Overview of Battle Hymn of Tiger Mother

"Battle Hymn of the Tiger Mother" is a memoir published in 2011 by Yale Law professor Amy Chua. The book recounts Chua's experiences raising her two daughters, Sophia and Lulu, under what she describes as "Chinese" parenting methods. The memoir quickly gained international attention for its candid depiction of strict discipline, high expectations, and a relentless pursuit of academic and musical excellence. Chua's story is both personal and provocative, offering a unique window into the challenges and rewards of her parenting journey. Readers are introduced to a philosophy that contrasts sharply with more permissive Western approaches, prompting intense discussion about the best ways to nurture children's potential. The book includes anecdotes, conflicts, and moments of reflection, making it a compelling read for anyone interested in parenting, education, or cultural identity.

Amy Chua: Author Background and Motivation

Amy Chua is a Chinese-American lawyer, academic, and author known for her expertise in international affairs and ethnic conflict. Her personal background heavily influenced the content and perspective of “battle hymn of tiger mother.” Raised by immigrant parents who emphasized discipline and achievement, Chua sought to instill similar values in her daughters. Her motivation for writing the book stemmed from a desire to explore the challenges of balancing cultural heritage with modern parenting realities in America. Chua’s professional achievements and her family’s journey serve as a powerful backdrop for the story, offering authenticity to her insights. The memoir is not only a reflection of her beliefs but also a candid exploration of the struggles and dilemmas faced by immigrant families navigating new cultural landscapes.

- Yale Law Professor and Author
- Second-generation Chinese immigrant
- Mother to two daughters, Sophia and Lulu
- Known for candid writing style and direct approach
- Focuses on cultural conflict and family dynamics

Key Themes and Philosophy of Tiger Mother Parenting

At its core, “battle hymn of tiger mother” promotes a parenting philosophy rooted in discipline, rigor, and the belief that children are capable of achieving great things when pushed to their limits. The “Tiger Mother” method emphasizes obedience, respect for authority, and prioritizing academic and musical achievements above leisure or social activities. Chua’s approach involves strict rules, such as no sleepovers, no television, and hours of daily practice on instruments like the piano and violin. She believes that parental intervention and high expectations are essential for fostering resilience and excellence. The book explores the tension between unconditional love and demanding standards, raising questions about the definition of “good” parenting.

Core Principles of Tiger Mother Parenting

Chua’s parenting style is characterized by several key principles that define the “Tiger Mother” philosophy. These principles set it apart from more relaxed or permissive approaches commonly found in Western cultures.

1. Strict Discipline: Enforcing rules and routines with consistency.
2. High Expectations: Encouraging children to excel academically and artistically.
3. Parental Authority: Prioritizing respect for parents and elders.

4. Resilience and Perseverance: Teaching children to overcome failure through persistence.
5. Limited Social Activities: Reducing distractions to focus on achievement.

Methods and Techniques Used

The Tiger Mother parenting style employs specific methods to cultivate discipline and achievement. These techniques often involve direct intervention and structured schedules, which can be challenging for both parents and children.

- Mandatory daily practice of piano or violin
- Banning sleepovers and playdates
- Using rewards and punishments to reinforce behavior
- Setting academic goals and monitoring progress closely
- Emphasizing family honor and responsibility

Cultural Context: East vs. West Parenting Styles

“Battle hymn of tiger mother” is rooted in the cultural differences between Eastern and Western parenting philosophies. Chua contrasts the Chinese model of strict discipline and high achievement with the Western focus on self-esteem, autonomy, and emotional well-being. The memoir explores how cultural backgrounds shape expectations, values, and definitions of success. Eastern parenting often emphasizes collective family honor, while Western methods prioritize individual happiness and personal growth. This divide creates tension for immigrant families trying to balance tradition with adaptation to new social norms. Chua’s story serves as a lens through which readers can examine the impact of culture on parenting and child development.

Comparing Cultural Approaches

Understanding the differences between East and West parenting styles is essential to grasp the broader implications of the Tiger Mother philosophy.

- Eastern Parenting: Focuses on obedience, discipline, and achievement.
- Western Parenting: Values creativity, independence, and emotional support.
- Hybrid Approaches: Many families blend traditions to suit their unique circumstances.

- Challenges: Immigrant families often face conflict when integrating differing values.

Controversies and Public Debate

The release of “battle hymn of tiger mother” ignited widespread controversy, with critics and supporters debating the merits and dangers of Chua’s parenting methods. Some praised the emphasis on discipline and achievement, arguing that it produces resilient and successful children. Others expressed concern about potential emotional harm, loss of autonomy, and the risk of burnout. The book became a cultural touchstone, inspiring op-eds, talk shows, and academic research on parenting styles. Chua faced both admiration and backlash, with some accusing her of promoting authoritarianism and others celebrating her candor. The debate highlighted broader questions about the role of parents, the importance of balance, and the diversity of paths to success.

Main Points of Contention

Several key issues have fueled the public debate surrounding “battle hymn of tiger mother.”

- Emotional Well-being: Critics argue the methods may harm children’s self-esteem.
- Academic Pressure: Concerns about stress and anxiety resulting from high expectations.
- Parental Authority: Questions about balancing strictness with nurturing.
- Cultural Stereotypes: Debate over generalizing Eastern and Western parenting.
- Freedom vs. Structure: Tension between independence and discipline.

Impact on Children: Psychological and Academic Effects

The Tiger Mother approach has significant psychological and academic implications for children. While some studies suggest that high expectations and structured routines can foster achievement, others warn of increased anxiety, perfectionism, and strained parent-child relationships. “battle hymn of tiger mother” presents both the successes and struggles of Chua’s daughters, illustrating the complexity of such methods. Academic performance often improves under rigorous guidance, but emotional resilience and self-confidence can be affected. The book encourages readers to consider the trade-offs between pushing children to excel and nurturing their well-being. Its impact continues to be studied by psychologists, educators, and sociologists.

Positive and Negative Outcomes

Children raised under Tiger Mother principles may experience a range of outcomes.

- Improved academic performance and musical ability
- Greater perseverance and ability to overcome setbacks
- Risk of anxiety, stress, and perfectionism
- Potential for strained parent-child relationships
- Varied long-term effects depending on personality and family dynamics

Alternative Perspectives and Critiques

While “battle hymn of tiger mother” advocates for strict discipline, many experts and parents propose alternative approaches to parenting. Critics argue that fostering autonomy, creativity, and emotional intelligence is equally important for child development. Research on authoritative parenting suggests that a balance of structure and support leads to optimal outcomes. The memoir has inspired dialogue about the diversity of successful parenting styles and the dangers of one-size-fits-all solutions. Educators and psychologists emphasize the need to adapt strategies to individual children, taking into account personality, culture, and context.

Popular Alternative Parenting Styles

Several parenting philosophies offer different routes to nurturing achievement and well-being.

