author thomas horn: Zeitgeist 2025 Thomas R. Horn, 2021-07-15 Before and after the presidency of Donald Trump, the United States was--and now is again--on an intentional trajectory to fulfill what famous Freemason Manly P. Hall described as The Secret Destiny of America. Hall's book includes future national and global subservience to the god of Freemasonry, a deity most Americans would not imagine when reciting the pledge of allegiance to one nation under God. Unknown to most Americans and certainly many Christians is the fact that the Great Seal of the United States is a prophecy hidden in plain sight by the Founding Fathers for more than two hundred years, foretelling the return of this terrifying, demonic god who seizes control of Earth in the New Order of the Ages. This supernatural entity was known and feared in ancient times by different names: Apollo, Osiris,

and even farther back as Nimrod, whom Masons consider to be the father of their institution.

author thomas horn: *Life of Tom Horn* Tom Horn, 2012-08-06 On November 20th, 1903, the cowboy Tom Horn was hanged in Cheyenne, Wyoming, for the murder of a fourteen-year-old boy. His trial was almost certainly influenced by sensationalistic "Yellow" journalism and the bitter cattle range wars of the day, and remains controversial even now. Horn had been many things - runaway farm boy, mule skinner, miner, rodeo champion, Pinkerton detective - but his greatest fame had been as a US Army scout and Indian interpreter in the Apache wars. In this autobiography, written while he was in prison and published after his death, Horn describes his many exploits during that period. He provides a compelling firsthand account of cowboy life on the southwest frontier, of the complex and often violent relationship between Americans, Mexicans, and Apache Indians, and of celebrated characters such as Geronimo, the Apache Kid, and Al Sieber. This ebook edition includes an active table of contents, reflowable text, and 12 photographs and illustrations from the first edition.

author thomas horn: Antichrist and the Final Solution Thomas R. Horn, Terry James, 2020-11 It's been assumed for centuries that a prerequisite for the coming of Antichrist would be a revived world order--an umbrella under which national boundaries dissolve and ethnic groups, ideologies, religions, and economics from around the world orchestrate a single and dominant sovereignty. At the head of the utopian administration, a single personality will surface. He will appear to be a man of distinguished character, but will ultimately become a king of fierce countenance (Daniel 8:23). With imperious decree, he will facilitate a One-World Government, universal religion, and global socialism. Those who refuse his New World Order will inevitably be imprisoned or destroyed until at last he exalts himself above all that is called God, or that is worshiped, so that he, as God, sitteth in the temple of God, showing himself that he is God (2 Thessalonians 2:4). Bible prophecy depicts this coming tyrant as the deadliest in human history. He will try to carry out a satanic Final Solution to inflict genocide far beyond that done through Adolf Hitler's plan by the same name. And this soon-to-come era is closer than many can imagine, yet most don't comprehend the events that lie just ahead.

What future truly awaits mankind on the other side of widespread human enhancement? With breakthrough advances in transhumanistic science and technology at an all-time high, it appears that people of all ages, backgrounds, and world cultures are lining up to embrace the alteration and augmentation of the human race. Remaining as the mere Homo sapiens that God designed is no longer satisfactory as we race toward the human-animal chimeric and human-machine hybrid era--a point of no return. For many, these transhuman concepts paint bright and glorious tomorrows filled with higher efficiency, ease, and convenience for our world. author thomas horn: Pandemonium's Engine Nita Horn, Gary Stearman, 2011 Pandemonium's Engine is the vehicle through which Tom and an elite team of commentators are informing a still-sleeping public about radical changes coming to our culture very soon. In particular, the technological advances that have brought us to the doorstep of life-altering realities are such that the man-on-the-street is struggling to make sense of our world. The book you are about to read is a landmark offering, making such issues as transhumanism compelling reading. A shadowy world of intrigue, power-grabs, and seismic changes in daily life is the stuff of sci-fi movies. Yet the authors contributing to Pandemonium's Engine show us in disturbing detail that these mind-blowing technologies are quite real.

author thomas horn: Blood on the Altar Gary Stearman, Chuck Missler, Sharon Gilbert, Derek Gilbert, Michael Lake, Cris Putnam, 2014-06-15 As the world races toward its momentous end-times encounter between good and evil (known in the Bible as Armageddon), a deepening antagonism is developing worldwide against conservative Christians. According to a 2014 Pew Research Center report this hostility now includes the United States, which elevated from the lowest category of government restrictions on Christian expressions as of mid-2009 to an advanced category in only the last three years. This trend may point to one of the most overlooked aspects of Bible prophecy--a war that ultimately pits born-again believers against religious Christians. The inspired texts themselves say a time is coming when whosoever killeth you [true Christians] will think that he doeth God service. In Matthew 24:9, Jesus further warned: Then shall they deliver you up to be afflicted, and shall kill you, and in the book of Revelation it describes this era as when Antichrist will have power

to make war with the saints, and to overcome them... (Rev. 13:7; Dan. 7:21). All this unfolds as a False Prophet emerges--a final global superchurch leader that causes as many as would not worship the image of the beast should be killed (Rev. 13:15).

