This version has been fully re-checked for accuracy and re-formatted to make it even more user-friendly, following feedback after a full year of classroom use by thousands of teachers across the world. *Spanish Sentence Builders* is a workbook aimed at beginner to pre-intermediate students co-authored by two modern languages educators with over 40 years of extensive classroom experience between the two, both in the UK and internationally. This occurs throughout each unit of work as well as in smaller grammar, vocabulary and question-skills micro-units located at regular intervals in the book, which aim at reinforcing the understanding and retention of the target grammar, vocabulary and question patterns.
