egypt. In 3450 BCE Anunnaki Commander Enlil-Yahweh had his son Ninurta bomb Marduk's Babylon. In 2924 BCE Ninurta nuked the Expedition's Sinai Spaceport to deny it to Marduk. Marduk's brother Nergal bombed Sodom, Gomorra and the Salt Sea's south bank to kill Marduk's son Nabu. To Enlil's shock, a radioactive storm blew from the bombs he'd ordered dropped and also killed his Sumerian Earthlings. Enlil left Earth rule to Marduk.

annunaki and nibiru: **Serpent Priestess of the Anunnaki** Katrina Sisowath, 2014-06-09 The Anunnaki on Nibiru lack precious metals, stones and minerals, which they desire, food on Nibiru is also running low. Their solution: establish a colony on a distant planet teeming with wildlife and vegetation. When the Anunnaki discover they are ill equipped to labor under the harsh conditions found on Earth, they create a workforce called humans, a hybrid manufactured from their DNA and

a species known as hominid. The Serpent Priestess Ninkha and her husband Lord Enki are charged with this task, battling not only the challenges faced adjusting to life on Earth, but Enki's brother, Enlil, as well. Will the humans live as Enki and Ninkha envisioned--able to learn, create and above all, reason? Or will they subjugate themselves to Enlil and his rule willingly? At stake is the future of the Priestesses of Damuth, who, along with their serpents, service the Annunaki with their own blood, providing those who partake of the cocktail of blood and venom the ultimate in achieving a higher state of consciousness, along with youth, vigour and longevity. If Enlil, whose disdain of them is well-known, wins, what will happen to them? To protect themselves and their descendants they form the 'Dragon Court', but is it enough? Serpent Priestesses or Witches, Gods or Demons, Aliens or Ancestors, Oppressors or Creators? Perhaps all of the above.....

annunaki and nibiru: Anunnaki Theory Authenticated with a New Twist Shafak GokTurk, 2018-06-16 What do all books about the Anunnakis have in common? The answer doesn't really matter because in this book Shafak GokTurk brings a different perspective on the subject, one that will take you to another dimension of reality in our world. Ever wonder how humankind was able to make such tremendous progress over the last 2,000 years? Why is leadership of the world shifting from East to West in politics, economics, and technology? GokTurk makes significant claims that will answer some of these questions and may radically change your viewpoint on the world. Unlike some authors who claim the Anunnakis left our world, GokTurk historically and methodically proves that they remain and have had a significant impact on our lives. The two main groups of Anunnaki—Enlil and Enki—are still active and have always been. A shift of power from one to the other that will reshape our world in the near future is imminent. Will this shift of power bring peace and prosperity, or are we destined to take a turn for the worse? Reading this book will enlighten you about various topics: who Admiral Byrd had a conversation with; Who is Shem to the great Rumi? What are the messages that these people were trying to give us? annunaki and nibiru: The Universe from Annunaki to Islam Arafa Algabalawy, 2020-06-13 There are undoubtedly close relations between the Abrahamic religions, where Christianity is recognized as an extension of Judaism, just as Islam recognized as an extension of both, and that the Prophet Muhammad is the last of the prophets and messengers. The question is: What was before Judaism? Zecharia Sitchin answered this question and explained the extent of similarity between what was mentioned by Judaism and what was discovered in the Sumerian land, starting from the landing of human-like creatures on the surface of the earth, called the Anunnaki, and their creation of the first human being on earth at that time, which led to the creation of the current man. However, no one mentioned the extent of the relationship between the Anunnaki and the last Abrahamic religions, which is Islam. The Anunnaki explained how the universe originated in the scripts of Mesopotamia. The texts described the creation of our solar system, stage after stage, then the emergence of a reckless planet from outer space (called Nibiru or Marduk) that was gradually drawn into our solar system, which led to a collision between it and an ancient member of the sun family (Tiamat). The ensuing celestial battle between the invader - Marduk - and the ancient planet - destroyed Tiamat. Half of it was cut into pieces and became a hammered bracelet; the other half turned into a new orbit and became the current planet Earth, with which the moon was attracted. The invader took off in space, despite being drawn to the center of our solar system and was slowed down by the collision, and it now represents the twelfth member of our solar system. It is clear how this changed our sky, and gave our solar system its present form, created the Earth and everything on it. That included the human race. According to the original Sumerian texts, it was Nibiru, who came from another part of the universe, who brought the seed of life and transported it to Earth during the collision. And life continued on Earth, and proceeded in a continued evolution until the Anunnaki invaded the planet, and they needed to accelerate the development of the beings on Earth at that time, which was the primary human (homo erectus). This led to the creation of the thinking human (the present human being). The events continued, until the deluge occurred. After that,

divine religions (Abrahamic religions) appeared, and the seal of these religions is Islam. This book discusses the extent of congruence, symmetry and harmony between what Islam said and what was reported by the Anunnaki, who came from space, and their system, civilization and development, and how it affected the events and stories narrated by Islam.