author thomas horn: On the Path of the Immortals Thomas Horn, Cris Putnam, 2015-02 Following the release of their international best-seller, *Exo-Vaticana*, Thomas Horn and Cris Putnam were inundated with requests from around the world to be interviewed on radio, television, and in print media. What they discovered sent shockwaves through Christianity concerning the Vatican's advanced telescope, which sits on top of Mt. Graham in Arizona (USA) where the Jesuits admit they are monitoring something approaching the earth. After the authors' initial report was published in *Exo-Vaticana*, the pope's top astronomer took to the airwaves and on the Vatican Observatory website to try and explain the role that he and other church astronomers are playing in regards to emerging ET Friendly theology, their association with the LUCIFER device at Mt. Graham, and their developing doctrines concerning extraterrestrial life and the impact it may have on planet Earth's religions; Christianity in particular. Now, armed with fresh information from the native peoples (that failed before a federal appeals court to stop the construction of the Vatican's observatory on one of their four holiest mountains), the authors set out with cameras and field investigators to unearth their most astonishing discovery yet. The mountain is said to be a portal, a gateway to another dimension. And, as the Vatican knows and the authors uncovered, it is not the only one. NOW, FOR THE FIRST TIME, THIS BOOK REVEALS... *Unveiled! What Mt. Graham really is, and why NASA and the Vatican are there *Disclosed! What the Bible says about gateways and the beings that wait behind them *Discovered! Scientific evidence of, and signals from, life beneath the surface of the earth *Found! The ancient stargates and their association with vortex manifestations *Uncovered! Gobekli tepe, Baalbek, and the secrets of the coming immortals In *On the Path of the Immortals*, internationally acclaimed, investigative authors Thomas Horn and Cris Putnam continue the greatest investigation of our time by exposing the facts kept hidden from the public by elitists and intellectuals who are planning mankind's assimilation under a coming savior, one whom the prophet Daniel foresaw as an alien god.

In the midst of intense global societal discord--persecution, rights activism, racial tension, intense political hostility, and the resurgence of anti-establishment counterculture--many have lost faith in governments and even in church leadership to provide answers and stability. But this feeling--this underlying sensation that pricks our national cognition with a constant needling, demanding to be fought against and yet powerful enough that it inspires hopeless demoralization--has occurred before. From the Bohemian Reformation of John Wycliffe and Jan Hus in the 1300s to the Jesus People of the 60s and 70s, every era ripe with public dejection and faith-drought foreshadowed spiritual awakenings. These often began in the unlikeliest of places by the most inconceivable of personalities, and then spread like uncontrollable brushfires across the land resulting in millions surrendering their hearts and lives to the Lord. As today's world becomes more desperate to experience such personal meaning and social healing, the world is inadvertently moving toward another Great Awakening! IN FINAL FIRE, YOU WILL LEARN: *How God used simple men, women, and youth of the past--unqualified by human and finite standards--to irreversibly change the world. *What practices were employed that reformed traditional religious rituals into personal relationships with Christ, and how those methods are poised to be repeated in the near future. *Why the age of social networking through virtual technology is keeping families and communities from real human relationships, how this relates to an international and spiritual hunger for revival, and how this very same technology will pave the way for an even vaster spreading of the Gospel. *Which current events are now contributing to the largescale unrest mankind all feels, and how this is lining up to unleash what these authors believe to be the Greatest Awakening yet! *Evidence from around the globe that the Awakening may have already started, and will be joined by growing demonstrations of miracles, healings, prophetic visions, and angels in the days just ahead!