- Authoritative Parenting: Combines high expectations with warmth and responsiveness.
- Permissive Parenting: Prioritizes emotional support and autonomy.
- Attachment Parenting: Focuses on building strong parent-child bonds.
- Uninvolved Parenting: Characterized by minimal guidance and engagement.
- Balanced Approaches: Integrate discipline with encouragement and communication.

Legacy and Influence of Battle Hymn of Tiger Mother

The legacy of “battle hymn of tiger mother” extends far beyond its initial publication. The memoir

has influenced debates on education, parenting, and cultural identity in the United States and abroad. Its impact can be seen in policy discussions, academic research, and the shifting attitudes of families toward achievement and discipline. Chua's story continues to provoke reflection and dialogue, encouraging parents and educators to examine their own values and methods. The book remains a reference point for understanding the complexities of cross-cultural parenting and the pursuit of success in a globalized world.

Enduring Impact

"Battle Hymn of the Tiger Mother" has left a lasting mark on parenting literature and public discourse.

- Inspired new research on parenting and education
- Shaped conversations about cultural diversity in child-rearing
- Encouraged critical examination of achievement and well-being
- Continues to influence parents, educators, and policymakers

Q&A: Trending Questions About Battle Hymn of Tiger Mother

Q: What is the main message of "battle hymn of tiger mother"?

A: The main message is that strict discipline, high expectations, and rigorous parental involvement can foster academic and artistic excellence, though it also highlights the complexities and potential emotional challenges of such an approach.

Q: Who is Amy Chua and why did she write the book?

A: Amy Chua is a Yale Law professor and Chinese-American author who wrote the memoir to explore the cultural and personal dimensions of parenting, especially as an immigrant balancing tradition with modern American values.

Q: What are some typical Tiger Mother parenting techniques described in the book?

A: The book describes techniques such as mandatory daily practice of musical instruments, banning sleepovers, enforcing strict academic standards, and using rewards and punishments to guide behavior.

Q: How did the public react to "battle hymn of tiger mother"?

A: The book sparked widespread debate, with some praising its advocacy for discipline and achievement, and others criticizing its strictness and potential emotional impact on children.

Q: What are the psychological effects of Tiger Mother parenting?

A: Psychological effects can include increased perseverance and achievement, but also risks of anxiety, perfectionism, and strained parent-child relationships, depending on the child's personality and family context.

Q: How does Tiger Mother parenting differ from Western parenting styles?

A: Tiger Mother parenting emphasizes obedience, discipline, and achievement, while Western styles often prioritize autonomy, creativity, and emotional support.

Q: Did Amy Chua's daughters succeed under her parenting methods?

A: The memoir details both successes and challenges, with her daughters achieving notable academic and musical accomplishments but also experiencing moments of conflict and resistance.

Q: Are there alternative approaches to parenting discussed in response to the book?

A: Yes, critics and experts highlight authoritative parenting, which balances structure and warmth, as well as permissive and attachment-based approaches that focus on emotional well-being and autonomy.

Q: What is the legacy of "battle hymn of tiger mother"?

A: The book continues to influence discussions on parenting, education, and cultural identity, inspiring research, policy debates, and personal reflection among parents and educators worldwide.

Q: Can Tiger Mother parenting methods be adapted to different cultures?

A: Many families adapt elements of Tiger Mother parenting to suit their cultural values and individual circumstances, often blending strictness with encouragement and communication for balanced outcomes.

The Battle Hymn of the Tiger Mother: A Deep Dive into Amy Chua's Controversial Parenting Style

Are you ready to dive into one of the most debated parenting philosophies of the 21st century? Amy Chua's "Battle Hymn of the Tiger Mother" sparked a global conversation about cultural differences in parenting, discipline, and the pursuit of excellence. This post offers a comprehensive analysis of Chua's controversial approach, examining its strengths, weaknesses, and lasting impact on the parenting landscape. We'll delve into the core tenets of her method, explore the criticisms leveled against it, and ultimately consider whether there's any merit in adopting aspects of her style, even in a modified form.

What is the "Tiger Mother" Approach?

Amy Chua's "Tiger Mother" methodology, as detailed in her bestselling book, emphasizes strict discipline, unwavering high expectations, and a relentless focus on academic achievement. This approach, heavily influenced by Chinese cultural values, prioritizes structured schedules, limited extracurricular activities outside of academics, and a no-nonsense approach to correcting mistakes. It's characterized by:

Unwavering High Expectations: Tiger Mothers don't accept anything less than excellence. This isn't simply about good grades; it's about perfection in everything the child undertakes.

Strict Discipline and Control: This isn't about permissive parenting. Tiger Mothers exert significant control over their children's lives, dictating schedules, activities, and even social interactions.

Emphasis on Academic Success: Academic achievement is paramount. Extracurricular activities are often sacrificed to ensure focus on studies.

Limited Praise and Frequent Criticism: Positive reinforcement is minimal; instead, children are pushed to improve through constructive (and often harsh) criticism.

A Strong Belief in Innate Ability: Tiger Mothers often believe that success is attainable through sheer hard work and dedication, sometimes overlooking innate talent or aptitude.

The Backlash and Criticisms of the "Tiger Mother"

Chua's book triggered significant controversy. Critics argue that her approach is:

Too Authoritarian: Many felt the approach stifles children's independence, creativity, and emotional development. The constant pressure can lead to anxiety, depression, and resentment.

Culturally Biased: Critics point out that the approach isn't universally applicable and may be rooted in specific cultural values that aren't shared by all families.

Harmful to Child's Wellbeing: The emphasis on achievement above emotional well-being is considered detrimental to a child's mental health. The lack of positive reinforcement can damage self-esteem.

Unrealistic and unsustainable: Maintaining such a rigorous schedule and high level of pressure is practically challenging for most families.

Finding a Balance: Elements of the "Tiger Mother" Approach That Can Be Beneficial

While the "Tiger Mother" approach in its purest form is widely criticized, some aspects can be beneficial when implemented thoughtfully and balanced with other parenting styles:

Setting High Expectations: While not aiming for perfection, setting appropriately high expectations can motivate children to strive for their best.

Structured Routine: A structured routine can improve time management and productivity, beneficial for both children and adults.

Emphasis on Hard Work and Discipline: Teaching children the importance of hard work and discipline is crucial for success in any field.

However, these elements must be carefully balanced with:

Emotional Support and Positive Reinforcement: Children need consistent encouragement and praise to build confidence and self-esteem.

Autonomy and Independence: Allowing children to make choices and experience the consequences fosters independence and responsibility.

Open Communication: Creating a safe space for open communication allows children to express their feelings and concerns without fear of judgment.

Beyond the Hype: A More Nuanced Perspective

The "Battle Hymn of the Tiger Mother" isn't a simple guide to be followed rigidly. It sparked a critical conversation about parenting styles, cultural expectations, and the pursuit of success. The key takeaway isn't about adopting Chua's methods wholesale, but rather about thoughtfully considering the elements that resonate with your family's values and adapting them to create a parenting style that promotes both achievement and well-being. The focus should always remain on nurturing a child's individuality, fostering their emotional intelligence, and instilling a love of learning, not just achieving high grades.