annunaki and nibiru: *The Genesis 6 Conspiracy* Gary Wayne, 2020-09-15 Genesis 6 Conspiracy: There are giants among us, passing largely unnoticed, intent on carrying out a secret plan to enslave all humanity. They may not look like giants today, but their bloodlines extend all the way back to the Nephilim—the offspring of angels who mated with human women—described in Genesis 6 when giants roamed the land. Gary Wayne, author of *The Genesis 6 Conspiracy: How Secret Societies and the Descendants of Giants Plan to Enslave Humankind*, details the role of modern-day Nephilim in Satan's plan to install the Antichrist at the End of Days. When God cast the angel Lucifer and his followers out of heaven, Lucifer set into motion a scheme to ensure the Nephilim survived. Why? Because from the bloodlines of these Nephilim the Antichrist will come. To keep his plan alive, Satan has enlisted the loyalty of secret societies such as the Freemasons, the Templars, and the Rosicrucians to conspire in teaching a theology and a history of the world that is contrary to the biblical one. This Genesis 6 Conspiracy marches toward the Great Tribulation, when the loyalty of the Terminal Generation—this generation—will be tested. The Bible, along with many other ancient sources, clearly records the existence of giants. Wayne provides copious citations from many society insiders, along with extensive Bible references, other religious references, and historical material to bolster his contention. annunaki and nibiru: *Anunnaki Awakening* Ray Davis, 2015-02-16 For millennia, humanity has wondered, Who are we and where did we come from? Religions tell us we are flawed, limited, even evil. They promise reward or retribution for believing the right things about the right God and keeping our faces down and our knees bowed. Billions unquestioningly obey. Science skeptically scoffs at these old myths. It has reduced the entire universe - and humanity along with it - to a mathematical and mechanistic accident. Billions consider themselves too smart, too educated to believe in crazy old myths or to see any reality beyond the natural world. Are either of these explanations satisfying or complete? Are we just atoms bumping into other atoms or souls to be saved by the decree of ancient Gods? White House correspondent Maria Love had never considered such questions. Suddenly and unexpectedly, she finds herself thrown into a world where everything we've been told turns out to be wrong. Now, with the help of a member of the Anunnaki elite, she tries to reveal history's greatest deception as the fate of Earth and Nibiru hangs in the balance.

annunaki and nibiru: Ancient Aliens: Marradians and Anunnaki Gary Morgenstein, Ilil Arbel, 2016-12-13 Welcome to the human history you didn't know. A history which the governments of the world don't want you to learn, where humans were pawns of an advanced extraterrestrial race which reshaped our evolutionary cycle through inter-breeding, science and technology. All of us have their DNA. Thirty thousand years ago, two great ancient alien civilizations, the Marradians and the Anunnaki, lived in peace. As much peace as two rivals could muster carving up the Galaxy. Living on the planet Nibiru, they were cousins before the Great Parting, a brutal war fueled by the Anunnaki's insistence that inferior life forms, if gently guided, could thrive in their own endemic image, while Marradians only believed in fealty, the boot and the death stick, or S'ar. The Anunnaki who had visited Earth thousands of years ago were impossibly handsome. They were considered Gods among the ancient Sumerians, and are mentioned in the Bible as the Nephilim - The Fallen Angels. The Marradians are not all that handsome, but they look human and intermingle easily with us. The Anunnaki do not currently live on Earth. The Marradians, on the other hand, have created stations on Earth. Many of them lived here, mostly underwater, for thousands of years. In their minds, the Marradians own the Earth, and the humans are interlopers. They have bases underwater, in the Pacific, near Puerto Rico, and under Alaska's glaciers. The objects we call USO (Unidentified Submerged Objects) are their dangerous crafts. This is just a sliver of the wealth of knowledge we'll be sharing with you. We'll use ancient texts and new research to finally bring the history, culture, traditions, religion, politics, food, science, technology, songs, sexual practices and customs of the Marradians, along with parallel information about the Anunnaki race since the two cousins' story is so bitterly entwined.

