catholic saints stories: Love Is a Radiant Light Hannah Skandar, 2019-03-20 "A man who prays lives out the mystery of existence, and a man who does not pray scarcely exists." Thus writes St. Charbel Makhlouf (1828-1898), a Maronite monk and priest from Lebanon whose reputation for

sanctity spread widely during his life, and whose heavenly intercession has worked countless miracles after his death. St. Charbel's homilies and proverbs are reminiscent of the sayings of the Desert Fathers: simple, homespun, and direct, yet shining and profound. This holy monk speaks from a reservoir of silence about the fundamentals of the Faith and targets the temptations facing all Christians today: the flight from suffering, excessive attachment to comforts, pride over accomplishments, complacency, factiousness, substituting talk for action, fear of proclaiming the truth in an age of hostile unbelief. Alert to the reality of spiritual warfare, St. Charbel calls each one of us to hold fast to the Cross, "the center of the universe and the key to heaven," and defy the devil who seeks our ruin. This collection of some of the most beautiful words spoken by St. Charbel is augmented by a short biography that will bring him to the attention of those who have not yet made his acquaintance or profited from his wisdom.

catholic saints stories: *How Saints Die* Antonio Maria Sicari, 2021-09-15 Italian Carmelite Antonio Maria Sicari's vibrant biographies of saints—from Augustine to Catherine of Siena to Faustina Kowalska—have been read across Europe for decades. In *How Saints Die*, Sicari turns to the most difficult challenge in the life of a Christian: the hour of death. What he uncovers in this darkest moment, however, is not desolation, but inexplicable joy. I have recounted the death of many saints, he writes, but all of them have confirmed for me the truth of this ancient Christian intuition: in the death of a saint, it is death that dies! With in-depth research and a flair for storytelling, Sicari brings before our eyes the gracious last hours of one hundred men and women—lovers and martyrs, thinkers and workers, ancients and moderns, old men and teens. Included are Kateri Tekakwitha, Maximilian Kolbe, Mother Teresa, Thomas Aquinas, Josephine Bakhita, Jérôme Lejeune, Clare of Assisi, and many more. In each, a new shade of the divine light shines through. Those seeking insight into the mystery of death and suffering will find in this book not only wisdom, but rich and

realistic consolation. Divided into brief, readable chapters organized by theme, the collection offers at every bend another fine-grained snapshot of a Christian fully alive.

catholic saints stories: *Saints, Statues, and Stories* James S. Griffith, 2019-10-01 . . . we move to the town of Aconchi on the Río Sonora, where the mission church once contained a life-sized crucifix with a black corpus, known both as Nuestro Señor de Esquipulas . . . and El Cristo Negro de Aconchi . . . So describes well-known and beloved folklorist James S. Griffith as he takes us back through the decades to a town in northern Sonora where a statue is saved—and in so doing, a community is saved as well. In *Saints, Statues, and Stories* Griffith shares stories of nearly sixty years of traveling through Sonora. As we have come to expect through these journeys, “Big Jim”—as he is affectionately known by many—offers nothing less than the living traditions of Catholic communities. Themes of saints as agents of protection or community action are common throughout Sonora: a saint coming out of the church to protect the village, a statue having a say in where it resides and paying social calls to other communities, or a beloved image rescued from destruction and then revered on a private altar. A patron saint saves a village from outside attackers in one story—a story that has at least ten parallels in Sonora’s former mission communities. Details may vary, but the general narrative remains the same: when hostile nonbelievers attack the village, the patron saint of the church foils them. Griffith uncovers the meanings behind the devotional uses of religious art from a variety of perspectives—from artist to audience, preservationist to community member. The religious artworks transcend art objects, Griffith believes, and function as ways of communicating between this world and the next. Setting the stage with a brief geography, Griffith introduces us to roadside shrines, artists, fiestas, saints, and miracles. Full-color images add to the pleasure of this delightful journey through the churches and towns of Sonora.

catholic saints stories: *The Catholic Controversy* St. Francis de Sales, 1986-01-01 Between 1594 and 1598, a preacher named Francois converted 72,000 Protestants to the Catholic Faith. These are his words. One of the most remarkable and well-documented events in Catholic history began when a young priest, St. Francis de Sales, volunteered to re-evangelize the Calvinists of the Chablais. Finding his preaching forcefully rejected, St. Francis de Sales shrewdly switched tactics and began a written apologetics campaign, posting pamphlets on walls and slipping them beneath doors under the cover of night. His defense of the Faith was so clear and thorough that at the end of four years nearly the entire population of 72,000 had returned to the Catholic Faith! These powerful little tracts are as relevant today as they were in the late 1500s. St. Francis de Sales draws support from Scripture, the Fathers and Doctors of the Church to address questions still frequently posed by modern Protestants. Revered as some of the most cogent arguments against Protestantism ever penned; they present a defense of the Catholic Faith that has never been equaled. Now with beautiful new cover, easier to read size, updated typesetting, and the original content. 320 pps PB St. Francis de Sales was one of the most effective Catholic apologists and evangelists of the past five centuries. Undoubtedly, he is the most effective apologist to Protestant Calvinists who has ever lived. Steve Wood (Family Life Center International)

catholic saints stories: A Book of Saints Anne Gordon, 1994-07-01 This fascinating and inspiring book offers us a new look at the saints. From the ancient martyrs to the sixteenth-century mystics to the modern-day missionaries, Anne Gordon profiles some of the real-life men and women who became God's human representatives on Earth—and whose moving stories of courage and determination, unconditional love and self-sacrifice still speak to us today. Discover the moral strength of Saint Maximilian Kolbe, “the apostle of Auschwitz,” whose last selfless act of humanity provided a beacon of hope for the world in a time of darkness; the compassion of Mother Frances Cabrini, whose faith, persistence, and gentle humor helped build sixty-seven charitable institutions; and the wisdom of Saint Anthony, the desert saint whose life was a testament to the healing power of silence, solitude, and prayer. To help readers become closer to these heavenly intermediaries, uplifting prayers accompany the profile of each saint. Discover, too, true stories of everyday people whose lives have been touched—and whose prayers have been answered—with the help of the saints. Portraying the saints in their very human forms, Gordon shows how little different they are from ordinary people who also act out of kindness and concern for others. Whether you seek comfort in troubled times or a new sense of purpose in your life, their shining examples can illuminate your path and lead you to a life lived more fully, genuinely, and joyfully than you've ever imagined.

catholic saints stories: African Saints, African Stories Camille Lewis Brown, 2008 This is a book designed for personal prayer, reflection and possible retreat time, but basically it is a text for

all to commune with the saints. It includes four parts in each of its forty chapters. These sections have a brief biography of each holy person, a relevant passage from Scripture, a brief prayer and a few reflection questions. The first thirty chapters of this book address holy men and women that the church has already officially recognised as a saint, blessed or venerable. The final ten chapters of the book celebrate the lives of men and women who have contributed to the Catholic church but remain without one of these titles. (Adapted from page 2).