Conclusion

Amy Chua's "Battle Hymn of the Tiger Mother" continues to generate debate and discussion, highlighting the complexities of parenting in a globalized world. While the extreme aspects of her approach are widely criticized, extracting beneficial elements and combining them with a nurturing, supportive approach can result in a more balanced and effective parenting philosophy. The goal should always be to raise well-rounded, happy, and successful individuals, not just high-achievers.

FAQs

1. Is the "Tiger Mother" approach culturally specific? Yes, it's heavily influenced by Chinese cultural values, and its direct application might not be suitable for all cultures or families.
2. What are the potential negative consequences of the "Tiger Mother" approach? Anxiety, depression, resentment, and damaged self-esteem are potential negative outcomes.
3. Can any aspects of the "Tiger Mother" approach be beneficial? Yes, elements like setting high expectations and maintaining a structured routine can be beneficial when balanced with emotional support and autonomy.
4. What is the best way to approach parenting after reading about the "Tiger Mother"? Find a balance between high expectations and nurturing support, prioritizing your child's well-being alongside academic achievement.
5. Is the "Tiger Mother" approach outdated? The core principles are still debated, but modern parenting emphasizes a more holistic approach balancing achievement with emotional well-being. The "Tiger Mother" approach serves as a cautionary tale and a starting point for broader discussions about parenting styles.

battle hymn of tiger mother: Battle Hymn of the Tiger Mother Amy Chua, 2011-12-06 A lot of people wonder how Chinese parents raise such stereotypically successful kids. They wonder what Chinese parents do to produce so many math whizzes and music prodigies, what it's like inside the family, and whether they could do it too. Well, I can tell them, because I've done it... Amy Chua's daughters, Sophia and Louisa (Lulu) were polite, interesting and helpful, they had perfect school marks and exceptional musical abilities. The Chinese-parenting model certainly seemed to produce results. But what happens when you do not tolerate disobedience and are confronted by a screaming child who would sooner freeze outside in the cold than be forced to play the piano? Battle Hymn of the Tiger Mother is a story about a mother, two daughters, and two dogs. It was supposed to be a story of how Chinese parents are better at raising kids than Western ones. But instead, it's about a bitter clash of cultures, a fleeting taste of glory, and how you can be humbled by a thirteen-year-old. Witty, entertaining and provocative, this is a unique and important book that will transform your perspective of parenting forever.

battle hymn of tiger mother: The Triple Package Jed Rubenfeld, Amy Chua, 2014-02-05 Why do Jews win so many Nobel Prizes and Pulitzer Prizes? Why are Mormons running the business and

finance sectors? Why do the children of even impoverished and poorly educated Chinese immigrants excel so remarkably at school? It may be taboo to say it, but some cultural groups starkly outperform others. The bestselling husband and wife team Amy Chua, author of *Battle Hymn of the Tiger Mother*, and Jed Rubenfeld, author of *The Interpretation of Murder*, reveal the three essential components of success – its hidden spurs, inner dynamics and its potentially damaging costs – showing how, ultimately, when properly understood and harnessed, the Triple Package can put anyone on their chosen path to success.

battle hymn of tiger mother: *Ignore It!* Catherine Pearlman, PhD, LCSW, 2017-08-08 This book teaches frustrated, stressed-out parents that selectively ignoring certain behaviors can actually inspire positive changes in their kids. With all the whining, complaining, begging, and negotiating, parenting can seem more like a chore than a pleasure. Dr. Catherine Pearlman, syndicated columnist and one of America's leading parenting experts, has a simple yet revolutionary solution: Ignore It! Dr. Pearlman's four-step process returns the joy to child rearing. Combining highly effective strategies with time-tested approaches, she teaches parents when to selectively look the other way to withdraw reinforcement for undesirable behaviors. Too often we find ourselves bargaining, debating, arguing and pleading with kids. Instead of improved behavior parents are ensuring that the behavior will not only continue but often get worse. When children receive no attention or reward for misbehavior, they realize their ways of acting are ineffective and cease doing it. Using proven strategies supported by research, this book shows parents how to: - Avoid engaging in a power struggle - Stop using attention as a reward for misbehavior - Use effective behavior modification techniques to diminish and often eliminate problem behaviors Overflowing with wisdom, tips, scenarios, frequently asked questions, and a lot of encouragement, *Ignore It!* is the parenting program that promises to return bliss to the lives of exasperated parents.

battle hymn of tiger mother: *Before Ever After* Samantha Sotto, 2012-05-29 A smartly written romance, mystery and historical adventure all wrapped up in a page-turner that will have you guessing until the very end. - Adena Halpern, author of *The Ten Best Days of My Life* Three years after her husband Max's death, Shelley feels no more adjusted to being a widow than she did that first terrible day. That is, until the doorbell rings. Standing on her front step is a young man who looks so much like Max--same smile, same eyes, same age, same adorable bump in his nose--he could be Max's long-lost relation. He introduces himself as Paolo, an Italian editor of American coffee table books, and shows Shelley some childhood photos. Paolo tells her that the man in the photos, the bearded man who Paolo says is his grandfather though he never seems to age, is Max. Her Max. And he is alive and well. As outrageous as Paolo's claims seem--how could her husband be alive? And if he is, why hasn't he looked her up?--Shelley desperately wants to know the truth. She and Paolo jet across the globe to track Max down--if it is really Max. Along the way, Shelley recounts the European package tour where they had met. As she relives Max's stories of bloody Parisian barricades, medieval Austrian kitchens, and buried Roman bathhouses, Shelley begins to piece together the story of who her husband was and what these new revelations mean for her happily ever after. And as she and Paolo get closer to the truth, Shelley discovers that not all stories end where they are supposed to.

battle hymn of tiger mother: Political Tribes Amy Chua, 2018-02-20 The bestselling author of *Battle Hymn of the Tiger Mother*, Yale Law School Professor Amy Chua offers a bold new prescription for reversing our foreign policy failures and overcoming our destructive political tribalism at home Humans are tribal. We need to belong to groups. In many parts of the world, the group identities that matter most – the ones that people will kill and die for – are ethnic, religious, sectarian, or clan-based. But because America tends to see the world in terms of nation-states engaged in great ideological battles – Capitalism vs. Communism, Democracy vs. Authoritarianism, the “Free World” vs. the “Axis of Evil” – we are often spectacularly blind to the power of tribal politics. Time and again this blindness has undermined American foreign policy. In the Vietnam War, viewing the conflict through Cold War blinders, we never saw that most of Vietnam's “capitalists” were members of the hated Chinese minority. Every pro-free-market move we made helped turn the