annunaki and nibiru: 10th Edition. 2022: WHAT WILL HAPPEN TO US WHEN THE ANUNNAKI RETURN TO EARTH IN 2022? Maximillien De Lafayette, 2013-10-17 Published by Times Square Press <http://www.timessquarepress.com/> Author's website: www.maximilliendelafayettebibliography.com The subjects introduced in this book are explosive. Most important is the fact that it reveals the potential return of the Anunnaki in 2022, and the most frightening transformation that it would bring to the earth. If this is going to happen, a huge number of the people on earth, those grossly contaminated by Grays' DNA, will be annihilated.

Only those who are naturally uncontaminated and those who managed to clean themselves completely will be taken up through an antimatter bubble, with the animals and certain important buildings and inanimate art and culture objects, and kept safe until the earth would be clean again. Such a scenario is, to say the least, disconcerting. Even if you are not sure whether you are a believer or not, you should certainly consider the possibilities - and the book teaches you exactly how to save yourself.

annunaki and nibiru: Annunaki Genesis Andy Jardine, 2016-02-09 'There are no extra-terrestrial beings'' said the space-faring human. The latter quote reeks with irony and the arrogance of humankind to assume we are the pinnacle of creation when in fact the evidence shows that we are the new kids on the block in a universe teeming with intelligent life. In my book i take a no holds barred approach to many a taboo subjects and point you toward the evidence that has been right in front of our eyes but also hidden in a veil of secrecy and deceit by the powers that be. I will prove that the great pyramid was not built by the Egyptians and its antiquity is far older than we have been led to believe, I will also demonstrate that the Annunaki as depicted by the ancient Sumerian's are our true progenitors corroborated by scientific data. And lastly we will look into the true Apollo programme which has been the greatest story never told.

annunaki and nibiru: Judgment of the Nephilim Ryan Pitterson, 2017-09-04 'There were giants in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bare children to them, the same became mighty men which were of old, men of renown.' Genesis 6:4 6,000 years ago a war began. A war to rule Heaven and Earth that dates all the way back to the Garden of Eden. In the Garden, God told Satan that one day a woman would give birth to a male child - the Messiah, who would redeem humanity and destroy him. In order to prevent this child's birth, Satan instigated a fallen angelic rebellion. A group of angels broke off their allegiance to the Lord and entered the early realm to corrupt the human gene pool and prevent the Savior's birth. These fallen angels (sons of God) took human wives (daughters of men) and had children with them. Their offspring hybrid half-human, half-angelic beings, were superhuman giants known as the Nephilim. With human DNA corrupted and humanity hanging in the balance, The Lord unleashed a punishment against the Nephilim that was so severe, only Noah and his family would survive. This is the first comprehensive Biblical study of the Nephilim. Using only Scripture, we are given a complete picture of the war between two bloodlines the lineage of the Messiah and the seed of Satan. Exploring passages rarely connected to the giants, some of the most challenging questions in the Bible regarding the Nephilim will be answered, including: Why did Pharaoh order all male children to be thrown in the river and Herod execute all male children in Bethlehem? How were angels able to reproduce with human women? Who was the first human woman to marry the sons of God? How did the Nephilim return after the Flood and are there still Nephilim among us? The JUDGMENT OF THE NEPHILIM will give you a deeper appreciation of God's Word, His unwavering love and defense of the human race.

annunaki and nibiru: Divine Encounters Zecharia Sitchin, 2002-03-01 Explains the links between the Bible and ancient Sumerian texts, probing the age-old question of the relationship

between humanity and its creators. • Challenges scientific maxims of the basis of human life. • Draws fascinating parallels between the leaders of the Anunnaki (from the 12th planet) and Yahweh. • A comprehensive new look at the history of man. • First time available in hardcover. In Divine Encounters Zecharia Sitchin draws on basic Judeo-Christian texts to analyze the creation myths, paralleling Biblical stories to the myths of Sumer and Mesopotamia in order to show that humanity did not evolve without assistance. Sitchin daringly hypothesizes instead that Enki, one of the leaders of the Anunnaki from the 12th planet, created humanity as a primitive worker. Furthermore, Sitchin suggests that the extraterrestrial encounters of today demonstrate the continued interest of the Anunnaki in the Earthlings they created.