author thomas horn: Nephilim Stargates Thomas R. Horn, 2007 One myth from the history of every great civilization spoke of beings descending from heaven and using human and animal DNA to create giant offspring. Rabbinical authorities, Septuagint translators and early church fathers understood this as a factual record of history. The phenomenon began with the "Watchers" who spawned "Nephilim" resulting in judgment from God. The ancients also knew Bible passages that predict the Nephilim will return when Iraq and Iran are invaded and destroyed. Is this prophecy about to be fulfilled? Is man, in his rush to play god through biological weapons, biotechnology, and genetic manipulation, opening gateways to a supernatural unknown? *Nephilim Stargates* and the *Return of the Watchers* is a glimpse into this past, present, and future phenomena, with an eye on what sages and scientists believe and what futurists and prophets may fear. Thomas Horn is CEO of Raiders News Network, a syndicated columnist, and the bestselling author of *The Ahriman Gate*. He has written two other books as well as dozens of published editorials and magazine articles. His works have been referred to by writers of the LA Times Syndicate, MSNBC, Christianity Today, Coast to Coast, World Net Daily, and White House Correspondents. author thomas horn: *Feed* M. T. Anderson, 2010-05-11 Identity crises, consumerism, and star-crossed teenage love in a futuristic society where people connect to the Internet via feeds implanted in their brains. Winner of the LA Times Book Prize. For Titus and his friends, it started out like any ordinary trip to the moon - a chance to party during spring break and play around with some stupid low-grav at the Ricochet Lounge. But that was before the crazy hacker caused all their feeds to malfunction, sending them to the hospital to lie around with nothing inside their heads for days. And it was before Titus met Violet, a beautiful, brainy teenage girl who knows something about what it's like to live without the feed-and about resisting its omnipresent ability to categorize human thoughts and desires. Following in the footsteps of George Orwell, Anthony Burgess, and Kurt Vonnegut, Jr., M. T. Anderson has created a brave new world - and a hilarious new lingo - sure to appeal to anyone who appreciates smart satire, futuristic fiction laced with humor, or any story featuring skin lesions as a fashion statement.

author thomas horn: *Secret Destiny of America* Manly P. Hall, 2024-07-09 The Signature Edition of Manly P. Hall's Esoteric Classics on America Fully reset and newly introduced by PEN Award-winning historian Mitch Horowitz, *The Secret Destiny of America* (1944) and *America's Assignment with Destiny* (1951) are Manly P. Hall's core statements on the esoteric purpose and occult backstory of the United States. In these two volumes appears Hall's thrilling thesis that democracy and personal liberty are part of a "Great Plan" extending from the pharaonic era to Hellenic secret societies to illumined intellects such as Francis Bacon and Christopher Columbus to modern expressions of Rosicrucianism and Freemasonry, finally blossoming among the ideals of America's Founders. In his introduction, Mitch explores the historicism of Hall's writing on America, highlighting lasting points and augmenting the record where new information is available. Mitch specifically considers the Atlantean thesis from the perspective of the twenty-first century; reviews Hall's career-long influence on President Ronald Reagan; examines the eye-and-pyramid of the Great Seal of the United States; contextualizes the impact of Freemasonry on the nation's founding; explores Mesoamerican civilization and its complexities; and critically considers the role of secret societies in modern life. "Hall ranks among the few historical writers who at least recognized the inceptive role of Freemasonry in America's founding," Mitch writes, "a perspective only recently granted overdue treatment in scholarly literature." Indeed, it was Manly P. Hall alone who kept alive the light of esoteric ideas—and their role in the nation's formation—during the time he produced these seminal volumes. They are presented here, with a substantial historical introduction, in their definitive form.

author thomas horn: The Final Roman Emperor, the Islamic Antichrist, and the Vatican's Last Crusade Thomas Horn, Cris Putnam, 2022-08-29 Following the release of their first three international bestsellers--Petrus Romanus, Exo-Vaticana, and On the Path of the Immortals--Thomas Horn and Cris Putnam were swamped with interview requests from radio, television, and print media outlets around the world. When they accurately predicted the resignation of Pope Benedict XVI one full year in advance, even naming the precise time he would step down, global shockwaves raised compelling questions regarding why the Vatican has an advanced telescope set atop Mt. Graham in Arizona where the Jesuits admit they are monitoring something approaching Earth. After the authors' second report was published in Exo-Vaticana, the pope's top astronomer took to the airwaves in an attempt to explain the role he and other church astronomers are playing in regard to the LUCIFER device, as well as their developing doctrines concerning extraterrestrial life and the impact it may soon have on Earth's religions (Christianity in particular). Then, in the third book by Horn and Putnam, the authors set out with cameras and field investigators to unearth their most astonishing discovery yet: Mt. Graham is a portal--the Native Americans who fought the Vatican and NASA told them--a gateway to another dimension. And, as the Vatican knows and the authors uncovered, it is not the only one. Even then, they had no idea what secrets the Vatican was shielding until now...FOR THEIR LAST ENTRY INTO THE 4-YEAR INVESTIGATION REVEALS: Tom Horn's greatest prediction yet (this will shake the foundations of the world!)