Vietnamese people against us. In Iraq, we were stunningly dismissive of the hatred between that country's Sunnis and Shias. If we want to get our foreign policy right – so as to not be perpetually caught off guard and fighting unwinnable wars – the United States has to come to grips with political tribalism abroad. Just as Washington's foreign policy establishment has been blind to the power of tribal politics outside the country, so too have American political elites been oblivious to the group identities that matter most to ordinary Americans – and that are tearing the United States apart. As the stunning rise of Donald Trump laid bare, identity politics have seized both the American left and right in an especially dangerous, racially inflected way. In America today, every group feels threatened: whites and blacks, Latinos and Asians, men and women, liberals and conservatives, and so on. There is a pervasive sense of collective persecution and discrimination. On the left, this has given rise to increasingly radical and exclusionary rhetoric of privilege and cultural appropriation. On the right, it has fueled a disturbing rise in xenophobia and white nationalism. In characteristically persuasive style, Amy Chua argues that America must rediscover a national identity that transcends our political tribes. Enough false slogans of unity, which are just another form of divisiveness. It is time for a more difficult unity that acknowledges the reality of group differences and fights the deep inequities that divide us.

battle hymn of tiger mother: Battle Hymn of the Tiger Teachers Katharine Birbalsingh, 2019-09-03 At Michaela Community School, teachers think differently, overturning many of the ideas that have become orthodoxy in education. Here, 20 Michaela teachers explore controversial ideas that improve the lives of pupils from disadvantaged backgrounds. Michaela is blazing a trail, defying many of the received notions about what works best in schools.

battle hymn of tiger mother: My Tiger Mom & Me Hyperink Writers, 2011-08-25 Presenting the winners of our Tiger Mom short story contest: We ran a contest 2 months ago where we asked the question: What is your Tiger Mom story? We were surprised by the number of submissions people sent it - amazing stories of those who were raised by their Tiger moms (and dads). Some resent their parents for their harsh discipline. Others believe that their parents' higher standards pushed them to succeed. Is it better to spoil someone and allow them to fail? Or to oppress them and force them to succeed? Decide for yourself! Here are the winners: * From The Land Of Spices Comes A Fierce Tiger by Rajeswari Ramanathan * I Should Get Started by Victor Em * Perseverance Must Finish by S.C. Thao * Why The Tiger Grows Her Claws by Justin Yee * Lessons Learned From My Dragon Mother by Angela Peng * One Missed Call by Ernie Hsiung * Striving For Imperfection by Angela Tung

battle hymn of tiger mother: World on Fire Amy Chua, 2004-01-06 The reigning consensus holds that the combination of free markets and democracy would transform the third world and sweep away the ethnic hatred and religious zealotry associated with underdevelopment. In this revelatory investigation of the true impact of globalization, Yale Law School professor Amy Chua explains why many developing countries are in fact consumed by ethnic violence after adopting free market democracy. Chua shows how in non-Western countries around the globe, free markets have concentrated starkly disproportionate wealth in the hands of a resented ethnic minority. These "market-dominant minorities" – Chinese in Southeast Asia, Croats in the former Yugoslavia, whites in Latin America and South Africa, Indians in East Africa, Lebanese in West Africa, Jews in post-communist Russia – become objects of violent hatred. At the same time, democracy empowers the impoverished majority, unleashing ethnic demagoguery, confiscation, and sometimes genocidal revenge. She also argues that the United States has become the world's most visible market-dominant minority, a fact that helps explain the rising tide of anti-Americanism around the world. Chua is a friend of globalization, but she urges us to find ways to spread its benefits and curb its most destructive aspects.

battle hymn of tiger mother: Message from an Unknown Chinese Mother Xinran, 2012-03-06 Originally published in Great Britain in 2010 by Chatto & Windus.

battle hymn of tiger mother: A Daughter's Deadly Deception Jeremy Grimaldi, 2016-11-12 Now a Netflix Documentary What Jennifer Did • A sinister plot by a young woman left her mother

dead and her father riddled with bullets. “The book is pure story: chronological, downhill, fast.” — Globe and Mail From the outside looking in, Jennifer Pan seemed like a model daughter living a perfect life. The ideal child, the one her immigrant parents saw, was studying to become a pharmacist at the University of Toronto. But there was a dark, deceptive side to the angelic young woman. In reality, Jennifer spent her days in the arms of her high school sweetheart, Daniel. In an attempt to lead the life she dreamed of, she would do almost anything: lie about her whereabouts, forge school documents, and invent fake jobs and a fictitious apartment. For many years she led this double life. But when her father discovered her web of lies, his ultimatum was severe. And so, too, was her revenge: a plan that culminated in cold-blooded murder. And it almost worked, except for one bad shot. The story of Jennifer Pan is one of all-consuming love and devious betrayal that led to a cold-hearted plan hatched by a group of youths who thought they could pull off the perfect crime. 2017 Arthur Ellis Award, Best Nonfiction Book — Winner

battle hymn of tiger mother: The Dolphin Way Shimi Kang, 2014-05-01 In this inspiring book, Harvard-trained child and adult psychiatrist and expert in human motivation Dr. Shimi Kang provides a guide to the art and science of inspiring children to develop their own internal drive and a lifelong love of learning. Drawing on the latest neuroscience and behavioral research, Dr. Kang shows why pushy “tiger parents” and permissive “jellyfish parents” actually hinder self-motivation. She proposes a powerful new parenting model: the intelligent, joyful, playful, highly social dolphin. Dolphin parents focus on maintaining balance in their children’s lives to gently yet authoritatively guide them toward lasting health, happiness, and success. As the medical director for Child and Youth Mental Health community programs in Vancouver, British Columbia, Dr. Kang has witnessed firsthand the consequences of parental pressure: anxiety disorders, high stress levels, suicides, and addictions. As the mother of three children and as the daughter of immigrant parents who struggled to give their children the “best” in life—Dr. Kang’s mother could not read and her father taught her math while they drove around in his taxicab—Dr. Kang argues that often the simplest “benefits” we give our children are the most valuable. By trusting our deepest intuitions about what is best for our kids, we will in turn allow them to develop key dolphin traits to enable them to thrive in an increasingly complex world: adaptability, community-mindedness, creativity, and critical thinking. Life is a journey through ever-changing waters, and dolphin parents know that the most valuable help we can give our children is to assist them in developing their own inner compass. Combining irrefutable science with unforgettable real-life stories, *The Dolphin Way* walks readers through Dr. Kang’s four-part method for cultivating self-motivation. The book makes a powerful case that we are not forced to choose between being permissive or controlling. The third option—the option that will prepare our kids for success in a future that will require adaptability—is the dolphin way.

battle hymn of tiger mother: The Blessing Of A Skinned Knee Wendy Mogel, 2008-12-02 The beloved bestseller that offers a practical, inspiring new roadmap for raising self-reliant, ethical, and compassionate children. In the trenches of a typical day, every parent encounters a child afflicted with ingratitude and entitlement. In a world where material abundance abounds, parents want so badly to raise self-disciplined, appreciative, and resourceful children who are not spoiled by the plentitude around them. But how to accomplish this feat? The answer has eluded the best-intentioned mothers and fathers who overprotect, overindulge, and overschedule their children's lives. Dr. Mogel helps parents learn how to turn their children's worst traits into their greatest attributes. Starting with stories of everyday parenting problems and examining them through the lens of the Torah, the Talmud, and important Jewish teachings, *The Blessing of a Skinned Knee* shows parents how to teach children to honor their parents and to respect others, escape the danger of overvaluing children's need for self-expression so that their kids don't become little attorneys, accept that their children are both ordinary and unique, and treasure the power and holiness of the present moment. It is Mogel's singular achievement that she makes these teachings relevant for any era and any household of any faith. A unique parenting book, designed for use both in the home and in parenting classes, with an on-line teaching guide to help facilitate its use, *The Blessing of a Skinned Knee* is both inspiring and effective in the day-to-day challenge of raising

self-reliant children.

battle hymn of tiger mother: Tiger Babies Strike Back Kim Wong Keltner, 2013-04-30 An answer to Amy Chua's *Battle Hymn of the Tiger Mother*, author Kim Wong Keltner's *Tiger Babies Strike Back* takes the control-freak beast by the tail with a humorous and honest look at the issues facing women today—Chinese-American and otherwise. Keltner, the author of the novels *Buddha Baby* and *I Want Candy*, mines her own past in an attempt to dispel the myth that all Chinese women are Tiger Mothers. Keltner strikes back at Chua's argument through topics, including "East Meets West in the Board Room and the Bedroom," and "I Was Raised by a Tiger Mom and All I Got Was this Lousy T-Shirt: A Rebuttal to Chua." Through personal anecdotes and tough-love advice, Keltner's witty and forthright opinions evoke an Asian-American *Sex and the City*, while showing how our families shape our personal worlds.

battle hymn of tiger mother: Inspector Chen and the Private Kitchen Murder Qiu Xiaolong, 2021-09-01 Chen Cao has been removed from his chief inspector role, but that doesn't stop him investigating a 'private kitchen' murder that has similarities to a Judge Dee story. No longer a chief inspector, Chen Cao finds himself as director of the Shanghai Judicial System Reform Office. To outsiders it's a promotion, but Chen knows he's being removed from the spotlight as he's immediately placed on involuntary 'convalescence leave' to stop him interfering with any cases. However, with various high-profile crimes making headlines and fears escalating over vigilante reprisals, Chen's superiors know he must at least appear active. One case revolves around Min Lihau, a mingyuan, who runs a 'private kitchen' for powerful figures in Shanghai. Min's accused of murdering her assistant, yet Chen is struck by its similarities to a historic case involving the famous Judge Dee. When an acquaintance of his is murdered in connection with Min, Chen knows he can't stand idly by . . . but he must act in secret, under the cover of writing a Judge Dee novel.

battle hymn of tiger mother: Day of Empire Amy Chua, 2009-01-06 In this sweeping history, bestselling author Amy Chua explains how globally dominant empires—or hyperpowers—rise and why they fall. In a series of brilliant chapter-length studies, she examines the most powerful cultures in history—from the ancient empires of Persia and China to the recent global empires of England and the United States—and reveals the reasons behind their success, as well as the roots of their ultimate demise. Chua's analysis uncovers a fascinating historical pattern: while policies of tolerance and assimilation toward conquered peoples are essential for an empire to succeed, the multicultural society that results introduces new tensions and instabilities, threatening to pull the empire apart from within. What this means for the United States' uncertain future is the subject of Chua's provocative and surprising conclusion.

battle hymn of tiger mother: Children of the Self-Absorbed Nina W Brown, 2008-04-01 Being a parent is usually all about giving of yourself to foster your child's growth and development. But what happens when this isn't the case? Some parents dismiss the needs of their children, asserting their own instead, demanding attention and reassurance from even very young children. This may especially be the case when a parent has narcissistic tendencies or narcissistic personality disorder. From the author of *Working with the Self-Absorbed* and *Loving the Self-Absorbed*, this major revision of a self-help classic offers a step-by-step approach to resolving conflict and building a meaningful relationship with a narcissistic parent. *Children of the Self-Absorbed* offers clear definitions of narcissism and narcissistic personality disorder to help you identify the extent of your parent's problem. You'll learn the different types of destructive narcissism and how to recognize their effects on relationships. With the aid of proven techniques, you'll discover that you're not helpless against your parent's behavior and that you needn't consider giving up on the relationship. Instead, realistic strategies and steps are suggested for learning to set mutually agreed upon behaviors that can help you fulfill your needs and expectations.

battle hymn of tiger mother: Sarah's Quilt Nancy E. Turner, 2010-04-01 *Sarah's Quilt*, the long-awaited sequel to *These Is My Words*, continues the dramatic story of Sarah Agnes Prine. Beloved by readers and book clubs from coast to coast, *These Is My Words* told the spellbinding story of an extraordinary pioneer woman and her struggle to make a home in the Arizona Territories.

Now Sarah returns. In 1906, the badlands of Southern Arizona Territory is a desolate place where a three-year drought has changed the landscape for all time. When Sarah's well goes dry and months pass with barely a trace of rain, Sarah feels herself losing her hold upon the land. Desperate, Sarah's mother hires a water witch, a peculiar desert wanderer named Lazrus who claims to know where to find water. As he schemes and stalls, he develops an attraction to Sarah that turns into a frightening infatuation. And just when it seems that life couldn't get worse, Sarah learns that her brother and his family have been trapped in the Great San Francisco Earthquake of 1906. She and her father-in-law cannot even imagine the devastation that awaits them as they embark on a rescue mission to the stricken city. Sarah is a pioneer of the truest spirit, courageous but gentle as she fights to save her family's home. But she never stops longing for the passion she once knew. Though her wealthy neighbor has asked her to wed, Sarah doesn't entirely trust him. And then Udell Hanna and his son come riding down the dusty road. . . .

battle hymn of tiger mother: Around the Hearth Kynpham Singh Nongkynrih, 2007 It Is Believed That The Only Way The Khasi People Could Learn Of God S Word Was By Passing On The Stories Of Their Forefathers. The Alphabet Of The Great Khasi Tribe Of North-East India Was Born As Late As In 1842, When Thomas Jones, A Welsh Presbyterian Missionary, Introduced The Roman Script To Form The Essentials Of The Khasi Written Word. But Long Before The White Man Came, The Khasis Knew Agriculture, Trade, Commerce And Industry. And They Were Also Masters Of Storytelling. Theirs Was A Society Of Great Wisdom And Civilized Conduct At A Time When Brute Force Held Sway. For Theirs Was A Culture That Worshipped God Through Respect For Both Man And Nature. Perhaps That Is Why Khasi Stories Always Begin With When Man And Beasts And Stones And Trees Spoke As One . . . How Did The Great Storytelling Tradition Of The Khasis Survive So Long Without A Script? Putting Together Myths And Legends Peopled By Deities And Poor Folk, Speaking Trees And Talking Tigers, The Sun And The Moon And Everything Below Bilingual Poet And Writer Kynpham Sing Nongkynrih Describes How Fables Of Love And Jealousy, Hate And Forgiveness, Evil And Redemption Inform The Philosophy, Moral Principles And Daily Activities Of His Community Even Today.

battle hymn of tiger mother: Selfish Reasons to Have More Kids Bryan Caplan, 2012-05-08 In Selfish Reasons to Have More Kids, contrarian economist Bryan Caplan argues that we've needlessly turned parenting into an unpleasant chore, and don't know the real pluses and minuses of having kids. Parents today spend more time investing in their kids than ever, but twin and adoption research shows that upbringing is much less important than we imagine, especially in the long-run. Kids aren't like clay that parents mold for life; they're more like flexible plastic that pops back to its original shape once you relax your grip. These revelations are wonderful news for anyone with kids. Being a great parent is less work and more fun than you think—so instead of struggling to change your children, you can safely relax and enjoy your journey together. Raise your children in the way that feels right for you; they'll still probably turn out just fine. Indeed, as Caplan strikingly argues, modern parents should have more kids. Parents who endure needless toil and sacrifice are overcharging themselves for every child. Once you escape the drudgery and worry that other parents take for granted, bringing another child into the world becomes a much better deal. You might want to stock up.

battle hymn of tiger mother: Parenting George W. Holden, 2014-10-10 Written from a psychological perspective while integrating cross-disciplinary viewpoints, this fully updated Second Edition takes a parent-centered approach to exploring topics such as the reasons behind parental behavior, the effect parents and children have on one another, and social policy's ability to help families. Including the latest statistics on family functioning and with coverage of contemporary issues, George Holden's Parenting conveys the process of parenting in all its complexities.

battle hymn of tiger mother: My Mom is a Fob Teresa Wu, Serena Wu, 2011-01-04 Fob (noun)-derived from the acronym F.O.B. (fresh off the boat) Does your mom still make Peking duck instead of turkey on Thanksgiving, own a giant cleaver, or take twenty-four more napkins than she needs at Chipotle? Your mom may be a fob. Through their hit blog My Mom Is a Fob, Teresa and

Serena Wu have seized ownership of this formerly derogatory term, applying it instead to the heartfelt, hilarious, and thoroughly unique ways that Asian mothers adapt to American culture, from the perspective of those who love them most: their children. Through texts, emails, phone calls, and more, *My Mom Is a Fob* showcases the stories of a community of Asian-American kids who know exactly what it's like to be on the receiving end of that amazing, unconditional, and sometimes misspelled love. It's about those Asian mothers who refuse to get in the car without their sun-protective arm sheaths, the ones who send us passive-aggressive text messages from the dog in hopes that we'll call home, and email us unsolicited advice about everything from homosexuality to constipation. In these pages you'll find solace in the fact that thousands of moms out there are as painfully nosy, unintentionally hilarious, and endearingly fobby as yours is.

battle hymn of tiger mother: *The Sentinels of Culture* Tithi Bhattacharya, 2005 This book is about the intelligentsia in nineteenth-century Bengal. It analyzes why--from the second half of the nineteenth century--the Hindu bhadralok in Bengal developed a specific rhetoric of culture that has continued to inform their identity to the present day.

battle hymn of tiger mother: *Operating Instructions* Anne Lamott, 2005-03-08 With the same brilliant combination of humor and warmth she brought to bestseller *Bird by Bird*, Anne Lamott gives us a smart, funny, and comforting chronicle of single motherhood. It's not like she's the only woman to ever have a baby. At thirty-five. On her own. But Anne Lamott makes it all fresh in her now-classic account of how she and her son and numerous friends and neighbors and some strangers survived and thrived in that all important first year. From finding out that her baby is a boy (and getting used to the idea) to finding out that her best friend and greatest supporter Pam will die of cancer (and not getting used to that idea), with a generous amount of wit and faith (but very little piousness), Lamott narrates the great and small events that make up a woman's life. Lamott has a conversational style that perfectly conveys her friendly, self-deprecating humor. -- Los Angeles Times Book Review Lamott is a wonderfully lithe writer Anyone who has ever had a hard time facing a perfectly ordinary day will identify. -- Chicago Tribune

battle hymn of tiger mother: *The Last Mrs. Astor: A New York Story* Frances Kiernan, 2008-05-17 Kiernan's sharp-eyed biography brings back a woman who, far into her 90s, relished the dance of life. —O, The Oprah Magazine This biography, based on firsthand knowledge and interviews with Mrs. Astor's friends and the heads of New York's great cultural institutions, gives us back the woman so loved and admired. At the age of 51, Brooke Astor wedded the notoriously ill-tempered Vincent Astor, who died in 1959. In a highly publicized courtroom battle, she fought off an attempt to break Vincent's will, which left \$67 million to the Vincent Astor Foundation. As the foundation's president, Mrs. Astor would use this legacy to benefit New York City. She would personally visit every grant applicant and charm anyone she met. At her hundredth birthday, princes and presidents honored her, but in 2006 a grandson petitioned the courts to have his father removed as Brooke's guardian. Once again an Astor court battle became the stuff of headlines.

battle hymn of tiger mother: *Life Recipes from My Mother* Betty Jamie Chung, 2011-03 An inspirational, instructional memoir about a time when thoughtful manners were part of everyday living, even for the young. The book recalls long-ignored family traditions and social customs that the author's mother (one of China's earliest feminists) taught her over many decades. These timeless life recipes are divided into three sections: Recipes for the Soul; Recipes for Successful Relationships; and Recipes for Agreeable Living. Readers also receive insight into a unique point in history: the family's experience of the Japanese invasion of China before the 1949 civil war, and their exodus to a brand new life in Hong Kong.

battle hymn of tiger mother: *Notes For Healthy Kids* Rujuta Diwekar, 2023-06-30 THE ONE-STOP GUIDE TO BRINGING UP HEALTHY CHILDREN BY COMBINING OLD AND NEW WAYS OF NURTURING YOUNG BODIES AND MINDS This is Rujuta's most important book to date, and an attempt to future-proof the health of our next generation. A book that is as much for parents as it is for kids, *Notes for Healthy Kids* focuses on clearing the underlying food confusion that leads to endless diet trends. It empowers kids to make the right food choices for themselves. Rujuta also calls

out the food industry for targeted and misleading advertisements, as well as policymakers for failing to protect the interests of our children. On the practical side, the book combines the latest in nutrition science with the time tested wisdom of our grandmothers, and offers easy-to-follow advice for all aspects of a child's life. Includes food guidelines for: Age-group 0-15 years School days Holidays Parties Sports Obesity Low immunity Diabetes Fatty liver Frequent illnesses and much more.

battle hymn of tiger mother: The Death Instinct Jed Rubenfeld, 2011-01-20 A spellbinding literary thriller about terror, war, greed, and the darkest secrets of the human soul, by the author of the million-copy bestseller *The Interpretation of Murder*. Under a clear blue September sky, America's financial center in lower Manhattan became the site of the largest, deadliest terrorist attack in the nation's history. It was September 16, 1920. Four hundred people were killed or injured. The country was appalled by the magnitude and savagery of the incomprehensible attack, which remains unsolved to this day. The bomb that devastated Wall Street in 1920 explodes in the opening pages of *The Death Instinct*, Jed Rubenfeld's provocative and mesmerizing new novel. War veteran Dr. Stratham Younger and his friend Captain James Littlemore of the New York Police Department are caught on Wall Street on the fateful day of the blast. With them is the beautiful Colette Rousseau, a French radiochemist whom Younger meets while fighting in the world war. A series of inexplicable attacks on Rousseau, a secret buried in her past, and a mysterious trail of evidence lead Young, Littlemore, and Rousseau on a thrilling international and psychological journey—from Paris to Prague, from the Vienna home of Dr. Sigmund Freud to the corridors of power in Washington, D.C., and ultimately to the hidden depths of our most savage instincts. As the seemingly disjointed pieces of what Younger and Littlemore learn come together, the two uncover the shocking truth behind the bombing. Blending fact and fiction in a brilliantly convincing narrative, Jed Rubenfeld has forged a gripping historical mystery about a tragedy that holds eerie parallels to our own time. Watch a video

battle hymn of tiger mother: In Pursuit of Disobedient Women Dionne Searcey, 2020-03-10 When a reporter for *The New York Times* uproots her family to move to West Africa, she manages her new role as breadwinner while finding women cleverly navigating extraordinary circumstances in a forgotten place for much of the Western world. “A story you will not soon forget.”—Kathryn Bigelow, Academy Award-winning director of *The Hurt Locker* and *Zero Dark Thirty* In 2015, Dionne Searcey was covering the economy for *The New York Times*, living in Brooklyn with her husband and three young children. Saddled with the demands of a dual-career household and motherhood in an urban setting, her life was in a rut. She decided to pursue a job as the paper's West Africa bureau chief, an amazing but daunting opportunity to cover a swath of territory encompassing two dozen countries and 500 million people. Landing with her family in Dakar, Senegal, she quickly found their lives turned upside down as they struggled to figure out their place in this new region, along with a new family dynamic where she was the main breadwinner flying off to work while her husband stayed behind to manage the home front. *In Pursuit of Disobedient Women* follows Searcey's sometimes harrowing, sometimes rollicking experiences of her work in the field, the most powerful of which, for her, center on the extraordinary lives and struggles of the women she encounters. As she tries to get an American audience subsumed by the age of Trump and inspired by a feminist revival to pay attention, she is gone from her family for sometimes weeks at a time, covering stories like Boko Haram-conscripted teen-girl suicide bombers or young women in small villages shaking up social norms by getting out of bad marriages. Ultimately, Searcey returns home to reconcile with skinned knees and school plays that happen without her and a begrudging husband thrown into the role of primary parent. Life, for Searcey, as with most of us, is a balancing act. She weaves a tapestry of women living at the crossroads of old-fashioned patriarchy and an increasingly globalized and connected world. The result is a deeply personal and highly compelling look into a modern-day marriage and a world most of us have barely considered. Readers will find Searcey's struggles, both with her family and those of the women she meets along the way, familiar and relatable in this smart and moving memoir.

battle hymn of tiger mother: *Bad Mother* Ayelet Waldman, 2009-05-05 NATIONAL BESTSELLER • A “hilarious, heartbreaking, and edgy” (Newsweek) memoir on modern motherhood. In our mothers’ day there were good mothers, indifferent mothers, and occasionally, great mothers. Today we have only Bad Mothers: If you work, you’re neglectful; if you stay home, you’re smothering. If you discipline, you’re buying them a spot on the shrink’s couch; if you let them run wild, they will be into drugs by seventh grade. Is it any wonder so many women refer to themselves at one time or another as a “bad mother”? Writing with remarkable candor, and dispensing much hilarious and helpful advice along the way—Is breast best? What should you do when your daughter dresses up as a “ho” for Halloween?—Ayelet Waldman says it's time for women to get over it and get on with it in this wry, unflinchingly honest, and always insightful memoir on motherhood in today's world.

battle hymn of tiger mother: *Hillbilly Elegy* J. D. Vance, 2016-06-28 NEW YORK TIMES BESTSELLER A riveting book.—The Wall Street Journal Essential reading.—David Brooks, New York Times From a former marine and Yale Law School graduate, a powerful account of growing up in a poor Rust Belt town that offers a broader, probing look at the struggles of America’s white working class *Hillbilly Elegy* is a passionate and personal analysis of a culture in crisis—that of white working-class Americans. The decline of this group, a demographic of our country that has been slowly disintegrating over forty years, has been reported on with growing frequency and alarm, but has never before been written about as searingly from the inside. J. D. Vance tells the true story of what a social, regional, and class decline feels like when you were born with it hung around your neck. The Vance family story begins hopefully in postwar America. J. D.’s grandparents were “dirt poor and in love,” and moved north from Kentucky’s Appalachia region to Ohio in the hopes of escaping the dreadful poverty around them. They raised a middle-class family, and eventually their grandchild (the author) would graduate from Yale Law School, a conventional marker of their success in achieving generational upward mobility. But as the family saga of *Hillbilly Elegy* plays out, we learn that this is only the short, superficial version. Vance’s grandparents, aunt, uncle, sister, and, most of all, his mother, struggled profoundly with the demands of their new middle-class life, and were never able to fully escape the legacy of abuse, alcoholism, poverty, and trauma so characteristic of their part of America. Vance piercingly shows how he himself still carries around the demons of their chaotic family history. A deeply moving memoir with its share of humor and vividly colorful figures, *Hillbilly Elegy* is the story of how upward mobility really feels. And it is an urgent and troubling meditation on the loss of the American dream for a large segment of this country.

battle hymn of tiger mother: *The Princess Bitchface Syndrome 2.0* Michael Carr-Gregg, Elly Robinson, 2017-01-30 What do you do when your previously quiet, loving daughter becomes a restless, rebellious stranger who acts like a responsible adult one day and a rude, selfish brat the next? You stay calm, and consult the experts. By the time they turn thirteen, adolescent girls look like they're ready for anything – but they're not. Our girls are growing up in a society that is rapidly changing and challenging the skills of even the most experienced parents. A roadmap is needed to guide parents through this new landscape, to ensure we bring up happy, healthy young women. This indispensable book focuses on the special trials of raising adolescent girls today, including: · adolescent development in a new society · pressures at school · parenting strategies that work · parenting in the digital age · sex and drugs · mental health. In this fully revised and expanded edition, leading adolescent psychologist Dr Michael Carr-Gregg and researcher Elly Robinson also discuss the single most prolific and influential factor of our times – technology. If you feel like you’re losing control when it comes to parenting your daughter, it's time to grab back the reins.

battle hymn of tiger mother: *Mamaleh Knows Best* Marjorie Ingall, 2016-08-30 We all know the stereotype of the Jewish mother: Hectoring, guilt-inducing, clingy as a limpet. In *Mamaleh Knows Best*, Tablet Magazine columnist Marjorie Ingall smashes this tired trope with a hammer. Blending personal anecdotes, humor, historical texts, and scientific research, Ingall shares Jewish secrets for raising self-sufficient, ethical, and accomplished children. She offers abundant examples

showing how Jewish mothers have nurtured their children's independence, fostered discipline, urged a healthy distrust of authority, consciously cultivated geekiness and kindness, stressed education, and maintained a sense of humor. These time-tested strategies have proven successful in a wide variety of settings and fields over the vast span of history. But you don't have to be Jewish to cultivate the same qualities in your own children. Ingall will make you think, she will make you laugh, and she will make you a better parent. You might not produce a Nobel Prize winner (or hey, you might), but you'll definitely get a great human being.

battle hymn of tiger mother: Moms Who Drink and Swear Nicole Knepper, 2013-04-02 If you feel like your kids are killing you, you've come to the right place. This irreverent, hilarious guide to the trials of motherhood makes the perfect gift for mom—or any woman with a huge heart and a mouth that sometimes needs washing out with soap. Attention all potty-mouthed, cheap-wine-drinking mothers: Prepare to meet your match. Any bad thought you've had about your kids, Nicole Knepper has had worse. Much worse. It's not that she doesn't love her kids. It's that she understands what a mind-f*% it can be to try to civilize those wild little beasts. Based on her hugely popular Facebook page, "Moms Who Drink and Swear," this book reveals why family dinners are like herpes, how to avoid smashing toys that are being fought over, and the joy of hearing that your son has murdered his imaginary friend. As Nicole rants and raves about caring for children (without crushing their souls), family togetherness (without too many tears), the saving grace of girlfriends (and vodka), and love and marriage (and all the baggage that goes with them), she gets to the heart of what every exasperated mom is thinking, just much funnier.

battle hymn of tiger mother: Mothers of Sparta Dawn Davies, 2018-01-30 "Davies' collection of essays soars.... It's a memoir that locates the profound within the ordinary." —Entertainment Weekly If you're looking for a typical parenting book, this is not it. This is not a treatise on how to be a mother. This is a book about a young girl who moves to a new town every couple of years; a misfit teenager who finds solace in a local music scene; an adrift twenty-something who drops out of college to pursue her dream of making cheesecake on a stick a successful business franchise (ah, the ideals of youth). Alone in a new city, she summons her inner strength as she holds the hand of a dying stranger. Davies is a woman who finds humor in difficult pregnancies and post-partum depression (after reading "Pie" you might never eat Thanksgiving dessert the same way). She is a divorcee who unexpectedly finds second love. She is a happily married suburban wife who nevertheless makes a mental list of all the men she would have slept with. And she is a parent who finds herself tested in ways she could never imagine. In stories that cut to the quick, Davies explores passion, loss, illness, pain, and joy, told from her singular, gimlet-eyed, hilarious perspective. *Mothers of Sparta* is not a blow-by-blow of Davies' life but rather an examination of the exquisite and often painful moments of a life, the moments we look back on and say, That one, that one mattered. Straddling the fence between humor and, well...not humor, Davies has written a book about what it's like to try to carve a place for oneself in the world, no matter how unyielding the rock can be.

battle hymn of tiger mother: Battle Hymn of the Tiger Mother ,

battle hymn of tiger mother: The Smartest Kids in the World Amanda Ripley, 2014-07-29 Following three teenagers who chose to spend one school year living in Finland, South Korea, and Poland, a literary journalist recounts how attitudes, parenting, and rigorous teaching have revolutionized these countries' education results.

battle hymn of tiger mother: Raising America Ann Hulbert, 2011-01-26 Since the beginning of the twentieth century, millions of anxious parents have turned to child-rearing manuals for reassurance. Instead, however, they have often found yet more cause for worry. In this rich social history, Ann Hulbert analyzes one hundred years of shifting trends in advice and discovers an ongoing battle between two main approaches: a "child-centered" focus on warmly encouraging development versus a sterner "parent-centered" emphasis on instilling discipline. She examines how pediatrics, psychology, and neuroscience have fueled the debates but failed to offer definitive answers. And she delves into the highly relevant and often turbulent personal lives of the popular advice-givers, from L. Emmett Holt and Arnold Gesell to Bruno Bettelheim and Benjamin Spock to

the prominent (and ever conflicting) experts of today.

battle hymn of tiger mother: Machiavelli for Moms Suzanne Evans, 2014-04 Counsels parents on how to manage a rambunctious family, sharing the author's successes with experimenting with such tactics as instilling a fear of consequences, withholding unnecessary details, and using gentle manipulation.

battle hymn of tiger mother: The Art of School Leadership Thomas R. Hoerr, 2005 Discusses the importance of strong interpersonal skills to a successful leader and shares strategies for leading students, faculty, and parents in a productive and accountable school.

battle hymn of tiger mother: Racial Ambiguity in Asian American Culture Jennifer Ann Ho, 2015-05-12 The sheer diversity of the Asian American populace makes them an ambiguous racial category. Indeed, the 2010 U.S. Census lists twenty-four Asian-ethnic groups, lumping together under one heading people with dramatically different historical backgrounds and cultures. In *Racial Ambiguity in Asian American Culture*, Jennifer Ann Ho shines a light on the hybrid and indeterminate aspects of race, revealing ambiguity to be paramount to a more nuanced understanding both of race and of what it means to be Asian American. Exploring a variety of subjects and cultural artifacts, Ho reveals how Asian American subjects evince a deep racial ambiguity that unmoors the concept of race from any fixed or finite understanding. For example, the book examines the racial ambiguity of Japanese American nisei Yoshiko Nakamura deLeon, who during World War II underwent an abrupt transition from being an enemy alien to an assimilating American, via the Mixed Marriage Policy of 1942. It looks at the blogs of Korean, Taiwanese, and Vietnamese Americans who were adopted as children by white American families and have conflicted feelings about their “honorary white” status. And it discusses Tiger Woods, the most famous mixed-race Asian American, whose description of himself as “Cablinasian”—reflecting his background as Black, Asian, Caucasian, and Native American—perfectly captures the ambiguity of racial classifications. Race is an abstraction that we treat as concrete, a construct that reflects only our desires, fears, and anxieties. Jennifer Ho demonstrates in *Racial Ambiguity in Asian American Culture* that seeing race as ambiguous puts us one step closer to a potential antidote to racism.
